[Chapter 2511: Kill two eternal seven universes with one sword](#)

"Emperor Xiuyu Zhou, die!"

Su Lang's voice came from the Infinity, "The world is dying, breaking a sword!!!"

The rumble sound was like thunder.

It is shocking the universe like a sea of stars tsunami!

As soon as this low shout appeared, the Youtian Sword like a galaxy waterfall had been pierced down!

In an instant.

Countless black space cracks were cut out by Youtian sword, like black thunder lingering on the sword body!

The countless defensive barriers in front of Youtian Sword shattered like bubbles, without resistance.

In an instant.

The tip of the Youtian Sword slammed directly in front of the eight members of the Xiuyu faction!

"Block it!!!"

Emperor Xiuyu Zhou only felt that a terrifying crisis had come, and instantly his hairs stood upright, screaming!

The remaining seven people were also outrageous, their hands and feet were cold, and they felt that this sword could not be resisted at all!

"Ah!"

"The secret of life!"

The elder Jing Zhi showed his eyes and revealed the cruelest secret technique at the cost of everything except his fate!

However, he saw the nearly ten thousand gai crystal wall universe in his body instantly collapsed, and countless creatures within it turned into ashes!

All the power was attached to the Five Eternal Emperor's Arms by him, and the weapons exploded!

The light that bloomed at this moment.

It's brighter than a million suns exploding at the same time!

The region of countless light years was irradiated to lose all its color, leaving only a piece of snow.

All the creatures in this area were blinded by blindness, the souls were severely injured, and the creatures that fell on the spot did not know how many trillions!

The center of the battlefield.

Seeing that Jing Zhi displayed defensive means almost at the expense of life.

The emperor Xiuyuzhou and the others were sad, but the panic in their hearts was still unabated!
so horrible!

The power of Su Lang's sword has far exceeded their expectations!

Even if Jing Zhi sacrificed so much defense, they didn't have much confidence.

Can you stop it! ?

The emperor Xiuyu Zhou and the others have a hideous face, while performing more explosive secret techniques and deploying stronger defense methods, they retreat!

Immediately after.

They saw the cascade-like sword body of the Milky Way suddenly penetrated through the incomparable light group, and instantly pierced Jing Zhi!

Under the giant Youtian Sword.

Jing Zhi is like an ant nailed to the tip of a long sword, insignificant and pitifully weak.

Wow!

The Youtian Sword that pierced Jingzhi carried the remaining horror, tearing apart time and space all the way, bringing countless visions, and killing Xiang Xiuyu and others!

"Do not!!!"

"How could it not be blocked!"

Seeing that Elder Jing Zhi had not completely blocked Su Lang's sword at the expense of himself and weapons, Emperor Xiu Yuzhou suddenly became frightened, and his heart retreated uncontrollably and rose!

Just at this moment.

The Youtian Sword came through time and space, and the target was Emperor Xiuyu Zhou himself!

"Your Highness!"

"I'll stop him!"

A Seven Eternal Power who was loyal to Emperor Xiuyu Zhou had a distorted expression and stepped forward, "The secret of life after death——!!!"

This is the same self-destructive hole card as Jing Zhi!

This means to unfold.

The eternal power of the seven universes suddenly collapsed with their weapons!

The power of that vast collapse seems to have pulled the entire universe.

Youtian Sword was also pulled out of direction, and slammed him!

puff!

The giant sword tip came out from behind, and the heavy blood spilled into the sky, crushing layers of space!

In a flash.

These seven eternal powers became the second ant on the tip of the Youtian Sword.

Overlapped with Jing Zhi, completely fallen!

Yes.

Completely dead.

Originally, they were the eternal powers of the Seven Universes, and various means of resurrecting life and saving lives were emerging one after another.

But in the face of Youtian Sword's ability to break defenses and die.

In the face of Su Lang's 'perfect plunder' function, the 'virtual spirit universe' function did not exert any effect.

To die is to die.

Rebirth?

Delusion! !

However, their deaths also played a huge role, weakening Su Lang's pinnacle sword to the extent that Emperor Xiuyu Zhou and others could resist it!

Rumble!

The Youtian Sword pierced countless layers of defensive barriers again, and was finally blocked by Xiuyu and others.

Hula la.

The Youtian Sword that stopped advancing suddenly withdrew, but the space-time rifts that had been torn apart were densely distributed, twisting and flashing!

[Chapter 2512: Xiuyu's despair, escape](#)

"Damn, damn!!!"

"Su Lang, the deity doesn't share the sky with you. It will make you suffer forever until the universe is annihilated!"

Emperor Xiu Yuzhou's eyes were about to split, and his eyes roared with blood red.

With lingering fears, he watched the Youtian Sword pass the remaining space-time cracks on the path.

Fear, anger, grief, resentment and other emotions are intertwined on the face, very exciting.

Xiu Yuzhou's side.

The remaining five Seven Universes of Eternity were also pale, with a feeling of being left behind.

"His Royal Highness Xiuyu!"

"What shall we do now!?"

One of the Seven Eternal Powers spoke, and swallowed hard.

"do not give up!"

"The sword of Su Lang has already approached the Eight Eternal Realm infinitely!"

"He displays this sword, and the consumption must be very large!"

"Look carefully, the aura of that human eternal emperor soldier has been weakened many times!"

Emperor Xiu Yuzhou tried to control his emotions and analyzed the current situation.

