[Chapter 191: Let you try again](#)

"Master! Not good!"

The handsome Yue Wu commander in the red robe changed his face and instantly grabbed Cao Zihan by the collar!

"vomit--!"

Cao Zihan was rushing forward, his collar was squeezed, his eyes protruded suddenly, his mouth was open, and his tongue came out!

Such a funny scene, Su Lang watched constantly.

Murong Xianxian, who was so angry, couldn't help but sneered.

Even Lao Li, who was anxious outside the door, showed a weird and surprised smile.

"What are you doing, Commander Yue!?"

Cao Zihan was pulled back by the Yue Wushu commander, his whole popularity was like a toad about to explode!

Just a little bit!

Only a little bit he was able to be crippled that man in front of Murong Xianxian!

But at the critical moment, he was pulled back by his subordinates, and he was so ugly!

This is more than a great shame?

This is a shame!

The insults Cao Zihan has suffered in his ten lifetimes are not as big as this time!

Had it not been for Yue Wushuai who was under his father's command, he would have slapped him!

"Master, listen to me to explain!"

The look of Yue Wushuai was a little frightened, he pointed tremblingly at the pill on the ground, "These pill..."

"What happened to the pill?"

Cao Zihan said with a grim face, "I'm so short of pills? Are you afraid that I will rush to step on it and break it?"

"No, it's not!"

The horror on Yue Wushuai's face became more obvious, "These pills, all...all have the mark of King Jing Qianyi!!"

As soon as he said this, Cao Zihan's expression suddenly changed!

Immediately afterwards, he looked at the pill on the ground in disbelief, and the expression on his face instantly solidified!

He almost grew up taking Jing Qianyi's pill in his entire life.

How can he be unfamiliar with Jing Qianyi's Pill King?

At this time, I took a closer look and immediately recognized that all the pills on the ground were refined by Jing Qianyi!

"This...this is impossible!!"

Cao Zihan stepped back in horror, "How could it be possible that so many pills belong to Master Jing Qianyi?"

Although he is dull, he is not a fool!

Qianyi Pavilion had just been destroyed, Jing Qianyi had just died, and there were so many pills made by Jing Qianyi himself!

what does this mean?

Means that the murderer is here!

And there are only five people here, Murong Xianxian is definitely not, nor is that weak old man!

So...

"You...you are the murderer who destroyed Qian Yige!!"

Cao Zihan looked pale, and looked at Su Lang in horror.

"What murderer, isn't it good to replace the word'hero'?"

Su Lang smiled faintly, "How dirty Qian Yige is, you guys who have taken Ren Dan, should be very clear, right?"

As soon as he said this, he recognized his identity.

Old Li on the side was stunned, his brain blank, and he lost the ability to think.

Yue Wushuai and Cao Zihan had numb scalp and fear.

Whether it was Su Lang's identity or Su Lang's point of clarifying that they had taken Ren Dan, they made them tremble with thunder!

"Gooooo!!!"

Cao Zihan felt cold all over and swallowed hard.

He never expected it.

I used Murong Xianxian and the suspect who wiped out Qian Yi Pavilion to take advantage of this incident, and I actually met the murderer who wiped out Qian Yi Pavilion!

If there is enough power around him, then this is definitely a great achievement.

But at this time, there was only one Yue Wushu commander beside him, and the opposite was the terrifying master who wiped out Qian Yige!

There is no suspense at all in this fight, it's dying!

"What? Wasn't it arrogant before?"

"Not to make me kneel down in the palace? Not to cramp me? Not to make me worse off?"

"Why don't you speak anymore?"

Su Lang's voice was like a cold wind blowing out of an ice cave, and the cold Cao Zihan and Yue Wushuai were trembling!

Cao Zihan turned his stiff head and glanced at Yue Wushuai.

But seeing that Yue Wushuai was also full of fear, and he dared not move, he suddenly became desperate!

"I'm asking you, don't your words count?"

Su Lang stepped forward and sneered again and again, "Or I will give you another chance and let you try again?"

"no no!"

"I know it was wrong, you... don't say it!"

Cao Zihan retreated tremblingly, his pupils shrunk to the same size as Wang Ba's eyes.

"Is it wrong now? It's too late!"

"I said before, give you a chance, if you can't, I will do it!"

Su Lang paced slowly, every footstep sounded like a death knell!

[Chapter 192: I just pick it up if I want](#)

"No, your lord let us go a lot!"

Cao Zihan's legs softened and he knelt directly on the ground.

Shame... fear... regret all kinds of emotions burst out, directly causing him to lose all the thoughts of resistance!

The Yue Wushu commander on the side saw that the young master Cao Zihan knelt, he immediately thumped and knelt humbly on the ground.

Although he was a martial arts commander, even King Dan was killed on the opposite side.

You must know that King Pill's methods are very strange, and there are other powerful guards under his command, but in this way, they are all destroyed by people!

"Tsk tsk, it's a good attitude to admit the mistake."

The corner of Su Lang's mouth twitched, and he said, "Unfortunately, since you have all taken Ren Dan, I will not let you go!

What's more, you dare to insult me, insult Murong Xianxian! "

"Do not!!"

