### Chapter 1311: The Initial Encounter with Deities Gate I

Qin Fei'er's face darkened. She was obviously younger than Zong Yi, yet these people said she was Zong Yi's sister?

However, when Qin Fei'er saw Feng Ruqing looking at her, all the grief and anger on her face suddenly disappeared and were replaced by calmness.

She walked with Zong Yi like a graceful white swan with an elegant smile. Her eyes unblinking and were calm as ever.

Zong Fu looked at Qin Fei'er who came with Zong Yi, and in the end, he did not say anything. After all, the world knew that he had taken Qin Fei'er as his adoptive daughter, and he still had to give her some face.

\*\*\*

Feng Ruqing calmly looked at Qin Fei'er, then she turned to Gu Shi.

"Master Gu, where are the people of the Mu family? And Nan Xian... Is he back yet?"

Gu Shi smiled faintly. "Maiden Feng, there's no need to worry. They have some things delayed and will come over later. I'm here, and no one will dare to bully your Fengyun Manor."

He glanced at the people present coldly, especially those who had just been talking about Feng Ruqing.

His stern eyes were like knives, carrying a warning.

Everyone could hear it and was somewhat shocked.

This person, Gu Shi... He was different from any ordinary person.

He did not like to befriend anyone, even if it was the Divine Herbs Sect or Deities Gate.

All these years, one had never heard of him befriend anyone.

But why was he... Defending a girl like this...

These people stared at Feng Ruqing for half a moment, and then looked at Nalan Yan who was standing beside her.

After almost twenty years, Fengyun Manor had grown from small, unknown forces to the powerful Fengyun Manor. Gu Shi from Tian Shen Manor was a clever man. He naturally wanted to recruit Fengyun Manor.

As the lady of Fengyun Manor, of course, he would treat her well.

After all...

Gu Shi would not live forever. There would be a day when when he would bid farewell to the world of the living. His only daughter, Gu Yiyi, had no skills, so he must find a patron for her, even if he needed... To betray Gu Yiyi's dignity?

Looking at Gu Yiyi's expression as she stared at Feng Ruqing with her hand on her cheek unblinkingly, the crowd could not help but sneer.

'Well, it seems that this Gu Yiyi... is willing to devote herself to Feng Ruqing.'

'And Feng Ruqing is indifferent to Jiu Ming, maybe... She likes a woman?'

'Too bad...'

'Such a beautiful girl, but she likes... A woman...'

"It's good that he's back."

Feng Ruqing's heart was only for Nan Xian. As if she did not see the regretful expressions of the people around her, she sighed lightly and smiled as her hand gently caressed her lower abdomen.

If Nan Xian was with Suyi, then he must already know... About her pregnancy.

No matter what, since Nan Xian would appear today, she would wait for him at the Divine Herbs Sect.

"Hmph!"

A cold snorting sound was heard among the crowd.

Jiu Ming turned his gaze and saw his uncle, Jiu Yue, was standing and looking at Feng Ruqing with his dark gaze. "Little girl! You're the one who has seduced Jiu Ming and made him give you Paramount?"

What?

The crowd was horrified.

Paramount was established by Master Jiu Ming from Deities Gate, and he also held an important position within the reclusive world.

### **Chapter 1312: The Initial Encounter with Deities Gate II**

Moreover, Paramount had even sold countless herbal dishes, making it even more prosperous.

These herbal dishes were enough to drive many cultivators crazy.

If they could get the recipe for the herbal dish, they would probably be willing to exchange it for a city.

Now listening to Jiu Yue's words, it seemed that powerful Paramount... Was given away by Jiu Ming?

Jiu Ming looked at Jiu Yue coldly. "My Paramount has nothing to do with you."

Jiu Yue's face darkened, and his gaze seemed to carry a storm.

After seeing such a scene, Jiu Yuan was slightly anxious. He quickly stood up and hurriedly said, "Ming'er, he's your uncle! How can you be so rude to your uncle?"

As soon as this was said, Jiu Ming turned his cold gaze to Jiu Yuan.