Hearing these words, the eternal power of the seven universes probed the Infinity with divine consciousness.

Sure enough, I found that the breath of Infinity had decayed, and it felt like it was about to die!

"Great!"

"This Su Lang consumes too much, absolutely cannot perform this powerful attack for the second time!"

"Not only that, his combat power at this time has dropped to the freezing point, and we can even besiege him!"

"..."

The eternal power of the seven universes turned from worry to joy, and said excitedly.

"Not bad!"

"At this time, the power of his universe is empty, even if there are twelve eternal emperor soldiers!?"

"He has no energy to use it at all!"

Emperor Xiu Yuzhou looked excited, and was about to lead everyone to kill.

however.

The scene that made them thunderous appeared!

However, I saw a golden long sword surrounded by Infinity, which turned into an illusory form, and slashed from Infinity from top to bottom.

boom!

The breath of the Boundless number rose sharply!

Some faint swords of life slashed once again, and the breath of Infinity rose again!

The sword of life hasn't stopped, but it is cut with a single sword!

The breath of Boundless is once again lifted!

Immediately afterwards, the sword of life suddenly became smaller and disappeared.

but.

The breath of Boundless has still not stopped its upward trend.

Because of the internal parts, all the soldiers stationed in the warriors took the medicine.

His Royal Highness Xiuning and the others also took the Seven Eternal Realm perfect pill.

After the medicinal power is digested, it is transformed into the majestic cosmic power, filling itself!

At this moment.

Emperor Xiu Yuzhou and the others watched as the breath of the Boundless Ship returned to its peak, almost staring out!

They are really unimaginable.

What kind of means can be used to recover from the overdraft state to the peak state in such a short period of time.

Simultaneously.

The excitement and joy that the emperor Xiuyu Zhou had just aroused, was directly dissipated by more intense panic!

"This is impossible!"

"How did this guy Su Lang do it!"

"I don't believe it, I don't believe it!!"

Emperor Xiu Yuzhou's complexion was distorted, his facial features shifted, and his mentality exploded directly.

"His Royal Highness Xiuyu!"

"Su Lang is invincible!"

"Flee while Su Lang has just recovered!"

Seven Eternal Powers had a sad expression and a trembling voice reminded.

"escape!"

"Run, run away!"

Emperor Xiu Yuzhou also reacted, desperate in his heart, and immediately ordered.

He wasn't sure whether Su Lang would resist this next sword.

If not.

He was about to become the ants who died under the Youtian Sword just like Jing Zhi and the others!

In a flash.

Emperor Xiu Yuzhou fled straight to the distance.

The other five eternal emperors also ran away quickly, and they were scattered and fleeing!

The space-time seal formations that enveloped the surroundings also burst out in a self-destructive manner, forming a temporary golden formation barrier!

"escape!?"

"King Hua Shui Yue! Wear a heart lock!"

The corner of Su Lang's mouth raised slightly, and the long knife around the Infinity fell into his left hand and cut it lightly.

A wave of ripples ran across countless light years.

There is no change in everything around.

But the emperor Xiu Yuzhou suddenly burst into crimson flames!

It was his robe burning, resisting Jing Hua Shui Yue's illusion effect!

then.

The Emperor Xiuyu Zhou, who remained awake, watched the other five people change direction.

They rushed towards the humanoid weapons that covered the sky and sun!

[Chapter 2513: All incense and emperor soldiers show off](#)

"what!"

"They got illusion!"

Emperor Xiu Yuzhou looked horrified, and he didn't expect that Su Lang's illusion technique would be so powerful.

He even understood.

If he hadn't possessed a strong enough defensive equipment, he would have been recruited just like the other five!

at this time.

Seeing that five of his subordinates had been hit by Su Lang's illusion, they rushed directly to the head.

Emperor Xiuyu Zhou suddenly became anxious.

"No, I can't lose them!"

"Otherwise, I will completely lose the possibility of a comeback!"

This thought flashed through Xiu Yu's mind, and then he stopped, turned around, and launched a powerful attack on the five subordinates!

This is trying to awaken the five subordinates who have sunk into the illusion with pain!

"Ok?"

"Want to wake them up?"

Su Lang raised his eyebrows and smiled faintly at the corners of his mouth.

The eight black jade chains of the heart-piercing lock entwined on the Boundless ship fluttered out.

Just like hideous tentacles, kill Xiang Xiuyu's five eternal powers in the seven universes!

but.

Emperor Xiu Yuzhou was relatively close to his five subordinates.

therefore.

Its attack fell on five people almost instantly.

The intense pain hit the soul.

however.

Among the five, only two of the seven eternal powers with higher cultivation bases, better methods, and better defensive treasures faintly felt a flash of strangeness from the psychedelic of the mirror flower water moon, and they were shocked half asleep. .

There are three others who are not moved at all!

"not good!"

"We have been illusioned!!!"

The two masters noticed that the expressions of the seven cosmic powers changed drastically, struggling, and all kinds of self-harming secret techniques broke out on their bodies!

With the help of a temporary burst of powerful force.

The two finally escaped from the psychedelic illusion of Jinghuashuiyue and saw everything in front of them clearly.

However, I saw myself and the other three people flying towards the super giant humanoid cosmic soldier.

Ahead.

Eight roads carrying the murderous black jade chains have destroyed the barriers formed by the formation, and they are close at hand!

