[Chapter 2781: This Su Lang really has a big secret](#)

"Su Lang!"

"I think you are a craftable material, so I will make an exception and promise to accept you as a disciple."

"But since you don't want to, but choose the second solution, then the second one!"

Emperor Gu Jun Zhou still had a smile on his face, but he was the kind that didn't smile.

In his heart, he was very angry and shameful!

He thought that Su Lang would worship him and be a respectful disciple who served him respectfully.

But I never expected that Su Lang would refuse so straightforwardly when he spoke to that level!

However, he had no intention of giving Su Lang a good end.

Therefore, this account will be recorded together, and finally calculated! !

"Thank you Senior Gu Jun for understanding."

"These are the eternal techniques that Xia is willing to give."

"Senior Gu Jun can choose seven books at will!"

Su Lang smiled, waved out a lot of eternal exercises.

These exercises were originally created by him using the 'fragment repair' function. They are all very high-level, but they do not cost much.

For Su Lang, it is okay to be able to use these exercises to understand this period of cause and effect.

It doesn't matter if Gu Jun Zhou turns against him. It's a big deal to write down this hatred and kill him later.

The mere nine universes are eternal, so great?

at this time.

Various exercises were originally floating in the air.

There are treasures, warm jade, golden branches and jade leaves, and so on.

All kinds of bright jewels bloomed from above the exercise books, making Li Hong and others' eyes bursting, and they couldn't remove it anymore!

'The original eternal technique!'

'It turned out to be the original eternal technique, and so many!'

"These eternal techniques are not simple, it seems they are all high-level eternal techniques secret techniques!"

'Su Lang, this soil bun, where did so many original exercises come from! '

'This guy, I'm afraid that he won the inheritance of the eternal power of the Nine Universes? '

'Hey, if I can get the originals of these eternal techniques, after successfully practicing, I will be able to greatly increase my combat power! '

'I want it so much, I want it so much! '

'...'

All kinds of shocked, surprised, unbelievable, and greedy thoughts appeared in the hearts of Li Hong and others, causing them to be speechless.

at the same time.

Emperor Gu Jun Zhou was also shocked.

If he talks about the original exercises, he has, but there are definitely not so many, and the level is not as good!

'Su Lang, this guy really has a big secret! '

'Hmph, these secrets, I must get my hands! '

Emperor Gu Jun thought so, and smiled on the surface: "Little friend Su Lang has so many eternal cultivation techniques. I don't know where to learn from. Maybe I know it?"

"Oh, the juniors have no teacher."

Su Lang smiled and shook his head, then closed his mouth and said nothing.

'No teacher! ? '

'Absolutely fake! '

'But it may also be that the power that preached his spiritual path has long since fallen! '

'Maybe, I can test him again! '

Gu Jun Zhou's thoughts flickered like a storm, and immediately said, "So that's it, Su Lang's skills are very valuable.

But the old man is very old and doesn't have much energy to practice more exercises. "

How about replacing Su Lang with a treasure of heaven, material and earth, or the core of the universe?
"

This statement came out.

The shocked Li Hong and others stared at Su Lang again, to see what good things this guy could bring out!

Emperor Gu Jun Zhou also looked at Su Lang with a smile.

We need to see what kind of natural resources this Su Lang can produce, is it infinitely valuable, or even he will be shocked!

"Senior doesn't need exercises? Want other treasures?"

"If that's the case, the younger generation will exchange it with the natural treasures."

Su Lang was noticed by everyone, and he still smiled calmly, then collected the original exercises with a wave of his hand, and turned to take out a large number of natural treasures.

These treasures of heaven, material and earth are all high-quality goods he left behind specially, all of them are rare and exotic treasures above the eternal realm of the eight universes!

There are even several treasures of the Nine Eternal Realm.

A small part was won from Shang Quhan, and most of them were fortified with the eternal treasures of the eight universes.

Moreover, all these strange treasures that Su Lang took out were all strengthened, and the quality became even more advanced!

[Chapter 2782: Sing black face, red face](#)

therefore.

After seeing these natural treasures.

Li Hong and others were dumbfounded, their eyes were about to fall out!

Even Emperor Gu Jun Zhou couldn't hide his surprise!

'really!'

'This kid's possessions are so rich!'

'This must have gained all the mantle of a certain senior Nine Eternal Martial Artist, and it may even be multiple Nine Eternals!'

'Su Lang, my luck is too bad, but it's now in my hands, hehe! !'

Emperor Gu Jun Zhou looked at those cherished eternal grade materials, and his thoughts moved forward.

As an eternal warrior of the Nine Universes, materials of the same level are really rare.

First of all, there are few treasures in the Eternal Realm of the Nine Universes, and there are few warriors. It is difficult to exchange and trade. The difficulty of obtaining the treasures of the Nine Universes is very, very high!

Over the years, Emperor Gujun has collected not many eternal treasures of the Nine Universes.

It was only in this lifetime that the weapon was promoted to the eternal top level of the eight universes.

How could he not be pleasantly surprised when he saw these treasures that Su Lang took out?

After the surprise, it was a strong greed!

at this time.

"These treasures."

"Every three treasures is worth a secret technique."

"Senior chooses 21 of them, and we are both cleared."

Su Lang pointed at the dozens of rare and exotic treasures in front of him, and said with a smile.

"Three kinds are worth one secret technique."

"Is this a bit missing?"

"I have the seven-character secret inheritance, each of which is of infinite value, can the three be worth it?"