The man's gaze was so cold that Jiu Yuan could even see the coldness on his face through his mask.

Jiu Yuan's lips trembled. He did not understand what he was doing wrong. 'Is it wrong to want harmony in a family?'

'Ming'er is a nephew, and he should respect his elders. How can he be so rude?'

"Hehe..." Feng Tianyu laughed as he walked out slowly. His gaze was as sharp as a sword, and his face was cold and stern. "Does Feng Tianyu's daughter need to rely on a man? That Paramount... Even if you want to give it away, my daughter might not want to accept it!"

Indeed, Feng Ruqing did not want to accept it, but Jiu Ming had forced her and given her a hard time.

"Who are you?" Jiu Yue's face was cold and sullen as he shouted angrily. "What qualifications does a bastard who relies on women have to shout at me? You.."

A cold, strong wind violently surged forward.

Jiu Yue's body instantly fell backward, rolling down from his chair and landed in a heap. His mouth spurted out a mouthful of blood as he stared at Jiu Ming furiously.

"Jiu Ming, you beast. How dare you attack me?"

Jiu Ming waved his sleeve as his eyes flashed with sinister light. "I've warned you back then. Don't mess with Qing'er. I built Paramount, Deities Gate has no right to stop me from giving to whoever I want to give it to!"

Jiu Yue's face changed as he recalled things that happened two years ago. This bastard Jiu Ming had beaten him up just for this girl and had even made threats against him.

Now, that bastard had embarrassed him in public!

"Ming'er..."

"You shut up!" Jiu Ming's cold eyes turned to Jiu Yuan. "Since I was a child, I have been hunted by Deities Gate, so I left Deities Gate. I'm no longer involved with all of you! If it wasn't for Fengyun Manor Master passing by and saving me back then, Paramount wouldn't be like it is now."

His words were like thunder from a clear sky, causing everyone present to be shocked.

Feng Ruqing frowned and turned to Jiu Yue. Her eyes were glimmering with an eerie light.

Jiu Yue was furious. "Jiu Ming, don't talk nonsense. I've never done such a thing, so don't you dare accuse me!"

Jiu Yuan was trying to persuade him. "Ming'er, you've really misunderstood. Your second uncle would never do such a thing..."

Even if Jiu Yue were an asshole, he would not have done something that would brutalize his fellow disciples.

Jiu Yuan would never believe it!

\*\*\*

This time, the old master of Deities Gate did not attend the assembly. It was Jiu Yue and Jiu Yuan who led their men.

Initially, the old master had guessed that Jiu Yue would definitely meet Jiu Ming. He thought that everything would be fine. After all, Jiu Ming was the master of Deities Gate, even if he hated his second uncle, he would not make Jiu Yue look bad in public.

Unfortunately...

### **Chapter 1313: The Initial Encounter with Deities Gate III**

“Father...” Feng Ruqing rested her hands on Feng Tianyu’s shoulders, preventing him from walking forward. She looked at Jiu Yuan and smiled. “He would rather believe an outsider than his own son. Such a man... Do you think he deserves to be a father?”

Perhaps it was because Jiu Ming had defended Feng Ruqing just now that had made Feng Tianyu a lot less wary of him, and he could not help but smirk.

“If it were me, I would believe whatever my child says. You can’t even trust your children, but you trust an outsider. How can you even be fine when someone is trying to kill your son?”

The assembly hall was suddenly quiet.

No one thought that Feng Ruqing would really dare to embarrass Deities Gate by relying on Gu Shi’s support.

‘Tsk...’

‘As expected, beautiful women have no brains.’

Gu Shi helped her out for Fengyun Manor’s sake, but would he choose to oppose Deities Gate for her? What would he get from this? Was he an idiot?

“Hehe...” Just then, a cold laugh came from above. “Maiden Feng, you are too lenient. Jiu Yuan and his brother have known each other for so many years, could it be that he still doesn’t know his own brother? Who knows if Jiu Ming is lying? Maybe he doesn’t want to leave Deities Gate in peace?”

