[Chapter 2901: Successfully mixed into the Xuanyu Alliance](#)

"Come! Aotian Fellow Daoist!"

"The front is the headquarters of our Xuanyu Alliance, the Xuanhen Continent!"

Standing beside Su Lang, Xuan Xin pointed to the bustling and prosperous continent, and said with a smile.

'Tsk tusk! '

'It's really passionate! '

Su Lang sneered in his heart, with a calm expression on the surface, nodded and said, "Please!" then.

Under the leadership of Xuan Xinyuan.

Su Lang stood among the crowd and flew into the Suspended Mark Continent.

However, in the sky of the whole continent, there is an eternal powerhouse suspended in the sky.

The good and the bad are uneven among these eternal strong ones, the strong standing closer, and the weak standing far away.

They bend over to salute Su Lang one after another, their eyes shifted with Su Lang's movement.

"These are the eternal members of our Xuanyu Alliance!"

Xuan Xinyuan explained with a smile, "However, there are still a small number of members who are in retreat and are at a critical moment. Therefore, I am not able to meet the Taoist friends. Please forgive me."

He did it.

In addition to welcoming Su Lang, he also showed Su Lang the strength of Xuanyu Alliance.

"Ok."

"Xuanyu Alliance is very good!"

Su Lang's expression was still indifferent, "But with all due respect, there are still fewer high-level powerhouses in the Nine Universes."

"Hahahaha!"

Xuan Xinyuan laughed loudly, "Didn't Daoist Su Lang join in?"

"exactly!"

"Since Fellow Su Lang joins in, we have a lot of high-level powerhouses in the Nine Desolation Universe!"

"Anyway, it is much stronger than that of the Shocking Cloud Alliance!"

"..."

Jing Kaiyu and others echoed Xuan Xinyuan.

"Yes!"

"I've also heard of Jingyun Alliance, it's just a mess of sand!"

Su Lang nodded slightly, agreeing with everyone's words.

At this time.

The group of people has come to the interior of a huge heavenly palace.

This heavenly palace is very luxurious and is the main building in the Xuanyu Alliance.

Enter a magnificent hall of magnificent gold and green.

Everyone was polite with Su Lang again, and then they took their seats.

Immediately afterwards.

There are also a large number of devil figures, beautiful low-level eternal women in a row, holding the treasures of heaven and earth that can be tasted directly, and putting them on for everyone.

After the arrangement, many women in tulle danced in the hall.

So a banquet began.

During the banquet.

Xuan Xinyuan began to further explore Su Lang's details.

On the one hand, it is the use of observing means secretly, on the other hand it is verbal inquiry or sidetruck.

But how perfect is Su Lang's disguise!

No matter how you look at Xuan Xinyuan, there is no clue at all.

As for speech, Su Lang naturally responded with his false identity.

When the banquet is over.

Xuan Xinyuan's suspicion of Su Lang has been greatly reduced!

The rest can be regarded as getting acquainted with Su Lang.

Soon.

Xuan Xinyuan handed over the identity token of the Xuanyu Alliance to Su Lang, and gave him the position of Deputy Leader in the Su Lang Alliance.

just.

In the Xuanyu Alliance, every powerhouse at the advanced level of the Nine Universes has the status of a deputy leader.

now.

The banquet is over.

Su Lang came to the private cave house arranged in the alliance, and placed a large number of formations between his hands to isolate all prying eyes.

Soon.

He took out a bed and lay directly on it.

"Successfully mixed into the Xuanyu Alliance!"

"Next, you can try to dig the corner of Xuanyu Alliance!"

"The method is the one used by the other party and Le Zhengnan."

"However, here the Xuanyu Alliance cannot be launched on a large scale."

"Jing Yunzi and Xuan Xinyuan are definitely related. If they were to see that familiar scene, I would be unable to keep it secret."

"This time, they can only come one by one, and they will target the elites!"

"The Eternal Level of the Nine Universes is the priority target!"

"..."

While thinking about it, Su Lang took out his identity token.

This Xuanyu Alliance's identity token integrates the messaging function.

In the banquet, he and Xuan Xinyuan and others have left a way to communicate with each other.

"I just came here today, I'm still waiting to do it."

"By the way, I can also inquire more about Xuanyu Alliance's intelligence!"

Su Lang thought for a while, put away the jade card of communication, and then cancelled the perfect possession function.

[Chapter 2902: The Secret of the Ming Dynasty and the Detective of the Territory of Dragon-Jielong](#)

Next.

The work of collecting information is left to the clone.

His will directly returned to the deity.

"Start the perception sharing function!"

With a thought of Su Lang, he connected the perception of a large number of clones.

Suddenly, picture after picture appeared in my mind, exactly the real-time scenes where the clones were.

Except for the clone of Xuanyu Alliance.

The remaining clones are still on their way to the target.

The main reason is that there are no anchored coordinates, otherwise you can send it directly.

But now, one can only travel one universe by one, using a fixed long-distance space-time tunnel from time to time.

"Currently."

"The closest target to each clone is the Mysterious Cosmos Domain, and the second is the Dragon Cosmos Domain."

"The Holy Demon Sect is the farthest away... and according to the information seen from Jing Yunzi, Master Yu Jing has passed!"

