[Chapter 2621: It's good now](#)

"then?"

Xie Xuanyi pointedly said, "Then there is a Taoist protector for Fellow Taoist..."

This statement came out.

Suddenly it was like a thunderbolt in the blue sky blasting in Yangli's ears, making him tremble all over, like an electric shock!

His Royal Highness Xiu Ning and all the elders' guardians were also shocked!

"Yes!"

"Master Su Lang does not have a protector, Gu Jun can hope that he can hone his fighting talents to the greatest extent and become a real strong man."

"Gu Jun Da Neng never thought of cultivating a 'pseudo strong man' who can only inherit the Taoism. His direct disciples must be top eternal talents with cultivation and fighting talents!"

"The Daoist Yu Yangli has a Taoist protector, and his growth process is safer and his practice speed is faster. This is to cultivate a quick master!"

"The role of Daoist Yu Yangli is to tell Master Su Lang who has finished his training with Gujun's great power, and by the way, become Master Su Lang's protector and helper!"

"Yes, Master Su Lang has to work hard before he can finish his training. The cultivation level will be a little behind. After the training, safety becomes more important. This requires Daoist Yu Yang to protect him for some time. "

"It can make Gu Jun know that there are tigers in the mountains and go to Hushan. That battle absolutely conceals the secrets of Tianda. He hopes that Su Lang can face the danger and go to him!"

"..."

The guards of the elders sighed with emotion, and you said all the thoughts of their brains.

This sentence.

It was like a burst of thunder in Yang Li's brain, making his eyes burst, and his heart was full of grief and anger.

It turned out that he was not Xianzi, but he was just a tool man prepared by Master for Su Lang.

He is worse than being an idler! !

"Master, why, why are you doing this to me!!!"

"I am also your disciple, why do you want me to be Su Lang's protector!!!"

"I am not reconciled, I am your disciple, I am not a quick master, not a tool for Su Lang!!!"

"..."

Yu Yangli trembled constantly, screamed hysterically, and almost collapsed on the spot, losing control.

His Royal Highness Xiu Ning, all the elders sighed after seeing this scene.

Xie Xuan shook his head.

He didn't want to say it, but Yu Yangli wanted to listen.

Now it's all right, and it's heartbreaking again!

at this time.

"Junior Brother."

"In my opinion, this is not a fact, but a rather biased guess."

Seeing that Yu Yangli was about to split, Su Lang was about to blacken, and he immediately offered relief.

This statement came out.

Everyone suddenly changed their expressions and looked at Su Lang.

"you you....."

Yu Yangli was already jealous of Su Lang, and he almost blurted out "You are so fake."

But he still held back.

Finally changed to

—"Brother, do you really think so? How do you explain Master's arrangement?"

Yu Yangli stared at Su Lang with bloodshot eyes.

This personal disciple, who made him jealous, turned out to be someone who wanted to comfort him?

He wanted to see what Su Lang said.

"in fact."

"Master did not expect so many twists and turns."

"He just wants us to protect each other."

"You have a high level of cultivation, and my fighting ability is perfect. After I recognize each other, I can make up for and help each other, so that I can reach a higher realm faster!"

Su Lang looked at Yu Yangli friendly and smiled faintly.

Hear this.

His Royal Highness Xiu Ning and Xie Xuan and other elder guardians all had a meal, and then nodded slightly to show that these words make sense.

"This, this, really?"

"Master really didn't think about nurturing me to be you, brother, your protector?"

Yu Yangli stared at Su Lang with wide eyes, and asked in disbelief.

"Of course."

"You think, if you are really the protector arranged for me by the master, why didn't he tell you from the beginning that you are the protector for me? Instead, he wants to give you the status of a disciple?"

"Don't he know that after you know that you are a protector, you will have a huge psychological gap, which will easily make me wait?"

With a faint smile on his face, Su Lang shook his head and said helplessly.

[Chapter 2622: What a mindset is this](#)

This statement came out.

"Yes!"

"If Master Gujun tells me directly, I am your protector, and when I come into contact with inheritance, I will recognize my position."

"But the master didn't do that, so he treated me as a disciple and wanted me to wait for each other to protect each other."

Yu Yangli seemed to see the blue sky aside from the clouds, suddenly cheerful, and most of the anger and resentment in his heart dissipated again.

His Highness Xiu Ning, Elder Xie Xuan and others also brightened their eyes.

"Master Su Lang is correct!"

"Yes, yes, this is the real intention of Gu Jun Da Neng!"

"Yes, it is only natural for the brothers to protect each other. How can the brothers be the guardians of the way for the brothers?"

"My guess before waiting was indeed too biased. I'm really sorry for Yu Yang's departure from Fellow Daoist!"

"..."

Xie Xuan and others, you look at me and I look at you, and immediately apologized to Yangli.

"it's okay no problem."

"I know Master won't do that, Master has me in his heart!"

Yu Yang went up and down, showing a slight smile, bowing his hands in return.

Soon he looked at Su Lang.

This brother-in-law had repeatedly suppressed him when he met each other, but now he spoke for him and relieved his knot, which made him change his mind.

just.

The resentment and jealousy in his heart still exist.

Because no matter what he said, he did not get the most perfect inheritance, without the original exercises.

He was just a registered disciple, no matter how he lowered Su Lang.

