

Only Fuel 72

Chapter 72

Kimberly threw the eyeglasses and destroyed them, it was now or never, she was determined. She was fully decided to go with this. She knew that she could not start with getting friendly to get close to Calix, this man didn't have the intention of getting close to any woman, he had a girlfriend. Kimberly was thinking of spiking Calix's drinks but it won't have a long-lasting effect except lusting over her body, and he would regret it later on. Besides, that's technically r*pe.

Instead, Kimberly decided to use her sex appeal. No drugs, no faking with emotions, she planned to make Calix fall using her body and of course her heart.

She was confident of her beauty(she didn't have a choice but to believe in herself) and she had a nice personality. She strongly believed that once she had Calix, he would not get over her and he would start loving her by his own volition. Perhaps some of her calculations were wrong but that didn't matter as of now. She was just starting anyway, she could fix the problem later on.

Calix gulped and sensed that the atmosphere was getting hotter. He saw that Kimberly was showing her cleavage unintentionally and he didn't know where to look.

"Um, I think I need to go to the bathroom."

He made an excuse and stood, he reached the door and touched the doorknob but it was locked. Someone locked the door!! As expected of her!!

"..... Lady Kimberly, I think someone made a mistake of locking the door."

Calix turned around and saw that Kimberly was walking, staring at him with her glistening eyes.

"Calix... Am I not pretty?"

She asked and the string of her dress accidentally fell off, leading Calix to further see that Kimberly was not wearing a bra. Now that he realized it, her nipples were poking under her dress earlier. Calix's lips twitched.

"I- It's not about it. You are pretty and I'm sure that guys will be crazy all over you. It's just that I have a girlfriend and I don't want to hurt her."

Calix was confident that he didn't want to hurt Scarlett, he would rather die than see her crying. However, his body could not lie. His junior was seriously hard right now. He hated to say this but if Kimberly tried to touch him, he was not sure if he could stop her.

He felt like his body was attracted to Kimberly as if he already experienced her. Well, he already experienced her mouth, sadly he was unconscious when it happened.

Kimberly got closer and her hips were alluring to see. Oh God!

"Hm, just give me one chance and I promise you that- ah!"

Kimberly took a wrong step and her stiletto cracked, she lost her balance and almost fell. Thankfully, tough arms caught her and she was not hurt. Calix was there to save her. As expected of her clumsy side, perhaps this was one of her calculations too.

Kimberly raised her head and her lovely lips kissed his neck, it was a soft kiss but it sent shivers for both of them.

"Lady Kimberly... I have a girlfriend..."

"Hm, so what? You're still not married, this means that I can steal you."

"Wah-!!"

Kimberly caught his lips and Calix was dumbstruck, it was a sloppy kiss and her tongue was invading him. At first, Calix was adamant to not respond but his body betrayed him. He started kissing her back and his arms embraced her. He lost the battle.

'Got yah!'

Kimberly said inside her mind, to be honest, she spent all her time thinking about the best way to make him fall but it seemed like she didn't have to. Because from the beginning, Calix was already attracted to her. She giggled inside her mind while kissing him, they were both breathless but they didn't want to stop.

Kimberly was panting and her teary purple eyes stared at Calix, she was happy that Calix was reacting to her advances. This meant that things would flow easily. Step by step, she would make Calix hers.

Welp, she would realize later on that her dream would never happen. Because Calix is made for all the women that he will meet. Although Kimberly would definitely have an important part of his life.

"Ahhnn, Mmmm."

Calix was sucking her tits back and forth, his tongue was flicking them and Kimberly kept humming the whole time. Now she was sure that Calix was different from her two exes, Calix was better and his touches felt so good that it tickles her down to her core.

She was not the type who likes sex but Calix would change her.

"Ah!! Calliiixxxx!"

Kimberly cried when Calix inserted his fingers inside her, she was so wet that Calix did not have a hard time inserting them. She gasped when Calix kept fingering her, wet sounds resounded together with her moans, her legs convulsed and her hands clutched Calix's hair. She wanted to scream and she definitely did when she climaxed. Her body throbbed on Calix's and she could not control her tears from flowing.

She was a mess, the real fun has not begun but she was already in bliss. Her white pale skin was tainted with her saliva, sweat, and pussy juice.

Calix, who was looking at her, was still not satisfied. He pushed Kimberly on the floor and she yelped, he spread her legs and liquid was oozing out of her slit.

Calix swallowed hard and unzipped his pants. Kimberly gasped when she saw his monster cock. Despite seeing it twice, she was still amazed by how big it is. She didn't taste a dick this big in her whole damn life.

Kimberly did not know but her body started acting up, she raised her hips and her hands spread the petals of her pussy. She was breathing hard and she knew what was coming, a long-hard-thick cock would ravage her defenseless body and she was excited to give her body to him. To make Calix free of any guilt, Kimberly opened her mouth and said...

"I am your cum sleeve, fuck me all you want. This pussy is yours, and yours alone. Teach this pussy who's the master."

She sweetly said and stared at Calix with longing. She was saying dirty stuff but it was music to the ears.

Calix's face contorted, it seemed like he couldn't keep his promise. He was so horny right now and he wanted to fuck Kimberly so bad! He roared and shoved his large cock in just one thrust. Kimberly gasped, and for a moment she lost herself but she came back when Calix thrust in for the second time. She died and was revived by the cock!
