Chapter 1071: Fu Chen Has Grown Up IV

“Brother Fu Chen, that person was so horrible.” Qing Han puffed out her cheeks and glared at the elder in white fiercely. “Just now he bullied Mother and wanted to beat her. If Brother Fu Chen had not woken up, Mother might have been beaten up by him.”

Fu Chen raised his gaze and stared coldly at the elder in white.

With a loud bang, the monstrous aura spread out, and the entire sky became cloudy.

“Who the hell are you?” The elder in white narrowed his eyes and asked in a deep voice.

“I am a good son of your ancestors.”

The elder’s face distorted. Without any word, he smiled coldly and rushed toward Fu Chen at lightning speed.

By comparison, Fu Chen’s speed was faster than him.

His figure was slim, but there was an infinite power inside that body.

The two men’s palms collided in the air.

A powerful force, like a tornado, was suddenly unleashed. It instantly destroyed all the surrounding stalls and trees and turned them into dust.

Feng Ruqing lifted her eyes and saw Zheng Tianwu was running toward the street as the situation was getting worse. She lowered her face. “Fu Chen, Qing Han, I will leave all this in your hands, protect Yiyi. Ah Wang, you come with me.”

Woof!

Ah Wang barked and followed Feng Ruqing to catch up with Zheng Tianwu.

Outside the city’s gate.

It was a suburb.

Zheng Tianwu stopped in his tracks. He was not running anymore. Instead, he looked like he was waiting for Feng Ruqing.

Watching Feng Ruqing and Ah Wang coming to him, Zheng Tianwu returned to his senses. A smile played on the corners of his lips.

Especially when Zheng Tianwu saw that Feng Ruqian had only brought a wolf along with her, he smiled even wider and laughed out loud.

‘I don’t know whether she is too confident or foolish enough to come with a wolf.’

"Little girl, I haven't used my full power in the marquis city just now. But we are in the suburbs now, and those people are still busy fighting, so I don't have to hide anymore. Hahaha!"

He laughed continuously and the momentum of his laughter gradually increased. Initially, he was just of Lower Immortal Warrior tier like Feng Ruqing.

But now, he had already made a breakthrough from Lower Immortal Warrior tier to Intermediate tier, and it would not stop until he reached Advance tier.

For some reason, Feng Ruqing had always felt that Zheng Tianwu's aura was somewhat unusual and it seemed like it contained a raging force.

In normal circumstances, no one below Holy Warrior tier could beat him!

"There were a lot of informers in the royal city. To avoid the scourge of His Majesty, I dared not expose too much. But now, there are no informers here, so I don't have to hide it anymore. Little girl, if you dare to catch up and cast away your life, then I will give you a ride!"

Puff!

Feng Ruqing received a hard punch on her chest, causing her to spit out a mouthful of blood.

Ah Wang roared angrily and rushed toward Zheng Tianwu.

Zheng Tianwu glared at Ah Wang coldly. The raging force made his eyes turn red with a bloodthirsty glow.

"Ah Wang, come back!"

Perhaps it was the words from Feng Ruqing that had stopped Ah Wang from pouncing on Zheng Tianwu, but there was a look of wariness and hostility in its eyes.

Feng Ruqing wiped the blood from the corner of her mouth and smiled coldly. "You once took the Fire Spirit Fruit, which will turn one's spiritual power into a fire and become more and more violent. Even within the same rank; no one is your rival."

Zheng Tianwu narrowed his eyes. "So, you have already guessed it?"

Chapter 1072: Fu Chen Has Grown Up V

Feng Ruqing smiled a little. "The jade pendant that you are wearing around your waist has the function of concealing the strength. From the surface, it looks just like an ordinary jade pendant."

Zheng Tianwu's heart beat faster.

"So, you know everything?"

'So why did she come with a wolf?'

'Is she so afraid of death?'

“I knew it. You are trying to protect Gu Yiyi and those people, right? And you are afraid that I’d hurt them after exposing myself to save my own life? Oh, and your daughter who is supposed to be a spirit beast from a plant, she is afraid of fire, so you’re luring me away from them to come out here?”

If Feng Ruqing had wanted to stop him, there was no way he would have had a chance to escape then.

After all, there was only this wolf and the little plant girl in that place.