"Do not!!!"

The two awakened eternal powers of the Seven Universes were terrified, and their souls were violent, and they desperately avoided in an instant!

With all the means of their lives and the price of terror, they escaped from under the black jade chains at the very moment of their death.

But the other three eternal powers of the Seven Universes did not dodge and slammed directly into the black jade chain.

Puff! !

The sound of the spear being inserted into the flesh came one after another.

The body and soul of the three eternal powers of the seven universes were penetrated in this way.

The black jade chain clung to it like a vine, and in a blink of an eye it became a black zongzi.

In the process.

Relying on the profound realm and powerful strength, the three finally felt the strangeness and woke up!

Immediately after.

The three of them saw an extremely desperate scene!

He has been imprisoned by the black jade chain, the strength in his body is inexhaustible, and he cannot break free.

"Do not!"

"I don't want to die!"

"Longyu Zhouxinjian, explode to me!"

One of the Seven Eternal Powers was terrified and desperate, trying to blow the eternal emperor soldier to rescue himself!

at the same time.

The other two.

No, the other four people, including the two Seven Eternal Powers who were awakened by Emperor Xiuyu Zhou, have the same idea!

A total of five eternal emperor soldiers of the five spheres were sacrificed, and more than a dozen eternal emperor soldiers of lower level emerged.

The palpitating feeling filled the world in an instant!

It was a sense of destruction, as if the universe would be reduced to ashes!

however.

"Want to explode the eternal emperor soldier?"

A sneer flashed in Su Lang's eyes.

Behind the Boundless, like the Seven Treasure Trees that opened the world, bursts of colorful rays of light.

The world is gorgeous.

More than a dozen eternal emperor soldiers were shrouded in it, and they were gradually out of the control of the eternal power of the seven universes!

Among them, those eternal emperor soldiers with lower levels directly turned into streamers, and were taken away by colorful rays of light.

The remaining five five eternal emperor soldiers.

Although not completely out of control.

But it is absolutely impossible to continue to explode.

Moreover, these five eternal emperor soldiers could not be used, and they were constrained in place by the Seven Treasure Tree, unable to do anything.

"My eternal emperor soldier can't destroy himself!"

"What are these colorful rays of light, I will be stripped of my clothes!"

"It's over, the eternal emperor soldier cannot explode, close to our own strength, there is no hope of getting out of trouble!"

"It's dead, it's dead this time!!"

[Chapter 2514: Reappearance](#)

"..."

The three eternal powers of the Seven Universes, who were pierced and entangled by the black jade chain, were desperate in their hearts.

I saw Jing Zhi beheaded by a sword.

They know that they can never be spared!

The other side.

After turning around, the Emperor Xiuyu Zhou, who had already escaped far away, saw this scene with his divine intent, and couldn't help feeling resentment and grief in his heart!

At the same time, it's unbelievable.

Su Lang's offensive power is extremely perverted, and even the methods of trapping and killing are so terrifying!

Of the five eternal subordinates of the seven universes, three more are dead!

As for the other two, they immediately abandoned the Five Eternal Emperor Soldiers.

Then broke out all his efforts, almost at the cost of his life, fleeing wildly under the chase of the black jade chain of the heart-piercing lock!

at this time!

"Zhou Xian, you... are you called Zhou Xian? Tell me, are you willing to surrender?"

"Bie Qi, your name is Bie Qi, are you willing to submit to me?"

Su Lang's voice passed into the minds of the two escaped Seven Universes.

In an instant.

Stormy seas were set off in the hearts of the two eternal powers of the seven universes.

Because what Su Lang said was their real name!

"How can it be!"

"How could he know my real name!?"

"Moreover, he actually wants me to surrender!"

"..."

These same thoughts arose in the hearts of the two Seven Eternal Emperors.

But the next idea was different.

"It's impossible, Su Lang can't let me go!"

"He must lie to me, trying to make me give up and run!"

"This son is extremely slippery, absolutely untrustworthy!"

This thought arose in the Seven Eternal Powers named Zhou Xian, and he stood upside down in an instant, and continued to flee without a word!

"Su Lang said my real name!"

"He must know enough about me, and he knows it very well!"

"Then, maybe he really wants me to surrender."

"Yes, the ultimate goal of the Xiu Ning faction is to deal with Sui You Zhou Yu. They need manpower."

"My seven universes are eternal, a force that cannot be ignored!"

"However, Su Lang is so cunning and unfathomable, I can't believe it."

"Perhaps, I can talk to him first, and even if it fails, I can delay time and let me escape further!"

The thoughts of Emperor Bie Qizhou flickered, and he spoke immediately

—"Su Lang, what you said is true...No, what is this method!"

Before he finished speaking, he turned into a scream of horror.

Because a horrible suction burst out from the purple gold gourd that turned into purple black clouds.

Across countless distances, an extremely strange and direct effect on Emperor Bieqi Zhou's body.

Suddenly.

The speed of Emperor Bie Qizhou, who was desperately fleeing, was greatly reduced, and he stopped almost instantly!

then.

Puff.

The heart-piercing lock directly penetrates its heart, winding and winding like a poisonous snake.

In a blink of an eye.

Emperor Bie Qi Zhou was entangled into a black cocoon!

"Elder Bie Qi!!"

Seeing this scene, Emperor Xiu Yuzhou also had a heart-cracking heart.

