### [Chapter 891: Gan Ziteng, it's your turn!](#)

That's all about the pure golden rules.

The rules of life that Su Lang later used were able to heal even those injuries that would undoubtedly die. It was simply unimaginable for them.

At this time.

Su Lang started the third round of punishment, which was to burn the soul.

He doesn't use any kind of soul poisoning, and that method is not comparable to the power of spirit, yin and yang and other rules that directly point to the soul!

"Enjoy it."

Su Lang displayed the power of rules, listening to the sorrowful howls, smiling coldly!

Gan Ziteng curled up in the air, becoming more and more frightened and desperate.

Because his son is over, it's his turn, and he has to endure the unimaginable pain!

In addition to Gan Ziteng, there are Xi Xiangfei, the feminine old man who resembles an old eunuch, and the quasi immortal of another line, all faceless, just like prisoners about to be taken to the execution ground.

They wanted to escape, but everyone knew that they couldn't escape the palm of the Five Tribulations Wuxian.

Although Lao Mi, Lai Bang and others were on the side of Chu Xiaobei, they could see that they were frightened by Su Lang's methods, and a deep sense of fortune rose in their hearts.

As for the crowds below the tide, they all looked like ants under the sky, six gods without a master, guts and souls flying, and their bodies stiff, and they couldn't even think of running away.

at the same time.

Everyone can't figure it out.

Except for Xuan Han Wuxian and Xuan Ao Wuxian guarding the big border city.

Why did such a big event happen in Xuanyu Square, but the patriarch Xuan Yue Wuxian never appeared?

As the great elder, where is Xuandai Wuxian who fully supported the arrest of Chu Xiaobei?

Xuanheng Wuxian guarding the teleportation hall is not far from Xuanyu Immortal City, why is he so late! ?

The warriors who are aware of these problems feel like they are on the bottom of the sea, not knowing how deep the sea is!

At this moment.

Gan Ai was finally wiped out a little bit, and completely dead!

From the body to the soul, he has been crushed and annihilated!

"Gan Ziteng, it's your turn!"

The corner of Su Lang's mouth hooked, and he reached out and grabbed it hard.

Gan Zi Teng was like a chicken that had just emerged from its shell, and was grabbed by Su Lang without resistance.

Seeing this scene, all the warriors trembled fiercely.

Gan Ziteng is a powerful quasi immortal, a leader of the same line, but he has no ability to resist at all in front of Su Lang.

Five Tribulations Wuxian, terrible!

Gan Ziteng who was caught in front of Su Lang no longer had the prestige before!

He still crouched and curled up, closing his eyes tightly, as if doing such an act of covering his ears and stealing the bell would save him from suffering and tragic death.

"Are you ready?"

Su Lang looked down at Gan Ziteng condescendingly, with a slight smile on his face.

"No... please... forgive, forgive..."

Gan Ziteng stiffened with fear, his tongue knotted, and his begging for mercy was not as sharp as his son.

"Hahahaha!"

Su Lang laughed, and the next moment Gan Ziteng was to be punished.

at this time.

"Zhuzi, you stop me!"

A terrifying shout fell from the sky, and suddenly tore open the momentum of Su Lang covering Xuanyu Square!

next moment.

An indescribable old man with a purple robe and a high crown appeared in front of everyone.

He was exuding a majestic martial arts aura, and he was able to compete with Su Lang's aura, each occupying half of the sky in Xuanyu Fairy City!

"Elder Xuan Han!!"

Gan Ziteng who was waiting for his tragic death yelled in ecstasy.

Xuanhan Wuxian, like Xuan Dai, is the same Wuxian of the Five Tribulations, and is the ancestor of the line of Xixiangfei!

He originally guarded a big city on the border of the Xuanyu Xian Clan and resisted the attack of the Six Dao Xian Clan.

But after receiving a distress message from a certain eyeliner, he hurried back immediately.

"It's Elder Xuan Han!"

"Elder Xuan Han is back!"

"Great, great, my clan finally has a martial arts immortal to stop the devil's evil deeds!"

"With Elder Xuanhan, even if I can't clean up the evil Five Tribulations Martial Immortal, I can still save my life!"

"..."

Xi Xiangfei, the feminine old man and the others were also madly surprised, and they could hardly wait to dance, sing and dance!

On the other hand, Mi Lai, Lai Bang, Ao Wenbin and others changed their expressions!

Xuan Han appears, then Xuan Dai and Xuan Heng are coming too! ?

If that were the case, the Wuxian who was guarding Chu Xiaobei's side would have to retreat!

However, they didn't know that Xuan Heng and Xuan Dai had already been tortured by Su Lang, and then had their lives cut off.

### [Chapter 892: Die for me!](#)

"Xuanhan Wuxian?"

Su Lang smiled and said, "You dare to stop me?"

The Xuanyuxian clan has only left Xuandaiwuxian, Xuan'aowuxian, and Xuanhanwuxian.

Su Lang originally thought that Xuan Dai would ventilate with this Xuanhan Wuxian and let him change his camp so that he wouldn't end up tragically.

Unexpectedly, this Xuanhan Wuxian actually jumped out.

It seems that Wuxian Xuandai didn't ventilate this guy. It can be seen that Wuxian Xuandai faithfully implemented Su Lang's orders without revealing a single bit of information about Su Lang.

Of course, it could also be that Wuxian Xuandai thought that Wuxian Xuanhan's position was too firm and not conspiring, so he should be killed, so he gave up on ventilating with Wuxian Xuanhan.

In Su Lang's view, the former is more likely, after all, Xuan Dai Wuxian's virtue is indeed very good.

