[Chapter 1481: Let me see your masterpiece!](#)

Next.

Su Lang followed You Zhi into the bedroom.

Although the color inside is relatively simple, basically all white, but it is very luxurious.

And Su Lang also noticed that there are many things that girls like around.

It seems that Your Majesty Youzhi's mental age is really not that big.

Maybe it is because of the long time home practice?

However, it stands to reason that even if you have been staying home for so long, you should mature.

Could it be another reason?

Su Lang thought so, followed the little girl Youzhi, and came to a barrier.

"They are in there!?"

Su Lang licked his lips excitedly, and his trembling voice showed that he was very excited.

"Yes."

"When I open the barrier, you can see them."

You Zhi nodded without expression, and immediately pinched a few hand skills, and the barrier in front of him suddenly opened a gap.

Soon.

Youzhi went straight in.

"It's really like a trap."

Su Lang looked at the small gap, couldn't help but smiled dumbly, and immediately got in before the crack healed.

next moment.

Three boring and familiar figures appeared in Su Lang's field of vision with their little hands supporting their chins.

It is Chu Xiaobei, Ji Ruxue and Murong Xianxian!

"Your Majesty Youzhi, are you back?"

"What happened outside?"

"Hey, why did you bring someone? He is... Su Su Su Su Lang!!!"

"My God! I'm not dreaming, Su Lang, is Su Lang you!?"

"..."

When Chu Xiaobei, Ji Ruxue and Murong Xianxian saw Su Lang, they almost thought they had hallucinations!

A strong sense of dream filled the three women's minds, making them feel a little dizzy!

"Hahahaha."

"You are not dreaming, I found you!"

Su Lang couldn't help feeling a little distressed when he looked at the three girls who were so shocked that they were a little stupid.

When Chu Xiaobei, Ji Ruxue and Murong Xianxian heard Su Lang's voice, they first looked at each other in a trance.

Immediately, their whole bodies shook fiercely, and their eyes burst into fiery light!

"Ah!"

"It's really Brother Su Lang!!"

"Brother Su Lang, you finally found us!!"

"Tian Le, do you know how we spent these years? Ah!?"

"..."

The three excited girls screamed excitedly and rushed straight to Su Lang.

Snap!

Haha!

Puff!

Chu Xiaobei jumped up and hugged Su Lang, his legs clamped Su Lang's waist.

She kneaded her two little hands on Su Lang's face, and she kept muttering: It's really Su Lang, really Su Lang, wow, really my Su Lang!

"Ah!"

"Brother Su Lang, we miss you so much!"

"Every day we went from wandering to exile..."

Ji Ruxue and Murong Xianxian were a little reserved, but they also hugged Su Lang from the side heavily, chatting incoherently in their mouths, Yingying and Yanyan.

"OK OK."

"With me by your side, you are completely safe!"

"Next, I will take you away from this ghost place."

Su Lang was also full of excitement, with a smile on his face, constantly calming the restless three women.

The four people hugged each other tightly at this moment.

"Hmph, Emperor Lang..."

Beside, Yuzhi glanced at the four people, grabbing the novel book on the bed and wanting to tear it off.

But in the end, it seemed reluctant to put it away.

"Hey--!!"

"Can the four of you wait for a while and then fly lingeringly?"

"I'm standing here by myself, can't you see it!?"

After putting away the novels, Youzhi rolled his eyes when seeing the three of them still you and me. They were so sweet that they couldn't help but shouted.

Her shout finally worked.

"Oh!"

Su Lang turned around and smiled, "Sorry, you are too short, and you forgot if you didn't pay attention for a while."

When Chu Xiaobei's three daughters heard this, they couldn't help casting an apologetic look at You Zhi.

"I'm short of your big ghost!"

"If I hadn't practiced the secret method, I wouldn't be like this!"

Youzhi angrily patted the bed, and said loudly, "When my secret method is finished, I will be the best figure with long legs, slender waist and big breasts! My stockings and high heels are ready!"

"puff!!"

"Silk stockings and high heels!?"

"You actually know silk stockings and high heels?"

Su Lang suddenly felt that Youzhi's painting style had undergone a sudden change, why was it so out of place?

At this time.

"Uh!"

Murong Xianxian smiled slightly, "We wrote a novel for Your Majesty Youzhi and mentioned many things about Blue Star in ancient times."

"Oh, that's it! You guys wrote novels for her!"

A hint of interest appeared on Su Lang's face, "Come on, let me see your masterpiece!"

[Chapter 1482: You must also take me away](#)

"On Your Majesty Youzhi."

Ji Ruxue chuckled while covering her mouth.

Su Lang's gaze suddenly fell on You Zhi's body.

"No way!!"

"That's what the three of them wrote to me, you can't read it!"

You Zhi looked at Su Lang vigilantly, but he was panicked.

Why did she also participate in the creation of the novel to some extent, adding some blushing plots to it?

"Hey, don't watch if you don't see it."

Su Lang raised his eyebrows, and immediately said with a serious face: "Okay, I also received the people, and then we are going to leave."

Talking.

Su Lang bowed his hand to You Zhi, preparing to take someone away.

however.

"No way!"

"Do you know why I called you in alone?"

Youzhi took a deep breath, "Because you said you can escape the Wushuang host, so I want you to take me out of here!"

