

Our Billion 1561

Chapter 1561-“Forget about them. Let’s go back first, okay?’ They drove back toward the city. The road was bumpy, and Tail stopped talking after getting in the car. Afraid that Tail was traumatized, Joanne told her many stories of brave heroines.

Gradually, Tail felt safe. “They are very awesome.”

“So are you, Tail...” Joanne gently wiped away Tail’s tears and coaxed her.

Tail hung her head in embarrassment. She felt she was not awesome enough because she was scared at the sight of blood and Edwin rushing in with an angry face.

In terror, she subconsciously ran away from there, but luckily, she met her mom.

At this time, Joanne’s cell phone rang.

Joanne.

“Did you pick up Tail? How is she? Was she hurt?” Edwin asked eagerly and nervously.

Joanne could hear his concern. “We’ve picked up Tail. She was not hurt, but she was scared. We’ll take her back first.

You and Eason helped us a lot. Thank you so much.”

Edwin was obviously relieved. He said stiffly, “Tail is my daughter. It’s my duty to save her.”

“Please thank Eason for me. I’ll treat him to a meal some other day.”

"I already thanked him." Edwin, of course, would not let Eason eat with Joanne.

He said gently, "I will be right back.

Tell Tail not to be afraid. I've dealt with those bad guys. They will never hurt her again."

Edwin quickly hung up the phone. Joanne heard the sound of his car engine starting. He must be rushing back.

Tail needed to feel secure at this time.

Joanne then took Tail back to the Brown family's house, where the old housekeeper had prepared Tail's favorite dishes.

But Tail was still scared and listless.

Even though the food was delicious, she was not interested.

After taking a few bites, she was nestled in Joanne's arms, rubbing her eyes sleepily.

cool face worriedly, took Tail's bottle, and went to the kitchen.

Tail had been drinking nutritious milk since she was born weak.

Holding her small bottle, she didn't want to move her mouth, so she bit the straw and sucked a little bit of milk every now and then. Without realizing it, she drank half a bottle of milk.

When Edwin arrived, he saw Tail drinking milk in Joanne's arms. Tail seemed in low spirits, but at least she was safe.

Edwin's heart overflowed with tenderness. He smiled gently, looking stupid. His heart ached for Tail.

"Mr. Atherton, Tail is all right. Please go inside now."

Edwin grabbed Lucas' arm. "Are my clothes messy? Is my hairstyle good enough?"

Lucas was confused. 'Is this the time to discuss this?' "Not messy. Quite good. Mr. Atherton, you are the most handsome man in Sapphire City."

Edwin straightened his clothes and then walked toward the living room with his long legs...

Chapter 1562-Previously, Edwin thought that Tail was Joanne and Patrick's daughter, but now Edwin looked closely at Tail, feeling that she resembled him.

Tail's small nose, big eyes, beautiful lips...

Edwin smiled tenderly as he walked up to Joanne and Tail.

"I've come to take you two home."

Joanne was taken aback by the familiar sexy voice from behind her. She turned her head and saw Edwin and Lucas.

Seeing the expectant smile on Edwin's face, Joanne thought for a moment and said, "Tail has just been rescued. I want her to stay in a familiar environment."

The moment he was refused, Edwin's handsome face darkened slightly, but he restrained his temper and said, "Then how long do you plan to stay?"

"It depends on Tail's condition."

“Are you deliberately avoiding me?” Edwin’s voice carried dissatisfaction. He stared at Joanne, saying, “Tail is my daughter, and you are my wife. We’re a family. I promised to get Tail back. Do you still not believe my feelings for you?”

Joanne felt helpless. “But you saw your father’s attitude. He won’t let me and Tail go.”

Thinking that Harry had once threatened Tail, Joanne was frightened. Even though Harry didn’t kidnap Tail, he might harm her one day. Joanne didn’t want to live in horror.

Hearing this, Edwin felt slightly better. He got down on one knee in front of her, saying affectionately, “You’ll live with me, and Tail’s father is me. You do not have to care about my father’s opinion. I already know that four years ago, he broke us up. I have not yet settled scores with him. I will not let him hurt you two again.”