"Dog! Miscellaneous! Broken!"

"You... how dare you kill my 18th generation bloodline!!"

Xuanhanwu's immortal eyes were hovering in the air, screaming word by word, his voice trembling slightly.

He can clearly capture the sweet body powder in the air, and even feel the residual pain and fear!

Looking at the quail-like Gan Ziteng, it is not difficult for him to imagine how cruel and inhuman punishment his eighteenth generation great-grandson suffered.

"Ha ha."

"Don't say killing your 18th generation bloodline, I dare to plan your 18th generation ancestral grave up!"

"Besides, you scolded me as a shit? It seems that you want to taste the terrible pain!"

Su Lang didn't get angry but laughed instead, looking coldly at this reckless Xuanhan Wuxian.

"Dog miscellaneous, don't think you are also the Five Tribulations Martial Immortal, I can't help you!"

"I will let you, a trash Martial Immortal who doesn't know which lumps pop out, know what is the real martial arts combat power!"

Xuan Han Wuxian's eyes burst open, bloodshot, and a fairy spear suddenly appeared in his hand!

A \*\*\*\* red snake lingers on the fairy spear, like the blood of hundreds of millions of creatures, which is chilling!

The surrounding warriors just looked at this immortal weapon, and felt their scalp numb, and it seemed that they might be swallowed up and died at any time.

"Intermediate fairy? Rubbish!"

Su Lang glanced at it casually, then he could see through the details of this fairy spear, and he couldn't help but curl his lips in contempt.

In the eyes of others, the incomparably powerful fairy tools, in his eyes, are a little bit stronger than the parts he refined.

"Dog offal, die for me!"

Seeing Su Lang's disapproval look, even daring to contempt his own fairy tools, Wuxian Xuanhan suddenly became even more angry.

"Sky-swallowing spear!"

He made smoke from Qiqiao, brandishing an immortal spear, and slammed Su Lang fiercely.

I saw the power of various rules such as the fairy weapon long spear lingering around the golden rule, with a terrifying power, just like penetrating the space, the sharp spear point appeared in the center of Su Lang's eyebrows!

The blood-red long snake opened its mouth wide, revealing two needle-like fangs!

The majestic suction from its mouth acted on Su Lang, and while preventing Su Lang from escaping, it also swallowed him!

Everything is in an instant!

In the eyes of Gan Ziteng and others, the tip of the gun has touched Su Lang's eyebrows, Su Lang is inevitable, there is no escape, and there is no doubt that he will die!

"Sure enough, it is Elder Xuanhan. With a shot, the arrogant and cruel demon will immediately bow to his death!"

"Great, great, the death of this demon will not only solve our plight, but also bring Chu Xiaobei into our hands again."

"If you catch Chu Xiaobei, you can send it to the Luoyou Emperor Clan in exchange for the safety of the Xuanyuxian Clan! Elder Xuanhan is the hero who saved our Xuanyuxian Clan!"

"..."

Countless thoughts flashed through everyone's minds.

Their eyes fell on Chu Xiaobei one after another, wanting to see the panic on her face.

However, everyone found that Chu Xiaobei's expression was indifferent, even with a slight smile, as if he were not worried about Su Lang's dangerous situation at all.

"What's the matter? How could this be?"

This idea flashed through everyone's mind.

All of this was an instant after Xuan Han shot, one millisecond was too much.

next moment.

Xuan Han's blood-red spear stabbed Su Lang's brow fiercely!

[Chapter 893: My fairy weapon is broken!](#)

"Boom!"

A loud sound like a long-distance bronze bell spread throughout the world, and the blood-red spear was clearly nailed to the center of Su Lang's eyebrows, but he couldn't even hurt a single cell of Su Lang!

"Empty...space rules!!"

Xuan Han Wuxian looked at the spatial rhythm of Su Lang's eyebrows flashing, and was shocked!

Space rules, what a mysterious and terrifying rule!

Not only can it be used for transposition and assassination attacks, it is invincible, but also as a defensive method, using the power of space to forge barriers and directly block enemy attacks!

Mastered the rules of space, almost invincible in the same level!

"He has such a terrifying rule power!?"

While Xuanhan Wuxian was horrified, he couldn't help but feel a deep fear in his heart!

But he still didn't intend to stop there.

First, it was because of the intermediate immortal weapon in his hand, and second, it was because Xuandaiwuxian and Xuanhengwuxian had not yet come.

Although he didn't know why Xuan Dai and Xuan Heng didn't come, he just treated them as having other important things, and he didn't expect Xuan Dai and Xuan Heng to have died long ago.

"kill!!!"

Xuan Han Wuxian yelled again, and the spear in his hand shook, wrapping around Su Lang like a living thing.

His idea was to entangle Su Lang first, and then with the help of the power of the immortal weapon, plus all his own power, give Su Lang a clever trick and entangle him to death!

But this is obviously his wishful thinking.

"You are really too weak."

Su Lang curled his lips in disdain, and did not see what he was doing, a black and white sword light slashed on the entangled spear!

"Ding Qiang——!!!"

The pounding sound of gold and iron pierced deep into the brain penetrated the sky and the earth!

"Roar!!!"

A painful scream came from the fairy weapon spear, and it stopped abruptly, only the sound of the previous screams still echoed between heaven and earth.

"what happened!?"

This question flashed in Xuan Hanwu's mind, and immediately found that the spear in his hand had been broken in two!

The light of the spear was dim, the spirit of the weapon died tragically, and it was already a dead thing!

"My fairy weapon is broken!?"