And if he had wanted to escape, he would have used his real power. Then was she afraid he would hurt those people?

“You have guessed a part of it.” Feng Ruqing smiled. “And there’s another part that you couldn’t guess.”

Zheng Tianwu froze for a while. Could there be any other reason for Feng Ruqing to come after him?

Without waiting for Zheng Tianwu to think about it, Feng Ruqing turned her head to look at Ah Wang.

Ah Wang’s innate skill was excellent. It had reached Advanced Immortal Warrior tier in just a short time and it was only one step away from the Holy Warrior tier.

Moreover, the spirit water that it had soaked in was lesser than the other spirit beasts, yet it could make a breakthrough faster than them.

Feng Ruqing then took out a bottle of spirit water from the medium and handed it to Ah Wang.

During that time, she gave the spirit beasts spirit water that had been diluted in the lake water with light effectiveness. But for Ah Wang, that diluted spirit water was functionless.

This time, she would give him undiluted spirit water.

Using the spirit water during the breakthrough in the Sky Warrior tier’s realm was the best.

It was such a waste for a Dark Warrior to consume it, but for a Holy Warrior... Consuming it would not help them to make a breakthrough either.

It was only at Ah Wang’s current strength that it was the best time to consume the spirit water.

Initially, she had wanted to wait for Ah Wang to consolidate its strength, but now there was no time to wait. She had to let it take the spirit water directly.

‘This is...’

Zheng Tianwu was confused. He did not understand what Feng Ruqing was pulling out.

He then saw Ah Wang stick out its tongue and licked a drop carefully.

Yes, it was just a drop!

With a loud bang, a powerful spiritual force rushed through Ah Wang’s body and it had reached another peak!

A Tier-7 spirit beast!

It was equivalent to a Holy Warrior!

Zheng Tianwu was stunned for a moment. His eyes were filled with greed as he looked at the spirit water in Feng Ruqing's hand.

'This thing surprisingly can make a breakthrough to Holy Warrior tier!'

If he could have a chance to take it, Yue Kingdom and the entire world would be his! Hahaha!

And today, no one would ever be his match!

Zheng Tianwu licked the corner of his lower lip. It was a waste that a wolf had consumed such a thing. It was too bad, such a good thing should be in his charge!

"That's why I left with you."

An ordinary man with a cherished item would arouse the envy of others.

She could not expose something like the spirit water to this world.

She could only use a trick and follow Zheng Tianwu out of the city.

As for Zheng Tianwu...

He was going to die anyway, so there was no worry about him spreading the news about this thing.

Ah Wang could feel the power within its body and it was growing bigger!

It was just a wolf, an ordinary stray wolf.

By chance, it was able to start cultivating. It had met such a good human as its master and it was only then that it could make a breakthrough to Holy Warrior tier.

Chapter 1073: Fu Chen Has Grown Up VI

Was there any other dog that could compare with it?

"Master."

Ah Wang turned at Feng Ruqing. "Do you want to see him being tortured, or tortured, or tortured?"

Feng Ruqing was silent for a moment as her eyes were fixed upon Ah Wang. "Ah Wang, you can speak now?"

Ah Wang shook its head. "Master, I'm not sure... Suddenly, I can speak like a human."

Feng Ruqing remained silent.

It seemed that once a spirit beast broke through to Holy Warrior tier, it could speak just like a human.

But what about... Little Qing?

The snake was weak, but why could it speak like a human?

Or was it once a Holy Warrior and somehow it had been demoted? Was that made it so weak?

“Ah Wang, kill him. Then let’s go back to Fu Chen and the others.”

Ah Wang grinned. A fierce glint flashed through its eyes.

Zheng Tianwu had not recovered his senses yet, but Ah Wang had already pounced on him fiercely.

Zheng Tianwu was unable to resist its attack and was viciously knocked to the ground. Ah Wang bared its sharp teeth and bit down on Zheng Tianwu’s arm.

Hiss!

Zheng Tianwu gasped for air. His eyes seemed malicious as he grabbed Ah Wang’s head with one hand, trying to lift it from his body.

The spiritual power gathered in his palms was extremely hot. Even though Ah Wang had broken through to Holy Warrior tier, its fur was still burned from the heat.

Fortunately, he had made a breakthrough.

