### [Chapter 1471: Little excitement](#)

"It seems that someone has attacked our Zhiyu Mountain!"

"The people outside are terrified, it seems that the other party has broken through the hidden barrier."

"They have already contacted the Hall of Greed Wolf, and the attacker may not be able to find him."

"..."

At the door, the three daughters of Chu Xiaobei, as Youzhi's personal maid, you told me one by one.

And Youzhi heard the words of Chu Xiaobei's three daughters, and a little excitement flashed in her eyes.

But then, that trace of excitement was overwhelmed by the later gray.

From Youzhi's point of view, those who can destroy the hidden barrier of Zhiyu Mountain are indeed extraordinary.

However, no matter how extraordinary, there would be no god-level at best, and such strength could not fight the Wushuanglou behind the Greed Wolf Palace.

"That's it."

"Well, the people of Greed Wolf Palace should be able to handle it well, don't worry about it."

"The three of you come over, let's discuss the next plot, the next chapter of Emperor Lang and Emperor Zhi..."

Youzhi waved his small hand frustratedly, and once again opened a hidden protective barrier to completely isolate the outside movement.

"Hey! Here we come!"

Chu Xiaobei's three daughters ran over immediately, "The next chapter, we think so..."

In fact, after getting used to the life of Zhiyushan, they quite like this kind of life, the only thing missing is Su Lang.

But they couldn't think of it, the Su Lang they were thinking of was outside right now!

Weaving Yushan outside.

"Is it the breath of Quasi-Great Emperor?"

Su Lang looked at the white giant mountain, a cruel and crazy grin evoked from the corner of his mouth.

Soon.

With a light wave, he released the Great Emperor Shanqi and Jianxian Cannon.

"Drive me!"

Su Lang gave an order, holding the Youtian Sword, and severely chopped it forward.

Wow!

The powerful defensive ability of Youtian Sword is effective, and the hidden barrier and protective barrier surrounding the entire Zhiyu Mountain are like a bubble, and it shatters directly!

"Ah! Ah!"

"They are coming in!!"

"A quasi-godless attacker!"

"How to do!"

"..."

In Zhiyu Mountain, countless maids kept screaming, their voices one after another.

"Kill everything!"

Su Lang raised the Youtian Sword in his hand, and his voice sounded like blowing from the endless ice abyss.

The Great Emperor Shanxi was about to take action immediately.

The JXian Cannon also began to gather energy, preparing for a grand artillery firework.

But at this moment.

"Squeak!"

Treasure hunting flying flying flying rushed forward, making an urgent cry.

"stop!"

"This is another breath!?"

"Furthermore, the Treasure Hunting Flying Flying Drifter's reaction is even more intense, Chu Xiaobei and the others are here!"

The bloodthirsty and madness in Su Lang's eyes immediately dissipated a lot, and a trace of clear mind took its place.

Immediately after.

A treasure hunting flying flying flying to Su Lang's palm, pointed at Zhiyu Mountain and squeaked.

"Is it inside?"

Su Lang stretched his face, revealing a pleasant smile, "That's great, great!"

this moment.

The idea of murdering the wild has long been thrown out of the sky.

Su Lang just wanted to meet Chu Xiaobei Ji Ruxue and Murong Xianxian as quickly as possible.

Without thinking about it, he immediately flew to Zhiyu Mountain.

But at this moment.

"Friends stop!"

A faint voice came, and before the voice arrived, a figure stopped in front of Su Lang.

This old woman with wrinkled faces and all teeth lost.

But just this ugly old woman exudes a quasi-godless aura, and she also holds a quasi-godless broom in her hand.

After the old lady with the broom appeared.

Rushing.

Bursts of light sent straight into the sky, standing upright!

A great emperor appeared in the light, and everyone had wolf head tattoos on their faces. They were the people who were Greedy of Wolf Palace.

"Dare to stop me..."

Su Lang's eyes condensed, and he wanted to cut it out with a sword.

But considering that Chu Xiaobei and the others are here, the people here can't distinguish between enemy and friend for the time being. Wouldn't it be embarrassing if they accidentally injured the friendly army?

What's more, the quasi-no-god-level battle is too horrible, and it is easy to cause accidental injuries. It is better to figure out the situation before seeing whether to do it.

and so.....

"Who are you?"

Su Lang stubbornly restrained his killing thoughts and stopped in midair: "Where are Chu Xiaobei Ji Ruxue and Murong Xianxian, what is your relationship with Chu Xiaobei and others?"

"Chu Xiaobei!? I don't know this person."

"Friends of Taoism are here for Chu Xiaobei? Let me ask if there is such a person."

The old woman was puzzled. She was ordered by her master to stay underground in Zhiyu Mountain to protect Youzhi.

She really didn't know any of the maids on the mountain.

"You ants, who knows Chu Xiaobei, Ji Ruxue and Murong Xianxian?"

The old woman looked around at the great emperor behind her and the panicked maids on Zhiyu Mountain.

## [Chapter 1472: I thought I was green](#)

"Chu...Chu Xiaobei!?"

"That Da Neng turned out to be looking for Chu Xiaobei!"

"Oh my God, that strong man didn't even expel Qiao Zhenzhen directly, but talked with him politely. This is incredible!"

"Yeah, that person doesn't know the origin. Behind him is also a powerful quasi-superior emperor, but that emperor is standing behind him like a slave!"