"I'm Cao Zihan, and my father is Cao Zuo, the guard of the Dongfang City Martial Arts Alliance Branch. He is Emperor Wu!!"

Cao Zihan pleaded, "Don't kill me!"

The Thousand Yige incident can be treated as if it had not happened before, and there are still a lot of benefits to be offered afterwards. I just ask you to spare my life! "

"Yes, my lord, please!"

Commander Yue Wu also moved his lips and said with a trembling voice, "You are so young and promising, you are not comparable to Jing Qian.

As long as you release Cao Zihan, Cao Zuozhen will surely turn fighting with you into a jade silk.

At that time, with the help of Cao Zuo's guard, you can also take off.

You can become the lord of a city and enjoy the life of an emperor. Isn't it beautiful? "

"Hehe, what about Emperor Wu?"

"He Cao Zuo is not qualified to help me!"

Su Lang looked down at Cao Zihan and Cao Zihan condescendingly, "Furthermore, Cao Zuo and Ji's family are embarrassed, they are not good birds! How can I go with them?"

"grown ups!!"

The commander Yue Wu exclaimed with fear on his face, "Cao Zuo guards a son like Cao Zihan. If you kill him, you really have forged a vengeance!"

"Yes, my father is just my son, I am very precious!"

There was a glimmer of hope in Cao Zihan's eyes, "You will cause a lot of trouble if you kill me, and there will be a lot of benefits if you let me go!

Whether it is a spiritual stone, a medicine, a weapon, a technique, or a genius treasure, my father will give you what you need! "

"Hey, take you for good?"

"I don't like this method anymore. If I want it, I just pick it up!"

The corner of Su Lang's mouth raised, and he said disdainfully, "Anyway, the branch of the Martial Arts Alliance guards me and I haven't killed it!

Moreover, your father is still in collusion with Qian Yige and Ji's family to harm Dongfang City. Killing is also a good thing! "

As soon as this statement came out, not only Yue Wushuai and Cao Zihan, but even Murong Xianxian and Lao Li were shocked to numb their scalp.

Cao Zuo is a Martial Emperor!

Threatening to kill Emperor Wu, how crazy and overbearing it is! ?

"You...you are determined to kill me!"

Hearing this, Cao Zihan suddenly showed grimness and resentment, "I'll die on both sides, I'll fight you!"

He screamed sternly, and then immediately ran away!

The knowing Yue Wushuai exploded instantly!

"kill!!!"

Yue Wushuai roared.

A radiant and sharp golden sword aura burst out from his body and arrived in front of Su Lang almost instantly.

This is a powerful attack from the metallic power technique.

If it falls on an ordinary military commander, it will definitely be completely damaged!

however--

"Giant Overlord Body!"

When Su Lang thought, his skin instantly became extremely tough, easily blocking the golden sword energy!

Immediately afterwards, he handed it out, the God of War Panlong spear appeared out of thin air, directly piercing the heart of Yue Wushuai!

"Do not!!!"

With a desperate cry of Yue Wushuai, everything in his body was shattered by the terrifying force on the Panlong spear.

"Ding! You get space ring*1, high-grade spirit stone*821..."

A pleasant system prompt came.

Su Lang hooked the corner of his mouth, so he picked up Yue Wushuai's body and chased after Cao Zihan.

At this moment, Cao Zihan was running away desperately.

If he didn't know that he would definitely die if he jumped from the 99th floor, he would have already jumped off the building!

"I don't know how the military commander Yue is, maybe it can take a while!"

"It doesn't matter, I will send a message to my father first, otherwise I will never escape that person's chase!"

As he ran away in a hurry, Cao Zihan looked back with lingering fear, and then immediately took out the Chuanxin jade card from the space ring.

But just when he was ready to send the message.

[Chapter 193: Let's play a play](#)

A figure disappeared in a flash!

Directly crushed the Jade Chuanshi in his hand!

"Who--!!!"

Cao Zihan shouted in despair.

Immediately afterwards, he looked at the figure, instantly horrified, with no expression on his face.

I saw Su Lang standing not far away with a smile on his front, with the corpse of Yue Wushuai on his sharp spear.

The pungent blood ticked down, splashing flowers of blood!

"how is this possible!"

"You... how could you kill Yue Wushuai so quickly!?"

Cao Zihan's eyes were violent, his lips trembled, his body was stiff, and his thoughts were grayed!

"The military commander is nothing but a strong man."

Su Lang curled his lips in disdain, and soon threw Yue Wushuai's body at Cao Zihan's feet.

"Ah! Ah-!"

Cao Zihan was so frightened that he shook his whole body, couldn't stop backing, and then sat down on the ground.

"Next, it's your turn!"

"I'll give you one last chance, what you wanted to do to me before, please do it on yourself completely."

Sen Leng's murderous aura appeared on Su Lang's face, "If you don't die, I can spare your life!"

What did Cao Zihan want to do to Su Lang before?

He wanted Su Lang to kneel down to his palace and get cramps!

At this time, the torture he thought of by Cao Zihan was about to fall on him!

"No, no, please forgive me!"

"I have a lot of money, I will give it to you!"