Emperor Gu Jun Zhou frowned and shook his head, "In my opinion, all of this is almost the same."

The words came out.

Li Hong and others immediately echoed loudly!

"Not bad!"

"How cherish the seven-character secrets, these heavenly materials and earth treasures together can barely equal the value!"

"Friend Su Lang, you have also practiced the seven-character secret. You should know how powerful the seven-character secret is!"

"That is, you are really bullying people by changing these three materials to another one!"

"Friend Su Lang, these materials are actually equivalent to the Seven-Character Secret. After you exchange it, you have to swear not to reveal any content of the Seven-Character Secret!"

"In my opinion, these eternal techniques were originally combined with these heavenly materials and earth treasures to be worth the value of the Seven-Character Secret!"

"..."

Li Hong and the six others spoke up one after another, raising the price of the seven-character secret while belittling Su Lang's treasure.

The words in it are simply outrageous.

Listening to these people's speeches, Su Lang sneered repeatedly in his heart.

at this time.

"Shut up!"

"Are you talking here?"

Emperor Gujun Zhou coldly scolded Li Hong and the others, and immediately nodded to Su Lang, "Daoist Su Lang, the three kinds of materials for a secret technique are indeed less, add a little."

Seeing Emperor Gujun Zhou with a blushing face, Su Lang sneered even more. The acting skills of this group of people in the secret road were almost stretched to the extreme!

Of course, this group of people also have unscrupulous elements, so they are so exaggerated, even if they are seen, it does not matter.

at this time.

After the performance of Emperor Gujun Zhou, Li Hong and others, they looked straight at Su Lang!

"Haha!"

"Everyone, although the seven-character secret is powerful, it's like that in my eyes."

"These eternal treasures of heaven and earth that I have given are things you can't find if you want to find them."

"I have suffered a lot from trading three kinds of heaven, material and earth treasures for a secret technique!"

Su Lang said indifferently, and his tone suddenly became indifferent, "If Senior Gujun would not agree to such a good condition, then there is no point in continuing to talk."

These words are very tough!

So that Emperor Gujun Zhou, Li Hong and others were dumbfounded.

'What happened?'

'Su Lang turned down so hard?'

'How dare he be so tough, he simply doesn't put Master Gujun and me in his eyes!'

'Damn it, this son is really damn, I don't have any eyesight!'

'Damn, this son must be cured. Seeing his arrogant and indifferent appearance, I really want to slap him!'

'...'

All kinds of inconsistent thoughts appeared in the hearts of six people including Emperor Gujun Zhou and Li Hong.

"Su Lang!"

"you....."

Among the six people including Li Hong, some couldn't bear it, and wanted to scold him with a green expression.

Chapter 2783: Yu Yangli's choice

But at this moment.

Gu Jun stopped the person and said, "Little friend Su Lang, you know the truth of thinking twice before acting. It's better to think about it. I can suffer a bit."

"A little loss?"

"Do you still think you have suffered? What about your face? No more?"

Su Lang raised his eyebrows and went back without fear.

"Little friend Su Lang!"

The hypocritical smile on Emperor Gu Jun Zhou also disappeared, turning into indifference, "If you don't want to trade, just say it."

"what can I say?"

"You didn't force me?"

Su Lang curled his lips and said with a sarcasm, "I call you senior, you really rely on the old to sell the old, and treat me like a soft persimmon!"

The words came out.

The chill on Emperor Gu Jun Zhou's face grew deeper and deeper!

"Su Lang!"

"You really are a guy who doesn't know good or bad!"

"Su Lang, you have to understand your current situation, you toast and not eat fine wine, think about your fate!"

"I really don't know good and bad people!"

"..."

Li Hong and others all spoke up, yelling at Su Lang, and the last bit of skin was torn!

These words are also their true thoughts.

In their opinion, it is such a great honor to be able to cling to Emperor Gu Jun Zhou!

But Su Lang is so ignorant of promotion, he is simply stupid!

just.

They didn't know that a solitary Emperor Zhou was really not qualified to let Su Lang apprentice.

Even if it is beyond the existence of the endless universe, it is not qualified!

But they are frogs at the bottom of the well, and Su Lang's heritage has long exceeded their imagination!

"Su Lang!"

"Are you sure you think about it?"

Emperor Gu Jun Zhou looked cold, and reached out his hand to hold the teacup in a playful posture.

"I naturally thought it over."

"The value of the seven-character secret is there!"

Su Lang nodded calmly, "However, I can still give you some treasures, but it has another meaning."

This word came out.

Emperor Gu Jun Zhou put down the tea cup and said with a smile: "What do you mean?"

In his opinion.

This is a sign of Su Lang's softness!

What else could it be?

But Su Lang's words broke his mind.

"Gu Jun Daoist Fellow!"

"The treasure of heaven and earth that I gave separately is given by Yangli."

Su Lang smiled slightly and said calmly.

"what?"

"Yu Yangli!?"

"What the **** do you mean?"

When Emperor Gu Jun Zhou heard Yu Yangli's name, his brows were frowned.

"What do you mean specifically."

"Let Yu Yang leave him alone!"

The corner of Su Lang's mouth raised slightly, and after waving his hand, Yu Yangli was released.

In a blink of an eye.

The figure of Yu Yangli appeared in front of six people including Emperor Gu Jun Zhou and Li Hong.

"Yu Yangli!"