Joanne was not that naive. Things happened to Tail one after another. This was the best evidence.

It was difficult to defend against secret attacks. Who knew what other tricks Harry had up his sleeve?

“Joanne, we can only live a few decades. We are not young. After wasting so many years, I cherish the rest of my life, and I want to be with the people I like and value forever.

Give me a chance, okay? I promise those things will never happen again...”

After a pause, Edwin seemed to have thought of something. He added, “Do you still think that I might have remarried you because of revenge? I’ll give you a definite answer now. No, I’ve never thought of revenge against you from the beginning. I remarried you just because I like you.”

Joanne was softened by his words.

Undeniably, what he said was very touching.

If it were four years ago, she would agree to be with him without hesitation.

But four years passed. Everything was different.

“Can you bear to let Tail grow up without her dad around?” Edwin knew very well how to persuade Joanne, coaxing and threatening her.

As she looked at the lovely Tail, Joanne’s eyes glistened with tears. “If you can get Tail to accept you, I’ll give you another chance.”

Edwin gazed at Joanne with ecstasy. He excitedly cupped her cheeks and kissed her without much desire, but full of emotions. “I will make my daughter accept me. Joanne, just wait. You will be willing to live with me.”

Joanne, seeing Edwin’s thrilled face, felt relieved.

Just when Edwin felt that the kiss was getting more and more uncontrollable, a small fair hand reached Edwin’s face and pushed him weakly. Tail muttered in a tender voice, “You’re not allowed to kiss my mommy, you bad egg.”

Edwin panted and let go of Joanne’s hand. Then he saw Tail looking at him warily.

Chapter 1563-Certainly, Edwin felt frustrated, but he didn’t give up.

“Tail, I’m not a bad guy. I’m your daddy.” Edwin showed the most flattering smile, but it was too fawning to look sincere.

“You’re lying!” Tail didn’t believe him. She didn’t like the fawning smile on Edwin’s face. When she did live stream, sometimes she would force a smile which was much more natural than the one on Edwin’s face right now. Tail turned her head away from him and muttered, “My stepfather is Jack, not you.”

Edwin was speechless.

Tail then clung to Joanne. With a blushed face, she pouted and said, "Mama, I don't like it when you kiss him. Don't kiss him again!"

Joanne let out a light cough of embarrassment. She couldn't believe she had let "Let me give you a kiss too." Joanne gave Tail a quick kiss on the forehead.

Tail pouted. She was not happy.

'Why did the bad guy kiss Mama on the lips, but Mama only kissed me on the forehead?' thought it would be good if there were more people loving Tail and Joanne.

Edwin's face darkened. He felt jealous inside.

'When did Jack get Tail on his side?' Edwin then found all kinds of reasons to persuade Tail and Joanne to go to the East Imperial with him.

Tail didn't want to, but when she heard that Joanne was married to Edwin, which meant that Joanne had to live together with Edwin, she insisted on being with Joanne at all times so that Edwin couldn't hurt Joanne.

Edwin then made several excuses and coaxed Tail to go back to East Imperial with him. Finally, Joanne and Tail went back to the East Imperial with Edwin.

On their way back, Tail snuggled up in Joanne's arms.

Joanne looked completely different now than she did four years ago. She had become tougher since she became a mother. However, she had grown more tender, especially when Tail was around her. She seemed like such a good mother.

Not long after they got in the car, Tail became sleepy after drinking a bottle of milk. Her head began to nod in a daze. Soon she fell asleep in Joanne's arms.

Joanne swapped Tail into the other arm.

Edwin asked, "Is your arm sore? Let me hold her."

Joanne looked at him and then at Tail, who hadn't fallen into a deep sleep yet.

Joanne refused without hesitation, "If Tail wakes up and finds herself in your arms, she'll scratch your face."

Once again, Edwin was frustrated. He felt he was a bad father.

Tail liked Jack better than him.

Edwin sent Lucas a few messages. When he looked up, Joanne said, "Take off your clothes."

