"Oh, Jennifer, don't say that. I'm sure life won't be so bad there. After all, the vampire king is my father and he went through such lengths to find me. I doubt he'll try to make things difficult for me. So stop worrying about me, okay? And don't risk your life trying to find me. It's too dangerous for werewolves to go to vampires' territory," I reminded my friends solemnly, taking their hands in mine.

"Listen, Skylar. I'll do my best to negotiate with the vampire king. I truly hope that one day, vampires and werewolves will live
