### [Chapter 2531: Ask her and talk in depth](#)

Although those guys in Xiyitai are a bit suspicious of inflammation.

But it did bring some benefits to Su Lang.

People who didn't have Xiyitai revealed to him the coordinates of the Black Ice Terrace and Lingyu Wanjie Pavilion, Su Lang couldn't get revenge so quickly.

So Su Lang didn't mind giving them some sweetness.

The clone just arrived at the lower natural universe.

Su Lang felt that this avatar had fallen into the quagmire of time, and his movements were extremely slow, as if it had been slowed down countless times.

This feeling is completely opposite to the clone in the lower universe, watching Doudu universe!

Under Su Lang's gaze, the avatar made a slow motion with his left and right hands, and it took a long time to leave a message to contact Xiyi Station.

Xiyitai also indeed left a connector in this universe.

After discovering that the visitor was Su Lang, everyone in Xiyitai was ecstatic and immediately came to meet Su Lang's clone.

At this time.

Seeing the avatar's field of vision that slowed down countless times, Su Lang's expression suddenly changed!

Because a system prompt rang

—"Ding! "Soul Refining Through the Heart Jue" has reached the founding level!"

Accompanied by the sound, there are countless mysterious exercises, and a peculiar energy.

"Soul Rising through the Heart Jue" is an eternal level technique that passively increases the strength of the soul.

Su Lang practiced it to the founding level, and suddenly it was as if he had practiced for countless years!

The benefits accumulated over the past "countless years" emerged all at once, turned into that peculiar energy and merged into Su Lang's soul.

Suddenly.

Su Lang felt like a sun exploded in his mind, and the extremely bright light sprayed out from his eyes.

quickly.

The power brought by this "Soul Development of the Heart" was completely consumed.

The light gushing out of Su Lang's eyes gradually disappeared, and his eyes returned to normal.

"Divine Sense has increased by one-tenth."

"This technique is really powerful, I didn't punch my eyes!"

"With a radius of eleven trillion light-years, I don't know which level it has reached."

"When Emperor Xiu Ning Zhou is finished, I will ask her and have an in-depth exchange."

Su Lang thought so, a smile was drawn at the corner of his mouth.

Xiuning, this woman is not bad, she is very beautiful, and her three views are very upright.

So Su Lang intends to become Guan Bao's friend.

"Next."

"Well, during this period of time, many people have been killed and a lot of exercises have been saved."

"With the function of 'the top of the exercises', these exercises can be elevated to the eternal state."

"Even if the idea of the exercise method is not enough and the pattern is not enough, but reaching the eternal state, there are certain benefits."

"Just start with the simplest, let me Kangkang, what is the most \*\*\*\* exercise."

"..."

A smile was drawn at the corner of Su Lang's mouth, and his spiritual thought searched among a large number of exercises.

quickly.

I found the lowest level exercise method, the emperor-level body-building exercise method.

There are also body-building exercises in the eternal realm, but the effect is only to increase the overall strength of the eternal body.

There is no exercise method that can increase the crystal wall world.

Only the core of the universe can split the crystal wall world into two or more.

The same goes for the emperor-level body-building exercises to reach the eternal state.

After placing the exercises on the Wushu villain, the system prompt came at one thought.

—"Ding! "King Kong Wandu Tu" has reached the founding level!"

Soon.

A warm feeling appeared in Su Lang's perception.

"Body strength has increased a little."

"In essence, it seems that the integration of the various crystal wall universes has become closer."

Su Lang's eyes flashed, and then he continued to practice the exercises.

Time passed slowly.

A copy of the exercises was thrown by Su Lang on the martial arts villain, and he learned it instantly.

These exercises can also be called the "all heavens and ten thousand realms" from the Doudu universe, and each has its own characteristics and advantages.

Some can even bring good income to Su Lang.

Gradually.

The exercises below the eternal realm were all practiced by Su Lang.

and.

He has practiced those exercises and hasn't finished.

It also uses the one-key synthesis function to synthesize these exercises with each other and turn them into new exercises to continue practicing.

Suddenly.

Su Lang has gained countless exercises.

When all these synergy methods have been practiced.

He could not remember how many ten thousand exercises he had practiced.

So far.

He has also noticed that his combat power has increased significantly!

[Chapter 2532: Wang Jingchan was hunted down](#)

"Not bad!"

"Next, continue to practice the techniques of the eternal realm."

"It's still the eternal realm's practice that is most suitable for me now."

"After all, from the beginning of creation, the eternal technique is for the eternal martial artist to practice."

"In addition, my synthesis function can also use the techniques of the Four Eternal Realms to synthesize the techniques of the Five Eternal Realms. Hehe, keep working!"

The corner of Su Lang's mouth outlines a bright smile.

Immediately, while concluding the Dharma, he looked at the avatar who had contacted Xi Yitai.

Have practiced so many exercises.

But the avatar had just met the people from Xiyitai.

The latter was just a kneeling motion, and it took a long, long time in Su Lang's eyes...

"This tens of millions of times the 'slow motion' is really uncomfortable."

Su Lang sighed, never wanting to watch the "slow motion scene" in the lower universe anymore.

But at this moment.

He suddenly noticed that an early warning message came from a natural universe equipped with a space-time fluctuation induction array.

"Ok?"

