

One Night Stand With The Uninvited Wolf President

Chapter 279 You Dare Not Do It!

"What? Are you afraid?" Johnny said.

He smiled when he looked at the things on the tray and said, "Have you used these things before?"

"I... I didn't!" Jamie denied it.

She looked away at once.

Jamie couldn't be more familiar with these things. The time she spent in Country M was torture to her. She used to live a comfortable life before she went to Country M, so she didn't know how to make a living. Sally had never worried about money before and her age was another problem. Sally could only do some cleaning jobs, but the money she earned was not enough to pay their rent!

Jamie came into a nightclub when she was looking for a job. She thought that the best and quickest way to make money was to work for the rich.

In the beginning, Jamie agreed to work there on the condition that she only drank with the guests. But she didn't expect that she would be drugged and lose control.

That night, she was raped by several men.

Although that night was a nightmare for Jamie, those men indeed gave her a lot of tips, which were enough for her and Sally to live for another two months.

But Jamie could never forget that night.

For some reason, after she became Caleb's daughter, she began to toy with men. Those radios played at the wedding were recorded by herself.

"If not, how did those videos be filmed? Don't tell me that you don't know about it. Only you have this kind of video!" Johnny said.

He loosened his tie and added, "Here are some men with muscles for you. They will take care of you, Miss Jamie."

The way he called Jamie was full of sarcasm.

"How dare you! Johnny! If you allow them to hurt me, my father will not get away with this! The Winsors and Annie's family are not done with you. Do you want more enemies from my family? You would not want that!" Jamie warned.

She looked furious.

"Do you think that I am afraid of that?" Johnny replied.

He looked calm and confident.

Johnny didn't care about how many enemies he had. He only cared about Ceres. He could go against the whole world for Ceres.

Jamie understood what Johnny meant and she was so jealous. She snapped, "Why? Why do you love her so much? Johnny, are you blind? I will never live up to her?"

"Do you want to know?" Johnny asked.

Jamie pursed her lips.

"Come closer, and I'll tell you," Johnny said.

Jamie slowly walked towards Johnny.

"Yes, you will never live up to her," Johnny said gently.

Jamie was humiliated.

She raised her hand, wanting to slap Johnny. But Johnny grabbed her wrist and pushed her to the ground.

"Tell me. Or I will take out the needle!" Johnny was growing impatient.

Johnny didn't want to waste time with Jamie because Ceres was in danger.

"Alright. She is already dead. She is dead! Are you satisfied?" Jamie yelled at Johnny, "How could I not kill her? She shouldn't live in the world if I wanted to marry you. So, she is dead now."

Jamie looked up at the sky and laughed, "Are you satisfied? Do you want to know where I hid her body? I won't tell you. You can never see her again! Never!"

"You are insane! You leave me no choice!" Johnny picked up the needle in the tray and walked to Jamie.

Jamie lay on the ground and winced.

"No, no..." she murmured.

She knew how strong the drug in the needle was. It was ten times stronger than the drugs she fed other people!

"Are you afraid? Tell me and I will let you go." Johnny was approaching her.

Jamie crawled back until she came to the corner. She curled up and said, "No, you won't! My father will come after you. Johnny, you wouldn't risk it!"

Johnny crouched down and pushed the needle. The white liquid sprayed out and fell to the ground.

"Why wouldn't I?" Johnny said.

"No! You wouldn't!" Jamie's voice was trembling. She looked at the needle in fear. The white liquid in the needle looked horrifying.

Jamie was frightened.

"Tell me. I don't want to waste time with you. I am not afraid of your father. This is my place. He could do nothing even if he was here," Johnny said.

He raised the needle.

Jamie was so scared that she closed her eyes and shouted, "No! Please don't! I..."

"Johnny!" Bob rushed in.

Jamie was shocked.

"What is it?" Johnny stood up.

"Caleb is here," Bob said.

Hearing it, Jamie laughed out and said, "My father is here. He is here to save me! Johnny, you are done. You will not get away with this!"

Johnny looked at Jamie and stabbed her arm with the needle.

Jamie widened her eyes. She couldn't believe what Johnny had done. It was too late for her to do anything.

"You, you, you..." Jamie was speechless.

Johnny looked at Jamie with disgust and threw the needle away. He said, "Keep an eye on her."

Bob didn't know what had happened. He sent someone to follow Jamie and went out with Johnny.

"Why is Caleb here? He looked furious. We didn't offend him, right?" Bob said.

"Mary is called Jamie Bullock now. She said that she is Caleb's daughter. She was Sally and Caleb's daughter," Johnny explained.

Bob found it ridiculous.

"Really? How could Mary..."

Johnny interrupted, "I am not sure. But Caleb is not silly. He didn't have children before, so he must have taken a test. So, it might be real."

"Then why did you..." Bob hesitated.

He dared not think about what would happen later if Caleb knew what Johnny had injected into Jamie.

"I just don't like her cocky look!" Johnny said firmly.

Since he couldn't get any information from Jamie, Johnny had to torture her.

"How about the guests?" Johnny asked.

"I have taken them away," Bob said.

"Alright, let's go meet Caleb," Johnny said.

Johnny prepared a meeting room for Caleb and Caleb was smoking a cigar, sitting on the couch.

Caleb was still handsome and energetic despite his age.

Johnny walked in.

"Did you kidnap my daughter?" Caleb asked.

Johnny also sat down and said, "I wonder who your daughter is, Mr. Caleb?"