In the end, he probably still wants to be Su Lang's little brother and become his support.

There is this thorn in my heart.

Yu Yangli, who considers himself extraordinary, cannot completely look away...

But at this moment.

"Master's intention, I have already seen through it."

Su Lang suddenly looked straight and said, "So, I didn't plan to swallow these exercises alone."

This statement came out.

"what--!!"

Yu Yangli trembled, looked at Su Lang dumbfounded, and exclaimed uncontrollably!

He was jealous and indifferent to Su Lang, and regarded him as an enemy.

In his opinion, Su Lang would definitely conceal how much he would conceal him, stomping him firmly under his feet to maintain his noble status as a personally transmitted disciple.

But at this time.

Su Lang was willing to share the original techniques left by Emperor Gujun Zhou with him! !

This has completely exceeded Yu Yangli's imagination.

"Ah this!"

"Master Su Lang is willing to share the original exercises with Daoist Yu Yang!"

"The technique is not comparable to ordinary inheritance, it is the most perfect inheritance!"

"Hi, Lord Su Lang, what a mind-boggling is this!"

"Master Su Lang is so admirable!"

His Highness Xiuning and the others also changed their expressions, very surprised.

Among them, His Highness Xiuning was even more surprised.

Because she knows more.

Su Lang knew that Yu Yangli was secretly colluding with Emperor Xiu Yuzhou, but he was still willing to share the original technique!

That was the original technique of Emperor Jiuzhou Eternal Gujun Zhou.

That even represents the identity of a direct disciple!

But Su Lang didn't care!

This mind is definitely the only one seen in her life.

"Friend Su Lang did this..."

"Could it be to influence Daoist Yu Yangli, let him disperse his grievances, and take the initiative to explain the collusion with Emperor Xiuyu Zhou?"

His Royal Highness Xiuning thought so, and then looked at Yu Yangli, but saw that Yu Yangli was staring at Su Lang.

Just then.

"This is the original technique of the seven secrets of inheritance."

With a wave of his hand, Su Lang took out the original seven-character secret technique and placed it on the case table.

Yu Yangli's gaze was instantly absorbed by the seven inherited techniques.

Even His Royal Highness Xiuning and others couldn't help but look at them.

Xiuning was actually right.

For Yu Yangli.

Su Lang really intends to fight for it.

After all, Yu Yangli was in collusion with Xiuyu, and if Yu Yangli turned, it would be easy to get Emperor Xiuyu Zhou.

In addition, these exercises originally came from Yu Yangli's body.

The exercises were originally such things.

Su Lang only needs to remember the slightest incomplete meaning of the exercise.

Both can use 'fragmented repair' to create exactly the same brand new exercises.

So giving all the exercises to Yu Yangli is no big deal.

Even if Yu Yangli refused to return.

He got the original exercises, and he couldn't understand anything in a short time, and Su Lang didn't have any loss.

at this time.

The seven inheritance mysteries were originally placed on the case table.

"I won't let Junior Brother choose, just accept them all."

Su Lang pointed to the original exercises on the case table and smiled faintly.

[Chapter 2623: Yu Yangli stunned](#)

what?

No choice!

Accept all directly! ?

As soon as this statement came out, everyone present was stunned instantly!

Su Lang was willing to share the original exercises with Yu Yangli, which was already extremely kind.

Even if you just share one of the original exercises, you can't fault it.

But now.

Su Lang wanted to share all the original exercises with Yu Yangli.

It is important to know that Yu Yangli was very inconsistent with Su Lang before!

Su Lang is willing to do this, it is really great for Yang Li, who has just met the named junior brother!

"What, what!"

"This, this, give me all!?"

Yu Yangli looked at Su Lang dumbfounded, his face full of stagnant horror.

He couldn't believe his ears at all!

He was jealous and hated Su Lang before, and was extremely greedy for the perfect inheritance of the Seven-Character Secret.

He was always thinking about **** Su Lang and seize the inheritance!

Even if Su Langzhai kindly said that he wanted to share the original exercises with him, the greed and jealousy in his heart had not all disappeared.

Because he thought Su Lang just wanted to give him a bit of sweetness and win him over.

Share it, this is just a painted pie. Actually, it all depends on Su Lang.

But now.

Su Lang unexpectedly wanted him to keep his mind so that the original seven-character secret inheritance technique that made him misbehave many times was given to him!

This is simply a big pie Duang slammed on Yu Yangli's head.

This heavenly pie is not a painted pie, but a real pie that you can eat right in front of you! !

Yu Yangli, who was hit by the pie, was extremely shocked and confused, and directly wondered if he was dreaming!

"Oh my god, it will be given to fellow daoists?"

"Such a good brother, please give me a dozen!"

"Master Su Lang is so kind, I have lived all my life, and I have never seen such a generous person!"

"Friend Yu Yangli has such a senior brother, it's so lucky!"

"..."

His Royal Highness Xiuning, Elder Xie and others looked at Su Lang and Yu Yangli in a daze, with awe.

"of course it's true."

"Do you think I would make fun of this kind of thing?"

Su Lang smiled indifferently, "Accept it, Junior Brother Yu Yang, I hope you won't disappoint my kindness."

He bit the word 'failure' harder, which was a hint to Yu Yangli.

Except for His Royal Highness Xiu Ning knew that Yu Yangli had colluded with Emperor Xiu Yuzhou.