"The strong man came looking for Chu Xiaobei so aggressively. I'm afraid he has a close relationship. I have insulted Chu Xiaobei and the others before. What should I do!?"

"..."

When many maids on Zhiyu Mountain heard of Su Lang's intentions, they trembled in shock.

Because the cultivation base of Chu Xiaobei's three daughters was too low, it was the lowest among all the maids.

Almost all the maids have bullied the three Chu Xiaobei, at least they have given expressions.

Although the three of Chu Xiaobei were followed by Youzhi for their novels, they soared to the sky since then, and later did not retaliate against them less.

However, the menacing man in the sky probably won't let it go!

The maids looked around in horror and found that the three of Chu Xiaobei had not appeared, and immediately understood that the three of Chu Xiaobei were still in Your Majesty's boudoir.

The idea of concealment suddenly appeared in the minds of many maids.

But soon they gave up this idea in despair.

Concealment can be done temporarily, but it is absolutely impossible to keep concealing it.

If you don't confess at this time, you may end up even worse in the future.

suddenly.

"Never speak!?"

"Don't even have a tongue!?"

The dim old eyes of the old lady Qiao Zhen shot Ling Xun's gaze, and the terrifying murderous aura immediately enveloped the entire Zhiyu Mountain.

"The servant girl knows, the servant girl knows!!!"

A maid with a slightly higher status knelt on the ground in horror, and said in a hurry, "Chu Xiaobei, Ji Ruxue and Murong Xianxian are the personal maids of Youzhi, they are serving Your Majesty Youzhi!!!"

This statement came out.

Qiao Taizhen's old lady looked slightly awkward and turned to look at Su Lang.

But when the old woman saw Su Lang's face, her heart suddenly shook.

Because Su Lang's face is so ugly, the bottom of the pot is even darker!

"I crossed you!"

"My woman was turned into a personal maid by someone else!?"

"Furthermore, serving that \*\*\*\* Youori together!"

Su Lang was so angry that his eyes were cracking, his orifices were producing smoke, he gritted his teeth and trembled all over.

Yes, no man will not be violent when he is green, unless he is a pervert.

And Su Lang mistakenly thought that he was green.

Because he didn't even know that Youzhi was a woman, and she was still a girl.

"Broken Dream Knife!"

"Broken Dream Knife, you must have done a good job! I killed you!"

In the eyes of the public, with a bewildered face and awe-inspiring eyes, Su Lang roared hoarsely, and then took out the Broken Dream Knife sealed in an abandoned life universe!

"This...what is this going to do!?"

The old lady Qiao Taizhen and the others couldn't help but look jealous when seeing Su Lang's big movements, as if facing a big enemy.

Immediately after.

Seeing Su Lang snapping off the seal, let the Broken Dream Knife see the sun again.

"This, this, the Great Soldier!?"

"Hi, how does this Great Emperor Soldier give people an ominous feeling?"

"Could this person use this weapon against us?"

The old lady Qiao Tai narrowed her eyes, and was even more nervous and ready to fight.

Just then.

"The stalwart Lord Langdi!"

"Could it be...have you figured it out!?"

The Green Elf-like Broken Dream Knife Spirit came out, staring at Su Lang with bright eyes, "Wow ha ha ha, great, great! Come on, touch me!"

Talking.

The Broken Dream Knife rubbed against Su Lang.

Seeing this scene, the old lady and the others were dumbfounded, asking which one was this acting?

"Go away!"

"Don't pretend to Lao Tzu!"

"You said, did you secretly sign a contract with me!?"

Su Lang immediately flashed aside, his eyes were red, and his voice was hoarse, "Think about it before answering, otherwise you will have only one end!"

#### [Chapter 1473: Fubao Supreme Ruyi Lamp](#)

"What!?"

"No!"

"Broken Dreams has always been very frank, how could they secretly calculate you?"

"Moreover, how can Broken Dreams be calculated for a cautious player like you?"

The green elf touched the top of the emerald green head and said helplessly, "My lord, you must have misunderstood Broken Dreams."

This statement came out.

"Yeah, I'm so cautious. When facing Broken Dream Knife, I always take safety measures. It is impossible for it to sign a contract."

Su Lang's eyes flickered, his face changed, and he thought to himself: "Chu Xiaobei and the others will never take the initiative to betray me, they must be forced!"

Thought of this.

Su Lang felt so painful that he wanted to vomit blood.

A wave of strong resentment and murderous aura also condensed fiercely, completely filling Su Lang's body.

Seeing this scene, Qiao Taizhen's old lady couldn't help but her eyes condensed, and she once again entered the state of facing a big enemy.

"You weave!!!"

"I promise, you will endure the most unbearable pain in the world!"

Su Lang gritted his teeth fiercely, without any signs, burst out all his strength instantly!

"Shifang universe, the power of the world!"

"Kunlun is invisible, hidden scales hunt west!"

"Broken a sword! Youtian sword! Kill everything for me!"

In an instant, Su Lang held a long sword and slayed the old lady Xiang Qiaotai.

The great emperor Shanqi naturally acted immediately, and the terrifying aura spread, causing the entire Zhiyu Mountain to tremble fiercely!

"What the \*\*\*\* happened, why did he suddenly go crazy!?"

"Also, his power is so terrifying, is it a quasi-no-god-level who has stepped from soul-body fusion to soul fusion!?"