Cao Zihan was frightened, crawling back with his arms and legs together, uttering an extremely sad pleading.

"Ha ha."

"When I kill you, won't your money be mine? Do you still need to give it?"

Su Lang sneered, "Now, you have given up the last chance, so don't blame me for sending you to see the king."

"No! I do! I do!"

Cao Zihan trembled all over, and hurriedly shouted, "I am from the palace, I have skin cramps, I will do it now!"

Although Cao Zihan knew that cramps from the palace and skin peeling would definitely make him worse off.

But for the hope of survival, he gritted his teeth and accepted it!

but--

"I said, that was the last chance just now."

"Do you think the opportunity I gave is worthless?"

Su Lang sneered, and then shot out!

"Do not!"

Cao Zihan let out the last scream, and his whole body was stabbed by the God of War with the Spear of the Dragon.

"Ding! You get space ring*1, high-grade spiritual stone*1856, middle-grade spiritual stone*25654..."

"boom!"

Su Lang threw Cao Zihan's body on the first place, and immediately released a fire, burning both corpses completely.

Afterwards, Su Lang moved back to the previous room in an instant.

"Master Su Lang!!"

Seeing Su Lang coming back, Murong Xianxian stood up nervously.

"Where is Mr. Li?"

Su Lang looked around for a week and asked.

"I...I sent him to pack up."

Murong Xianxian lowered her head, her expression dim.

Now Wushuai Yue and Cao Zihan died in the Meditation Pill, and she couldn't escape the relationship anyway.

With Cao Zuo's power, it is absolutely easy to destroy her meditation pill.

"It seems that you are planning to escape."

"It's all my fault, you are involved."

Su Lang sighed, then said, "But where can you escape now?"

Besides, there are so many people in Jingxin Danlou, no matter what they say, they must all die. "

"I... I don't know..."

Murong Xianxianyu shrugged his shoulders, and the tears in his eyes seemed to fall off in the next moment.

"How about this."

"Let's play a play, that is—I will take you away!"

Su Lang had a slight smile on his face, "In this way, your Meditation Pills will become victims, and Cao Zuo will not embarrass those innocent people."

"Is that so?"

Murong Xianxian's eyes lit up, and she moved slightly.

"we can only do this!"

Su Lang twitched the corner of his mouth and smiled, "In order to make the play more realistic, we have to kill a few people!"

"Huh? Killing!?"

Murong Xianxian was shocked and quickly stopped, "No, Lord Su Lang, don't kill the people in Jingxin Pill Building!"

"Oh, don't worry, I won't kill the people in Danlou."

"We only need to play a big fight."

Su Lang laughed, "Come out, my actors!"

With that said, seven people with different costumes formed out of thin air around him.

[Chapter 194: Who robbed who hahahaha](#)

"This...this is!?"

Murong Xianxian stared at the seven people who appeared out of thin air, her small faces filled with sluggishness.

"They are all my clones!"

Su Lang ticked the corner of his mouth and collected the pill on the ground, "It's not too late, let's start now!"

"Fun... Clone!?"

Murong Xianxian opened her mouth wide in surprise again.

But before she could ask another question, Su Lang hugged her waist!

"what!!"

An unexpected scream came out, and the figures of Su Lang and Murong Xianxian disappeared instantly.

At the same time, Li Laogang rushed over on the corridor with the packed space ring.

Immediately afterwards, he felt his eyes sway!

"what?"

Lao Li stopped and rubbed his eyes, and looked around, there was nothing.

"Is it dazzled?"

With some doubts, he frowned, and Lao Li continued to walk forward.

But at this moment, he felt a flower in front of him again, and staring at him, Su Lang was standing in front of him holding Murong Xianxian!

Before he recovered, Su Lang suddenly stuffed his mouth with the best healing medicine.

"What is this!?"

Old Li swallowed the pill, his eyes stared, and he was surprised.

"To be more real, I'm sorry, Lao Li!"

Su Lang smiled, slapped Lao Li's chest and abdomen with a palm, and then took away his space ring by the way.

"puff!"

Old Li spit out a mouthful of blood, rolled his eyes and fainted.

"what!!"

Seeing Lao Li vomiting blood and fainted, Murong Xianxian screamed again.

"It's a good name! Let's do it again!"

Su Lang looked at Murong Xianxian with some joy.

If she kept screaming in horror, then this looting scene would be more real.

"What...what!?"

Murong Xianxian said in surprise, "I can't call it anymore!"

"Can't call it? This is not good!"

Su Lang raised his brows and squeezed his hands!

"what!!"

Murong Xian's face was red, and she cried out shyly!

"Isn't that right?"

Su Lang smiled and ran out holding Murong Xianxian.

At the same time, the other seven clones also chased out suddenly.

Not long after, he came to the bottom of the Jingxin Pill Building.

"The front is a crowded place."

Su Lang's expression condensed, "It's time to act in an action scene!"

Immediately afterwards, with a thought in his heart, the seven clones screamed and rushed up.

"Ah!! Die!"

"Let go of the host!"

"Wow, die!"

"..."

The seven avatars show different strengths and besieged!

"Huh! A bunch of scum!"

