[Chapter 1661: Bi Yelin's misunderstanding](#)

"Let's go together!"

Chu Xiaobei and other women also stood up immediately.

They also want to see what Bi Yelin's background is, and what Su Lang wants to do!

In the quiet room.

The immortal parts in Su Lang's hands were being refined to a critical moment, so he did not go out the first time.

then.

Chu Xiaobei and others first arrived at the entrance and exit square of Soul Chasing Emperor Palace.

"Chasing the soul, open the ban!"

Chu Xiaobei snorted softly, taking his life from the soul, and immediately opened the defensive barrier and concealment prohibition.

Suddenly, a heroic woman appeared in front of her eyes, wearing a black tights, heavy armor, and crimson cloak.

"Are you Bi Yelin?"

"What are you doing to our Su Lang?"

Although Bi Yelin exudes a very powerful aura, Chu Xiaobei is not afraid at all!

When Bi Yelin heard this, her face was shocked, and there was a hint of gossip in it.

"You...your Su Lang?"

Bi Yelin looked at Chu Xiaobei and the others, especially focusing on Yu Qing's body for the longest time.

Obviously, she has misunderstood!

Regarding Yuqing as one of Su Lang's women with the same identity as Chu Xiaobei and others!

"Don't get me wrong!"

"The relationship between Daoist Su Lang and I is not what you think!"

Yuqing understood Bi Yelin's expression, her expression was stagnant, her face blushed, and she immediately explained.

"You are so nervous, it seems I got it right!"

Bi Ye Rin raised her eyebrows and laughed, "You who have guarded your body like jade for more than a billion years have a day of resuscitation. Congratulations!"

"Don't talk nonsense!"

Yuqing said eagerly, "I don't want to explain it a second time!"

"No explanation!?"

Bi Yelin showed a look that I understand very well, "I understand, I understand, don't ask!"

"You, forget it!"

"Go ahead, why are you here?"

"Is it because of Qin Chengan's affairs that I'm asking Daoist Su Lang for trouble?"

Yuqing rolled his eyes and said coldly, "I can tell you, Daoist Su Lang is not something you can move!"

"Yo!"

"I didn't say anything, you just protected Su Lang like that!"

Bi Yelin had a surprised expression, "It seems that I still underestimated the relationship between you and Su Lang."

"Humph!"

"The Lord of Jade-Blood Heaven, does he have such a nasty side?"

Yuqing's expression recovered calmly, "I'll tell you the truth. Daoist Su Lang is our highest standard guest of the Nine Qing Palace. Before the war of reincarnation, no one should want to touch him!"

"What a strong determination!"

Bi Yelin exclaimed, then smiled, "However, I really didn't come to trouble Daoist Su Lang!"

"Then, are you here to apologize?"

Chu Xiaobei stepped forward, her beautiful eyes staring at Bi Yelin closely.

"Quasi Immortal?"

"Courageous!"

Bi Yelin smiled, then nodded, "Yes, I'm here to apologize, and Su Lang himself?"

"Sorry, I'm late."

A clear male voice spread all around, but Su Lang happened to arrive.

As soon as he saw Bi Ye Lin, he immediately opened the opponent's attribute panel!

'Properties Panel'

"Liudu has no **** class!"

Su Lang was taken aback for a moment. This was the first time he had seen such a powerful man!
at the same time.

Bi Yelin was also observing Su Lang.

However, he saw that Lang's cultivation level fluctuated only two times, and his aura was only four times without God.

"It really fell into a realm."

"His original cultivation base is probably not weaker than mine!"

Bi Yelin didn't underestimate Su Lang, and placed Su Lang high in her heart.

[Chapter 1662: I want to form an alliance with Daoist Su Lang!](#)

"Master Jade Blood, Bi Yelin?"

At this moment, Su Lang looked at Bi Yelin and asked lightly.

"Exactly!"

"I came here today to apologize for the rudeness of my subordinates."

Bi Yelin bowed to Su Lang straightforwardly, with a very correct attitude.

"it is good."

"I accept your apology."

Su Lang smiled, "Any other things?"

"Have!"

"I already know the identity of Jing Yuanbai!"

"Thanks to Fellow Su Lang for helping me get rid of this big hidden danger!"

Bi Yelin nodded, took out a ring, handed it to Su Lang in the air, "This is an apologetic and thank you, please accept it."

"it is good."

Su Lang simply accepted the ring, "If it's okay, I will continue to retreat."

"One more thing!"

"Taoist Su Lang killed Jing Yuanbai and has already forged a big feud with Chang Hen Palace."

Bi Yelin said immediately, "It just so happens that Bixuetian and Changhen Palace don't share the same sky, so I want to form an alliance with Su Lang Daoist!"

"Alliance?"

Su Lang raised his eyebrows, "What good is this for me?"

If he joins other forces, he will not agree, but if an equal alliance is formed, it is acceptable.

"A lot of benefits!"

"First of all, we can work together to resist the Palace of Long Hatred."

"Secondly, the treasures of heaven, material and earth accumulated by Jie Xue Tian are not inferior to Tai Shang Nine Qing Palace."

"Because our members are mostly monsters, and they are not very good at refining alchemy and refining equipment. They have accumulated a lot of treasures for a long time."