If Feng Ruqing had not stopped it just now, it could not have been Zheng Tianwu’s match with its Immortal Warrior tier’s strength.

Zheng Tianwu used all his strength to kick at Ah Wang’s abdomen.

The wolf’s abdomen was fragile. Ah Wang cried piteously and removed itself from Zheng Tianwu’s body.

However, it quickly reacted and pounced back on Zheng Tianwu.

This time, Zheng Tianwu had rolled to the side and had narrowly avoided Ah Wang’s teeth.

Ah Wang’s eyes became more and more ferocious. It roared angrily and gave Zheng Tianwu a big bite, and this time, Zheng Tianwu could not dodge it. The flesh on his arm was torn off and blood dripped down his arm.

Feng Ruqing crossed her arms in front of her chest and quietly looked at Zheng Tianwu, who was under Ah Wang, dodging its ferocious bite.

Unfortunately, all the skilled masters of the marquis’ manor were left behind in the city. No one could save him from Ah Wang’s bites.

Suddenly, Feng Ruqing’s eyes narrowed. She sensed that something was not right with Zheng Tianwu’s strength. It seemed like there was a sign of a breakthrough.

Everyone knew neither men nor spirit beasts could be disturbed by outside forces when they were making their breakthrough and no one could approach them.

That was why Zheng Tianwu did not stop Ah Wang when it was making a breakthrough just now.

“Ah Wang!”

Feng Ruqing’s expression dramatically changed.

Ah Wang also sensed something was wrong. The strikes became more and more violent, and more blood gushed out of him.

No matter how badly hurt he was, he would protect his neck well.

As long as he did not get his neck snapped by this dog, he could still hold on!

Boom!

Suddenly, Zheng Tianwu's bottleneck loosened. The spiritual qi above his head began hovering and forming a storm vaguely.

"Hahaha, I'm going to make a breakthrough. I'm finally going to make a breakthrough!"

He had been holding this for so many years, but why? Because he had wanted to make a breakthrough to Holy Warrior tier!

But he was stuck at the bottleneck, and it did not move at all!

He would not be able to make a breakthrough at his bottleneck if he had not been pushed to the brink today.

Chapter 1074: Fu Chen Has Grown Up VII

From now on, he would never let go of anyone who had hurt him.

The whole Yue Kingdom would be under his control!

Hahaha!

"Marquis!"

At this moment, a figure approached him hastily.

A familiar voice had made Zheng Tianwu's heart skip a beat. He looked up quickly and saw a stunningly, beautiful face in front of him.

The woman who had rushed over to him was like a soft and beautiful vixen with an attractive quality to her.

She was the most favored woman in his life.

Lady Yuan's face was pale. Tears fell from her eyes as she walked through all the dangers and came to him.

The anxiety at the bottom of her eyes was so intense that it made Zheng Tianwu's heart soft and defenseless.

No one could approach the breakthrough process as the person making a breakthrough did not want anybody to interrupt him.

That was the rule, and no one could break it. But that did not mean that the people who were close to them had no way of getting close.

Lady Yuan threw herself into Zheng Tianwu's arms and put her head against his chest. His robe was drenched in tears, making his heart shivered.

The spiritual power in the sky was still there, and later, he would be able to make the breakthrough to Holy Warrior tier.

With the aid of Fire Spirit Fruit, no one would be able to go against him in the future!

Zheng Tianwu wrapped his arms around Lady Yuan calmly.

He did not see the dagger in Lady Yuan's hand and suddenly, it was stabbed into his back.

The dagger had been coated with poison that could restrict his spiritual power and suddenly, the brewing storm in the sky had all disappeared.

The whole sky had calmed down.

With Zheng Tianwu's strength, Lady Yuan could hurt him, but her strength was not enough to kill him.

Even if the poison were in his body, it would eventually vanish because of the Fire Spirit Fruit.

But he was in danger now.

If he successfully made a breakthrough, then there was nothing they could do about him. The world was all his.

If he was interrupted, then nobody knew when the next breakthrough would happen again.

Zheng Tianwu looked at Lady Yuan in disbelief. His face was pale, and his voice was trembling. "Why, why did you..."

Lady Yuan laughed out loud.

Her previous soft and foxy eyes were now filled with hatred that seemed to devour his soul.

