

## **Chapter 59**

"Really? What did you see? What did I do?" Ryan asked her.

Allison frowned at him. "I saw that you were shaking your head, trying to tell her something. And she also looked strange as if she knew you."

He stared at her for a while.

"Why are you silent?"

"You caught me. I'm impressed."

Allison rolled her eyes. "I'm not here to impress you. I heard what she had said to you."

His eyes became dark when he heard her. She felt nervous under his gaze.

"What did you hear?" He asked and stepped towards her.

She unknowingly stepped back, but Ryan grabbed her hand and closed the door.

"What are you doing?" She was startled.

He turned to her and glared at her.

"Spill out. What did you hear?"

His cold gaze made her heart shake a little. She looked away from him. He had never looked at her like this before.

She stepped back, and her back pressed against the wall beside the door.

He stared at her.

"Now why are you crying?"

She realized that tears were dripping out of her eyes. She yanked her hand from his grip and wiped her tears. "I'm not." She mumbled.

He let out a sigh and cleared his throat.

"Allison"

She shook her head. "I heard she said to you about something like someone has feelings for you."

His frowning face turned calm. He thought she had heard the whole conversation, but she only heard the last sentence.

"Look, baby. I'm sorry. I scared you." His voice turned soft.

She lifted her head to look at him. "Who was she talking about?" She inquired.

She wanted to know the answer. She did not know when she started to intervene in others' personal matters.

"Why do you want to know?"

"I'm just curious."

He lowered his head and came close to her face.

Then he whispered in her ear,

"She was talking about her daughter."

Her eyes widened. "D-Daughter?"

"Yeah. Her daughter is madly in love with me. That's why, when she looked at me, she was shocked. Because she knew me."

When he moved his head to look at her, she was lost in thought.

"Her daughter? Is she also a witch?"

"Yes. A very powerful one."

"Where is she?"

"In their coven."

"How did you meet her?"

"Outside. I have known her for a long time. We were friends. Then something happened, and I had to help her with something. Maybe she took it to heart and fell for me. You know no one can resist me." He replied while smirking.

"So you also-"

"Oh, no way. I am not the kind of guy who believes in love. I only f-"

"I don't want to know." She said hurriedly to stop him.

He chuckled at her. He patted her hair. "You are cute."

She felt his warmth when he touched her hair. She stared at him. Her eyes scanned his facial features.

His ethereal, handsome face might be the main reason he could grab other girls' hearts.

Suddenly, she remembered that she saw him today with Julie.

She pushed his hand away from her head. "I saw you today."

"We are in the same school. It's normal to see me every day."

"No, I saw you with Julie."

"What were you doing there?"

"I went to the shopping mall with Ethan to buy some presents for Luna Ella."

He moved away from her. "Now you start to go out with him. Great."

She tried to understand his reaction. She shook her head. "No, it's not like that."

She did not know why she wanted to explain it to him.

"Then what is it like?" He asked and stepped towards her once again.

"Don't try to change the topic, Ryan. What were you doing with Julie?"

He smirked at her. "Why are you so desperate to know?"

"I am not desperate. I saw her crying. What did you do to her?"

He narrowed his eyes. "What can I do to her?"

"Did you do something dirty to her?" She asked him with a low tone.

His face turned grim. He looked fierce. "You think of me like that? Of course, you do. Why am I even asking?"

Allison wanted to know the answer, but he continuously changed her question.

"Can you tell me?"

"No."

"Why?"

"Why would I tell you what I did with her?"

Allison got mad at him. She was not aware of why she was getting angry at him.

"Fine. Don't tell me. Do whatever you want with girls."

She turned to the door and was about to open it, but Ryan stopped her by pulling her wrist.

He pulled her to him, and her body collided with his. She looked at him with wide eyes.

"I have nothing to do with her. She tried to mess with me, and I did not like it."

"What did you do?" She mumbled.

"I made her drop out of school."

She gasped. "Why did you do that?"

"She tried to damage someone's image, so I tried to destroy her life. Simple."

She realized something. "She posted those photos of me and you?"

"Not only that. She even bought a few fake accounts to constantly humiliate you in the comments.

She spread a few fake rumors about you and other boys too."

She felt terrified. "Why did she do that? I have never done wrong to her." She muttered and lowered her head.

"Don't worry. I made everything right."

She glanced at him. "Did you spread that news about my identity?"

"Yeah. You should be confident about who you are."

"Okay. But I want to ask you something."

"What?"

"What happens to your wolf?"

His caring appearance changed in a second. He let go of her hand and replied,

"Why did you ask that?"

"I have never seen you talking with someone in mind links."

He was silent, so she put her hand on his shoulder and asked,

"Ryan, is your wolf okay?"