"With the support of this wealth, Daoist Su Lang will surely be able to return to his peak strength as soon as possible, without fear of chasing by the palace of long hatred, and even going back!"

"In addition, Daoist Su Lang and Bi Xuetian form an equal alliance, completely free, and I will not interfere with the relationship with the Supreme Nine Qing Palace."

"..."

Bi Yelin said slowly, her condition is very simple, that is, to form an alliance with Su Lang, and when Su Lang regains her combat power, they will deal with Chang Hen Palace together and kill Chang Hen Zi!

As for the battle of reincarnation, we will discuss different things in the future!

"Not inferior to the wealth of the Supreme Nine Qing Palace?"

"The conditions are difficult to refuse! But how do I know if you are lying."

Su Lang listened to Bi Yelin's words, and the corner of his mouth twitched, "If your original intention is to deal with me, what should I do with these conditions to paralyze me."

"I can show you my sincerity first."

Bi Yelin replied, "This treasure of heaven and earth will definitely satisfy you!"

"it is good!"

"Then you give it to me now!"

Su Lang nodded, "If I accept it, it means agreeing to form an alliance with you."

"Okay! I'll give it to you now!"

Bi Yelin worked vigorously and quickly put the various treasures she had accumulated over the years into a storage ring and handed it to Su Lang.

"Lying down, so much?"

"This is almost as good as half of what Zhan Taiqing gave!"

Su Lang looked at the treasures and fairy sources in the storage ring, and he was shocked.

"This is only part!"

Bi Yelin smiled and said, "As long as your Excellency agrees to form an alliance with Bixuetian, there will be a steady supply of heaven, material and earth treasures!"

"Tsk tut!"

Su Lang exclaimed, "Your conditions are so generous, are you afraid that I will swallow the material and regret it?"

"Do you think I'm afraid?"

Bi Yelin asked back, both her verbal expression and temperament revealed strong self-confidence and arrogance.

"Simply enough!"

"Okay, I promise your terms!"

Su Lang nodded, and accepted the storage ring, "Make an alliance with your Jade Blood Heaven, and deal with Chang Hen Palace together and kill Chang Hen Zi!"

Since the battle with Jing Yuanbai.

Su Lang had already listed Chang Hen Palace as a hostile force.

It's just that his current cultivation base is not high enough, and his combat power is not strong enough.

But Chang Henzi is mysterious and unpredictable.

Otherwise, Su Lang would have called the door to Xingshi to inquire!

And now, after forming an alliance with Bi Xuetian.

Not only did he get a lot of natural treasures, but he also got a helper to deal with the Palace of Everlasting Sorrow. Why not?

"In this case, the covenant is established!"

Bi Yelin smiled brightly, "Please go to Jiexuetian to receive more treasures of heaven, material and earth, and restore the peak soon!"

"Wait!"

Yuqing, who had been silent for a long time, suddenly said.

[Chapter 1663: I'm afraid you are not as fast as me](#)

"Yo!"

"what happened!"

"Afraid that I will **** your Su Lang away!?"

"Don't worry, I just want to form an alliance with Su Lang, I don't want to marry Su Lang!"

Bi Yelin looked at the girls like Yuqing and Chu Xiaobei, with a hint of playfulness at the corners of her mouth.

"whispering sound!"

"Of course we are relieved!"

"Don't say you don't want to, even if you want to marry my family Su Lang, you don't have that ability!"

Chu Xiaobei snorted and turned back to Bi Yelin.

Bi Yelin misunderstood that Yu Qing was Su Lang's woman, which made her feel uncomfortable and embarrassed.

At this time, Bi Yelin teased many times, and of course Chu Xiaobei couldn't help it.

"Haha!"

"I gave up, sorry, I gave up!"

Seeing Chu Xiaobei angry, Bi Yelin apologized as Su Lang's smile gradually faded.

"Humph!"

Chu Xiaobei snorted and stopped looking at Bi Yelin.

"Then, Daoist Yuqing."

Bi Yelin looked at Yuqing, "Do you have any objections?"

"Is such that."

"You Bi Xuetian had better not go to war with Chang Hen Palace."

"At least, before the war of reincarnation, don't go to war, you know the reason."

"In addition, Daoist Su Lang needs a lot of heaven, material and earth treasures to recover from his injuries, I hope you don't break your promise!"

Yuqing said to Bi Yelin very seriously, "Finally, we are going to the Nine Qing Palace too, and we will also form an alliance with Su Lang Daoist!"

This statement came out.

Bi Yelin was taken aback for a moment, and said that Yuqing took Su Lang so seriously!

"Friend Su Lang!"

But Yuqing has already turned to look at Su Lang, "I want to form an alliance with you on behalf of the Supreme Nine Qing Palace, okay?"

"I can do nothing."

Su Lang nodded and smiled, "As long as it doesn't let me join the Supreme Nine Qing Palace."

"Ok!"

"This is a token of the Supreme Nine Qing Palace, please accept it."

Yu Qing also nodded, took out a sign from the universe of life and handed it to Su Lang.

"Thank you!"

Su Lang took the brand and saw that it was a special communication jade brand made from godless materials.

However, there is only one contact person above, that is Yuqing.

After looking at it for a while, Su Lang put it in the storage space.