"Seven Eternal Realm, the eternal power of the Eight Eternal!"

"It deserves to be the one I chose, it's really extraordinary!"

Emperor Gu Jun saw Yu Yangli's details at a glance, and a trace of pride rose in his heart.

Li Hong and the other six people discovered the strangeness of Emperor Gujun Zhou, looked at each other, and spoke:

"Master Gu Jun really has eyes like a torch, and the selected inheritance disciple far exceeds the same level!"

"This kind of talent must have the talent to impact the Nine Universe Eternal Realm, the lonely master is wise!"

"Yu Yangli's achievements today are all created by the Seven-Character Secret on Lord Gu Jun. The Seven-Character Secret Inheritance is really powerful!"

"..."

Li Hong and other six people, each one a flattery, photographed Gujun Zhou Emperor in the clouds.

Soon.

In Su Lang's smile, Emperor Gu Jun Zhou said: "The treasure of heaven and earth you gave is for Yu Yangli to recognize my ancestor and return to my ancestry, and respect me. Well, that should be what it meant!"

This statement came out.

Su Lang still laughed and said nothing.

And Yu Yangli took a deep breath: "Junior Yu Yangli, I would like to thank senior Gujun for the gift of inheritance. The junior is willing to repay this grace with the treasure of heaven and earth!"

Hear here.

Gu Jun and Li Hong nodded slightly.

But Yu Yangli did not finish.

He continued: "After repaying this kindness, the younger generation will make it easier for the older generation to have nothing to do with you!"

Hear this.

The expressions of Emperor Gu Jun Zhou and others changed drastically, as if they had eaten flies' shit!

[Chapter 2784: Even if there are ten, I am not afraid](#)

"what did you say!"

"You actually want to sever my kindness!!"

"Yu Yangli, don't forget who selected you from the micro-ends and bestowed the inheritance to come to this step!"

"White-eyed wolf, Yu Yangli, you are really a white-eyed wolf!"

"..."

Emperor Gujun Zhou gritted his teeth and yelled coldly, while Li Hong and the six others yelled at each other, glaring at each other, wishing to peel off Yu Yangli's skin!

"Senior Gu Jun."

"I haven't fully decided this matter yet."

Standing on Su Lang's side, Yu Yangli looked at Emperor Gujun Zhou without fear, "However, after seeing your words and deeds towards Brother Su Lang, I finally fully understood my choice!"

Emperor Gu Jun really gave him the inheritance.

However, it only left the inheritance, without any precepts and deeds, it is completely stocking!

Yu Yangli was frightened. Gou had been in the Yilong Universe for so many billion years. Isn't it because he didn't care about Emperor Gujun Zhou?

In addition.

What Gu Jun Zhou had done to Su Lang before has allowed Yu Yangli to fully understand what kind of person Gu Jun is.

This made him extremely disappointed, and the image of the master in his heart collapsed!

At last.

Su Lang is really good to him, all kinds of instructions and eternal cultivation techniques, without the name of a teacher and apprentice, but there is the truth of a teacher and a student!

then.

He made up his mind to use enough heaven and earth treasures and lonely Jun En to cut his righteousness, and then followed Su Lang.

To this.

Su Lang naturally raised his hands in favor, and Yu Yangli's share of heaven and earth treasures, he also came out!

The cost is not high anyway.

at this time.

Yu Yang's resolute words were said, and Gu Jun and the others were even more dark, almost intent to kill!

"Yu Yangli, are you sure!?"

Emperor Gu Jun Zhou took a deep breath and asked word by word.

He is the eternal power of Nine Universes!

Even in the countless natural universes in the endless universe, it is the handful of people standing at the top!

but,

Yu Yangli chose to follow Su Lang instead of him!

This is humiliation!

Severe humiliation!

It was like a slap in his face!

"I'm sure!"

Yu Yangli bowed his hands and gave the last salute.

Immediately after.

His figure disappeared from the original place, this was taken into the universe of life by Su Lang.

Su Lang has more than fifty lives, but he has only one life.

In order to prevent Emperor Gu Jun Zhou from suddenly starting his hand, he naturally had to put it away.

And this scene.

It made Emperor Gu Jun Zhou almost furious!

"Su Lang!"

"You are going against me!"

Emperor Gu Jun Zhou's voice was as cold as ice, "You think you can't escape from my hand!!!"

"Su Lang! If you go your own way, you will definitely die!"

"Now you have one last chance, take Yu Yangli and admit your mistakes together so that you can hold onto your life!"

"Kneel down, you kneel down for Master Gujun, you idiot!"

"..."

Li Hong and the others were filled with righteous indignation, their outstretched hands almost poke Su Lang's nose.

"Hahahaha!"

"Gu Jun, you thought I came to Shuang Yao Universe by myself, didn't you think about the result?"

"I'm telling you the truth, don't say you are a Nine Universe Eternal, even if there are ten, I am not afraid!"

Su Lang was calm and undaunted, and a sneer was outlined at the corner of his mouth, "Now I give you one last chance and promise my terms, otherwise it will be enmity with me!"

"you!!"

"Su Lang, you are so arrogant and arrogant!"

"I won't show you some color today, you really treat yourself as a person!"

"..."

After hearing Su Lang's words, Emperor Gu Jun instantly became angry and stood up, staring at Su Lang with cracked eyes!

this moment!

Endless killing intent erupted from Emperor Gu Jun Zhou, covering a range of tens of thousands of light years.

