

# One Night Stand With The Uninvited Wolf President

Chapter 272 I Want Three Sons

Johnny was intense.

"What are you taking off your clothes for?"

"What are you talking about? I have fitted the dress, and I should take it off! Go out quickly! A man and a woman are in the fitting room. People will have fun of us!"

Ceres nudged Johnny out.

"Aren't you fitting on the wedding dress?" Johnny was unwilling to go out.

He was too embarrassed to say that he came here to see her in a wedding dress on purpose.

"I have fitted it. I called you to see me, but you had a meeting. Is your meeting over so soon?"

Ceres pretended to know nothing.

She calculated the time that Johnny had rushed over during the shortest time.

"The meeting is over. Don't you want to continue?" Johnny hurriedly asked.

"I'm done."

"Do you want to fit it again?"

"There's no need for that. You can leave now," said Ceres, holding back her laugh. Johnny would never admit that he had come to see her on the wedding dress.

Johnny was a little disappointed. He came here but didn't see anything.

As Johnny would turn away, he suddenly turned back and pulled Ceres into his arms. "Fit it again. I want to have a look."

"No!" Ceres smiled.

"Fit it again!" Johnny said seriously.

"You said you would have a meeting and come late. It's not my fault."

"OK, wait for me tonight."

Ceres was scared and felt angry.

"No!" Ceres turned away as if she would rather die than submit.

Looking at Ceres's stubborn appearance, Johnny could not help but lean close to kiss her. Someone knocked on the door suddenly.

"Daddy, Mommy, what are you doing inside? I'm hungry!"

Johnny immediately frowned.

He thought, 'Swedum is so naughty!'

"Do you still want more children?" Ceres asked with persiflage.

One child was enough to annoy Johnny, and he wanted four!

"Yes!"

Johnny pinched Ceres's waist and said, "Wait for me tonight."

Then Johnny walked out of the fitting room.

When Johnny came out, he noticed the little girl in front of him who saw Johnny in fear.

"Hello, Uncle," she greeted timidly.

Swedum hurriedly said, "Daddy, this is Dahlia. She is from grandpa's house."

It's the first time Johnny saw Henry's daughter. Dahlia was very cute.

Ceres changed her clothes and came out. She pushed Johnny away. "You will scare Dahlia. She is shy."

"Dahlia, don't be afraid. Your uncle looks fierce, but he is a paper tiger." Ceres picked up Dahlia and made a funny face.

Dahlia was amused and burst out laughing.

Johnny was speechless. Ceres felt that he was a paper tiger.

Johnny thought that Ceres was not afraid of him.

"Are you hungry? Let's eat something together."

Ceres turned to Johnny. "Since you came, let's go together."

They went to a fast-food restaurant together. Children liked junk food, such as hamburgers, fried chicken, French fries, and coke.

Although Johnny strongly opposed it at first, Ceres insisted that they had it once would be fine, and it was the most important for the child to be happy.

After arguing for ten minutes at the entrance of the fast-food restaurant, Ceres won.

Ceres happily chewed on the fried chicken. Johnny sat beside her in a black suit, like a bystander.

Dahlia sat opposite Johnny, staring at him. When Johnny noticed her gaze, she smiled at him and picked up a French fries to Johnny. "Uncle, eat French fries. French fries are delicious."

Johnny didn't want to eat junk food. But when Dahlia handed it over, he hesitated.

Ceres quickly nudged Johnny with her elbow, then Johnny reached out his hand. "Thank you."

"You're welcome!"

There was tomato sauce on Dahlia's lips, so Johnny picked up tissue to wipe it.

Seeing that, Ceres was a little jealous.

There was also tomato sauce on her lips. Why didn't Johnny wipe it for her?

"Why don't you wipe it for Swedum? A girl is more obedient. Do you want to have a daughter?"

Johnny glanced at Ceres. He had long heard the jealousy in her words.

"Yes, I changed my mind."

"What?"

"I want three daughters," Johnny said solemnly.

Ceres was speechless!

Ceres thought, 'They have known each other for a few minutes. Does Johnny like daughters so much? If he has daughters, would he treat me well?'

Ceres was reluctant!

"You have to give me three younger sisters!" Swedum looked at Johnny and Ceres with astonishment. "Including Dahlia, so I'll have four sisters!"

"Is it not good?"

Dahlia, however, clapped happily, "With sisters, they will play with me! I can play dolls with them!"

Swedum was unhappy because it was hard to be a big brother.

After Johnny and Ceres played with Swedum and Dahlia for a long time, Johnny asked someone to send Dahlia back, and they three also returned home.

At midnight.

Ceres lay on the bed, looking through the pictures of the bridal bouquet.

Johnny got to bed after taking a shower. He took Ceres's phone away and pressed her under his body.

"What are you doing? I have something to do!"

"Give birth to a daughter."

"You truly want a daughter?" Ceres was surprised.

"Three." Johnny knew that Ceres was unwilling, so he said deliberately.

"I don't want to give birth to a daughter for you! You treat me like this before having a girl." Ceres looked at Johnny angrily.

Johnny looked at the angry Ceres and felt happy.

"I want three sons, angering you!"

Ceres shouted as she patted Johnny's chest.
