[Chapter 2341: Seven Emperors Coming](#)

"Ha ha."

"What can I not dare?"

"Don't talk about your natural universe."

"Even you, I want to harvest it cleanly!"

Su Lang smiled coldly, and immediately used the Devouring clone

—He only condenses a trace of the power of the universe, and must swallow the clone to ensure the true eternal power!

And at this moment!

boom!

Boom—!

.....

A series of extremely powerful time and space fluctuations came, appearing seven times in succession!

"Sure enough, it's nearby!"

"After the situation, Yunge, you mess, let me see where you go!?"

"Kill that dog thing and carve up his natural universe!"

"..."

Fengling Zhou Emperor, Zi Xu Zhou Emperor, Xuanyu Zhou Emperor, Taiyuan Zhou Emperor... seven people have descended to Yuanming Universe.

and.

According to the time and space fluctuations of Emperor Yuanmingzhou when he fled, the coordinates where they traveled through the time and space barriers of the natural universe were near the place where Emperor Yuanmingzhou came back!

Almost just arrived.

For these seven Emperors, they saw Emperor Yuan Mingzhou and Su Lang's deity and clone who were fighting.

"what!?"

"What happened? After the situation, that kid Yun Ge is actually fighting with an Emperor Zhou!"

"There is also a Emperor Zhou standing next to him, and he looks exactly like the strange Emperor Zhou who is fighting!!"

"Oh my god, it doesn't seem to be an illusion technique, they really grow one by one, and the aura is the same!"

"Could it be that one of them is not a clone!?"

"..."

When Feng Ling and the others saw this scene, they were astonished and lost their voices, their expressions changed.

"Seven Emperors of the Universe!"

"Four deities of the two universe level, three deities of the one universe level?"

"It looks like they are the people who have been led by me and suffered."

"It's just I didn't expect Emperor Yuanmingzhou to be able to toss so much, and immediately provoke seven eternal realm powerhouses!"

"Fortunately, there is no powerhouse at the level of Three Universes, otherwise I am afraid that I will have to run away this time."

Su Lang looked at Emperor Feng Lingzhou and the others, called up all their attribute panels and read them all over, seeing all their cultivation bases and the techniques they mastered.

at the same time!

"Daoist Xuanyuzi!"

"Emperor Zi Xu, Daoist Fellow of Emperor Taiyuan!"

"I was wrong. I was induced by this person. The misunderstanding was that you were targeting me. In fact, it was this person who was secretly messing with me!"

"The name of this son is Su Lang, he is very weird, and possesses an incomparably terrifying big secret. In less than a day, he has been promoted from half-step eternity to eternal state!"

"He also has a very mysterious black flying squirrel with gold patterns, even in the eternal state, it can't cause damage to it!"

"My fellow daoists, I apologize for the mistakes I made before, and I also ask you to shed light on the past and kill Su Lang with you!"

"Su Lang comes from the boundless universe, Xia Xia is willing to give up the boundless universe and tell you the coordinates"

"There are also three vast continents formed at the beginning of the universe, as well as endless star fields, which can reverse the origin of the universe!"

"In addition, the boundless universe is a separate natural universe, and Su Lang is alone, without any eternal power background!"

"..."

The emperor Yuan Mingzhou uttered a hoarse voice, explaining very eagerly.

He wants to contact misunderstandings.

I also want to unite with Xuanyuzi and others to fight Su Lang!

otherwise.

Even if Xuan Yuzi and others don't do anything, they are afraid that they will watch from the sidelines.

And the explanation of Emperor Yuan Mingzhou came out.

Xuan Yuzi and the others looked at each other immediately.

There were complicated lights in the eyes of the seven people, there were surprises, doubts, disbelief, stunned colors, and greedy lights!

"After the situation, what Yunge said should be true!"

"It is this person who led the situation and that fellow Yunge led his nose, and was also led to wreak havoc in our natural universe!"

"After that, Yunge is wrong, but if the matter of the boundless universe is true, we can kill that Su Lang together!"

"Well, yes, even though Su Lang is extremely weird, he is suspected to have cut himself into two emperors of the same strength with great supernatural powers, but our four great and two cosmic ranks are completely enough to kill him!"

"But just an endless universe is not enough. We should divide a natural universe into another. Although it has been trained by Emperor Yuanmingzhou, it is not bad."

[Chapter 2342: Devouring the clone, the power of the three universes](#)

"..."

The seven Eternal Emperors exchanged in an instant, and negotiated a result.

"After the situation, Yunge!"

"Before you did not listen to persuasion, which caused us heavy losses."

"So, in addition to the endless universe, your ten natural universes, you have to give us seven points!"

"Otherwise, it would not be impossible for us to stand on Su Lang's side!"

Emperor Feng Lingzhou stepped forward, with a sneer in his cold voice.

"I...promise you!!"

Emperor Yuanmingzhou felt extremely painful in his heart.

But there is no way, if you don't agree, you will die immediately!

"it is good!!"

Feng Ling and others looked at each other and laughed.

Immediately after.

The eyes of the seven emperors fell on Su Lang, and the endless killing intent spread over him.

As an eternal powerhouse.

Each of them has killed countless powerful people, and they can add up to countless planets!

Facing Su Lang and Su Lang's avatar, two two universes are eternal.

The seven are full of confidence and know-how!

Clang!

Zhengming!

...

Seven Emperor Zhou with vast aura, one after another took out their weapons.