"This is... one of the natural universes of the seven-member group including Emperor Xuanyu Zhou!"

"Oh, that little Universe Eternal Realm said that he had mastered the coordinates of the higher universe and used it as a bargaining chip..."

"I want to come, after he was killed by me, the chess pieces arranged in advance stabbed the matter out."

"Now, the power of the higher universe is here to hunt!"

"Hehe, hit me on the head with an idea, look for death!"

"..."

There was a sneer in Su Lang's eyes, and he immediately dispatched an avatar to the natural universe that had sent warning messages.

then.

Another scene of slow motion appeared in Su Lang's perception.

But I saw the avatar standing in the place where the time and space fluctuations of the natural universe appeared.

Then he saw a middle-aged man with a high crown on his head gradually revealing himself from the fluctuations of time and space at an almost stagnant speed.

His eyes are full of panic and despair!

"Ok?"

"Is the Three Eternal Realm? It is called Wang Jingchan?"

"For the seven Emperor Xuanyu Zhou, they are indeed masters."

"But why does this person look scared? Shouldn't the people who come to hunt have a hideous and excited face?"

"Could it be that this person has become a prey and is being hunted down?"

Su Lang looked at the middle-aged man in surprise, thinking in his heart.

Soon.

He watched Wang Jingchan gradually emerge from the fluctuations of time and space with boredom for a hundred years.

Obviously in this natural universe it is a momentary matter.

But after "playing slowly" for a long time, Wang Jingchan got out of the "hole".

"Too slow, too slow!"

"Can't you hurry up, I can't stand it!"

"Ahhhh, lean down perfectly!"

Su Lang finally couldn't stand the torture of this slow motion, so he leaned down perfectly, and his will fell on the clone.

Anyway, this does not hinder his practice and martial arts.

The angle of view changed, and he came to Wang Jingchan's body.

"Why, why I hide so deep, I will be found out!"

"There are also three friends who were invaded. What happened?"

"Damn it, with my eternal cultivation base in the Three Universes, it's probably dead, no, I don't want to die!"

"..."

The terrified Wang Jingchan thought desperately.

suddenly.

He found a person standing in front of him, his expression indifferent, as if he had been waiting here!

"what!"

"Why is there a person standing here!"

"The breath on his body turned out to be the Four Eternal Realm! And he is waiting for me here!"

"Sure enough, this is a trap. The woman came to cheat me to hunt these universes and let me throw myself into the trap!"

Wang Jingchan was horrified, and then thought of the coquettish woman before, and his heart shuddered.

Immediately, he couldn't help sighing.

He was cautious and unparalleled and saw through the strategy.

It's a pity that even so, other hunters came to the door!

The guy who chased him was a five-dimensional eternity. If he hadn't found out in advance and escaped early, he would have been finished.

It is estimated that the four eternal realms in front of him could not resist that guy.

"Although he set me up."

"But now it's also a grasshopper on a rope, let me remind him first."

"I just hope he won't shoot me immediately."

Wang Jingchan filled up countless thoughts in an instant, and then spoke to Su Lang clone.

Just then.

"Hahaha!"

"Old miscellaneous hair, let me see where you run away!"

An extremely irritable voice came along with strong temporal and spatial fluctuations.

Immediately after.

A five-cosmic eternal realm with a hideous look and cruel look, appeared behind Wang Jingchan and in front of Su Lang.

"Ok?"

"Pei Yuxiao!"

Su Lang looked at the eternal martial artist of the five cosmos and couldn't help but raised his eyebrows, and smiled dumbly, "Haha, you and I are really destined!"

[Chapter 2533: Barking snarly, extremely ridiculous](#)

Pei Yuxiao this guy.

Su Lang has never forgotten.

Originally, he planned to use the power of the Xiuning faction to investigate the location of this guy and then kill him.

Unexpectedly, I encountered Pei Yuxiao here.

But after thinking about it, Su Lang roughly guessed the reason.

Many natural cosmic coordinates have been auctioned off in the empty blue universe.

Among them are some natural universes under Wang Jingchan's command.

Pei Yuxiao obtained these cosmic coordinates and came to hunt Wang Jingchan, and then he chased here...

To fix Pei Yuxiao, the eternal five cosmos.

Su Lang's current combat power in the state of swallowing clones, or a star-cuanyun-co clone with extreme form is enough.

After all, Pei Yuxiao is just an ordinary Five Eternity, which is already vulnerable in his eyes.

But to prevent this guy from escaping.

Su Lang still intends to dispatch multiple Xing Cuanyun avatars.

at this time.

That's just a moment of time.

Pei Yuxiao completely appeared from the fluctuations of time and space, and then met Su Lang's eyes!

"Su Susu! Su Lang!!!"

"Su Lang, you chopsticks are here!!!"

"Haha, hahaha, I really can't find a place to break through the iron shoes without any effort!"

"Today I must capture you alive, and then let you sink into endless torture for eternity!"

"..."

After Pei Yuxiao saw Su Lang, he was taken aback for a moment, and then his eyes widened fiercely, his eyes bursting with extremely excited light!

Endless surprises emerged from Pei Yuxiao's heart and rushed into his mind at once.

This made him couldn't help but exclaim, and showed a wild smile, his mouth was grinning to the base of his ears!

But at this moment.

He found that the corners of Su Lang's mouth had reached the base of his ears, showing a weird smile.