"Why? You still have the cheek to ask me why? You have only heard that the You family had a spirit herb that could transform into a person, so you have killed eliminated the whole You family and harmed my beloved Sir Ye!"

The hatred in her eyes stung Zheng Tianwu's heart and made him so furious. With a loud bang, a palm slammed at Lady Yuan's chest.

All of this was so unexpected.

Not only was Feng Ruqing frozen. Ah Wang, a dog, too, was stunned. They did not understand what was going on there.

Hence, when Feng Ruqing looked back, she saw Lady Yuan collapsing in a heap with a loud crash. There was a trace of blood trailing from the corner of her mouth.

That punch had hit her right in the heart and the spiritual qi had pierced through her heart like a sword.

Any injury could be treated, except for a broken heart.

And any poison could be cured, except for aphrodisiacs, which was incurable!

Cough cough!

Lady Yuan coughed up a mouthful of blood. Her face seemed to be at peace at last as she fixed her eyes upon Zheng Tianwu, who was standing not far away from her.

Zheng Tianwu could not make a breakthrough. He was going to die, and she... had finally avenged Sir Ye.

Today was the day that she had been waiting for a long time!

Zheng Tianwu foolishly looked at his palms and turned to Lady Yuan who had fallen to the ground. His eyes were suddenly filled with grief as he cried out painfully, "Yuan'er!"

Chapter 1075: Fu Chen Has Grown Up VIII

Obviously...

It was obvious that he was just angry and could not control his hands, but he had already avoided her vital points.

Why?!

Why did she get herself into this?!

But even if Yuan'er had hurt him so much, he still could not let her die.

"Why, why are you doing this? Why? Tell me, Yuan'er, what have I ever done to you? Am I not good enough for you? Did I not love you enough? I killed countless innocent people for you to make you happy! Why did you do this to me?"

Zheng Tianwu knelt on the ground with pain. Blood was dripping from his back. With the emotionless gaze, he slammed his fist on the ground hard.

Lady Yuan closed her eyes.

Zheng Tianwu was nice to her...

If there was no You family or Sir Ye in her life...

If she did not carry any deep grudge, maybe... she would have ended up falling for Zheng Tianwu.

Unfortunately, it was impossible!

She loved Sir Ye and the You family!

Zheng Tianwu had destroyed the You family and killed the man she loved the most. He would only be her unrequited enemy.

She lived for revenge!

Her bottled up vengeance would soon... be quelled and then she could finally rest in peace and meet Sir Ye again.

"Master..."

Ah Wang turned his head. "Can she still be saved?"

The appearance of this human had helped them, so it was hard to see her dead without saving her.

Feng Ruqing shook her head. "If it were her arm that broken, her leg that was lame, her liver, spleen, kidney, or lungs, I could have healed her. But her broken heart, there is simply no way to save her!"

The spiritual qi from the slap had shattered her heart.

No matter how good the medicine was, nothing could be done.

Lady Yuan closed her eyes. She seemed quiet and peaceful, a smile played on the corners of her lips.

Zheng Tianwu froze in his place.

He stared blankly at Lady Yuan, who was already out of breath. The pain was invading his heart, making him howl grievously.

The painful howl echoed through the entire suburb sky, lingering for a long time.

After a while, Zheng Tianwu staggered toward Lady Yuan with tears streaming down his cheeks. He kneeled on the ground slowly.

"Yuan'er... I have finally recalled the You family..."

"Back then, if I had taken you away without exterminating the You family...would you have not bottled up the hatred? Would you have been willing to spend your life with me?"

To him, Yuan'er was as important as this world.

But now he had lost the world and had killed the woman he loved the most...

Hahaha!

Zheng Tianwu tugged at his hair harshly with grief in his eyes.

He did not see a figure who looked like a beggar staggering over. His body froze when he looked at Lady Yuan's lifeless body that had fallen to the ground...

He had followed Yuan from the marquis' manor but was blocked halfway, causing him to arrive late.

But why... Why did this happen?

"Yuan'er!"

His voice was hoarse. He stared sharply at Zheng Tianwu with his red eyes filled with hatred. "You killed me and took away my beloved woman. Have you also killed Yuan'er now?"

