

Chapter 27

Ace

Pulling up at the pack house, I carefully pass my sleeping Angel to Lex and get out of the car, I take her back in my Arms.

“you two go to the cells, ask dad to meet you there. I’ll go along with any decision you make. I’ll put Star to bed in my turn for alone time, ok?”

They nod and kiss star on the forehead before heading to the cells.

I carry my darling up the stairs and into our suite; she has had to go through so much in the last month. What the fuck is going on?

I gently lay her on our bed, but as I turn away, her hand grips my wrist. I turn back and sit beside her, “hey princess, go back to sleep baby, it’s been a long day.”

She kneels up and puts her arms around my neck, kissing along my jaw till she gets to my ear. She whispers, “you look like you need some rest to Daddy, but you're so tense. How can I help you relax?” She bites my ear lightly.

Grabbing her ass, I lift her off the bed, making her straddle me. “My naughty little princess, have you forgotten about your punishment? I think daddy needs to remind you what happens when you misbehave.”

I smack her ass, causing her to moan in my ear. Goddess, that sound goes straight to my dick.

Stand up and put her on her feet. I go to the dresser. I think she is ready to deal with some of my lighter needs; she has been very receptive to

everything we have done to her so far, but I am by far the most dominant brother.

I place a bag on the bed and look at Star. “Daddy is very cross with his princess.”

Stalking towards her, “Take off your clothes, and kneel on the floor” she smirks at me and shakes her head. I stand behind her, placing my hand on her throat, squeezing firmly, “NOW.”

She jumps at my tone, her breath catching in her throat. She rips at her top. “Slowly princess,” her hands shake as she slowly removes her shirt.

“Now your bra” her skin is flushed, the smell of her arousal getting stronger with every item of clothing she removes, once she is completely naked, I pull a blind fold and some cushioned handcuffs from the bag on the bed, standing behind her, I cover her eyes with the blindfold, “on your knees, sit on your heels with your hands behind your back”

She does as requested, “good girl, spread your knees a little, it will help you balance.” I kneel behind her and cuff her wrists. She is gasping now, the smell of her wet pussy is driving me crazy, Lex is right knowing she is soaking wet because of just me is intoxicating.

I lean forward and kiss her neck, “such a good girl, we are going to test your limits so you need to think of a safe word, something you can shout if it gets too much.”

She is quiet for a minute then, “Peaches.” I chuckle and smack her peach of an ass. “It is a perfect peach,”

I stand in front of her and strip my clothes off. Once I am naked, I stand in front of her. “SIT UP!” She does as she is told, her face now level with my cock.

“Open your mouth princess,” as soon as she opens, I thrust my cock into her throat, she gags from the shock, but soon adjusts to my size, grabbing her hair I fuck her mouth, “that’s it princess, take it all, I’m going to fuck

your throat until I come, you will swallow all of it, if you let any escape I will add to your punishment.”

I fuck her mouth roughly; she hollows her cheeks, adding more friction. Fuck I’m not going to last long at this rate, my hips piston into her, one last thrust and I shoot ribbons of come down her throat. She swallows every last drop.

I pull out, then grasp her chin and give her a punishing kiss. She moans loudly. I grab her arm and drag her to her feet, I roughly pull her to the bed, I lift her onto it with her knees tucked under her, her face in the sheet, and her ass up in the air, adjusting her knees so her pussy is open wide, her slick folds, dripping juices onto the covers.

I can’t resist spreading her open and running my tongue from her clit to her ass. She jumps and shudders, gasping out a groan. As I ram two fingers into her pussy, she pushes back, trying to fuck my fingers.

I smack her ass. “Naughty girl, stay still, and don’t you dare cum until I tell you, understand?”

“Yess daddy” pumping my fingers into her, while running her clit, I feel her clenching around my fingers, “don’t you dare cum.”

A growl comes from deep in her throat, her legs shaking with the effort of not coming. “Last night you made your daddy’s, your bitch, today you’re going to pay for that princess, now cum!”

She screams as she creams all over my fingers. I pull out of her before she can come down from her high. I give her a sharp spank with my palm. She yelps, “how many do you think you should get for your behavior last night princess?”

She moans as I rub her pink ass cheek, “10 daddy,” I smirk, “10? I think that might be too many for your first time, princess. I think 5 will do for this time,”

My dick is so fucking hard, she growls in pleasure with every slap of my hand on her ass, her pussy is leaking, her juices soaking the bed beneath her, “please daddy, I need to cum,” bring down my hand for the final spank, her pussy is clenching, I spread her wide and fuck her with my tongue, her whole body stiffens, she makes a guttural sound in her chest, I move my tongue to her ass, and pump two fingers in her pussy, her whole body is trembling, I bite her ass cheek and she squirts all over me, fuck she is a fucking goddess, her whole body relaxes, and she lets out moan after moan.

I push my cock into her pussy, grabbing her cuffed wrists. Fucking her hard; I feel her spasm around me as she comes again, followed quickly by another as I push two fingers into her ass. As she cums again, I replace my fingers with my cock, pummeling into her my balls, slapping against her pussy.

“Aahhh, daddy please, I can’t stop coming fuck” I pull her upright by her wrist, so her back is against my chest, reaching in front of her I pinch her clit, and she goes off like a fucking rocket, squirting and creaming everywhere, her ass clenches so tight around my dick that I can’t hold back any more, I spurt into her, as her ass sucks me dry. I collapse onto her, holding most of my weight on my arms. I look down at her and remove the blindfold, and see she has passed out from the pleasure.

Grinning to myself, I pull out of her ass and undo the handcuffs.

Picking her up, I place her gently on her back and head to run her a bath. When I come back to the bedroom, she stirs.

leaning over her, I brush her damp hair off her face, “Ace, did you just make me pass out from cumming?”

I smirk at her, “yes baby girl, are you ok?”

Grinning, she wraps her arms around my neck. “Better than ok daddy, that was fucking amazing”

Kissing her as I lift her from the bed. She clings to me as we enter the bathroom and I lower her into the bath. Getting in behind her, I pull her onto my lap, kissing her neck and shoulders.

“I love you Tink. You are everything I ever wanted.”

She sighs, leaning into me, and as I gently wash her, she falls asleep.