"Emperor Gu Jun Zhou is angry!"

"Who dared to provoke Lord Gu Jun Zhou, he is dead!"

"Master Gu Jun Zhou calms down his anger, and his servant is willing to die for you and fight against the thief who is disrespectful to you!"

"..."

A large number of practitioners knelt down on the ground, quarreling with each other and fighting spirit!

And among the tall towers.

Facing the eruption of Emperor Gu Jun Zhou's killing intent, Su Lang remained calm, even with a slight smile on the corner of his mouth.

This look immediately made Emperor Gu Jun Zhou more and more angry!

[Chapter 2785: The atmosphere is dignified and tense](#)

"Master Gu Jun!"

"Su Lang has been disrespectful to you many times, so let me wait and kill him!"

"Su Lang, you are dead, you asked for it!"

"..."

Li Hong and others cried out their eternal imperial soldiers sonically.

Suddenly!

The sword, light and sword shadow enveloped the entire chamber, cold like a wave, blades like a forest!

The atmosphere of the scene was dignified to the extreme, like a bowstring about to break!

but.

Su Lang, the client, looked like an outsider, still looking at Emperor Gu Jun Zhou and others with a smile, as if watching an actor's performance!

This reaction.

The emperor Gu Jun Zhou, who was already furious, calmed down, squinted his eyes and stared at Su Lang!

'This kid, facing such a mortal situation, he is so unhurried! ?'

'Does he really have any hole cards that can escape from my hand and is not afraid of me chasing him?'

'No, no matter how powerful he is, he only has the power of the Eight Eternal Realm, and he can never fight the true Nine Eternal Realm!'

'This person is mostly pretending, even if I guess wrong, he really has a hole card, it's just that he is righteous.'

'...'

A lot of thoughts appeared in the mind of Emperor Gu Jun, and his vicissitudes but bright eyes were once again full of killing intent!

at this time.

"What are you staring at me?"

"Do you think you can stare me to death with your eyes?"

The corner of Su Lang's mouth outlines a disdainful smile, his eyes are full of playfulness, "If you want to do it, do it quickly, don't waste my time, can you!?"

This statement came out.

He almost vomits blood to people like Gu Jun and Li Hong.

This Su Lang is so arrogant!

"Su Lang!"

"Since you want to die, then I will fulfill you!"

Emperor Gu Jun Zhou had a hideous complexion, his aura skyrocketed, and the blue sword light gathered around him, containing extremely terrifying power!

"sword?"

"Come and try to see if your sword is powerful or mine is powerful!"

Su Lang glanced at the countless blue sword lights of Emperor Gu Jun Zhou, waved his hand in disdain, and condensed a broken sword!

In the current state, it is definitely impossible to fight against Emperor Gu Jun Zhou.

But Su Lang has decided to use death instead of playing this Gu Jun Zhou, so he is not afraid at all!

"You sword light... really good."

Emperor Gu Jun saw the extraordinary of Su Lang Po Yijian, and sneered, "However, you, the caster, are too low level!"

That's it!

Emperor Gu Jun Zhou was ready to emit his countless blue sword light.

Su Lang was also ready to test the eternal power of Gujun Zhou Emperor.

But at this moment.

A strong temporal and spatial fluctuation suddenly came from not far away, and it contained several breaths of the Nine Eternal Realm!

This sudden situation.

Let the two parties in the chamber that are going to fight to stop at the same time and look out.

"Who is it!"

"Why can they easily enter my upper universe!?"

Emperor Gu Jun Zhou exclaimed in his heart, and a strong sense of crisis arose!

In his opinion.

These people here are probably related to Su Lang!

It might even be Su Lang's backing, so this kid would be so arrogant and unscrupulous!

Thought of this.

Emperor Gu Jun Zhou couldn't help but glanced at Su Lang, his pupils shrank slightly.

Li Hong and others looked at each other even more, and the vest suddenly oozes a layer of cold sweat!

But none of them knew.

Su Lang was also a little strange.

I wonder why the Nine Eternal Eternity came to the Shuang Yao universe, and why the Emperor Gujun Zhou was so wary.

It is here.

Three silhouettes flew beyond the top of the giant tower.

One person was dressed in a green robe, with fluttering robes, and handsome.

Wearing a gray robe and a curtain hat, one person is full of mystery.

There is another person, wearing an ice blue long dress, with a graceful figure, attractive curves, and a beautiful face. She is a stunning girl!

And these three are all eternal warriors of the Nine Universes!

Stand in the air outside the top of the tower.

The beautiful girl in the ice blue long skirt stepped forward and said:

"The Emperor Xia Li, a member of the Xuanyu Alliance, is here to visit Emperor Gujun Zhou!"

[Chapter 2786: This woman has influenced my sword](#)

This woman.

It was the Emperor Li Xuanzhou who had been sent by Shang Jiuqu to find him before, but he had not found it!

then.

Li Xuan took the entire universe to leave, went to the Xuanyan universe, and joined the Xuanyu Alliance.
today.

Together with the three eternal powers of the Nine Universes, they found the Frost Obsidian Universe Region, the emperor Gujun Zhou.

at this time.

When Emperor Li Xuan Zhou arched his hand and spoke, Emperor Gu Jun Zhou suddenly understood that he had guessed wrong!

The three Li Xuan are here to visit!

And from beginning to end, he didn't look at Su Lang more.

In other words, the possibility of having a relationship with Su Lang is actually very small, almost zero!