Chu Xiaobei and the others had no objection to this. They also knew that Su Lang had gained countless benefits from the Supreme Nine Qing Palace.

"So, how about going to Bixuetian now?"

Bi Yelin asked when Su Lang had accepted Yuqing's token.

"Let's go."

Su Lang nodded sharply, and then put the Soul Chasing Emperor Palace into the storage space.

"Friend Su Lang, I have bothered you for so long, and I should say goodbye."

Yuqing saluted Su Lang and said goodbye.

"Don't!"

"Guliang Yuqing, our round of mahjong hasn't finished yet!"

Chu Xiaobei and others immediately gathered around, very reluctant to leave Yuqing.

"I also want to continue playing Mahjong."

Yuqing smiled, "But Master is already urging, I have to take the medicine back to him."

"That's it."

Ji Ruxue pouted, "Well then, we will come to Taishang Jiuqing Palace to look for you to play another day."

"Extremely welcome!"

"The Supreme Nine Qing Palace will definitely receive you with the highest standards!"

Yuqing smiled happily, then bid farewell to Chu Xiaobei and the others before leaving.

Chu Xiaobei and others seemed to lose their interest in having fun, and they all expressed their intention to enter Su Lang's universe of life for retreat.

Su Lang took them all into the Dantian universe.

"Yuqing has always been indifferent."

"I didn't expect her to have such a side."

Bi Yelin looked at Yuqing's departed back, and was even more sure that Yuqing and Su Lang had an unusual relationship.

"Let's go."

Su Lang looked at Bi Yelin, "I'll take you a ride!"

"What? You take me a ride?"

Bi Yelin was surprised, "With your current cultivation base, I am afraid that the speed is not as fast as mine."

"Haha."

Su Lang smiled faintly, "You will know in a moment, my speed is not fast."

"Ok!"

"Then trouble you,"

Bi Yelin didn't ask much, and agreed directly.

"You go in."

Su Lang was thrown out of the Soul Chasing Emperor Palace and opened the restriction.

Bi Yelin flew into the Soul Chasing Emperor Palace without saying a word.

Soon.

Holding the Soul Chasing Emperor Palace, Su Lang directly used clone dispatch and clone replacement to reach the extreme southern border of the exile.

Finish it all.

He shook the Soul Chasing Emperor Palace in his hand: "Come out, Bi Yelin."

[Chapter 1664: The origin of Bi Yelin!](#)

"That's it!?"

"How is it possible, I haven't sat down yet!"

Bi Yelin's unbelievable voice came. She had indeed just sat on a chair and hadn't settled yet.
but.

She still quickly left the Soul Chasing Emperor Palace and appeared in front of Su Lang.

Immediately afterwards, she was stunned!

"This is really the southern border!"

"It stands to reason that this is also the territory of my Jade Heaven!"

"Gosh, how did you do it, is there such a far teleportation formation under the sky!?"

Bi Yelin looked at the faintly familiar environment around her, stunned with surprise.

"Really."

"Otherwise, how did I come here?"

Su Lang ticked the corner of his mouth and smiled faintly, "No more, please lead the way."

"it is good!"

Bi Ye Lin is a straightforward person, and won't struggle with a problem for a long time.

She did not procrastinate and led the way immediately.

Su Lang immediately followed Bi Yelin to the south.

Soon.

The two flew at full strength occasionally and occasionally used some teleportation arrays arranged by the Jade Blood Sky.

After an hour, the two arrived at Bixuetian resident.

then.

Su Lang saw the blue clouds covering the sky and large tracts of floating buildings. His style was crude but majestic and vast, giving people a sense of ancient and wildness.

"Some crude buildings make you laugh."

Seeing Su Lang admiring Bi Bixuetian's architecture, Bi Yelin smiled.

"Very imposing building."

Su Lang nodded appreciatively, "It seems that you must have a master architect in the sky."

"That's not it."

"I built these buildings."

Bi Yelin shook her head and said, "But it was modeled after another building complex."

"Another building complex?"

Su Lang raised his brows, "In the place of exile, a building suitable for monster groups, this should be top-notch."

"Not a building in a place of exile."

Bi Yelin shook her head again, "It's the architecture of the infinite universe, I come from the infinite universe!"

Su Lang was surprised now.

"Boundless universe!?"

"You come from the boundless universe?"

Su Lang was shocked, "That's a coincidence, I also come from the boundless universe."

At this moment.

Su Lang really feels like seeing fellow villagers.

And it's that kind of well-meaning fellow, not Jing Yuanbai's kind of fellow who puts a cold gun behind his back.'

"Really!?"

Bi Yelin also asked in surprise, "Where are you from!?"

It was the first time that she saw Su Lang like this. While her cultivation base was 'unpredictable', she still came from the boundless universe.

"I am from Xinghai Dayu."

Su Lang smiled and said, "That's a small place, not even a godless level."

"Xinghai Domain?"

"I haven't heard of it. Maybe it's a small corner area?"

Bi Yelin thought for a while, there is no place like Xinghai Dayu in his memory.

"how about you?"

Su Lang asked again, "Where are you from?"

"Tianting Continent!"

Bi Yelin said word by word, her mood seemed a little bad.

"Tianting Continent!?"

Su Lang smiled with joy, "One of the four continents after the Broken Boundary Realm! You came from there!"