There are four eternal weapons.

They are the long sword "Zongyu Blade", the long bow "Dongyu Jinxian", Luo San's "Manyu Star", and the Hawthorn "Huanyu Xuanxing Sting"!

The remaining three have not yet reached the eternal state.

But it has also been cast into countless precious materials, and the power is extremely terrible!

"Yo~"

"Are you trying to do something to me?"

"I now give you a chance to disappear from my sight, otherwise, at your own risk!"

Su Lang looked at the seven menacing Emperor Zhou, suddenly raised his eyebrows and sneered.

"Hahaha!"

"What a boastful statement!"

"It's very powerful to think that you are split into two two universes. You must have damaged your foundation. It's really foolish."

"Little bunny, pay your life obediently, the deity will use your body to reinforce the origin of the universe!!"

"..."

Emperor Feng Lingzhou held the Eternal Realm weapon "Man Yu Xing Chen" with a deep grin on his face.

Xuan Yuzi, Zi Xu and others glanced at each other, a trace of thought flashed in their eyes, and finally they chose to do it!

then!

"Success, Su Lang!"

"Don't resist, suffer less flesh and blood!"

"..."

The seven were brandishing weapons, the four of them slew towards Su Lang's trembling clone with Emperor Yuanmingzhou, and the three of them slew towards Su Lang's deity.

"Do it to me? I'm looking for death!!!"

Su Lang's pupils condensed, his complexion sinking slightly, "Start the swallowing clone!"

This time.

He swallowed a total of forty-nine clones, leaving only one clone to die in order to prevent accidents.

Instant time!

The clone that fought with Emperor Yuanmingzhou directly disappeared and was swallowed. Together with the remaining forty-eight clones, it became Su Lang's power.

Rumble!

A breath of incomparable terror erupted from Su Lang.

"what!!!"

"What kind of breath is this!?"

"It should be the Three Universes, the breath of the Three Universes!"

"Oh my God, this is the eternal realm, what secret technique can make him soaring so terrifying combat power instantly!"

"Unbelievable, unbelievable!"

"..."

Emperor Yuanmingzhou, Emperor Fenglingzhou and the other seven people all felt like five thunders, their pupils shrank suddenly, their bodies trembled, their vellus hair stood upside down, and almost their scalp burst! !

The eight emperors of the universe, at this moment, all their brains were blank in shock!

The endless stormy waves in their hearts almost destroy their three views!

Simultaneously.

Su Lang called up his attribute panel.

[Name]: Su Lang

[Race]: human

[Qualification Level]: Turbidity

[Realm level]: Half-step eternity

[Attack Level]: Three Eternity +

[Defensive Level]: Three Eternity +

[Shenfa Level]: Three Universes Eternal+

[Endurance Level]: Three Eternity +

[Spirit Level]: Realm of Universality

[Mastering the exercises]: Infinite Heart Sutra, "Ten Thousand Laws into One: Infinite Profound Meaning" (eternal level, founding)

[Activated system functions]: one-key practice function (level 51), one-key martial arts function (level 51), one-key clone function (level 50)..... (partially omitted)

"Three Universe Level+!!!"

"Hey, see if I don't punch all of your shit!"

Su Lang looked at his attribute panel, and immediately looked at Emperor Feng Lingzhou and the others with a horrified look, with a touch of excitement in his eyes.

[Chapter 2343: Misunderstand a fart, forgive me a fart](#)

And this time.

Emperor Yuanmingzhou, Emperor Fenglingzhou, Xuanyuzi, Zixu and others still failed to suppress the horror and disbelief in their hearts!

Especially Yuan Mingzhou Emperor.

He knew more about Su Lang, knowing that less than a day ago, Su Lang was just a half-step eternity like an ant.

But now.

Su Lang has already become the eternal powerhouse of the Three Universes, surpassing him by a whole small realm! !

Such a thing.

Directly let Emperor Yuanmingzhou doubt life!

He had cultivated for tens of billions of years before he reached his current level.

Where is Su Lang?

It took less than a day!

Thought of this.

Emperor Yuan Mingzhou trembled, almost vomiting blood!

at the same time.

Yuan Mingzhou Emperor, Feng Ling, Xuan Yuzi and other seven Emperors, looked at Su Lang, in addition to shock, there was a hint of fear.

The strongest of them is only at the second level.

Su Lang is the eternity of the three universes.

In the eternal state, the gap of a small state is extremely terrifying.

It's definitely not like the low realm, but all geniuses can leapfrog the enemy.

In the eternal state.

It is almost impossible to leapfrog the enemy.

therefore.

Although they are crowded, they can't afford to fight at all, and they have even developed a desire to escape.

at this time.

"Everyone, why aren't you moving?"

"Aren't you going to kill me, let me give up resistance and avoid the suffering of flesh and blood!"

"Come on, I'm here, come and chop me!"

With one hand on his back, Su Lang walked towards Emperor Yuan Mingzhou and other eight eternal realm powerhouses with a hint of playfulness and sneer on his face.

He walked in the void.

There was obviously no sound.

But in the eyes of Emperor Yuanmingzhou and other eight people.

But there was a huge hammer in his heart, following Su Lang's steps, it hit their hearts again and again!

"Gooooo!"

Xuan Yuzi swallowed secretly and said respectfully, "This... Fellow Su Lang, this fact is a misunderstanding..."

