Chapter 363 Influential

“Mr. Bloom!”

Darius stood next to Leones and smiled as if he was taking credit, “Don’t worry. I’ll help you!”

Seeing this, Ted and his sister had doubts. When did Leones get along well with the young man from the Sherland Government?

If the Sherland Government intervened, solving today’s matter would be difficult.

Yves glanced at Darius and the guards he brought.

Finally, he looked at Leones and said coldly, “Leones, you are quite powerful!

“Both the Baker family and the Sherland Government help you! It seems that influential here!”

Hearing this, Ashley said disdainfully, “Just rely on his bluff and deceive!”

Although she snorted, her heart was filled with jealousy.

Ashley wished her son could have such influential friends.

you are quite

Yves also understood it and thought, “If he only relies on bluff and deception, there is no need for me to help you!”

Ted said hurriedly, "Mr. Whitman, please kill Leones and help the Olsen family solve this problem!"

"Don't worry!" Yves' attitude was still firm. "I said that no one can make peace today. Even the Sherland Government can't control me!"

Darius said sternly, "Mr. Whitman, are you going to hurt people in front of the Sherland Government and within our jurisdiction?"

"Why not?" Yves smiled coldly, "The Sherland Government has no right to intervene in the Green Sect!"

"What's more, your subordinates cannot stop me!"

"No kidding!"

Yves didn't pay attention to Darius' subordinates at all.

If it weren't for the official uniforms they were wearing, he could even kill them at will.

"You!"

Hearing this, Darius was furious.

He wanted to capture this overseas madman, but he also knew that the subordinates around him might not be enough.

If they started fighting, there would inevitably be casualties.

Darius quietly took out his cell phone and asked for more subordinates.

"Are you still trying to call more people? But I'm afraid it's too late!"

Yves snorted coldly, “By the time they arrive, I will have already killed him and gone away!”

Yves thought he could kill Leones quickly. After that, no matter how many of the Sherland Government guards he faced, he could escape safely with his strength.

The Green Sect’s masters were world–famous. If they couldn’t escape, they would have been in jail long ago. Green Sect wouldn’t be so famous!

At this time, Leones thanked everyone for their kindness and stepped out.

“Since he is coming for me, there is no need for others to intervene. I’ll handle it!”

“But...” Gloria felt worried as she didn’t want to see Leones and Green Sect turn against each other.

Gloria just heard that Leones would be challenged by the Seven Ancient Families. Therefore, she thought he should go overseas to seek help from the Green Sect.

If the two sides were to fight now, it meant that he would have another enemy.

However, Leones didn’t think so much at all.

He thought, “If others don’t offend me, I won’t offend them. If anyone offends me, I will kill him!”

“Mr. Whitman, please remember!” Leones stepped out and said calmly, “I don’t mean to go against, the Green Sect, but it is you who are seeking your death!”

Hearing this, Yves was furious.

“You dare to speak it when you are about to die! Even if God comes today, he can’t save you!”

“You are doomed!”