Bi Ye Rin is different from Guangming Sword Assafir. She was in exile in this era of reincarnation.

Although she has lived here for more than a billion years.

But with the timeline of the endless universe, only a few hundred thousand years have passed.

Bi Ye Rin must have a good understanding of the status quo of Infinity Realm!

It is far better than the ancient existence Assafir, who lost most of his memories.

"Yes."

"I'm from the Tianting Continent, I didn't expect you to know this."

Bi Yelin nodded, "Yes, your cultivation level is so high, even if you were born in a remote place, you must be knowledgeable."

"My knowledge, I am afraid it is not as broad as you."

Su Lang smiled and shook his head, "Can you talk about the current situation of the Boundless Realm when you lived in Exile?"

"I only know something about Tianting Continent."

Bi Yelin smiled bitterly, "Because I have never left the cage of Tianting Continent."

"What do you say!?"

Su Lang raised his eyebrows, "Tianting Continent is isolated from the world, unable to travel to other continents?"

"Exactly."

"The Tianting Continent is a real prison!"

"There are many sacred beasts, unicorns are just one of them."

"Shenlong, Phoenix, Xuanwu, Bi Fang, Bai Ze, Kunpeng... all are the materials that are nourished!"

Bi Yelin said lightly, but the content of the words was chilling!

[Chapter 1665: Yuqing and I are innocent](#)

"What the hell?"

Su Lang took a deep breath, "A variety of incomparably powerful mythical beasts turned out to be nurtured materials!?"

From Bi Yelin's body, one could see how powerful the strength of the Tianting Continent was.

The strength of those gods and dragons and phoenixes absolutely universally reached the godless level!

But it is such a powerful existence, and the number is so large that it spreads across the Tianting Continent, there is no resistance to it, and it is nourished!

What kind of existence can have such a terrifying handwriting!

"Do you know who is raising the beasts?" Su Lang couldn't help asking.

"I don't know."

"There was a unicorn who had practiced secretly to the Jiudu Godless level, but was found by a mysterious man and stripped alive in the cave!"

When Bi Yelin said this, her pupils shrank like needles, and her breathing became quicker.

"Jiudu has no god-level, and it's as if it's a fish meat!?"

"If you can do such a thing, the mysterious person is at least the quasi-primary level!"

Su Lang was surprised, "Also, that unicorn, shouldn't it be yours..."

"elder."

Bi Yelin's voice was cold, "After the elders died, I was banished here. I know this is actually a protection for me."

"That's it."

"This is an extremely sinister place of exile for countless creatures in the boundless universe."

"But for the Tianting Continent, it has become a safer and better place."

Su Lang couldn't help feeling, "I understand how cruel the Tianting Continent is!"

"I will take revenge!"

"In the name of the unicorn, return to the boundless universe, and take revenge!"

Bi Yelin looked up at the sky, with unimaginable hatred and war intent in her eyes.

"It's not easy to return to Tianting Continent."

"Just returning to the boundless universe is very difficult."

Su Lang sighed, "These days, I have searched the turbulent flow of half a place of exile, and I haven't even found one of the curls of Lost Xuanwu."

"You want to find Lost Xuanwu!?"

"That thing hasn't appeared in many times of reincarnation."

Bi Yelin smiled bitterly, "I once hoped to find the Lost Xuanwu, even if it was just a bone."

"Oh?"

"Then you can fulfill your wish now."

Su Lang laughed and took out a bone of Lost Xuanwu from the storage space.

The skeleton of Lost Xuanwu was obtained from Qi Yun's hands.

After refining the gate of exile, there are some left, and Su Lang has been keeping it in the storage space, hoping to use them when refining the gate of reverse exile.

But Bi Yelin looked at the bones in Su Lang's hands, and suddenly looked unbelievable.

"I have said that the Lost Xuanwu has not appeared in many times of reincarnation!"

She smiled bitterly and shook her head, "Okay, don't use a broken bone to lie to me."

"This broken bone is really the skeleton of Lost Xuanwu."

"Do you know why I appeared in the Exile?"

"Because I came on the initiative to find Chu Xiaobei and others."

Su Lang smiled faintly, "These lost Xuanwu skeletons are leftovers when I refine the Gate of Exile."

"You took the initiative to come to Exile! To find your woman?"

"Oh my God, you are the first person I have ever seen to take the initiative to exile, and you are also the person I have ever seen with the most love and justice!"

Bi Yelin couldn't help but exclaimed, "No wonder that cold woman Yuqing is so protective of you."

"I and Yuqing are innocent."

Su Lang shrugged helplessly.

"I understand!"

"The strong, no matter how many women are innocent!"

Bi Yelin smiled, and then took the lost Xuanwu skeleton that Su Lang handed over.

As soon as the bones were started, she immediately felt a little strange.

Bi Ye Rin has handled countless treasures of heaven and earth, but this is the first time she feels this feeling.

"Could it be the power of time!?"

Bi Yelin's eyes brightened, and she immediately focused on investigating.

However, she could only feel the breath of the rules of time, but she could not see, touch, or comprehend it.

"how about it?"

Su Lang asked with some expectation that if Bi Yelin understood the rules of time, she might be able to teach herself.

[Chapter 1666: When there is room for your beak](#)

"No way..."