"Master Yu Jing dare to go to the Sacred Demon Sect, it must be very sure."

"At that time, after the battle of the Great War, the three ancient forces that suppressed the expansion of the Universe White Realm, the Sacred Demon Sect will probably be absent!"

"In this way, it is almost impossible to collect the three major cosmic beads, and the endless universe is likely to be gradually destroyed because of this war."

"..."

Thoughts surged in Su Lang's heart, and his brows were slightly frowned.

He certainly didn't want to see the endless universe heading for destruction, it was related to his plan to prove the Dao with strength, and the countless creatures in the endless universe.

Only if the endless universe continues to exist, can he have a place to practice peace of mind in order to prove the detachment of the Tao.

"No!"

"On the side of the Holy Demon Cult, I must think of a way."

"At this time, the Holy Demon Sect is extremely unstable. My best choice is to take its transformation into the Zhouzhu into my own hands!"

"But...the difficulty is very high, and I don't know how many old monsters there are in the Holy Demon Cult!"

Su Lang took a deep breath, his eyes revealed a touch of solemnity, but other than that, there was a sense of determination!

Whether or not you get a blank page of immortality in this battle.

It is necessary to ensure that the endless universe will not slip into the abyss and head toward destruction.

"It's too far away from the Holy Demon Cult at the moment."

"We can only see if we can find someone to contact the holy demons, and then figure out a way to anchor the coordinates over there."

Su Lang made up his mind, and then began to recall the identities of those who came to discuss the Tao.

When discussing the Tao.

However, he checked every object of the Taoist discussion with a mysterious thief, and looked at the history.

Think about it for a moment.

He thought of several people.

These people are the spies of the Ming Secret Universe and the Dragon Dragon Universe in the Shocking Cloud Alliance.

Of course, Jing Yunzi also put it in deliberately.

"Unfortunately, there are people who have the Secret Cosmos Domain and the Jielong Cosmos Domain, but there are no people from the Holy Demon Sect.

"Fortunately, the three ancient forces have some exchanges with each other. I can find them to contact the people of the Holy Demon Sect."

"..."

Thinking like this, Su Lang immediately took out the jade card for communication and began to contact the few people in his impression to let them come over.

The communication jade medal used is specially made, not issued within the alliance.

This is just in case.

quickly.

All the messages have been sent out!

Somewhere in the dangling universe.

A man with long thick black hair and a fortified face held a jade card for communication, and his pupils suddenly shrank!

On an island in the heart of the lake, surrounded by mist, a young woman wearing a long skirt trembled her eyelashes and her body instantly stiffened.

In an ice field, a man with silver hair suddenly squeezed his fist, and a flash of terror flashed in his eyes.

At the top of a peak, an old man in purple robes took a deep breath and put away the jade medal for communication in his hand.

These few people.

It was the people of the Ming Secret Universe and the Dragon-Junking Universe, two of them infiltrated in from the same force.

at this time.

They all read the message from Su Lang

— Fellow Daoist, Su knows your identities, please find a way to ask someone from the Holy Demon Cult to do me a favor.

In the discussion of the Tao, these people all received the great favor of Su Lang and gained a lot.

A certain amount of trust has been established between Su Lang and them.

"Senior Su Lang...know our identity!!"

The resolute man with thick black hair looked at the purple-robed old man who suddenly appeared in front of him, and said solemnly.

[Chapter 2903: The intelligence chief is nothing wrong](#)

"He just guessed and cheated us, or does he really know?"

The purple-robed old man was stunned, and asked a little hesitantly.

"Have you also received a call from Senior Su Lang?"

The thick black long-haired man shook his head, "You know what a terrifying powerhouse Senior Su Lang is, he doesn't need to deceive us!"

"Yes!"

"Senior Su Lang's level is too high. It is very possible to see our identity."

"However, Senior Su Lang shouldn't be malicious, right? He asked us to contact the people of the Holy Demon Cult to help him..."

The purple robe old man nodded first, then frowned slightly and said.

"There shouldn't be any."

"In any case, we must accept Senior Su Lang's request."

"I had seen the extraordinary of Senior Su Lang, so I planned to report the news and try to get Senior Su Lang to join our Dragon Intercepting Universe."

"Now, it is a good opportunity for Senior Su Lang to use our relationship to mobilize the people of the Holy Demon Cult to do things!"

The resolute man slowly analyzed, and his expression gradually eased.

"exactly!"

"This matter... let's contact the above first to see how the above chooses."

"I naturally hope that the above can cooperate with Senior Su Lang."

The purple-robed old man nodded and said, he was obviously more suspicious than the resolute man, and he was a little worried about whether Su Lang had any plans.

"Let's report it first!"

The resolute man took out a formation disk between waves, activated it, entered a message into it, and sent it out.

at the same time.

Two spies from the Ming Secret Universe.

After being horrified, the woman in the long skirt and the silver-haired man also secretly met for a discussion.

The two also decided to report the matter and expressed their impressions of Su Lang.

quickly.

The Headquarters of Ming Secret Universe and Jielong Universe received news one after another.

On a vast snow-white boat, a large number of eternal warriors are busy in the exquisite room built with transparent spar.

This is the headquarters of the intelligence department of the Ming Secret Universe, responsible for gathering and sorting out the information collected from various places.