Xuan Han Wuxian instantly opened his eyes and his hair stood upright, almost torn apart.

Gan Ziteng and others, Mi Laoyu and others, as well as the tide of warriors in the land and Shanghai were all stunned, unbelievable!

That's a fairy artifact, and it's an intermediate fairy artifact!

I don't know how long its history is. It has gone through countless battles without any damage.

But now, it was cut like noodles!

This is incredible!

What kind of horror is it to cut off a fairy weapon! ?

Countless people couldn't help but look at Su Lang.

Su Lang was holding a long sword with a black pattern on a white background, and the two eyes on the grid were particularly attractive.

Immediately after.

They heard a girl-like voice from the long sword

—"Ah, so cool, it's been a long time since I cut a decent thing, Master, I want it, I want it!"

OMG!

What kind of weapon is this?

Countless people's expressions are stagnant, but they feel that this weird long sword and that demon are a good match...

at the same time.

Xuan Han Wuxian made a defensive posture in fear.

Because he discovered that the long sword in Su Lang's hand was surprisingly more advanced than his fairy weapon long spear.

Not only is the level higher, but also has its own characteristics, which completely crushes his spear!

"Who is he who actually owns such a fairy weapon!?"

Xuan Han Wuxian was trembling in his heart. He originally thought that Su Lang was just a little dirty fairy who popped out of a pimple.

But now, it seems that the opponent is probably a martial arts expert from some big power!

Xuan Han's heart retreated.

At the same time, he was anxious and resentful because Xuan Heng and Xuan Dai Wuxian were late.

If Xuanheng Wuxian and Xuandaiwuxian were here, why would he use his own power to fight the devil on the opposite side, so that the immortal weapons were all beheaded! ?

"They haven't appeared yet, I'm afraid they have been entangled by Xuanyue!"

"The person in front of him is the helper Xuanyue didn't know where to find. Damn, he actually led outsiders into the house and slaughtered his clan!"

"But I am not this person's opponent at all now, I have only two choices, drop or escape!"

These two thoughts flashed through Xuan Han Wuxian's heart, and immediately chose to escape without hesitation.

Without saying a word, the rules of Xuanhanwu fairy wind accompany him, turning into a light, and disappearing directly.

"Waste is waste."

"Even the way to escape is so common."

Su Lang sneered disdainfully, then raised his hand and gently tapped in the direction of Wuxian Xuanhan's escape.

#### [Chapter 894: Xuan Han Wuxian crying](#)

far away.

Xuanhan Wuxian was about to fly out of Xuanyu Fairy City.

But at this moment, the direction he was advancing showed a dense spatial rhythm out of thin air.

The infinitely thin, infinitely many, and infinitely long lines form a big net with no loopholes, shrouded in Xuanhan Wuxian!

"A space rule again!"

Xuan Hanwu's fairy eyes showed fear, and immediately turned around, trying to go around.

But as soon as he turned around, he saw that he had already been blocked by the spatial grid.

"It's over!!"

Xuan Han Wuxian was desperate.

When he tried to kill Su Lang before, he used the strongest combat power.

But even then, he couldn't hurt Su Lang a bit!

What's more, now that the fairy weapon has been broken, and Xuanhan Wuxian's combat power is reduced, it is even more impossible to break this space rule.

And Xuan Han Wuxian is not the kind of hard bones who would rather die than yield.

After realizing that there was no escape, he immediately began to think of ways to save his life!

"The only way at the moment is to beg for mercy!"

"Save my life first, and then ask the patriarch to come forward, so I can get out!"

"I am one of the pillars of the Xuanyu Fairy Clan, and the patriarch cannot stand by and let me be killed!"

Thinking like this, Wuxian Xuanhan instantly knelt down in the void!

"I surrender!"

Xuan Han Wuxian shouted sternly, "My lord, I have surrendered. I beg you to live around me, I'm still useful!"

At the moment Xuanhan Wuxian finished saying begging for mercy, the spatial grid around him had shrunk to his skin!

He knew that if these small spaces were reduced and tightened again, he was afraid that he would be broken into countless pieces!

"no, do not want!!"

Even the dignified Wuxian of the Five Tribulations, when facing death, was so scared that he almost came out of \*\*\*\* and urine.

next moment.

The space grid continues to tighten!

Xuan Han Wuxian closed his eyes in despair, and the memories of those countless years before appeared in his mind.

He regretted that he wanted to provoke the seemingly unknown young Wuxian.

He also hated it very much, not for Su Lang, but for Gan Ain Gan Zi Teng!

If it weren't for that younger generation, how could he be furious and attack a powerful and perverted Wuxian!

But everything is too late!

He is dying.

Xuan Han Wuxian was ready to die, had given up all resistance, and even no longer cared about outside sounds.

Can wait a long time.

He did not feel the pain of being split into countless pieces.

"Is it because the space rules are so sharp that I can hardly feel the pain, so I die?"

Xuan Hanwu thought in his mind, "That's good, it's better to die happily than dying painfully!"

But after these two thoughts disappeared, Wuxian Xuanhan still felt that he could still think!

"This...this is, I...I'm not dead!?"

Xuan Han Wuxian opened his eyes in ecstasy, "It was Patriarch Xuan Yue who saved me!?"

But the next moment.

The ecstasy on his face froze.

Because Xuan Han Wuxian saw a young man with a sneer and a cruel outline at the corner of his mouth.

This young man is not who Su Lang is! ?

Looking around, isn't Xuanyu Square where is it?

Countless warriors looked at him in horror. His seventeenth-generation great-great-grandson Gan Ziteng opened his mouth wide and his face was desperate.