"You chopsticks can still laugh!?"

"Hmph, don't say you are alone now, even if your two companions come together, they will be a chicken in front of me!!!"

Pei Yuxiao laughed wildly when he saw Su Lang, his expression suddenly changed, and immediately showed a stronger sneer.

"Tsk tut."

"Pei Yuxiao, it seems that the lesson I taught you last time was not profound enough."

"When I saw me, I didn't want to run away immediately, but even dared to bark savagely, which is extremely ridiculous!"

Su Lang carried his hands on his back and looked at Pei Yuxiao indifferently.

It seems that what he is facing is not an eternal warrior of the five universes, but a rubbish.

"Humph!"

"Su Lang chopsticks!"

"After being killed by you, I am always thinking about killing you!"

"In order to get revenge, I ran out of wealth and have promoted the weapon to the Four Eternal Realm!"

"You who have lost your weapon advantage, want to escape from my hands, that is a delusion!"

Pei Yuxiao's face became more and more ferocious, it was like a cruel pervert.

He has a middle universe, and the flow of time is many times higher than the bottom universe.

It was during the time when Su Lang went to engage in the Black Ice Tower and Lingyu Wanjie Pavilion.

Pei Yuxiao spent almost all his net worth, and invited several eternal realm refiners in the empty blue universe, and promoted him together.

at this time.

With the weapons of the Four Eternal Realm in hand.

Pei Yuxiao was sure that he would definitely kill Su Lang this time, or even capture him alive!

Seeing Su Lang's abominable face before him, Pei Yuxiao had countless images of torturing Su Lang in his mind.

Simultaneously.

Wang Jingchan, who was caught between the two, looked at Su Lang and Pei Yuxiao who were laughing wildly at the same time, feeling a little confused.

The two eternal emperors not only know each other, but also have deep hatreds between each other!  
first timing.

A touch of surprise rose in Wang Jingchan's heart.

The enemy's enemy is a friend, Su Lang is Pei Yuxiao's enemy, and that is his friend, the two can join hands.

But the surprise disappeared in the next moment.

Because Su Lang's strength is not Pei Yuxiao's opponent at all.

Not to mention a four-cosmic eternity, even if it is ten or twenty, it can't beat a five-cosmic eternity, but the possibility of complete destruction is relatively high.

No way.

The gap between the eternal realms is too big!

[Chapter 2534: Pei Yuxiao was terrified](#)

"Fellow!"

"Let's run away!!"

Wang Jingchan's heart moved, and turned to Su Lang's voice transmission, "He is the eternity of the five universes, we can't be his opponent!"

Su Lang turned a deaf ear to Wang Jingchan's transmission.

"Pei Yuxiao."

"I will give you a chance at last, kneel in front of me and sing a song of Conquest, I can spare you a dog."

Su Lang's expression was indifferent, calm and unhurried, with no fear at all.

This statement came out.

Wang Jingchan was stunned instantly!

What you just said was...what! ?

An eternal warrior of the four universes actually made an eternal might of the five universes kneel down and beg for mercy?

What else to sing to conquer! ?

This is so crazy, it's something that a lunatic can say!

"Let me kneel down!?"

"Su Lang, you are really as arrogant and arrogant as ever!"

"I hope you will be able to get wild after you fall into my hands!"

The corners of Pei Yuxiao's mouth twitched by Su Lang's words, and the resentment and shame in his heart became more and more intense.

Rumble!

A frightening breath erupted from his body, covering hundreds of thousands of light years in an instant.

"Senior Su Lang, let's run away!"

"Hey, it's too late, now I can only do my best!"

Wang Jingchan was terrified, trembling all over, but did not escape.

He knew that once he drove away, he would definitely be the first to be killed!

Pei Yuxiao wanted to kill him without a finger!

If you can't escape, you can only fight hard.

As for begging for mercy?

Wang Jingchan has tried it.

He didn't know where Pei Yuxiao's anger came from, he insisted on killing him to vent his anger, and would not accept any surrender...

For Wang Jingchan's transmission.

Su Lang still pretended not to hear.

escape?

joke!

It is Pei Yuxiao who should run away.

But Pei Yuxiao obviously didn't know the major events in the Doudu universe.

I don't even know that Su Lang's strength is soaring at this time, if he sacrifices the Boundless Number, the eternal power of the ordinary six universes can hang.

"Pei Yuxiao."

"You missed your last chance."

"Then go to die."

Su Lang's voice was indifferent, and his thoughts immediately moved, using the Xing Cuan Yun He function.

For an instant.

The breath of this clone who was perfectly bent over soared.

Promote directly from the Four Eternal Realm to the Five Eternal Realm!

But it is not the eternal peak of the five universes in the extreme state.

It is the eternity of the five universes fused by the twenty-seven clones.

The combat power is at the upper level among the five cosmic levels, but this has surpassed Pei Yuxiao.

"what!!"

"Advanced Five Eternity! How is this possible!?"

"Even if you use the secret technique, you can only reach half a step, the Five Eternity, how can you reach the current level!!!"

"No, this is not true, it must be illusion!"

"..."

Pei Yuxiao watched his breath soaring, already far surpassing Su Lang, almost biting off his tongue!

Endless horror set off stormy waves in his heart, rushing into his mind, blanking his brain, and stagnating his thinking!