These warriors, who often deal with a large amount of information, have no feeling for many news.

Others will be shocked, and sometimes they will not react at all.

But at this time.

A low exclamation came.

"Su Lang, it's Su Lang..."

"The strong man who completely beheaded all of them with one enemy seven! There is secret information about him!"

A man with a plain face had a hint of surprise in his eyes.

It was he who uttered a low cry.

"Su Lang!?"

"It turned out to be that one!"

"It is indeed powerful to be able to kill seven intermediate-level powerhouses of the Nine Universes with one enemy seven."

A woman with a mediocre appearance asked, "I don't know what information has been collected from him?"

around.

Many people are looking here.

Although according to speculation, Su Lang's combat power did not reach the top level of the Nine Universes.

This is not too strong in their experience.

But Su Lang's record is too dazzling.

In the same level, with one enemy seven, they directly beheaded seven people, and none of them let it go!

At this time.

"hiss....."

"The two spies have a very high rating for this information. I can't make it public, and I must first get the boss's consent."

The unremarkable man glanced at the information content, took a breath, and shook his head at those who cast his eyes.

See here.

Everyone couldn't help but become more curious!

Su Lang, who had suddenly risen to fame, did what the **** did he have super-highly rated intelligence!
!

But they can't guess anything.

The mediocre man left his place with his partner, the mediocre woman, and went to meet the person in charge of the Ming Secret Universe Intelligence Headquarters, who was their boss.

—There is nothing wrong with it!

quickly.

The two came to a secret room.

Entering this secret room is like entering a transparent boundless space.

A young man whose hair is far longer than his body is rapidly processing the information contained in jade slips and making decisions.

There is nothing wrong with this person.

It seems that he is just a martial artist of the Nine Universes' advanced level.

But in fact, he is a clone cultivated by an ancestor of the Ming Secret Universe.

[Chapter 2904: Su Lang, you can fight for it](#)

"No adults!"

"There is important information that you need to look at!"

A man and a woman presented information respectfully.

"Su Lang?"

"It's quite an impression."

"It's the eternal arrogant who killed seven intermediate-level warriors of the Nine Universes with one enemy and seven!"

"What!? He actually started the discussion in the Startled Cloud Alliance, and all the powerhouses who went to talk about the Tao have gained a lot?"

"Even the powerhouses at the intermediate level of the Nine Universes have been greatly inspired after discussing the Tao, and have retreated one after another!?"

"It seems that this person is definitely not the ordinary Nine Universes eternal, and even not the ordinary Nine Universes high-level martial artist."

"He is likely to be a top-level powerhouse of the Nine Universes!"

"Let me see the rest of the information...huh? Did he see through the identity of our spies?"

"Want us to come forward and contact someone from the Holy Demon Cult to do him a favor?"

"..."

Nothing more than looking at the information about Su Lang, his expression changed for a while, and finally turned into contemplation.

'Enter the Jingyun Alliance and start the discussion.'

'It seems to be discussing the Tao, but in fact, it is like pointing and discussing the objects on a large scale!'

'What is he doing? Converging people's hearts in Jingyun Alliance? What will his purpose be?'

'Jingyun Alliance, although within the Lingxu Fragmented Realm, its attitude towards the world of great controversy is the one that can contend and defend, and if it can't be held, it will disperse.'

'Maybe, this person turned out to be a like-minded person like me, he wants to win over the members of the Shocking Cloud Alliance and join us in the camp of the three ancient forces! ?'

'It's very possible, he killed seven people in Xuanyu League after all!'

"From this we can see that he probably does not want the endless universe to be destroyed in the battle of the world of war!"

Thinking of this, Wuqianfei's expression suddenly moved, and a hint of joy flashed in his eyes.

The situation of the three ancient forces is now grim. If more combat power can join in, it would be best!

'This Su Lang, you can fight for it!'

'However, be more cautious and need to conduct a deeper investigation!'

Wu Qianfei thought in his heart, then looked up at the two people in front of him, and said:

"You immediately arrange manpower to investigate all of Su Lang's intelligence, and you must act fast!"

Hear this.

The two suddenly looked serious, and clasped their fists to lead their lives: "Yes!"

at the same time.

A similar scene is also happening on the Dragon Territory.

The power in charge of intelligence directly ordered to thoroughly investigate Su Lang's origins and life deeds.

If they couldn't check it, they would take the initiative to contact Su Lang.

Yes it is.

Although he is investigating, he has decided to contact Su Lang.

The reason why Qianfei asked the people below to hurry up was because he was afraid that Su Lang had been waiting for a long time...

At this moment.

Su Lang sat in the practice dojo, silently waiting for news.

Not long.

News came from the jade card in hand, and it was the four spies who sent it.

"Does both the Ming Secret Universe and the Dragon-Jumping Universe need to consider before they can reply?"

"Yes, they are not sure if this is a trap, they will definitely investigate it first."

"Just, I hope they move faster, I'm still anxious to go to the Holy Demon Cult to do something, oh no, I want to save it..."

Su Lang smiled in his heart, and then continued to practice, preparing to break through the basic realm to the eternal realm of the nine universes!

at the same time.

Among the holy demons.

A black yard stands in the green valley.

