

## Chapter 26

Star

Sitting at a study desk in the library, I can't take my mind off Alexei, I knew that I would want to have one-on-one time with my boys, but that was so sudden, being dragged into a closet and fucked like that, had been a fantasy I never knew I had.

Alexei was always going to be the first. Deep down I knew that in my heart, I love Ace and Ash with all my heart.

But the connection I have with Lexi started so long ago. He was my best friend when we were little, and I suppose he was the first one that I noticed as we got older.

I feel disloyal for these feelings, which is stupid because I wouldn't be without any of them.

I shake my head, trying to clear my thoughts. They are all so competitive. I wonder who will drag me off next. Smirking to myself, I head to the stacks to search for another example for our English assignment.

As I reach for a book on a high shelf, I hear sniggering coming from the next aisle, "well, well, well. If it isn't the little prick tease, we were just talking about you, weren't we boys? Saying how you have filled out."

Turning to the group, I stare down our resident stoner bad boy Mason Flack. "What do you want, Mason?"

He sneers at me, his gaze dropping to my chest, he licks his lips, "like I said nerd, we want to see how you have filled out. Did that knock on the head cause your tits to grow?"

He moves so fast; I have no time to run. He is trying to push my skirt up as I am pinned against the wall. I do the only thing my brain can think of.

“ALEXEI, ASH, ACE, HELP ME!” I scream through our link. I kick at Mason with all my might, catching him in the thigh. My head is whipped to the side as his fist connects with my face. Why always with the head shots?

“Fucking bitch, you’ll pay for that. I was going to play with you a bit, but no, you can take my cock dry for all I care.” Lexi asked if I was still in the library. I shout yes over our link. Thank God they are on the way.

My skirt is around my hips now and his hands are reaching for my panties, when I hear a door bang and a deafening roar. Mason is thrown away from me and I am in Ac’s arms.

“I’ve got you princess, we are here now,” I feel him kissing my head, and I cling to him.

I hear the sounds of fighting, but Ace is blocking me, after a few minutes it goes quiet, Ace pulls back, searching me for injuries, he spots the bruise on my face from the punch Mason threw, and he curses under his breath.

“Tink, Lex is going to send a message. By teaching the slime a lesson, he is going to do it in front of the entire school on the football field. It’s time we officially announce to you so that this doesn’t happen again. Do you feel up to it?”

I nod, “yes baby, I am ready,” he gives me a lopsided grin, and kisses me on the nose. “I love you Tinkerbell”

He wraps his arm around my shoulders, and we walk out to the football field.

When we get there, Mason is lying in a heap on the floor, covered in blood. His friends are kneeling beside him, with their hands behind their backs, their faces covered in bruises.

Ashton and Alexei are standing in front of them. When he sees me, Lex holds out his hand to me. I take it and he pulls me to stand between him and Ash; I take Ash's hand as well.

Ace winks at me, as he stands slightly in front of us, and addresses the school.

“FOR THOSE OF YOU WHO DO NOT KNOW, STAR ANDERSON IS OUR MATE AND YOUR FUTURE LUNA WE HAVE NOT OFFICIALLY ANNOUNCED THIS YET BECAUSE OF STARS ATTACK A FEW WEEKS AGO.”

A cheer goes up around the pitch. Some shouts and catcalls are heard in the crowd. Ace raises his hand for silence.

“MASON FLACK AND HIS BAND OF WASTERS ATTACKED YOUR LUNA TODAY, IF WE HAD NOT GOT THEIR IN TIME HE WOULD HAVE RAPED HER.”

Gasps come from the crowd, followed by some shouts to kill him. Ace holds his hand up again.

“AS I AM SURE YOU CAN IMAGINE, MY BROTHERS AND I ARE FINDING IT VERY HARD TO NOT RIP THE MOTHER FUCKER TO PIECES, BUT AS WE HAD NOT ANNOUNCED OUR LUNA YET, WE WILL BE FOLLOWING OUR FATHERS RULES AND THEY WILL ALL BE HELD IN THE CELLS, WHILE A PUNISHMENT IS DECIDED. TAKE THIS AS A WARNING FROM NOW ON ANYONE THAT TOUCHES THE LUNA WILL BE SENTENCED TO DEATH AS PER THE WEREWOLF LAW.”

Warriors pick up the bruised and bloodied group and take them back to the cells. I really hope things settle down. Those cells are getting a lot of use, and we still haven't made a decision about my aunt and uncle yet.

Ace comes to stand in front of me, “you ok Tink? Ready to go home?” I nod and jump into his arms. He lifts me up, wrapping my legs around his waist, and we head for the car park.

I snuggle into his neck, so tired suddenly I feel myself drifting off in his arms.
