

Chapter 19

Sunday 16th January

We finally get to town and the first shop the boys drag me to is an erotic lingerie shop.

I saw that coming. As soon as they walk in, the four sales girls almost sprint over.

I can see them salivating. Alexei grabs my hand and walks past them, “we know what we are looking for, thanks,”

He pulls me to the everyday racks, sexy but comfy. The other two head to other parts of the store.

“What size do think, baby? You're still a 28 around, but do you think D or DD on the cup? I would say bottoms are a size 8, with that sexy ass of yours,”

I try on a few styles and end up with an E cup, and size 10 bottoms.

After picking lots of every day sets. Ashton comes towards us with sext baby dolls, bodysuits, teddies, corsets and sexy nightgowns.

Quite a few crotchless, kinky boys. After trying on some of his racier outfits, I spot Ace looking at the BDSM end of the store.

I also notice one of the salesgirls paying him lots of attention, Saffy growls with jealousy and before I know it, I am heading to the eldest Alpha.

I walk up behind them and hear her say, “of course, if you need anything modelled for you, I am sure we can offer a private viewing,”

bitch, I stand behind my man running my hands up and down his sides, “do you see something you like, baby?”

He looks over his shoulder at me, “I do now princess, do you want to help me pick something for you to try?”

The sales girl looks like she is sucking lemons. I make sure I grab his ass as I push past her. “Sorry, but I think we have private viewing under control”.

I grab a latex catsuit that Ace had been looking at. Its design was crotchless and had holes where my boobs go.

There are also metal hoops on the wrist, shoulders, waist, knees and ankles.

“Baby, do you want me to try this on for you?” I run my hand over the front of his jeans, smiling when I feel he is already hard.

“I think it would be better to have you model it at home baby, I don’t want to get arrested for fucking you in the changing room.”

He looks at the salesgirl, who is standing with her mouth open. “We will need all the restraints and chains that go with the suit, please, including the swing straps.”

He grabs my hand and pulls me to his brothers, who are at the till with another flirty sales girl, for fuck’s sake. Ace smirks at me and addresses his others.

“Tink has been a naughty jealous girlfriend, so we are going to have to punish her later, and she has chosen some restraints she would like to try out.”

Alexei grins, and pulls me to him, “you’ve been a naughty girl baby? Your daddy’s are going to punish you really well later. Is that what you need, baby, a good spanking?” My breath hitches and I sigh, “yes daddy.”

They paid, and as we walked out of the shop, the boys start to laugh,

Ace grabs me, wrapping my legs around his waist, he palms my ass, “you are so for it tonight, Tink, picking outfits like that. I am not holding back anymore. You are going to be fully dominated.”

I wrap my arms around his neck, nuzzling his jaw. “Mmmm yes please, daddy.” He spanks my ass. “Your ass is going to be mine tonight, princess.”

We spent the next few hours going from shop to shop;

I have never tried on so many clothes, from jeans to evening dresses.

I am exhausted, the amount of bags we have is ridiculous. Good job. My three mates are strong.

We finally make it back to the pack house at 4pm. Dinner is at 7pm so the boys run me a bath and tell me to rest.

All three disappear, saying they have some work to do. For about half an hour, I soak.

I get out and wrap myself in a big fluffy towel, and crawl into bed. I am asleep as soon as my head hits the pillow.

I awake to someone rubbing my feet, I groan, goddess it feels good, opening my eyes to see Ashton at the bottom of the bed,

“Hey sleepy head it’s 6pm, I thought you may want some time to get ready, Lex is making coffee,” I sit up and kiss his lips, “mmm just what I need, remind me not to go shopping with you three again, you wore me out,”

I riffle through the bags of clothes and start hanging things in my closet.

Ash helps by putting my lingerie away. Once it’s done, I put on some underwear and a jersey dress and head to get coffee.

Ace pulls me onto his lap on the couch, and I snuggle. “Tired Tink? We need to remember you have only been out of the hospital a day. I’m sorry

sweetheart, after we have spoken to mum and dad, we will have an early night, ok? I am banning you from sex tonight, ok?"

I yawn loudly and nod my head, snuggling deeper into him, "we will save your punishment till tomorrow," I grin and he squeezes my ass. "come on let's go to dinner, naughty girl."