Su Lang snorted coldly, holding the Dragon Spear of the God of War and the avatars and fought and left.

"boom!"

"Boom!"

The aftermath of the powerful battle quickly spread, and the bottom of the Meditation Pill Building became a mess!

"Robbery!"

"Help!"

A large number of customers and staff of Jingxin Danlou shouted in horror, and began to flee for their lives.

Many of the guards of the Jingxin Pill Building saw Murong Xianxian who was "hijacked", and they rushed forward desperately, fighting side by side with the seven clones, and killing Su Lang!

However, how could they be Su Lang's opponents, one by one, they were all beaten up, blood spurting wildly.

"Sorry, I have already used the least strength."

Su Lang shrugged apologetically, then continued to fight the seven clones at the bottom of the Jingxin Pill Building.

"Ah! It hurts!"

A clone was beaten out and smashed through four or five blocks, and screamed in pain.

Su Lang laughed and threw a fire on the clone.

"what!!"

The clone screamed even worse, and then Su Lang took it back into the mysterious space.

And this scene fell in the eyes of the guards of the rest of the Jingxin Pill, and it became the tragic death of a 'warrior' at the hands of the murderer!

In this way, Su Lang will burn all the clones!

Seeing that the guards of Jingxin Danlou were invincible, they gave up Murong Xianxian and fled!

"Jie Jie Jie Jie!"

"Murong Xianxian belongs to me, whoever robbed him, hahahaha!"

Su Lang rushed out of the Danlou, came to the street and screamed up to the sky, issuing a wild and domineering declaration!

"Help! Help me!"

Murong Xianxian's face was hot, but he had to pretend to be afraid and desperate, shouting for help!

The riots spread quickly across the street!

"Something happened to Jingxin Danlou!!"

"Someone looted the Jingxin Pill Building and also took away the Slender and Slender Host!"

"Oh my God, who is so rampant, follow me and stop him!"

"Quickly, stop him, save the slender poster!"

"Puff... he is so strong, I am not an opponent, withdraw! Quickly withdraw!"

"..."

The enthusiastic crowd on the street rushed up and was beaten back by Su Lang, all blood spurting, and they never dared to come up again.

"Who else!!"

"Hahahaha!"

With a move, Su Lang disappeared into the distance, leaving only a wild laugh!

[Chapter 195: Ten-level one-key martial arts function!](#)

The robbing of Jingxin Danlou quickly spread throughout the streets of Dongfang City.

The story that Murong Xianxian, the famous beauty alchemist and the host of the Jingxin Pill Building, was snatched away in broad daylight also spread to everyone's ears.

For a while, I don't know how many men sighed and gritted their teeth with hatred for the murderer.

At the same time, Su Lang has taken Murong Xianxian back to the underground building of the slum.

Although Ji Ruxue was a little wary of Murong Xianxian's arrival at first.

But after knowing that Murong Xianxian had been entangled by scum like Cao Zihan, she felt very sympathetic, and the vigilance and dissatisfaction in her heart disappeared.

At this moment, Ji Ruxue was chatting with Murong Xianxian.

The two have a pure and kind temperament, and the other has an exquisite heart. They get along very well.

Seeing this scene, Su Lang was also very happy.

Immediately, he turned his attention to the storage space.

Since the eradication of Qianyi Pavilion, he has not stored any spirit stones in the system.

The spoils from Ji Wubo, Ji Hong, dozens of Ji family members, Cao Zihan and others have been piled up into a hill.

"System, deposit all gold coins and spirit stones into the system!"

Su Lang gave an order and all the gold coin spirit stones in the storage space disappeared.

The balance that was originally close to 6 million middle-grade spirit stones has soared to 15.23 million again!

"This is equivalent to 150 million lower-grade spirit stones!"

Su Lang's eyes are bright, so many spirit stones are enough to raise one-key martial arts to level 10!

When the one-key practice was upgraded to level ten, he gained such a powerful function as spiritual practice.

Then the one-click martial arts can be upgraded to level ten, and you can definitely get a strong bonus function!

"I'm really excited!"

Su Lang couldn't help rubbing his hands, "System, upgrade me the one-key martial arts function!"

"Ding! Consume 1 million middle-grade spirit stones, upgrade the one-key martial arts function to level 10, and increase the training speed to 512 times the basic speed!"

"Ding! Congratulations on raising the one-key martial arts function to level 10. You have obtained the new bonus functions 'Three Hearts' and 'Stove Fire Perfection'!"

The wonderful system prompt came, and Su Lang's eyes widened with excitement.

"Lying down!"

"Two bonus functions!"

Su Lang quickly checked the information about these two functions.

And when he saw this, he became even more excited.

The 'Three Heart' function is an upgraded version of the 'Double Heart', which allows you to practice three exercises at the same time.

At this time, a third martial arts villain had condensed in the mysterious space. As long as Su Lang was willing, he could immediately place an exercise technique and start practicing.

This function is very practical, but not very brilliant.

And 'professional in the fire' is terrible!

With this function, every exercise that Su Lang practices can be directly promoted to the Consummation level as long as it takes a little time!

"Go straight to the Consummation Level!"