Calculate the timeline of the lower universe.

At most, Su Lang had passed several hours in the lower universe.

In such a short time, his cultivation level has soared so much!

How can Pei Yuxiao accept this! ?

Changing to be any eternal warrior is unacceptable!

It takes countless years and a lot of cosmic origin for them to improve a little bit.

For a few hours, for them, it is not much different from an instant.

"Five, Five Eternal Realm Great Power!!"

"And more terrifying than Pei Yuxiao who chased me!"

"God, is this senior Su Lang hiding himself? Now is his real combat power!"

"Because I let Senior Su Lang run away before, I am really ignorant!"

Wang Jingchan was also shocked, and ecstasy rose in his heart again!

at this time.

Buzzing!

Time and space fluctuations came from Pei Yuxiao's body, this guy wanted to escape!

"Fengtian with one thought!"

The corner of Su Lang's mouth twitched, and he immediately pulled Pei Yuxiao into the gray-white space of thought sealing!

"Damn it!"

"Be entangled!"

Pei Yuxiao's soul is not possessed, his face is earthy, fear breeds in his heart, and there is no more excitement, ferociousness and cruelty before!

### [Chapter 2535: Cat juggling](#)

He should have thought of it long ago.

Su Lang is confident, he must have his cards!

But he was so overwhelmed by hatred that he was not even alert!

By now, everything is too late!

but.

Pei Yuxiao felt that he had not reached a desperate situation.

Although Su Lang's strength is stronger than him, it has not reached the level of complete crushing.

If you find the time, you can still escape!

"Su Lang chopsticks!"

"I will make you pay the price today no matter what!"

Pei Yuxiao's pale face rose with a strong determination and killing intent, and a flying knife appeared silently behind Su Lang's neck.

"Senior Su Lang!!"

When Wang Jingchan saw that Su Lang was attacked, he suddenly exclaimed.

But he was obviously not qualified to participate in the battle of the five cosmic levels.

Moreover, Su Lang and Pei Yuxiao were in the Nianfeng Space at this time, and Wang Jingchan was even more unable to interfere.

"Small bugs."

Su Lang was so close to danger, the corner of his mouth twitched slightly, a thought flashed in his mind, and he issued an enhanced reset function.

Immediately after.

The Tianjia Eight-Edged Shield appeared out of thin air, as if it was there, and blocked the flying knife with a ding-dang sound.

If it were the celestial and eight-sided shield of the Six Eternal Realm, Su Lang's cosmic power would be difficult to activate.

But at this time, the eight-sided shield of the sky had restored the level of the Four Eternal Realm, and Su Lang could control it 100%.

"hateful!"

"This weapon again!"

"Why? Why would my sneak attack be blocked? That is clearly just the defense treasure of the Four Eternal Realm!"

Seeing that his sneak attack was easily resolved by Su Lang, Pei Yuxiao's heart trembled.

Immediately after.

He immediately changed his tactics, tried his best, and displayed countless defenses!

Wow!

Countless defensive barriers emerged, enveloping Pei Yuxiao!

"Are you going to fight me attrition?"

"Yes, in your eyes, I used the secret technique, it will definitely not last long."

"So, how long do you think my secret technique can last? One breath? Ten breaths?"

"I'm sorry, my secret technique can be used endlessly!"

Su Lang looked at Pei Yuxiao who used countless defenses to become a tortoise, and sneered, "Moreover, my secret technique has no side effects!"

This statement came out.

Pei Yuxiao was shocked all over, her pupils shrunk like mung beans!

"impossible!"

"Such a terrifying secret technique, you can't use it endlessly, and it's impossible to have no side effects!"

"Five breaths, after five breaths, your secret technique disappears, the sequelae breaks out, and your strength drops!"

"It will be your death date!"

Pei Yuxiao roared cruelly, but it was hard to conceal the \*\*\*\* in the words.

Even if Su Lang lasted for only the five breaths he said.

It is also very possible to break his defense and kill him within this little time.

In the battle of the eternal realm, you don't know how much you can do in one breath, let alone five breaths?

but.

Just when Pei Yuxiao thought that Su Lang would hurry up and kill him.

Something unexpected happened to him.

"Oh?"

"Five breaths?"

"Then you count five breaths."

Su Lang faintly looked down at Pei Yuxiao who was shrunk in countless defensive covers. He was not anxious at all, his face was full of cat and mouse play.

Hear this.

Pei Yuxiao suddenly narrowed his eyes, revealing a thick surprise.

"what!"

"He is so calm!"

"Could it be that, as he said, the secret technique can be used endlessly without side effects!?"

"No, impossible, he must be bluffing!"

"..."

Pei Yuxiao's heart beats frantically, trying to calm her mind, her eyes fixed on Su Lang.

But in his heart, he has already started to count time involuntarily.

one two Three.....

The time of breath and breath passed.

Su Lang still stood on the spot, looking at Pei Yuxiao with a calm expression, the playfulness of the corners of his mouth becoming more and more intense.

"impossible!"

"Absolutely impossible!"

"Such a terrifying secret technique cannot last forever, let alone without side effects!"

"Wait, I have to wait!"

With the passage of time.

Pei Yuxiao counted the past numbers in her heart.

It was like a sledgehammer hitting the weakest part of his heart!

He became more and more nervous, his pupils gradually contracted, and the feeling of badness in his heart became stronger.