Thought of this.

Emperor Gu Jun Zhou, Li Hong and others couldn't help but breathe a sigh of relief!

'Humph!'

'I thought it was Su Lang's patron!'

'So these three have nothing to do with Su Lang at all!'

'It's scary. Fortunately, these three have nothing to do with Su Lang, otherwise they will be in big trouble!'

'...'

Li Hong and other six people had various ideas in their hearts.

"It turns out to be Daoist Li Xuan!"

"These two fellow Taoists are also members of the Xuanyu Alliance? I don't know how to call them!?"

Emperor Gujun Zhou arched his hands at Emperor Li Xuanzhou and the other two, and said with a smile.

"Let's pray for everything."

"It's in Kudamatsu Yuanchen."

The handsome man in the green robe and the man in the gray robe and hat hugged Gu Jun, with good manners.

"Gujun Daoist friend."

Emperor Li Xuanzhou smiled and said, "Uninvited, please forgive me."

"Where!"

"The visitor is a guest, please sit down, please sit down!"

Emperor Gu Jun Zhou waved his hand, and a set of case tables and futons made of Eternal Realm materials appeared in the wave of his hand.

"Then I'm welcome."

Emperor Li Xuanzhou, Wan Qixing, and Song Yuanchen nodded one after another, and immediately prepared to sit down.

"Master Gu Jun, seniors, I'll retire first!"

Li Hong saw that several Nine Universe Eternal bosses were preparing to discuss, so he clasped his fists and retired.

"Well, you guys step back."

Emperor Gujun Zhou nodded, and immediately said with an apologetic expression to the three of Li Xuan, "Three, please sit down and wait. There is also a kid who doesn't know how to etiquette. Let me take care of it!"

Finished.

Then he stared at Su Lang with a cold face, and the killing intent spread.

Li Hong and the others retreated, while sneering at Su Lang constantly, their eyes seemed to be looking at a dead person!

By now, it was completely certain that Li Xuan and others had nothing to do with Su Lang!

So, Su Lang is doomed to escape!

of course.

How Gu Jun, Li Hong and others sneered, how the killing intent was diffused, Su Lang laughed and didn't say anything.

"So courageous!"

Emperor Gu Jun Zhou was even more angry when he saw that Su Lang looked down on human expressions so much!

"If you want to do it, hurry up."

Su Lang raised his eyebrows, and finally said, "It's harp, are you still a man?"

"Kneel me down!!"

Gujun Emperor Zhou's eyes were cracked, and the blue sword light appeared again, densely packed, like a school of fish on the seabed!

The powerful Nine Universe Eternal Realm aura permeated.

The time and space where the entire tower is trembling crazily and distorting!

"Ah!"

"Let me see how capable you are and how many days I can surpass you!"

Su Lang gave a chuckle, and pointed his right hand into a sword, breaking a sword with pure white sword light like a poisonous snake, tearing through time and space!

Originally, Li Xuan and others didn't care much about the fight between Emperor Gujun Zhou and Su Lang.

One Nine Universe Eternal Realm to clean up an Eight Universe Eternal Realm is a matter of breathing.

But at this time Su Lang showed the broken sword sword light, but it attracted the attention of the three of Li Xuan and others.

Just when both shots are about to attack!

"slow!"

Emperor Li Xuanzhou suddenly said.

This slow sound immediately relaxed the atmosphere that had solidified to the extreme.

"Friend Li Xuan, is this...?"

Emperor Gujun Zhou frowned slightly, maintaining his supernatural powers, turning his head to look at Li Xuan and the other two.

"This woman has also affected my sword..."

Su Lang also looked at Emperor Li Xuanzhou faintly, and complained in his heart.

"Gujun Daoist friend."

"You still don't know the purpose of our trip."

"Our trip is to invite fellow Taoist Gujun to join our Xuanyu Alliance."

Emperor Li Xuanzhou smiled, "In addition, the warriors who are expected to be eternal in the Nine Universes are also among our invitations."

[Chapter 2787: Recruitment of Emperor Lixuanzhou](#)

Speaking of which.

Song Yuanchen also clasped his fists and said, "This junior is not bad. I don't know any conflicts with Daoist Gujun. If it can be resolved, I will try my best to resolve it, how about?"

Wan Qixing also nodded, indicating that he had the same meaning.

"You want me to let him go?"

Emperor Gu Jun Zhou frowned, "You know, this Su Lang has humiliated me many times, and I won't cry without seeing the coffin, I won't let him go!"

More importantly, he didn't say.

That is, Su Lang possesses many secrets, and even Shang Jiuqu is willing to exchange the eternal residual pages!

"Gujun Daoist friend."

"Now the world of great controversy is about to come, in the endless universe, all forces are crazy to increase their strength!"

"This is to be able to protect yourself in troubled times!"

"This Su Lang has the potential to be promoted to the Nine Eternal Realm. He is a rare talent."

Emperor Li Xuanzhou smiled and said, "If you don't share the enemy, it can be resolved."

"A world of great competition!"

"I have indeed heard of it."

Emperor Gu Jun Zhou is not a blind and deaf person, he has also heard the saying about the world of great controversy.

At first he thought it was a rumor.

But then the page of eternal life appeared more and more frequently, and he gradually became convinced.

Going to remote cosmic regions to search for the nascent natural universe and to search for materials with innate characteristics is for the possible great controversy.

If the world of great controversy really comes, it will be a terrifying battle than ever before!