Master Yu Jing was in the garden, sitting on the edge of the stone table, making a pot of tea and drinking it happily.

at this time.

He has successfully entered the Sacred Demon Sect through the contacts he established in the early years!

and.

Because he is well-known, famous, and he knows many secrets, and he is gentle and approachable.

Therefore, he is also very popular among this holy demons.

In a short period of time, he successfully integrated here.

just now.

Yujingshang talents sent away a martial artist of the Eight Eternal Realm who came to consult some secrets.

suddenly.

A stream of light flew from a distance and fell to the outside of the yard.

"Another one."

"I don't know what this one wants to ask."

Master Yu Jing looked at the streamer turning into a man with scars on his eyebrows, thinking faintly in his heart.

But his body has stood up, with a smile on his face.

[Chapter 2905: The Sacred Demon Sect, the Trend of the Master Yu Jing](#)

"I have seen Master Yu Jing in Xia Shen Xuan!"

The scarred man bowed his hands and bowed first.

"Don't be polite, fellow Taoists come in quickly."

"If you have anything you want to ask fellow Taoists, I know that I can't say enough."

Master Yu Jing smiled faintly, "I'm too old, I may go there someday, so I like to talk to someone about my experience so that people can remember me as a terrible old man."

"Then I will bother seniors."

The scarred man smiled, walked into the black courtyard, and sat in front of the stone tabletop.

He looked at the teapot on the table, and a flash of surprise flashed in his eyes!

"This is the spiritual tea that Su Lang gave me."

Master Yu Jing laughed, and said directly, "Unfortunately, he joined the Jingyun Alliance, and I couldn't persuade him to come over, the old man."

"That Su Lang?"

"The one who killed seven people in World War I!"

The scarred man looked at him and nodded.

"Ok!"

"Fellow Daoist, try it."

"By the way, fellow Daoist would like to ask something, drink and talk."

Master Yu Jing took out a teacup and said to the scarred man.

"This...good."

The scarred man originally wanted to refuse, but Su Lang's spiritual tea was really good.

then.

He poured a cup of his own, and then said: "Actually, coming here is not to inquire about secrets."

"Oh?"

"Then why are you here?"

Master Yu Jing asked when he was drinking tea.

"senior!"

"What do you think of the current situation?"

The scarred man did not answer, "I mean, the situation of the three ancient forces and the opposing camp."

"This....."

"The three ancient powers have stood in the endless universe for countless years, and even the natural universe has been swept away. I don't know how much!"

"The result is obvious. This time, the three ancient forces will still succeed in suppressing the Universe White Realm."

Master Yujing has long been accustomed to meeting people and talking nonsense, so he said without hesitation.

"senior."

"Although the three ancient forces have always successfully suppressed the Universe White Realm."

"But the Lingxu Fragmented Realm is still more damaged every time, and the Universe White Realm has not been completely suppressed, and it will expand every time."

"The remote cosmic region far away from the Lingxu cosmic region has many cosmic faults formed by the white world of the universe!"

The scarred man stared straight at Master Yu Jing, "Senior should be very clear about this."

"What do you want to say?"

Master Yu Jing changed his expression, picked up his teacup, covered his mouth and tasted it.

"senior!"

"The trend is irreversible!"

"The three ancient powers can't be controlled this time!"

The scarred man looked serious and his tone was sonorous, "You should have other plans!"

"nonsense!"

"Why can't the three ancient forces be restrained!?"

Master Yu Jing said indifferently, "Friends, don't talk nonsense here, otherwise don't blame the old man for blasting you out of here."

"senior!"

"You are a smart man!"

"Whether the three ancient powers can be held in town, you should count them more than me!"

"Our Holy Demon Sect needs to change, and only in this way can we have a glimmer of life!"

"The Sacred Demon Sect is now in a period of swing. Many people are lost and don't know what to do next."

"But if you go out and raise your arms, with your prestige, there will be countless strong people who will respond!"

"..."

The scared man looked excited, his eyes lighted slightly, and he spoke quickly.

Master Yu Jing looked at the scarred man faintly.

in fact.

After entering the Holy Demon Sect, before this scarred man, such a person had already come to him.

Among them, there are both loyalists and radicals.

But Master Yu Jing did not express his position.

Because he had just joined the Sacred Demon Cult, he didn't know whether these people's positions were true or false, or whether they were deceiving him.

Currently.

He is secretly mobilizing his contacts to collect information, carefully analyzing the situation of the Holy Demons, analyzing the members of the two major factions on the surface, the members in secret...

Now the operation is going very smoothly.

Master Yu Jing has almost figured out the situation of the Holy Demon Sect!

[Chapter 2906: Sacred Demon Cult whose balance has been broken](#)

'It's time to act.'

Master Yu Jing looked at the scarred man with a passionate expression in front of him, and made a silent decision in his heart.

"Senior Yujing!"

"Why don't you want to preserve the Holy Demon Cult and preserve the endless universe?"

"However, the general situation is irreversible, and we have nothing to do. We can only seize this last opportunity in order to be detached!"

"Our Holy Demon Sect is one of the three ancient forces. Once we join the war, we will definitely be the final winner!"

"..."

The scared man still persuaded tirelessly.

Because the choice of Master Yu Jing is really important!

The current Saint Demon Cult is a balance of balance.