[Chapter 2536: I gave you a chance](#)

next to.

Although Wang Jingchan could not interfere in Su Lang's Nianfeng space, he could see the scene inside.

"Unexpectedly, really unexpectedly!"

"This senior Su Lang unexpectedly exploded with the power of the Five Eternal Realm!"

"But why doesn't he do it!?"

"..."

Wang Jingchan was also puzzled.

Immediately, the idea of taking the opportunity to escape rose in his heart, but he was worried that he would not be able to escape, and eventually he would fall.

at this time.

The time of five breaths has passed unconsciously!

"Also, I haven't fallen in combat power yet!!"

"No, this is not true, this is not true!"

Pei Yuxiao gritted his teeth, his expression could no longer be stretched, showing panic and despair.

"How, do you want to wait?"

Su Lang's expression remained unchanged, his indifferent gaze and Pei Yuxiao's gaze were at each other, making the latter tremble all over.

Keep waiting! ?

Su Lang is so confident, I'm afraid there is no bluffing!

"For today's plan, we can only fight!"

"I don't believe that this strange banned space cannot be broken!"

Pei Yuxiao's heart was already full of retreat, and he was thinking of running for his life, and had no idea of counterattack.

"Oh?"

"Are you going to fight to the death?"

"Hehe, do you think you still have hope of escape? No, you don't!"

Su Lang saw Pei Yuxiao's mind at a glance, and when he sneered, he directly launched the dispatch of Xing Cuanyun and Clone!

In a flash!

The second, third, and fourth star Cuanyun avatars also appeared out of thin air.

These three star Cuanyun He clones are also a fusion of twenty-seven clone incarnations or twin incarnations, possessing high-level eternal power in the five universes!

Three powerful clones descended.

The incomparably vast aura immediately rolled down layer by layer, and the surrounding time and space were trembling and twisted!

And this scene.

Immediately, Pei Yuxiao thunderously thundered, his mouth was dumbfounded, and the panic in his face and eyes broke out to the extreme! !

"There are three eternal five cosmos!!"

"Every one is stronger than me!"

"Moreover, these Five Eternal Eternities actually look exactly the same as Su Lang!"

"How is this possible!"

Pei Yuxiao screamed in his heart, hysterical!

Wang Jingchan, who was watching from the sidelines, saw the three newly arrived clones of Su Lang, his legs softened on the spot, and he knelt down!

"Pei Yuxiao, get on the road."

Su Lang's voice was indifferent, and with a pinch in his hand, the Youtian Sword with its enhanced effect appeared.

The other three avatars are also a weapon of the Four Eternal Realm for one person!

The killing intent gradually spread, making Pei Yuxiao's hair terrifying!

"Do not!"

"I know it was wrong!"

"Senior Su Lang, this junior has no eyes, and offended you, please forgive me!"

"Please, please!"

Pei Yuxiao's eyes widened, his body was short, and he knelt down!

At this moment.

He finally had the same idea as Xi Yitai

——Now in front of him, it should be a temporary creation of some super eternal power!

As the clone created temporarily by the mighty power, naturally, he wanted to make the clone as strong as possible.

This could explain why Su Lang's strength suddenly soared so much, which was completely unreasonable.

And that mighty seven cosmic eternity is more than that, at least the eight cosmic eternity is at least, and it is probably the legendary nine cosmic eternity!

Only in such a high-level realm, using the unimaginable secrets of clones, can we temporarily create four eternal clones of the five universes!

If faced with a more powerful genius.

He Pei Yuxiao would rather die than accept.

But in the face of an extremely terrifying, suspected Eight Universe, Nine Universe's eternally powerful existence, he could not even think of any defiance!

then.

Kneel on the spot, humbly begging for mercy!

"Ha ha."

"Pei Yuxiao, I gave you a chance."

"But you are not useful, you are not sure."

"Then the fall is inevitable!"

The corner of Su Lang's mouth raised slightly, his eyes were cold, and the Youtian Sword in his hand suddenly cut out!

The other three Xing Cuanyun He clones also started together.

The Qibao Miaoshu confines the opponent's weapons, the mirror flower confuses the opponent's senses, and the heart lock seals all the opponent's retreat!

"Do not!!!"

"Senior, please..."

Pei Yuxiao's heart was filled with endless regret, and he sent out a final begging for mercy.

But half of the cry for mercy, it stopped abruptly!

Because the sword light of Po Yijian has penetrated the countless layers of defense he arranged, and pierced his forehead!

#### [Chapter 2537: Breakthrough, the Four Eternal Realm](#)

"Ding! You get the Eternal Soul\*1, the Universe of Eternal Life\*1..."

The system prompt sounds.

Many trophies appeared in Su Lang's storage space, including Pei Yuxiao's body.

"The Five Universes are eternal, they are already vulnerable."

"Only the eternity of the six universes can struggle in my hands."

"Unconsciously, my strength has reached this point."

"And soon, it will reach a stronger point!"

Su Lang waved his hand gently, the enhanced function was activated, and the Youtian Sword and other weapons were restored to the eternal level of the Six Universes.

Immediately after.

The avatars of Xing Cuanyun disappeared, and the avatars that Su Lang leaned over also returned to the Four Eternal Realm.

"Su...Senior Su Lang!"