Even he must be treated with care!

"In a world of great controversy."

"The more we are, the greater the strength, the better we can protect ourselves and strive for more benefits."

"Our leader once bluntly said that if we can dominate in a world of great controversy, members of the alliance will get at least three pages of eternal life!"

Wan Qixing went on to say, "As we all know, the feasibility of getting a page of immortality is not high, but if you have three pages, there is enough hope!"

"Therefore."

"The purpose of our Xuanyu Alliance is to absorb all the masters of the Nine Universe and Quasi-Nine Universes that can be absorbed."

"If Daoist Gujun and Su Lang can clear up the past, and join the Xuanyu Alliance, I am willing to pay a certain amount of compensation."

Song Yuanchen nodded and looked at Emperor Gujun Zhou with a smile.

"make up?"

"Do you get a commission for every person you collect?"

After listening to Song Yuanchen and the others, Su Lang couldn't help but smile.

"indeed!"

"Moreover, those who join the alliance are also treated well."

Emperor Li Xuanzhou nodded, "After all, interest is the easiest way to connect people."

at this time.

"A few fellow Taoists."

"This Su Lang is indeed a little extraordinary."

"But that's all, the Eternal Warriors of the Eight Universes don't know how many are stuck in the level and can no longer advance!"

"Pulling him into the Xuanyu Alliance is a suspicion of making up for it."

Emperor Gujun Zhou looked at Li Xuan and the others with flickering eyes, clasped his fists and said, "Xia Xia is willing to give you some compensation, please give up La Sulang's idea of joining the alliance."

Su Lang is a man with a big secret!

If you are in the same league, you won't be able to start!

"It's true."

"To recruit people into the alliance, there are also minimum mission requirements."

"Just after entering the league in Xia, there is an urgent need to complete mission targets."

"It's hard to find the strong in the Nine Universe Eternal Realm, and it's not easy to find the genius of the Nine Universe."

"In the Xuanyu Alliance, in addition to the bottom, there are more people pulling people around."

"These two fellow Taoists have already completed the mission targets, so they are willing to take them out for such a trip."

"Also ask Daoist Gujun to give me a better face, and I will definitely give Daoist Gujun satisfaction."

Emperor Li Xuanzhou sighed and said sincerely.

After listening, Song Yuanchen and Wan Qixing nodded and agreed.

Hear this.

"This Su Lang and I have a deep hatred!"

"Unless your Excellency can give me a complete page of immortality, I won't talk about it."

"Furthermore, your Excellency also said that Xuanyu Alliance is not the only team recruiting members from outside."

A ray of light flashed in the eyes of Emperor Gu Junzhou: "Otherwise, I can't do the things that I have said before!"

[Chapter 2788: Gujun, you are nothing but that](#)

This statement came out.

Song Yuanchen and Wan Qixing suddenly frowned slightly.

Emperor Li Xuanzhou was taken aback, glanced at Su Lang, and finally shook his head and said, "Forget it..."

A quasi-nine-cosmic genius is incomparable with a real senior nine-cosmic powerhouse.

The reason she offered to solicit Su Lang was just to try, and she had also fought for it at this time.

Since Emperor Gu Jun Zhou refused to let people go, it had to be forgotten.

just.

Everyone present didn't know that Su Lang had no idea of joining the alliance.

"Thanks for understanding."

Emperor Gu Jun Zhou smiled at the three of Xuanyu Alliance and turned to look at Su Lang.

But he saw that Su Lang was thinking about something while touching his chin.

"Humph!"

"Little bastard, kneel down to me, you!"

The countless azure blue sword lights between Emperor Gu Jun Zhou's wave of his hand suddenly burst out.

But these sword lights did not mean to kill Su Lang.

Because Emperor Gujun Zhou wanted to capture Su Lang alive and squeeze out the secrets from him!

But seeing these sword lights turned into countless azure blue silk threads, woven into a tight net, covering Su Lang's body up and down!

See this scene.

Emperor Li Xuanzhou and the others all thought that Su Lang would definitely be arrested.

Emperor Gu Jun Zhou thought the same way, and a sneer flashed in his eyes.

"The world is dead! Break a sword!"

Su Lang's expression was indifferent, and he threw out his fingertips!

In an instant!

Under the profound meaning of the world's dying, the sword light of the broken sword is as dazzling as the blazing sun, exploding fiercely in the blue sword net!

Rumble!

The Azure Sword Net shook slightly, and immediately stabilized, showing no signs of loosening.

But this scene.

But let Gujun Zhou Emperor, as well as Li Xuan, Song Yuanchen, and Wan Qi behave!

Su Lang has only the aura of eight celestial levels.

However, this move that broke out caused the sword net of the senior Nine Universe Eternal Realm to tremble!

This is incredible!

Emperor Li Xuanzhou had a trace of regret in his heart.

This is the first time she has seen a talent like Su Lang!

at this time.

The pure white sword light in the azure sword net quickly faded, revealing Su Lang with his usual face.

Although the universal nirvana upright directly emptied all his cosmic power.

But his secret of recovery is not a display!

Just the secret technique of innocence, without using the cosmic domain dominating secret technique, can instantly restore a large amount of cosmic power.

'This kid!'

'Can issue such a powerful attack!'

'Although it's just a sword net set up at random, it shouldn't be something he can shake!'

'The key is that this kid's resilience is so strong, it's outrageous!'