With the prestige and connections of Master Yujing.

Which side he chooses will break the balance!

"Fellow!"

"This matter...what you said makes sense."

Master Yu Jing made a tired look and said with emotion, "But please give me some time to think about it. This kind of thing cannot be decided immediately."

"Alright!"

"It's because I'm too impatient."

"However, I would take the liberty to ask Senior Yujing as soon as possible. Our time is really running out."

The scarred man nodded, then got up and saluted and retired.

Master Yu Jing sent him out of the yard with a somewhat solemn and solemn expression.

"The choice of Master Yujing is particularly important."

"I can't let those stubborn people influence his thinking!"

"..."

The scar man thought so, and immediately took out the jade card of transmission and sent the message.

In the end he did not leave, but stayed nearby.

The main purpose is to prevent important members of the loyal faction from visiting the Master.

Not long.

A figure appeared nearby.

The scared man was taken aback, and immediately eased because it was his own.

The two nodded and greeted each other, and then the man entered the black courtyard.

"We take turns."

"You can certainly persuade Master Yujing to fall to our side!"

The scarred man thought in his heart, but he didn't even know his behavior, or the thoughts of all the radicals of the Holy Demon Sect, were all right in the arms of Master Yu Jing!

Time passed slowly.

Among the holy demons.

One by one, the warriors came to find the master of Yujing under various names.

At the beginning.

Both the stubborn and the radicals come in the same way.

But gradually.

Master Yu Jing let go without a trace, giving people a feeling of leaning toward radicalism.

then.

'Rumors' spread among the warriors one by one.

Many centrists were affected and joined the ranks of radicals.

There are many more radicals than the stubborn ones who go to Master Yujing.

Moreover, as time went by, things fermented, and even some stubborn factions changed their attitudes and chose to join the radicals.

So far.

The invisible balance in the Sacred Demon Cult was broken.

but.

There are not many old people in the religious sect.

These ancestors who have lived for countless years must adhere to the sacred demon sect's stubborn concept, and other people can not directly persuade them, let alone tear up their faces.

and so.

The transformation of the Sacred Demon Sect will take a certain amount of time.

It was also when the Master Yu Jing broke the balance of the Holy Demon Cult.

The undercurrent of the entire endless universe is more turbulent. I don't know how many powerful people who became famous in their early years, and then disappeared without a trace, emerged from the dark, standing in line one after another.

And the moment when the Great War broke out, it was getting closer and closer!

At this moment.

Extreme universe, in the training dojo.

Countless cosmic energy poured down like a galaxy, rushing into the formation like a surging tsunami.

Such a vast vision is even more spectacular than the explosion of stars!

Inside the formation.

Su Lang was sitting cross-legged, floating in the air, and countless energies poured in from all directions, turning into a cultivation base!

at last!

'The cultivation base is enough!'

Su Langpan's slightly squinted eyes suddenly flashed with joy!

Originally, he was not far from the realm of the Nine Universes.

After this period of cultivation, the cultivation base needed for breakthrough has been accumulated!

"system!"

"Start the Crystal Wall universe function! Perfect the designated Crystal Wall world!"

Su Lang took a deep breath and gave instructions in his heart.

Suddenly.

All the cultivation bases accumulated by the cultivation villain poured into his body.

[Chapter 2907: Breakthrough, the eternal realm of the nine universes](#)

Rumble!

The Crystal Wall world, which was targeted by Su Lang's Spiritual Mind, is rapidly expanding and sublimating!

The chaotic atmosphere rolls like a thick black cloud, revealing a new time and space!

The crystal wall worlds, in the stunned expressions of their inner creatures, have undergone earth-shaking changes, and their qualities have become crystal wall universes!

The power of the terrifying crystal wall universe was brewed and merged into the power of Su Lang!

Under Su Lang's inner view.

The number of the Crystal Wall Universe has skyrocketed, breaking the 20,000 gai mark in a blink of an eye!

At this moment.

The twenty thousand crystal wall universe has produced a kind of incomparably mysterious resonance and circulation!

Under the combined forces of the 20,000 gai crystal wall universe, the power of the higher quality universe is condensed!

In addition.

Su Lang also felt that his mental power had undergone a subtle qualitative change, as if it became more pure and ethereal!

In an instant.

An extremely terrifying breath rose from his body.

The impact caused countless twisted ripples in the surrounding formation barriers!

If it weren't for this formation.

The movement of this breakthrough will spread throughout the universe, attracting the attention of countless people!

"The breakthrough was successful!"

"Now I am a real Nine Universe Eternal Realm Martial Artist!"

Su Lang felt the vast and turbulent power in his body, and a bright smile was drawn at the corner of his mouth.

Soon.

He opens his property panel.

[Name]: Su Lang

[Race]: Human race

[Qualification Level]: Turbidity

[Realm level]: Nine Universes Eternal

[Attack level]: Jiuzhou Eternal

[Defensive Level]: Nine Universes Eternal

[Shenfa Level]: Jiuzhou Eternal

[Endurance Level]: Nine Universes Eternal

[Spirit Level]: Realm of Universality+

[Master the exercises]: "Taihong Boundless Scripture", "Ten Thousand Ways to One Infinite Profound Meaning" (Eternal Grade, Super Yi)

[Activated system functions]: One-key practice function (level 59), one-key martial arts function (level 58), one-key clone function (level 58), one-key treasure hunt function (level 57), one-key alchemy function (23 Level), one-key mixer function (level 23), one-key refining function (level 22), one-key synthesis function (level 23), one-key empowerment function (level 33), one-key enhancement function (level 18), One-key decomposition function (no level)

"The property panel has not changed much."