"what!?"

"Take you along!?"

Su Lang's expression was startled, he never expected Youzhi to have such thoughts!

"Not bad!"

You Zhi nodded heavily, "If you want to take Chu Xiaobei and the others, you must also take me away!"

"Why...why?"

"Why must I take you with me!?"

Su Lang raised his eyebrows, he now knew that Youzhi was the person monitored by the unparalleled host.

Once Youzhi is taken away, it will definitely attract the attention of that person Wushuang original poster.

And that Wushuang poster possesses the Supreme Emperor's soldiers, and based on this alone, the combat power is so powerful that it is hard to guess.

Su Lang is not a arrogant arrogant, he is still a little jealous of this person, and doesn't want to provoke him.

Before he stopped talking to Yuzhi and Qiao Zazhen, there was no reason for this.

Therefore, Su Lang is not willing to take Youzhi away.

but.

"Just because I have rescued Chu Xiaobei and the others."

Yuori didn't really want to mention this kind of thing. He felt embarrassed and ashamed to report the favor, but he couldn't help it.

"Yes."

"Brother Su Lang, Your Majesty Youzhi did save us."

Ji Ruxue nodded and said softly, "The Temple of Greedy Wolf originally wanted to kill us all, but fortunately, Your Majesty Youzhi came forward and saved us."

Chu Xiaobei and Murong Xianxian nodded at the same time.

If it hadn't been for Youzhi, they would have died for more than a hundred years.

"The Hall of Greedy Wolf!?"

"Are those people outside?"

"They killed those Martial Saint guards I cultivated!"

Su Lang narrowed his eyes, revealing a bit of chill, "Since Youzhi and them are not in the same group, and they have saved your lives, then go with me."

Greedy Wolf Palace is the power of the Wushuang original master. The people of Greedy Wolf Palace killed Wuxingtian Guardian Martial Saint and almost killed Chu Xiaobei and the others. They had already forged a vengeance with Su Lang.

And Youzhi is a person who is watched by the Temple of Greedy Wolf, coveted or even imprisoned by the original Wushuang, and is also an enemy of Wushuang.

Since the hatred has been formed anyway, there is no need to worry about anything, let alone the hatred a little deeper.

"Thank you for taking me away!"

"Don't worry, I won't be a burden!"

Seeing Su Lang's agreement, You Zhi heaved a sigh of relief and bowed to Su Lang very gratefully. Her small body was already low and low, and after bowing like this, Su Lang immediately saw her. Of course, a tablet is not worth seeing for the time being.

"Whether you use it or not."

"If you save Chu Xiaobei and the others, I will try my best to protect you."

Su Lang looked indifferent, "However, I have a small condition here, you must agree to it."

"Humph."

You Zhi snorted, tilted her head, her heart said I would be useless? I'm quasi-no-god anyway!

Immediately after.

She asked, "What are your conditions? Don't be too much!"

"Very simple."

"My Taoist companion has been your maid for so long."

Su Lang twitched the corner of his mouth and smiled faintly, "Then, you should also be a maid for us!"

"what!?"

"Let me be a maid!?"

Youzhi's eyes widened suddenly.

Apart from other things, just saying that she has no god-level cultivation base will make her status and status not low.

But Su Lang actually wanted her to be a maid!

How incredible is this?

Look, even Chu Xiaobei and the others are shocked!

[Chapter 1483: Not a good thing](#)

"how?"

"I don't agree with this!?"

Su Lang raised his eyebrows, revealing a touch of playfulness, "In that case, then..."

"and many more!"

"I promise you can't do it!"

Youzhi's face was tangled, but immediately reluctantly agreed.

She really doesn't want to be placed under house arrest in Zhiyu Mountain!

What's more, from Youzhi's point of view, Su Lang probably said that.

"Just agree."

"From now on, you will be our maid, you call Xiaozhihao."

"Then, next, Xiaozhi, I will include you in the universe of life."

"Originally, you are a quasi-godless class, and have a very powerful universe of life."

Su Lang continued, "So, don't resist, and don't release the power of the world at will."

"I know."

"You are so fragile, I won't be very strong."

You Zhi rolled his eyes lightly, saying that she was useless to Su Lang before, and made her revenge as a maid.

"..."

When Su Lang heard this, he was very speechless.

This Youzhi is even more arrogant than Chu Xiaobei, no, it can be said to have been done.

If she hadn't saved Chu Xiaobei's life, Su Lang really didn't want to take her.

Su Lang was too lazy to break with Youzhi, and with a thought, opened the Dantian universe.

Suddenly.

A spatial passage appeared in the room.

But with Su Lang's spatial avenue control, no spatial fluctuations can leak out at all.

"Your Majesty Youzhi, go in."

Chu Xiaobei took Ruxue and Slender's hands and nodded to You Zhi.

"Ok!"

"This is the trick to open the barrier."

You Zhi handed a piece of jade slip to Su Lang, and immediately flew into the space channel.

Su Lang suddenly felt very stressed when a quasi godless class entered his life universe.

It's as if the entire Dantian universe is about to burst.

After You Zhi entered Su Lang's Dantian universe, he was immediately surprised.

In this life universe, whether it is that very small life planet or the blazing sun, it gives her a very extraordinary feeling!