This voice was loud and clear and echoed in every corner of the hall.

Zong Fu was somewhat surprised. He looked back at the arrogant Zong Yi and frowned slightly.

‘Zong Yi... Does he have a grudge against Fengyun Manor?’

‘If there’s no hatred, why is he so aggressive toward them?’

But Zong Yi had never left the Divine Herbs Sect, so why did not Zong Fu know that he had made enemies?

However, Zong Fu did not stop Zong Yi. To him, Fengyun Manor was nothing to be afraid of, even if it had Gu Shi’s support!

He only feared Nan Xian the most in Tian Shen Manor.

Oh, and the Mu family...

Nan Xian's mother had returned to the Mu family, so he could not mess with the Mu family again.

He wrote a letter to inform the other forces about this assembly, but only to the Mu family, he sent someone there to show his sincerity.

Hopefully, the Mu family would see his sincerity and let Nan Xian visit the Divine Herbs Sect. He was too old to withstand Nan Xian's torment...

Qin Fei'er smirked. "Brother Zong, don't you know... Maiden Feng always likes to meddle in things and flaunt herself. Everyone loves her because they think she's a good girl, but she's sneaky and she harms people behind their back."

Zong Yi's face darkened. His anger flared as he thought about all the bullying that Qin Fei'er had suffered back then.

The woman in front of him was indeed stunningly beautiful, but he could still feel that she was not a good person at first glance.

But, Fei'er was different. She was as pure as a small white flower. She was always being bullied and was unable to stop it.

Only such a woman... Was worthy of his protection.

"There's more..." Qin Fei'er sneered. "She has been with a lot of men. I heard that she married someone in Liu Yun Kingdom, and then... She fell in love with another man and divorced her former husband. And that was not enough, even my brother, as well as Master Jiu Ming... She wants all of them! Brother Zong, you should be careful with her. She must have some ulterior motives coming to the Divine Herbs Sect..."

#### **Chapter 1314: White Lotus Qin Fei'er I**

Zong Yi had no interest in Feng Ruqing, and after hearing Qin Fei'er's words, his face darkened even more.

He looked at Feng Ruqing coldly and smirked at her before he withdrew his gaze.

Some girls really thought that they were beautiful and that all the men in the world would go crazy for them, but unfortunately... He only adored a soft and kind woman like Fei'er.

Feng Tianyu and Nalan Yan lifted their eyes at the same time, and their eyes landed directly upon Qin Fei'er's face.

Feng Chen, who had said nothing from the beginning, looked at Qin Fei'er with a cold, knife-like gaze after hearing the mocking voice.

Qin Fei'er did not even care about other people's gazes, but only Feng Chen...

His eyes were like a sword, scraping at her heart, causing her to bleed and pale in pain.

Over the years, she had done her utmost to fix her relationship with him, but he still chose these people who had never spent their lives with him...

It was so ridiculous.

Qin Fei'er clenched her fists so hard that her nails sunk deep into her palm. Her heart was no longer sad and in pain, but had been replaced by endless anger and resentment...

She hated an ungrateful person like Qin Chen, and even more so... She hated... Feng Ruqing, who had taken everything away from her.

It was good that everything had changed now, and in the future, Feng Ruqing could only bow to her.

After thinking of all this, the tension on Qin Fei'er's face gradually loosened. She then turned to Nalan Yan and Feng Tianyu and gave them a provocative smile.

'So what if you guys feel even angrier? Do you still dare to... Attack me in front of my adoptive father?'

"Tsk..."

Gu Yiyi laughed sarcastically. "What a pure and innocent white lotus. She makes it as if she is the most innocent in the world, and others are always at fault. It's so hypocritical and disgusting."

Qin Fei'er did not expect that Gu Yiyi would be the first one to react. She clenched her fists harder and did not say a word.

"Maiden Gu, what do you mean by that?" Zong Yi's face darkened.

If he had not known about the relationship between Gu Yiyi and Feng Ruqing, perhaps... He would have thought that the person Gu Yiyi was talking about was Feng Ruqing.