"All attributes have not yet reached the level of a plus sign."

"It is estimated that the real combat power must reach the top level of the Nine Universes before the plus sign appears."

"However, my current daily combat power has also reached the mid-to-high level!"

"Once all kinds of hole cards are used, the top-level warriors of the ordinary Nine Universes will no longer be my opponents!"

Su Lang looked at his attribute panel with a smile on his face.

of course.

The Crystal Wall Universe reached twenty thousand gai and entered the Nine Universe Eternal Realm, which was just the beginning of this realm.

Starting from the number of 20,000 and going up, there will be no limit!

The more the Crystal Wall Universe, the stronger the combat power in the Nine Universe Eternal Realm!

"With my 66,000-plus crystal wall cells."

"If all the sublimation matter becomes the Crystal Wall Universe, it will definitely kill the top level powerhouses of the Nine Universes with a finger!"

Su Lang thought in his heart, with a look of expectation in his eyes.

By the Nine Universe Eternal Realm, the potential of most eternal warriors has been exhausted.

Because the number of chopping of each crystal wall cell is limited.

Many people have reached this point, even if they have enough core origins of the universe, they are already invincible, and it is difficult to go further.

Su Lang has built a super strong foundation of more than 66,000, and now he has once again demonstrated a strong advantage!

"Next, continue to practice!"

"In addition, the Xuanyu Alliance can start to act."

"It's a pity that the Ming Secret Universe and the Dragon Dragon Universe still haven't given me a definite answer. The plan on the Saint Demon Cult cannot begin yet.

"..."

While thinking about it, Su Lang used his perfect possession to descend on the eternal dragon clone of the Xuanyu Alliance, alias as 'Aotian'.

This clone stayed in the cave mansion when it was fine, and the conjoined state of the stars and clouds was also cancelled.

Once something happens, Su Lang will activate the star-cathering-cloud function, returning to the eternal high-level combat power of the nine universes.

[Chapter 2908: Familiar name](#)

at this time.

In the cave heaven and blessed land wrapped by countless formations.

Su Lang's avatar leaned over, and his body inadvertently exuded the aura of the middle and upper levels of the Nine Universes.

Not bad.

With the breakthrough of Su Lang's deity.

The avatars, avatars, and twin avatars have all skyrocketed in combat power, reaching the same level!

"Tsk tsk!"

"Now I have one hundred and seventy-four middle-upper-level clones of the Nine Universes!"

"If you use Baiying's clone, it will be the first-level clone of 17,400 Nine Universes!"

"Rounding to the nearest 20,000 Nine Universe Eternal clones, I don't know how many eyeballs will be frightened if someone sees them with their own eyes."

"..."

With a faint smile at the corner of Su Lang's mouth, he immediately activated the Xing Cuanyun combination function.

Because the strength of all clones has skyrocketed.

Therefore, this time only five avatars were merged to reach the eternal high level of the Nine Universes.

"This powerful force is really intoxicating!"

Su Lang smiled slightly, and then took out his jade card for communication.

During this period of cultivation.

Many people have sent him messages, and many people have visited him.

after all.

The eternal dragon 'Aotian' is a high-level powerhouse in the Nine Universes.

He is also one of the top five Nine Universes of the Xuanyu Alliance today, and one of the four deputy leaders!

Those unremarkable Nine Universes of Eternity, and weak Eight Universes of Eternity, naturally want to hug their thighs!

But Su Lang ignored them, and pushed them all away on the grounds of retreat.

Those people can't walk away either.

They all apologized that they had disturbed Su Lang, and they would visit them later.

There were also many people who left jade charms, flying swords and so on outside Su Lang's cave. I wanted Su Lang to appreciate it.

"Contact those who are calling me first."

"It shouldn't be bad if you can get my method of communication."

"Those who can only wait for no results outside my cave, and leave jade talisman flying swords eagerly, most of them are relatively weak or have nowhere to go."

"Of course, these people who have no way out and have weaker cultivation bases are also some of the people who are best to fight for. They must not be let go."

"When the person who is calling me is digging the corner, I will gather these people!"

"..."

Su Lang thought in his heart, picking up the jade card of transmission and started replying to the message.

His eyes swept across the jade card of transmission.

I saw a familiar name at a glance

——Li Xuanzhou Emperor!

"Li Xuanzhou Emperor."

"The Eternal Empress of the Nine Universes who threw an olive branch to me in the Shuang Yao universe."

"At that time, she gave up because of Gu Jun."

"I don't know if I heard about the deeds of killing Gu Jun and others later, did you doubt life?"

There was a hint of playfulness at the corner of Su Lang's mouth, and he immediately checked the message sent by Emperor Li Xuanzhou.

'Friend Aotian, in Xia Lixuan...'

Looking at the meaning of Emperor Li Xuanzhou's words, I just want to find a time to visit him, and first ask him if he has time through the transmission jade card.