Youzhi unfolded his mental power, and when he took a closer look, endless stormy waves suddenly rose in his heart!

"hiss--!!"

"There are so many manifestation rules on this guy's life planet!"

"Moreover, these manifestation rules are definitely not something ordinary treasures can do!"

"Could it be that this planet of life is the legendary core fragment of the boundless world!?"

"There is also that sun, which also seems to manifest the endless rules of fire, sun, radiation and other avenues, which are also related to the legendary core fragment of the boundless world!"

"What is the identity of this fellow Langdi!?"

"..."

Youzhi was stunned by his discovery, and the whole person was dumbfounded, like a silly.

Soon.

She flew towards the blue star, entered the atmosphere, passed through the clouds, and saw the beautiful continent.

The quasi godless breath also filled the world, shocking Su Linger and Xiaomei who were bored.

"Miss, someone has come in!!"

"What a powerful breath, this kind of inadvertent message makes me tremble both physically and mentally!"

"Look at the sky, it looks like a beautiful girl!"

"As expected of His Majesty Langdi, he accepted another girl in one fell swoop. The charm is so powerful!"

"Uh....."

Xiao Mei and Su Ling'er looked at the sky, the former showed admiration, while the latter was slightly speechless.

This little beauty has really become a fan.

Even Su Lang's sentimental and fraternal love to accept women is a thing to worship in her eyes.

The one in the sky is obviously very small, too small.

Su Ling'er couldn't help muttering in secret, "Has your Majesty Su Lang's taste become like this?" at the same time.

Youzhi also immediately found Su Ling'er and Xiaomei.

"There is a building there!"

"There are two girls living inside!"

"Hey, that's not right, there is also a cave on the mountain over there, and there is also a young woman living in it!"

"Oh my God, Su Lang actually raised a girl in his life universe!"

"Should I be said to be a man, sure enough, none of them are good things!"

Yuzhi rolled his eyes and looked contemptuous, "I thought he was so affectionate and righteous."

[Chapter 1484: Steal and change posts!](#)

at the same time.

Outside, inside the bedroom of Zhiyu Mountain.

Surrounded by the three daughters of Chu Xiaobei.

Su Lang patted his stomach before looking at the jade slip.

The jade slip recorded a very simple technique, allowing Su Lang to easily open the protective barrier of this palace.

Although he didn't need to open the barrier, he could also use the clone to leave instead.

But Su Lang decided to make things perfect, leaving some smoke bombs before leaving.

quickly.

Su Lang finished learning the hand tactics.

"Leave an illusion of weaving first."

"Well, it should be fine to pretend to be a clone."

The corner of Su Lang's mouth twitched, and Li Xianyang was immediately summoned.

Those outside were all avatars, Li Xianyang and the remaining two avatars, Su Lang would not easily send them out to fight.

Because they are Su Lang's three chances to die.

Of course, Su Lang would not let Li Xianyang, an old servant, die for him unless he died in desperate situation.

"The servant knocks to see the master!"

"Knock to the three mistresses!"

After being summoned, Li Xianyang immediately prostrated himself at Su Lang's feet, saluting respectfully.

months ago.

He is still a quasi immortal.

And now, he is already the Seven Great Emperor.

Although he has become Su Lang's clone, it is definitely him who has the most benefit to Su Lang's side.

Therefore, in terms of loyalty, Li Xianyang is definitely the most loyal servant.

Any order from Su Lang, he will execute it unconditionally.

such as

——Be a big lady in women's clothing!

"Li Xianyang, you use Unreal Avenue to become this girl."

"Well, take the Soul Chasing Emperor Palace, it can prevent you from being seen as if you are in trouble."

While talking, Su Lang transformed Youzhi's phantom, and then passed the Soul Chasing Emperor Palace to Li Xianyang.

"Yes!"

"The servant will not insult your life!"

Li Xianyang accepted the order without thinking, and immediately turned into Youzhi, sitting in a chair.

"By the way, Your Majesty Youzhi likes to read books."

Chu Xiaobei said suddenly, "You turn into another book and take a look at it pretendingly."

"Yes!"

Li Xianyang immediately turned into a book, and even read it in a serious manner.

"Well, nothing is wrong, it's okay!"

The three daughters of Chu Xiaobei looked around as if they were guards, and nodded one after another.

"In that case."

"Then let's leave here."

Su Lang smiled, snapped his fingers casually, and the outer barrier split a big gap in the door.

A large group of people stood outside.

It was Su Lang's thousands of clones and the servant Shanqi Great Emperor, as well as all the people who were squeezed in the corner.

"Master!"

The Great Emperor Shanxi stepped forward to salute Su Lang.

"Wow!"

"Brother Su Lang, you have so many clones, so amazing!"

"This uncle is also a subordinate of Brother Su Lang, he looks very powerful!"

"During our absence, Brother Su Lang has been much stronger again."

"..."

The three women surrounded Su Lang, and Ji Ruxue and Murong Xianxian couldn't help but exclaim.

Although Chu Xiaobei didn't say anything, the worship and satisfaction in his eyes could not be concealed.

At this time.

"Friend Langdi Daoist."

"Congratulations, you finally found three Taoists."

Qiao Taizhen stepped forward to salute and congratulate Su Lang.