The seven five universes have lost another one for eternity, and only Zhou Xian is left!

Grief was stirred in my heart like a knife.

Emperor Xiuyu Zhou gritted his teeth, bleeding from his mouth, but the speed did not decrease, and he continued to flee towards the distance.

On his body, powerful time and space power is also permeating.

After all, the time and space forbidden formation has been broken at this time, as long as the power of time and space reaches a certain level, he can escape through time and space!

The other side.

"Brother Bieqi!!"

Zhou Xian looked at Emperor Bieqizhou, who was wrapped in rice dumplings behind him, and his expression changed drastically, with endless panic and fear in his heart!

He didn't know what happened.

But he knew that Bie Qi was suddenly caught, and it must be related to Su Lang's questioning!

Fear echoed in my heart.

Zhou Xian directly used a secret method similar to the 'Secret of the Afterlife' to squeeze out the last trace of his strength and flee towards the distance!

His speed is extremely terrifying, and the power of time and space is also swinging away. Like Emperor Xiuyu Zhou, he wants to escape through time and space!

But at this moment!

"The world is dying, breaking a sword!!!"

A faint voice resounded through the universe, like a master who controls everything overlooking the world, indifferent and cold!

[Chapter 2515: Xiuyu who escaped successfully](#)

"It's the one used to kill Jing Zhi before!"

When Elder Zhou Xian heard this voice, his heart was broken. The despair in his heart had reached the limit, so that the screams and shouts in his heart were faintly crying!

That was a terrifying move that directly killed Jing Zhi and other two eternal powers of the Seven Universes!

Faced with such attacks.

Having lost his weapon, he doesn't even have the qualifications to look back!

The next moment.

Stabbed!

A sword light pierced through time and space, directly behind Zhou Xian.

"Do not!!!"

Elder Zhou Xian's expression was distorted with fear, but suddenly he froze.

But seeing the tip of the Youtian sword pierced from his back to his chest, the majestic power directly destroyed his vitality!

So far, Zhou Xian has fallen!

However, the momentum of Youtian Sword's advancement did not seem to be weakened at all, and it continued to kill Xiu Yuzhou Emperor!

"Su Lang, I will definitely be back!!!"

Emperor Xiuyu Zhou was grieved and grieved, and roared heartbreakingly. The treasures and soldiers of the Emperor Wu Zhou suddenly exploded!

Rumble!

The majestic power burst out, and the endless torrent of energy formed a barrier, as if the universe would be divided into two halves.

The Youtian Sword just smashed behind Emperor Xiuyuzhou, pierced into the energy torrent barrier, causing a more terrifying explosion!

A circular shock wave centered on the impact site and swept towards the surroundings.

Just then.

Emperor Xiuyu Zhou was completely enveloped by the extreme power of time and space and disappeared out of thin air!

The next moment.

The shock wave swept over the place where he was originally, and the peaks of the planets were directly vaporized, forming a billion-meter abyss!

"Escape!?"

"However, it is not to be afraid."

Su Lang looked at the place where Emperor Xiuyu Zhou disappeared, his expression unchanged.

Anyway, Emperor Xiu Yuzhou escaped, the loss was not particularly large.

After all, he has almost ruined his wealth.

In addition.

Emperor Xiu Yuzhou flees too hastily, it is too late to erase the remaining time and space power.

At a glance, Su Lang analyzed the coordinates where Emperor Xiuyu Zhou had fled.

"Let's chase it."

"Treasure hunting flying gliders, activate the soul searching function!"

Su Lang's thoughts moved, and the treasure hunting flying flying gliders appeared out of thin air, taking in the breath of Emperor Xiuyu Zhou.

Soon.

A clone that had not been swallowed, just in case, was also dispatched for death.

This clone came out.

Immediately unfold the power of the universe, stir time and space, form a channel, and then chase the past.

Emperor Xiu Yuzhou obviously wouldn't be so stupid to stay in this natural universe, he had already escaped through the barriers of time and space again.

But he still did not have time to erase the marks.

Su Lang clone continued to pursue.

The Treasure Hunting Flying Flying Glider is slower, but it doesn't matter, anyway, it can be directly dispatched to the clone.

"This guy Xiuyu runs really fast."

"With my avatar, it is estimated that it will be difficult to catch up in a short time."

"Of course, it is impossible for Emperor Xiuyu Zhou to escape under the treasure hunting flying flying soul."

"After forming an alliance with His Royal Highness Xiuning, my 240 trillion treasure hunting flying flying gliders will soon be spread throughout the Doudu universe and the universe, and he will be invisible by then!"

While taking the recovery eternal eternal pill, Su Lang looked at the four eternal powers of the seven universes banned by the penetrating heart lock.

For these four people, Su Lang did not have any idea of conquering.

After all, his Mingguang Myriad Realms could not control the existence of the Seven Eternal Level.

Stopped in place and waited for a moment.

The strength of Su Lang and His Royal Highness Xiuning and others in the Infinite Ship has recovered a lot.

then.

Su Lang drove the Infinite, carrying the Youtian Sword, came to a trembling 'Black Jade Zongzi', and stabbed it in!

Puff.

The 'Black Jade Zongzi' stiffened and completely lost everything.

Soon.

The black jade chain gradually retracted into the heart-piercing lock, revealing a corpse inside the Seven Eternal Realm.

