## Chapter 111

The Night Of Ryan's Birthday Party

The entire pack house was decked out in party decorations for the celebration. The guests arrived one by one in succession. Alpha Neil and Luna Ella were at the front door to greet guests.

The hostess had instructed the maids and staff to bring the guests drinks and appetizers as soon as they arrived.

Ryan was chatting with Owen as they sat at the bar.

Owen expressed his disbelief to Ryan, saying,

"Really?" He asked and glanced at his parents.

"By the way, where is your baby?" Owen teased Ryan.

"I think she is planning something big for you."

"I don't know what happened to her phone. She is not picking up my call from yesterday."

"Will see." Ryan muttered as his eyes went to the door where guests were entering.

Beta Glen and his family had just entered the pack house.

His eyes shifted to Allison. She was wearing a white dress that was designed with stonework. She

looked like a princess. Her makeup today was very different from how she usually put it on.

"At long last, your most important guest has arrived," Owen whispered to him.

Both Alpha Neil and Luna Ella engaged them in conversation. Allison greeted them with a bow.

Ryan placed his glass on the bar counter and stood up to go to them. As he moved closer and

Ryan raised one eyebrow as he glanced at his father's hand and then looked at him.

"Something smells fishy, Alpha Neil."

So because of her, after so many years, he called him Dad.

She was standing there while lowering her head.

"Thanks, Dad. I am enjoying the party." He responded while diverting his gaze.

Ryan was going to add something else, but his eyes fell on Allison just as he was about to speak.

Luna Ella's face suddenly lit up with a radiant grin. She embraced Ryand and kissed his hand as she held it. "That's me with my son."

"Sorry, Mom. I was stuck in some stuff. Wade was with me. I handed my work to him and came

At that time, Ethan entered the pack house and approached them.

"You are late for your brother's birthday party." Luna Ella told him.

Alpha Neil turned silent after hearing Ryan call him Dad.

He stood next to Alpha Neil and replied,

"No worries." Alpha Neil said to him.

Only Ryan, Ethan, and Allison were standing there.

Allison's expression of silence confused Ryan. She was avoiding his gaze. Ethan cleared his throat and asked,

"How are you feeling, Ryan?" There was amazement in his voice. It grabbed Ryan's attention. He

Ethan looked stunned as if he did not expect the question. He glanced at Allison, who was looking

"Huh?" She looked at him and shook her head. "Nothing."

"What happened, baby?"

"Ethan"

"Excuse me."

"Why are you so quiet?"

She had just talked without emotion.

"Okay, don't get mad at me."

She averted her gaze from him.

Hearing that, she opened her purse and took out a small box wrapped in gift paper.

"I want to talk to you about something, Ryan." She said without looking at him.

"This is your present. I hope you will like it." She said with a low tone.

"Ryan, don't call me baby. Others will listen to you." She said. Ryan scrutinized her face carefully.

He glanced at the box before accepting it.

"Where is my present?"

"First, tell me why you weren't picking up my calls. I almost decided to go to your house to see you. But when I heard you were going to get here, I decided to refrain from acting hastily and

She turned to Luna Ella. She saw the witch Georgiana standing with both her and Ryan's parents.

"Mom is calling. Maybe the witch came to bless me." Ryan muttered and held her hand.

Allison could not tell him what she wanted to talk about. Because Luna Ella called him at that

Ryan was greeted with a bright smile from Georgiana.

When he was dragging her towards them, she cast a quick glimpse at his hand.

He nodded his head. "Did you come to bestow your blessings upon me?"

"Who can bless you? You are the owner of your world."

"Be careful, girl. I can see a desert coming into your life."

"It's been a while since we last met, Ryan Iversen."

"Well said, Georgiana."

Ryan felt Allison give him a light pull on the wrist and then remove her other hand from his hold.

Others thought that she was referring to his carefree way of living. After a little pause, Alpha Neil

Everyone had noticed that. Georgiana looked at Allison with her pale green eyes.

He regarded her with a frown.
