

## Chapter 88

Star

Waking to the feeling of hands caressing my body makes me moan in pleasure.

I slowly open my eyes. I'm stretched out on my front.

Hands are everywhere. kneading my muscles, I let out a sigh.

"Hey baby, did you have a nice snooze?" Lex leans over and presses a soft kiss to my forehead. "mmm," is all that comes out of my mouth. I am so relaxed.

Hands, slippery with oil, are massaging my calves and thighs while others are kneading my arms, and even more rubbing my shoulders and back. Fuck, I could get used to this.

Sighing, I relax completely while my men worship my body. Hands are kneading my ass cheeks, while the hands on my legs have reached the top of my thighs.

Thumbs brush across my pussy lips, "mmm, yesss" I spread my legs a little, I am rewarded as a finger slips in my ass, stroking my walls as it pumps slowly in and out.

The thumbs stroking my lower lips work their way between my folds, stroking from my opening to my clit. They are moving so slowly it's agonizing.

Lex is still massaging my shoulders and back. Kneeling at my head, I lift my shoulders off the floor and touch his Jean covered thighs, running my hands up to cup his cock through the denim.

Grabbing my hands he leans over me, kissing my neck, “this is about you baby, not us,” I sigh, “but I want to suck your cock, it makes me so horny, please baby, let me taste you.”

All three of my men growl, I look around at the two behind me, “you know, you are so sexy in your low riding jeans, the way the denim hugs your asses is soooo fucking hot, but I think you should all lose your pants, I want to see your enormous dicks.”

All three jump to their feet and strip off their jeans, their cocks springing free. “yummmm, much better, so whose cock am I sucking first?”

Lex comes and sits in front of me, a leg on either side of me, his beautiful cock before me, I push myself up and take him all the way to the back of my throat, moaning at the taste of him, “ahh baby that’s it, fuck your so good at this,”

My head bobs while both my ass and pussy get a good fingering, making me moan, “Shit.....” Lex grabs the back of my head making me go faster, within minutes he is shooting his load into my throat, I lap him clean and turn to the others licking my lips, “who’s next?”

Ace flips me onto my back, “I think we need to work on your front princess,” he moves up my body, straddling my head, he smirks down at me rubbing his balls on my chin, “you want daddy to fuck that pretty mouth?” I feel warm oil being poured on my chest.

Rubbing my hands through the oil, spreading it over my nipples, pulling at them, I grin up at the eldest Alpha, “yes please daddy,” I flutter my eyelashes at him as I push a pile finger into his ass.

He growls and pushes his engorged dick into my mouth. He leans forward, bracing his hands on the floor, and he fucks my throat, thrusting into me roughly, while I finger his ass in rhythm with his thrusts.

one of my mates massages my tits pulling on my nipples, while the other fingers my pussy and flicks my clit, I scream my orgasm around Ace’s

cock, the added vibration is all it takes to Mack him cum, his sweet creamy juices coat my mouth and throat.

He climbs off my and leans down to kiss my lips, “mmm Tink, that was fucking amazing.”

I crook my finger at Ash, “your turn my love,” he grins as he crawls towards me, I look over his shoulder at my other loves, they both smirk at me, “you two look like naughty boys out to make trouble, what are you up to?”

Lex wags his eyebrows at me, “while you are blowing Ash, we are going to make you squirt like a fountain.” Ash kneels to the side of me. “Fuck, no way in hell am I missing that. I wanna watch while you blow me.”

He grabs the back of my head and pushes into my mouth, pumping slowly. I feel two fingers slide into my asshole, another two in my pussy, more fingers rub at my clit. They fuck me so fast that my eyes roll back; I am screaming around Ash’s cock, which makes him pick up speed, fuck, I feel the pressure buildup, my whole body is tight like a spring, my body is going fucking wild, Ash fucks my mouth with everything he’s got, his hips mixing so fast, I can barley breath, my eye are watering and saliva is dribbling down my cheek.

The fingers in my pussy twist to a different angle and I release. I feel a turret of liquid hitting my thighs as I squirt over my mates. Ash stiffens, shouting as he cums. They are still fucking my pussy and ass.

Ash moves behind me, lifting my shoulders, “you need to see this angel. You are so fucking hot.” I watch as their fingers fly in and out of me and, without warning, I squirt again. My juices shoot out of me. My eyes roll to the back of my head as darkness descends.