Wang Jingchan knelt on the ground, crawling tremblingly, waiting for Su Lang's ruling.

"Wang Jingchan?"

"You didn't take the opportunity to escape?"

Su Lang raised his eyebrows and immediately smiled.

This person had reminded him to run away, although he said he planned for himself, but it was not bad.

If you change to the rest of the people, you will definitely use him as a shield to stop Pei Yuxiao.

"Junior, junior knows that senior will win..."

Wang Jingchan said carefully with a thought.

"Ah."

"From now on you will be my servant."

"Go back and pack your things, bring people, and my people will pick you up to Doudu Universe."

Su Lang smiled softly, the clone's strength dropped again, and he was demoted to Baiying clone.

"Yes, senior!!"

"Junior, no, the slave must throw his blood for the senior without regrets!"

Wang Jingchan was so surprised that he opened his mouth and finally made a sound, expressing his loyalty with excitement.

"Go ahead."

Su Lang nodded lightly.

"Yes!"

Wang Jingchan knocked his head to lead.

Immediately after.

Su Lang's consciousness directly returned to the deity.

It took a little time in the bottom universe.

Many days have passed in this Doudu universe.

Not only the newly placed eternal level exercises have already reached the founding level.

Even the cultivation villain has completely turned golden, and his cultivation base has been saved, I don't know how much!

Even if there are a large number of eternal realm formations to gather cosmic energy.

Su Lang also felt that the cosmic energy concentration around his body was already much lower than before.

In addition.

Xiyitai had also been notified by the clone, and began to pack up and salute, and came to take refuge in Su Lang.

For these people.

Su Lang's arrangement was to put it into his life universe or crystal wall universe to promote the development of the inner world.

At this moment.

Sitting cross-legged.

Su Lang first dealt with the spoils obtained from Pei Yuxiao.

The weapons are disassembled, the universe of eternal life is transferred, and the eternal body is also scraped again, and all the creatures, life planets and continents in the crystal wall universe are searched away.

It's a pity that the auction coordinates of Pei Yuxiao spent a huge amount of money, and later he invited someone to be promoted to the weapon.

Therefore, Su Lang didn't get the origin of the universe.

Finished processing the spoils.

Su Lang's eyes finally fell on him.

It's time for promotion!

"system!"

Su Lang closed his eyes and gave instructions in his heart, "Activate the function of 'Crystal Wall Universe' and perfect the designated Crystal Wall world!"

The order is issued.

The system starts execution immediately.

Wow!

The golden cultivator turned white in an instant, and all his cultivation was integrated into Su Lang's body.

These cultivation bases merged with the Time Dao mastered by Su Lang.

Then pour into those designated crystal wall worlds and start to improve!

Rumble!

The qualitative transformation and sublimation are quickly completed in each crystal wall world, the inner space continues to grow, and the crystal wall becomes stronger and tighter.

Because of the appearance of heaven and earth.

The creatures in these crystal wall worlds reacted fiercely.

But with Luoyou and Moonmoth, two eternal emperor soldiers, two crystal wall universe managers, all the chaos was quickly suppressed.

Under the function of 'crystal wall universe'.

In a short period of time, Su Lang's crystal wall universe increased from six hundred and eighty-eight to one thousand five hundred and fifty-three!

Even more majestic cosmic power burst out from these crystal wall universes, filling Su Lang's body!

"I have entered the Four Eternal Realm!"

Su Lang felt the power of the vast universe in his body, and there was a touch of joy at the corner of his mouth.

### [Chapter 2538: I would like to have an in-depth exchange with His Highness](#)

Four Eternal Realm!

This level has initially stepped into the middle level of the eternal realm, and only one out of a hundred eternities can appear.

"system!"

"Call up the properties panel!"

With a thought, Su Lang issued instructions to the system.

'Properties Panel'

[Activated system functions]: One-key practice function (level 54), one-key martial arts function (level 54), one-key clone function (level 54), one-key treasure hunt function (level 53), one-key alchemy function (19 Level), one-key mixer function (level 19), one-key refinement function (level 19), one-key

synthesis function (level 19), one-key empowerment function (level 28), one-key enhancement function (level 14), One-key decomposition function (no level)

"The combat power reaches the eternal top level of the five universes!"

"It seems that the large number of exercises practiced before has played a lot."

"Although the effects of these ordinary exercises are not very strong after they are upgraded to the eternal state, the victory lies in the number!"

"Tsk tusk, I don't know my combat power at this time, can I use the Devouring clone to reach the eternal realm of the seven universes?"

"..."

The corners of Su Lang's mouth raised slightly, and a slight smile was outlined.

Immediately after.

He picked a copy of the eternal realm exercises and placed it on the Wushu villain and began to practice.

At this time.

There was movement from the transmission treasure on his body.

"It should be from Xiuning."

Su Lang raised his eyebrows, and drew out a palm-sized purple jade sign from his body.

The eternal communication treasure.

He killed so many strong men and gained a lot, among which there are blanks.

This purple communication treasure in my hand.

It was obtained by Su Lang from the hands of an eternal power of the Seven Universes.

After strengthening it several times, it is even more powerful.

Holding the purple jade card and instilling it with the power of the universe.

Suddenly.

A light and shadow projected on it, exactly the figure of Emperor Xiu Ning Zhou Miaoman.

"Friend Su Lang."

"I'm disturbing your practice."

