

Meeting The One For Me Chapter 113

Meeting The One For Me Chapter 113-Audrey's fingers tightened into fists, but her eyes didn't leave Cecilia. "Ms.

Cecilia, you ran a background check on me, didn't you?" Only a smile was received in return.

In actuality, Cecilia happened to run into the couple when they were at the city hall.

Cecilia merely knew a few things about Audrey because she didn't have the time to look into Audrey's background.

Moreover, Audrey was someone of a different world to Cecilia. Spending time to look into Audrey was deemed unworthy of the effort.

All Cecilia had to do was to drive Audrey away.

"If you look into my background, you'll find out that I'm in fact a relative of his biological family. I'm his only family," said Audrey.

Her plan was to divorce Ryan after the delivery and take the baby with her.

Thus, she deemed that it would be better for her to resolve any trouble she caused him.

Cecilia lost her smile while Audrey continued calmly, "Don't misunderstand me.

Mr. Lambert and I aren't really married. As you know, Mr. Lambert Senior doesn't wish for Mr. Lambert to have anything to do with his biological family.

"Mr. Lambert has been secretly helping me out these years. He agreed to marry me simply just to help me out. I want to keep the baby, but I don't want to fight for custody rights with the baby's father. That's why." t "So you didn't abort the baby!" Hearing that, both Audrey and Cecilia turned their heads only to see Nathan, who was there out of nowhere.

His expression was dark.

As soon as he headed inside the cafe, he overheard Audrey claiming that she wanted to keep the baby.

He walked up to her, and his eyes zeroed in on her. “You told Joseph to lie and tell me that the baby was aborted because you want to give birth to the baby in secret?” Cecilia’s gaze alternated between the two. Almost instantly, she understood what happened between Audrey and Nathan.

Then, she jumped to the conclusion that Nathan was the father of the baby in Audrey’s belly.

“Nathan, we’ve divorced. Why can’t you just get out of my life? What do you want?” Nathan yanked Audrey up from her seat. “What are you planning to do with that baby? Why do you want to keep it!”

Nevertheless, she didn’t want to explain too much in front of Cecilia.

Cecilia motioned for the bodyguard to separate the two from each other.

“Sir, this is not how a gentleman treats a lady.” Cecilia smiled.