"Thank you for this time, Your Majesty Youzhi."

Su Langpi said without a smile, "She helped me protect Chu Xiaobei and the three of them."

"Haha..."

Qiao Tai really laughed twice, speechless.

Although she did not participate in the small battle a hundred years ago, she also knew that the subordinates of the Hall of Greed Wolf had killed many people.

In this matter, Greed Wolf Palace did not do it right.

"I have completed the handover with Your Majesty Youzhi, and I am leaving now."

Su Lang said lightly, "Your Majesty Youzhi asked me to tell you not to disturb her, she wants to be quiet."

"Yes, thank you Lord Langdi for reporting."

Qiao Zazhen nodded with a wry smile, and then led a group of subordinates to the corner, giving all the roads to Su Lang.

"Come!"

Su Lang's expression was indifferent, and he took all the clones away with his fingers.

Soon.

"let's go!"

Su Lang took the three daughters of Chu Xiaobei and flew away, and the Great Emperor Shanqi naturally followed closely behind.

[Chapter 1485: I don't believe it if it's okay](#)

quickly.

Su Lang left the Zhiyu Mountain area.

"Next you will enter my universe of life, and I will perform a super long-distance clone replacement."

"Remember not to damage it inside."

Su Lang found a place to stop and whispered to the three daughters of Chu Xiaobei.

"Okay, Brother Su Lang!"

"I see, Brother Su Lang."

"Don't worry, we have controlled our power to perfection all these years!!"

Ji Ruxue, Murong Xianxian and Chu Xiaobei answered one after another.

"That's good."

"When it's safe, I will check your body and improve your strength."

Su Lang laughed, and then opened the channel of the Dantian universe again.

Chu Xiaobei's three daughters flew in immediately.

then.

Su Lang opened the Zhenxing Universe again and said to the Great Emperor Shanxi: "You enter this universe of life."

The public universe is already very inflated.

So Su Lang didn't plan to take the Great Emperor Shanqi into the Dantian universe.

"Yes, Lord!"

The Great Emperor Shanxi bowed respectfully, and then flew into the Zhenxing Universe.

"Well, the carrying capacity is still not strong enough."

"It seems that we should use 'Ten Realms as One' as soon as possible to connect the universe of life in the ten directions."

"The power of the universe of life in the ten directions is connected to each other, and it is endless, and it will definitely grow countless times."

Su Lang felt slightly dissatisfied with the two universes that had almost reached the upper limit.

of course.

The use of ten realms as one requires a lot of cultivation.

Su Lang's most urgent task at the moment is to consolidate the Dao and break through to the level of the Great Emperor.

Next.

"Clone dispatch!"

"Dispatch dispatch dispatch!"

Su Lang began to continuously dispatch clones.

A clone avatar was dispatched, immediately unfolding mental power to turn all detection areas into dispatchable areas.

Then the second clone was dispatched to the furthest place in the current area, to continue to expand the spiritual power and expand the dispatchable range.

quickly.

Thousands of avatars were dispatched by Su Lang, connected in a straight line, spanning the distance of light-years in units of 10,000!

quickly.

Su Lang had crossed millions of light-years away, completely far away from Zhiyu Mountain.

However, in order to be safe, Su Lang did not stop, but continued on.

The route he chose was also very remote, a relatively weak place, and would not easily disturb the old monsters who had been dormant in the exile for countless years.

at the same time.

In the public universe.

"Gosh."

"The Blue Star has grown so big!"

"Moreover, there are caves and blessings everywhere above, and the concentration of spiritual energy is so high!"

"The planet has grown bigger, and the old soil has also been buried. I don't know if Su Lang has asked people to dig out the buried 'treasure'."

"..."

Outside the atmosphere, Chu Xiaobei's three daughters looked at the greatly changed blue star, and they were immediately surprised.

Soon.

The three women flew into the atmosphere and landed on the ground.

"Xiao Bei, like snow, slender!"

You Zhi found Chu Xiaobei's three daughters and immediately found them.

"Your Majesty Youzhi!"

Chu Xiaobei's three daughters also greeted him immediately, and the four joined together.

"Bei Bei, Ruxue, Slim, don't call me Your Majesty Youzhi in the future."

Youzhi said seriously, "Just call my name Youzhi!"

"okay."

Murong Xianxian was taken aback, and then agreed.

Chu Xiaobei and Ji Ruxue thought for a while and nodded immediately.

Although Yuzhi's cultivation base is very high, everyone's identities are now different from before.

The third daughter is no longer a maid.

And Youzhi needed Su Lang's blessing, and even agreed to become a maid.

Coupled with the kindness that you save me and I save you that is almost unclear, everyone is already in a very equal position.

At this time.

Youzhi said mysteriously: "By the way, there is something I don't know if you know it!"

"What's the matter?"

Chu Xiaobei's three daughters suddenly became interested when they saw You Zhi mysteriously.

"Su Lang has raised three girls on this planet!"

"The whole planet is inhabited by the three of them. If you say it's okay, I absolutely don't believe it!"

Youzhi said angrily, "Look at them quickly, do they have serious status!"

[Chapter 1486: He is here, Wushuang original poster!](#)

She didn't want to pick something, but was really angry.

Perhaps it is because I am too obsessed with the beautiful image of Langdi in those female fantasy novels.