Emperor Xiu Ning Zhou saw Su Lang sitting on the ground, as if he was cultivating, he couldn't help but feel good.

This Su Lang talent is invincible and unparalleled in the world.

But still able to persist in practicing hard.

As soon as the war is over, I will be engaged in cultivation, not letting go of any time!

"His Royal Highness Xiu Ning is serious."

Su Lang smiled faintly, and asked, "Is the remnant power of Emperor Xiuyu Zhou already cleaned up?"

"Not bad."

"This time I was able to eliminate the jade repair faction, thanks to Daoist Su Lang!"

Emperor Xiu Ning Zhou nodded, and as he spoke, there was a hint of gratitude in his eyes.

If there is no Su Lang, let alone destroy the Xiuyu faction, it is not certain whether she will survive.

"Mainly rely on your strength."

"Otherwise, even if I have Infinity, Youtian Sword, Poyi Sword, Life Sword... it is impossible to defeat Xiuyu and the others."

Su Lang smiled modestly and shook his head.

"no matter what."

"Taoist Su Lang has done a great job!"

"Nowadays, the Jade Cultivation faction is not enough, and the universe is unified, but its vitality is greatly injured."

"In order to recover strength faster, Xia Xia is willing to communicate with Daoist Su Lang based on the inheritance of Douxiu ancestors!"

Emperor Xiu Ning looked at Su Lang with a pair of brilliant eyes, full of expectation.

"Dou Xiu Emperor Zhou's inheritance!"

"Yeah...Alright, I am willing to communicate with His Royal Highness Xiuning in-depth through partial inheritance."

Su Lang's thoughts turned, and immediately smiled and said.

He didn't have the inheritance of super eternal power or something!

Some are just various eternal exercises with one-key martial arts function and one-key synthesis function.

The other is alchemy refining arrays or something.

Using part of the eternal techniques that looked good to exchange with Emperor Xiu Ning Zhou was a blood gain.

Just majoring in the exercises can greatly benefit Su Lang.

[Chapter 2539: Fleeing Xiuyu, mysterious man](#)

From the boundless universe to the present.

Su Lang's main practice has always been the Boundless Heart Sutra.

This exercise is the most powerful major exercise in the boundless universe, and it is also the top in many lower universes.

But now, this major exercise method has fallen behind.

at this time.

"that is really good!"

"Where is Daoist Su Lang now, come here now."

Seeing that Su Lang is willing to communicate in depth.

The beautiful eyes of His Highness Xiu Ning couldn't help becoming brighter.

"No need."

"Go to your Royal Highness's palace."

"I don't like being in the wilderness..."

Su Lang twitched the corner of his mouth and shook his head.

The cosmic energy around here has been absorbed by him too much.

Even if there is an eternal spirit gathering array method that continuously gathers the energy of the universe, it is still not making ends meet.

So Su Lang plans to change places.

And the palace of Emperor Xiu Ning Zhou must be a place with abundant cosmic energy.

"it is good!"

"That's down at the top of Luanzhi, Ziyu Tiangong is waiting for Daoist Su Lang!"

His Royal Highness Xiu Ning smiled brilliantly and gave Su Lang the specific address before turning off the transmission treasure.

"Purple Jade Palace!"

"Well, is it this coordinate."

After reading the coordinates, Su Lang stood up and stepped out.

boom!

The magnificent golden figure appeared out of thin air, and then suddenly annihilated, Su Lang within it had disappeared.

Just when Su Lang rushed to the Ziyu Heavenly Palace.

Doudu universe.

In a hidden middle universe.

"Su Lang..."

"Damn it, hate it, \*\*\*\* it!"

"You mess, don't kill you, the deity swears not to be a man!"

Emperor Xiu Yuzhou yelled bitterly while smoothing out the unchecked temporal and spatial fluctuations.

That voice is like the voice of a poisonous snake!

After escaping from Doudu universe.

Emperor Xiuyu Zhou moved forward, through many natural universes, covering his tracks all the way.

In the end, he reached the middle universe, which only he knew about, the real universe.

The flow of time in the universe is very high.

Even in the middle universe, it is the top one.

Normally, the high-level universe is a thousand times the time velocity of the middle-level universe.

But the time flow of Doudu Universe is about 500 times that of Jizhen Universe.

It is precisely because the time flow rate gap is not particularly large.

So Emperor Xiuyu Zhou thinks he still has revenge

——Kill Su Lang before he grows up!

"You must find a way..."

"But, how to assassinate him!?"

"He stays in Doudu Universe, I can't step into it at all, otherwise I will be discovered."

"And they will definitely guard me, set all kinds of traps, and wait for me to get the bait!"

"Take it out of Doudu Universe, and then kill him?"

"But how to seduce him?"

"..."

Emperor Xiu Yuzhou's eyes flickered, and his heart became more irritable.

By this time.

He realized that his revenge might be so weak!

at this time.

Emperor Xiuyu Zhou suddenly sensed an extremely slight fluctuation in time and space!

"what!"

"Su Lang are catching up!?"

"How is this possible? I have covered up the temporal and spatial fluctuations along the way, and left a lot of wrong information!"

"How could they catch up so quickly!?"

Emperor Xiuyu Zhou looked at the place where the time and space fluctuations came in disbelief, the power of the universe in his body surged and he was about to flee on the spot!

but.