Emperor Gu Jun Zhou was surprised and sneered on the surface: "Su Lang, you are really weak, you dare to be arrogant in front of me!!"

"Ah."

"Gu Jun, you are nothing but that."

"I will surpass you soon!"

Su Lang chuckled and said, "Now, if you don't want my life, then I will go, and I will kill you if I have a chance!"

With that said, he raised his eyebrows!

Such a scene.

It was obvious that Emperor Li Xuanzhou and the others were gaping.

This Su Lang is too arrogant!

As an eternal warrior of the eight universes, trapped by the eternal warrior of the nine universes, what can you say? What's gone? Why did you have a chance to kill Gu Jun?

"what?"

"Do you want to go? You can go!!"

"When you die, you dare to speak quickly!"

"I must let you taste the most painful punishment in the eternal realm!!"

"I want to strip your crystal wall universe one by one, so that you will suffer endless pain and despair both physically and mentally!"

"..."

The emperor Gu Junzhou was full of anger, he naturally didn't think that Su Lang could escape!

Talking!

He raised his hand and pinched frantically, and the blue sword light that besieged Su Lang suddenly turned into a crimson color!

An incomparably permeating breath came from these sword-light silk threads, as if to crush people into meat!

however.

What he didn't know was that he didn't need to kill Su Lang as fast as he could, then he really couldn't even trigger Su Lang's death substitution!

"Tsk tut!"

"You don't want to believe the truth!"

Su Lang looked around at the red sword light thread around him, smiled disdainfully, and immediately activated the clone replacement and clone withdrawal functions!

For an instant.

Su Lang exchanged positions with a clone that had been prepared a long time ago, and took the cloned clone back into the mysterious black space.

[Chapter 2789: The embarrassed Gu Jun and the other three](#)

then!

The red sword net became empty!

"This--!!!"

"Impossible, this is impossible!"

"How could he suddenly disappear from my sword net!"

"Even in the real Nine Universe Eternal Realm, it can't be done so easily!"

"What exactly is going on!!!"

"..."

Emperor Gu Jun Zhou stared at his sword net with stunned eyes, he couldn't believe his eyes!

"Ah, what happened!"

"Then why Su Lang suddenly disappeared!"

"This is false, the Eight Eternal Realm can be easily escaped in the hands of the Nine Eternal Realm!?"

"I have lived for so many hundred million years. This is the first time I have seen you, the first time I have seen you!!!"

"This Su Lang is really a talent!"

Emperor Li Xuanzhou, Song Yuanchen and Wan Qixing were also stunned, staring at each other.

The trace of regret in Emperor Li Xuanzhou's heart became intense, and even Song Yuanchen and Wan Qixing had the same psychology.

If Su Lang can enter the eternal realm of the eight universes, it must be a very powerful one!

'lost!'

'People are lost! '

'How is this possible! '

'It's impossible to escape from me in the eternal realm of the eight universes! ! '

Emperor Gu Jun Zhou widened his eyes, looking at his hands, his eyes were full of disbelief and self-doubt.

Immediately!

"This kind of weird secret technique must have a lot of limitations!"

"Su Lang, this guy can't run far, I have to hurry up!"

Suddenly, Emperor Gu Jun Zhou's expression shook, and a wave of residual aura, wave, and energy condensed between his waves.

"Eye of Hollow-Che!!"

The emperor Gu Jun Zhou suddenly activated his supernatural powers, using the breath, fluctuations, and energy in his hands as the medium to search where Su Lang was.

however.

His secret technique is only effective within a certain range, not as good as Tongyu's Divine Orb.

therefore.

The secret technique is invalid!

"Do not!"

"How could there be no reaction at all!"

"Su Lang can't run that far, he is just an eternal realm of eight cosmos!"

"..."

Emperor Gu Jun Zhou exclaimed, the unbelievable in his eyes has reached the extreme!

"What, I didn't find it!"

"Then Su Lang escaped completely!"

"Even Daoist Gujun can't search for his secret technique!?"

"..."

Emperor Li Xuanzhou, Song Yuanchen and Wan Qixing were all extremely surprised.

"Three fellow daoists help me!"

Emperor Gujun Zhou did not hesitate, immediately clasped his fists to the three of them, and handed over Su Lang's breath, fluctuations, and energy.

"My cultivation is shallow, so I don't have to try."

Emperor Li Xuanzhou shook his head and refused.

"I'll give it a try!"

Song Yuanchen waved his hand to take in Su Lang's breath, fluctuations and energy, and began to cast the spell.

however.

After a while, he also twitched his mouth and gave up silently.

"This son is so cunning! Can't you find it?"

Wan Qixing frowned, ingested Su Lang's breath and other things from Song Yuanchen's hands, and began to perform secret techniques.

but.

He only determined Su Lang's general direction.

"East south."

"Other than that, there is no more detailed information."

Wan Qixing shook his head, also very shocked in his heart.

They shot three Nine Universe Eternals one after another, and they were unable to pursue an Eight Eternal Realm!

If this is said, I don't know how many people's jaws will be shocked!

'This!'

'How can this be good!'

'It's a great loss to get out of Su Lang!'

'I knew that this kid could escape this way, so I should promise Emperor Li Xuanzhou, let him join the Xuanyu Alliance first, and then slowly deal with him!'

'No matter how bad, you can get a lot of gains if you kill him directly!'

'Now it's alright, this guy is not easy, if he grows up, the trouble will be big!'

'...'