Talking.

You Weaving transformed Su Ling'er, Xiao Mei, and Yu Mei.

Suddenly, images of a beautiful woman and two innocent girls appeared in front of Chu Xiaobei's three daughters.

"These three people... haven't seen it before!"

"Could it be that Su Lang really supported us to raise women?"

"When we are not here, he will mess around outside and raise people in the universe of life?"

"No, Brother Su Lang is not such a person, how could he pick up girls while looking for us?"

"I also don't think Su Lang would do this, but I still want to hear an explanation."

"..."

After Chu Xiaobei's three daughters looked at each other, they pouted in surprise one by one.

An atmosphere of Shura Field began to gradually appear on the Blue Star.

at the same time.

Zhiyu Mountain.

Qiao Yuzhen and the others were relieved after looking at the direction Su Lang was leaving.

In this way, this matter is even hidden.

Although the crime of deception is also mortal, it is undoubtedly mortal if you don't hide it.

If you conceal it, you can survive as long as you don't get discovered for a day!

"Your Majesty Youzhi!"

"After weaving Yushan, I will retreat after this."

Qiao Tai really walked to the entrance of Youzhi's bedroom and saluted Li Xianyang's transformed Youzhi.

"..."

Li Xianyang didn't say a word, nodded indifferently, his eyes did not leave the book in his hand for a moment, he was as steady as an old dog.

Qiao Tai really didn't doubt that he was there, and bowed slightly again, and turned back.

Seeing this, Li Xianyang waved his hand indifferently, and gradually closed the protective barrier of the palace using the hand tactics given by Youzhi.

The invasion of Mount Zhiyu seems to end here.

But at this moment.

One of the five great emperors in Greed Wolf Palace suddenly trembled, and there was a trace of silent pain in his eyes.

Immediately after.

His eyes flashed, and in an instant he took on an arrogant, frivolous, and arrogant look.

But then.

His eyes changed again, immediately full of anger and sneer.

"Qiao Yu is really brave as a slave, you dare to hide it from me!!!"

"If it weren't for me, I came over on a whim to check the memory of the eyeliner, I am afraid it would really make you hide the past!"

The hoarse voice came from the mouth of the great emperor, and it spread across the entire Zhiyu Mountain.

This voice is not clear.

But it made the entire Zhiyu Mountain tremble!

All the maids on the mountain died instantly, and the emperor looked pale, showing panic and despair.

Qiao Yu really stiffened all over her body, and her rickety body could not stop shaking!

"he came!!!"

"Wushuang original poster!!!"

"I should have thought that he would put other eyeliners in the Hall of Greed Wolf!"

Qiao Yuzhen's pupils shrunk like needles, and his face was as ugly as a dead man!

She never expected that, let alone how many days of hiding, she couldn't hide it even for half an hour!

"You, what else can you say?"

The great emperor, whose body was controlled by the Wushuang poster, stepped forward and came to the top of Qiao Taizhen's head, overlooking the withered and gray quasi-Supreme Emperor.

"Old slave...please my master!"

Although Qiao Taizhen knew that hope was slim, she still refused to give up a trace of life-saving straw.

"Spare!?"

The original Wushuang sneered, "You can't even get a happy death, so you dare to ask for mercy!?"

"Your Majesty Youzhi, run away!!!"

Qiao Tai really didn't even think about it, and instantly unfolded all the secret methods and fled into the distance.

And he didn't forget to remind the 'Youzhi' in Zhiyu Mountain that the two of them ran away together, which could at least distract some Wushuang posters.

at the same time.

Some of the great emperors who were greedy of the wolf palace also fled frantically.

Others stayed where they were in despair. They were so desperate that they didn't even have the mind to struggle.

"Want to escape!?! The crime has increased!!!"

The Wushuang host sneered again and again, without even stopping.

He didn't collect the souls of these subordinates, how could he not arrange other deadly methods! ?

Immediately after.

I saw Qiao Zhenzhen and others who fled to the distance were staggering, with black blood in their mouths!

Those weaker emperors fell instantly.

Although the quasi-Godless Qiao Zhen was not dead, she was seriously injured and dying. She flew for hundreds of thousands of kilometers, and finally fell into the interior of a large mountain.

[Chapter 1487: This person is a pervert!](#)

"Humph."

"No one has ever escaped from me!"

The Wushuang original poster flew to the edge of the mountain and took pictures of the dying Qiao Zhen, pulling the old woman's yellow hair, all the way back to Zhiyu Mountain.

This process was very fast, and nothing happened in Zhiyu Mountain.

Yuzhi's palace is still intact.

"Youzhi ah Youzhi."

"It was a good goal, but unfortunately it was destroyed."

"Even though I just looked at the body, it also made me very uninterested."

"Hmph, then use this subordinate's physical body to play you to death!"

"Of course, that guy who dared to assault you, I will not let it go, he will be worse than Qiao Yan!"

The Wushuang original poster threw Qiao Taizhen's old lady down, with a distorted and hideous expression on her face, like a smile and cry.

Immediately after.

He slapped his palm on the protective barrier of the Zhiyushan imperial palace.

This quasi godless barrier could not be broken by the Five Great Emperor.