Although the rest of the elders and guardians did not know this, they also heard the meaning of Su Lang's words.

Everyone looked at Yu Yangli, waiting for him to speak.

"I understand, Brother Su Lang."

Yu Yangli recovered from the confusion, took a deep breath, suppressed the ecstasy, and respectfully agreed.

Countless thoughts flashed through his mind like a storm.

The seven-character secret technique was originally obtained like this!

But what should I do after I get it?

He is now in an alliance with Emperor Xiuyuzhou, and has formulated a detailed strategy against Su Lang!

After getting the inheritance, do you continue to lurk beside Su Lang and continue to implement the plan?

Or do you find a chance to escape and fly away with the inheritance?

Or maybe, letting Su Lang shed all his suspicions, and truly identify with the relationship with the brothers?

It's the moment of crazy thinking in Yang Li.

"What do you understand?"

Su Lang's faint voice came, and a pair of eyes stared at Yu Yangli faintly.

If this level is achieved and Yu Yangli is unwilling to surrender, then it is completely hopeless and must be killed.

"what?"

"What do I understand?"

"of course....."

Upon hearing Su Lang's words, Yu Yangli felt a little inexplicable at first.

Of course, to live up to Su Lang's kindness, everyone should work together to maintain the relationship between brothers and sisters.

But then.

He tasted the flavor of Su Lang's words.

"What does he know?"

"He knows that there are still some bad thoughts in my heart?"

"Or does he want me to surrender to him in public?"

"He first gave me all the original inheritance techniques, and then he was so strong, he wanted to give me a red date to kill another big stick?"

"But he said in public before that he should protect each other, how could he oppress me so quickly?"

Yu Yangli felt aroused in his renunciation, "And his tone doesn't look like he wants to smash me!" suddenly.

"Of course what?"

Su Lang's voice came again.

He retracted his gaze to look at Yu Yangli, with a faint disappointment in his eyes.

[Chapter 2624: You made the right choice](#)

See this scene.

Yu Yangli finally had a flash of inspiration and thought of the main points!

"Yes."

"He is suspecting that I colluded with Emperor Xiuyu Zhou."

"I have a chess piece under Xiuyu's command, and Xiuyu has just been defeated and fled, I will appear, he will definitely doubt it, no, he should have been determined!"

"Back to my original choice, should I choose to repair jade or Su Lang?"

In Yu Yang's centrifugal thoughts, countless thoughts collided, and he made a choice in a blink of an eye.

"Of course, kill Xiuyu!"

"I have formed an alliance with Xiuyu secretly, I know where he is!"

Yu Yangli took a deep breath, lowered his head and arched his hands and said, "Senior brother, I was so dazzled by the surprise, I didn't react for a while, I hope Senior Brother forgive me!"

As he said.

There are no eternal enemies in the world, only eternal interests.

Before the alliance, he and Xiuyu were also enemies.

And this time.

The obvious benefits of choosing Su Lang are even greater, and much greater.

First of all.

Master Gu Jun alone is a huge bargaining chip.

If he chooses to deviate from Su Lang, the 'personal disciple', he is deviating from Emperor Gujun Zhou!

If Emperor Gujun Zhou knew, he would clear the door.

At that time, it will be useless for him to escape from Yu Yang.

Secondly, by joining Su Lang, you can directly get countless benefits, such as inheriting the original exercises, such as the high-level universe time flow rate...

The advantages and disadvantages are clearly laid out in front of you.

How to choose is actually very clear.

"You made the right choice, good."

Su Lang looked at Yu Yangli, who bowed his head and arched his hands, with a smile on his face.

"Hi, Fellow Yu Yangli really formed an alliance with Emperor Xiu Yuzhou."

"It's no wonder that just after Yu Yangli was defeated, Fellow Yu Daoist appeared. This is not a coincidence."

"Haha, Yu Yang didn't know the identity of Lord Su Lang before he left the Daoist Fellow. Those who don't know are not guilty. Now it is great for the prodigal son to turn around."

"Now that Fellow Yu Yangli has abandoned the secret to the Ming, the Emperor Xiuyu Zhou is still in the dark, and we will let him taste the taste of being stabbed back!"

"..."

Elder Xie Xuan, the law protector and others looked at each other, exclaiming, and then showing surprise smiles.

at this time.

"Junior Brother accept the original inheritance technique."

While Su Lang waved his hand, the Qiben exercises on the short table originally appeared directly in Yu Yangli's arms.

Six small flags, a folding fan, this is what Yu Yangli dreamed of.

Looking at these seven treasures in his arms.

Yu Yangli suddenly felt a sense of dream.

"Master asked me and Senior Brother Su Lang to support each other."

"But after all, he only regarded me as a registered disciple, and didn't pass on the original practice to me."

"But now, Senior Brother Su Lang has personally handed it to me."

"Senior Brother Su Lang's benevolence really makes me ashamed. I was wrong!"

Yu Yang's emotions were like waves surging in his ecstasy. As he sighed, deep regret arose.

He regretted that he was greedy and jealous because of the Seven Great Inheritance Techniques, insulted Su Lang, and even murdered in secret.

Fortunately, it is not too late to look back.

"Junior Brother now tell me the story of you and Emperor Xiuyu Zhou."

Su Lang asked with a smile, knowing that Yu Yangli and Xiuyu must have a conspiracy to form an alliance.