Qiao Taizhen's old lady's eyes shrank suddenly, almost turning into two soybean eyes.

Simultaneously.

Numerous defensive methods also immediately exploded from her.

Endless incense will power, the power of suppressing all the world, as well as a variety of powerful body-building techniques, three top-notch defense emperor soldiers, are all displayed.

Although the other great emperors of the Hall of Greed Wolf were frightened and desperate for the power that Su Lang showed, they had no way to retreat and could only bite the bullet.

But they didn't have the right to fight with Su Lang, they were directly stopped by the Great Emperor Shanqi, so they had to work together to deal with the Great Emperor Shanqi at the same time.

The next millisecond.

Rumble!

Su Lang held a long sword and blasted the old lady Qiao Taizhen.

A deafening explosion sounded even for the Great Emperor.

The aftermath of the turbulent battle spread, and instantly tore through all the defensive and hidden barriers of Zhiyu Mountain, completely exposing it between heaven and earth.

Click, click, click!

Three broken sounds sounded directly, and there were three screams in the dark.

But the three defensive emperor soldiers were directly crushed and wiped out in ashes!

The defensive mask on the old lady Qiao Tai also shattered instantly, and Youtian Jian Senhan's black sword tip had almost touched her skin!

If the broken dream knife breaks open a little defense, she is dead!

"Not good, dangerous!"

The rich experience and high-powered realm made the old lady Qiao Taizhen immediately aware of the danger of her life!

without hesitation.

She directly activated the final hole card!

"Fu Bao—Supreme Ruyi Lamp!!!"

In an instant, a candlestick phantom emerged from the old lady Qiao Taizhen, with a white candle standing on it, and the big flame burst with dim light.

But it was this dim light that actually blocked Su Lang's full-out attack!

"Buzzing buzzing!!!"

There was a piercing metal clash, and Youtian Sword made a long sword sound!

On the other hand, the real old lady Qiaotai didn't move, and she didn't even drop a single piece of her yellow hair!

but.

After the candlestick phantom cast by the old lady Qiao Taizhen blocked Su Lang's blow, it was directly dimmed by a half.

"dead!!!"

Su Lang didn't have any nonsense, and immediately stabbed a sword again: "Broken a sword!"

Ding--! !

Youtian Sword hit Qiao Taizhen old woman again.

The phantom of the candlestick suddenly dimmed a lot again, almost disappearing!

"Friends, wait a minute!"

"There must be some misunderstanding!"

"Chu Xiaobei and the others, as Majesty Youzhi's personal maids, will certainly not have any grievances, you can rest assured!"

The old lady Qiao Yuzhen was shocked by Wanfang. You must know that the Supreme Ruyi Lamp is a godless soldier. Even if it is just a talisman containing a trace of the power of the Supreme Ruyi lamp, it cannot be broken by an ordinary quasi-no-god-level.

[Chapter 1474: What is this man up to](#)

but.

Su Lang actually consumed a large amount of power of the Talisman in one blow, which is incredible!

Qiao Taizhen old lady can foresee that if this continues, she will undoubtedly die!

Therefore, she immediately began to explain.

But will Su Lang listen?

Not only won't, but even more angry.

All labor-management women are serving as personal maids to others, and you won't have any grievances. Isn't this a beating?

"Die to me!"

Su Lang's whole body surged innately, and the long sword in his hand swallowed a terrifying light.

Next sword.

There is no doubt that the real old lady will die!

But at this moment.

"What are you doing!!"

"Stop it for me!!"

A sullen shout came. Although it was a very immature girl's voice, it contained extremely powerful power and spread throughout the entire Zhiyu Mountain.

It turned out that the battle between Su Lang and Qiao Taizhen's old woman shook the protective barrier under the weaving cloth and alarmed her.

As a result, Youzhi felt assaulted immediately, and rushed out very angrily.

Moreover, in order to prevent Chu Xiaobei and their three little darlings from being affected by the battle, Youzhi also specially placed a protective barrier to protect them.

So at this moment, Chu Xiaobei's three daughters could only stay in Youzhi's boudoir, with their little hands propped on the smooth white chin, staring at the impenetrable protective barrier, thinking in her heart

——What happened outside?

"Ok?"

"Another quasi godless class!?"

"Hmph, kill this old woman first, then kill the little demon girl!"

Su Lang sensed the breath of Youzhi, and didn't even bother to look at it. The long sword in his hand severely killed the old lady Xiang Qiaotai.

"Your Majesty Youzhi, help!!"

Without the talisman of the supreme wishful lamp, the old lady Qiao Taizhen can only dodge.

But with her speed, how can she avoid Su Lang's sword! ?

Moreover, Youzhi's eyes flickered, and she stood on the sidelines without any intention of taking action.

But Su Lang's body shook slightly when he heard the cry of the old lady Qiao Taizhen.

"Huh? Youzhi is a girl!?"

"What am I misunderstanding!? Yuori is not a man!"

"The three of Chu Xiaobei are just serving as a maid for a little girl! I have not been greened! Hahaha, hahaha!"

Excitement and ecstasy instantly filled Su Lang's heart, "Then the old woman in front of her has also become an unknown enemy or friend, let her go first!"

Thought of this.

Su Lang immediately flipped his wrist, and the blade of the Youtian Sword brushed across the skin of the old lady Qiao Taizhen, almost killing the old lady Qiao Taizhen.