Su Lang was shocked and even a little lost.

From the time he came into contact with martial arts, he has hardly seen a guy who has practiced the exercises to a perfect level.

This shows how difficult it is to practice one exercise to the Consummation level!

And now, Su Lang only needs to sit back and enjoy his achievements, and he can obtain the Consummation level technique!

"I have practiced nearly a hundred exercises so far, and the mastery level is all entry-level."

Su Lang took a deep breath, "If I raise all of them to the Consummation level, how much do I have to improve my true combat power?"

"I'm afraid... will directly reach the Wuhuang level!"

Emperor Wu, there were only two people in the entire Eastern City.

One is Cao Zuo, guard of the Alliance branch, and the other is Ji Yuan, the Supreme Patriarch who has just left the pass.

You must know that Oriental City is already a first-class city.

From then on, it can be seen that Wu Huang-level is really standing on the apex of Blue Star's pyramid!

But now, this high position became even more accessible to Su Lang.

"However, it takes a certain amount of time to practice an exercise technique to the Consummation level, and I don't know how long this time is."

Su Lang calmed down from his excitement, and immediately moved his mind, placing the first exercise technique "Ghost Moon Sword Technique" on the third martial arts villain.

One second later.

[Chapter 196: The exercises reach Consummation level!](#)

"Ding! The Ghost Moon Blade Technique has reached the Consummation Level!"

"Lying down, you will reach the Consummation level in one second!?"

Su Lang was stunned: "I don't know if all the exercises are completed in one second."

With this question in mind, Su Lang replaced the "Ghost Moon Knife Technique" with the intermediate exercise technique "Mianwu Forging Body Jue".

"Ding! Practice exercises have been replaced with "Mianwu Training Jue"!"

After 5 minutes.

"Ding! Mianwu Body Forging Technique has reached the level of Consummation!"

"In 5 minutes, I will practice the intermediate exercises to the Consummation level. This speed is too abnormal!"

Su Lang was stunned and dumbfounded.

Even a Martial King, it would take several months to practice an intermediate exercise technique to the Consummation level!

Consummation in 5 minutes, this is too abnormal, I am afraid that I will be shocked by the jaw.

"I don't know how long the advanced exercises will take?"

Su Lang licked his lips with excitement.

However, the Chuuxue Wuhentu and Fengwu Taixue Jue that the first villain and the second villain are practicing have not moved up to now, it shouldn't be a few minutes to complete the practice.

"System, how long will it take for advanced exercises to be completed?"

With strong expectations, Su Lang asked.

"Ding, all high-level exercises only need 24 hours to reach Consummation level."

"24 hours, it sounds like a long time, but it's actually too short!"

An astonishing light spurted from Su Lang's eyes.

You should know that the mastery of an exercise method is divided into four levels: entry, small achievement, and great achievement, and perfection.

If there is no such function as 'professionalism'

At 512 times the current practice speed, it takes Su Lang to practice a high-level attribute exercise technique to a small level.

And it takes five or six days to practice it.

It takes more than ten or twenty days to practice to reach Consummation level!

Adding up all the time, it is almost a month!

But now, it only takes a day in total to practice advanced attribute exercises to the Consummation level.

The training speed has been directly increased by 20 to 30 times!

Moreover, this is still a high-level attribute technique. If it is replaced with a high-level ordinary technique, the time for practice will be greatly shortened!

"Tsk tusk, the system is too abnormal for you!"

Su Lang sucked in a cold breath and couldn't help but let out a tusk.

The next few hours.

Su Lang was extremely excited to practice all low-level and intermediate-level exercises to the Consummation level!

Immediately, he immediately opened the property panel.

"Properties panel!"

"All of them are improved!"

Looking at the attribute panel, Su Lang was ecstatic, "Shenzhen level has reached the real Wuwang level!"

The real Wu Wang-level body technique represents that Su Lang's speed has broken through the speed of sound and reached a higher level!

"It is worthy of the Consummation level, the junior and intermediate level exercises have already lost their effect, but now they have used the residual heat again, cool!"

Su Lang smiled happily, and immediately set his sights on the balance of the spirit stone again.

"There are more than 500,000 middle-grade spirit stones!"

Su Lang clicked the corner of his mouth, "System, upgrade the one-key alchemy function!"

[Chapter 197: Cao Zuo in a rage](#)

"Ding! Consuming 100,000 middle-grade spirit stones, the one-key alchemy function has been upgraded to level 6, which can refine the elixir of the king rank and below!"

"It's time to refine the king-tier pill."

Su Lang nodded in satisfaction, and then he muttered, "At present, there are only a handful of Wang Tien medicines I have, and they all come from Tian Xiu.

It seems that we still have to add some pill! "

Thinking of this, Su Lang took out the alchemy classics from Danwangjing Qianyi and began to look through it.

at the same time.

Oriental City Warrior Alliance, Oriental Building.

A strong military commander knelt on the ground in fear and trembling.

"What? Zihan is more ill!?"

Cao Zuo's angry voice came, "Where is Yue Wushuai? What does he eat? Even my son can't take care of him!?"

The anger in Cao Zuo's heart was far stronger than what he showed.