"Yes, brother!"

"I have known Doudu universe many years ago and tried to sneak into it. Later..."

"After I formed an alliance with him, I formulated a series of plans. The original plan was to expose Brother Su Lang's 'fake identity', and secretly form an alliance with the Xiuning faction, treating Senior Brother Su Lang as a donkey to grind and kill him. donkey....."

"After dealing with Brother Su Lang with the help of the Xiuning faction, we will attack the Xiuning faction again..."

Yu Yangli arched his hand at Su Lang, and then with a trace of regret, he told everything about it.

After listening to Yu Yangli's words.

Xiu Ning and others took a breath in secret.

Although the plan designated by Yu Yangli and Emperor Xiuyuzhou was simple, it was very useful.

The only surprise was that Su Lang's identity exceeded Yu Yangli and Xiuyu's imagination.

Su Lang is not a fake inheritor, but a real inheritor, even more true than Yu Yangli himself!

Then Yu Yangli's divorce plan fell through.

[Chapter 2625: The younger brother who exposed the pink handkerchief](#)

"Originally, I was pretentious, but I was not reconciled, and suddenly a direct disciple appeared on my head."

"In addition to the original greed for the Seven Great Inheritance Techniques, and the jealousy that Senior Brother Su Lang shouldn't have, I have a bad mind that lurks down and makes chaos secretly."

"But now, I know what's so extraordinary about me. I really can't compare to Senior Brother Su Lang."

"Thanks to Senior Brother Su Lang who influenced me with his generous heart and made me understand my mistakes."

"Senior brother Yu Yangli, he was dissatisfied with his brother before, and he repeatedly slandered him. Please punish him!"

As Yu Yangli spoke, he bowed deeply to Su Lang, full of confession.

"It's okay to know the wrong and wish to correct it."

"I look forward to your performance."

Su Lang smiled and nodded, but he was a little embarrassed in secret, he actually didn't have much generosity and righteousness.

The seven-character secret technique originally came out of Yu Yangli's body, and this technique belonged to Emperor Gujun Zhou.

A profound causal relationship has been formed between him, Yu Yangli, and Emperor Gujun Zhou, and the three are intimately connected.

Su Lang was very curious about Emperor Gujun Zhou, the Lingxu Fragmented Realm, and the battle that the Nine Universe Power also participated in with a mortal heart.

With Yu Yangli's line and a good business relationship, he can get in touch with the battle that Emperor Gujun Zhou participated in quickly and conveniently.

Su Lang is willing to take the initiative to throw an olive branch and give Yu Yangli a chance, and it is precisely on this point.

"Thank you brother!"

"The younger brother must follow the example of the younger brother and reform!"

Yu Yangli was moved when he saw Su Lang let go of his fault gently.

Naturally, a pink handkerchief appeared in his hand, and he rubbed his eyes with his fingers.

He immediately became stiff, his movements were stagnant, and he quickly retracted the handkerchief.

I don't know why.

Yu Yangli liked pink and handkerchiefs since she was a child, so she got a pink handkerchief.

But under normal circumstances it is impossible for him to use it in front of others.

Even the last time I talked to Xiuyu, I used a white handkerchief.

Only in the place where he can dominate everything, such as the natural universe under his control, in his own life universe, can he turn himself into pink as he pleases and use a pink handkerchief.

But even so, he always feels bad.

At this moment,

Yu Yangli accidentally exposed the pink handkerchief.

And it's still in front of the newly recognized brothers, and a group of abilities of the same level!

He suddenly felt that he was swept by embarrassment!

In fact, the eternal emperor Zhou used a handkerchief for nothing, it was completely past.

But the key is to expose the color.

Although he took it back quickly, everyone had already seen the pink handkerchief!

In the eyes of everyone.

Although the handkerchief is considered a weapon.

But for the Eternal Realm, it is just the most common item, and it can wipe things without any threat.

And when Yu Yangli took it out, he really wanted to wipe something.

Therefore, everyone knows that the handkerchief is probably the handkerchief that Yu Yangli usually uses.

Yu Yangli actually used a pink handkerchief, which is really novel!

"Pink handkerchief?"

"Friend Yu Yangli actually used a pink handkerchief?"

"Men's handkerchief...it doesn't matter, but the pink handkerchief..."

"..."

Surprising thoughts arose in everyone's hearts, and their gazes towards Yu Yangli gradually changed slightly.

"The handkerchief was given by the next friend just now."

"That friend is very important to me. Now that I am meeting with my senior, he must be very happy to know that, so he couldn't help taking it out."

Yu Yangli looked at the eternal emperors with different eyes and explained with a smile.

"Oh, that's it!"

"It was given by Yu Yangli's friend of Daoist friend."

"It looks like that friend must be a delicate and beautiful lady!"

"When will Fellow Yu bring that confidante to meet your senior brother?"

"..."

Xie Xuan and the others suddenly realized, they nodded and discussed.

The embarrassing group of Yu Yang could only nod their heads in agreement, and then secretly worry about where to find a confidante.

[Chapter 2626: Brother, I understand](#)

"Tsk tusk, in order to avoid social death, even this trick is used."

Su Lang also felt a little funny in his heart, but he didn't expect Yu Yangli to have such a side.

But it is not something that a benevolent brother can bear to do so that he can get into an awkward situation.