Zheng Tianwu finally turned to the beggar. "Are you from the You family? The one that Yuan'er had mentioned... Sir Ye?"

You Ye's hair and beard were unkempt. His face had been ruined and he looked so ugly.

His eyes were bloodshot with a ferocious light like a wolf that was fierce and vicious.

"No, it wasn't me who has killed Yuan'er, it was you... If it weren't for you, Yuan'er wouldn't have rushed out and stabbed me with a knife just now. If it weren't for you, I wouldn't lose my conscience and killed her. It's all your fault. You deserve to die!"

Chapter 1076: Fu Chen Has Grown Up IX

Zheng Tianwu lifted his head. His aura was surging like the mountains and seas.

"If she hadn't thought that you were dead, she wouldn't have intended on dying. I didn't want to kill her. It was her who didn't want to live anymore, so she had done this at her own will. It's all your fault!"

You Ye's gaze froze and he stiffly turned his head to look at Lady Yuan who was next to him.

Lady Yuan had stopped breathing. Her body was cold and her face was pale, lifeless.

Yuan'er had entered the marquis' manor, disregarded death, just to avenge him?

And she did not... submit herself to his enemy?

If he and Yuan'er had reunited in front of the marquis' manor back then, none of this would have happened, would it?

It was his fault.

He was the one who had gotten her killed and he was the one who did not trust her! It was also him... Who was afraid to reunite with her because of his weakness.

"Hahaha!"

You Ye guffawed boisterously with tears in his eyes. "It was I who has killed Yuan'er... It's my fault. It's all my fault..."

Unfortunately, there was no chance for him to seek forgiveness.

You Ye crouched down and picked up Yuan'er body. He stumbled a bit and the moment he turned around, his figure seemed so desolated again.

If she could open her eyes again... He would not want revenge anymore, he just wanted to take her hand and bring her out of this fire pit.

He only wished to be alone with her and never be parted again.

There were no more ifs and no more regrets. He had lost the love of his life due to his weakness and self-abasement.

"Let her go!"

Zheng Tianwu roared angrily. He was about to step up and block You Ye from taking Yuan'er away.

"Ah Wang!"

But at that moment, a voice shouted as the damn wolf appeared again, blocking his way.

He burst into rage and swung his fist down. "Get out of my way!"

No one could take Yuan'er from him!

Whether she was alive or dead, Yuan'er would always be his!

Zheng Tianwu's eyes were red. He looked fierce and terrifying.

When his fist had almost reached the target, Ah Wang opened its mouth and bit down Zheng Tianwu's fist fiercely.

The bright red blood oozed from the back of the hand and dripped onto the grass.

Feng Ruqing was sweating.

It seemed that if a dog was fighting, it would only... bite?

Ah Wang's teeth were indeed sharp. With just one bite, the back of Zheng Tianwu's hand was yanked away and torn apart. His gaze was laced with provocation and contempt.

To survive, Zheng Tianwu was forced into a desperate situation and was about to breakthrough.

Now...

He had attacked recklessly as his anger and anxiety had affected his emotions.

Especially after seeing You Ye's figure was almost fading away, Zheng Tianwu became more anxious and defenseless. Ah Wang took this chance and bit down on the nape of his neck.

As this continued, a fountain of blood flowed from his neck uncontrollably.

Zheng Tianwu's body froze as his vision became so blurred, he fell to the ground. He was extending his hand, trying to reach out to grab the figure that was about to disappear from his sight.

As if he could pull back those who had left...

Ah Wang wagged its little tail in triumph and rushed back to Feng Ruqing with its sneaky grin as if it was waiting for her compliment.

"Fu Chen's battle should be over by now." Feng Ruqing raised her hand and touched Ah Wang's little head. "Let's go. We should go back."

She calmly looked at Zheng Tianwu's corpse that had collapsed in a heap in a pool of blood and slowly turned around, heading toward the marquis' city of Yue Kingdom.

Chapter 1077: Fu Chen Has Grown Up X

The battle in Marquis City was almost over.

The elder in white was stained with blood and his face covered in dust; he seemed a little flustered. He wiped off the trace of blood at the corner of his mouth. His eyes were full of viciousness.

"Kiddo, both of us are Holy Warriors. It is not easy for you to kill me."