Cao Zihan is his only son!

We must know that the higher the martial artist, the more difficult it is to give birth. It is no longer possible for him to have a son!

If Cao Zihan dies, then he will cut off his sons and grandchildren!

Faced with such a tragic result, it can be said that the mountains and the earth are cracked in his heart.

"Master Cao Zuo... Yue Wushuai... he is probably gone too!"

The strong military commander said tremblingly, "We have already investigated and found two groups of ashes in the Jingxin Pill Building. It is basically certain that they belong to Master Zihan and Commander Yue Wu!"

At that time, there was a robbery in the Jingxin Pill Building. It is said that the young master and the Yue Wushuai happened to be in the Jingxin Pill Building at that time.

I guess they were killed by the strongman who robbed the Meditation Pill! "

"what!?"

Cao Zuo's eyes were splitting for a moment, and his expression was distorted, "You mean, my son is definitely dead!?"

"Gooooo..."

The strong military commander swallowed hard, and said tremblingly, "Yes... it's like this..."

As soon as he said this, Cao Zuo's anger immediately rushed to his head from his chest, making him almost lose his reason!

"what!!!"

"Who dares to kill my Zihan, I will kill you!!!"

Cao Zuo's eyes were blood-red, and he screamed up to the sky, roaring in pain and despair.

The Martial Commander who was kneeling on the ground immediately prostrated on the ground, for fear of being killed by Cao Zuo!

...

After a few minutes.

A large number of powerful people swarmed out, even those who were at their posts were sent out to track down the murder of Jingxin Danlou!

For a time, the streets were full of martial artists from the Martial Arts Alliance.

A large number of people were arrested for questioning, even those who passed by the Jingxin Pill Building that day were not let go.

However, in the end, Cao Zuo didn't get any useful information. He only knew that the murderer might be a young young man.

"Damn! You are all rubbish!"

Cao Zuofa pointed at the eye canthus, cursing like thunder, "There are so many people, you can't find a single murderer, get out, get out of me!"

If it were not for the only trace of reason he had left, he would destroy the entire Eastern Mansion at this time!

At this moment, someone hurried in from outside.

This person is the strong military commander who came to report before.

"Master Cao Zuo!"

"Finally found useful information!"

After the strong military commander came in, he did not dare to look at Cao Zuo's crazy eyes, and directly bowed down and knelt on the ground.

"Hurry up!"

Cao Zuo's voice was as cold as it came from hell.

"My lord, we intercepted some fighting aura!"

The strong military commander cautiously handed over a small bottle, "According to the inference, the murderer is probably the one who killed Qian Yige!"

"Exterminate the people from Qianyi Pavilion!?"

"Kill Jing Qianyidan, and then my son! I will make you regret coming to this world!"

"Send someone to inform Lord Ren Tianfeng in the main city of Blue Star to temporarily block the airport and only allow entry and no exit.

In addition, let all the kings in the city dispatch and search for me based on the breath! "

Carefully feeling the breath in the bottle, Cao Zuo's eyes shot out a strong killing intent.

Immediately after that, he took a step forward, broke through the floor-to-ceiling windows of the room, and rose into the air!

"Spiritual perception!"

A terrifying mental power spread from Cao Zuo's body, quickly covering a radius of several thousand meters.

The military commander who came to report the letter also immediately sent the order.

In an instant, nine Wu Kings from the branch of the Warrior Alliance flew into the sky, unfolded their mental perceptions, and began a carpet search!

[Chapter 198: It's really aggressive](#)

And at this moment.

The Ji family also learned about Cao Zihan's death in the Jingxin Pill.

"Hey, what happened today?"

"My son is dead, and Cao Zuo's son is also dead..."

Ji Ge held Ji Wubo's relic and sighed weakly up to the sky, "Go, send someone to assist Cao Zuozhen in hunting down the murderer!"

He had just experienced the pain of losing his son, so he knew exactly how painful Cao Zuo was.

Especially Cao Zihan is the only son of Cao Zuo!

"Subordinates know!"

A military commander took the order and left.

Looking at the leaving subordinates, Ji Ge sighed again.

It's just that he never expected that the person who killed Cao Zihan, the son of Cao Zuo, was Su Lang, whom he thought had already been punishable!

And this time.

Su Lang is huddling with Ji Ruxue and Murong Xianxian, studying the Dandian.

It was originally seen by Su Lang alone.

But later Ji Ruxue mentioned to Murong Xianxian that Su Lang instantly understood the pill code.

This immediately made Murong Xianxian unbelievable from ear to ear.

Seeing that Murong Xianxue was unbelievable, Ji Ruxue dragged her to Su Lang's side to let her see.

And this insight almost made Murong Xianxian doubt life.

Just as Ji Ruxue said, Su Lang can master the refining methods of all the medicines in any pill code.

In addition, Su Lang, who has the 'synchronization of alchemy', can easily tell the key, principle, technique, etc. of each alchemy step.

Such a perverted 'Alchemy Talent' made Murong Xianxian's face sluggish and his brain blank.

When she recovered, she was convinced by Su Lang's alchemy attainments, and took out her own alchemy to ask Su Lang for advice and study.