"Ahem!"

Su Lang coughed lightly, attracting everyone's attention.

"It's over!"

"Does Senior Brother Su Lang want me to bring that confidante who doesn't exist at all?"

Yu Yang shuddered in his centrifugation, and drummed up.

But what Yu Yangli worried about did not happen.

On the contrary, it was far beyond his expectations.

"as far as I know."

Su Lang smiled slightly, "Pink is also called a macho color. Only a real macho and a warrior can control this color!"

This statement came out.

Everyone suddenly felt that this was so strange.

But why does it sound a bit reasonable?

The problem seems to lie in the character 'Meng'!

"This...Brother, what's the explanation for this?"

Yu Yangli's expression moved, and he asked hurriedly.

The rest of the people also looked at Su Lang, wondering what the secret was in it.

"This involves the spiritual core of 'Meng'."

"The spiritual core here has changed from 'brave, steel, and rugged' to 'bravely show one's truth.'"

"For men, pink is usually difficult to show bravely, so it's called a macho color. Those who dare to control pink are macho!"

Su Lang looked straight, and said very seriously.

Hear this.

Everyone was taken aback, and then suddenly realized!

"So there is such a mystery in this!"

"Pink, masculine color, represents a man's indomitable bravery!"

"Master Su Lang is really righteous, knowing the truth we don't know, and he deserves to be a true eternal arrogant."

"..."

Everyone, look at me and I see you, nodding their heads in agreement.

"It turns out that pink is a macho color!"

"It turns out that what I like has always been macho sex, but I regard it as a shame that cannot be made public!"

"Brother, I understand, I understand!!!"

Yu Yangli's eyes widened, staring at Su Lang closely, with a sense of understanding and surprise in his eyes!

Immediately after.

His pink handkerchief resurfaced in his hand, twirling his fingers.

Not only that.

His brilliance flashed, and a man's robe turned pink!

"..."

Xiu Ning, Xie Xuan, Ming Hua and others stagnated and felt something was wrong, but after hearing Su Lang's reasoning, they couldn't tell what was wrong.

Yu Yangli looked at Xiuning, Xie Xuan and the others, then looked at Su Lang, and then at himself, he also felt that something was wrong.

at this time.

"Junior Brother."

"Macho looks need to be controlled with courage and ferocity in order to embody their spiritual core."

"Your custard's appearance is not good."

Su Lang looked at Yu Yangli with a serious face, and said seriously.

"Yes, exactly!"

Everyone's eyes brightened, and they looked at Su Lang with admiration.

"That's it!"

"Thank you brother for your guidance, brother brother, I have realized it again!"

Yu Yangli exclaimed excitedly with a stunned expression on his face.

next moment.

His face and physique have undergone some adjustments, and his overall style has changed drastically. He has changed from a small creme into a brave physique, and his face is like a sharp and rough man.

This immediately formed a sharp contrast with the pink robe and the pink handkerchief held by the two fingers!

"Appeared, this is the feeling, the spiritual core of the macho!"

Xie Xuan slapped his thigh and exclaimed.

The people around were also whispering, full of surprise.

"Thank you Brother Su Lang for teaching me."

"From now on, Junior Brother will control this macho look all the time!"

Yu Yangli had a serious expression on his face and saluted Su Lang with great determination, and even a hint of Taoism appeared when he spoke!

"This is a skyrocketing mood!"

"I didn't expect Fellow Yu Yangli to get such a chance."

"Before Yu Yang was a daoist friend, hiding in Tibet, walking on thin ice, now he has broken through himself!"

"Friend Yu Yangli is also worthy of being Su Lang's junior and senior fellow. His savvy is too high and he is admirable!"

"Greeting to congratulate, really gratifying to congratulate!"

"..."

Xie Xuan and others immediately got up and congratulated Yu Yangli.

[Chapter 2627: Pink macho brother](#)

"This is all thanks to the brother."

"Without the teachings of senior brother, it is impossible to have an epiphany!"

Yu Yangli stood up and replied, and finally saluted Su Lang deeply.

"..."

Su Lang smiled without saying a word, looking like an expert.

But looking at the younger brother, who was all pink and had a tough face, was shocked and astonished.

What the hell?

Just talk casually, is this cheap junior really enlightened?

Su Lang looked at Yu Yangli carefully and found that his mental outlook had changed a lot.

The radiant face was inlaid with two energetic eyes, full of courage and perseverance to face everything.

Although he is wearing a pink dress, he is still holding a pink handkerchief with **** on his right hand.

But it can make people see his upright and courageous spirit at first sight, which is shocked, admired and valued.

It is impossible for any contemptuous thoughts to arise, even the enemy.

This guy seems to have really become a macho! ?

"Pink macho, amazing!"

Su Lang thought so in his heart, and nodded to Yu Yangli, motioning him to sit down.

Yu Yangli understood Su Lang's meaning and immediately sat back to his original position, the surprise in his eyes could not be concealed.

at this time.

"Junior Brother."

"In addition to the seven-character secret inheritance, does the master give you the rest of the exercise inheritance?"

Su Lang smiled and asked Yu Yangli, this is the time to poke wool from this pink macho junior.

Of course.

Su Lang would not treat the pink macho junior badly.

Originally, he didn't know how many eternal techniques he had, and he could make up for his younger brother by just taking out some!