Obviously, Xuanhan Wuxian was directly transmitted back by Su Lang's spatial rules.

He ran to the edge of Xuanyu Immortal City after using his whole body to solve the number, but was caught by Su Lang with a thought!

"Are you ready to die just now?"

Su Lang mocked, "So, are you ready to endure the pain?"

This statement came out.

It was almost clear that he would torture him to death!

Xuanhan Wuxian immediately trembled fiercely, and the countless warriors onlookers below also trembled and were stiff and cold.

"No, don't torture me!"

"For the sake of both you and me as martial immortals, please give me some respect, please, please..."

Xuan Han Wuxian cried bitterly like Su Lang begging for mercy, and his performance was not much better than that of his junior.

#### [Chapter 895: You deserve to be tortured](#)

"Give you respect?"

"Hahahaha, it's ridiculous!"

"Have you ever given respect to my Beckham!?"

"One by one, you treat my Beckhams as goods and tools, and you must use them to please Emperor Luoyou, and let the despicable villain of Emperor Wuyou take the unparalleled treasure!"

"You people, none of you can die well. You have to die in endless pain to wash away your sins!"

Su Lang's eyes opened in anger, and while carrying a trace of anger, she carried thousands of miles of freezing cold.

Countless warriors in Xuanyu Immortal City heard his words and saw his expression. They were extremely frightened and frightened. They felt that a catastrophe was imminent, and the time of death had come!

In an instant, a large number of warriors fell softly to the ground, feces and urine came out, and it was inaudible.

"I... I have done a lot for the Xuanyu Fairy Clan!"

Xuan Han Wuxian still begged for mercy, "I have no credit and I have toiled, please let me pay off the credit and give me a happy one!"

"wishful thinking!"

Su Lang smiled coldly and moved his hand in the next moment.

A large amount of the power of the rules condenses, overwhelming the sky, and the rules and anomalies are illusory, which is chilling.

Immediately after.

The power of these rules fell on Xuanhan Wuxian and others.

Yes, not only Xuanhan Wuxian, but also Gan Ziteng, Xi Xiangfei and other warriors who are enemies of Chu Xiaobei.

At this moment.

Nearly one hundred thousand warriors fell into hell.

The entire Profound Jade Square almost turned into a special volcano, bursting out a horrible howling!

"It hurts--!"

"No, don't cut my flesh piece by piece, ah, no!"

"My bones, my hamstrings, my hand tendons, my ears..."

"Kill me, kill me, please give it, give it a go!"

"..."

A series of screams broke out, followed by a strong blood!

Those warriors at the bottom of the cultivation base are okay, and they are in pain for more than ten seconds and then cool.

But those with a higher level of cultivation, such as Gan Ziteng, Xi Xiangfei, the old man and their subordinates, were miserable.

For these high-ranking warriors, Su Lang is the focus.

Not only to torture severely, but also to use the rules of life to extract the breath of life from other warriors to continue his life.

The same as before!

Of course, the worst is Wuxian Xuanhan.

As a Five Tribulations Martial Immortal, his vitality is naturally extremely powerful.

Su Lang changed various rules and various tricks to torture him, and he tried almost all the rules he had understood!

"Don't torture me!"

"Please give me a good time!"

"Clan Chief Xuanyue, where are you Chief Xuanyue, please come and save me!"

"I know I was wrong, I shouldn't support the arrest of Chu Xiaobei, I was wrong, I was really wrong!"

"Ah, my eyes, my eyes!"

"..."

Xuanhan Wuxian was imprisoned by the rules of space at the feet of Su Lang, screaming and begging for mercy constantly.

In a short period of time, this impossibly noble Wuxian, covered in purple robes, has become even worse than the most miserable stray dogs!

In the distance, countless warriors trembling all over looked at the warriors who were tortured by the power of the rules, their faces turned pale.

At the same time, they are also very grateful that they did not stand in the wrong team.

People like Wang Li and others are very proud.

Among the Xuanyu immortal clan, the vast majority support the exchange of Chu Xiaobei for peace.

It is conceivable that that small group of people must have been under tremendous pressure, and even turned their eyes and humiliated them.

but now.

The enemy who used to be bullying is suffering brutal punishment and suffering.

The justice they insisted on was brought by Su Lang!

"Good abuse!"

"Good torture!"

"My lord is wise, these dogs should be tortured to death!"

"Our Profound Jade Fairy clan finally has a posture of becoming an emperor, you \*\*\*\* actually want to use her in exchange for peace, you deserve to be tortured!"

"..."

The crowd of onlookers made a sparse applause, and immediately more and more people agreed.

In the end, almost all the warriors clapped their hands and praised them, and even wished they would run up to bite Xuanheng and others.

Of course, this also meant to please Su Lang, after all, it was a existence that was even more terrifying than a big demon who killed people without blinking!

[Chapter 896: Patriarch, please help me](#)

The scene of Su Lang's punishment still continued.

Nearly one hundred thousand warriors have died nine out of ten, only the mighty Martial God, Martial Saint has not yet died.

Most of these warriors who had not died were already unable to shout, but there were still a lot of people begging for mercy.

Su Lang has never been merciless to those who dare to swear at himself.

With a move of mind, he first ingested some breath of life to heal his wounds, make him live and live, and then impose more cruel punishments on him, so that he knows what pain is.

At this time, no one dared to swear, and could only continue to endure intense pain, gradually dying in despair.

In a blink of an eye, the \*\*\*\* of war is dead, only the martial sages such as Xuanhan Wuxian and Gan Ziteng are still alive.