Chapter 1564-Edwin froze. He narrowed his eyes and raised his eyebrows, a wicked smile at the corner of his mouth. "Why are you so needy all of a sudden?"

Realizing that Edwin got the wrong idea, Joanne said in embarrassment, "Why are you taking off your pants? I'm asking for your jacket."

The sound of the belt buckle popping open was particularly clear in the quiet car.

Edwin answered, "You told me to take off my clothes. I usually take off my pants first."

Joanne knew Edwin was deliberately teasing her. She rolled her eyes at him and said, "Tail won't like your pants. They're stinky."

Edwin then realized that Joanne wanted to put his jacket over Tail's body. It was late at night. Even with the heat in the car, Tail might easily catch a cold.

Edwin hurriedly took the opportunity to familiarize Tail with his smell and immediately covered his jacket over Tail.

Tail seemed to sense the smell she didn't like in her sleep, and she grumbled a little, but she didn't open her eyes. She soon got back to sleep.

After a while, the car arrived at East Imperial.

Joanne held Tail in her arms the whole time. Edwin couldn't take the little girl over. He walked ahead to lead the way and pressed the elevator button.

Jadyn had received a notice from Edwin that they would come back late, so she waited at the door in advance.

When the elevator arrived, the maids were standing respectfully at the door.

They were confused when they saw Joanne carrying a little girl in her arms.

Then they realized it should be Miss Atherton. Jady walked up to them and greeted, "Mr. and Mrs. Atherton, you have finally brought Miss Atherton back."

Joanne was not happy with Edwin, but she had no problems with the maids.

She gave Jadyn a faint smile and responded, "Jadyn."

Jadyn beamed with joy.

As they walked into the foyer, Edwin took a pair of women's slippers from the shoe closet and placed them at Joanne's feet.

Joanne glanced at the shoe closet and noticed that the maid had already prepared cotton slippers.

Joanne was holding Tail in her arms, so she couldn't bend down to change her shoes. Jadyn immediately held her arm when Edwin knelt on the floor, took off her sneakers, and put on the slippers for her.

Joanne felt embarrassed. Her toes twitched. Her toenails looked exquisite in the light.

"Stand still. Don't fall." Edwin warned her.

Joanne's body tensed up. She forgot her embarrassment and let Edwin change her slippers.

Tail was asleep in Joanne's arms. She didn't need to change her shoes.

Edwin led Joanne to Tail's bedroom. The bed in the room was extremely narrow.

It was a single bed for a child.

Joanne wondered if Edwin had arranged it on purpose.

But the bed had flaps all around to prevent Tail from falling off the bed at night.

The flaps could be raised and lowered.

When Tail woke up in the morning, she could lower the flaps and get out of bed.

Chapter 1565-“Tail’s bedroom was decorated in a hurry. There is still a lot of stuff that we need to buy later. We can choose the furniture according to Tail’s preference later.” Edwin said when he wrapped his arms around Joanne’s waist from behind.

Joanne immediately tried to remove Edwin’s arms. She blushed terribly.

“Edwin...”

“Call my name once again.” Edwin was still holding her. He rubbed his chin against her collarbone. “I really like it when you call my name, like you’re inviting me to do something.”

Joanne didn’t dare shout at him. She was afraid they would wake up Tail, so she whispered a warning, “Tail hasn’t accepted you yet, and I haven’t forgiven you. If you ever act like this again, I’ll move out tomorrow.”

“Don’t even think about it.” Edwin took her earlobe in his mouth and whispered, “Now that you’re back with me, you’re my woman. You can’t move out! And where do you want to move to, Jack’s house?”

Suddenly, Edwin bit her earlobe and hissed, “How could you let Tail call him Daddy? I’m so jealous!”

Joanne’s body shuddered. She felt happy when Edwin said he was jealous, but she still couldn’t accept his intimate move. “You deserve it. Tail has never hated anyone before. You’re the first, because you were so bad to her.”

“Yes, it was my fault. I accept any punishment, but...” Edwin winked and then continued, “Don’t worry. I promise I won’t do anything to you without your consent, but you have to understand that I haven’t had sex for four years.”

Joanne knew Edwin wouldn’t let her off the hook easily.

