

One Night Stand With The Uninvited Wolf President

Chapter 361 I Like You!

The man's speed was so fast that no one could see who it was.

Summer was suddenly slapped in the face. She straightened up and was about to hit back. However, she stopped.

"Mr. Jaden..."

Bill stood in front of Alice, glum-faced.

Alice did not expect that Bill would appear at this time. Bill asked around and found out about Alice's work arrangements today. Therefore, he came here.

"You can't hit my woman!" Bill didn't know what had happened, but as soon as he came over, he saw Alice being slapped.

He can't bear it. Bill thought, 'You dare to hit my woman. You are risking your life!'

The smile froze on her lips. Her lips were twitching.

"Mr. Jaden, you misunderstood. We are... just playing around."

"Really? So do I." Bill's face took on a ghastly expression.

Seeing that, the cosmetician immediately pulled Alice. She said, "Ms. Alice, let me help you with your makeup."

Alice saw that the cosmetician had completely changed her attitude. A sense of desolation overwhelmed her.

Summer was very flexible. She immediately walked in front of Alice and bowed deeply to her.

"Ms. Alice, I'm so sorry. Please forgive me."

Her voice was very low, with a sense of inferiority. She was completely different from her domineering appearance just now.

Alice knew very well in her heart that Bill was Summer's boss. His attitude influenced Summer's career development. The reason why Summer was so humble to herself was completely for Bill.

"It's all in the past," Alice said lightly.

Summer was sensible. Therefore, Bill did not continue to pursue the matter.

Bill realized that Summer might often bully Alice.

At this time, the producer of the program team walked over. When the staff saw Bill, they immediately went to report to the producer.

"Well, Mr. Jaden? It gives me great pleasure to welcome you here today."

Bill sat on the chair and said seriously, "Alice is recording a program here. I came to take a look."

The producer knew about today's work arrangements. Alice was just a C-list star. She was not the main star. The atmosphere was a bit awkward.

"Well, so that's what happened." The producer scratched his head awkwardly and did not know what to say.

Everyone knew that Alice was Bill's fiancée. However, they had never seen Bill defend this fiancée. After the engagement, Alice had never appeared in public. No one took Alice seriously at all.

Bill didn't want to cause trouble for others. He said, "Alice and I just finished a TV series. We don't know how to promote it. Today, I will accompany Alice to record a program."

Hearing this, the producer understood that Bill was giving him an out.

"Great! This is great! The viewership ratings will soar! Summer, I'm so sorry. Why don't we postpone it until next week to record you?"

Just as Summer was about to answer, Bill interjected, "Summer is already here. Anyway, there isn't just one guest on every issue. Let's shoot the show together."

The producer understood what Bill meant. Bill wanted Summer, an A-list star female star, to serve as a foil for Alice, a C-list star. The producer had no choice.

"OK, I'll listen to you, Mr. Jaden." Summer was not angry.

During the entire recording process, Summer became a foil.

Summer felt humiliated. She had never been a foil to anyone!

During the recording process, Bill was very active. From time to time, he would make intimate moves with Alice. Alice could only cooperate with him.

After the recording ended, Alice removed her makeup and prepared to leave. Bill took her hand and bid farewell to the producer and staff.

As soon as they left the studio, Alice immediately drew her hand out of Bill's.

She said indifferently, "Mr. Jaden, thank you for today."

When she saw Bill beating someone up for her in the makeup room, she was still a little touched.

However, the idea of saving face was deeply rooted in Bill's mind. He did all this to save face.

His woman was beaten, so he lost his face. He had to get it back.

He was doing it for his fiancée, not Alice.

Bill immediately caught up with Alice. "Why are you still unhappy? Is that not enough? I can ask Summer to come over immediately. You can give her two slaps to vent your anger."

"No need, Mr. Jaden. I can't afford to offend her."

Alice was very clear about her identity. She was a C-list star who could not afford to offend anyone.

"What do you mean? You have me!"

"Mr. Bill, I just happened to meet you today. When will you hold a press conference to announce the dissolution of our relationship?"

Alice was still cold.

"I... I don't intend to cancel the relationship." Bill began to stutter as he spoke.

Bill didn't know what was going on. He used to think that he was a love expert. He was a man of great charm and distinction.

The girls were willing to have sex with him. However, in the face of Alice, he could not say a sweet word.

"What do you mean? Didn't we agree before? We are fake couples. I think that is enough. Mr. Jaden, to be honest, this fake relationship has already caused me a lot of trouble. I hope that you can be generous and let me go."

As she spoke, Alice lowered her head, looking very humble.

Bill felt so upset.

He blurted out, "Alice, I really want to be a couple with you."

Alice was stunned for a few seconds. She laughed, "I don't quite understand what Mr. Jaden means."

"I don't want to break the relationship. I want you to be my girlfriend. Do you understand?"

"Mr. Jaden, this joke is not funny at all." As she spoke, Alice strode forward, "I hope we can immediately dissolve our relationship. Please arrange the time as soon as possible. I will cooperate with you fully!"

As Alice spoke, her footsteps also sped up a lot.

"I'm not joking! Alice, I like you!"