Besides the elder in white and the eldest prince, the rest of the people were nearly wiped out.

As both Fu Chen and the elder in white had attained Lower Holy Warrior tier, even if the elder was slightly weaker than Fu Chen, Fu Chen could never defeat the elder.

Fu Chen too was wearing a white robe. However, he looked extremely pure and clean. There was not a speck of dust that could be seen on his robe.

The eldest prince did not seem to care about the battle. He had been staring at Gu Yiyi since the beginning and could not tear his eyes away from her.

Gu Yiyi felt that the eldest prince's gaze was too domineering and dominant. Hence, she hid behind the wolf. The wolf too knew that Gu Yiyi disliked the eldest prince's gaze. Hence, it took a few steps forward to block the eldest prince's line of sight.

Seeing this, the eldest prince frowned and looked away. He glanced at the elder in white with a sneer.

"Grandpa..."

"I told you to call me master!" The elder's face darkened.

"Master, could you handle this spirit beast?" After a moment of silence, the eldest prince asked.

The eldest prince felt very much at ease seeing the elder in white. He hid behind the elder, relieved.

With the elder's strength, this little demon could never defeat the elder. Moreover, this little demon was no human. It was merely a spirit beast that had assumed a human form.

If the people out there knew this, there must be hundreds of thousands of warriors who wanted to kill him. Hence, its number was up.

'You are the spirit beast! Your entire family is made of spirit beasts!' Fu Chen's face darkened.

"Shut up!" The elder in white snarled, he turned to stare at Fu Chen with a bone-chilling gaze.

"You rascal, both of us are equally strong. Why don't we both take a step back—give me the maiden and we, humans, shall share this realm together with the spirit beasts in the future."

Hearing this, Fu Chen was enraged.

'You idiot! I am not a spirit beast! How dare you call me a spirit beast?'

The elder in white merely glanced at Fu Chen, but did not say anything anymore. The corners of his lips curved into a faint smile.

"Since you are not saying anything, I take that to mean that you agree. We will take those maidens away. In the future, half of Tianyue Kingdom shall belong to the spirit beasts..."

"Spirit beasts? Screw you!"

Boom!

A ferocious wind swept through, Fu Chen's hair floated in the air.

Burning with fury, Fu Chen gave the elder a good kick. The elder stretched his arms, wanting to block Fu Chen's attack but he was not successful. An overwhelming force emanated from Fu Chen's foot sent the elder flying a few meters backward.

A dark blue footprint could be seen etched onto the elder's aging arm. Suffering the burning prickling pain, the elder's face changed. The smile at the corners of his lips faded and gloominess took its place...

Fu Chen had nearly exploded with anger.

"You keep saying that I am a spirit beast, you are so annoying! You are, no doubt, insulting me! Don't you dare call me a spirit beast again!"

The elder marveled at Fu Chen who was burning with fury as he thought to himself...

"Fu Chen is right. Calling us spirit beasts is such a humiliation to us! I am my mother's child, not a spirit beast!" Qing Han lifted her small chin as she stuck her nose in the air.

Chapter 1078: The Winner Takes It All I

Originally, the elder was wondering about Fu Chen's real identity. Hearing this, he felt very much relieved—it turned out that these two little things thought that they were actually humans after living a long time together with humans. They must be out of their minds!

"Master, these two little things are on their high horses. We don't need to waste time on them." The eldest prince's face darkened.

'You really think I want to waste time with this thing?' The elder in white robe frowned slightly. It was true that Fu Chen was not capable of killing the elder. However, the elder too was not capable of defeating Fu Chen.

Fortunately, Fu Chen had just attained Holy Warrior tier not long ago. Hence, he did not have a full grasp of his own strength yet. Otherwise, the elder would be even worse off.

"Master?" The eldest prince's eyes darkened. He believed that his master had yet to play his trump card.

'What is he waiting for? If he doesn't kill these two things, I will not be able to get Gu Yiyi back and kill that ostentatiously unconscious lady!"

Currently, all the soldiers around them had lost their lives, lying in blood. On the entire street, only the elder in white and the eldest prince were still alive. They looked so lonely and helpless like trees that had lost all their leaves.

The elder in white clenched his fists tightly. His piercing gaze locked upon Fu Chen once again.