Immediately after.

The body also disappeared.

The eternal soul, eternal Daojing, eternal life universe...

The remaining three people were also killed by Su Lang using the same method.

"Ding! You get..."

The system prompt sounded three times in succession.

Countless treasures appeared in Su Lang's storage space, including the five eternal emperor soldiers of the Five Eternals that were anchored by the Seven Treasure Tree.

[Chapter 2516: All under Xiu Yu](#)

But this is not over yet.

Some Six Eternal Realms haven't been killed yet.

But I saw those six cosmos eternally spinning around in place.

It turns out that these six eternal realms are all controlled by Jinghua Shuiyue one by one.

"These people are also killed."

"Otherwise it may leave hidden dangers."

Su Lang thought this way in his heart, driving the Infinity to move forward, like cutting vegetables and melons with one sword, killing all the twelve six eternal.

So far.

All the subordinates brought by Emperor Xiuyu Zhou have fallen!

"Dead... dead!"

"The Xiuyu faction has survived in name only!"

"Gosh, we haven't done something half-achieved for countless years, but today we have completed it!?"

"This is incredible, it's almost like a dream!"

"This is all relying on Su Lang's strength, this boundless title is simply terrifying!"

"..."

In the Boundless Ship, His Royal Highness Xiu Ning and the others looked at the shattered world after the battle with a bit of shock!

Even, they all have a sense of unreality.

"Everyone."

"Now is a great time to take action against Xiuyu."

Su Lang's voice suddenly reached everyone's minds, "Let's go to unify the Doudu Universe!"

At this time, the seven cosmic powers of the Xiuyu faction were completely destroyed, and the six cosmic powers also lost more than 70%.

The remaining strength, the strongest is the Six Eternal Realm, which is already vulnerable to the Xiuning faction.

Taking advantage of the news of Emperor Xiuyu Zhou's defeat has not spread, and the strong under his command has not escaped, it is indeed the best time to take action.

"it is good!"

"Friend Su Lang!"

"Then shall we leave the Boundless Space and act separately?"

His Royal Highness Xiuning recovered from the shock, controlled the ecstasy in his heart, and tentatively asked.

"of course can."

Su Lang laughed and said, "However, I hope you can catch your opponents alive and let me execute them yourself. This is more important to me!"

This statement came out.

His Royal Highness Xiuning and the others were a little surprised and very happy.

Everyone knew that Su Lang's combat power at this time was relying on the Infinity, which gathered the strength of all of them.

After they left the Infinity.

Su Lang's power will fall to about the eternal six universes.

But all five of them are in the Seven Eternal Realm, which is a very huge threat to Su Lang, whose combat strength has fallen.

but.

Su Lang did not hesitate and agreed to them directly.

Among them is Su Lang's confidence in his methods.

But it is undoubtedly also an expression of their trust in the Xiuning faction.

"Friend Su Lang!"

"I'm so happy you can trust us so much!"

"Don't worry, we will trust you unconditionally, even if there is no cosmic origin contract altar!"

"After this battle, we are now allies. If you have any needs, I will definitely do my best to satisfy you!"

His Highness Xiuning smiled, making the world pale, and his eyes shone with sincere light.

In fact, for Her Royal Highness Xiu Ning to become the leader of a faction, her mind cannot be so simple. On the contrary, she thinks a lot and thinks clearly.

She knew that Su Lang's methods were unfathomable.

The threat to Su Lang from their Xiuning faction is far less than it seems.

After all, the Xiuyu faction, Emperor Xiuyu Zhou, did not find Su Lang for half a year.

If both parties do not trust each other.

Su Lang was about to leave, and their Xiuning faction absolutely couldn't stop him.

At that time, not only will he miss Su Lang, an ally with unlimited potential, but he will also plant a fatal disaster for himself.

therefore.

Emperor Xiu Ning Zhou cleverly made the performance of trusting Su Lang unconditionally.

It is the best choice to form an ally with Su Lang to help him grow!

And this is also the most important step for them to face Suiyou Zhouyu next.

Without Su Lang, Xiu Ning Hall really had no confidence in Sui You Zhou Yu.

"Will any need be met?"

Su Lang stared at Emperor Xiu Ning Zhou, raised his eyebrows, and a smile was drawn at the corner of his mouth.

Hear this.

See this scene.

Emperor Xiu Ning Zhou was shocked.

Could it be that Su Lang fell in love with me and wanted me and him to become Taoists and fellow practitioners the eternal Tao?

[Chapter 2517: Can any requirements be met](#)

Then another thought flashed in her mind:

If it's Su Lang, it really works!

After all, Su Lang's potential is so terrifying, if he grows smoothly, his future achievements will definitely be higher than her.

And it's also a good way to tie Su Lang to the chariot of the Xiuning faction!

The expressions of Elder Xie and others remained unchanged, but their eyes gradually brightened, and a trace of joy rose in their hearts.

Obviously.

Their thoughts were similar to that of Xiuning, and they misunderstood that what Su Lang wanted was Xiuning.

"Ok....."

"Yes, I will try my best to meet any needs!"

His Royal Highness Xiuning nodded, and then said.

To be honest, she could say this, and she really overcome many difficulties.

After all, Her Royal Highness Xiu Ning is the eternal empress above countless people. For hundreds of millions of years, she has never had such thoughts of any man.

at this time.

Finished talking.