"Friend Li Xuan."

"I'm in retreat before going down, and I'm already out of the customs. Just come here directly if you have anything to do."

Su Lang entered the message and sent it out.

As a tycoon of the 'high level of the Nine Universes', and the fake identity is a cold and arrogant persona, it is natural not to be too polite for an eternal warrior who has just entered the level of the Nine Universes.

After the message is sent.

quickly!

Emperor Li Xuan Zhou responded to the message, saying that he would come over immediately.

"This Li Xuan seems a little anxious!"

"Could it be that something happened?"

Su Lang raised his eyebrows, but he waited quietly without thinking.

Anyway, when Emperor Li Xuanzhou came, he would know what was going on.

Because it is in the dangling universe.

The journey of the Nine Eternal Warriors is extremely fast.

Therefore, within a few breaths, there was a hidden space-time fluctuation from outside, and it was Emperor Li Xuanzhou who had arrived.

but.

She covered up her movement.

Some of the warriors who stayed outside of Su Lang Cave Tianfu Land to beg for a meeting did not perceive her arrival.

"open!"

Su Lang thought, the formation opened an invisible entrance and brought in Emperor Li Xuanzhou. quickly.

A beautiful woman wearing aqua blue veil appeared in front of Su Lang.

Su Lang looked up and down at Emperor Li Xuanzhou, who was dressed in cool clothes.

Under its thin gauze, there seems to be a faint fragrance permeating, which is fascinating.

"I have seen fellow Aotian Daoist below!"

Li Xuan gently bowed a thousand blessings to Su Lang.

The graceful curve of the figure stood out, and then disappeared in a flash.

"I have seen Daoist Li Xuan."

Su Lang waved out a set of short futons, "Sit down and talk."

"Thank you fellow daoists!"

Emperor Li Xuanzhou showed a smile on his delicate and pretty face, and immediately sat down on the futon.

The round and tight legs are half-concealed under the light gauze, and the luster and hazy feeling are intertwined, giving people a sense of pure desire.

But Su Lang didn't look twice at this.

In terms of beauty, Chu Xiaobei and the others have their own merits, and their research attitudes are different, and they are not inferior to Emperor Li Xuanzhou.

"I don't have anything to entertain fellow daoists here."

Su Lang's expression remained unchanged, and he said lightly, "If you have anything to do with Fellow Daoist, please tell me directly."

Hear this.

The emperor Li Xuanzhou was taken aback for a moment. The various drafts she had prepared earlier were of no use.

But there was nothing unusual on the surface of her.

"Yes, Taoist Aotian!"

"Since fellow Daoist spoke, I'll speak straight."

Emperor Li Xuanzhou nodded slightly and said, "I'm coming here, in fact, I want to seek shelter from fellow daoists."

"shelter?"

Su Lang raised an eyebrow and asked with a smile, "Why do you need my shelter?"

"Don't hide from fellow daoists."

"Before he went down, he had a face-to-face encounter with Su Lang, who was a middle-level eternal master who slashed the Seven Great Nine Universes in a row.

"At that time, Su Lang...appeared to be just a martial artist of the Eight Eternal Realm. I saw him as extraordinary, so I wanted to recruit him into the Xuanyu Alliance."

"but....."

Emperor Li Xuan Zhou slowly explained what had happened in the Shuang Yao universe.

She never expected that the person involved, Su Lang, was right in front of her.

Su Lang smiled playfully as he listened: "Then what does Su Lang have to do with you?"

"Yes!"

"Actually, it has nothing to do with me."

"But seven people were lost in the alliance, and the leader Xuanxinyuan suppressed the matter, and refused to pressure the Storm Cloud Alliance for various reasons, so that he would seek revenge from Su Lang."

"Because of this incident, the hearts of the people in the alliance were a little distracted, which made Gong Xinghuo, who was extremely ambitious, very dissatisfied."

"But it is impossible for him to vent his anger to the leader of Xuanxinyuan! So he chose to vent his anger, who had a close relationship with Su Lang."

"Gong Xinghuo wanted to punish me severely on the grounds that I didn't know people to recruit Gujun, who had eyes but no beads to lose Su Lang, and ultimately brought huge losses to the alliance."

"But in fact, I know there is another reason why he covets me... wants me to be his servant."

"That Gong Xinghuo is a perverted demon who has lost his conscience, and has some unsightly secret techniques, I don't want to follow him!"

"However, he is a high-level warrior of the Nine Universes. Jing Kaiyu and Mu Yongge have a very good relationship with him, and it is impossible to help me at all."

"Xuan Xinyuan also opened one eye and closed one eye to this, and he didn't even see it."

"If I say to escape, I don't dare to escape, because I can't escape at all!"

Speaking of this, Emperor Li Xuanzhou looked at Su Lang helplessly and sadly, "Master Aotian has just joined the alliance and has not yet met with them...I just thought... come to ask for help. Friends are under shelter."

Hearing that Emperor Li Xuanzhou said so much, Su Lang's expression was indifferent.

There are too many things for the strong to do whatever they want in the endless universe, and the eternal state is the same, the weak can only be manipulated.

If it hadn't been for Emperor Li Xuanzhou to enter the eternal level of the Nine Universes, then she wouldn't even have the qualifications to struggle.

at this time.