"Misunderstanding!"

Su Lang glanced at Xuan Yuzi faintly, "Just now I was still yelling, wanting to kill me, to carve up my natural universe, and now it's a misunderstanding to me!"

"..."

Xuan Yuzi was so shocked that he couldn't speak.

"Friend Su Lang!"

"This matter is indeed our fault."

The Emperor Zixu Zhou secretly took a breath and stepped forward, "But we only follow the rules of the natural universe, the weak and the strong eat the strong, will we think about you that you shouldn't. This is common sense, please understand... ."

"Excuse me!"

"You follow the rules of the natural universe, the weak will eat the strong, and the fittest will survive, and so do I!"

"I am killing you now, I want to kill you, this is common sense, you have to understand!"

Su Lang looked at Emperor Zixu indifferently, the sneer outlined at the corner of his mouth became more intense.

Suddenly.

Emperor Zi Xuzhou was also speechless and speechless.

"Su Lang!"

"Don't be too arrogant!"

"You have used the secret method now to reach the eternal state of the three universes!"

"Such a terrifying secret method, you will definitely not last long, and soon you will be beaten back to your original form!"

Emperor Yuanmingzhou's expression was gloomy, his pupils shrunk slightly like mung beans.

Immediately after.

"Dear friends of the Emperor Zhou!"

He looked at Xuan Yuzi and Zi Xuzhou Emperor and others, "This Su Lang clearly doesn't want to reconcile, and can only fight one!"

Tying himself to Xuanyuzi and others is the best choice for Emperor Yuanmingzhou at present.

He was not sure that he could escape from Su Lang's hands.

Therefore, it can only add fuel to the fire, making it impossible to reach a reconciliation between the seven people including Xuanyuzi and Su Lang.

otherwise.

Xuan Yuze waited for the seven to leave.

His Origin Mingzhou Emperor is probably about to end immediately.

at this time.

Su Lang wanted to eat everyone in one breath, it was his opportunity for Emperor Yuanmingzhou to win over Xuanyuzi and the others.

"Humph!"

"After the situation, Yunge, it is all because of you that we will offend Fellow Su Lang."

"Otherwise, how could we be against the mysterious and extraordinary Daoist Su Lang?"

Emperor Taiyuan Zhou let out an angry cold snort, and his gaze at Emperor Yuanmingzhou was full of disgust and hatred.

The rest of the Eternal Realm Eternal Emperor also did the same, venting their grievances on Yuan Ming Eternal Emperor.

Especially those three deities are eternal.

Once war starts, they are bound to die!

[Chapter 2344: Return your words to you](#)

"So shameless!"

"There was a bite of the weak in front, and now I blame it again!"

Emperor Yuanming Zhou's red eyes looked at Emperor Taiyuan Zhou, and his teeth were crushed.

at this time.

"Friend Su Lang!"

"Actually, what Emperor Yuanmingzhou said before is also reasonable. Now you have the power of the three universes only after using the secret technique. I don't know if you have a swollen face to fill a fat man."

"Even if your strength is really that strong, we still have a chance to last until the moment when your secret technique is over, when that happens, you will be finished!"

"We are now taking a step back, reconciling thoroughly and never committing each other, how about!?"

Emperor Feng Lingzhou with a gloomy expression stepped forward.

His venomous snake-like eyes stared at Su Lang, and his dangerous gaze flicked between Su Lang's vitals like a knife.

"Hahaha!"

"It's so funny."

"Look at the way I am walking slowly and leisurely now, as if the secret technique time will end?"

"As long as I want to, I can always maintain my current combat power."

"Finally, I have given you the opportunity. You don't cherish it yourself, and you have to do it to me."

"I want to reconcile now, don't you think it's too late?"

Su Lang smiled faintly, facing the entire eight emperors of the universe, it was calm and calm, without any urgency.

"you!"

"Friend Su Lang, do you have to fight us to the death?"

"Do you know why our three Yizhou Eternals dared to form an alliance with Xuanyuzi and the four two Eternals, but are not afraid of being killed?"

"Tell you, we have more powerful natural cosmic coordinates in our hands. Once the eternal power inside knows our coordinates, it will definitely kill you!"

A Yizhou eternal look eagerly said, "Daoist Su Lang, if you..."

"Stop it."

"Do you know the coordinates of their natural universe, do you know the coordinates of my endless universe?"

"Even if Emperor Yuanmingzhou told you the coordinates, do you have a chance to leak the coordinates?"

"Now, I want to return your words to you, so I'll catch it with my hands and suffer less pain!"

Su Lang smiled coldly, and then lightly squeezed his right hand, and the Youtian Sword suddenly appeared!

For an instant.

Another incomparably powerful aura permeated.

The eight people including Emperor Yuanmingzhou felt this breath, it was as if a mouse noticed the breath of a cat, almost exploding on the spot!

"Eternal Weapon of Er Zhou!"

"Although there is something wrong with the breath, this majestic and vastness is definitely the eternal weapon of the Second Universe!"

"This, how is this possible, Su Lang himself hasn't finished reaching the Three Universes himself, and the weapon is also the eternal state of the Two Universes!"

"No, this is not true, it is definitely not true!"

"..."

Emperor Yuanmingzhou and the others stared in disbelief, looked at Su Lang and Youtian Sword dumbfounded, all of them fell into horror again.

The weapon of the Eternal Realm of the Second Universe.