But a trace of weird power was revealed from the Five Great Emperor, and the barrier in front of it collapsed when it was touched, and dissipated into stars.

Suddenly, the low-key luxurious bedroom appeared in front of him.

"Jie Jie Jie Jie!"

"Let me taste how you taste different from others!"

The Wushuang poster occupies the body of the five great emperors, let out an evil laugh, and slowly walked into the palace.

A small figure appeared in the field of vision.

That petite body was full of temptation in the eyes of the Wushuang original poster.

At this moment, Li Xianyang's "You Zhi" disguised as "You Zhi" turned his head and looked at Wushuang's host.

"Ok!?"

"This look seems a little different?"

The Wushuang original poster looked at the eyes of 'Youzhi', and a trace of doubt emerged in his heart.
but.

According to him from the memory of the occupied five great emperors.

Although Yuzhi was seen by others, he did not leave, but stayed in the palace.

Therefore, the Wushuang poster never thought that the real Youzhi would have been replaced long ago.
and.

Li Xianyang has the protection of the imperial palace without the gods.

Although Wushuang's original poster has vast supernatural powers, he is not really a Supreme Emperor.

He just stepped from the soul-body fusion to the soul-space fusion road, and has a strong man who is quasi-no **** soldier.

Now the Wushuang original poster is occupying the body of a five great emperor with a trace of spiritual thought across a long distance. Without using the hole cards, he can't break Li Xianyang's disguise!

At this moment.

Although Wushuang's poster noticed something strange, he quickly made up his own explanation.

"Maybe it's been too long."

"Youori likes to read a lot these years, and some changes are normal."

Thinking about this, the Wushuang poster once again showed a wicked smile, "My favorite is my sister, who loves to read, it's cold!"

He walked slowly towards the motionless "You Weaving" who seemed to have lost his resistance.

And, in the process, he stretched out his hand to undress.

"Hey, this person wants to Dun Lun?"

"Oh my god, this person is simply a pervert!"

Li Xianyang looked at the fierce man walking towards him, and instantly cursed away in his heart.

But Su Lang ordered him to play Youzhi, but he didn't tell him how to deal with this situation.

Therefore, Li Xianyang was a little at a loss in a short time.

Just then.

The Wushuang poster controlled the Five Great Emperor and took off his shirt, revealing strong muscles, very stylish and powerful!

With such a perfect figure, even Li Xianyang couldn't find the flaws.

"how about it?"

"Do you like this figure, little baby?"

The Wushuang original poster came to Li Xianyang and looked down at the petite 'girl' with a sneer that thought he was infinitely charming.

Li Xianyang felt as disgusting as he had eaten shit.

But without Su Lang's order, he did not immediately reveal his identity, but immediately asked Su Lang for instructions.

The other side.

The frequency of Su Lang's avatar replacement has been reduced a lot, because at this time he has been away from Zhiyu Mountain by tens of millions of light years.

Somewhere in the mountains where there were beautiful mountains and beautiful rocks, Su Lang stopped.

[Chapter 1488: I beat you to death!](#)

"This place is somewhat similar to Zhangjiajie, who has been to the previous life, so let's stop here for a while."

Su Lang thought silently, then chose a big mountain and fell to the top of a flat mountain made of rocks. suddenly.

"Ok?"

"There is movement over Li Xianyang? And very anxious, it seems that something big has happened!"

Su Lang sensed Li Xianyang's change, and immediately used perception sharing to gain Li Xianyang's vision.

Immediately after.

He saw a big man with a perverted and distorted smile, walking naked to the "You Weaving" that Li Xianyang had transformed.

"Lying down!"

"Is this a large-scale foundation site?"

"Who is this guy? He broke into Zhiyu Mountain's bedroom and broke the protective barrier? He tried to assault Li Xianyang!?"

"What about the old lady Qiao Taizhen? Why don't you dare to stop him?"

"No, this guy is a bit familiar, as if he is a certain great emperor in the Hall of Greed Wolf."

"But if it is really the Great Emperor of Greed Wolf Palace, it is absolutely impossible to have such courage!"

"Oh, I see, it should be the Wushuang poster who is making a ghost!"

"This guy didn't see through Li Xianyang's disguise, and he looked excited. There is really no one!"

"..."

Su Lang looked at the perverted Wushuang poster through Li Xianyang's perspective, and his heart was full of speechlessness.

At this time, the big man controlled by Wushuang's original poster had reached out to touch Li Xianyang's "little pretty face".

Li Xianyang suddenly panicked a lot, and screamed in his heart, Lord, Lord, what should you do?

"Uh."

"My side is already far away, you don't have to worry about what you want to do."

The difference between Su Lang and Li Xianyang's anxious mood, couldn't help but smile, and then gave him instructions.

"Do what you want? That's great!"

"You bastard, I have tolerated you for a long time!"

Li Xianyang, who had received Su Lang's instructions, jumped up instantly and slapped the face of the man who was close at hand.

"boom--!!"

As if the giant drum was hit by a heavy hammer, the vigorous roar spread throughout the Zhiyu Mountain!

The Five Great Emperor, controlled by the Supreme Lord, was instantly blown to the face, revealing **** teeth!

"You dare to resist!?"

When Wushuang's original poster couldn't believe it, his eyes were red, full of endless anger.