And at this moment.

The sky and the earth changed suddenly, the clouds in the sky dispersed, and two martial immortals descended.

One of them had his head covered with withered hair, his figure was rickety, and his dark face was covered with deep wrinkles. He was the patriarch of Xuanyuxian clan, Xuanyue Wuxian.

The other person was expressionless, without saying a word, and immediately behind Xuan Yue, was the third elder of the Xuan Yuxian clan, Xuan Ao Wuxian.

Of course everyone has seen such a big movement of the two martial arts.

"The patriarch is here, the patriarch Xuanyue is here!"

"There is also Elder Xuan Ao, I didn't expect Elder Xuan Ao to also come back!"

"Why did the two Wuxians appear at this time? Are they trying to save Xuanhan Wuxian?"

"It's very likely that Wuxian Xuanhan is also a pillar of our Xuanyuxian clan, no matter what, if he is willing to repent..."

"Let's don't guess, we will know what the patriarch and the third elder are coming from."

"..."

The onlookers talked for a while, and then calmed down again, turning their gazes to Xuanyue Wuxian. at the same time.

Of course Xuan Han Wuxian and the others also saw Patriarch Xuan Yue.

"Patriarch, please help me!"

"I know it's wrong, I really know it's wrong, I change it, and I will fight against the Luoyou Emperor Clan together with you!"

"Patriarch, third elder, please let that lord stop, we have died nearly 100,000!"

"..."

Xuan Han Wuxian and the others are like drowning people who grabbed a life-saving straw, and they endured the pain and called for help.

They also thought that the reason why Xuan Yue Wuxian appeared now was to save them.

However, something unexpected happened to them.

Wuxian Xuanyue didn't even look at them, came directly to Su Lang and knelt down.

"Xuan Yue pays homage to your lord!"

"Xuan Ao pays respects to your lord!"

Wuxian Xuan'ao also bowed down with Wuxian Xuanyue, a trace of uncontrollable excitement appeared on his indifferent face.

Obviously, he already knew the identity of Su Lang's 'Langdi' through Xuanyue Wuxian.

With the cultivation base of the Three Tribulations Martial Immortal, Xuan Ao was really honored to kneel in front of a Martial Emperor so close at hand!

"Two, please."

Su Lang's expression stretched, and he smiled kindly.

Such an approachable behavior immediately made Xuan Ao even more excited!

"This is Langdi, the Langdi who unified the south!"

"I actually received the courtesy of Emperor Lang, this matter must be remembered for a lifetime!"

Xuan Ao slowly got up, dizzy with excitement, as if drunk.

Xuan Yue Wuxian received Su Lang's courtesy, he was also very honored and very excited, but because his temperament was better and his face was dark, he concealed his expression.

The scene where Wuxian Xuanyue and Wuxian Xuan'ao met Su Lang stunned everyone in Xuanyuxian City.

"Xuan... Patriarch Xuanyue actually bowed down to the adult!"

"Oh my God, isn't that Wuxian the same generation as the Xuanyue Clan Chief? What kind of identity is he?"

"Patriarch Xuanyue is the head of the clan, and even the Six Tribulations Martial Immortal, he can step into the ancient fairy realm in just one step.

Can make Xuanyue clan leader kneel down willingly, his identity is at least similar to the Nine Tribulations Martial Immortal! "

"In any case, this martial immortal who shame Chu Xiaobei is definitely an important figure of a big power, maybe it is the origin of the emperor."

"The emperor... the emperor! The great man of the emperor, my God, really!"

"If it's really an emperor..."

Each warrior showed awe, and many people bowed to their knees, knelt on the ground, or even crawled on the ground.

### [Chapter 897: Be a good individual in your next life](#)

Simultaneously.

Xuan Han Wuxian and others are even more desperate.

Those onlookers can see it, and they can see it naturally.

Obviously, everything in the Xuanyu Immortal Clan is the mysterious and powerful martial immortal, not the Xuanyue patriarch.

Well.

Xuan Yue Wuxian must be the young Wuxian looking only at the horse's head.

Asking Wuxian Xuanyue for mercy basically had no effect.

Of course, Wuxian Xuanhan and others still hold a glimmer of hope, especially Wuxian Xuanhan himself.

"Xuanhan pays homage to your lord!"

"Xuan Han has eyes and no beads, and ran into the adults, willing to give everything, beg the adults to forgive me like a dog!"

Xuan Han Wuxian forcibly endured the pain, crying to Su Lang for mercy.

Su Lang looked indifferent and did not speak.

"Humph!"

"Xuan Han, you, Xuan Dai and Xuan Heng want to capture Chu Xiaobei to please the Emperor Luoyou."

"If it weren't for the protection of an adult, you would have arrested Chu Xiaobei, and you would never have my chance of becoming the emperor of the Xuanyu Fairy Clan!"

"When you wait and ignore others, your sins are horrendous. I especially ask the adults to take action to suppress you!"

"Now Xuan Dai and Xuan Heng have already apologized with death, and you, Xuan Han, are no exception!"

"In addition to you, there are Gan Ziteng, Xi Xiangfei and others, all of which deserve to die. It is an honor for you to wait for you to be able to grant you death by your own hands!"

Wuxian Xuanyue stood up and scolded Wuxian Xuanhan, and attributed the reason for Su Lang's action to himself, saying that he invited Su Lang to make the move. It goes without saying that he wanted to bear Su Lang's back. Click the pot.

"My lord, patriarch!"

"The six immortal clan feed around, and the Luoyou emperor clan is high above."