"I am giving you one more chance. If you could make peace with me, I will give you half of the kingdom."

"Hell no!"

The fire of indignation burned furiously within Fu Chen. Once again, he gave the elder a kick.

Boom!

A powerful force emanated from his foot and hit the elder's arm.

Blazing with fury, the elder's face grew even darker.

“I have given you the chance, but you have given it up. Everyone in this realm will go after you in the future! Haha!” The elder let out a boisterous laugh that echoed for a long time.

Suddenly, the elder’s laughter died away as he saw an aurora from not far away. A ferocious yellow wolfhound rushed toward him at an overwhelming momentum. Its eyes were ruthless.

Most importantly, the yellow wolfhound was actually a Tier-7 spirit beast!

The wolfhound turned around and pounced on the eldest prince. Seeing this, the elder’s eyes reddened and shouted indignantly.

“Stop!”

However, it was too late...

The wolfhound bit into the eldest prince’s arm and yanked his entire arm off. The eldest prince shouted out in pain. He roared with uncontrollable fury and rushed toward the wolfhound when Fu Chen, in a white robe, stopped him.

Bam!

Fu Chen’s hand landed on the elder’s chest. As the elder was too indignant, his rage had overtaken his senses. He could not react in time and only felt a spiritual force emanating from Fu Chen’s hand, piercing into his chest, and spreading all over his body. His blood started to coagulate.

With bloodshot eyes, the elder spat out a mouthful of blood.

“Don’t you ever think that you could do whatever you want with two Holy Warriors. Let me tell you this. Tianyue Kingdom is not the only kingdom in this realm. There are many Holy Warriors in the other kingdoms. If they all come out for a battle, no one spirit beast could ever escape safely. Haha!”

Spirit beasts and humans were two different types of living creatures. When one of them became stronger, the weaker one would perish.

Chapter 1079: The Winner Takes It All II

Hence, if the people out there knew that a spirit beast had attained Holy Warrior tier, simply no one would turn a blind eye to this.

In the ferocious wind, a beautiful lady came into sight. The lady was devastatingly gorgeous, her beauty could bring the city to its knees.

Standing aloof from the masses, the lady looked so imposing just like a reigning monarch.

“Ah Wang, Fu Chen, don’t let go of the people here. Move!”

In the imperial city of Tianyue Kingdom.

In the imperial study, a middle-aged man in bright yellow robes was sitting upright, flipping through the memorial in his hand.

At this time, an anxious voice spoke from outside. Someone barged into the imperial study and hurriedly kneeled down without even pronouncing his arrival.

“Your Majesty, something bad has happened! The spirit beasts are attacking the palace!”

‘What?’

Bang!

The memorial in his hand fell to the ground. He got up hastily.

“The spirit beasts are attacking the palace? Where is the eldest prince? Where is the retired emperor?”

“Both the eldest prince and the retired emperor... have passed”

“...” The color drained from the emperor’s face.

The emperor had always been living a carefree life and had left everything to the eldest prince and the retired emperor. All he needed to do was to read through the memorials and spend time with his concubines and consorts. He did not even need to care about the battles.

Now, someone was telling him that both the eldest prince and the retired emperor were dead?

“Why are these spirit beasts attacking the palace?” The emperor asked a long while after he had slumped to the ground, his eyes blank.

“Your Majesty, it is related to the lady—Gu Yiyi whom the eldest prince forcibly brought into the palace not long ago. She was the friend of the spirit beasts’ master. These spirit beasts are here for revenge,” the eunuch replied fearfully.

The emperor was aware of Gu Yiyi. She was irresistibly adorable and even the eldest prince who had never fallen for anyone before could not help falling in love with her and wanted to make her his side consort 1.

The emperor had agreed to it although he knew that the eldest prince had forcibly brought Gu Yiyi back to the palace.

The eldest prince would be the crown prince of Tianyue Kingdom in the future while Gu Yiyi was only an ordinary lady. He could naturally make anyone his consort. Moreover, Gu Yiyi would only be a side consort. Hence, she was not a threat to the principal consort.

However, the emperor had never thought that Gu Yiyi was so powerful and could ruin the entire Tianyue Kingdom.

“Open the palace’s gate.” The emperor had suddenly made up his mind. He got up from the Dragon Throne, staggered to his feet, swaying a little.