His Royal Highness Xiuning waited for Su Lang and said: Then I want you.

Elder Xie and the others also stood with their heads down, their expressions calm, but their ears were quietly raised.

but.

Su Lang's next words were beyond everyone's expectations.

"Really!"

"That's great!"

"You put the money in your body...oh no, the origin of the universe, the origin of the core, the origin of the emperor, the treasure of heaven and earth... all lend me a use!"

"Look, my Infinity has experienced this battle, and many parts have been damaged. This needs to be repaired."

Su Lang looked around everyone with open eyes and smiles, his eyes showed excitement.

His system functions want to be upgraded, but he has the origin of the universe at ten million levels!

Now Xiu Ning and others are right in front of him, and they are willing to give full support. Of course he will not let it go!

"..."

His Royal Highness Xiu Ning was stunned, his mouth was dumbfounded.

Elder Xie, Elder Yu and others were also shocked, with a deep stunned look in their eyes!

What?

Su Lang didn't even want Xiu Ning, the Seven Eternal Daoist companion, but reached out for money! ?

For a time.

Everyone is a little unacceptable!

"what happened?"

"Isn't it said that any need can be met, why don't you speak?"

When Su Lang saw Xiuning and others not speaking, he thought that everyone was repenting, and suddenly smiled.

"no no!"

"Friend Su Lang, we didn't mean that!"

"You need cultivation resources. We only leave ourselves what we need for cultivation, and we will give you the rest!"

"This is the cultivation resource that I have accumulated over the past hundred million years. It has the origin of the universe and the core, and there are some treasures of heaven and earth, you use it first!"

Seeing that Su Lang was a little unhappy, His Highness Xiu Ning hurriedly began to remedy it, and took out most of his cultivation resources to give Su Lang.

These cultivation resources were installed in a spatial treasure by His Royal Highness Xiuning and handed them to Su Lang.

"Yeah!"

"Friend Su Lang, don't be angry!"

"These spiritual resources should be accepted by fellow daoists!"

"Haha, Daoist Su Lang can use our cultivation resources. It is our honor. I really look forward to the moment that Daoist Su Lang breaks through."

"..."

Elder Yu and others also reacted and quickly offered their own practice resources.

"Ah ha ha!"

"Sorry, I misunderstood you."

"I am very short of these spiritual resources, thank you, thank you!"

Su Lang looked at the space treasure handed over by His Highness Xiuning and the elders, and smiled again.

Then he took the space treasures, and put the treasures inside into the storage space in quantity.

Suddenly!

Most of the net worth of the five eternal powers of the seven universes has been paid for!

"Oh, this is awesome!"

There was a touch of excitement at the corner of Su Lang's mouth, and some couldn't wait to count the spoils!

but.

He knew it was not good to count now.

At least, he had to say something to Xiu Ning and others.

"His Royal Highness Xiuning."

"Elders!"

"I have a little dabbling about the alchemy refining device and array below."

"If you want to promote weapons and refine pill, please prepare materials and come to me, I will give you the practice for free!"

Su Lang smiled, anyway, there is a system to do it without him, and it is not beautiful to use these promises to sell favor!

[Chapter 2518: Clean up the endgame](#)

"what!"

"Taoist Su Lang unexpectedly has advanced knowledge in the three ways of alchemy and refining!"

"In the Doudu universe, the pill array that can refine the eternal realm is already extremely rare, and it can refine usable treasures such as me, and there are almost none!"

"Yeah, except for the treasures that have been circulated before, only occasionally will the eternal martial artist have good luck and refine some."

"Taoist Su Lang is not only exceptionally talented, but also excellent in fighting talent. Even the three ways of the Pill Formation are also unfathomable, which is really admirable!"

"..."

Upon hearing Su Lang's words, His Highness Xiuning and the others suddenly brightened their eyes, surprised and admired.

Although Su Lang said that he just dabbled a little.

But everyone knew that Su Lang was modest.

Able to refine the eternally usable treasures of the Seven Universes, with low attainments! ?

And Su Lang said so easily.

Looking at it this way, the three attainments of the alchemy array are absolutely outstanding in the Doudu universe.

In addition.

This was still in the case that Su Lang's combat power far surpassed the same level, he only spent a part of his energy and time to practice the three pill formations.

Even so, his attainments surpassed everyone present, and almost no one in Doudu universe can compare.

Thought of this.

How can everyone not be surprised and admire Su Lang!

"Everyone is absurd!"

"The time is precious, let's start with Xiuyu as soon as possible."

Su Lang smiled faintly and said to everyone.

"it is good!"

"Let's go now!"

"Well, everything must be settled down!"

"After this battle, the Doudu universe is unified. Although the strength is greatly lost, at least the inside is stabilized!"

"..."

His Royal Highness, Elder Yu and others nodded.

"Ok!"

Su Lang nodded, and then sent everyone out of Infinity.

With the departure of the five eternal powers of the Seven Universes, the aura of the Infinite immediately decreased significantly.

The strength has fallen directly to the ordinary six-plane eternal realm, which can be called one in a hundred.

"Friend Su Lang, keep in touch!"

His Royal Highness Xiuning nodded to Su Lang, and the power of time and space disappeared.

Elder Xie and Elder Yu also acted separately and must arrest all the remaining strong combat power of the Xiuyu faction.

As for lower-level wars, it is not easy to start immediately at this time.