"Now the Xuanyu Immortal Clan is in danger, I beg my lord to surround me with a useful body and die for the Xuanyu Immortal Clan!"

Xuan Han Wuxian still refused to give up the last glimmer of hope.

He moved out of the difficult situation of the Xuanyu Immortal Clan, begging Su Lang and Xuan Yue to take advantage of his Five Tribulations Martial Immortal combat power and save him alive.

But where did he want to get it, Su Lang didn't pay attention to the Six Dao Immortal Clan and Luo You Emperor Clan at all, instead he wanted to hit the door to kill Emperor Wu and seize the Emperor City.

"Humph!"

"With adults, the Six Dao Immortal Clan and Luoyou Emperor Clan are not to be afraid of."

"Xuanheng, if you make a mistake, you should be punished and be a good individual in your next life!"

Xuan Ao Wuxian on the side also spoke. He was very excited and spoke quickly.

The relationship between him and Xuan Heng is very poor, and he has been oppressed by Xuan Heng. Wouldn't it be nice to be ashamed at this time?

Xuan Heng Wuxian wanted to continue begging for mercy.

But Xuanyue Wuxian bowed to Su Lang: "Please, my lord, please clean up the black horse for the Xuanyuxian clan!"

As soon as this remark came out, Wuxian Xuanheng's last hope was immediately lost.

The gaze he looked at Su Lang and others no longer meant to please, but a trace of hatred revealed in despair.

Seeing Wuxian Xuanyue from the tormented despair undoubtedly gave him a glimmer of hope, but now this glimmer of hope has been shattered.

What is more painful and hateful than giving people hope and breaking it down?

However, from another aspect, Xuan Yue also helped him Xuan Heng.

Xuanyue begged Su Lang to take action, then they would not have to suffer any more.

"it is good."

Su Lang also readily agreed, after all, it would be boring to torture.

"death!"

With a thought, the rule of death enveloped every sinner.

Suddenly, Xuanyue Wuxian and the others felt cold, the corpse fell, and the howls stopped abruptly.

"Ding! You get the Soul of the Intermediate Martial Fairy\*1, the Enlightenment of Space\*1, the regular fairy crystal\*1, the top-grade fairy jade\*6356451, the middle-grade fairy jade\*3565638, the lower-grade fairy jade\*84561243... Grade refining material...Holy refining material..."

"Ding! You get the soul of high-level martial arts\*1, the lead of space\*1..."

A series of system prompts came, and Su Lang's storage space suddenly showed a lot of treasures.

So far, within the Xuanyu Immortal Clan, almost all the warriors who agreed to exchange Chu Xiaobei for peace have died.

Even if there were a few others, they never dared to make a sound anymore, and even had to breathe carefully.

"The aftermath will be handed over to the chief Xuanyue."

Su Lang smiled at Xuan Yue Wuxian.

"My lord, rest assured!"

Xuan Yue Wuxian bowed and bowed, and Xuan Ao did the same.

Su Lang nodded, turned around and removed the barrier of Xuanyu Immortal Stone, and came to Chu Xiaobei's side.

From the beginning to the end, Chu Xiaobei was protected by Su Lang's formation, without facing even the slightest danger.

#### [Chapter 898: Xuanyu Immortal Clan's Heart for Taoism](#)

"Well, do you think I have killed too many people?"

Su Lang looked at Chu Xiaobei indifferently and asked softly.

This time, he directly killed nearly 100,000 warriors of the Xuanyuxian clan, and they were all elites living in Xuanyuxian City.

It can be said that Xuanyu Immortal Clan's seven-channel martial artist has only three channels left at this time.

This is probably from below the heart, all amputations...

"Speaking privately."

"Just to help me humiliate me and kill the culprit, you don't have to kill so many people."

"But I know that you did this to clean up the dross for the Xuanyu Immortal Clan by the way. Although there are few people left, they are all the essence."

"The path of martial arts is the eternal path of the martial artists, the eternal topic, the eternal goal, and the realm of the emperor of martial arts is a dream that every martial artist and every race must pursue."

"If you have the hope of realizing your dream, but you don't chase it, what is the difference with Xianyu?"

Chu Xiaobei said with a smile as if I wasn't fooling you.

"Oooooo."

"Do you still know the allusion of salted fish?"

Su Lang smiled blankly, "Continue to talk about your views."

"Hey, that is!"

"I know a lot about the ancient culture of Blue Star, not only salted fish, but also...cough, get back to business."

"The dross is very harmful, and it is a huge obstacle to the progress of the Xuanyu Fairy Clan."

"If you don't get rid of it, the Xuanyu immortal clan will be difficult to move, suffocating, and even going backwards and decline."

"The people left behind today are all willing to resist difficulties for me and help me pursue my dream of becoming an emperor."

"And what they see is not only me, but also the hope of becoming an emperor in me. They have pinned their dreams on me."

"In other words, when any tribe has the posture of becoming an emperor, they will pin their hopes and support him. This kind of spirit belongs to the heart of our entire race!"

"Because of the desire to seek the truth, I dared to grit my teeth to challenge the powerful emperor and fight for the glimmer of hope in the crack!"

"Now, I am the one that everyone has placed their hopes on for Emperor Cheng, and I must become Emperor to be worthy of everyone!"

As Chu Xiaobei was talking, looking at the sky, his expression became more serious and firm.

"Not bad."

"well said."

Su Lang smiled and nodded.

In his opinion, what happened to Chu Xiaobei can be compared with some things in his previous life.

For example, in the previous blue star, if there is a student showing the qualifications and potential to be admitted to Qingbei University.