After all... As far as he knew, the woman who bullied Fei'er was hypocritical and disgusting, yet she was flaunted herself in front of everyone.

But now... No matter how foolish Zong Yi was, he knew that Gu Yiyi was not talking about Feng Ruqing.

Since it was not Feng Ruqing, then it must be Fei'er!

Gu Yiyi lifted her chin. "My father is right. The young master of the Divine Herbs Sect is a fool. He can't even differentiate between right and wrong. He's foolish!"

Gu Shi could barely hold the cup in his hand properly. He almost dropped it.

He seemed awkward, especially when others had looked at him in shock. He wished he could hide inside a hole.

'Oh my dear, can you please not say in public that I'm bad-mouthing people behind their backs.'

'Do you want to embarrass your own father?'

"Insolence!" Zong Fu was furious and stood up fiercely. "Gu Shi, as the chief of Tian Shen Manor, you should not bad-mouth people behind their backs. You have allowed your daughter to embarrass my son in public. Is this what a chief manor does?"

Gu Shi glared at Gu Yiyi. He then turned to Zong Fu and said gently, "After all, it's your adoptive daughter who started it first! You have allowed your adoptive daughter and son to speak badly of others, but you won't allow my daughter to do the same? Ridiculous!"

### **Chapter 1315: White Lotus Qin Fei'er II**

Gu Shi loved Gu Yiyi deeply, but this girl had exposed him bad-mouthing others behind their backs in front of these people.

However...

Gu Shi did not blame Gu Yiyi because she was only defending Feng Ruqing just now.

Besides, everyone knew that he was so defensive. How could he back down just because the opponent was the Divine Herbs Sect?

No one knew if the people from the Divine Herbs Sect... Could withstand Little Qing'er's huge pot...

So, what he had said just now was only to save Zong Fu's foolish son. Zong Fu had to thank him for that!

Zong Fu seemed obviously bashful. It was indeed Qin Fei'er who had provoked them first.

However, if he let them go this time, it meant that Tian Shen Manor would always overpower his Divine Herbs Sect.

What would people say about him?

"Master Gu, if what Fei'er said is true, a girl like this..." He sneered. "I don't know why you're defending her so much. I never expect the young lady from Fengyun Manor to be this bad. If I had known, I wouldn't have even invited her. Guard, come and take the people of Fengyun Manor out!"

The relationship between the Divine Herbs Sect and Tian Shen Manor had turned sour.

They could not fight because there was no difference in strength between these two forces. But, they never wanted to be weaker than the other, and they wanted to be over each other's heads for every little thing.

Initially, with Zong Fu's usual way of dealing with things, he would not simply expel Fengyun Manor. After all, he understood that visitors were guests, and he had to respect them. Moreover, this was still Qin Fei'er's fault.

However...

Gu Shi was so biased, and he could not hold back anymore. Otherwise, what would people think of him? Would they not think that his Divine Herbs Sect was no match for Gu Shi?

His pride was more important than life!

Moreover, it was all Gu Shi's fault. If Gu Shi had not intervened in this situation, Zong Fu would eventually stop Qin Fei'er. Now, Fengyun Manor had been driven away from this assembly, Gu Shi was the only person to be blamed.

He had not forgotten the moment when Gu Zhenyang had imprisoned a woman from the secular world. That woman had caused a mess at the assembly, and Gu Shi was the happiest person to watch that happen. He even humiliated the Divine Herbs Sect in front of the crowd.

He would remember this debt!

Jiu Yue smiled proudly. "I agree with the sect master's decision. These people must be removed from this place. What right does a vicious person like them have to attend our assembly? Brother, you should also talk to Ming'er. How could he hang out with such a person? He even wants to give Paramount to her. In my opinion, your son is easily overwhelmed by beauty. We should better get Paramount back before it falls into the hands of outsiders."

Jiu Yuan was a bit hesitant and eventually looked at Jiu Ming with a disapproving gaze.