As long as the last remaining six universes of the Xiuyu faction are over, these more weak warriors will no longer be threatened, even if they are as numerous as a cow.

Knowing that the Xiuyu faction had been defeated, they would immediately surrender to the Xiuning faction and would not have a second choice.

and.

His Royal Highness Xiu Ning wanted to unify the Doudu Universe and fight the Suiyou Universe.

So I don't hope that Doudu Universe will lose too much in the future.

"Clone dispatch!"

Su Lang also immediately dispatched the clone of the Infinite.

The treasure hunting flying gliders have stepped on a point long ago, knowing where there are five universes and the eternal warriors of the lower levels.

And also found some information about these warriors.

However, Su Lang would not let go of all the sinful generations.

Some more self-denying eternal warriors, Su Lang will keep for His Highness Xiuning.

"Actually, it can be regarded as a subordinate for myself."

Su Lang thought in his heart, and a slight smile gradually appeared at the corner of his mouth.

In the endless universe, strength comes first!

With his growth rate, he will soon reach the point where Xiuning and others will automatically surrender.

There is no need for him to fight for it, and sooner or later everything in the Doudu universe will fall into his hands.

At this moment.

After the two stars Cuanyun were dispatched together.

The hunt immediately began.

In an almost endless vast city.

There is a palace floating in the sky, and a large number of undressed half-step eternal women are dancing in the palace.

The leader among them is the real eternal empress, who is extremely enchanting.

At the top of the palace, an eternal powerhouse of the five universes is enjoying the dance below, very happy.

From time to time, the people below also looked at the eternal powers of the Five Universes, with deep awe and admiration in their eyes.

The eternal power of the Five Universes, in the eyes of countless creatures, is already invincible in this area.

But at this moment.

"who!!"

The Five Eternal Warriors suddenly showed horror and stood up!

Such a move.

The expressions of everyone in the palace immediately changed, and they couldn't help but stop their movements and look up.

[Chapter 2519: It's all over, everything is over](#)

Soon.

They saw a mysterious powerhouse with unfathomable breath emerging out of thin air.

This person has a long sword in his right hand and a long life lock in his left hand. The eight black jade chains dance around like tentacles. It is one of Su Lang's Xing Cuan Yun He clone.

"who are you!"

"How dare to break into my palace!"

"You know that I am the city lord of Yongcheng Xiaoxiao appointed by His Royal Highness Xiuyu!"

"..."

The eyes of the Wuzhou Eternal Martial Artist suddenly shrank, and his whole body was a little cold, but he did not give in.

Because he is the one who repaired Yuzhou Emperor!

"Ha ha!"

"The Emperor Xiuyu Zhou in your mouth has already run away!"

Su Lang avatar smiled coldly, and immediately did not talk nonsense, and directly waved the mirror to draw everything in the entire giant city into the illusion! !

Suddenly.

The Five Eternal Warriors stood in place.

A black jade chain stepped forward, passing through his body and soul like a poisonous snake.

As for the rest of the giant city.

Su Lang's clone was taken directly into the universe of life, not one left.

at the same time.

Su Lang's other clone is also armed with incense weapons, using the Seven Treasure Tree and the Purple Gourd to kill the eternal strong.

have to say.

There is a master and there is a servant.

Emperor Xiu Yuzhou was more cruel and cruel, and most of his men were not good people.

Su Lang looked at it with his heart, and most of them could see the recent sins of these people.

Not to mention the mistakes these people committed over a long period of time.

Therefore.

Su Lang killed a lot of people.

In a short time, five eternal warriors of the five universes were killed.

at the same time.

His Royal Highness Xiuning and others are still on the way...

After all, they don't have the weird means like Su Lang, they can directly send the clone to the enemy's lair.

Even if there are more brilliant displacement methods, they are slower than Su Lang.

Just as Su Lang slaughtered each eternal warrior who repaired jade.

Xuan Yi Zhou Palace.

Emperor Xie Langzhou received the order from Emperor Xiuyu Zhou to guard this palace temporarily.

at this time.

He was looking in the direction of heart-palpitations.

Compared to the others, Emperor Xie Langzhou knew more.

He knew that Su Lang had already appeared, and he was surrounded by Emperor Xiuyu Zhou and others.

I also know that the people of the Xiu Ning faction are constantly looking for Su Lang, and that there are plates in the Xiuyu faction, and they will soon learn about Su Lang's traces.

"Such a huge movement."

"His Royal Highness Xiuyu must have fought with the group of Emperor Xiu Ning Zhou."

"Sure enough, Emperor Xiu Ning Zhou and the others also found the trail of Su Lang and chased after him!"

"Hehe, Xiuning faction, facing the great His Royal Highness Xiuyu, it will definitely be a complete defeat!"

"Now the movement has almost dissipated, and the palpitations have disappeared."

"If you think about it, the war must have ended, and everyone from the Xiuning faction has already been defeated and fled."

"Using the means of His Royal Highness Xiuyu, it is impossible to let the Xiuning faction leave a few Seven Universe Powers!"

"Hahaha, after this battle, no one can stop the footsteps of our jade repair faction uniting the capital!"

"At that time, my authority will go further, which is really exciting!"

"..."

Emperor Xie Langzhou looked at the direction of the battle. Although he could not see the battle, he was convinced that Emperor Xiuyuzhou would win.

