

## Chapter 262 Another Pack's Head Alpha

Rose was getting ready for the ball party. Today was the ball. She was nervous. But she told herself to get ready for herself. She wanted to look her best. Her mom spent so much money on just one dress. She wanted to graduate soon and started to earn money so that her mom could take a rest at home.

Rose put makeup on her face. She tried to put on gorgeous make up. Then she looked at her dress. She wore the dress carefully. She set her hair. She straightened her hair from the upper side and curled her hair on the lower side. Then she combed her hair and sprayed on it.

She put on the black high heels.

She looked at herself in the mirror. She looked good. She was happy about her appearance. She never wore anything like that before. How could she? She was out of the pack and never attended parties like balls.

She took her bag which was wholly decorated with white stones. She took her phone too. Then she went downstairs.

Selena was also ready, she was waiting for her daughter. When she heard knocking sounds from the stairs, she turned her head to look at her daughter. But her jaw dropped. She immediately stood up.

"Mom, am I looking okay?" Rose asked.

"You are so beautiful, my child." Selena said. Her eyes got teary.

Rose came to her and hugged her. "Mom, why are you crying?"

"If your dad could see you like this, he would be very happy. His daughter has become such a beautiful woman." Selena said.

Rose also got emotional. She also missed her dad.

"Dad is watching us, mom. And he is happy."

Selena nodded and wiped her tears. "Now, let's go. "

Selena and Rose took a cab. Rose called Delilah,

"Where are you?"

"I am coming, I'm on the way." Delilah replied.

"Okay."

"Where is Alice?"

"She said she would be there." Rose said.

"Okay."

Rose hung up and looked at her mom. "Why don't you attend the ball party with us?"

Selena laughed at her. "I have attended many ball parties in my life with your father. I am old now. The party is for young people. We will chit-chat in another hall, you can all enjoy it in the party hall." Selena said.

"No, you are not old. My mom can't get old. Never." Rose said while hugging her mom.

Selena caressed her daughter's hair and thought, 'I only want you to set up with someone good. I thought Mark liked you but he also went back abroad. I don't know if your mate really rejected you or not. But I hope a good man will come into your life soon and change your life totally.'

When they reached the party hall, they got out of the car. Rose saw that Delilah was waiting for her.

"Delilah" Rose called to her.

Delilah looked at Rose and went to her. "I was waiting for you. Hello Auntie." Delilah said to Rose and looked at Selena.

"Hello Dear." Selena replied.

"Mom, she is Delilah. I told you about her." Rose said.

Selena nodded and said, "You are a pretty girl."

"Thank you, Auntie." Delilah smiled at Selena.

"You two go to the ball room. I will go to the hall room beside the ball room. Rivana is waiting for me. There are many people there. You all enjoy your party, we will enjoy our party." Selena said.

Rose and Delilah nodded at her. Selena went to the hall beside the ball room and the two friends entered the ball room.

The ball room was so big. It was a huge hall room. So many people went there but it still looked so big and huge. It was decorated with flowers on the railings. There was a bar around the corner. Everyone was enjoying themselves while dancing and drinking. The difference between the normal party and the ball party was that women came there in nice long beautiful dresses while men were in suits. It was mainly about the dance. The dancing part is the real fact of the ball. The ball dance.

Rose looked around and tried to find Alice.

"There she is." Delilah said while waving at Alice.

Alice came to them and hugged Delilah.

Rose smiled at them. They were getting along nicely with each other. Alice slowly and dramatically turned to Rose.

"Oh, my God! Who are you?" Alice asked Rose.

"Shut up and stop teasing me." Rose said and Delilah laughed.

"Oh my god! It's really my best friend, Rossy." Alice said and hugged her tightly.

"You finally recognize me." Rose played along with her.

Alice smiled at her. "You are looking very beautiful, Rossy."

"Thanks Alice." Rose replied.

Then they heard all the people start to gossip about who was coming.

"Alpha Arvan is coming." Someone let out.

"Yes, he is coming with his Luna." A woman said. Rose remembered her. She was one of Lina's friends.

Rose saw Liam and Rita entering the ball room. Rita was looking gorgeous as always and Liam was handsome too.

Then Rose's eyes fell on the next couple who entered the ball room. She felt tugged in her heart.

It was Alpha Arvan and Lina who was his girlfriend and his soon to be Luna.

Arvan wore a black tuxedo. He looked like a prince. Beside him was Lina. Lina wore a white gown. She wore white most of the time. Maybe it was her favorite color. She looked stunning in her white gown.

'They look good with each other. Maybe they are made for each other, that's why.' Rose thought.

Everyone was looking at them in awe. Rose looked away from them and continued to talk with her friends.

"Rossy, don't look at that bastard." Alice said.

"Sssh, someone will hear us." Rose said.

"So what? I don't care about anyone." Alice replied.

"Don't worry, she is with us. Today she will only enjoy the party." Delilah said. Alice nodded.

Rose chuckled.

Meanwhile,

Arvan was very busy today. He was about to get there when Lina convinced him to go with her as her partner because they were a couple. Arvan agreed with her and they went there together.

When Arvan entered the ball room. Everyone was looking at him. He went inside with Lina. He was talking with some Alphas who came here for the ball party.

Arvan smelled the scent that shook his sanity all the time he smelled it. His mate's scent. Rose's scent. His eyes looked around and found her in a corner. She was talking with her friends.

Rose looked very beautiful. She wore a black gown. She was looking like the most gorgeous woman at the ball party.

Arvan eyed her from head to toe. She never wore any dress like that before. He had never seen her in this look before. 'When did she become so beautiful?'

"Arvan" Lina called him. She saw where he was looking at and she got angry.

Arvan came out of his thoughts and looked at Lina. "What?"

"Arvan, my parents have come today. Let's meet them. They are in the hall beside our ball room." Lina said excitedly.

"I will meet them after the party."

Lina was upset and Arvan noticed that.

"Don't worry, I will meet them when we go to have our dinner together. I have to be here now. All the Alpha has come here because of my invitation, I can't leave the party."

Lina understood and nodded at him. "Love you so much, Arvan." Lina hugged him and looked at Rose.

Rose glanced at them and immediately averted her gaze.

Vector came to Alice. "Hi."

"Where were you? I was looking for you." Alice asked.

"I saw you were with the Taylor guy." Vector said.

"Yeah, Taylor is better than you." Alice teased him.

"Hello, girls." He said to Rose and Delilah.

"Hi." They replied.

"Do you mind if I borrow your friend from you for some time?" Vector asked.

Rose and Delilah shook their heads.

"I don't want to." Alice said.

"Oh come on. It's a ball party. You have a chance to dance with the Theta of Crismon Red Pack." Vector said, and pulled Alice with him.

Rose chuckled at them. 'He really loves her.'

A young handsome man came and asked Delilah for a dance. Delilah looked at Rose.

Rose nodded at her. "Go and have fun. I am here, don't worry."

Delilah went to dance with the man. He was the Alpha of another pack.

Everybody's eyes were on Rose. But nobody dared to approach her because they saw how Alpha Arvan was looking at the woman from time to time.

Suddenly, Rose saw a man with another four men entering the ball room. He looked like a powerful man. Maybe another pack's head Alpha who came with his four officials. Everyone was silent when they saw him. He is very charming. Black hair, a black and white tuxedo, and a handsome face.

Women were looking at him with amazement. Some were talking about something but Rose could not hear it.

She looked at the man and thought,

'WHO IS HE?'
