

## Chapter 269 Arvan's Possessiveness 2

Arvan came to the club with Lina. He was getting bored because Liam didn't come there yet. Henry didn't come yet too because he had some work and Vector was coming with his friend Alice.

Lina was talking about how her parents were conversing about their marriage and all. Arvan didn't want to listen to those things. He lifted his hand and the waiter came to him. He took a drink and chugged down.

He saw Alpha Blaze entering the club. His eyes went beside Alpha Blaze. He came with Rose.

'What is she doing with him again? Isn't she always with her two friends? Why is she here with him?' Then his eyes went to her dress. He frowned his eyes. Her sleeveless fitting dress that showed her curves, he didn't like it. He looked at her face. She looked beautiful. Suddenly, she turned to him and her eyes fell into his eyes.

Rose looked away and told Blaze to sit somewhere. Blaze nodded and looked around. But when he saw Arvan sitting on a couch in the corner. He took Rose's hand and pulled her with him. They went to the couch.

"Alpha Arvan, we meet again." Blaze said.

"I can see. You are enjoying yourself in my pack." Arvan said while looking at Blaze's hand which was holding Rose's hand.

Blaze smiled at him. "Of course, I am. I don't have any other option but to enjoy my time." He said and glanced at Rose. Rose was feeling uneasy in front of Arvan. She looked at Blaze and smiled.

She was feeling uncomfortable under Arvan's gaze.

"Can we sit here, if you don't mind?" Blaze asked.

The couch was big enough. Lina didn't feel good about it. But she could not deny it. She looked at Arvan. But Arvan nodded at Blaze. "Sure."

Rose closed her eyes tight and shook her head. Arvan noticed it and smirked.

'So you don't even want to sit in front of me? I see.' He thought

After some time, Alice, Vector, and Delilah came. When Alice and Delilah saw Arvan they stopped. They glanced at Rose. Rose nodded her head and said that it was okay. They nodded back and got there. "I am so sorry we were in the traffic jam." Alice said and hugged Rose. Delilah also hugged Rose.

"Don't listen to her, we are late because of her. She took all the time to put on make up." Vector said.

Alice glared at him and everyone laughed at them. Arvan looked at Rose and saw her smiling.

Blaze observed Arvan and turned to Rose. "Shall we dance?"

Rose looked at her friend. They signaled her to go. She nodded her head. They went to the dance floor.

Balze put both of his hands on her waist and pulled her to him. Rose was stunned but she regulated herself and put her hands on his neck.

They were very close. They started to dance. "Why don't you look at me, are you afraid of me?" Blaze asked, kind of shouting because of the loud music.

Rose looked at him. "No, I am looking at you."

"Good. I like eye contact the most."

Rose nodded.

"What will you do after the party?" He asked.

"I will go back to my home and sleep." She replied.

"I will drop you then." Blaze said.

The music had changed and they were dancing to the beats.

Arvan was drinking while looking at them. "Arvan, let's go to the dance floor. I also want to dance." Lina grabbed his arm.

"Please, I don't want to go with someone else." She tried to convince him.

Liam, Rita, and Henry came to the club. Then they joined others on the couch. Vector and Alice went to enjoy the dance floor just like Rose and Blaze. Henry told Delilah to enjoy the party because she was alone. So he told her to dance. She accepted it.

Some of Lina's friends came to them and greeted Arvan. Arvan nodded at them and told Lina to enjoy herself with them. Lina nodded and went with them.

Arvan was sitting alone on the couch. He was drinking and looking at the couple who were looking at each other very closely. His grip on his glass was tightened. But he controlled his anger.

Liam was dancing with Rita but he observed his best friend. He told Rita to wait and then he went out of the club. He called a number.

"Hello?"

A voice came from the other side. Then Liam said something to the man. "Okay, I am doing something. You don't have to worry."

Liam hung up and smirked, 'I am your best friend for a reason, buddy.' Then he went back to the club with his mate.

Arvan saw Blaze getting closer and closer to Rose while dancing. He saw Blaze's hand go to her back. Then Arvan saw her backless dress. His jaw tightened. 'This woman doesn't even know other people's intentions. How dare she come here wearing a backless dress?'

He was so furious that anybody could be afraid if they saw him.

Rose was dancing to the beats. Suddenly, Blaze got a call. He tried to talk but could not understand because of the loud music. He cut the call and wanted to go outside to call back, however he saw a message. His eyes went dark. Rose was almost scared by his look. Blaze looked at her and changed his expression immediately. "I am so sorry I have to leave immediately." He said while cupping Rose's left cheek. Rose nodded at him. "It's okay. You can go. I will go back with Alice."

"Are you sure?" Blaze asked.

"Yeah, I am sure." Rose replied.

Blaze nodded at her and left the club hurriedly as if he was in an emergency.

Rose looked at everyone. Everyone was enjoying the party. So she didn't tell anyone and went to the washroom.

After using the washroom, she came out of the washroom and was about to go back. But she paused when she saw,

He was smoking while leaning on the wall.
