

One Night Stand With The Uninvited Wolf President

Chapter 195 Gossip

"Don't cry!"

Johnny shouted at Ceres as he used to.

His tone was still assertive, dignified, and irresistible.

Johnny used all his strength to reach out and wipe the tears on Ceres's face.

"Sorry."

Ceres was sitting beside Johnny's bed and concerned about Johnny.

Johnny was injured seriously in a car accident. He had no choice but to stay in the hospital for some time.

Since Johnny was injured, Ceres took care of him in the hospital.

Ceres didn't tell Johnny the truth even though she knew it already.

Both of them barely talked to each other. Although they might have a little chit-chat some time, Ceres wouldn't have eye contact with Johnny.

Bill and Bob visited Johnny regularly, but Bill came more often.

One day, Bill entered the room while Ceres was helping Johnny to eat.

"Wow, it seems like I can get free food again." Bill walked to the table and looked at the dishes.

"Ceres, did you cook these dishes?" Bill asked.

Those dishes didn't seem done by Ceres.

"No, these dishes are from the hospital." Ceres smiled and felt a little embarrassed.

Bill was disappointed and said, "Ceres, my brother saved you from a car accident, but you don't even cook a dish for him!"

Ceres felt more embarrassed.

"Bill!" Johnny shouted.

"Sorry, my bad!" Bill apologized immediately.

"I am going to clean up these dishes. You guys feel free to chat," Ceres said.

She piled up the dishes and took them out of the room.

Bill asked once Ceres left the room, "Are you guys okay? Why doesn't Ceres cook for you? I am sure you can walk and jump soon if she cooks for you! I would say Ceres can make the best food in the world!"

Johnny didn't know why Ceres stopped cooking either.

Maybe Ceres was still angry about him.

"Shut up."

A woman was speaking outside the room.

"I'm here for Ceres. Is she there?"

Alice stood at the door with a bag of fruits and some flowers. She came to visit Johnny.

The guards blocked Alice's way, "Miss Ceres is not here. You need to wait at the door until she comes."

Due to their experience with Sally, the guards barely let people get into the room.

Bill heard the noise outside and went to open the door. He didn't expect to meet Alice here.

Alice was surprised to see Bill here.

Both of them looked at each other for a long time.

"Why are you here?" Bill asked.

"I am looking for Ceres. It seems like I come to the wrong place," Alice replied and wanted to leave.

Bill grabbed her arm and said immediately, "You are at the right place! But, what's your relationship with Ceres?"

"Ceres is my best friend. We were roommates in college," Alice answered.

Bill realized the sign-up sheet of Glory Entertainment that Ceres had asked from him might be for Alice.

"What Ceres will do if she finds out that I had sex with Alice."

Bill tried to stop thinking about that.

"Alice, why are you here?" Ceres was back.

"I come to visit Johnny," Alice said.

"Come in," Ceres asked Alice to go into the room together.

Bill was very embarrassed. He didn't know where to place his hands once he realized he had sex with Ceres's best friend.

"Hello, Bill," Alice greeted Bill politely.

"Hi," Johnny tried to reply nicely.

"Alice, the sign-up sheet of Glory Entertainment was from Bill. Bill, Alice is my best friend. Remember to take care of her in the company," Ceres said.

Nobody replied.

Ceres felt a little bit awkward. She didn't know if she said something inappropriately.

Alice put the fruits and followers on the table. She talked with Johnny for a while and was ready to leave.

Unfortunately, it was raining heavily outside again.

"Alice, did you bring an umbrella?" Ceres couldn't find an umbrella in the room.

"Don't worry. I'll find a taxi," Alice said.

"No, you are a celebrity. Don't let others recognize you," Ceres responded.

"I'm not a celebrity. Nobody will know who I am," Alice said.

Johnny coughed lightly and said, "Bill, go and give Alice a ride."

"Alright," Bill said. He didn't expect Johnny would ask him to give Alice a ride.

Alice and Bill left the room.

When they arrived at the parking lot, Alice said, "Bill, I'll take a taxi. You don't have to drive me home."

Bill rejected, "No. I have to do what I promised. I also have a few words to tell you."

Alice got in the car.

Both of them kept glancing at each other without saying a word on the way.

Then Alice broke the silence.

"Mr. Jaden, you said you have something to tell me."

"Yeah. Your name is Alice?" Bill couldn't remember Alice's name until today.

Bill's words made Alice feel down. Alice couldn't believe that Bill didn't remember her name after having sex with her.

"Yes," Alice replied.

"I'm so sorry. I don't know you are Ceres's best friend. I won't even touch you that night If I know this. Could you keep this a secret?" Bill said.

He didn't want to offend Alice.

Alice felt more uncomfortable after hearing Bill's words.

"I won't tell anyone, Mr. Jaden, including Ceres," Alice responded.

Bill felt sorry for Alice when he noticed that she was a little unhappy.

The next day, gossip about Bill took the headlines of the entertainment news again.

"Bill Jaden went to the hospital with an unknown female actress!" the newspaper wrote.