"The time rule is not something I can explore at all."

Bi Yelin looked sad and returned the bones of the lost Xuanwu to Su Lang.

"You take it."

"I have so many here."

Su Lang smiled and shook his head, not disappointed.

The rules of time are so easy to understand.

At the beginning, he used the 'burning soul' to enter a state of enlightenment, and he didn't get any clues.

"Then I will accept it, thank you, Daoist Su Lang."

Bi Yelin sincerely thanked Su Lang, "Let's go, let's go to the Jade Blood Heaven Treasury and choose the heavenly materials and earth treasures you can use."

"it is good!"

Su Lang nodded, and followed Bi Yelin to a huge floating building in the sky.

quickly.

The two set foot on the ground of the floating building.

"My subordinates have seen the Lord of Qing Ting! I have seen guests!"

A group of Quasi-God-class guards of the treasure house saluted Bi Yelin and Su Lang.

"Get up, go to open the treasure house, I want to get things."

Bi Yelin's expression and voice were very indifferent, like an ice queen.

"Yes!"

A group of quasi-Godless subordinates immediately ran to open the formation and restriction of the treasure house.

Su Lang glanced at him, and he could tell at a glance that these guys weren't human at all.

All of them are monsters with extraordinary bloodlines, so they can cultivate to the level of quasi-no-god.

"Tsk tut!"

"If this is killed, how much material must be obtained!"

"Ahem, these are Bi Yelin's subordinates, forget it."

Su Lang duo glanced at the quasi-godless monsters, and automatically classified them into various materials in his heart.

The formation and prohibition quickly opened a door.

"please!"

Bi Yelin stretched out her hand and invited Su Lang in.

"please!"

Su Lang smiled politely, then walked towards the door of the treasure house.

But at this moment!

"Master of Qing Ting! Wait a minute!!"

An urgent shout came, and then a figure flew in front of Su Lang and Bi Yelin, blocking their way.

Su Lang saw that the visitor turned out to be Mo Kun Qin Chengan!

"Qin Chengan?"

"What's your business?"

Bi Yelin looked at Qin Chengan and asked faintly.

Although she was disappointed with Qin Chengan, she was an old subordinate for many years after all, so she asked him too much.

"Master of Qing Ting!"

"This person is the murderer who killed the elder Jing Yuanbai!"

"Why do you treat him as a guest and bring him into the treasure house!?"

Qin Chengan glanced at Su Lang with a bitter expression on his face, then looked at Bi Yelin with a puzzled face, his face full of disbelief.

Before he had reported the evil case, he had been expecting Bi Yelin to kill Su Lang and avenge Jing Yuanbai and him.

however.

Qin Chengan never expected that he would wait for such a result.

This kind of result, isn't it to tear his wound and then apply salt to it?

He absolutely cannot accept such a thing!

Hearing this, the surrounding quasi-no-God-level powerhouses immediately looked at Bi Yelin and Su Lang with shocked faces.

Jing Yuanbai is one of their strongest veterans in the blue blood sky!

That Su Lang killed the veteran of Jing Yuanbai, but he was regarded as a guest of honor by Bi Yelin, it is unreasonable! ?

"When will the decision I made have room for your beak?"

Bi Yelin frowned, "Qin Chengan, I asked you to guard the station, why did you leave your post without permission."

"Master of Qing Ting!!"

"This Su Lang, he killed Master Jing Yuanbai and insulted his subordinates, let them kneel for him!"

"Didn't you seek justice for your subordinates? Isn't this what is called justice?"

"Master Bi Yelin, what's wrong with you, are you confused by his methods!?"

"..."

Qin Chengan pointed at Su Lang, his face was full of resentment, and his mouth splashed with saliva, and he could not wait to rush to bite Su Lang.

And he said these words.

Those quasi-no-god-class were suddenly even more shocked.

"Oh my God!"

"What the **** happened?"

"Then Su Lang killed the elder Jing Yuanbai and forced the elder Qin Chengan to kneel, while Master Bi Yelin was still protecting him?"

"Is my eyes dazzled or my brain is broken, why do I see some incredible scenes?"

"I suspect I'm dreaming!"

"..."

The quasi-Godless monsters looked at Qin Chengan, Su Lang, and Bi Yelin dumbfounded, and they were about to doubt themselves.

[Chapter 1667: Qin Chengan like a mad dog!](#)

"Master Bi Yerin!"

"It's okay for this son to humiliate me, but he killed our Jie Xuetian veteran, do you really want to be indifferent and even treat him as a guest of honor?"

Qin Chengan gritted his teeth and said, his whole body trembling with popularity.

"Qin Chengan, I know you are puzzled."

Bi Yelin still looked indifferent, "I can explain it to you after the incident."

"Do not!"

"Master Bi Yerin!"

"I want to hear now, why do you treat this son favorably despite the deep hatred?"

Qin Chengan stared at Su Lang with blood-red eyes, looking like a reluctant mad dog.

The other quasi-no-god class also cast suspicious and curious eyes, and wanted to hear what was going on.

"it is good!"

"Since you want to listen now, don't blame me for not saving you face!"

"Qin Chengan, do you know that Jing Yuanbai's true identity is the undercover agent sent by the Palace of Everlasting Sorrow to our Bi Xuetian!?"