Shocked, the eunuch’s eyes widened.

“Your Majesty, we can’t do this. Once the gate is opened, the spirit beasts would rush into the palace. Hundreds and thousands of people would lose their lives!”

“Well, tell me. How many people have died in front of the palace gate?”

“None of them survived!”

“Since you know that the entire army has been wiped out and even the retired emperor could not stop these spirit beasts, do you think this small palace gate and the weak forces left in the palace could stop them? Tell me. Besides the people that the eldest prince had brought with him, how many more people have died?”

Stunned, the eunuch contemplated.

It had been a few days since the spirit beasts had come into the imperial city. However, it seemed that besides robbing the people, they had never hurt anyone. They only beat up the man who had bullied the spirit beasts and then rescued the spirit beasts from them.

“Open the palace’s gate. If we don’t open it now, it will be too late when they barge into the palace themselves.”

The emperor closed his eyes.

It was just a short moment, but he seemed to have aged a few decades. He even had a little hump on his back.

Chapter 1080: The Winner Takes It All III

The emperor staggered out of the imperial study, lonely and dejected.

“Your Majesty, but...”

“Say no more. I have always been a freeloader my entire life. Without the retired emperor, I could never save Tianyue Kingdom.”

The emperor had always been hiding behind someone’s back. He could never fight in the front line. Had it not been for the retired emperor, he might have lost the throne.

Currently, this was the only thing he could do and hopefully, what he had done could save his life...

Seeing that the emperor was so determined, the eunuch did not talk further and only walked quietly after the emperor.

In the eldest prince’s hall.

Shen Die had accidentally pricked her finger with the needle, Blood was seeping out of the wound. It made her feel a little uneasy in her heart.

She hurriedly put her bleeding finger in her mouth and sucked gently.

“Your Highness!” A servant stumbled into the hall from outside. Just as she walked through the door, she tripped over the door sill and fell to the ground. She crawled up to Shen Die, crying.

“Your Highness, something has happened!”

Shen Die merely frowned.

“What is making you so nervous?”

“His Highness, the eldest prince, has passed away...”

The servant’s words sounded like a clap of thunder in the clear sky and it struck right into Shen Die’s head, causing a buzzing noise in her head.

Shen Die’s face was ghastly pale. Her mind went blank. She wanted to get up from the chair but had accidentally pushed the chair backward, losing her balance, and falling to the ground.

“Your Highness!”

Bursting into tears, the servant ran up to Shen Die and helped her up from the ground.

Shen Die’s nail dug into the servant’s skin. The servant winced in pain but was too afraid to retract her hand. Her eyes were flooded with tears. Simply no one knew the servant was crying out of sadness or pain.

“What did you just say? How could you curse His Highness? His Highness will never die! Absolutely not!” Shen Die rebuked.

“Your Highness, I am telling the truth. It is a news widespread in the palace that both the eldest prince and the retired emperor have passed away. The spirit beasts have entered the palace and it is His Majesty’s decree to open the gate...”

Shen Die closed her eyes and shook her head in disbelief.

It was such a ruthless fact that she could hardly take it.

“You are lying! You all are lying! His Highness will never die! What should I do if he is dead? What should I do?”

Shen Die had given her heart to the eldest prince ever since the first time she had met him when she was still a teenager. She knew that the eldest prince had never loved her back.

He had married Shen Die merely because her father was the grand preceptor who had commanded no less respect in Tianyue Kingdom.

However, Shen Die did not care. As long as she could marry the eldest prince and be by his side for the rest of her life, she was contented.

Even if her heart was broken over and over again whenever the eldest prince took a concubine, one after another, she still stayed by him without reservation.

Even if she knew that the eldest prince had given his heart to Gu Yiyi, all Shen Die wanted to do was to help the eldest prince win Gu Yiyi’s heart.

What did Shen Die do wrong? Why was god so cruel to take the eldest prince away from her?

“Arghhh!”

Shen Die clutched her head in pain and shouted at the top of her voice. Her pale face was filled with the agony of despair.

“Your Highness!”

“Who killed him?” Shen Die lifted her eyes, clenching her fists tightly. Her eyes went blank but her voice was filled with resentment.

“It was Gu Yiyi,” the servant answered in agony.