Even if only the manipulating clone was hit, Li Xianyang's fierce slap still seemed to hit his own face and heart!

The raging sense of shame immediately filled all the hearts and minds of Wushuang original poster!

"Rebel!?"

"I killed you! Hidden Scale West Hunter! Break a sword!"

Li Xianyang, who was disgusted, was also extremely angry, with both hands pointing into a sword, his left hand was hidden scales, his right hand broke a sword, and at the same time, he stabbed the Wu Great Emperor controlled by the Wushuang original poster!

Li Xianyang was the clone of Su Lang, possessing the attack realm of the Seven Great Emperor +. At this time, he displayed the explosion secret technique and his attack power was infinitely close to the Eight Great Emperor.

On the other hand, the Five Great Emperor controlled by the Wushuang poster was just a very ordinary Five Great Emperor, and the gap with Li Xianyang was too great.

next moment.

Li Xianyang's Ningjian's hands were about to pierce the big man in front of him, extinguishing his spirit!
however.

"Humph!"

"You don't dare to do your best, it's really hard to see!"

The Wushuang original poster realized that the power of Li Xianyang's move did not reach the quasi-no-god level at all, and immediately sneered.

You need to know that Yuzhi is a quasi-no-god-level. He really has to work hard, absolutely burst out with all his strength, it is impossible to use only the power of the Eight Great Emperor.

In the face of Li Xianyang's move.

Wushuang original poster is completely as stable as an old dog.

Although he controls the Five Great Emperors, he has a hole card!

Otherwise, he could not break the protective barrier of the Zhiyushan imperial palace alone!

"Fu Bao-the supreme wishful lamp!"

Suddenly, the big man controlled by Wushuang's original poster touched his hands, and a phantom shadow of a candlestick appeared out of thin air, and the dim light on the candle easily blocked Li Xianyang's attack.

"So strong!? I'm done!!"

Li Xianyang's eyes stared, and he didn't move.

No way, the Talisman of this supreme wishful lamp could even resist Su Lang in the extreme state in Qiao Taizhen's hands.

Can he break a clone?

[Chapter 1489: Get crazy with anger!](#)

At this time.

"huh huh huh huh!"

"I see, the reason why you don't resist with all your strength is to create a bit of fun. You want to resist symbolically and arouse my desire to attack. You are so good!"

The Wushuang host who blocked Li Xianyang's attack grinned, showing a perverted smile.

Soon.

The bean-sized light on the candlestick flickered, turning into countless stars, condensed into chains to surround Li Xianyang.

This is to be restrained and tired!

Li Xianyang's face turned black in an instant!

Su Lang was a little confused and dumbfounded.

This Wushuang poster still thinks that the one in front of him is "You Weaving". I really believe my own judgment!

"Jie Jie!"

"I understand your careful thoughts, come on, baby!"

The Wushuang poster controlled the Five Great Emperor, and the smile on his face gradually became more and more abnormal.

"I vomited!"

"Deadly, perverted! Labor and capital are men!"

Li Xianyang finally couldn't help it, and instantly removed the shelter of the Unreal Rule Avenue and the Soul Chasing Emperor Palace, and its original appearance suddenly emerged.

The gradual smile of the Wushuang original poster gradually solidified, and the excitement in his eyes instantly transformed into incredible and endless shame.

Even the deity who was far away in the Wushuang Building suddenly covered his heart, and his breath was disordered, as if he was crazy!

OMG!

His unparalleled host, actually said so many shameful words to a man, and produced such shameful intentions.

This is really shameless and disqualifying, okay! ?

Immediately after.

The Wushuang original poster realized that he was being tricked, and the shame in his heart instantly transformed into endless shame.

This kind of shame is more and more profound than before Li Xianyang slapped him in the face!

"Ahhhhhhh!"

"I will surely cause you to suffer the most painful punishment in the exile!!!"

The Wushuang original poster roared frantically, and his breath rushed violently, blasting Zhiyushan's palace to pieces.

next moment.

He stared at Li Xianyang, one hand slowly raised, and the chain formed by the supreme wishful lamp grew spikes, exuding a heart-palpating breath.

Immediately afterwards, the chain gradually tightened, and that strange force was about to pierce Li Xianyang's body and soul!

But at this moment.

Li Xianyang sneered, and his body instantly turned into a phantom, about to disappear.

Not bad.

It was Su Lang who initiated the avatar dispatch to dispatch Li Xianyang to other places.

"Want to escape!?"

"What kind of secret is this!? Even my supreme wishful lamp can't stop it!?"

The Wushuang host sneered first, and immediately realized that the Supreme Ruyi Lantern could not stop Li Xianyang from disappearing, and his face suddenly appeared in horror.

Without thinking about it, he immediately squeezed it with a big hand, and the chains formed by the supreme wishful lamp instantly kneaded.

A trace of blood overflowed from the gap in the chain!

"The dog byproducts really ran away!!!"

Seeing the glimmer of blood, the Wushuang host was shaking with anger.

He knew that although the opponent was injured, he did not die, but managed to escape.

A little Seven Great Emperor escaped from his dignified and unparalleled host, this is another great shame!

"Roar!"

"No matter who you are, I will find you and make you pay a heavy price!"

The Wushuang original poster was so angry that his eyes burst out with blood, and the Five Great Emperors under his control were about to explode!