"Do you know that you have always been deceived, and you don't even know that the intelligence network you control has been completely infiltrated!"

"Do you know that the information you submitted to me last time was all false!"

Bi Yelin stared at Qin Cheng'an with a cold look, "Do you know that the last time you filed a complaint, I know everything about it!"

A series of rhetorical questions spread throughout the entire treasure house floating islands!

Every time Qin Chengan heard a sentence, his whole body trembled fiercely, and his face was completely covered in horror and disbelief!

And the surrounding quasi-no-god-level listened, and looked at Qin Chengan dumbfounded.

Qin Chengan, a veteran who they respected, worshiped, and regarded as a god, is so unbearable! ?

"Do not!"

"This is not true!"

"Jing Yuanbai is the veteran of Jiexuetian, the veteran who existed when Jiexuetian was founded!"

"How could he be from the Palace of Long Hatred? It's impossible, Master Bi Yelin, don't lie to me!"

"Also, I know my subordinates so well, how can they fool me? They are just a bunch of rubbish!"

"The last time I saw Su Lang, this asshole, I was really humiliated by him. I didn't add any oil and jealousy!"

"..."

Qin Chengan staggered back in disbelief, and defended himself heartbreakingly.

If Bi Yelin's words are all true, Qin Chengan will be ruined immediately!

At that time, no one can afford him in the entire Jade Blood Sky!

Even if he remains respectful because of his strength, he will definitely despise him in my heart!

Just take a look at the few quasi-no-god-level monster guards around you. Their eyes have already flashed with sorrow and disdain!

"I don't want to explain it a second time."

Bi Yelin didn't listen to Qin Chengan's excuse at all, and said indifferently, "Near you for years of hard work and no credit, I won't punish you, let's step back!"

"Do not!"

"Master Bi Yerin, you can't do this!"

"How much I, Qin Chengan, did for Bi Xuetian, you said I didn't have any credit!!"

Qin Cheng'an was full of humiliation, hideously twisted, and pointed at Su Lang tremblingly, "Is he more important than me, this mess?"

Snapped--!!

An extremely loud slap in the face almost spread throughout the entire Jiexuetian!

A group of quasi-god-level guards stared at the scene in front of him dumbfounded, Qin Chengan was knocked to the ground by Bi Yelin's slap!

"Qin Chengan!"

"Friend Su Lang is the alliance of Jie Xuetian, and an existence that sits on the same level as the entire Jie Xuetian!"

Bi Yelin looked at Qin Chengan who was lying on the ground, and said sharply, "If you are rude again, don't blame me for not protecting you!"

"what!?"

"Master Bi Yerin, you hit me!"

"You also said, this dog Su Lang and Bi Xue Tian are on the same level?"

"Just rely on him, can it be that he can kill me with a mere **** that has fallen to the realm!"

Qin Chengan covered his hot face, looked at Bi Yelin for a while, and Su Lang for a while, his eyes were filled with incredible and endless shame!

"call....."

"I said, don't be rude!"

Bi Yelin let out a sigh, slapped Qin Chengan's face again, and directly slapped him out.

In fact, she didn't want to do it anymore, but Su Lang's face was obviously gloomy!

Bi Yelin's slap meant to punish and protect Qin Chengan.

really.

Seeing this scene, Su Lang didn't care.

However, Qin Chengan turned out to be reluctant and flew back like a mad dog!

"Do not!"

"I'm not convinced!!"

"Master Bi Ye Rin, didn't you say that he is on the same level as Bi Xue Tian, I will tear down his skin today, let you see how fragile he is!"

Qin Chengan rushed towards Su Lang frantically, his twisting power was surging, and he looked like he was going to kill him!

[Chapter 1668: Capital crimes are forgiven, but living crimes are inevitable!](#)

"Qin Chengan! Do you dare!"

Bi Ye Lin raised her eyebrows, she must do it on the spot!

"Don't stop him!"

"Didn't he say that I am fragile?"

"I'll let him see who is fragile!"

Su Lang's expression was indifferent, and his tone was faint, and he didn't pay attention to Qin Chengan at all.

Even if Qin Chengan is Mo Kun, the veteran of the Jade Heaven, and the Four Crossing Godless Grade, then what?

In Su Lang's hands at this time, it was a little fish!

"Die to me!!"

Qin Chengan was overjoyed when he saw that Su Lang would not let Bi Yelin make a move, and countless twisting forces condensed, and he was bound to kill Su Lang with one move!

Seeing this scene, Bi Yelin's eyes flickered with cold light, obviously extremely angry!

But Su Lang told her not to do anything, and she couldn't stop it either.

Moreover, Bi Yelin believed that Su Lang's strength was definitely more than what it seemed on the surface.

"Humph!"

"A weak Kun, dare to yell at me to die!?"

Su Lang didn't even bother to move at all. With a move of his mind, endless congenital qi poured into Youtian Sword.

next moment.

A large number of twisting powers of the Wudu level rushed out, like the nine-day galaxy smashed to Qin Chengan!

"The power of Wudu twisting!!"

"How is this possible! He has clearly fallen to Erdu!"

When Qin Chengan saw Su Lang's twisting power, he was frightened instantly.

The previous arrogance and anger had long been thrown out of the sky, and a deep regret rose in my heart!