Stabbed.

The sound of breaking wind reached the old woman's ears, and the breath of death made her tremble.

But Qiao Taizhen's old lady soon found out that she was not dead, and Su Lang actually showed mercy!

"What's going on again!?"

"Why suddenly his men are merciful and don't kill me!?"

"Could it be that Your Majesty Youzhi's appearance made him afraid to kill me?"

"Impossible, it was precisely because of the mention of Your Majesty Yuzhi that he was a killer!"

The old woman was so surprised that she couldn't understand her.

at the same time.

"What is this man doing, he is so powerful, why did he stop suddenly?"

Yuzhi's immature and cute little face was also very surprised, and he spit out wildly in his heart: "I also expect him to kill the old lady Qiao Yuzhen, really!"

The other side.

Seeing that Su Lang stopped, the Great Emperor Shanxi stopped his hand immediately. He respectfully walked behind Su Lang, crouching slightly, like an old servant.

And as the opponent of the great emperor Shandi.

Although the great emperors of the Greedy Wolf Palace were also at the great emperor level, they were far behind the quasi godless level of Shan Qi.

The dozens of great emperors in Greed Wolf Palace used a joint great emperor secret method to reluctantly resist, but all of them were seriously injured in a short period of time and almost all fell.

At this moment.

The battlefield was plunged into a strange atmosphere.

Su Lang was so excited, his eyes were extremely bright.

You Zhi was full of surprise, and the gaze that looked at Su Lang had a hint of hatred for iron and steel.

The old lady Qiao Taizhen was also very surprised, but she was more fortunate after the disaster.

Those elders of the Greed Wolf Palace who had escaped under the hand of the Great Emperor Shanxi shivered one by one, wishing to leave this battlefield immediately.

at this time.

"Youori!?"

Su Lang looked at Youzhi, his eyes burst out with excitement.

[Chapter 1475: Just let me take a look](#)

"Hi, this is a pervert!"

"He is actually interested in my small body!"

Yuzhi's big beautiful eyes condensed slightly, and a trace of contempt flashed.

"Hey, are you Yuzhi!?"

Seeing Youzhi didn't answer, Su Lang flew up to Youzhi, leaned over and looked at her little face and asked.

"Ok!"

"I'm Yuori."

Seeing Su Lang flying in front of him, Youzhi suddenly wanted to take a few steps back.

But she didn't, instead she took two steps in front of Su Lang.

And she glanced at the old woman, then winked at Su Lang in the blink of an eye.

It seems to be asking: Why didn't you kill the old woman? You killed her, she and I are not in the same group!

But Su Lang's mind was full of Chu Xiaobei's three daughters, and he didn't pay attention to this detail at all.

"You are really Yuzhi!"

"Huh, great, great, not a man."

Su Lang happily let out a long sigh of relief, but immediately became suspicious.

Sometimes, boys are more beautiful and cuter than girls, in case Yuori is actually a man, just looks like a girl! ?

Besides, here is a fantasy world where anything can happen.

That possibility is even greater!

Thought of this.

The more Su Lang thought about it, the more he felt it was possible, and the smile on his face gradually faded, slightly gloomy.

Seeing this scene, Yuzhi couldn't help but frowned, and there were ten thousand question marks on his head: "Why did this man suddenly change his face!?! Strange!"

Immediately afterwards, she heard Su Lang ask:

"You... are you a girl?"

"Forget it, I can't believe what you said, I have to check it personally to rest assured!"

Su Lang looked at Youzhi suspiciously, then his expression sank, and the surging mental power instantly enveloped Youzhi's body.

"what!!!"

"What are you doing!!!"

Youzhi felt Su Lang's mental power detection, and suddenly felt deeply offended.

She wasn't an easy mess either, she used her mental power to resist Su Lang's exploration, while she pinched her small fist and slammed at Su Lang!

Although the fist looks small, it has gathered a quasi-no-god-level power, which can blast a planet with one punch!

"boom!!!"

When the pink little fist was about to touch Su Lang's body, a black round shield seemed to appear out of thin air, blocking the little fist!

Rumbling.

The turbulent aftermath of the battle spread, and the entire Zhiyu Mountain was shattered.

"Don't resist, I'll just take a look!"

Su Lang's voice was anxious, eager to confirm that Youzhi was a real girl.

but.

Those who don't know thought he was impatient.

"No way!"

"Don't you just want to know if I am a woman?"

"I'm telling you, I'm a woman, I'm a woman, do you understand?"

Seeing that his attack was blocked, Yuzhi did not cause any harm to Su Lang at all, and suddenly gave up the attack.

Of course, her mental power is still constantly resisting Su Lang's detection.

"Are you really a woman?"

"No, I still can't believe you."

"Hearing is false, seeing is believing, just let me have a look!"

Su Lang hesitated for a moment, sipped in a low voice, and then used his mental power with all his strength.

His spiritual power has been strengthened by the training of soul fusion fission and soul burning, and the quality is higher than that of Youzhi.

Moreover, Su Lang's mental power has reached the pinnacle of Nirvana Fragmentation, and he can break through at any time if he wants to.

The most important thing is that Su Lang also possesses the subtle mystery method, and the detection ability is not a normal metamorphosis.

Therefore, Youzhi's resistance is being disintegrated by Su Lang a little bit!

It does not take long.

Su Lang can see it clearly!