Immediately after.

The Wushuang original poster controlled the five great emperors who had been seriously injured and dying, and brought the dying Qiao Zhen from outside, and quickly left Zhiyu Mountain.

next moment.

The supreme wishful lantern talisman, which was left in the Zhiyushan palace and turned into a chain, exploded.

Although it has been consumed two or three times, it still possesses very terrifying power, and instantly wiped the entire Zhiyu Mountain from the world.

Even the earth in a radius of tens of millions of miles has been shortened by thousands of feet and turned into a vast pit!

at the same time.

The other side.

Wow!

A phantom gradually condensed into a **** body, it was Li Xianyang.

It takes a little bit of time for the clone to be dispatched, even if it is less than the time required to replace the clone, but this time still exists.

Because of this little time, Li Xianyang almost died under the talisman of the supreme wishful lantern.

[Chapter 1490: You can't even match me](#)

"The next servant knocks on the Lord! Thank you for your life-saving grace!"

Li Xianyang ignored the pain and prostrated on the ground to bow to Su Lang.

"Get up, you did a great job."

"These are healing pills, I'll take them soon."

Su Lang nodded in satisfaction, and then took out some Emperor-level healing pills for Li Xianyang.

"Thank you, Lord!"

"It is the mission of the servant to die for the Lord. Even if you are crushed and broken, you will be happy!"

Li Xianyang took the pill, his face improved a lot, and he saluted Su Lang again.

"It's good to have this heart, I won't stand by and watch you die."

Su Lang smiled faintly, "Well, I will put you back into the mysterious space first, where you can recover faster."

"Yes, Lord!"

Li Xianyang bowed his head respectfully.

Immediately after.

Su Lang waved his hand and took Li Xianyang into the mysterious black space.

"The situation is safe, it's time to release Chu Xiaobei and the others."

Su Lang smiled with excitement, and when his thoughts moved, he released Chu Xiaobei, Ji Ruxue, Murong Xianxian, Youzhi, and the Great Emperor Shanxi in the Zhenxing Universe.

"Brother Su Lang!"

Ji Ruxue and Murong Xianxian were extremely happy when they saw Su Lang.

"what!?"

Chu Xiaobei was surprised, "Why did you let us out? Is it safe? So fast?"

"Yes, it's safe for the time being."

"Although the matter of Zhiyushan has been known by the Wushuang host."

Su Lang ticked the corner of his mouth and smiled, "But it is tens of millions of light years away from Zhiyu Mountain, and it is almost impossible for him to find us."

"what!?"

"Tens of millions of light years?"

"How long is this? It's not even a quarter of an hour, how can you run so far!?"

When You Zhi heard Su Lang's words, his face was suddenly incredulous.

"This is a fact."

Su Lang raised his eyebrows, "Do I have to lie to you? Suspicious little sister."

"Humph!"

"Which man doesn't like to brag?"

Youzhi rolled his eyes, "Also, don't call me little sister, maybe I'm older than you!"

"Bigger than me?"

Su Lang patted his chest muscles, "Wrong, you can't even compare to me."

Seeing this scene, Chu Xiaobei's three daughters couldn't help covering her mouth.

At the same time, Chu Xiaobei and Murong Xianxian lowered their heads to look at themselves and found that they could not see their toes, so they were very happy.

Ji Ruxue has also grown for so long, and it is also not small, at least reaching the average level, much larger than Youzhi.

"you you you!"

"I'm talking about age!"

Youzhi's eyes widened, pointing to Su Lang and dancing, almost dancing.

Her body changes drastically after practicing the secret method, which is the eternal pain in her heart!

"Oh~"

Su Lang laughed, "But if you don't tell me how do I know that you mean age?"

"Humph!"

You Zhi snorted coldly, and then rolled his eyes, "You are less greasy, and you are so annoying, don't you know!"

As he said, he winked at Chu Xiaobei's three daughters.

"You little maid, what are you doing?"

Su Lang's face was surprised, and his eyes fell on the three daughters of Chu Xiaobei.

The well-behaved Ji Ruxue and Murong Xianxian suddenly lowered their heads, pinching their fingers and wondering what to say.

"Ahem!"

"I just asked directly."

Chu Xiaobei coughed slightly, and stood up and said, "Su Lang, are these three women on Blue Star?"

"Three women on the blue star!?"

Su Lang looked at him for a moment, and then he patted his thighs suddenly, "You said them!"

"Yes!"

Youzhi helped, "Don't lie, I am the best at detecting lies!"

"The three women."

"One is called Su Ling'er, one is called Xiaomei, and the other is called Yu. Oh, it's called Yumei."

"Su Ling'er is the son of Jingtianxing's distorted world. Before Jingtianxing was released, I sneaked into Jingtianxing and met. She is regarded as my named disciple, which is of great research value."

"Xiaomei is Su Ling'er's maid. She has been with Su Ling'er since she was a child. It is Su Ling'er who wants to take her with me. It has nothing to do with me."

"The last Yuheng, it was a guide I just came to the place of exile yesterday, and I caught it casually. If you don't tell me, I almost forgot her."

"In short, although they were put on the blue star by me, they are not my women. I only have three of you in my heart, huh!"

Su Lang's tone was steady and he explained clearly.