It seemed that he was also unwilling to let Jiu Ming be with Feng Ruqing.

The entire hall was quiet.

This was no longer about the fight between Fengyun Manor and Qin Fei'er.

But it was about the three major forces, so if anyone of them opened their mouths, they would definitely offend someone.

They had not expected this beautiful girl to have such a bad past.

It was fortunate that they had not been overwhelmed by her beauty. Otherwise, they would be like Master Jiu Ming of Paramount, who had given away his forces and ended up in a mass rebellion.

In the end, the loss outweighed the gain.

Looking around at these mocking gazes, Feng Ruqing squeezed Feng Tianyu and Nalan Yan's shoulders and pulled Feng Chen behind her. She then stepped forward and walked toward the crowd...

### **Chapter 1316: White Lotus Qin Fei'er III**

Nalan Yan resisted the urge and stood in her place, no longer making any move.

Feng Ruqing stopped in her tracks as her indifferent gaze fell on Qin Fei'er. She stared at her for a moment before she returned to her senses. "Oh... You are Qin Fei'er who spied on my state preceptor... And ended up taking drugs that caused your face to age? You look like... You are older than my mother. I couldn't recognize you for a moment."

Qin Fei'er's face changed drastically. She clenched her fists tightly, and even her breathing grew a little heavier.

Zong Fu was startled. His face darkened as he looked at Qin Fei'er.

'Besides Nan Xian... She has also bothered another man?

'I don't understand why Yi'er is so in love with her...'

However, Zong Fu did not say these words out loud. He just looked at Feng Ruqing coldly.

“And the man you are talking about...” Feng Ruqing smiled. “I did fall in love with my state preceptor and abandoned that man, so what? My state preceptor is so handsome, gentle, and strong. There is no chance for you to snatch my state preceptor. You are so ugly, and my state preceptor once said that seeing you will affect his mood and appetite.”

Feng Tianyu was a bit depressed as the words ‘my state preceptor’ kept coming out from Feng Ruqing. He always felt that the cabbage that his family had worked so hard and grew well was humped by a pig named Nan Xian.

“You shut up!” Zong Yi shouted angrily, “As a woman from a noble family, don’t you feel ashamed to talk like that? I see that you’ve even forgotten the reservedness that a woman should have.”

“Well, Qin Fei’er is quite reserved. She has always wanted to sleep with my state preceptor, and the state preceptor is obviously disgusted with her. But, she deadpanned and kept bothering him.”

Puff!

Gu Yiyi was the first to laugh. Her eyes were curved into crescent moons as she laughed out loud. “Xiao Qing is right. Qin Fei’er is really the kind of woman who will take advantage of anyone who has a strong background. She did it to Luo Li, and also Xiao Qing’s man.”

Qin Fei’er’s face grew paler and paler. Her body trembled as she stood alone in the middle of the crowd.

Gu Yiyi did not restrain herself and continued her sarcasm, “Do you still remember how you treated Luo Li back then? She was clearly the one who was bullied, and you were always pretending to be a good person, urging her to be patient and give up everything.

“Mu Huan liked a relic that was left by Luo Li’s mother, but you have forced Luo Li to give it to Mu Huan.

“You always make yours the winning side. Everyone likes you. You make them think that you have a pure heart and that Luo Li is petty, but the truth? Just because the person you like has fallen in love with Xiao Qing, you go around slandering her. What about all the things you once said to Luo Li? Put it on you, and it becomes someone else’s fault?

“Qin Fei’er, you’re so shameless! Now you want to put all the blame on Xiao Qing. Xiao Qing approached the wrong person back then. The man she married was a scumbag who treated her with the utmost humiliation and left her alone in an empty room. Why should she spend her life with that scum?”

Feng Ruqing was silent.

‘Please don’t mention about being alone in an empty room again.

‘Do you think I don’t care about my pride when I’m in the Divine Herbs Sect?’

Gu Yiyi raised her head proudly. “You have always thought that the bastard is following her because he is attracted to Xiao Qing’s beauty. Let me tell you, although I hate that bastard, but... He’s not scum! When he and Xiao Qing fell in love, Xiao Qing was a 250-pound fat woman!”