It's not just him.

Almost all people in Doudu universe who knew about this thought so.

Even some of the people under His Royal Highness Xiu Ning's attitude are relatively pessimistic.

after all.

The Xiuning faction is already a little weaker, and at this time it doesn't occupy a favorable position. How can it be possible to win the war?

But just when Emperor Xie Lang Zhou imagined a better life in the future.

A horrified scream suddenly reached his ears!

"Master Xie Lang!!"

"It's not good, it's all over, everything is over!!"

"..."

An eternal warrior of the Five Universes appeared in a panic in front of Emperor Xie Langzhou, and the twisted face was full of fright!

Emperor Xie Langzhou knew this person.

Because this person was under his command, he was sent to guard the ancestral shrine of the Xiuyu school.

The Ancestral Temple was established hundreds of millions of years ago, and it enshrines the tablets of countless strong men, as well as the cards of many masters in the jade cultivator.

Seeing this subordinate was so panicked.

Emperor Xie Langzhou suddenly felt something bad!

[Chapter 2520: The terrified and desperate evil Langzhou Emperor](#)

"what happened!"

"Just say it, what's all over!?"

Emperor Xie Langzhou stood up, his pupils trembled slightly, staring at his subordinates.

"Master Xie Lang!!"

"In the ancestral shrine, the six eternal elders of the seven universes and the twelve life cards of the eternal power of the six universes are all broken!!"

"They fell, they fell!"

"..."

The eternal martial artist of the Five Universes was terrified and incoherent.

"what!!"

"Six eternal elders of the seven universes, twelve eternal powers of the six universes have fallen!"

"How is this possible, this is impossible, you must be lying to me!!"

"..."

After hearing the words of his subordinates, Emperor Xie Langzhou felt as if there was a thunderbolt in his mind, his whole person was instantly dumbfounded, and his incredible emotions directly occupied all his thinking!

but.

He said that his subordinates were lying to him.

But he knew in his heart that it was impossible, and his subordinates could not deceive him!

just.

Facing this incredible news, Emperor Xie Langzhou couldn't accept it at all!

In the Doudu Universe, only the Xiu Ning faction can barely compete with the Xiuyu faction.

but.

If you want to cause such a horror to the Xiuyu faction, it is impossible to call the loss of the complete destruction of high-level power!

at least.

Emperor Xie Langzhou couldn't imagine how the Xiu Ning faction could make Emperor Xiu Yuzhou and others suffer such a fiasco!

"Master Xie Lang!!"

"The elders really fell, and all the life cards are broken!"

"Master Xie Lang, what should we do, what should we do!"

"..."

The eternal warrior of the Five Universes is still extremely frightened and desperate, trembling and crying, it can be seen that this person is about to collapse!

"Take me to the ancestral temple first!"

The heart of Emperor Xie Langzhou was filled with turbulent waves, and he barely suppressed the boiling emotions and shouted in a low voice.

Even if I calm down.

He still can't accept the facts, he has to see it with his own eyes!

"Yes!!"

The Five Eternal Warriors lead the way and lead the way.

Emperor Xie Langzhou followed with a bit stiff body.

At the same time, he took out his communication treasures and started contacting Emperor Xiuyu Zhou, the elders of the Seven Eternals, and the six eternal.

But the subpoena was sent out.

Emperor Xiuyu Zhou did not reply at all, and neither did the seven eternal elders and the twelve six eternal warriors.

The heart of Emperor Xie Langzhou has sunk into Bing Yuan, and his body is cold!

Just then.

The ancestral temple is here!

This is a very old black building.

Even with the formation guard, it is inevitable that some appearance will be eroded by the years.

"Grumbling."

Emperor Xie Langzhou swallowed hard, and then walked into the Ancestral Temple.

Eye-catching.

It is the sloping tablet position, and a large number of fate cards exploded into pieces! !

"Really... it's all broken!"

"And it was exploded. The elders are completely dead!"

"What kind of power is it that can completely obliterate the eternal power of the Seven Universes and make their life-saving methods ineffective!"

"Xuning's faction is absolutely unable to do all of this, there must be external forces involved, I am afraid it is a great power at the level of the eight universes!"

"Fool, idiot, how can Xiuning, a stupid woman, attract such a terrifying power? This is the civil war in our Doudu universe. Isn't she afraid that the eight universe might have ulterior motives!"

"It's over, it's all over, now there is no news from His Highness Xiuyu."

"Even if not caught, the best fate is to escape to the rest of the universe, and never dare to return to Doudu!"

"..."

Emperor Xie Langzhou looked at the fragments and powder in front of him, his whole body trembled, and the fear climbed onto that stiff face!

He knew very well that the Xiuyu faction was completely finished!

Thought of this.

The terrified Evil Langzhou Emperor's scalp was about to explode.

"escape!"

"The only way to survive now is to escape!"

"..."

In the heart of Emperor Xie Langzhou, a bit of bitterness arose in a deep disbelief.

Soon.

He walked out of the ancestral shrine, looked at the trembling, frightened Wu Zhou Eternal, and said,
"Run away, run away with me!"

"what!"

"escape.....!"

"Master Xie Lang, can everything be saved?"

"His Royal Highness Xiuyu!"

It is difficult for the Five Eternal Warriors to accept this result.

Obviously the situation was very good before, so how come you are about to escape from Doudu Universe in an instant?