But at this moment.

"stop!"

"Friends, what are you going to do!?"

Qiao Taizhen old lady rushed over, and also released her mental power to help Youzhi resist Su Lang's detection.

In fact, Qiao Za really knew that Yuori would not wait to see herself.

But Yuori is her surveillance target, the person her master ordered to protect her.

Therefore, Qiao Yu really can't let Su Lang really offend Youzhi, otherwise she will only have a dead end!

"Dead old woman, I advise you to go away immediately, otherwise don't blame me for being ruthless under the sword!"

Su Lang sensed that his mental power was being resisted, and suddenly pulled out the Heart Without Edge Longsword from his waist a little violently.

When Youzhi and Qiaotai really saw that Su Lang took out another quasi-no \*\*\*\* soldier, they couldn't help but wince.

They can clearly feel that this black bladeless long sword is very dangerous!

[Chapter 1476: Comfortable!](#)

And at this moment.

The Great Emperor Shanqi, Su Lang's slave, also flew over, unleashing his mental power to fight against Qiao Qizhen's mental power.

With the help of the Great Emperor Shandi, Su Lang's mental strength immediately went further!

"Come and help!"

"Do you want to die!?"

Youzhi widened her eyes and screamed in surprise.

The Great Emperors of Greed Wolf Palace who had finally recovered their lives looked at each other, their eyes full of horror and fear.

joke.

That is the battlefield of the four quasi-no gods!

They are ordinary emperors rushing forward, can't just chime directly?

suddenly.

Qiao Tai really roared: "No matter how much you dare to hesitate, there is only one word in the end, and that is death!"

"Fight!"

The Great Emperors of Greed Wolf Palace had no choice but to release their mental powers to fight against the mental powers of Su Lang and the Great Emperors.

but.

Although they are also the spiritual power of the Broken Nirvana Realm, they are far inferior to the spiritual power of Su Lang and the Great Emperor Shanqi.

More than a dozen ordinary emperors worked hard together, plus Youzhi and Qiao Yuzhen's two main forces, only to be able to block the mental power of Su Lang and Shanqi.

"Ok!?"

"Do you have more people than me!?"

Su Lang gritted his teeth and sneered. With a thought, dozens of avatars descended!

Rumbling.

The Qi Great Emperor's breath fell one after another, and the breath trembles the void and sinks greatly.

"what!?"

"These Seven Great Emperors are his clones!!!"

"Oh my god, how can a person have so many great emperor-level clones, all of them at the Seven Great Emperor level!"

"This is incredible, incredible, incredible!"

"Monster, he is a monster!"

"..."

Youzhi and the others were directly frightened, especially the ordinary Great Emperors of Greed Wolf Palace, they were so scared!

At this moment, the avatars of the avatars unfolded their mental powers under Su Lang's orders!

Wow!

With the help of the clones.

Su Lang's mental power suddenly broke through, breaking through the opponent's defense fiercely, tearing apart Youzhi's mental protection, and detecting it!

"Oh!"

"Really, don't worry now, haha."

Seeing what he wanted to see, Su Lang showed a relaxed and happy smile.

"you wanna die!!"

"I have guarded myself like jade for a billion years, and even the Wushuang poster failed to succeed. How dare you..."

Youzhi's face flushed, her eyes flushed, and a trace of sullenness gathered, condensing into rage!

But Qiao Yuzhen's face is pale!

"It's over!"

"Your Majesty Youzhi is offended!"

"Your Majesty Youzhi is the master's instinct!"

"If the master didn't want to use strong, just sent us to watch, Your Majesty Youzhi would have been accepted by the master."

"This is over. Your Majesty Youzhi was offended by other men. The master was angry, and the dead body was billions of dollars. I will definitely die!"

"....."

Not only the ordinary great emperors who are greedy of the wolf palace, but even the supreme emperor Qiao Yu really looked desperate.

Without him, Wushuang original poster is too scary!

"The best way now is to kill all the insiders except Your Majesty Youzhi, to ensure that this matter will not leak out!"

Qiao Yu's real thoughts turned and thought of the best way.

However, this method does not work.

Because they couldn't be Su Lang's opponent at all.

Even if you fight everything, it's just a gift.

"and so....."

"The only way is to assume that nothing has happened..."

"As long as I can hide it, I won't welcome the master's anger in waiting."

Thinking of this, Qiao Yanzhen immediately gave a voice to everyone in the Greed Wolf Palace.

Let them not act rashly, even their expressions must be controlled, as if nothing happened.

"cough."

After giving orders to his subordinates, Qiao Yu really coughed and whispered to Su Lang:

"This fellow Langdi Daoist, this is the end of the matter, please don't disclose the secrets, let alone publicize it, otherwise all of us present, I mean everyone! Will die!"

"Oh?"

"Everything will die? Including me? What a big tone!"

Su Lang smiled, "However, I really didn't do this very well. I won't go out and talk nonsense."

Hear this.

Qiao Taizhen and the others breathed a sigh of relief.

Yuori was trembling with anger.

Oh my God, it's unreasonable to treat her as if nothing happened after offending her!

And at this moment.

Su Lang made a gesture towards Youzhi.

And took out a Wugou Dream Flower Great Emperor Pill and handed it over.

[Chapter 1477: I, Yuori, refuse!](#)

"I'm sorry for what happened just now."

"It's because I care too much, and I'm too suspicious that I do that."