Then his whole family would definitely have to confess when they smashed their pots and sell iron, and even if they would not hesitate to beg, they would also provide for their children to study.

If someone in this family refuses to let the student go to school, but lets him drop out of school to work, then this person will definitely be resisted.

If the whole family does not let the students go to school, and let them go to work to earn money, then the family is finished.

The previous Xuanyu Fairy Clan is like the second more serious example.

Su Lang eliminated those who prevented Chu Xiaobei from going to school and asked everyone to support Chu Xiaobei's test of Qingbei.

of course.

This is the world of martial arts fantasy. Everything is spoken with the fist, otherwise no one will listen to reason, so Su Lang's methods appear to be very tough and cruel.

In general, Su Lang became the devil of Xuan Dai, Xuan Heng, Xuan Han and others, but became the angel of Chu Xiaobei and even the entire Xuanyu fairy clan.

And Chu Xiaobei also clearly understood Su Lang's painstaking efforts and made up his mind to never let anyone down.

Xuanyue Wuxian, as the core figure of the Xuanyuxian clan's "heart of seeking Taoism", of course understands better.

Therefore, he supported Su Lang's mass killing from the very beginning, even if he felt uncomfortable, he never pleaded for anyone.

As for Xuan Ao, as Xuan Yue Wuxian's confidant, he also understood.

And the ordinary warriors in the fairy city below may not understand it so well, but they have already felt the desire for Taoism condensed from the entire race!

The entire Profound Jade Immortal Clan has been condensed into a ball, and then, he must look up to the front and chase the dream of becoming an emperor.

In front, there were the Six Dao Immortal Clan and the powerful Luoyou Emperor Clan.

The Liudaoxian clan in the Ming Dynasty was the precursor of the Luoyou emperor, and the Luoyou emperor secretly provided the powerful and resources to support the Liudaoxian clan to attack the Xuanyuxian clan.

The pressure of the Xuanyu Immortal Clan is too great.

If it weren't for the Luoyou Emperor Clan to be able to end in person, and the support for the Six Dao Immortal Clan could not be too obvious, the Xuanyu Immortal Clan would have long been unable to hold it, and would have scattered and fled.

But things are different now.

Chu Xiaobei brought back a strong man, Su Lang!

[Chapter 899: But it's really long enough](#)

The dialogue between Su Lang and Chu Xiaobei did not last long.

Because the old lady and others looked at them eagerly from a distance, but didn't dare to come over.

They watched Chu Xiaobei grow up, and gave countless cares and hopes in Chu Xiaobei's life.

At this time the stormy sea subsided, of course they wanted to talk to Chu Xiaobei.

As for Chu Xiaobei, he is not an unreasonable person, and he wants to reminisce with the elders who have taken care of her.

"Go ahead, I happen to have something to do."

Su Lang smiled and pointed to Old Mi and others, and said to Chu Xiaobei.

"Hmm, I'll be back to find you soon."

Chu Xiaobei smiled, and then hopped to find the old woman Mi, like a little girl who has not grown up.

"Oh, you actually said that you will come back to me soon, this girl has become clingy?"

Su Lang smiled brightly, then looked around, his eyes fell on a martial sage.

This Wu Sheng was Wang Li who had led Su Lang into the city before.

Xuan Yue and Xuan Ao went to the aftermath personally, and sent Wang Li, the man who had run errands for Su Lang, to wait for instructions.

"grown ups!"

Seeing Su Lang looking at him, Wang Li opened his eyes and smiled, excitedly ran over to salute.

"Find me a quiet room in the city."

The corner of Su Lang's mouth raised slightly, and he smiled faintly.

"Yes!"

Wang Li bowed and took his orders, "My lord, please follow me."

Under the leadership of Wang Li, Su Lang entered the best quiet room in Xuanyu Immortal City and opened up all the formations to assist in cultivation, which is bound to create the best cultivation environment for Su Lang.

But these were of little use to Su Lang.

The cultivation bases in the sea of his cultivation are simply useless, and there is no need for special cultivation at all.

Sitting cross-legged on the ground.

Su Lang began to take stock of his belongings.

Five system functions were upgraded before, and a total of more than 155 million yuan was spent on the best immortal jade.

So the balance is a little over 90 million.

After that, the number of the best immortal jade has not been supplemented.

After killing the three martial gods Xuan Dai, Xuan Han, and Xuan Heng, as well as one hundred thousand 'dregs', Su Lang also got more than two hundred thousand best immortal jade. That's right.

Therefore, Su Lang's fund balance has basically not changed.

For Su Lang, what is more gratifying is that he has obtained three regular fairy crystals, three Wuxian souls, and some materials.

"At present, the system functions are to be upgraded, and there is a total difference of nearly 10 million fine jade.

"I'm afraid, only by beheading a quasi emperor and plundering all his wealth can he make up for it!"

Thinking of this, the corners of Su Lang's mouth curled up slightly, revealing a sneer, "However, the war is about to start, and I will soon be able to fill this funding gap."

Forget the spoils of harvest.

Su Lang looked at his cultivation status and mental strength again.

The state of cultivation is still the same, constantly increasing, in a state of surplus but not overflow.

But rushing from Yaochi to Xuanyu Fairy City, and going through two more incidents, it seemed like a long time, but it didn't take much time.

Add up before and after, and it's only an hour.

Therefore, Su Lang's mental power has only recovered a twelfth degree, and he is still at a relatively weak level in the realm of the sun.

"We must be the enemy of Emperor Wu."

"My spiritual power has to be elevated to the state of emptiness and nirvana."