And her own talent is also very strong, Su Lang can get through.

Under Su Lang's guidance, Murong Xianxian not only mastered his own alchemy, but also learned a lot of alchemy from Jing Qianyi.

This allowed her theoretical knowledge on the alchemy to almost break through to the realm of the alchemy king!

"Well, that's all about this last alchemy."

Su Lang closed the book in his hand and threw it into the storage space, "If I have time, I will demonstrate it to you myself."

"Thank you Lord Su Lang for your advice!"

Murong Xian bent down and bowed sincerely, her beautiful eyes filled with admiration and excitement.

As for Ji Ruxue, her alchemy foundation is too weak, so she just listened to it for fun.

So she is still ignorant and very cute now.

At this time.

Su Lang's expression suddenly moved.

"What's wrong? Brother Su Lang?"

Ji Ruxue keenly discovered the strangeness of Su Lang.

"They started looking for me."

The corner of Su Lang's mouth twitched, "One martial emperor, nine martial kings, and even the Ji family sent people to assist. Tsk tsk, it's really aggressive!"

"what?"

Ji Ruxue frowned her eyebrows and asked, "What are the nine martial kings?"

"Cao Zuo, as well as the other martial kings of the Oriental City Branch of the Martial Arts Alliance."

The corner of Su Lang's mouth twitched, "I killed Cao Zihan and they came out to find me."

How can Su Lang not be prepared for the movements of the Wuzhe League and Ji Family?

He had already sent a clone nearby for surveillance. How could Cao Zuo and the others be able to hide from him?

"Huh? Cao Zuo was dispatched himself?"

Murong Xian looked worried, "Emperor Wu's mental perception is very strong. We can't hide from him here, what should we do?"

"it's OK."

"The entire Oriental City is so big, they searched inch by inch, and they don't know how long it will take to find here."

There was a trace of disdain on Su Lang's face, "If I mislead them again, they will never want to find us!"

"How to mislead?"

Ji Ruxue blinked her eyes and asked.

"Of course it's a clone!"

A faint smile was outlined at the corner of Su Lang's mouth.

Immediately, he directly sent a clone to a certain Wu Wang who participated in the search, and then dispatched another clone to the airport.

"Humph, want to catch me?"

The corner of Su Lang's mouth twitched, and his eyes revealed evil charm, "Look at how I can make you play around!"

And at the same time.

The sad Ji Ge received an unbelievable news.

[Chapter 199: The good show begins now!](#)

"what!?"

"The one who killed Cao Zihan was the one who killed Qian Yige?"

Ji Ge stared at his old eyes and looked at Chuanxin Jade Plate in disbelief, "But, isn't it Su Lang who destroyed Qian Yige?"

Su Lang personally admitted that Qian Yige was destroyed by him, and he was killed by his father with a mental attack?

People are dead, how could he attack the Jingxin Pill Building again and kill Cao Zihan! ? "

"This is impossible!"

"How could Su Lang not die!?"

Ji Ge trembling fingers sent out a question with the letter jade card.

After a while.

A very affirmative answer came from his subordinates—the one who killed Cao Zihan was the one who killed Qian Yige!

In other words, Su Lang did it!

After getting this exact news, Ji Ge was stunned for a moment.

Su Lang's words kept lingering in his ears.

You can't kill me!

You can't kill me! !

...

"What kind of monster are you——!?"

Ji Ge was very angry and threw the Chuanxin Jade Plate to the ground, and the whole person fell into a breakdown.

After a long time, he stabilized his mind and recovered calm.

"The one who died before must not be Su Lang himself!"

"He is a clone, so he dared to hijack Wubo and break into my Ji's house without fear!"

A cold light flashed in Ji Ge's eyes, "Before Ji Kun also met two people in white robes who can also use Qinglian dragon pattern fire!

Under normal circumstances, the number of clones is definitely not more than one or two. Moreover, Su Lang's clone is so powerful, almost comparable to King Wu!

In other words, this Su Lang should have only one clone, and the other one is his deity! "

After some analysis, Ji Ge became more convinced of his ideas.

"Okay, Su Lang gossip, you are not dead!"

There was a strong sneer on Ji Ge's face, "If you are not dead, I can make you worse than death, in order to sacrifice the spirit of my son in the sky!"

Immediately afterwards, he picked up the jade pass letter on the ground and sent a message to Cao Zuo!

The other side.

Cao Zuo, who received the news from Ji Ge, was also extremely shocked.

"Su Lang...one person can have two clones!?"

Cao Zuo was full of horror, "And it's about the same strength as the deity, both at the Wuwang level! This is really incredible!

While shocked, Cao Zuo also became vigilant.

If the opponent has a clone, it is very likely that the clone will be sent to confuse the line of sight in order to escape!

"Pass the order!"

"City gates and airports, all can only enter but not out, focus on the city gates and the airport!"

Cao Zuo's eyes flashed with cold light, and a strong killing intent appeared on his face, "Su Lang, right? Let me see where you can escape!

When I catch you, I will let you taste all the pain in the world! "

At this moment, the only two exits in Eastern City have been completely blocked.

The air barriers and bans are open all year round, and it is impossible to fly out of the city.