Emperor Gu Jun Zhou felt extremely regretful in his heart, but he was too regretful.

"What should we do now?"

Emperor Li Xuanzhou looked at the three of them and said hesitantly.

The scene was silent.

The three of them were very embarrassed.

Especially Gu Jun Zhou Emperor, he understated to clean up Su Lang, but it turned out that no one could catch it anymore.

at this time!

Emperor Gu Jun Zhou suddenly changed his expression and took out a jade card for communication.

This communication jade card was used for direct contact with Shang Jiuqu, and it was just handed over to Shang Jiuqu.

Gu Jun never expected to use it so soon!

[Chapter 2790: Very unhappy Shang Jiuqu](#)

"Sorry."

Emperor Gujun took the jade card for communication, nodded to Song Yuanchen and others, and then began to check the information in the jade card for communication.

Take a look.

The information in the jade card of the transmission came to the mind of Emperor Gujun Zhou.

Shang Jiuqu: 'Gujun Daoist friend, Su Lang's position has suddenly changed dramatically. What does this mean?

Could it be that you teleported him to a hidden place? Want to protect it?

Fellow Daoists know very well that Su Lang is the one I must kill. I am even willing to pay such a high price. Have you done this, have you considered it clearly?'

The words are full of unpleasantness.

Tianqu universe.

Shang Jiuqu is indeed frowning, very upset.

In his opinion, if he succeeded in provoking, Emperor Gu Jun Zhou would definitely clean up Su Lang on the spot.

There is no need to teleport Su Lang to such a far place.

unless.

Gu Jun discovered an incredible secret from Su Lang!

Or, if the provocation fails, Gu Jun chooses to protect Su Lang!

No matter what it was, Shang Jiuqu was very dissatisfied.

Therefore, using Tongyu Mi Shenzhu to observe a huge change in Su Lang's position, he immediately sent an inquiry.

The other side.

Read the message of Shang Jiuqu.

Emperor Gu Jun Zhou was taken aback for a moment, then he was overjoyed!

'Shang Jiuqu can locate Su Lang's position! !'

'Unexpectedly, he has such a powerful magical power!'

'If I can't catch Su Lang by myself, the best way now is to get the Shang Jiuqu together!'

'But what should I say to Shang Jiuqu, is it straightforward to say that Su Lang got out of my hands, I still can't find Su Lang?'

'Then he must laugh at me and chase Su Lang alone.'

'This is really a headache!'

'...'

Emperor Gu Jun Zhou kept thinking in his heart, but always couldn't think of a good way.

At this time.

"Daoist Gujun frowned deeply, but what problems did he encounter?"

"Our Xuanyu Alliance aims to help each other. If there is a big problem, we can tell it, and we will solve it together!"

Song Yuanchen arched his hands and said.

In fact, he also saw Su Lang's extraordinariness and became interested in Su Lang's secrets!

But Song Yuanchen's move made Emperor Gujun Zhou alive.

"Friend Song Yuanchen is too polite!"

"It's just a small problem, I can solve it."

Emperor Gu Jun Zhou pretended to ponder for a moment, then bowed his hand to decline.

"Also."

Song Yuanchen didn't say much, he was just a little interested.

Since it fails, it is not guilty to entangle Gujun Zhou, a member who will officially join the Xuanyu Alliance.

Emperor Gu Jun Zhou nodded.

Immediately picked up the jade card of transmission and began to transmit quickly.

Tianqu universe.

Shang Jiuqu was getting bored, when he received the call, he couldn't help but his eyes lit up.

But I saw it said: 'Shang Jiuqu Daoist, Su Lang is not a son of man, he should be killed.

However, I wanted to capture Su Lang alive, but he accidentally caused him to escape, and now he cannot locate his specific location.

Now, it is a great surprise that Shang Jiuqu Daoist can locate Su Lang! '

See here.

The color of Shang Jiu's curved surface changed slightly, and he continued to look down with a hint of doubt.

Gu Jun: 'It's just that there are three eternal powerhouses of the Nine Universes from the Xuanyu Alliance.

They also knew that Su Lang was extraordinary and were very interested.

But there is only one Su Lang, and he only has deep hatred with you and me.

Therefore, I want to cooperate with fellow daoists to arrest Su Lang, reap the gains, share the exercises, and half of the rest! '

After reading the subpoena.

Shang Jiuqu understood the meaning of Emperor Gujun Zhou.

The guy Gu Jun Zhou was already unable to determine the location of Su Lang, and it was difficult to hunt down.

Then, he Shang Jiuqu could act by himself, chase Su Lang alone, and get all the spoils.

But Gu Jun was not reconciled, and the words contained threats.

If he doesn't agree with Shang Jiuqu, then the three of Xuanyu Alliance will probably get involved!

When the time comes, it won't be two people to carve up Su Lang.

Read here.

Shang Jiuqu basically dispelled the idea of monopolizing Su Lang.

'Xuanyu Alliance! '

'Another Nine Eternal Realm Alliance! '

'Nine Eternity is so rare in normal days, but now even alliances have appeared. '

'It seems that the world of great controversy is really about to come, and even the old immortals who are hiding in the dark are running out! '

'Now, regarding Su Lang's matter, Xuanyu Alliance may be involved, I have to guard against it! '

'Or, join the Jiangyue Alliance created by Jingyunzi? '

'...'

Shang Jiuqu frowned and thought.

At this time, Emperor Gu Jun Zhou sent another message.