Su Lang smiled slightly, "I know it's useless to explain, so, as compensation, this Wushou Dream Flower Great Emperor Pill is yours."

"Emperor Wugou Menghua Dan!"

"And it's a perfect quality pill!!"

Qiao Yuzhen and others saw the pill in Su Lang's hand, and their faces were immediately shocked.

Even Youzhi, who was so angry, his eyes widened, and a hint of surprise appeared on his small face.

Almost all the great emperors in the place of exile had heard of the name of Wugou Menghua Great Emperor Dan, and many people knew the formula.

However, there are very few people who can refine this kind of pill, and there are hundreds of quasi-no-god-levels to find one!

Even the godless level is difficult to refine.

The Immaculate Dream Flower Great Emperor Pill in front of me is of perfect quality, which is really incredible!

"It seems that fellow Taoists are very satisfied with this compensation."

Su Lang grinned, "In that case, please accept it quickly."

Talking.

Su Lang handed the pill to Youzhi again.

Qiao Yuzhen and others looked at the pill, almost salivating!

however.

"satisfaction?"

"You want to get rid of me like this!?"

"Sure enough, in fact all men are scumbags. I should stay in the room for the rest of my life and never go out!"

Youzhi's eyes were reddish, her small body trembled back two steps, and her big eyes were full of anger.

"Uh....."

"Is one pill not enough?"

Su Lang's expression was stagnant, and then he took out another Immaculate Dream Flower Great Emperor Pill, "Then two!"

This is another furnace of newly refined elixir, and it consumes the loot materials that were later harvested.

"Another...another one!!"

Qiao Yu is really going to get cold to the end, "This person actually has two Immaculate Dream Flower Pills, and they are both of perfect quality!!"

The other great emperors of the Greedy Wolf Palace were even more envious, almost wishing to take the place of Youzhi and catch the two pills.

however.

"Ha ha!"

"Two medicinal pills just want to uncover all this, it's impossible!"

Youzhi hugged his chest with his hands, full of anger, "Don't say it is two pills, even five or ten, it won't work!"

This statement came out.

Not only Su Lang was taken aback.

Qiao Taizhen and other emperors were extremely shocked and speechless.

Two Immortal Dream Flower Great Emperor Dan, this is not satisfactory, and five or ten will not work! ?

Tianle.

Auntie, grandma, now it's time to turn big things into small things, so how come you are so proud! ?

"Your Majesty Youzhi!"

"Two Immortal Dream Flower Great Emperor Pills are already a lot!"

Qiao Yu really felt that she had to enlighten Youzhi, so she heard her voice, "If this matter becomes a big issue and the Master Wushuang knows about it, we will all die!"

Hear this.

Youzhi suddenly turned blue and red in her small face, and she was so angry that Qi Qiao smoked, but she tried to hold back, almost all of her eyes were filled with tears.

Qiao Tai really felt that she had spoken very bluntly, and she had no worries about Youzhi or not agreeing.

Seeing the changes in the expressions of the two of them, Su Lang probably guessed something, and smiled and passed the two Immaculate Dream Flower Great Emperor Pills.

Next, it is probably the real fragrance live!

but.....

"Do not!!!"

"I do not want!!!"

"My dignity is not that cheap!"

"With two pills, it is necessary to completely cover up this matter, and even make me think it has never happened. This is absolutely impossible!"

"I will not accept your apology, and will never forgive you, scum!"

The anger on Youzhi's face gradually calmed down, but the light in his eyes became increasingly cold.

"Oh my God!"

"It's over!"

"Should I say that even Wushuang Master dared to refuse Youzhi, so capricious and arrogant!"

"Now if people get angry and publicize this matter, we will all die!"

"..."

Seeing Youzhi so decisive, the old lady Qiao Yuzhen couldn't help feeling a trace of despair.

The other great emperors also looked at each other, and their hearts had sunk to the bottom.

And at this moment.

"You are the most spineless person I have ever seen."

Su Lang withdrew the two pills in surprise, "Then, Your Majesty Youzhi, in your opinion, what can I do to satisfy you?"

Su Lang still had the mentality of solving the problem, and didn't plan to just do it like this.

#### [Chapter 1478: Stubborn fruit on the tree](#)

"Humph!"

"I....."

You Zhi snorted coldly, and then found that he was out of words.

Yes, the other party is already willing to pay a great price, but he is unwilling to accept it.

So, how is it that I let it go?

Is the other party responsible! ?

Impossible, it is absolutely impossible, it is possible to have a scumbag responsible for oneself! ?

I, Youzhi, is a person who doesn't even pay attention to the Wushuang poster.

Take the initiative to ask a man to be responsible, don't even think about it!

but.

What if you don't do it?

This matter is not easy to make a big noise, otherwise it will really die, then... just keep spending it?

But this doesn't work either.

Don't say whether the other party has more patience.

Just consuming it in this way will attract the attention of the Wushuang host. The dead man with a stinky face will definitely kill all the people present.

Even if they were lucky not to die, Chu Xiaobei and the others would die.

In this way, let alone the new book, even the latest chapters are not read, which is unacceptable to Yuori.

"Your Majesty Youzhi!"

"You should accept the pill!"

Qiao Tai really saw Youzhi lost in thought, so she reminded her.

"impossible!"

"How can I bend for two pills?"

