

# One Night Stand With The Uninvited Wolf President

Chapter 333 A Honey Trap

Upon hearing what Johny said, Ceres was stunned. After a long time, she did not come back to her senses!

She thought that Johny had some sort of shocking method, but it turned out that he wanted to do a paternity test!

Ceres had thought of this method. The key was that she needed a reason to do the paternity test!

However, in front of Johny, she could not speak too harshly.

"Well ... Johny, has the company been too busy lately?"

Perhaps Johny had been busy with Eagle Group, so his mind was out of work.

Johny glanced at Ceres and replied, "No."

"Then how could you think of..." Ceres could not think of any words to describe this method. She had no choice but to skip it. "I also thought of this method. Firstly, it is impossible for Jamie to do a DNA test again. She is not stupid. Secondly, even if we do a DNA test, she can find any reason to deny it."

Therefore, even if they obtained Ceres and Caleb's paternity test, no one would believe it.

After all, Jamie had taken the lead. Moreover, considering Caleb's character, everyone knew that he was cautious in his actions. Therefore, they were certain that Jamie and Caleb's paternity test could not be false."

"Moreover, now that Caleb is in the ICU, Jamie definitely won't let anyone get close to him. We won't have the chance to take the test."

Johny chuckled. "I didn't ask you to do it."

"Not really..."

Ceres and Roy looked at each other. They seemed to understand what Johny meant.

"You mean..."

"It's not the right time to use such a risky move."

Johny looked up at Roy. Johny saw their gazes just now, and he felt extremely uncomfortable.

"Mr. Roy, it's getting late. My wife and I haven't seen each other for a long time. We have something to do, so I won't keep you. I have reserved the next room for you. You should rest early."

Johny was asking Roy to leave.

Ceres's face flushed red!

What did Johny mean they had something to do?

Johny spoke frankly.

Roy smiled faintly. He understood what Johny meant. "Alright, then I'll go back and rest first."

"Carly, I'm going to rest. Good night." Roy turned to Ceres.

"Good night." Ceres smiled awkwardly at Roy.

Roy walked out. Johny saw that Ceres was still staring at the door and was displeased. "Why don't you follow him?"

Johny got up and walked to the bathroom.

Ceres was scared out of her wits!

She was done for!

Was Johny jealous?

No, how could it be? Johny wasn't such a man.

But Ceres saw that Johny's face was ugly, and the bathroom door was slammed shut!

Ceres was startled. No, Johny was angry.

Johny took a quick shower. When he came out of the bathroom, he didn't even look at Ceres. Ceres walked over with a flattering expression and poked his abs with her finger.

"I haven't seen you for a few days. Your figure seems to be better than before. Your abs are so beautiful."

Johny acted as if he had not heard Ceres' words. He wiped his hair with one hand and fiddled with his phone with the other.

Although Ceres was trying to please Johny, Johny was unmoved. Ceres had no choice but to continue making efforts.

"How did you train your abs? Can you teach me? I will definitely look good when I get eight packs." Ceres continued to flatter Johny. "Your back muscles are also good. How can a man like you have such a good figure? When you go out to socialize, how can I be at ease? Those girls will drool over you."

Ceres said as she patted Johny on the back.

Johny ignored her and said coldly, "Are you going to sleep?"

"Yes!"

"Go take a shower."

"Okay!" Ceres immediately rushed into the bathroom, then took a quick shower, and got under the quilt.

With a cold face, Johny put his phone on the bed and turned off the lights, ready to sleep.

Ceres was waiting for something, but Johny had no movement.

This didn't make sense!

It seemed that Johny was furious!

"Why is it so cold?" Ceres took a deep breath and stuck to Johny.

Johny remained unmoved.

"Hug me. It's so cold. I caught a cold in that warehouse." Ceres nudged Johny.

Ceres sneezed as she spoke.

Johny reached out and hugged her, but unfortunately, he still didn't make the next move.

Ceres bit her lips and looked up at Johny. "Johny, do you think I can't get rid of the red blotches on my face? Do you think I'm ugly?"

"No," Johny answered crisply.

"You are lying! You dislike me!" Ceres broke free from Johny's embrace and quickly turned around.

Johny immediately leaned over and turned Ceres around. He then kissed her lips.

Ceres was secretly delighted. Johny...

He was the same as ever.

Ceres was exhausted after the romantic moment.

Ceres deserved what she had done.

She lamented that it was not easy to seduce Johny.

"Don't let your imagination run wild. Go to sleep." Johny held Ceres in his arms.

"Are you going to interfere with Caleb's matter or not?"

Johny glared at Ceres and said, "This is a honey trap."

"Stop it. You knew it from the beginning. Did you fall for it?"

"I'm just playing along. I'm going to sleep." Johny closed his eyes.

"Hey!"

Ceres immediately got up. She satisfied Johny, but Johny pretended that nothing had happened!

Johny had gone too far.

Johny pursed his lips and smiled. "Sleep."

"No! You have to give me an answer. Will you help or not? Forget it, I won't beg you. You can go back tomorrow. You don't have to worry about me!" Ceres was a little anxious.

"Is it your business or Roy's?" Johny sat up.

Ceres glanced at Johny. "Of course, it's my business. Caleb is my biological father. Although I don't intend to accept him, Jamie hurt him. I can't let Jamie be so rampant!"

"If it's your business, I'll take care of it. Your business is my business. If it's Roy's business, then I won't."

"Isn't this the same thing?"

Ceres was puzzled.

"No."

Johny's tone was still cold.
