

One Night Stand With The Uninvited Wolf President

Chapter 352 Cares Is Detained

Ceres did not expect that Caleb would have detained her here. It's unreasonable.

When Ceres returned to her room, there were bodyguards outside the door, so she couldn't leave.

It was so bad.

When Roy came back from the company, Caleb was sitting in the living room and drinking coffee with complicated expressions.

"Roy. Come here."

Roy sat on the sofa. "Mr. Caleb, what happened?"

"Carly is back. I detain her."

"What do you mean?" Roy was confused.

Caleb sighed as he recounted what had happened. If he hadn't detained Cares, she would have boarded the plane.

"She is ruthless. She wanted to leave immediately without a nice word!"

Caleb was helpless. He had heard that the daughters were sweet. When Jamie was his daughter, Caleb had indeed felt that Jamie was sweet.

But now that Cares was back, why did Caleb feel a little helpless?

Roy smiled, "She is like you."

Caleb immediately was happy. "She was similar to me when I was young. I was also straightforward."

"Mr. Caleb, there is no need to do this DNA test. Mary had said that she kidnapped Carly and used Carly's blood. That DNA report is the paternity test of you and Carly."

Caleb thought about it carefully and agreed. However, he always felt awkward.

Caleb suddenly slapped his thigh, "Alright, I won't do it! She is my daughter!"

Caleb laughed out loud. But he frowned again. "But Carly is too stubborn. She didn't give me a good look."

"It's not her fault. I told her about your situation on the phone. She came back because she was worried about you. But she found that you looked so well and you could even argue with her. Then she felt that she had been deceived."

Caleb immediately pointed his finger at Roy's head. "Why are you telling her this?"

"Why can't I? Mr. Caleb, you are..."

"I'm fine! I don't want her to come back because she sympathizes with me." Caleb said emotionally.

It wasn't easy for Caleb to find his daughter, so he wanted to create a lofty image for her. Moreover, Caleb had chatted with Ceres about George. He knew that George was important to Ceres.

So Caleb didn't want Cares to think her father was weak.

Caleb would not do it!

Roy was helpless. "Carly must be treated gently like you."

Caleb nodded and asked suddenly, "Who should be treated gently?"

Roy laughed.

Caleb and Caress were alike.

In the evening, Caleb asked the servants to make a lot of delicious food and personally sent them to Ceres. They had dinner together in Ceres's room.

The restaurant was too big, and a bunch of servants were serving. Caleb felt that it would affect him and Cares to improve their relationship.

In fact, Caleb felt if he fawned on Ceres, it would reduce his dignity in front of the servants.

"Come, our chef has good cooking skills. Girls like sweet things. So I asked the chief to make these for you today. Try it!"

Ceres was sitting on the bed and playing on her phone. She did not even look at Caleb. "Jamie likes sweet food. I like spicy food. It seems that you treat your ex-daughter well. You still remember what she likes."

Caleb was guilty!

He sighed!

Caleb did wrong things this time.

"Alright, I'll let the chef change it for you next time." Caleb comforted.

"Next time?" Ceres sneered.

Caleb glared at Ceres, "Now! Remove all these dishes and change the spicy food for Carly!"

The servants were reluctant, but they didn't dare to disobey the order.

Cares thought, 'It was eight o'clock. If they change dinner, they must be busy for two more hours. It's tormenting.'

"No need for that. I'll eat them."

Then Ceres got off the bed and sat at the dining table. However, she ate but did not even look at Caleb.

Caleb felt as if he was ignored!

"Carly, we don't need to do a DNA test. You must be my daughter."

Caleb had a fawning expression. Anyway, he had assured that Ceres was his daughter.

However, Ceres continued to eat numbly. She had lost her sense of taste, so the sweet or spicy food was the same for her.

When Caleb saw that Ceres was silent but ate so happily, he hurriedly picked up some food for her. "Eat more. You are too thin!"

Ceres did not eat the food that Caleb had picked up.

Seeing that, Caleb began to change the topic.

"From now on, you are my daughter. The Bullock Group will be left to you. In the future, you can do whatever you want. No one will bully you anymore."

Cares didn't say a word.

"But you need to change your name. Your surname should be Bullock. I will give you another good name!"

"My surname is Taylor. My father gave me the name, so I will never change it!" Ceres threw the tableware on the table.

"But you are my daughter. Your name was given by your previous father, but you have to use my surname!" Caleb insisted.

"My surname is Taylor." Cares repeated, "He is not my previous father. He will be my father for the rest of my life."

"He's dead!"

"Even if he is dead, he is my father!" Ceres roared at Caleb.

Caleb was so angry but helpless, "You can take his surname for the time being. Could I give you a name?"

This surname was more important than the name. Caleb made a concession.

"No! My name is Ceres Taylor!"

"You don't know what's good for you!"

"Right!" Cares roared, "I don't want a father like you to seduce a married woman. My father was cheated!"

They quarreled again.

"You can't do whatever you want just because you're my daughter! I'm the master here! You're my daughter, and you must listen to me! You must change your name!"

Caleb stood up and walked away.