However, it is too late to regret now!

Su Lang's twisting power directly annihilated his twisting power!

The remaining twisting force is like breaking a bamboo, like a sharp knife cut on Qin Chengan's body!

"Do not!!"

"Master Bi Yerin, help!!"

Qin Chengan felt a strong life and death crisis. He knew that if he didn't beg for mercy, he would really die!

"Friend Su Lang."

Bi Yelin looked at Su Lang and only called out without saying more.

"I won't kill him."

"But the death penalty is exempt, and the living sin cannot escape!"

Su Lang wouldn't let Qin Chengan go so easily.

This weak kun has been forcing Nana in front of him. If Yuqing hadn't stopped him, he would have killed the weak kun and roasted it!

At this time, if you seize the opportunity to do it, how can you stop there!

Bi Yelin nodded after hearing Su Lang's words and stopped intervening.

But Qin Chengan was distorted in the torrent of twisting power, and could not hear the words of Bi Yelin and Su Lang.

He could only faintly see that Bi Yelin only said a word and didn't care about anything.

Suddenly, a more intense death crisis broke out, and even more intense hatred came to my heart!

In an instant.

Qin Chengan was dazzled by anger and resentment!

"Ah!"

"Su Lang, you bastard! Stop it!"

"Bi Ye Rin, you bitch, I have followed you for so many years, you never look at me!"

"When you go out, you will immediately bring back a waste, and keep saying that it is an equal ally, I am!"

"My many years of credit are nothing in your eyes, and you want to indulge others to kill me today!"

"You are all scumbags, men and women, die, die for me!"

"..."

Qin Chengan's face was savage, and his whole person was full of resentment. He howled loudly, cursed loudly, and spoke incoherently, making everyone stunned!

"hiss!"

"The veteran Qin Chengan scolded the lord of Qingting like this!"

"He, how dare he be so rude? I thought he might make sense before I lost it!"

"I also misunderstood this person, Qin Chengan, who is completely a villain!"

"Yeah, they all said they wouldn't kill him, but they just taught him a lesson. He was completely torn apart!"

"Haha, it's all right now. Even if he is killed by Senior Su Lang, Master Qingting probably won't say anything."

"..."

The surrounding quasi-no-god-class and some monsters who were around to watch the play were talking about it, and their eyes were full of contempt and pity at Qin Chengan.

at the same time.

Bi Ye Rin, who was scolded as a bitch, was also completely angry!

Since Qin Chengan ran over to find trouble, she endured it more than once and gave it back several steps.

But Qin Chengan just refused to step down, and he turned his face completely at this time!

[Chapter 1669: Just not in good shape](#)

Really, it's the opposite!

Bi Yelin's eyes were cold, and she looked at Qin Chengan who was screaming indifferently, without a trace of maintenance.

"Insult the Lord of Qingting."

"What kind of sin is it in your **** sky?"

Su Lang clicked the corner of his mouth, looked at the nearby Quasi-Godless Monster Beast, and asked lightly.

"It's a capital crime to tell your lord!"

A monster who had long seen Qin Cheng'an unhappy replied.

"how is it?"

Su Lang turned his head to look at Bi Yelin, "Do you want to make an exception and let him go?"

Bi Yelin was silent for a long while, and said softly: "Spare him, I will expel him from Bixuetian, nothing more."

"it is good."

Su Lang nodded, giving Bi Yelin this face.

After all, Bi Ye Rin hao gave him so many treasures of heaven and earth unconditionally, and there are countless treasures waiting for him in the treasure house.

of course.

Again. Capital crimes are forgiven, but living crimes are inevitable!

With a thought in Su Lang, more and more twisting forces poured out, wrapping Qin Chengan into a huge twisting cocoon!

"Ah! It hurts!!"

Qin Chengan screamed in pain.

He couldn't help but transform into his original form, becoming a giant 50,000 zhang ink dragon, covering the entire sky of the blue blood sky!

Many powerful supernatural powers erupted from Qin Chengan's body!

However, under the influence of a large amount of Wudu's twisting force, it is useless at all!

Qin Chengan struggled constantly, but was imprisoned by the force of distortion, his soul and flesh were distorted, and even turned into blood and soul power to escape!

This is simply the most terrifying torture for a godless class!

"Su Lang!"

"You bastard, you must die!"

"You have the ability to suppress your strength to Sidu level and fight me!"

"With the twisting power of Wudu to bully people, what a hero are you!"

"Dog offal, let me go, men and women, you are all going to die!"

"Bi Yelin, you bitch!"

"..."

Qin Chengan was really incoherent as if he was crazy, constantly verbalizing!

Because he felt he was dead.

Since you are going to die, let out all the unhappiness in your heart!

"sister!"

Mo Lu came to Bi Yelin's side at some point.

Listening to Qin Chengan's abuse, her brows furrowed deeply, and she wanted to close her five senses.

"Let him go."

"After today's affairs, he is no longer my **** person."

Bi Yelin said lightly, "If he dares to commit another crime, kill him."

"Yes, sister."

Mo Lu nodded, meaning to say, "That is...Su Lang?"

"Yes!"

Bi Yelin nodded and smiled, "Our ally, Daoist Su Lang."

"The face looks good."