But she didn’t expect him to be so blunt even before she forgave him.

'What did he mean when he said he hadn't had sex for four years? He took me to the hotel by force a few days ago, and on that day, Tail...' The thought made Joanne angry. She stomped her heel on the tip of his shoe and crushed it hard as if she were going to cripple his toes.

Edwin's toes went numb with pain. "Joanne, are you trying to kill your husband?"

Joanne broke free from his embrace and ran for the door. When she reached the door, she turned back and warned him, "Don't forget our deal. In three months, if Tail doesn't accept you, we'll get a divorce. But don't worry. I'm not as cold as you are. I will allow you to see Tail." Then she left.

Edwin stood in the room and sucked in his breath.

'Damn, she has no mercy on me...' Edwin's toes were all red. Joanne's stomp was really hard. Just as he was about to go after her, his phone rang.

Edwin glanced at Tail, who was sleeping peacefully, and then went out to the balcony to answer the phone.

"Mr. Atherton, we've got some information from Scarface."

"Tell me."

"The three are all well-known ruthless killers. Someone called them anonymously and asked them to kidnap Miss Atherton and kill her. Then they could get a million dollars." Eason reported, his tone grave.

"Did you find out who called them?" Edwin asked in a cold voice. His face was gloomy.

Eason replied in a guilty voice, "The call was anonymous, and the person on the other end used a voice changer. They weren't sure if it was a man or a woman.

That person asked them to kill Miss Atherton and then send her back to the hospital. Obviously, that person wanted to devastate Mrs. Atherton."

Chapter 1566-“When they cased the place before they kidnaped Tail, they found that your relationship with Ms. Winters wasn’t simple, so they changed their mind and asked for ransom.”

A trace of murderousness flashed through Edwin’s eyes.

Eason’s words were clear. The kidnappers wanted to kill Tail at first.

No...

‘It’s not that simple.

‘When Tail was kidnaped, Joanne took it for granted that my father did that. She even rushed to my father’s villa angrily.

‘If Tail were killed, the conflict between Joanne and my father would be more acute than ever.

‘The manipulator wants to kill my daughter, stop me from being reconciled with Joanne, and sow discord between my father and Joanne...1 “I have investigated all the clues but haven’t found out the manipulator’s identity yet. Mr. Atherton, how do you want to deal with Scarface?”

Edwin narrowed his eyes. His gaze was filled with coldness. “When he hurt my daughter, he was a dead man.”

Eason was shocked. He clearly understood Edwin’s meaning.

“Mr. Atherton, I will handle it. Don’t worry.”

“Thank you. I will ask Ced to give you more bonuses,” Edwin joked and laughed as if he had just talked about the weather.

Jadyn specially prepared the chicken soup in case Edwin and the others were hungry.

As soon as Jadyn saw Joanne, Jadyn served a bowl of soup.

Joanne was hungry indeed. Although she had eaten in the Brown family's house, she hadn't eaten much because Tail had no appetite.

Joanne held the bowl and drank the soup. After the soup flowed into her stomach, she felt warm and became energetic again.

Edwin wasn't hungry. He leaned against the wall of the living room and looked at Joanne with a thoughtful gaze.

'The manipulator clearly knows the relationship between Joanne and me. Maybe the manipulator is also the person who tried to kill Joanne four years ago.' When he was lost in thought, Joanne downed the soup, wiped her mouth, and said with a smile, "Thank you, Jadyn. Your cooking skill is so good. If I didn't need to watch my weight and shoot the TV series, I would drink more."

Being praised by Joanne, Jadyn felt excited. Jadyn grinned from ear to ear, "If you like it, I would like to cook it for you every day."

Joanne joked with Jadyn, "I'm screwed. It seems that I will gain a lot of weight."

Jadyn said in disagreement, "You're too thin. It's a good thing if you gain some weight. After you go to the set, the environment must be worse than here. If you're too weak, you won't be able to bear it..."

Joanne pinched her flabby waist. "Look at my flabby waist. Do you still think that I'm thin? I haven't shot TV series for four years. If I'm not photogenic and look fat on the screen, I will feel guilty for the audience."