Emperor Li Xuanzhou really had no choice.

She knew that Su Lang would probably not offend Gong Xinghuo and the others because of herself, but she still came.

This is her only chance.

"Friend Li Xuan."

"I sympathize with you."

Su Lang's expression was faint, "It's just that you have to be clear that Gong Xinghuo is a warrior of the Nine Universes' advanced level."

"I see....."

Emperor Li Xuanzhou's snow-white pretty face turned pale, and a touch of despair appeared in his eyes.

[Chapter 2910: Collect Lixuan as a subordinate](#)

High-level warrior of the Nine Universes.

Almost the strongest person walking on the bright surface of the endless universe.

No one wants to offend a martial artist of the advanced level of the Nine Universes for a martial artist who has just entered the Nine Universe level.

Although both are eternal, the gap between the two is too big. If it is subdivided, Emperor Li Xuanzhou is two levels lower.

But just when Li Xuanzhou was frustrated.

The opposite 'Aotian Daoist' suddenly spoke very much, "However, the advanced level of the Nine Universes is also divided into superior and inferior."

This statement came out.

Emperor Li Xuanzhou suddenly heard a turn for the better!

"Aotian Taoist Fellow!"

"You are..."

She raised her pretty face suddenly, a pair of beautiful eyes flashed with brilliance, staring straight at Su Lang!

"For Gong Xinghuo."

"I am not worried about offending him."

"Only, the premise is that you have to pay the price that makes me satisfied."

Su Lang said flatly, "Otherwise, why should I offend him?"

"Yes!"

"Friends of Taoism are extremely true!"

"I thought about this before I came here!"

"If Fellow Aotian can protect me, I am willing to serve as a slave!"

"My background is not bad, I have been practicing with great concentration since I was young, and I haven't had a gangster..."

Emperor Li Xuanzhou took a deep breath, then lowered his head slightly.

She was also a slave and a maid, Gong Xinghuo did not want to, but Su Lang could accept it.

Because, but Emperor Li Xuanzhou knows Gong Xinghuo's brutal perversion!

of course.

She didn't know Su Lang, and she also admitted that she made such a choice because of a gamble.

However, Emperor Li Xuanzhou felt that he had a big win.

Because she had never seen anyone more perverted, cruel, and terrifying than Gong Xinghuo in her life.

"Tsk tsk!"

Su Lang suddenly smiled, "No wonder you dressed more beautifully today than you were in Shuangyao Universe."

This word fell in the ears of Emperor Li Xuan Zhou, and his expression was immediately stagnant, and a deep suspicion appeared in his eyes!

"Aotian Taoist Fellow!"

Emperor Li Xuanzhou asked incredulously, "You, what did you say, have you seen me in the Shuang Yao universe!?"

She recalled carefully.

In the Frost Yao universe, I had never encountered this 'Aotian' fellow daoist at all!

Could it be that this Aotian Daoist was hiding in the dark at the beginning?

"Hahaha."

"I ask you another question."

Su Lang laughed and asked again, "You have a relationship with Su Lang. This is one of the reasons why you are in trouble, so do you hate him?"

"Do not."

"I just blame myself for not being strong enough."

"Just blame Gong Xinghuo for being too hateful!"

"I have a relationship with Su Lang...It's just Gong Xinghuo's reason for finding things. Wouldn't I see it clearly?"

Emperor Li Xuanzhou shook his head, then stared at Su Lang with even more surprise.

She suddenly realized something!

"It seems you have guessed it."

"Actually, I am Su Lang!"

Su Lang smiled slightly and directly cancelled the disguise.

Suddenly, a handsome young man with black hair and a gentle smile appeared in front of Emperor Li Xuanzhou.

"Su, Su Lang!!"

Emperor Li Xuanzhou couldn't help but exclaimed.

The man in front of him appeared in her mind many times and lingered.

She thought she would never see him again before the war broke out.

But now.

The man who had regretted her for a long time appeared again, and in the strange way she is now!

"Haha."

"Friend Li Xuan."

"Knowing who I am, are you still willing to serve me as a slave?"

Su Lang smiled slightly, no longer the indifference and arrogance before.

"willing!"

Emperor Li Xuan Zhou nodded and said.

She is very clear.

Su Lang is a member of the Shocking Cloud Alliance, and now he disguised his identity and entered the Xuanyu Alliance!

In other words.

Su Lang must have had another purpose, he was here to make trouble!

It just so happened that Emperor Li Xuanzhou couldn't stay in the Xuanyu Alliance anymore, wouldn't this be a hit! !

"Great."

"Actually, I don't need you to be a slave to me."

Su Lang smiled and nodded, "I only need you to do my best for me."

"Yes! Lord Su Lang!"

Emperor Li Xuanzhou bowed respectfully.

Su Lang nodded slightly.

The reason why he accepted Emperor Li Xuanzhou so simply was naturally not decided by just a few words from the other party.

During the whole conversation.

He was using the Mysterious Scroll and Jinghua Shuiyue to probe the details of Emperor Li Xuanzhou silently.

The result is great.

This woman did not lie, nor did she have any wrong intentions.

"Next."

Su Lang looked at the newly-acquired subordinates and said lightly, "I'll tell you why I came to Xuanyu Alliance!"