"Brother, all the exercises other than the seven-character secret inheritance are here."

After listening to Su Lang's words, Yu Yangli took out his inheritance with a wave of his hand without saying anything, put it into the space treasure, and stuffed it into Su Lang's arms.

"As expected of the pink macho junior, refreshing!"

Su Lang smiled in his heart, and nodded to Yangli with approval.

Immediately after.

Su Lang used his spiritual thoughts to scan the large number of inheritances in the space treasure, and quickly read them all.

The quality of these inheritances is certainly not as good as the seven-character secret inheritance.

But in general, they are all very advanced eternal techniques, which will be of great benefit after practicing.

Among them, there is the "Wuliang Liyu Juntian Chaos Sutra" majoring in the practice of Emperor Gujun Zhou.

This is a major exercise technique that is more advanced than the perfected "Zhou Long Xuanxin".

Before that, Su Lang had always turned off the one-key practice function, and he hadn't revealed the main practice.

Therefore, Yu Yangli did not know that his major at this time was not "Wuliang Liyu Juntian Chaos Sutra", but "Zhou Long Xuanxin".

Otherwise, Yu Yangli would definitely have to doubt, and then he would need some explanation.

"Great."

"With this main practice method, my basic practice speed will rise again."

Su Lang thought in his heart, almost laughed out loud, and immediately changed his main practice to "The Wuliang Liyu Juntian Chaos Sutra".

On the surface.

He did not move, nodded slightly, and accepted those exercises.

Then he took out a lot of eternal exercises originals, piled up a sharp hill on the short table.

"This...this is the original eternal technique!!!"

Yu Yangli was shocked, "There are so many!"

Xie Xuan and the others were also extremely shocked, their eyes straightened.

Even if His Royal Highness Xiu Ning had obtained Su Lang's 490 original exercises, he couldn't help covering his small mouth in surprise when he saw the more original exercises.

"These eternal techniques are the original."

"Some are the inheritance left by Master Gujun, and some are I snatched from others."

"Since I have said that I want to share it with my younger brother, these exercises can be practiced casually by my younger brother."

"For some of these exercises, I can also directly empower you, so that you can master the exercises faster."

Su Lang pointed to the original exercise technique that was piled up in small hills, and said to Yang Li with a smile.

"what!!"

"So many of the original exercises are not only left by the master, but also from Brother Su Lang's own collection!"

"But Junior Brother, I have a dull talent. I can't practice so many exercises in a short period of time. I can comprehend the seven-character secret exercises.

"So you should ask the senior brother to take back these exercises!"

When Yu Yangli saw that Su Lang had even taken out his private goods, he was immediately moved.

But in the end he refused, because he has limited time and energy and can't practice...

"Also."

"You want to practice the exercises, come to me for it."

Su Lang smiled slightly, nodded, and immediately looked at His Royal Highness Xiuning.

[Chapter 2628: Deduction of perfect Zhou Long Xuanxin](#)

".....?"

His Royal Highness Xiuning couldn't help but wonder when seeing Su Lang looking at him.

The others looked at His Royal Highness Xiuning, and also looked at Su Lang.

"Is such that."

"Didn't I exchange some exercises with your Highness before?"

"Those exercises are not the main inheritance I got, but some exercises with relatively low value."

"But the inheritance given to me by His Highness Xiu Ning is the complete inheritance of Emperor Dou Xiu Zhou."

There was a trace of apology in Su Lang's expression, "Therefore, about the exchange of inheritance, I actually broke the contract."

This statement came out.

Everyone was taken aback.

Immediately afterwards, Xie Xuan and others immediately changed their expressions.

"Master Su Lang must not say this!"

"The original value of the eternal technique you gave us has exceeded the inheritance of Emperor Dou Xiu!"

"Yes, that is the original 490 eternal exercises!"

"What's more, Master Su Lang has already obtained part of the inheritance of fighting cultivation from Emperor Xiu Yuzhou's subordinates, and the part we paid is not a complete inheritance of the exercises!"

"Master Su Lang, please take back what we said before, we owe Master Su Lang!"

"..."

The guardians of the elders spoke with each other, with agitated expressions.

"Friend Su Lang!"

"You not only gave us 490 eternal exercises, but you also instilled the profound meaning of ninety-nine-eighty-one exercises into the little girl!"

"This is no longer comparable to the inheritance of Emperor Dou Xiu!"

His Royal Highness Xiuning stood up, and saluted Su Lang with a solemn expression.

Watching the scene before him.

Yu Yangli, the pink hunk, only felt a little surprised, and didn't care about Su Lang giving some exercises to Xiuning.

In his opinion, apart from the seven-character secret, the other inheritance is actually not important.

Besides, Senior Brother Su Lang is the person he respects most now.

What he is most interested in is Su Lang's indoctrination methods.

This kind of magical technique of infusion of profound meaning has appeared many times in Xie Xuan, Xiuning and other populations.

Every time they talk about it, their faces are filled with wonder.

At this time.

"Thank you for your understanding, Your Highness Xiuning."

Su Lang got up, bowed to everyone, and said, "But a breach of contract is a breach of contract, and this matter must be compensated."

Talking.

Su Lang took out a group of miniature star sea vortex and placed it on the table.

"This is... "Zhou Long Xuanxin"!?"