Jadyn and Edwin were all amused.

Chapter 1567-Four years ago, just like now, Joanne was lively, lovely, and innocent. How could my father be so vicious to try to kill her?

‘Am I able to let her be joyous and carefree again?’ “I would like to go to bed. Jady, please help me do the dishes.” Joanne stood up, turned around, and saw Edwin by accident.

Joanne didn’t bother to glance at Edwin and walked towards Tail’s bedroom. The house was super luxurious, so there were many rooms. Joanne decided to choose a guest bedroom that was close to Tail’s bedroom. However, before she pushed open the door of the guest bedroom that was close to Tail’s bedroom, Edwin put his arms around her waist from behind and took her to the master bedroom...

Before Joanne reacted, Edwin hugged her tightly and lay on the large soft bed with her.

“Honey, do you have the heart to let me sleep alone?” Edwin rested his chin on her shoulder and intimately blew on her neck.

Joanne’s body tensed up. She became alert. “Please let go of me. I would like to take a shower.”

She had been on the go for the whole day. She was covered with sweat and felt sticky.

Doesn’t Edwin smell my sweat when he hugs me?’ “We’d better save water. What a coincidence. I haven’t taken a shower either.

Let’s go to take a shower together.” Edwin continued to bewitch Joanne with an alluring voice. He was turned on just with her in his arms.

When Joanne heard Edwin’s words, she acted like a bristled kitten. “It’s impossible. I moved to East Imperial with you because I would like to give Tail and you a chance. It doesn’t mean that I have been reconciled with you.

Besides, you promised that you wouldn’t touch me.”

Edwin stared at her with frustration. She was the only woman in Sapphire City who could anger him.

But he didn't have the heart to ignore her feelings.

Seeing that Joanne still wanted to say something to reject him, Edwin even had the impulse to cover her mouth. He could only give in and said, "I promised that I wouldn't touch you, but it doesn't mean that I'm willing to sleep alone. Jo, to be honest, I miss you so much every night and almost can't suppress my desire.

Now you're in front of me. I can't fall asleep unless you're in my arms."

Although Edwin said so affectionately, Joanne rolled her eyes and didn't buy it.

'After all, he didn't die because of losing sleep when I wasn't by his side in the past four years.

'It's all blandishment!' Edwin saw her gaze and said in a hoarse voice, "Don't you agree? You know that I have hundreds of ways to let you lie beside me willingly, but I will respect you if you still disagree. I can only go to accompany my beloved daughter."

After Edwin finished speaking, he decisively let go of Joanne and walked towards Tail's bedroom as he counted in his heart. When he counted up to two, Joanne said anxiously, "Hold on! I agree to accompany you, but you have to promise that you won't touch me."

'He's shameless. It sounds nice that he would like to accompany Tail and let her accept him soon. However, he knows that she dislikes him but still goes to disturb her.

Obviously, he will make her cry if he goes to her room.' "It's a deal." Edwin agreed without hesitation and smiled happily. It seemed that he had gotten what he wanted.

Of course, he wouldn't go to disturb Tail. Tail was tired. He didn't have the heart to wake her up.

Tail was just three years old. She needed ample sleep to grow tall.

When Joanne saw Edwin's smirk, she realized that she had been lured into a trap by him again. She went to the bathroom angrily.

Edwin would like to have more time to "sleep" with Joanne, so he went to take a shower in the guest room next door. After he took a shower, he dried his short hair, made the bed, lay on the bed, posed sexily, and waited for Joanne...

It took Joanne half an hour to take a shower. After she walked out of the bathroom, she saw Edwin lying on his side and supporting his head with one hand. Under the lights, his gaze looked amorous and deep as if she would be swallowed.

Joanne paused. Edwin leisurely beckoned her by curling his finger. "Baby, I have been waiting for you for a long time."

Chapter 1568-When Edwin beckoned Joanne, the neckband of his thin silk pajama was opened, and his chest was exposed.

At that time, she only had one thought in her heart.

'He's so alluring!' She had to admit that she had been bewitched by him. Her pretty face turned scarlet gradually.

