

One Night Stand With The Uninvited Wolf President

Chapter 273 The Reunion of Father and Daughter

At the construction site.

These buildings were newly built by the Bullock Group in the Imperial City of Country A. The Bullock Group sold real estate at the very beginning. It was Caleb's insight that made him so wealthy.

The Bullock Group had a lot of real estate in Country A, and it was headquartered in the Imperial City. Caleb wanted Jamie to show up there and introduced her to all the staff. After all, she would take over the Bullock Group in the future.

Jamie knew Caleb was paving the way for her, so she readily consented.

Therefore, she went on a tour of inspection of the construction site. She wore a low-key black suit, which made her mature and steady for her age and showed her curvy body. When she arrived, she attracted the attention of many workers.

The workers were all talking about her.

"You know what? It's said that Caleb regained Miss Jamie with great difficulty. Caleb only has one daughter and is willing to give her whatever she wants!"

A worker told the others.

He was dispatched from Country M to be the supervisor here.

The other workers also discussed as they worked. "She is so beautiful and fascinating with such a curvy body!"

"Lower your voice. If Miss Jamie hears that, you will be done for!" the supervisor hurriedly rebuked.

Everyone guffawed.

Seeing that someone remained silent, the supervisor walked over. "Mike, what's wrong? Why didn't you join our discussion?"

It was Mike. After he went bankrupt, the house was repossessed. He was desperate. To make matters worse, Sally ran away, and Mary also disappeared. He was left alone and even wanted to commit suicide. But he could not make up his mind and then worked in this construction site.

He thought that he might meet his wife and daughter one day. Then the family could be reunited.

He didn't expect anything else now. He just wanted to live a peaceful life with his family.

However, he had no news of Sally and Mary.

"I don't know what to say." Mike was carrying bricks in gloves, covered in dust. He had always been quiet since he came here, and it took him a long time to adapt to life here.

"I heard that you also had a pretty daughter. Is she even more beautiful than Miss Jamie?" The supervisors all knew that Mike used to be wealthy but went bankrupt, so they often teased him.

At first, Mike couldn't stand it and would fight with them, but later, he got used to it and chose to ignore it.

"Of course," Mike replied without hesitation.

"How can you say so when you haven't even seen Miss Jamie? Is your daughter a fairy?"

Everyone burst into laughter.

"Believe it or not, my daughter is beautiful." Mike straightened up.

"Miss Jamie is here! Miss Jamie is here! Hurry and work!" someone shouted in a low voice, and everyone buried themselves in work.

Mike subconsciously looked over and was immediately shocked!

He fixed his eyes on her.

Jamie was also startled. She had never expected to meet her father like this. This time, she also came back to find him.

"Mary!"

Mike burst into tears and rushed over. Jamie stepped back with fear. "What are you doing? Get off me!"

The bodyguards immediately walked up and blocked Mike.

Mike's tears rolled down and streaked his dusty face. "I'm your dad, Mary! Mary, don't you recognize me?"

"My name is not Mary! I'm Jamie Bullock! You must be mistaking me for someone else!" Jamie shouted.

Mike was about to catch up but was punched by the bodyguard in the stomach.

Jamie's heart ached greatly, but she couldn't show it.

"Alright, alright, stop it. He just mistook me for someone else and didn't do anything to me." Jamie calmed down and glanced at Mike. "Go back to work."

Mike saw Jamie wink at him. He was sure that she was his daughter and thought she might have some difficulties.

"Sorry, I've mistaken you for someone else." Mike bowed deeply and went back to work.

Jamie looked at his hunched back and immediately turned around. "Let's call it a day. Thanks for your hard work."

"This is our duty."

In the end, Jamie glanced at Mike and left.

Mike was left staring after her and could not come back to his senses.

"Mike, are you crazy? Are you seducing Miss Jamie in this way? You're old enough to be her dad!"

The crowd burst into laughter again.

"She closely resembles my daughter, so I mistook her for my daughter," Mike said coldly.

In the evening, a mysterious car picked up Mike.

The car stopped on a remote path in the suburbs where Jamie was waiting for him.

As soon as Mike got out of the car, he saw Jamie. But because of what happened during the day, he did not even dare to call her.

Jamie choked and suddenly threw herself into Mike's arms. "Dad, why do you end up like this?"

"Mary, it's you? Really?"

"Yes, it's me."

Then, Jamie told Mike how she and Sally escaped to Country M, and she became Caleb's daughter.

After seeing ups and downs, Mike seemed to have realized whatever one got by devious means would end up in nothing.

"Mary, tell Caleb the truth. You are not his daughter! Your trick will be seen through one day. Come back to me, and I will support you. Let's live a peaceful life."

Hearing Mike's words, she instantly shrugged Mike away.

"How will you support me? Look at your broken fingers and dusty face. You can't even support yourself!"

Mike sensed her disgust, but she was telling the truth.

Jamie also realized that what she said hurt her father.

"Dad, we can't be reunited now. Today at the construction site, they will be suspicious about what you did, so you can't stay there anymore. I will have someone buy you a house for you. You just stay there now and don't mention me to others."

"Dad, don't worry. As long as Caleb dies, the Bullock Group will be mine. Then I will take you there, and we'll be reunited."