"It is the profound meaning of "Zhou Long Xuanxin" technique!"

"I also practiced "Zhou Long Xuanxin", but why does the profound meaning of this exercise give me some different feelings?"

"It's really different, I feel that the profound meaning of Zhou Long Xuanxin is more perfect!"

"This, this, what is going on?"

"..."

Xie Xuan and others looked at the miniature nebula on the case table and exclaimed.

"Friend Su Lang, this is...?"

His Royal Highness Xiu Ning seemed to have guessed something, but he didn't dare to be sure, so he looked at Su Lang with some doubts.

"Before I asked His Highness Xiuning Xiuning for the main exercise "Zhou Long Xuanxin" to watch."

"As a result, I found that this method had a slight flaw, so after enlightening it, it took a while to complete it."

"Although this nebula-like "Zhou Long Xuanxin" exercise method is not the original exercise method, it is no longer different from the original exercise method."

Su Lang looked around at everyone, smiling, "This is my compensation to His Highness Xiuning."

The scene before him, Su Lang's words, made everyone's expressions stagnant and dumbfounded!

"what!"

"Taoist Su Lang actually deduced the flaws of "Zhou Long Xuanxin" to perfection!?"

His Royal Highness Xiuning widened a pair of beautiful eyes, and his gaze at Su Lang was full of disbelief and surprise.

After disappearing from Dou Xiu.

The "Zhou Long Xuan Xin" handed down has a flaw, which is something that every generation of Dou Xiu descendants knows.

These flaws seem trivial, but they actually have a huge impact on the cultivation of the eternal realm.

After Dou Xiu, the eternal power of the Eight Universes never appeared in Doudu Universe again, and most of the reasons were due to this.

Unexpectedly, it would be difficult for His Highness Xiuning and the elder guards to break through to the Eight Eternal Realm!

But for countless years.

Generations of struggles and inheritance struggled, tried hard to deduct, but all failed!

No one has the ability to complement and perfect it!

But today.

Su Lang actually deduced this major exercise to perfection!

[Chapter 2629: Everyone sit down, all sit down](#)

"It's incredible!"

"Master Su Lang actually performed "Zhou Long Xuanxin" to the perfection!"

"Then "Zhou Long Xuanxin" is not the original of Emperor Dou Xiu, but a more powerful creation. It is really shocking that Master Su Lang can perform it and perfect it!"

"Yes, Master Su Lang, in his current realm, has deduced and perfected the major exercises above the eight-dimensional level, and his understanding of exercises is incredible!"

"In addition to Zhou Long Xuanxin, Master Su Lang also instantly restored "The Secret of Death Without Life". Your Lord is definitely the eternal powerhouse with the highest talent in the history of the endless universe!"

"Master Su Lang has deduced "Zhou Long Xuanxin" to perfection. For us, this is a great kindness that is absolutely hard to repay!"

"Yes, the perfection of "Zhou Long Xuan Xin" means that our chances of breaking into the Eternal Realm of the Eight Universes will be greatly increased!"

"..."

Xie Xuan and others looked at Su Lang in amazement, with shock and respect in their eyes!

at this time.

"The little girl thanks Daoist Sulang for her great kindness!"

His Royal Highness Xiu Ning burst into gratitude, and Miao Man's delicate body was short and knelt down to Su Lang.

"His Royal Highness Xiuning is not allowed!"

Su Lang thought, and his whole body strength surged out, trying to support the body of His Royal Highness Xiuning.

However, His Royal Highness Xiuning also gushed out the power of the universe, resisting Su Lang's power, and knelt on the ground!

Now it's not fighting desperately.

Su Lang only has the power of the top level of the Six Eternal Realm, how can he support Xiuning, a master of the Seven Eternal Realm?

"Beijing Master Xie Sulang for kindness!"

Protectors such as Xie Xuan, Elder Yu, Cheng Cheng, Elder Zhong, and Yue Hua also knelt down to Su Lang with solemn expressions.

Suddenly.

The people in front of Su Lang were all short.

"Brother...this is too powerful!!"

"With my own efforts, "Zhou Long Xuanxin" was promoted to perfection in a short period of time, and it has won the highest respect and gratitude of everyone in the Xiuning faction!"

"I don't know when, I can be as powerful as Senior Brother?"

The pink hunk Yu Yangli looked at Qi Zhou Da Neng on his knees and looked at Su Lang in shock, with a look of looking up in his eyes.

"Xiu Ning, all elders protect the law, get up quickly."

"If I don't get up again, I will use "The Secret of Death Without Life"."

Su Lang shook his head and smiled bitterly when he saw that his strength could not support Xiuning and others who were kneeling.

Talking.

There really was a violent and unclear breath emerging from him.

"Master Su Lang must never!"

His Highness Xiuning and the elder guards changed their expressions and got up one after another, and walked towards Su Lang in a hurry.

"That's right."

Su Lang smiled brilliantly, raising his hands and pressing down, "Sit down, everyone!"

Everyone didn't dare to go against Su Lang's wishes and sat down one after another.

"The complete meaning of "Zhou Long Xuanxin" has been handed over to His Highness Xiuning."

Su Lang flicked his right hand, and the miniature nebula suddenly fell into Xiuning's hands like a small cloud.

"Thank you Daoist Su Lang!"

Xiu Ningzhen took the Miniature Nebula very seriously, her beautiful eyes gleaming brightly.