Youzhi recovered from thinking, took a deep breath, and snorted to Su Lang coldly, "Go, leave my sight, I don't want to see you again."

Implications.

Even if I suffer from this loss, you don't want me to bend down!

Really stiff!

The old lady Qiao Taizhen and the great emperors of the Hall of Greed Wolf looked at each other, feeling distressed for the two Great Emperor Pills of Wugou Menghua.

That is the Great Emperor Pill of Wugou Menghua, not the other miscellaneous Great Pills, and it is of perfect quality. It is a pity to give up like this.

However, since Yuzhi is willing to lose and make concessions, then this matter can be suppressed.

Therefore, Qiao Taizhen old woman and others were also relieved.

but.

Will Su Lang go?

If nothing else, Su Lang would definitely leave the medicine behind.

But he came to see the three daughters of Chu Xiaobei.

"Sorry."

"I can't go now."

"My purpose is to find Chu Xiaobei, Ji Ruxue and Murong Xianxian."

"I know they are in your palace, you let them be maids for more than a hundred years, I won't hold them accountable."

The smile on Su Lang's face gradually dissipated, turning into indifference, "You let them out, I want to take them away."

This statement came out.

Qiao Taizhen and the others didn't think there was anything.

Isn't it just taking away the three maids? How many maids does this Zhiyu Mountain need?

Take it away if you want, no need to think about it at all!

however.

"what!?"

"You want to take Chu Xiaobei, Ji Ruxue and Murong Xianxian!?"

"You came specifically to find them, what is your relationship with them?"

"Oh, right, before Qiao Yu really called you Lord Langdi, I thought I had heard it wrong, so you really are Langdi, you are the man in their dreams!"

"God, I never expected that the original form of Emperor Lang was someone like you, wow!"

"..."

Youzhi was frightened at first, and then started crying.

Suddenly.

Fuzzy on the tree, Fuzzy for fruit, Fuzzy for you and me under the tree.

Su Lang, Qiao Yanzhen and everyone else were confused.

What is this talking about?

So you are Langdi?

The man in the dream?

The original form of Langdi! ?

Just listen.

Could it be that you Youzhi have heard of Langdi a long time ago?

And even crying because of seeing a real person, what kind of stimulation was this?

"What did Chu Xiaobei and the others say to this little body?"

There were ten thousand question marks on Su Lang's head, "So that after she saw me, she collapsed and cried!?"

"What did your Majesty Yuzhi go through?"

"He is so arrogant that he can cry?"

"What is the connection between her and this Langdi!?"

"..."

Qiao Taizhen and the others looked at each other, only to feel that there was a lot of information inside.

"cough!"

"Friend You Weaving Daoist."

Su Lang coughed softly and said softly, "No matter what Chu Xiaobei and the others have said to you, please let them out. I will take them away."

[Chapter 1479: What is the relationship between these two?](#)

"Take them away?"

"I tell you, this is impossible!"

"You go, you immediately walk away for me, I don't allow you to take Chu Xiaobei and others, let alone pollute my Langdi! You go, I want you to never show up!"

Yuzhi lifted Yu Lihua's small face, eyes full of disappointment and pain.

It's like... it's like running over the car.

But this word fell in the ears of Su Lang and others, and it was stunned, and the corners of their mouth twitched.

My Langdi?

These four words seem to have a greater amount of information!

What happened to Yuori?

What is the relationship between these two people! ?

What exactly did those three maids do to make Yuori react so violently?

Qiao Yuzhen and the others were almost confused, their eyes moved back and forth on Youzhi and Su Lang, their faces filled with a look of uncertainty.

And Su Lang was even more speechless.

"I fork."

"Chu Xiaobei, what good things have you done?"

Su Lang frantically complained in his heart, and quickly adjusted his expression on the surface. He smiled and said, "Youzhi Dao friends, Chu Xiaobei and others are my Dao friends.

I have been looking for them for a long, long time, not hesitating to come to this exile from the endless universe.

So, no matter what, I will take them away. Please understand. "

Hear this.

Qiao Taizhen and others were shocked.

"Oh my God."

"This Langdi came to the exile from the boundless universe!"

"The most important thing is that he actually came to the exile for the three women!"

"This, this, this is incredible!"

"This person's emphasis on feelings is simply impressive!"

"..."

Regardless of other things, Qiao Yuzhen and others admire Su Lang's behavior of chasing his wife across borders.

Even You Zhi looked stunned, and the prejudice against Su Lang in his heart dissipated a bit.

"This man is so dedicated, it is the same as in the novel written by Chu Xiaobei and others."

"Thinking about it this way, it's not particularly scumbag."

"Bah, what do you think?"

"This person overlord forcibly bowed his bow and looked at his whole body, and he had to make people think that nothing had happened. Isn't it scumbag?"

"It's damaging the image of Langdi in my fantasy, bastard!"

Yuori thought so, her eyes flickered, and finally became cold again.

"You bastard."

"I will never give you Chu Xiaobei and others."

"Furthermore, I also figured out a solution for what you forced to look at my body before."

"If you want me to accept your apology, you have to change your name, whatever you call it, but you can't be called Langdi."

You Zhi stared at Su Lang closely, and said in a tone with no room for negotiation.

This statement came out.

The bewildered atmosphere of the audience suddenly solidified slightly, and a trace of tension and coldness began to appear.

You Zhi turned down Su Lang so decisively, and wanted Su Lang to change her title?

