Chapter 19: Are you too scared to speak?

"what?"

There was only time for the three of them to flash their thoughts, and Tang Dao came first and slashed at the big sword of the leading man.

"Boom!!"

The invisible huge force was pressed down like Mount Tai, and the sword burst into a huge gap in an instant.

The tiger's mouth broke and the blood was flowing, he staggered back more than ten meters in horror, and sat down on the ground!

Su Lang didn't even look at the big man with flowered arms. He fluttered forward and short, twisted his waist, and Tang Dao's sword light bolted through the waist of Dou Zhong and two people like lightning.

The ferocity of the two in Dou Zhong suddenly solidified, and the two faces were gradually covered with pain and began to twist and deform.

"what!!"

"My X, no more!!"

"It hurts... It hurts! A lot of blood!"

"Do not!"

The two in Douzhong shrank to the ground like shrimps, rolling and wailing.

The women on the side looked at all this dumbfounded, their faces full of disbelief.

The scene as expected did not appear at all, and on the contrary, it turned out that three vicious men were defeated by Su Lang's sword! !

Those three wicked and evil men were defeated!

Fear, shock, doubt, joy and other emotions made the women even wonder what expressions to make.

They stared like this, looking at Su Lang blankly, their bodies trembling, tightening, and convulsing due to the intense emotions!

"It's really noisy!"

Su Lang furrowed his brows and killed both Dou Zhong with a knife.

"How dare you kill my people from the Broken Axe Hunting Group! You are dead!"

The anger in the heart of the flower-armed man sitting on the ground was overwhelming.

The Broken Axe Hunting Group has been in this stronghold for three years, and no one has dared to rush into the stronghold to kill members!

But the person in front of me killed two without blinking, it was really bold and unscrupulous!

"Only you are allowed to kill people from the Broken Axe Hunting Group, and you are not allowed to kill your Broken Axe Hunting Group?"

Su Lang sneered and threw off the blood on the blade, step by step towards the big man with arms, "It's really awesome!"

"Stop! You stop!"

The big-armed man finally panicked, knowing that he was definitely not Su Lang's opponent.

And after the battle for so long, no one came to support it, which means that the people outside must be all over.

At this time, he was left with a member of the Broken Axe Hunting Group in the entire stronghold!

"Why should I stop? Give me a reason."

Su Lang hooked his mouth, his footsteps sounded like a claw hammer, hitting the heart of the big man with a big arm.

"I....."

Faced with the great horror of life and death, a thick fear rose in the heart of the big man with arms.

"Too scared to speak? What a waste!"

As Su Lang spoke, he raised the Tang Sword, the cold light on the blade circulated, like a poisonous snake choosing people to eat.

"wait wait wait!"

The flower-armed man was terrified, and immediately said, "There is a lot of wealth in the stronghold, I know where it is!"

Get used to the life of being at ease and doing whatever you want, how can a man with a flowery arm be willing to die?

"Very well, I only want gold coins and silver coins, say hurry up, don't try to delay!"

Su Lang's words broke a trace of luck in the heart of the big man with arms.

"Okay, I said, all the gold coins in the stronghold belong to Lord Guardian..."

The big-armed man swallowed his saliva, and then said everything quickly.

It turned out that the financial power of this stronghold is in the hands of the quasi-war fighter.

Gold and silver coins were also locked in the huge safe in his room.

A smile appeared on Su Lang's face: "I'm not sure if what you said is true, so..."

"So what?"

The big-armed man had a bad feeling, and he couldn't help but shiver.

Su Lang did not answer, just smiled faintly, and slashed with a knife.

"what--!"

The big man with flowers only felt a cold in his legs, and a sharp pain instantly swept across his body, making him almost unconscious in pain.

"If you lied..."

Su Lang looked condescendingly at the flower-armed man, "I will personally come back and kill you, if you didn't lie..."

Having said that, Su Lang smiled slightly at the sluggish women, "Tie him up. If I don't come back within 5 minutes, he will be handed over to you. If you are lucky today, you can leave this cave alive. "