Since I met Su Lang, all the opportunities have come!

First, he forced out the traitor Jingzhi, saved her life, helped her unify the universe...instilled 91 eternal exercises to her, and gave her the original 490 eternal exercises... Now, she has also deduced and perfected the main practice Zhou Long Xuanxin, so that her eight cosmos can be expected!

In it, everything is a great grace that is difficult to repay, Xiu Ning really doesn't know how to repay it!

"I have seen a lot of exercises, and perfecting the major exercises is just a matter of effort."

Su Lang smiled and waved his hand, "Also, we are our own, please feel free to ask me if you have any questions in the future, don't be embarrassed."

Hear this.

The gratitude in the eyes of His Royal Highness Xiu Ning and the elder guardians grew stronger.

At this time.

Su Lang looked at the pink hunk Yu Yangli again: "The same is true for Junior Brother. In terms of cultivation techniques, please ask me if you have any questions."

"Yes, thank you brother!"

Yu Yangli nodded excitedly.

[Chapter 2630: Just follow Master Su Lang's words](#)

Yu Yangli had already identified with the senior brother Su Lang.

And he knew that the gap between himself and Su Lang could not be filled by his cultivation.

Although Su Lang's cultivation base is low now.

But in Yang Li's eyes, Su Lang was much better than him.

Therefore, asking Su Lang for questions is not a shameful thing, but a normal thing.

And Yu Yang also happened to have countless questions about exercises that he wanted to ask Su Lang.

Throughout his life in the practice, he basically practiced on his own, and after his cultivation level surpassed the protectors, he has been cultivating on his own without anyone communicating with him.

He was willing to communicate with Emperor Xiuyu Zhou before, and it was true that there were too many backlogs, but he couldn't find the same level of warriors to exchange experience and solve problems.

At this time, with Su Lang, a 'senior fellow', and still a super genius, how could he not ask for advice?

"Ok."

"Now, let's discuss about Emperor Xiuyu Zhou."

Su Lang nodded, looked around everyone, and said lightly.

Emperor Xiuyu Zhou must die.

The question is, how should this guy die?

"Emperor Xiu Yuzhou dared to be an enemy of Senior Brother Su Lang, and he has hunted down and hunted down Senior Brother many times. He must die!"

"Junior Brother knows where he is currently hiding, so he will take Senior Brother and fellow daoists to kill him!"

The pink hunk looked angry, and he couldn't wait to catch Xiuyu and kill him immediately.

"This person is very sinful and must die!"

Elder Yu nodded, "I agree with fellow Taoist Yu Yang, and I will eradicate Emperor Xiu Yuzhou now to avoid future troubles!"

But at this moment, Su Lang shook his head.

"Master Su Lang thinks how to deal with Emperor Xiuyu Zhou?"

His Royal Highness Xiuning looked at Su Lang and asked expectantly.

When the others saw this, their eyes fell on Su Lang one after another.

"Emperor Xiuyu Zhou really must die."

"But we don't actually have to be too eager to kill him."

"With my junior brother, any whereabouts of him will be exposed under our noses, and he will not be able to make waves."

"On the contrary, he was defeated in the Doudu universe and fled to the unknown universe, but he still holds part of the natural universe in his hands."

"These natural universes can be regarded as part of the Doudu universe's background, but you can kill him directly. These backgrounds can't be gathered in a short time."

"I intend to let Junior Brother lurking by his side, instigating him to gather those details."

"Then, kill him again!"

Su Lang said indifferently.

"Indeed!"

"Master Su Lang is thoughtful and reasonable!"

"As expected of Lord Su Lang..."

Xie Xuan and others listened and nodded in agreement.

"Brother!"

"The Emperor Xiu Yuzhou himself is also an eternal force in the seven cosmos."

"Should Junior Brother go to confuse him and let him secretly contribute to the opportunity to deal with Suiyou Zhouyu?"

Yu Yangli, the pink hunk, smiled, with a very expressive look.

"no need."

"Emperor Xiuyuzhou knows he is weak."

"No matter how you fool him, he will definitely not be exposed before Doudu and Suiyou Zhouyu's situation is settled and the outcome is divided."

"Moreover, keeping him is a variable. After he gathers the remaining details, we will kill him."

Su Lang smiled and shook his head.

He also thought about using Emperor Xiuyu Zhou's eternal combat power in the seven cosmos, but finally gave up.

One seven universe is eternal.

His cultivation level has improved, and his combat power has reached the Seven Universe Eternal, and there will be more than one hundred Seven Universe clones...

and so.

Just use the Emperor Xiuyu Zhou to collect resources.

"Yes."

"The Emperor Xiu Yuzhou is full of hatred for us, even if he fools him, he may change temporarily."

After listening to Su Lang's words, Yu Yangli said suddenly.

"Master Su Lang is right!"

"Just follow Master Su Lang's words!"

His Royal Highness Xiuning, Xie Xuan and other guardians of the old Zhang also nodded in agreement.

"Ok!"

"After I return, I will go to fool the Emperor Xiu Yuzhou and let him gather the remaining details."

Yu Yangli stood up and arched his hands to everyone.

"it is good!"

"I will retire temporarily."

His Royal Highness Xiuning and others knew that Yu Yangli had something to say to Su Lang alone.

So they retired.