This is definitely only possible with the existence of more than three universes.

These two universes, using their life's hard work, barely created an eternal weapon.

And the Eternal Weapon of One Universe, compared with the Eternal Weapon of Two Universe, is simply vulnerable.

If the weapons and the Youtian Sword in the hands of Xuanyuzi and others were **** the front, they would definitely be destroyed soon!

And just as the eight people including Emperor Yuanmingzhou were dumbfounded.

"Is this scared?"

The corner of Su Lang's mouth raised slightly, and a snap of his left hand snapped his fingers. Soon, the sword of life and the eight-sided shield of the sky appeared.

Suddenly!

The breath of two eternal weapons spreads out again!

"what--!!"

"There are still two eternal weapons, how is that possible!?"

"A strong eternal realm should have only one eternal weapon throughout his life!"

"Fake, it's all fake, it must be some kind of magical magical power of eternity, I don't believe it, I don't believe it!"

"..."

Emperor Yuanmingzhou, Emperor Fenglingzhou and others couldn't believe their eyes, and their three views were also rubbed on the ground!

at this time.

"If you want to be happy, don't resist!"

The corners of Su Lang's mouth raised slightly, and his body instantly disappeared from the place.

When he appeared again, he had already come to Emperor Feng Lingzhou!

[Chapter 2345: Doppelganger, kill me](#)

Among the eight.

It was this Emperor Ling Zhou who was most unconvinced.

Therefore, he is naturally the first to get the sword!

"Do not!"

"help me--!"

Emperor Feng Lingzhou's expression changed wildly, terrified, and his facial features shifted!

however!

The seven people including Emperor Yuanmingzhou took this opportunity to use the technique of natural universe shuttle to escape the Yuanming universe!

In despair.

Emperor Feng Lingzhou was ruthless in his heart and decided to learn from Emperor Mingzhou and destroy the eternal weapon by himself, in order to get a chance!

But just when he was about to destroy his weapon.

"Humph!"

"No one wants to escape today!"

Su Lang let out a cold snort, and a terrifying time-space fluctuation suddenly burst out of his body, instantly disrupting the surrounding time-space.

In an instant!

The time and space shuttle technique of Emperor Yuanmingzhou and others was immediately interrupted!

"Flee to a distance!"

"Escape from his attack range!"

Xuan Yuzi yelled loudly, tried his best, and flew towards the distance!

Emperor Yuanmingzhou and the others followed suit and fled towards the distance.

"you guys!!"

"You must not die!"

When Emperor Feng Lingzhou saw everyone continuing to run away, his heart was desperate, and his liver was splitting!

But at this moment.

"I said that."

"No one wants to escape!"

"Clone dispatch, Xing Cuan Yun He!"

Su Lang smiled coldly, immediately dispatched the avatar and the twin avatars, and activated the Xingcuanyun combination function!

Suddenly.

The fifty avatars are divided into three teams, and each team merges with each other to transform into three more powerful two-plane combat forces.

Fifty twin avatars are divided into four teams, which are also integrated with each other, turning into four eternal powers beyond the ordinary two universes!

then!

A total of seven eternal clones of Er Zhou, far superior to the same level, have arrived!

They surround this battlefield.

The extremely terrifying aura moved towards the suppression in the middle, and the void oscillated at this moment, as if the natural universe were about to collapse!

The Emperor Yuan Mingzhou and others were once again caught in a more violent shock! !

"Seven Two Universes Eternal!"

"Every one is far beyond us, and has even touched the eternal bottleneck of the Three Universes!!!"

"They look exactly the same as Su Lang, they are Su Lang's clones!?! No, this is impossible! This is not true, there can be such incredible things in the endless natural universe!"

"Fake, everything is fake, it's my nightmare!"

"It's over, everything is over, we are dead!"

"Friend Su Lang, his men are merciful, the old man is willing to hand over five natural universes!"

"..."

Seven people, including Yuanmingzhou Emperor, Xuanyu Zhou Emperor, Zixu Zhou Emperor, and Taiyuan Zhou Emperor, all trembled with fear, their hairs were standing upright, and they felt that the crisis of death had completely enveloped them!

Although everyone is a very powerful Emperor Zhou.

They are invincible in one or even several natural universes.

They are aloft, overlooking everything.

but.

The higher you stand and the longer you live, the less you want to die.

They are reluctant to rule over all beings.

As long as there is hope of survival.

Not to mention surrendering the natural universe, even if they let them bow their heads, they are willing!

but.

Su Lang would not accept their terms.

He would not believe these old foxes!

"The avatar listens to the order, kill me!"

Su Lang's thoughts moved, and the seven avatars immediately started to work together, condensing an extremely powerful sword out of thin air!

Zheng—! !

The sound of swords shook the void of the universe.

The extremely sharp and sharp aura directly tore through the void that had been around for dozens of light years!

"This son won't let us go, we can only fight together!!"

Emperor Yuanmingzhou roared and flew towards the nearest Emperor Xuanyu Zhou, who also thought the same way, and flew towards Emperor Yuanmingzhou.

however!

"Yi Nian·Fengtian!!"

With a thought in Su Lang, together with the Seven Stars Cuanyun He clone, he instantly opened the Nianfeng Space, and pulled his opponents into it!

In an instant!

The eight emperors are separated directly!

Even if they seem close to each other.

In fact, it has been completely separated by the Nianfeng Space, and it is impossible to fight together!

and.

