

One Planet 190

Chapter 190: Blue Star's Evolution! Ten years of development! Changes in the Heavenly Pride Ranking!

It kept popping out.

Mostly the military aspect was bringing the Great Desolate Army a stronger combat power.

Later, when facing a transcendent, the Great Desolate Army gradually changed from being cautious, nervous and apprehensive at the beginning to looking forward to it and revealing its fullness!

Seeing the Transcendents was as if they were looking at a prey.

The most immediate takeaway was that the Great Desolate Army completed four to five-star difficulty missions plus that previous mission on the card planet.

Jiang Fan had completed three five-star missions.

He was eligible for Elite Star Hunter assessment.

Jiang Fan came directly to the Planet Association.

The middle-aged supervisor from earlier personally received Jiang Fan.

At this time the middle-aged supervisor had naturally investigated Jiang Fan's identity.

"Mr. Jiang, you want to apply to be an elite level star hunter?"

Hearing Jiang Fan's request, a strange look appeared on the middle-aged supervisor's face.

Elite Star Hunters?

In the entire Planet Association of Jiangcheng, there were only a few of them.

They had a more than 80% success rate.

There were also requirements for the difficulty of the task.

It was difficult for many star hunters to do it and Jiang Fan had only just awakened the planet for less than three months!

"That's right."

Jiang Fan handed over his membership card.

The middle-aged supervisor took it and took a look at it.

He was stunned and after looking carefully for a while, he took a deep breath.

He raised his head again and looked at Jiang Fan and said, "Completing five consecutive five-star missions meets the selection requirements for elite-level star hunters!"

The middle-aged supervisor still had a trace of disbelief in his eyes.

There were two criteria for the evaluation of elite star hunters.

One was:

Perform at least one hundred missions with an eighty percent success rate.

And the second one was-

Perform five missions of 5-star difficulty with 100% success rate!

The vast majority of elite star hunters were evaluated successful by the first condition.

The second condition was just too hard!

Of course, this was for a level one elite star hunter.

“It’s really demonic.”

The middle-aged supervisor muttered in his mind.

After that he personally appraised Jiang Fan as an elite star hunter.

For Jiang Fan, Elite Star Hunters had a lot of benefits.

It was not just the raise in fame.

There were also various benefits.

For example.....

There would be an 80% discount on tolls!

The ability to take on quests with a higher threshold, etc.

When Jiang Fan left, a staff member came in from outside.

She looked at Jiang Fan’s back.

She asked in confusion, “Supervisor, are you that optimistic about him?”

Looking at the expression of the middle-aged supervisor just now, that smile was almost flattering!

“Making a good relationship.”

The middle-aged supervisor smiled slightly.

No real information was leaked.

Even.....

Even Jiang Fan’s identity as an elite star hunter was set to be kept secret.

Of course this was also Jiang Fan’s request.

Because before the entrance exam, he didn’t intend to make it public.

“But I heard that.....”

The staff member said: “This year’s college entrance examination champion, it is already a certainty that it is Bu Jing Yue of the No.1 middle school!”

“Is that so?”

The middle-aged supervisor’s mouth curled into a smile.

If it was an hour ago, that’s what he would have thought too, but now, this was an elite star hunter who had just awakened the planet less than three months ago!

What concept?

He could rank among the youngest elite star hunters in history!

The ultimate demon!

“Supervisor, don’t you believe me!”

The staff member clicked on his communicator and dropped a page projection and said, “This is the Heavenly Pride Ranking that just came out, take a look at Bu Jing Yue’s ranking!”

The middle-aged supervisor looked up.

After seeing Bu Jing Yue’s ranking, he could not help but be slightly surprised!

After seeing Jiang Fan’s ranking again, he was even more stunned!

Jiang Fan who returned home, suddenly received a call from Tong Zhen Sheng.

“Principal, what can I do for you?”

Jiang Fan had always been so direct.

“Jiang Fan, have you been following the Heavenly Pride Ranking that just came out?”

Tong Zhensheng didn’t joke like the previous few times, but asked directly.

“I haven’t.”

Jiang Fan was too lazy to care about these things.

“If you have time, you can take a look at it.”

Tong Zhensheng’s tone was rather solemn!!