A chuckle makes the figure stagnate

—"Emperor Xiuyuzhou, don't come here without problems!"

"you are!"

The expression of Emperor Xiuyu Zhou changed.

I just felt that the voice was very familiar, but it was definitely not Su Lang or Xiuning and others!

"Have you forgotten Mo Wuyuan?"

"My protector!"

A young and handsome, somewhat enchanting man revealed from the fluctuations of time and space.

This young man was holding a white handkerchief, looking very enchanting, without the power to bind a chicken.

but.

The aura on his body is not weaker than that of Emperor Xiu Yuzhou!

Seven universes are eternal!

This monster man's combat power has reached the first echelon of Doudu Universe!

And it's incredible to be someone outside of Doudu universe.

"Mo Wuyuan!?"

"It's you, the little thing I discovered when I tried to sneak into the Doudu universe!"

"Unexpectedly, you grew up to this point, how did you do it!"

"Also, how did you find me!"

"..."

Emperor Xiu Yuzhou's eyes widened, and finally recalled the identity of the man before him.

[Chapter 2540: True inheritor](#)

then.

He is already in the Seven Eternal Realm.

In his eyes, this person is just an ant!

After discovering that this person was trying to sneak into the Doudu universe.

He casually patted two Five Eternals to deal with.

The reply I got at that time was that it had been cleaned up.

Unexpectedly, this person is still alive!

And even reached the Seven Eternal Realm!

It must be known that within the dominant radiation range of the Doudu universe, there is no second high-level universe at all.

So, how did the demon man in front of him reach this level in such a short time! ?

Think carefully.

This person seems as incredible as Su Langyi!

"Hahaha!"

"Emperor Xiuyu Zhou, it's okay to tell you."

"I am the heir to Emperor Gujun Zhou, Su Lang is fake!"

The enchanting man lightly covered his mouth and nose with a handkerchief and let out a chuckle, "You are all cheated!"

"what!!"

"Gujun Zhou Emperor's mantle inheritor!?"

"Su Lang is fake? You, what are you talking about!?! How do you know Su Lang? There is also that infinite heritage!"

"You, who are you!!"

"..."

The emperor Xiu Yuzhou was shocked and asked uncertainly, his heart was even more turbulent.

"Ha ha."

"Formally introduce myself."

"I am Yu Yangli, the inheritor of Emperor Gujun Zhou, the eternal warrior of the seven universes!"

"Emperor Gujun Zhou, that is, my master, is the great power who grabbed the primordial treasure of the Nine Desolate Universe."

"That's what you think, the power that taught Su Lang."

"But in fact it is not the case. Master did not just grab the nascent universe of Jiuhuang."

"He hasn't found a successor in the Nine Desolate Universe."

"But in another small universe, he accepted me as a disciple and taught me how to practice."

Yu Yangli looked at Emperor Xiuyu Zhou with a pair of long and narrow eyes, and said lightly.

Hear this.

Emperor Xiu Yuzhou couldn't help but shook his whole body and fell into a more violent shock.

All kinds of horrified thoughts kept surging in his heart, like boiling water!

The short-lived power in the Nine Desolate universe is called Gujun Zhou Emperor!

But Su Lang is not the inheritor of Emperor Gujun Zhou!

Well.

How did Su Lang be so amazing! ?

That terrifying cultivation base increases the speed, the incomparable eternal emperor soldier, the unstoppable terrifying sword move...

Each one is definitely not something an ordinary eternal warrior can possess!

Endless doubts occupied the mind of Emperor Xiuyu Zhou.

Soon.

He slowly looked at Yu Yangli, who was standing not far ahead, and he couldn't help but feel a deep bitterness in his heart!

Yu Yangli is the inheritor of Emperor Gujun Zhou, and an eternal arrogant who is extremely against the sky!

Even if he didn't practice in the high-level universe, he actually came from behind, catching up with him for cultivating jade!

In a short time.

Emperor Xiu Yuzhou encountered two eternal arrogances who were able to sling him in succession, and suddenly felt a little autistic!

Soon.

"Yu Yangli, you obviously can't be in the Doudu universe!"

"Then how did you know Su Lang and how did you find me!"

Emperor Xiu Yuzhou condensed his eyes, took a deep breath, and asked.

"Have you forgotten those two Five Universes who chased me forever?"

"One of them is already mine."

"I have been following everything in the Doudu universe, and I am ready to find opportunities to intervene in your fight."

"After all, I also hope to enter Doudu universe to practice."

"But I can't believe any of you, nor can I form an alliance with any of you."

"Therefore, there has been no action, just observing in the dark, ready to wait for you to fight Sui You Zhou Yu."

"But unexpectedly, a Su Lang appeared."

"I don't even understand now, why Su Lang dared to be so bold, so rashly to form an alliance with Xiuning faction!"

As Yu Yangli spoke, his brows frowned slightly, puzzled.

cautious.

It is the basic quality necessary for a strong person.

But what Su Lang did was really too bold and reckless.

Yu Yangli had speculated on the situation of substituting himself into Su Lang.

If he was betrayed after forming an alliance, his fate would be absolutely horrible, and he would almost certainly fall completely.

Don't talk about the altar of the universe origin contract.

The Doudu universe's lifespan is already short, and the universe will be annihilated. At that time, this contract will have a hairy use.