Only the aura airship with a special pass can ignore the forbidden air formation and fly out of the barrier.

Therefore, in the eyes of Cao Zuo, Su Lang is already a trapped beast!

It's a pity that neither he nor Ji Ge can imagine that Su Lang still possesses seven clones of the same realm as himself!

And shortly after Cao Zuo gave the order.

In a dark alley, a man in a black robe, mask and cloak moved.

This person was the first clone that Su Lang sent out!

At this time, Su Lang had already used it perfectly.

"The good show begins now!"

Su Lang ticked the corner of his mouth and walked out of the hiding place.

After looking around, he found a big guy with tattoos all over his face, and when he saw it he was not a good guy and bumped him.

"Fuck you, dare to hit me Hu Hanjiu?"

The tattooed man showed a fierce look and slapped him.

"waste!"

Su Lang stretched out his hand in disdain, and slapped the tattooed man's face first!

The tattooed big Han flew out immediately.

There was a riot around!

"Ok?"

Nearby, King Wu, who was searching for Su Lang with mental perception, found a change here, and immediately checked.

then--

"This fighting breath!?"

The Wu Wang stared at him, and he was immediately madly surprised, "It's that Su Lang! I didn't expect that he would dare to do something with others on the street!

Although it was only a small act, it was exposed, hahahaha, it's really looking for death! "

After the surprise, the Wu Wang did not rashly act, but locked Su Lang's whereabouts, and then quickly sent a message to Cao Zuo!

[Chapter 200: The target is gone!](#)

"Did you find Su Lang's trace on Jiyu Street?"

Cao Zuo looked at the Chuanxin jade card in his hand, and he was suspicious, "I am exposed so soon, I am afraid it is Su Lang's clone!"

However, although I know that this exposed is likely to be a clone.

But after some thoughts, Cao Zuo decided to catch this 'Su Lang'.

For one thing, he was afraid that Su Lang would not play his cards according to common sense, and would do the opposite, disguising his deity as a body.

Secondly, for very special exercises like clones, basically there is the possibility that the deity can be resurrected on clones after life and death.

Therefore, whether it is Su Lang's deity or clone, Cao Zuo will not let go.

"Pass the order."

Cao Zuo's eyes froze, and he issued an order, "Move the first to third kings to besiege Su Lang!"

The rest of Wu Wang, Martial Commander, and Ji's auxiliary staff, all went to the city gate and airport! "

Once the order was given, a large number of people rushed to the direction where Su Lang's clone was exposed.

At the same time, Cao Zuo also rushed to the place where Su Lang's clone was exposed.

As for all this, even though Su Lang could not see it, he could guess it.

"Come on, come on all!"

There was a sneer at the corner of Su Lang's mouth, "Everyone who is pampered, should we exercise?"

Immediately afterwards, he turned and walked into a crowded building.

"Damn it, I entered a place with so many people!"

The King Wu who followed Su Lang frowned, a little irritable.

In order not to startle the snake, he has been monitoring Su Lang with his naked eyes.

If you use the spirit to perceive, the other party is easier to find.

But now, Su Lang has entered a place with such a complicated environment, which makes his surveillance more difficult.

In addition, this building is full of people.

Once you start, I am afraid that many innocent people will die.

In this way, the reputation of the Oriental City branch of their martial arts alliance will be very serious.

"How to do?"

The Wu Wang's face wrinkled.

Afterwards, he sent a message to Cao Zuo asking for countermeasures.

"Watch this building closely!"

"As soon as the other King Wu arrives, leave immediately. As for passers-by in the building, just remind them when they do.

If you didn't escape after reminding you, you can't blame us! "

After receiving the information, Cao Zuo immediately gave a cold and ruthless method.

In his opinion, the lives of some low-level warriors are not worth mentioning!

Even Cao Zuo was ready-even if Su Lang hijacked the entire building, he would never be merciless and kill them all!

"Yes!"

Although King Wu who was ordered also felt that Cao Zuo's method was a bit too cruel.

But he is a subordinate, what else can he do besides obeying orders?

About seven or eight minutes passed.

The other three Wu Wangs have arrived at the building where Su Lang's clone is located.

"let's start!"

The headed King Wu said, "Lock the target, remind people who are irrelevant, and then do it directly!"

"Well, I am more familiar with the target, I will lock him in!"

King Wu who was the first to spot Su Lang nodded, and immediately released all his spiritual power to cover the building!

However, when he conducted a search, his expression changed immediately.

"what happened?"

The headed King Wu frowned and asked coldly.

"It's gone!"

"The target is gone!!"

King Wu's eyes widened in disbelief, with his face greatly changed, "How is this possible, although my mental power does not directly monitor the target.

But it covers all the routes around him. He hasn't appeared at all. How could he have disappeared? "

"what!?"

"He disappeared under your nose?"

"It's impossible, how could it just disappear out of thin air?"

"Yes, if you were in the wild, you might have escaped from the ground.

But in this city, the underground is covered by a counterattack formation! "

"..."

The other three Wu Wangs all stared in disbelief.

At this moment, a stream of light flew from a distance, it was Cao Zuo!
