

One Night Stand With The Uninvited Wolf President

Chapter 163 Her Taste

It had been a week since Ceres returned to Imperial City.

She looked at the building opposite her through her office window countless times.

She had thought about how she would meet Johny. She wanted to turn her head proudly and defeat him.

However, she didn't seem to have the courage.

She didn't know what she was afraid of.

Ceres pulled herself back to reality. The robot competition would be broadcast live in a month. She had no time to think about the past. She had to defeat Johny in the robot competition.

After work, Kirs came to the technical department. Ceres was preparing to upgrade Wargod No. 1 with the technical department.

"My fellows can't be so tired at work, or that would be my fault. Today, I'll treat you to a buffet!"

The employees in the technical department cheered.

Ever since Kirs became the president of the Cosmos Group, he had done less research but more matters of the company.

Ceres smiled.

"Come with us, Ceres." Kirs walked to Ceres.

"Alright," Ceres nodded, "I am free at night anyway."

She had some wild thoughts when she was alone. Perhaps she wouldn't be thinking about all sorts of things with others' presence.

They came to the buffet restaurant, which was booked by Kirs. Everyone enjoyed themselves.

"You guys have fun. I'm going to the bathroom." Kirs walked out and called the waiter over.

"Put this in the cake and then give it to the girl in the white dress."

Kirs handed a ring box to the waiter, who understood immediately. He wanted to propose.

The waiter had seen this kind of trick many times.

"Yes, sir. It's the girl with red spots on her face, right?"

Kirs's face sank.

He didn't want anyone to describe Ceres in that way, but it was the truth.

The waiter seemed to realize his offense, so he quickly changed his words, "The girl in the white dress, right?"

"Yes."

Kirs turned around and left.

Ever since she escaped from the villa, Ceres had kept the red spots. Kirs had tried to persuade her several times to wash off them, but Ceres refused. She was used to her appearance.

Kirs could only compromise.

He returned to the restaurant but he could not find Ceres.

"Where is Ceres?" Kirs asked someone.

"Oh, Ceres took a call and left. She asked us to tell you."

Kirs secretly clenched his fists. Why was it so coincidental?

He immediately called Ceres and the call was quickly picked up. "Hello, Kirs. What's the matter?"

"What happened?"

"Nothing matters. Nyla drank too much. I have to pick her up. Kirs, I'm driving." Ceres immediately hung up the phone.

Kirs only felt that his breath was blocked.

He finally decided to propose, but Nyla called her away with a phone call!

It was infuriating!

Ceres drove to Exquisite Restaurant. Nyla was drunk.

She knew Nyla, who loved alcohol but couldn't drink too much. Nyla would go crazy when she was drunk.

"I am not drunk. Ceres, let's drink! You made me drunk!" Nyla lay on the table, her face flushed.

"Alright, stop drinking. I'll take you home." Ceres pulled Nyla, who fell to the ground.

Nyla cried like a child, "I don't want to get married! I want to marry Johny! Johny is my hero!"

"Alright. You'll marry Johny." Ceres consoled her.

Nyla raised her head and pursed her lips, "Then don't snatch him from me, or I will fall out with you!"

"Got it, Miss. I won't fight with you for him. Get up!" Ceres felt a headache.

Ceres really couldn't pull Nyla, who sat on the ground crying and laughing. She couldn't do anything but stay by her side.

Johny was pulled over by Bill and Bob in the other private room.

Johny was touched by pizza. He remembered the pizza made by Ceres back in Evian Town. That was very delicious.

When he got the menu, Johny was a little dazed. Many of the dishes on the menu were Ceres's best dishes. How could it be so coincidental?

Bill managed to regain his freedom with great difficulty, so he ordered all the good dishes here.

Originally, he wanted to see beauty, but he was attracted by food.

"Holy shit! It's so delicious! It's comparable to what Ceres made back then. Ever since Ceres left, I haven't eaten anything delicious!"

Bob coughed a few times, and Bill immediately shut up.

Three years passed, but Ceres's name had always been taboo to Johny.

Johny didn't say a word and just silently ate the food.

The dishes tasted like Ceres's cooking. "Why is it so similar?"

Bob shook his head at Bill, signaling him to stop talking.

Bill took out his phone and sent a message to Bob. "Today, I will let him forget everything."

As he spoke, Bill took Johny's cup and said, "Good dishes have to be served with good wine. I'll fill it up for you."

While pouring the wine, Bill put a pill into the wine cup. The white pill instantly dissolved into the transparent liquid. Bill handed the wine to Johny.

"Cheers!"

Johny drank that cup of wine in one gulp without thinking too much.

A smile appeared on Bill's face.

He winked at Bob, who did not know what happened.

Johny continued to eat. 'Do I miss Ceres too much? The taste is the same as Ceres's cooking.'

For the past three years, he had never stopped searching for her, but he found nothing.

Ceres seemed to have vanished from the world.
