

Only Fuel 73

Chapter 73

Three days, I tell you three days! Calix and Kimberly had sex straight for three days! If this is reality, man, I don't know anymore. Phew, thank God it's not.

They changed room the night and went to Kimberly's room. They sneaked in the middle of the night naked and reached the room with rosiness on their faces and they immediately fuck after that. Then, the second day, they lost their shame and their voices became noticeable.

The maids who passed by the room would hear Kimberly's moaning, squealing, and crying as if she was dying from excruciating pain. However, all of the maids knew that Kimberly was fucking Calix the whole time. They were playing with fire and it was obvious that they were super busy with what they were doing.

When the maids entered the room, they smelled the scent of sex and they could see that both Calix and Kimberly were sweating and breathless. In fact, Kimberly was blushing when the maids looked at her. She was trying to hide the marks around her body but she failed to do so, all the maids recognized those smooches. As for Calix, he kept staring at Kimberly, no one could determine his emotions but it was obvious that he still wanted to fuck Kimberly and stuff his semen inside her, oral or pussy.

Now that the maids realized it, Calix was quite hot. His body was packed with muscles and it was obvious that he had strong stamina just by how long they keep hearing Kimberly's humming moans. They could not look away from his body and Kimberly quickly pushed them out of the room. As a woman, she started to see the changes in the eyes of the maids, she could see that they were getting attracted to Calix. She closed the door and glanced at Calix with her bright red face. Then, their arduous exercise started again after a few minutes.

"Mmm....T- There... Mmm. Yes, yes, fuck meeee!!"

It was great sex. It was fortunate that Kimberly had medicine to keep up with Calix's relentless stamina. However, despite drinking health supplements, she still failed to keep up with him and slept in the middle or after the fucking. Well, she had satisfied expression while sleeping so it was worth it.

Calix would sleep beside her, sometimes he would coil his arms around her and Kimberly would wake up then they would start kissing again, and they would start fucking again. Kimberly and Calix explored their bodies until they knew the nook and cranny of each. Despite not being flexible, Kimberly would do hard positions just to make Calix entertain.

"I heard that this pose is quite famous right now."

Kimberly bend her body, her ass was raised, and her legs were wide apart. She was doing the controversial Jack-O pose!!!

Calix was dumbfounded and his boundary cracked. He didn't know why, but his fuse was shorter lately. As if he was frustrated, he barked at Kimberly who was having a hard time maintaining the Jack-O pose.

"Oh damn, you're a fucking slut. Posing lewdly like that. Making my penis big. Tell me, how much do you want this penis ?"

Calix grinned, massaging her butt cheek.

"I want it so badly."

Kimberly, who was shy and always thinking of the consequences, was wiggling her ass. She was not wearing her glasses, so she was not thinking straight, acting like a bitch that she is.

However, since her backlash would make her dumb and clumsy who would act because of true feelings, her weak body couldn't contain the position for a long time and her knees got weaker. She almost fell, thankfully Calix caught her. Kimberly yelped and giggled after realizing that Calix was holding her waist. She looked up, Calix may hide his emotions but it was obvious that he has feelings for her. Perhaps it was still minuscule compared to his love for his girlfriend but it was a good start.

Kimberly knew that she had a place in his heart, she was sure about that. Just by looking at Calix's complicated face, she was sure.

"Thanks."

"It's nothing... By the way, that pose... I want you to do it again. But you have to lean on the bed so that it will not hard for you..."

Calix averted his gaze. Kimberly smiled and kissed his cheek. She was happy, she was completely sure that Calix has feelings for her now. She happily put her arms on the bed, she spread her legs so wide and she raised her bright red plumpy ass in the air. She looked back at Calix and she was waiting for his reaction.

Sure enough, Calix gulped and his huge cock sprung up with life. He used his thumb first to play with her slit, teasing her. Kimberly was moaning softly and closing her eyes. Then, Calix shoved his dick inside.

"Mmmm, no matter how many times I feel this, I will never get enough, Yes, this is heaven. Ahn~ This is so goooood. Yes yes, baby, yes right there! Fuck me!"

"Tell me what are you?"

"I'm your bitch! Your slut to use 24/7!"

Kimberly mumbled and Calix kept plowing her. His hips were moving softly at first but then he moved like a jackhammer pounding her so hard, he was doing it back and forth. After a whole thirty minutes of nonstop fucking, Calix came inside her. He only released his cock out of her pussy when it was already half weak. Kimberly was still doing the Jack-O pose, her hips were shuddering and the semen slowly came out of her pussy running down her legs. She felt so fucking good.

The whole three days, her pussy and her mouth tasted his sperm and swallowed it without hesitation as if she was drinking a coffee. In fact, semen was her first beverage this morning before she would eat breakfast prepared by the maids.

She woke Calix by giving him a blowjob. Her womb and her stomach were filled with white sticky stuff but she didn't feel gross. To be honest, she felt bliss while knowing that she had it inside her body. Well, even her boobs smelled sperm when she gave him a titty fuck.

Overall, their time on spending to know each other was worth it. Kimberly was confident that her feelings were not because of lust. She realized that she was getting addicted to Calix and she didn't have a problem with it. Now that she accepted her feelings, she was confident that her feelings were not because of a charm spell or any other shit. She was really in love with Calix.

[This is the Jack-o pose]
