

Chapter 234 Unbearable Pain

"I ALPHA ARVAN BLACK REJECT YOU ROSE LEE AS MY MATE AND AS MY LUNA."

I heard his rejection. I felt numb for a moment. I was watching his cruel eyes, which were looking at me with hatred.

He didn't say anything more, went to his car, got in, and left.

Everything happened so fast before I could understand anything.

'My mate rejected me? Because of what? Because I'm an omega? Which isn't even my fault. I love him. But he thinks of me as a shameless girl? He rejected me after knowing that I have to bear the consequences. I can also die and still he rejected me. Why? Am I not worthy of being alive? How can I take his rejection?' I thought.

I was upset with the Moon Goddess. How could she do this to me? How could she give me a mate who rejected me mercilessly? Why did she make me so weak that my mate was ashamed to accept me? Why??

Suddenly, I felt a sharp pain in my heart and my body. My wolf was howling like a mad wolf. I couldn't take the pain.

I started to scream. I screamed so loudly that everyone inside the pack house came outside and watched me lying on the ground while crying and screaming.

My mom came to me and hugged me and asked, "What happened to you, Rose? Tell me what happened?"

I could not say anything. The level of pain was so high that I was crying loudly.

"Rose, Child tell us what happened. Can we help you?" Alpha Michael said.

Alice hugged me and cried after seeing my situation. She said, "Vector, come here and help us to carry her. Let's go inside."

Before anyone could carry me, I felt dizzy and saw darkness everywhere. I fainted.

Third P.O.V

Liam was looking at her in shock and didn't say anything. He left the pack house.

Vector carried Rose inside the pack house. Everyone was feeling worried about her. She was good when she was inside. What happened to her?

"You said Arvan was with her. What happened to her? Did she offend him and he did something to her?" Rita whispered to Lina.

"Shut up, Rita. My baby didn't do anything to her. He was just wishing her." Lina whispered back.

"Carry her to our guest room, Vector. I'm calling the pack doctor." Alpha Michael said.

Rose's mother was crying and Alice was trying to calm her down. "Auntie, she'll be fine, don't worry."

The pack doctor came and checked on her. He told everyone that she was in a dangerous condition and he didn't know when she would wake up.

Everyone was scared after hearing the pack doctor. "Can you tell us the reason for her critical health? She suddenly started to shout and fainted." Alpha Michael said to the doctor.

"I can't understand until she wakes up and tells me. I can tell that her heartbeats are getting slow. Her heart rate is very low. Other than that, I didn't find any physical injury to her." The pack doctor said.

Alpha Micheal nodded at him. Rivana went to Rose's mother and said, "Selena, don't worry. She will be fine. Let her rest in our pack house until she wakes up. You should also live here. We will take care of her together."

Selena didn't know what to do alone. So she agreed with Rivana.

On the other hand,

Liam went to meet Arvan. Arvan was drinking at the bar. When Liam arrived he rolled his eyes.

"What? Did you come here as her lawyer?"

Liam was calming himself and said,

"Arvan, what did you do with Rose?" Liam asked.

"Why? What is it with you? Don't tell me she tried to seduce you now?" He said.

"ARVAN!" Liam yelled.

"DON'T SHOUT AT ME. DON'T FORGET THAT I'M YOUR ALPHA." He shouted back while glaring at him.

"I know that very well. But first, you are my best friend. And I can't support my best friend in his wrongdoings." Liam said.

"If you care about your best friend, then try to understand him first. " He gritted his teeth and said.

"Arvan, did you reject her?" Liam said in a low voice.

"Yes. An omega can't be my mate or my Luna. " He replied, without any hesitation.

"Bro, she is not well, she will die in pain. You know our law, right? The consequences will be hard for her. Because of this, she could lose her life too. And you knew this but still did it." Liam said.

"I have to live my life as my own, I have to protect my pack. I can't let my pack in danger just because my mate is a weak creature and I'm bound by laws." He said while sipping his drink.

"Arvan, everyone is afraid of you because you are powerful. Today you reject your mate and give them another reason to be afraid. Don't be too cruel, you will regret it." Liam warned him.

"She is not my mate anymore. I won't regret it because

I HATE HER. "