Especially for people to change their esteem, this is simply tearing.

A powerful quasi-no-god class, its title must have been used for countless years, almost all of it has been carved into the soul.

Because some dumb things will make people change their esteem in one sentence, this matter has been regarded as a complete humiliation.

In addition, Youzhi refused to let Su Lang take away Chu Xiaobei's three daughters.

This has caused a very intense conflict!

Talking about this, the war is about to begin again!

"Youzhi, youzhi, why are you so headstrong!"

"I'm not someone's opponent, why are you so strong!?"

"Now if people get angry, I will have to fight to the death."

"And in any case, once the war starts, I will definitely die, because this will inevitably attract the attention of Wushuang Master."

"It's over, it's a dilemma now!"

"..."

Qiao Yu really feels that she is too unlucky for the task of monitoring Youzhi. This Guliang is too willful... at this time.

"I must take the three of Chu Xiaobei away."

"It is absolutely impossible to change the name."

"Friend Youzhi, I can still talk to you well now."

"If you completely wear down my patience, then I can only do it."

Su Lang looked indifferent, and pointed to his clones and Emperor Shanqi, "Look for yourself, what chance do you have?"

#### [Chapter 1480: You go in with me alone!](#)

Hear this.

Youzhi suddenly turned white.

In the face of absolute power, everything is pale and powerless.

She can be willful, and must be built on the patience of others, such as the unparalleled poster who wants to chase her, such as the current Su Lang.

At this time, Qiao Yan really spoke.

"Friend Langdi Daoist."

"I am not your opponent."

"But, please think twice before you do it."

"Because if we must die, Wushuang Master will definitely be brought over."

"Our master has the Supreme Soldier. Although you are very powerful, fellow Taoist, you certainly can't deal with the Supreme Soldier."

"At that time, once Master Wushuang gets angry, you, me, Your Majesty Youzhi, and Chu Xiaobei, all three girls will not be spared!"

In order to prevent Su Lang from igniting the flames of war, Qiao Ha really had no choice but to make a threat.

"Ha ha."

"The Supreme Soldier?"

"Your master does have some patience, I can't deal with it temporarily."

"However, you may have some misunderstandings about my escape technique. I want to take people away, and it will be difficult for the Supreme Emperor to catch up!"

"So, you'd better agree to my terms and let me take people away."

"Otherwise, you will die, but I won't."

Su Lang's expression was indifferent, his eyes gradually became cold, and the aura on his body gradually became violent.

Next to him, the Great Emperor Shanxi and thousands of Six Great Emperor clones were also ready to fight.

"not much time."

"Give you ten breaths, after which I will do it."

Su Lang was holding the Youtian Sword, a bit of murderous aura permeated.

The war is about to start!

"Well, how can this be good?"

Qiao Tai really saw that Su Lang was not threatened at all, but was aroused in anger, and suddenly felt like lifting a rock and hitting her in the foot.

As for Youzhi, her eyes flickered and she didn't know what she was thinking.

"There are still five breaths left."

Su Lang's emotionless voice came, like a cold wind blowing in the ice hell.

Yuori's eyes flickered more intensely.

Qiao Taizhen and the others were tight, breathing stagnant, and had to prepare for battle.

"There are three more breaths."

"three two,....."

Just when Su Lang was about to call out the last number.

Just when Qiao Yuzhen and the others were preparing to fight to the death, and attracted the Wushuang poster.

"Wait!"

"I promise you!"

"Chu Xiaobei...I will give it to you!"

Youzhi closed his eyes fiercely, and seemed to have made the most difficult decision of his life.

"call--!"

Seeing the softness of Youzhi's clothes, Qiao Yuzhen and others breathed a sigh of relief, and a strong feeling of aftermath rose in their hearts!

And Su Lang was no longer indifferent, and smiled: "Haha, look, I promised that there are so many things?"

"Humph!"

"They are in my bedroom, follow me."

With a cold snort, You Zhi turned around and flew towards Zhiyu Mountain.

"Keep up!"

With a wave of Su Lang's big hand, the Great Emperor Shanxi and the thousands of Great Emperor-level clones followed.

"Let's follow."

Qiao Taizhen and others immediately followed.

quickly.

You Zhi flew into Zhiyu Mountain and came to a grand entrance.

"Don't be funny."

Su Lang looked around the surrounding buildings and smiled lightly.

"Chu Xiaobei and the others are inside."

"If you want to see them that much, just follow me in."

"However, this is my bedroom after all, so it is not convenient for so many people to follow along."

You Zhi said without turning his head, "You go in with me alone, and the others are waiting outside."

This statement came out.

Qiao Taizhen and the others were suddenly confused.

Obviously Youzhi can bring people out, so why let Su Lang in?

Could it be...

A trap is set inside! ?

Thought of this.

Qiao Taizhen and others are a little worried again.

If this really starts with Su Lang, they won't even have time to help.

If that trap is useless, wouldn't it be for nothing?

By the way, the three daughters of Chu Xiaobei are inside.

Your Majesty Youzhi has them as a bargaining chip, maybe it will be safer.

"it is good."

Su Lang directly agreed to Youzhi's proposal.

What Qiao Taizhen and others thought of, he naturally wanted to get it.

But Su Lang was not afraid at all. In the face of absolute power and a perverted system, he was confident to crack the opponent's all means.