"It's just that the figure isn't very good, it's too delicate!"

Mo Lu patted his muscled, thigh-thick left arm with his right hand, and shook his head regretfully.

"Uh....."

"You look down on others, and they still look down on you."

Bi Yelin said silently, "Look at your muscles, is it what a girl should have?"

"This is strength!"

"This is called aesthetic!"

Mo Lu snorted, then very narcissistically touching his arms and abdominal muscles.

"..."

Su Lang on the side is really speechless!

When Mo Lu appeared like that, he almost lost his interest in torturing Qin Chengan.

but.

Say you must do it.

At least let Qin Chengan taste what life is better than death before letting him go.

Next.

Under Su Lang's torture, Qin Chengan, who turned into a giant kun, was rotten and cracked, as if he had become a dead fish with skin and bones.

The terrifying power of blood filled the sky, but it made some monsters who watched the show pick up some cheap.

Gradually, Qin Chengan was dying, and no longer had the strength to struggle.

He couldn't even say anything to swear!

"about there."

"After more than ten seconds, he will die."

Su Lang monitored Qin Chengan's state, and put his hand away in a timely manner.

But seeing a large amount of twisting power dissipate, Qin Chengan, who was covering the sky, also crashed down, blood falling from the sky like a waterfall!

"what happened!?"

"He didn't kill me?"

Qin Chengan broke away from Su Lang's claws, and his remaining mentality was filled with disbelief.

[Chapter 1670: I want all these things](#)

"roll!!!"

"From then on, you have severed relations with Bi Xuetian, committed a few more crimes, and died!"

Bi Yelin waved his hand, a twisting force swayed out, and directly flew the horrified Qin Chengan!

In an instant.

Qin Chengan was taken away for billions of miles, and fell to the ground, crushing the mountain range.

In a moment, the flowing blood formed rivers, crisscrossing mountains and rivers.

"I... I really didn't die!?"

"Hahahaha, I'm not dead,ahaha!"

"Doggie Su Lang, **** Bi Yelin, if you don't kill me today, I will come back for revenge one day!"

"..."

Qin Cheng'an's disbelief turned into a surprise, and immediately with endless hatred, he struggled to fly to the middle of the wilderness!

He is going to Changhen Palace, and joins Changhenzi!

In the **** sky.

Seeing a veteran was tortured and expelled from Bixuetian.

Countless monsters sighed and trembling at the same time, reflecting on whether they had done anything wrong.

Those undercover agents from the Palace of Long Hatred, or spies from other forces shivered, for fear that they would be pulled out to tortured to death!

The square outside the Jade Sky Treasury.

"I am sorry."

"Let you experience such a thing as soon as you come."

Bi Yelin took a deep breath and apologized to Su Lang.

"It's ok."

"He has received his due punishment."

Su Lang smiled and shook his head, then looked at Mo Lu, "This is?"

In fact, he had already checked Molu's information with the property panel.

Knowing that this strange girl with a good-looking appearance and an 'explosive' figure is an antler longus with the blood of a black dragon.

"This is Molu, my sister."

Bi Yelin introduced, "This is Su Lang, ally."

"I have seen Senior Su Lang."

Mo Lu bowed to Su Lang solemnly.

Su Lang also smiled in return, and the two sides had met so simply.

"Let's go, it's time to look in the treasure house."

Bi Yelin smiled, "Mo Lu, go ahead and lead the way."

"Yes! Sister!"

Mo Lu had a well-behaved expression. If it weren't for her figure to be too explosive, she was really sweet enough to be human.

Immediately after.

Su Lang and Bi Ye Lin followed Mo Lu into the treasure house of the Jade Blood Sky.

This is an independent space, the space barrier is very strong, comparable to the Wudu Godless-level life universe barrier.

There are countless treasures of heaven and earth in the space.

These treasures of heaven and earth are countless, suspended in a space without gravity, rotating slowly like a nebula.

"Something is messy, please don't mind."

Bi Yelin pointed at all the treasures and said, "If Daoist Su Lang needs anything, you can take it yourself."

"Don't you use these things?"

Su Lang didn't do anything immediately, but asked.

"Yes!"

"We monsters' utilization of heaven, material and earth treasures is horribly low."

"Speaking of alchemy, you can do it, but there is no one who reaches the godless level."

"Speaking of refining tools, we can refining, but we are all refining natal emperor soldiers."

"The biggest effect of getting the treasures of heaven, material and earth is to integrate them into the emperor's army."

"But there are restrictions on the materials that can be incorporated into the real name Emperor Soldier. We have never used these materials."

Mo Lu answered Su Lang instead of Bi Yelin, "So, please use Senior Su Lang."

"I understand."

"In that case, I want all of these things."

Su Lang nodded, then with a big wave of his hand, he put everything into the storage space directly.

The scene was silent!

Bi Yelin and Mo Lu were stunned!

They thought that Su Lang would probably take a part, or a large part?

But he didn't expect that Su Lang would take everything away in one go!

"Any questions?"

Su Lang looked at the two and smiled faintly.

Mo Lu looked at Bi Yelin, his eyes seemed to say, do you want to **** him?

"no problem!"

"Since Daoist Su Lang can use it, that's even better!"

Bi Yelin stopped Mo Lu with his eyes, then nodded to Su Lang.