It is not just the eight emperors who are separated.

There are also four eternal powers such as Emperor Feng Lingzhou and their eternal weapons!

[Chapter 2346: Kill the first eternal emperor](#)

Weapons and weapons are transformed into flesh and blood, even if they are special creatures.

When you reach the eternal state, you can be regarded as an independent and special creature, and will naturally be separated by the Nianfeng Space!

"It's over!"

"All separated!"

"My weapons, weapons have been separated!!"

"This, what kind of supernatural power is this, it is so strange!"

"..."

Emperor Feng Lingzhou opened his mouth and looked at the gray world around him.

Looking at the eternal realm weapon "Man Yu Xing Chen" that lost its color and wandered anxiously in the void.

Looking at himself and Su Lang, who are only in color, the whole person is terrified and desperate!

"Before you dared to stare at me like a poisonous snake, so courageous."

"Why have you become so timid now? What about you, why shake, sift the chaff?"

Su Lang looked at Emperor Feng Lingzhou, who was trembling slightly, with a hint of playfulness on his face.

"you!"

"Don't come here!"

"I, I am also an eternal two universe, be careful that I die with you!"

"Don't look at you as the Three Eternal Eternity, you just used the secret method to temporarily achieve it!"

"What's more, if you can't kill me, I will be resurrected in my universe, and then you will have one more enemy hidden in the dark!"

"You let me... let me go, I can give you seven natural universes, and I can tell you the coordinates now!"

"Let me go!!"

"..."

Emperor Feng Lingzhou shouted hoarse, almost incoherently roared, like a pig about to be killed.

"Ha ha!"

"The coordinates of the natural universe?"

"I don't know which of your natural cosmic coordinates!?"

Su Lang looked at Emperor Feng Lingzhou in front of him, and the corners of his mouth had a hint of playfulness. The eternal state's abnormal supernatural power "He Xintong" has quietly unfolded!

And he said this.

"what?"

"He knows the coordinates of all my natural universe!?"

"How is this possible, impossible! When have the coordinates of my natural universe leaked?"

Emperor Feng Lingzhou immediately stared, showing a look of surprise.

For the emperor of the eternal realm.

The natural universe is the most important thing besides eternal weapons.

Because it is very important, always pay attention to it, and information about the natural universe can easily come to mind.

therefore.

Suspicious occasion.

Instinctively, a few thoughts flashed through Emperor Feng Lingzhou's mind, it was his coordinates in the natural universe!

And these few thoughts were immediately caught by Su Lang, who used his heart to know.

"Ha ha!"

"How can it be impossible?"

"Listen, the first one is your Fengling Natural Universe."

"Take Yuanming Universe as a reference point, and its coordinates are ***!"

"In addition, there are seven natural universes, each in...!"

Su Lang looked at Emperor Feng Lingzhou in surprise, with a playful smile in his eyes.

"what!!"

"what?"

"You actually know the coordinates of my natural universe, it's impossible, impossible!"

"Could it be... can you see through my thoughts directly!?"

"No, this is not true!"

"..."

When Emperor Feng Lingzhou heard Su Lang finished his natural cosmic coordinates, he almost collapsed!

"Hahaha."

"Everything is true, but you can't accept it."

"Alright, Emperor Feng Lingzhou, let's get on the road!"

There was a sneer at the corner of Su Lang's mouth, and the Youtian Sword in his hand suddenly pierced out, "Breaking a sword—!!!"

Stabbed! !

The rich cosmic power turned into an incomparably terrifying sword intent and hovered on the Youtian Sword, instantly piercing Feng Lingzhou's forehead!

"puff--!!!"

When the sharp blade penetrates into the flesh, the Youtian Sword is triggered by the characteristic of breaking the defense and death.

Emperor Feng Lingzhou's pupils trembled and suddenly lost his light!

"Ding! You get Eternal Soul*1, Eternal Dao Crystal*1, Eternal Life Universe*1, Eternal Body*1, One Universe Eternal Weapon'Manyu Stars'*1, Universe Origin*5366, Eternal Realm Material Omen Star Heart*2, too elementary material..."

The system prompt sounds.

This is the funeral bell of Emperor Feng Lingzhou!

Represents his complete death.

What resurrected, what became Su Lang's hidden enemy, is a complete joke!

[Chapter 2347: Six eternity](#)

"So many good things, don't poke needles!"

Su Lang's gaze fell into the storage space, and a very satisfied smile was outlined at the corner of his mouth.

Immediately after.

He also noticed the eternal realm weapon'Manyu Stars'.

The spirit of this weapon was very loyal to Emperor Feng Lingzhou, and there was no use for keeping it.

So it is best to break it down!

"system!"

"Start the one-click decomposition function!"

Su Lang thought, and the power of decomposition descended on the body of Manyu Star.

This eternal weapon can't even resist, it will be directly restored into countless treasures of heaven and earth!

"The one-click decomposition function is really abnormal."

"Even the weapons of the Eternal Realm can be broken down instantly!"

Su Lang thought very happily, and then looked at the rest of the Emperor Zhou.

After Shi Ji saw through the natural universe coordinates hidden by Emperor Feng Lingzhou.

He immediately asked the clones to use similar methods to induce the emperors to recall their own cosmic coordinates.

of course.

Except for Emperor Mingzhou.

This guy knows the practice of 'Hexintong', and he even snatched it from Mi Ling bald donkey.

but.