She covered her face with her hands. 'Is it too late if I run away now?' She didn't know that Edwin was also attracted by her when she was attracted by him.

Joanne had just taken a shower. Her eyes were liquid because of the mist in the bathroom.

When Edwin looked at Joanne, his eyes turned increasingly scarlet.

However, when he saw her wet hair, he got up and took a hairdryer and a towel.

“You’re an adult but still don’t know how to take care of yourself. Why didn’t you dry your hair after you washed your hair at night?”

“The ventilator doesn’t work in the bathroom, so it’s stuffy there. Please give me the hairdryer. I would like to go to the balcony to dry my hair.”

“Come here. Leave it to me.” Edwin pulled Joanne and let her sit on the bed.

Then he plugged in the hairdryer, ran his slender fingers through her wet hair, and asked in a gentle voice, “Baby, how do you feel?”

Joanne’s body tensed up. She became alert and was afraid that Edwin would seize the chance to grope her.

But she had to admit that she felt relaxed and enjoyed it very much when he focused on drying her hair. She felt at ease gradually.

She said leisurely like a rich lady who was served by a toy boy, “Not bad...”

“Would you like to be more comfortable?” Edwin lowered his head, and his warm lips almost touched her cheek.

When he spoke to her, she even could smell his breath...

However, after he finished speaking, she didn’t reply to him. He narrowed his eyes, lowered his head, and saw her drooping eyelids. She was drowsy.

Suddenly, her head drooped. To prevent her from being awakened, he supported her neck subconsciously. At the same time, he pulled a wry face.

She felt so comfortable that she even fell asleep.

He stroked her fair and tender cheek. Then he sat down on the bed and let her nestle against his chest. He continued to dry her hair. After her hair was totally dried, he carried her in his arms and put her on the bed.

When Joanne's cheek touched the comfortable pillow, she subconsciously changed her posture, rubbed against the pillow, and fell asleep again.

Edwin turned off the ceiling lamp and turned on the wall lamp with gentle lights.

He lay on his side, supported his head with one hand, and looked at her alluring posture.

Although it was a pity that she fell asleep so early on the first night when she moved to East Imperial, he still felt satisfied that he was close to her and could see how adorable she was when she fell asleep.

He bent, kissed her forehead gently, and said in a deep and charming voice, "Good night, Mrs. Atherton."

Then Edwin went to Tail's bedroom.

Tail was exhausted and had fallen into a deep sleep. She even hadn't changed her posture since Joanne put her on the bed...

Chapter 1569-Edwin tucked Tail up and put his face close to hers, cheek to cheek. Then he took out his phone and took dozens of selfies with Tail in a row.

He planned to choose the best one to post online. However, Tail was so adorable in each photo. Finally, he posted all the photos...

He wrote below the photos. Edwin: [I would like to introduce my beloved little angel to you. Besides my wife, she is my second beloved person.] Edwin was a playboy in the past. Also, he had an entertainment company. Most of his friends were night owls who liked to go to clubhouses.

Thus, even though it was midnight, Edwin still received countless comments after he posted the photos...

Playboy A: [Has your account been compromised?] Playboy B: [When did Sharon give birth to a daughter for you?] Playboy C: [The little girl doesn't look like Sharon. Mr. Atherton, is the little girl the product of a one-night stand? Have you done the paternity test? Are you sure that she is your daughter?] A senior executive of the Atherton Group: [Mr. Atherton has clarified that he has no relationship with Sharon. The little girl is so adorable. She mustn't be Sharon's daughter. Mr. Atherton's genes are so excellent...] Another senior executive of the Atherton Group: [She is lovely! Mr. Atherton, your daughter is so lovely! Even though she has fallen asleep with closed eyes, she looks pretty.

After she opens her eyes, she must be a little angel...] An actor: [Mr. Atherton, is she your daughter? She looks like the famous kid influencer, Tail. I'm Tail's fan and like her very much, but I haven't seen her in person yet...] A director: [Mr. Atherton, I'm planning a parent-child program. Would you like to...] Countless people commented.

