

# One Night Stand With The Uninvited Wolf President

Chapter 168 Marry Me

It was Kirs' birthday.

When Ceres arrived at the company in the morning, she began to organize the employees of the company to make arrangements. Since this surprise was a birthday present, there was no reason for Ceres to not do her best.

They used balloons to spell the words "Happy Birthday" on the walls of the hall. Flowers were also decorated everywhere and red carpets were rolled out. Because the company was very spacious, they even made a platform inside. She planned that everyone could gather here to celebrate Kirs' birthday.

Ceres looked at everything prepared and shook her head.

"Miss Ceres, is there anything wrong?" Lily asked as she walked over.

"Well..." Ceres thought for a moment and replied, "Lily, don't you think that the scene we set up seems to be prepared for a girl? I don't think Mr. Kirs may not like it. The color is too fancy and there are too many flowers."

Ceres didn't think that Kirs would like it because the scene was so garish.

"Miss Ceres, it's not about genders. This is how all of our birthdays are arranged, right?"

Ceres thought Lily had made a point. It was a birthday party, so naturally, it needed to be lively and fancy. Right, it was not about genders.

Moreover, Ceres had other things to care about, so that was it.

Kirs arrived at Imperial city at five o'clock in the afternoon. It was already time to get off work, which was time to go home. However, he got a call from the company. Of course, this call was arranged by Ceres.

Therefore, Kirs told the driver to drive the car to the company.

When Kirs arrived at the company, it was already dark and the whole building was are in absolute darkness.

He walked into the office of Cosmos Group. There was totally silence in the pitch black.

Suddenly, the paper confetti fireworks were set off!

"Happy birthday to you! Happy birthday to you! Happy birthday to you! Happy birthday to you!"

The hall was filled with the sound of birthday song while the colorful lights began to flicker. Ceres pushed the cake cart out, and everyone sang the birthday song together.

Kirs had a shy smile on his face.

"Wow!" Everyone cheered together.

"Mr. Kirs, happy birthday to you!" Everyone shouted together.

Kirs did a fist-palm salute, "Thank you! Thank you, everyone. I was so busy that I forgot that today is my birthday."

"All right! Kirs, happy birthday. Please hurry up and cut the cake!" Ceres quickly handed him the knife to cut the birthday cake.

"Mr. Kirs, today's birthday party was all prepared by Miss Ceres!" Lily said.

"Well, it was prepared by all of us. This is a birthday present that we have prepared for you. Surprise!"

Ceres smiled awkwardly. In fact, she did not do a lot and Lily was the busiest one when they did the preparation.

"It's enough that you remember my birthday and celebrate it for me." Kirs looked at Ceres with affection.

Everyone began to cheer. They liked to joke around about Kirs and Ceres on normal days. Naturally, they would not miss such an occasion.

"Today is Mr. Kirs's birthday. Miss Ceres, what gift are you giving to Mr. Kirs? Let us take a look!" Someone shouted.

"Yes! Miss Ceres's gift must be the most special!"

"Miss Ceres may give herself to Mr. Kirs!"

The crowd burst into laughter.

This time, Ceres was embarrassed. She had prepared this birthday party as a present for Kirs so she didn't prepare any gift for him!

Ceres wondered what she should do.

"I'm really sorry. I didn't prepare a birthday gift today. I wanted to give you this birthday party as a surprise. It's too difficult to choose you a present because you don't lack anything." Ceres forced a smile.

She had no choice but to tell the truth since she really didn't prepare a gift.

"How could you forget preparing a gift?" Kirs had a stern face.

The atmosphere suddenly dropped to a freezing point.

This was indeed a little awkward. Everyone felt awkward.

Ceres did not expect Kirs to be angry on the spot, "Well, I can..."

"Why don't you give yourself to me as a gift? What do you think?" Kirs tilted his head and looked at Ceres seriously.

The audience began to cheer again.

"Miss Ceres, go for it!"

"That's right! Miss Ceres, you are the best present for Mr. Kirs!"

"Mr. Kirs did need something. He needs a wife!"

Suddenly, Kirs knelt down on one knee and raised a diamond ring in his hand, "Marry me, Ceres."

The unexpected proposal made Ceres a little overwhelmed.

"Marry him!" "Marry him!" "Marry him!"

Everyone at the scene shouted together.

The lights in the building of Eagle Group opposite were still on. Johny was still a workaholic as usual. Ever since Ceres left him, he had become a person who only cared about his career.

Bob and Bill had invited him out to hang out together, but Johny was still working in the research room. So they had to wait in the office.

Bill sat on the chair absently. Bob found that he was a little absent-minded and said, "Now our Prince of nightclub is going to the nightclub. Why are you unhappy?"

"Bob, there's one thing in my heart. I feel very uncomfortable about it."

He knew that Ceres had returned but he didn't talk about it to anyone. So Bill had always been uncomfortable. He had always been a person who could not hide his secrets.

So he told Bob about what happened that day.

"What? Ceres is back? How could you not tell Johny about such a big thing?" Bob lurched to his feet.

Bill hurriedly pushed Bob back into his chair, "How do I dare to do that? I was the one who put drug into his drink and that thing happened. If he knew about this, he would definitely kill me!"

"You have to tell him anyway! You always do such unreliable things!" Bob was so angry at Bill.

"I did that for his good. I wanted to help him at that time! I thought that he would realize women were just women and no one was that special. Maybe he would become fine. I couldn't expect because it was such a coincidence that he was caught by her!"

Bill was also filled with regret, "Moreover, I also secretly investigated her. She is in the Cosmos Group! It means that she is just in the building across the street. I saw her enter that building the other day."

"Johny..." Bob slowly stood up from the chair.

Bill turned around and saw Johny standing at the door with a face of gloomy thunder.

"Johny, I really don't..."

Johny quickly left the room and he arrived at the building of the Cosmos Group as fast as he could.

When he followed the voice of cheers and entered the office, he saw Kirs kneeling on one knee and proposing to Ceres.

It brought an abrupt halt to everything.