Su Lang didn't need to use his heart to deal with him.

Anyway, all of his natural universe has long been exposed.

at this time.

The great cosmic emperors were separated by the airspace, unable to transmit messages to each other, so they could not receive the reminder from the emperor Yuanming.

And all of Su Lang's major clones possessed very high intelligence, so it was not a problem to use the trick of inducing.

therefore.

Soon all the great emperors were recruited!

Not only their own natural cosmic coordinates are all known to Su Lang.

There are also natural universes that the emperors of the universe know about yet to hunt.

At last.

Even those three Universe Eternal Realms used as hole cards, the more powerful natural cosmic coordinates, were also known by Su Lang.

"All the coordinates of the natural universe that these Emperors have grasped are now available."

"In this case, they have no need to live."

"Everything, kill people other than Emperor Yuan Mingzhou!"

A faint light flashed in Su Lang's eyes, and he gave orders to the clones.

Suddenly!

A horrible Xing Cuan Yun He clones all hands together.

"No, don't kill me! I am willing to surrender!"

"I give you the coordinates of the natural universe, that natural universe has not been hunted by anyone!"

"Ah, I fight with you, if you want me to die, I won't make you feel better!"

"Kill, kill, I will kill you!"

"..."

Xuan Yuzi and the six others felt the more and more intense death crisis, and they suddenly felt desperate.

Then came the different reactions of each person.

When desperately resisting.

Some try to negotiate, and constantly make concessions, wanting to ask for a chance.

Some are desperate.

But no matter what kind of reaction, it is futile!

The stars Cuanyunhe clone is powerful, and fights all the Emperors one by one!

"The battle must be ended as soon as possible."

Su Lang's eyes flickered.

He and the clone are magnificent, but in fact the power of the universe is limited, because there are too few complete crystal wall universes.

So once the battle starts, it is better to fight quickly.

at this time.

Su Lang's figure flashed, and he appeared next to Xuan Yuzi instantly, and the Youtian Sword was severely cut out in his hand!

"Boom boom!"

Outside the Nianfeng space, Xuanyuzi's eternal weapon Zongyu madly attacked the Nianfeng space barrier, causing ripples.

Zongyu Blade Tool Ling extremely anxiously wanted to support Xuan Yuzi.

But he could only watch Su Lang's sword pierce Xuan Yuzi's throat, and blood suddenly appeared! !

The next moment.

An irresistible force descended on Zongyu Blade and directly collected it into Su Lang's storage space.

At the same time enter the storage room.

There are also the eternal body, the eternal soul, and the eternal Daojing...

Everything is clearly arranged by the perfect plunder function!

Immediately after.

Su Lang thought.

The Xing Cuanyun He clone started again, and the idle clone merged with the other clones to become more powerful!

Suddenly.

The three eternal realm of one universe fell into the hands of Su Lang clone.

Three system prompts sounded, announcing that they were finished.

then.

It is Emperor Zixu and Emperor Taiyuan.

These two two universes are eternal, and they can only be killed by Su Lang in endless despair!

Maybe they still have the idea of resurrection.

But that's all dreaming!

It takes less than ten breaths.

In the battlefield, apart from Su Lang and the clone, only Yuanmingzhou Emperor Kuanghou Yunge remained.

[Chapter 2348: Kill you directly, it's too cheap for you](#)

At this moment.

The clone of Emperor Mingzhou also stopped attacking.

In this way, the Nianfeng space was maintained, not allowing Emperor Yuan Mingzhou to run away.

"Death... is it over?"

"I am the only one left?"

"Impossible, this is impossible, how could it be so fast!!"

"This is not true, you, how could you be so strong, that is the seven eternal!"

"..."

Emperor Yuanmingzhou's expression was stiff, his pupils trembled and looked out of the Nianfeng space.

Although the space outside Nianfeng was gray, it did not prevent him from seeing Xuanyuzi and others fall into Su Lang's hands one by one.

He knew it was in Su Lang's hands.

If you and others are separated, you will die.

But still did not expect that death would come so soon!

"Emperor Yuan Mingzhou."

"Now, how do you feel?"

Su Lang waved his hand to make the clone cancel the Nianfeng Space, and looked at Emperor Yuan Mingzhou with a smile on his face.

Simultaneously.

All the avatars and the twin avatars merged into one, forming two three-planet-class star Cuanyunhe clones!

"what!!"

"Are there two Three Universes again?"

"What the **** is this, how can there be such an outrageous thing under the world!"

"..."

When Emperor Yuanmingzhou saw Su Lang's two eternal clones of Sanzhou, Sanguan suffered a terrifying blow once again.

The deity can use the secret technique to reach the eternity of the three universes is very unreasonable, okay.

Special.

The avatars can also merge with each other, and they can also become the eternal existence of the three universes.

This is no way to survive!

The Three Views suffered from friction.

Emperor Yuan Mingzhou also had a deep despair in his heart.

Facing Su Lang's eternal clone of the Second Universe, he still couldn't defeat it.

In the face of Su Lang's deity and the two eternal clones of Sanzhou... he already wanted to commit suicide.

unfortunately.

In front of Su Lang, it is impossible for him to commit suicide!

"Desperate?"

"Emperor Yuan Mingzhou?"

"You who hunted multiple natural universes, didn't you expect that your own will end up now?"