If it were in the past, Edwin would just have a quick flick through the comments.

However, almost all the people commented to praise Tail tonight. Even though some comments were just several normal words, he read them word by word and replied seriously.

He finally understood the sharents.

His precious princess was worthy of the world's attention...

He couldn't help but want to witness Tail's growth with others and share happiness. When he read comments, he wore a smile on his face all the time.

As for playboys who commented to mock or tease Tail, Edwin blacklisted them without hesitation.

Soon after, a playboy found that he had been blacklisted and called Edwin.

“Mr. Atherton, your Twitter account has been compromised. Someone posted edited photos and said that you had a daughter and a wife! It’s all bullshit! I was so angry that I commented to defend you, but the person blacklisted me!”

Edwin’s gaze became cold. To prevent his good mood from being ruined, he hung up and put the person’s phone number on the blacklist.

However, several minutes later, the person called Edwin again with another phone number.

The person reminded Edwin again that his Twitter account had been compromised.

Edwin said in an intimidating voice, “My account hasn’t been compromised. I blacklisted your Twitter account and phone number personally. The cooperation between the Atherton Group and your company is over.”

Edwin was reluctant to cooperate with or see the people who spoke ill of Tail.

Chapter 1570-The playboy was shocked by Edwin’s words. Before he begged for mercy, Edwin hung up again.

Then the playboy called Edwin again and again with different phone numbers, but Edwin didn’t answer his phone calls anymore.

After Edwin posted Tail’s photos, he had the impulse to post Joanne’s photos to tell others that she was his wife, but he suppressed the impulse finally.

‘Four years ago, I took Joanne to my home casually.

‘This time, I will prepare well to give her a grand wedding and let all the women in the world be jealous of her...’ The more Edwin thought about it, the more excited he became. He even became sleepless.

He accompanied Tail in her bedroom for a long time and then went to the study.

Suddenly, Twitter reminded him that he had received a new comment. He checked it and found that Catelyn commented to tease him.

Catelyn: [Did you expect you would be like my husband when you laughed at him back then?] Cedrick loved Puffy so much. Puffy could do whatever she liked at home. As long as Cedrick was by Puffy's side, he wouldn't let her do any housework.

Cedrick spoiled Puffy like that, so Catelyn became stricter with the kids.

Edwin often echoed Catelyn to tease Cedrick. Edwin said that Cedrick had lost himself because of his daughter. Also, Edwin joked that he couldn't imagine that the doting father in front of him was the masterful Cedrick in Sapphire City once.

At that time, Cedrick just glanced at Edwin coldly and didn't bother to talk with him.

Surprisingly, shortly afterward, Edwin started to like sharenting.

Edwin was in a good mood. It was the first time that he was reunited with his wife and daughter. His reply to Catelyn was firm.

Edwin: [Since I have an adorable daughter, I'm willing to eat humble pie.] Catelyn got up to go to the bathroom and browsed Edwin's post by chance.

Then she went to bed again and didn't reply to Edwin anymore.

After a long time, Edwin still couldn't calm down.

Excitement and happiness welled up in his heart. Although it was midnight, he still called the CEO of the Atherton Group's subsidiary company that was selling children's wear.

"Please prepare some things for me and deliver them to East Imperial before eight tomorrow morning."

After Edwin hung up, he put one hand in his pocket and paced to the large floor-to-ceiling windows leisurely.

The sky was dark, but it seemed that dawn was going to break. It was the coldest and darkest time. However, as long as dawn was breaking, the sky would be bright...

'I will use my whole life to make it up to Joanne and Tail, but what about the people who hurt Joanne four years ago?

'I need to think about how painful the price they should pay for hurting Joanne...' At that same time, Harry was also sleepless.

Edwin had posted dozens of the sleeping Tail's adorable photos. Of course, Harry noticed that.

Harry looked at the photos of Edwin and Tail one by one. Although Harry was angry that Edwin had placed him under house arrest, he still happily shared the photos with the butler and asked, "Look at the photos. Do they look like each other?"

The butler held Harry's phone, looked at the photos carefully for a while, and replied in a trembling voice.