"Otherwise, Emperor Luo Youwu will attack him with a mental attack. Even if I won't die, it will be very uncomfortable."

"At my current cultivation speed, my mental strength cultivation will only take another eight or nine hours, and I will be able to reach a state of fullness, and I can break through to empty nirvana."

"The soul-burning plan can only be continued later."

Determined in his heart, Su Lang set his sights on the seven immortal swordsmanship.

The rate of one-key martial arts training is slower than one-key training.

It takes a whole day, or twenty-four hours, to practice a fairy-level exercise.

At this time, it only took a few hours to finish the practice. It would take about twenty hours to complete the practice.

"It's really long enough."

Su Lang murmured a word that caused all warriors in the world to vomit blood.

He couldn't wait to try those seven immortal sword moves named "Broken".

Moreover, Su Lang has always been obsessed with the 'source of the practice', and wants to perform his own moves.

#### [Chapter 900: Mountain River City accident](#)

"We can only wait."

Su Lang sighed helplessly, then took out the cauldron and materials, and began to refine the super humanoid weapon.

This behemoth has a total of 120,000 fairy-level parts, and Su Lang has only refined about 6,000 so far.

This is only one-twentieth.

A long way to go!

However, this weapon that was extremely difficult to complete even for Su Lang, once it was completed, it would definitely not know how terrifying it was.

This is also the reason for Su Lang's perseverance.

In the next time.

Su Lang has been refining parts for super humanoid weapons.

Until Xuan Yue Wuxian and Xuan Ao Wuxian ran over to see you.

"Xuan Yue pays homage to your lord!"

"Xuan Ao pays respects to your lord!"

Two Wuxians respectfully knelt down in Su Lang's quiet room.

"Has the aftermath been completed?"

Su Lang kept moving in his hands and asked directly through the quiet room door.

"Return to Sir."

"We have killed some remnants and appeased the rest of the tribe, and the tribe has been completely calmed down!"

Xuanyue Wuxian replied, and his voice immediately changed, "But in this short time, something happened in the border city of Xuanyuxian clan."

"Something big happened in the border town?"

Su Lang asked with a smile, "Did the Six Dao Immortal Clan seize the moment when Xuan Han and Xuan Ao are away, and get into trouble?"

"Return your lord, that's it!"

Xuan Ao Wuxian was a little anxious, "The things Xuan Han and I came back were clearly confidential, but it was still leaked. There are spies in the border town!

And I just received a secret report from my subordinates. Although they killed the spies, the catastrophe has already happened!

The mountain and river city where I was stationed has been captured by the Liudaoxian tribe. The life in the city has been disastrous. All my troops have fled, and two quasi immortals have died in battle! "

Shanhe City is the frontline of the Xuanyu Xian Clan against the Liudao Xian Clan.

This city was not a border city before, and it was even located near the hinterland of the Xuanyu Fairy Clan.

However, the Six Dao Immortal Clan was secretly supported by the Luoyou Emperor Clan, and in the battle with the Xuanyu Immortal Clan, they descended into a city by day and landed at night.

The city near the hinterland became a border city.

This shows how dangerous the situation of the Xuanyu Immortal Clan is.

"Xuanyu Fairy Clan, this big son who fought for Chu Xiaobei to become Emperor, really blocked the entire race!"

Su Lang admired in secret, immediately put away the cauldron, stood up and opened the door.

See the quiet room door open.

Wuxian Xuanyue and Wuxian Xuan'ao suddenly shorted their heads to show their awe.

"The Six Dao Immortals are just dogs and horses who are the precursors of the Luoyou Emperor Clan. They kill the meat before killing their owners!

The Xuanyu fairy clan is now empty inside, Xuan Yue, you are highly respected in the clan, stay and guard, I will send a clone to protect it secretly. "

Su Lang looked at the two people below and smiled, "Xuan Ao, you will lead me to the mountain and river city to kill the dog and horse."

"Yes!"

The two Xuanyue bowed their orders.

Xuan Ao was very happy, because it was a great honor for him to lead the way for the Emperor Lang himself.

"Xuan Ao."

"You go get ready."

Su Lang left a word and left the quiet room to look for Chu Xiaobei.

Yes, he is going to deal with the Six Dao Immortals, so naturally he has to bring Chu Xiaobei.

Firstly, Chu Xiaobei was worried about staying in Xuanyu Immortal City, and secondly, because the Six Dao Immortals had chased Chu Xiaobei and almost killed her.

Although it was said that there was no Six Dao Xian Clan chasing and killing Chu Xiaobei, Su Lang was unlikely to meet Chu Xiaobei.

But one yard goes to one yard, and Su Lang will not spare anyone who has hurt Chu Xiaobei.

When I found Chu Xiaobei.

She is still chatting with the old woman Mi.

In addition to the old woman Mi, Lai Bang and other people gathered around Chu Xiaobei.

From time to time there was exclamation from the crowd.

"It's worthy of being an emperor. In the past few months I have been promoted from a six-star martial sage to a quasi immortal!"

"The cultivation base is second. In addition to the rules of the five elements, I also comprehend the rules of space, the rules of life and death, the rules of yin and yang, etc., and I was blinded!"

"Ms. Chu said that this was taught to her by the mysterious adult. If so, how powerful is that adult!?"

"I think it should be humble words, how can the power of rules be taught, at most a few words, everything can only be understood by yourself."

"Yeah, it's not bad, it's Miss Chu who is fighting for herself. In my opinion, the chance of becoming an emperor is really great!"

"Haha, I tremble with excitement when I think of the day when our Xuanyu clan can also become an emperor!"