Su Lang looked at Emperor Yuan Mingzhou who was extremely horrified and desperate, and a slight smile was drawn at the corner of his mouth.

"Su Lang..."

"The winner is king. If you win, you must kill as you please."

Emperor Yuanmingzhou felt that he had suffered a great insult, his face was blue and red.

"Of course I want to kill you."

"It just killed you directly, it's too cheap for you."

"I said at the beginning that for the crime you committed against the Infinite Universe, I want you to repay it thousands of times!"

"The price you pay now is not enough!"

The more Su Lang said, his tone became more indifferent and cruel.

"you!"

"Don't deceive people too much!"

"I am also a strong eternal realm, you can't treat me like that!"

Emperor Yuan Mingzhou heard Su Lang's words, and suddenly hated and feared.

The eternal realm martial artist has almost an endless life span, unless it is beheaded, it is almost immortal.

But if it is tortured.

Will continue to suffer forever!

The almost endless life span will make the torture even more terrifying!

"Humph!"

"Now you fall into my hands."

"I can deal with you as I want to deal with you!"

Su Lang smiled coldly, the pupils in his eyes suddenly dispersed, turning into two black vortexes!

Simultaneously!

Doppelganger is the same action!

In an instant.

The void behind the heads of Su Lang and the two avatars silently tore out two long narrow rifts.

Immediately after.

The six long and narrow cracks suddenly opened, turning into six extremely huge eyes of terror!

This.

It was Su Lang, one of the magical powers that was pushed to the eternal state by the 'Top of Cultivation Technique', 'Reincarnation Immortal Eye', a magical ability specially used to torture people!

The reincarnation fairy pupil of the eternal realm has already raised countless levels of power.

This exercise is inherently all-encompassing.

At this time, under Su Lang's control, a variety of terrifying torture methods were integrated, specifically targeting the soul and body of the eternal realm!

Even if it is tortured in the eternal state, it will be like ordinary people suffering endless torture, painful and wanting to live, life is better than death!

Besides!

Now it is Su Lang and the two Xing Cuanyun avatars performing at the same time!

The reincarnation fairy pupil appeared.

The six giant eyes of reincarnation suddenly turned the surrounding tens of thousands of light years into a **** and terrifying illusion.

[Chapter 2349: Unearth the secrets of Yuan Mingzhou Emperor](#)

And this is an illusion that incorporates the Avenue of Time!

The torment of Emperor Yuanmingzhou in the illusion, the outside world only took a breath, a long time has passed inside.

at this time.

In the illusion of reincarnation fairy pupil.

The various cruel methods that Su Lang mastered were embodied as various cruel instruments of torture.

These instruments of torture had a hideous face and a perverted laughter, which fell on Emperor Yuanmingzhou one after another.

In an instant!

"what--!!"

"Let go of me, let me go!!"

"Su Lang, you asshole, you kill me!"

"....."

Emperor Yuanmingzhou felt the pain from the depths of his soul and body.

Even though he has experienced countless battles, he who has long been unfazed by ordinary pain, he can't stand it at all!

The scream of Emperor Yuanmingzhou.

Su Lang was not moved at all, just watched coldly.

of course.

He did this not just to vent his anger.

After all, Su Lang and the clone do not have much power in the universe. If it hadn't had a purpose, he would have killed Emperor Yuanmingzhou long ago.

As for the purpose?

It's to get more from Emperor Yuanmingzhou, something you can't get even if you kill him

—The secret in his mind!

Ask directly, the emperor Yiyuan Mingzhou's arrogance must not say anything.

This requires his Xintong.

But Emperor Yuanmingzhou knew the existence of 'Hexintong'.

Even if he didn't think that Su Lang could finish the training in such a short time, he would instinctively cover up the thoughts in his mind.

Because his heart communication is really abnormal.

Anyone who knows the existence of this kind of thing will be more vigilant.

Therefore.

Su Lang wanted Emperor Yuan Mingzhou to lose this vigilance.

The method is to torture Emperor Yuan Mingzhou and make his emotions become excessive. In this way, the heart of defense will be reduced!

When the time comes, you can use his Xintong, you will see more and more fidelity.

of course.

If the plan fails.

Su Lang also has other methods, such as the soul search technique in the eternal realm!

Although the information obtained by that method is very messy and incomplete, it is more troublesome to organize, but it can also be used.

At this moment.

Emperor Yuan Mingzhou has fallen into Su Lang's reincarnation for dozens of breaths.

But the feelings of Emperor Yiyuan Mingzhou had already passed dozens of hours.

"Su Lang, you bastard!"

"Kill me! Kill me! Give me a good time!"

"..."

In the illusion of reincarnation fairy pupil, Emperor Yuanmingzhou roared frantically, like a beast with blood-red eyes and about to lose control.

The pain of torture does not only come from the severe pain of the body and soul.

There is also endless shame, unwillingness, resentment from my heart...

"Ok."

"almost."

"A little longer, the emotional numbness is not good."

Su Lang faintly overlooked the illusion of reincarnation fairy pupils, and immediately stepped forward to the front of Emperor Yuanmingzhou.

"Su Lang bastard!"

"You must die, you will die worse than me!!"

"Not only you, but also your relatives, your companions..."

Emperor Yuan Mingzhou looked at Su Lang who was close at hand, but had no choice but to curse a bitterly.

"Ha ha."

"Emperor Yuanmingzhou, if you want to die with dignity."

