

Chapter 45 Wait for me

The moment he was sitting in his ward, Marcus felt that he had finally been redeemed.

When the day comes, when he can see the light of day again, he will be able to open his arms and embrace that woman again without dropping his arms out of guilt.

"Scarlet, you must wait for me."

...

"Adam, the only one who can help me now is you. You must help me."

Scarlet dialed her old friend in Vancouver and briefly said the story, and Adam immediately promised to help her immediately.

She was no longer able to live comfortably in this free world.

During the long wait for the next week, Scarlet couldn't eat or sleep, and she lost weight.

When Adam called her, she quickly answered it, "Hello? Adam, how is it?"

Listening to the full expectation in the woman's voice, Adam frowned and suddenly fell silent.

An extremely ominous premonition rose from the bottom of Scarlet's heart, and she bit her lips tightly, "No?"

"Scarlet, I'm sorry."

For a long time, she didn't say anything.

Tears fell, if even Adam can't get him out, she did not know who else could help her in this city?

"I've contacted a lot of my friends, but..."

"But what?"

"Marcus refused any commutation of his sentences."

His words, like a sharp blade directly stabbed into Scarlet's heart, she couldn't help but cry in pain.

"What did you say?"

With a trembling voice, she questioned, almost in disbelief.

"Five years and two months, he'll definitely service his sentence."

"..."

"Marcus said that back then he made you suffer inside for 2 years and 7 months, and he would definitely pay back double. Only in this way would he feel that he is paying you back..."

"There is nothing you and I can do. Sorry, Scarlet."

Hanging up the phone, Scarlet failed to recover from this burst of sorrow.

She held the phone and slowly slid down to the

floor, hugging her knees and burying her face deep.

The ache and helplessness rising from the bottom of her heart, like countless vines, completely wrapped her.

Scarlet was trembling with pain, so painful that she couldn't speak, so painful that he almost suffocated!

...

"Mr. Newman, someone is visiting you today."

At the sound of his voice, he frowned in confusion, who would come to see him without notice?

So, the moment when one large and two small figures bumped into his eyes, his breath stopped abruptly.

It was Scarlet and their two kids.

This was the first time that Marcus saw Daisy and Leo.

But with just this one glance, he could confirm with 100% certainty that they were his children.

The man's eyes were instantly red, and his shoulders were trembling.

"Marcus, I've brought them to see you."