Su Lang twitched the corner of his mouth and smiled coldly, "Then confide all the secrets you know."

This statement came out.

The emperor Yuan Mingzhou, who was already very emotional, immediately appeared in his mind some secrets he knew.

"how about it?"

"This deal is pretty good, right?"

"Compared with endless pain, death is easier and more dignified, isn't it good?"

Su Lang saw what Emperor Yuan Mingzhou was thinking, a smile flashed in his eyes, and continued to ask.

"Humph!"

Emperor Yuan Mingzhou snorted coldly, and a trace of hesitation and a little light flashed in his eyes full of pain and resentment.

He was hesitant to tell Su Lang the secret in his mind.

While hesitating.

Those secrets were already circling in his mind.

then.

Su Lang once again saw more secrets that Emperor Yuanming Zhou had.

One of them surprised him!

"okay."

"Since you don't want to say it, forget it."

"The opportunity was given to you, you are useless, don't blame me."

Su Lang suppressed the surprise in his heart, sneered at Emperor Yuan Mingzhou, and prepared to leave.

He had dug up the secret of Emperor Yuanmingzhou, and he didn't want to waste any more time.

[Chapter 2350: But you met me](#)

"I say!"

"I know some secrets."

"For example, in addition to the endless universe, I also know the coordinates of a natural universe that has not been hunted. The location is..."

"..."

Emperor Yuan Mingzhou showed a trace of eagerness, and immediately said anxiously.

however.

"Ha ha!"

"The coordinate you mentioned is the Universe White World!"

"Give me the coordinates of the Universe White Realm, do you want me to fall into it by mistake?"

Su Lang sneered and interrupted Emperor Yuan Mingzhou. Through his heart communication, he had seen through Emperor Yuan Mingzhou's lies.

The so-called Universal White World.

It is a kind of void formed between many barriers of the natural universe.

Because the natural universe is not close to each other.

It is equivalent to four floors on the ground splicing each other, but a hole is left in the center, that is, the white world of the universe.

The Universe White World is very scary.

After entering the weak eternal level, it will fall almost instantly.

The powerful eternal realm, even if you can immediately escape the universal white realm, you will lose half your life if you are not dead, and you will not be able to recover after countless years of cultivation.

Therefore, even the eternal realm might not dare to shuttle through the space-time barriers of the universe at will and explore unknown coordinates.

"what!"

"You, how could you know that the coordinates are the white world!?"

"That's the coordinates that only I know!"

"You, you, have you mastered the mind-pass of Mi Ling Buddhism!?"

"No, it's impossible, but that is also very powerful in the eternal realm. How can you master it in such a short time!?"

"..."

Emperor Yuanming Zhou looked at Su Lang in disbelief, couldn't believe his ears!

He knew he was bound to die.

Before he died, he wanted to entrap Su Lang.

However, he never expected that Su Lang would have mastered his mind! ?

It should be known that after he obtained the "Hexintong" exercise from Monk Mi Ling, he had studied for more than a billion years, but he couldn't even get started!

but.

Su Lang actually mastered it!

This immediately made Emperor Yuan Mingzhou horrified to wonder if he was a waste.

"very sorry."

"If it is someone else, then they really can't master his heart in such a short time."

"But you met me, Su Lang!"

"I have mastered his mind, and torturing you only arouses your emotions and makes you relax your guard."

"Now that I know all your secrets, you can go to death."

"Are you surprised at the thought that you can die right away?"

Su Lang looked at Emperor Yuan Mingzhou faintly, and a strong playfulness was outlined in the corner of his mouth.

"Do not!"

"Impossible, you can't do it!"

Emperor Yuan Mingzhou was shocked, his eyes dark but desperate!

He was played between the palms of his hands by Su Lang, then defeated, and finally played him again, squeezing all the value in him!

"Tsk tsk."

"Take up the courage to face the cruel reality!"

Su Lang smiled and shook his head, and immediately said, "By the way, I also prepared a gift for you."

Talking.

He waved his hand.

A clone suddenly appeared beside him, releasing a woman from the universe of life.

This woman is the immortal Emperor Ru Yanran.

"Your Majesty Yuan Mingzhou!"

Seeing the current situation of Emperor Yuanmingzhou, the immortal Emperor Zhou suddenly burst into a strong shock and disbelief in his numb eyes.

She knew that Su Lang had become very strong.

But I never expected it.

Su Lang even completely defeated Emperor Yuan Mingzhou in the blink of her eye!

She stayed in the land of exile, really is a blink of an eye!

"Ru Yanran..."

When Emperor Yuan Ming Zhou saw Emperor Immortal Zhou, a trace of complexity flashed in his eyes.

Half-step eternity looks like an ant in his eyes, Ru Yanran is a little special, but still can't get him to get his eyes straight.

And now.

He and Ru Yanran are both ants.

The ants at Su Lang's feet!

"See how kind I am."

"Let you die, you can die neatly and reunionly."

The corner of Su Lang's mouth raised slightly, and the Youtian Sword in his hand was suddenly raised and severely cut down!

puff--!

The terrifying sword light penetrated the immortal Emperor Zhou directly.

Suddenly.

The emperor Zhou stiffened, and his body disappeared!

"Ru Yanran..."

Emperor Yuan Mingzhou called out again, a trace of pain flashed through his eyes.
at this time.

Su Lang raised the Youtian Sword again, and gave it lightly with his right hand.