**Chapter 1317: White Lotus Qin Fei’er IV**

Feng Ruqing was speechless.

'Do you need to nag Qin Fei'er like she is your daughter? Can't we just ignore her?

'And it seems that you're enjoying calling my state preceptor a 'bastard' when he's not around...'

Gu Yiyi was so happy to call Nan Xian a bastard in public. Suddenly, a cool breath made her hair stand on her back. She turned around and saw Feng Ruqing staring hard at her.

'Oh no... Xiao Qing is angry.'

Was it because she had called him 'bastard'?

But, Nan Xian was really a bastard and her rival!

Qin Fei'er was too angry to say a word.

Zong Yi's face also darkened as he stared at Gu Yiyi angrily.

The entire hall was so quiet that the sound of the wind could be heard.

Those people looked at Qin Fei'er in mock shock.

They had believed Qin Fei'er's words just now because Qin Fei'er was Zong Fu's adoptive daughter, and she could not have made any false statements.

And it was the same for Gu Yiyi.

Gu Yiyi was Gu Shi's daughter, and with her status, she would not lie in public.

Therefore...

Compared to Feng Ruqing, this woman Qin Fei'er must be even worse.

"Gu Yiyi!" Zong Yi viciously gritted her teeth. "Don't talk nonsense here. Fei'er is not that kind of person. She is innocent and naive, but that woman..."

He angrily pointed at Feng Ruqing.

"She's the one who has drugged Fei'er and caused her to age. She's the one who's jealous of Fei'er!"

Gu Yiyi sneered. "Jealous of Qin Fei'er? What does Qin Fei'er have for Xiao Qing to be jealous of? Her looks or her background? Or her courage in wanting to sleep with another man?"

Everyone was stunned, and some of them could not help but laugh out loud.

Ridiculous.

Jealous of Qin Fei'er?

Her face was aging now, but her facial features did not change much from before. And even if she had not noticed such a change, her looks still could not compare to the young lady of Fengyun Manor.

Otherwise, there would not have been so many people wanting to marry Feng Ruqing just now.

As for the family background...

Qin Fei'er was a member of the Qin family of Tian Shen Manor, and Feng Ruqing was the young lady of Fengyun Manor.

Initially, with Tian Shen Manor as a backing, Qin Fei'er was indeed from a powerful family. Unfortunately, Tian Shen Manor did not support the Qin family, and the one that Tian Shen Manor protected was... Feng Ruqing...

So, what was there in Qin Fei'er to be jealous of?

Oh, and as for her courage to sleep with someone else's man... Well, someone might be jealous.

If that man was willing to sleep with her, that sort of thing was perfectly natural and nothing to be jealous of.

But...

Since the man had rejected her and she still persistently wanted to sleep with him, such courage was indeed admirable.

Not to mention Feng Ruqing, even these people were a little jealous...

"Get out! All of you get out!" Zong Yi was as furious as a lion. His eyes were red. "As long as I'm here, don't you try to bully her. Get out!"

"Zong Yi!"

Zong Fu's face changed slightly.

It was fine to kick out Fengyun Manor, but Tian Shen Manor...

After all, Tian Shen Manor was one of the three major forces...

He wanted to defeat Tian Shen Manor in everything, but to kick Tian Shen Manor out from this assembly... It was unacceptable... Gu Shi would feel embarrassed, and with his character, he would definitely do something in retaliation.

This would cause a cold war between the two forces. If they started to fight, Deities Gate would only sit back and reap the benefits from the war...

### **Chapter 1318: Nalan Yan? That's a Familiar Name I**

Zong Yi did not care so much as he only knew that his beloved woman was bullied. He would not allow these people who had bullied Fei'er to set their feet on his territory.

"Father, this is our Divine Herbs Sect. Why should we let these people run amok here? They didn't respect our Divine Herbs Sect, so why should we care about their pride? Remove them immediately!"

Zong Fu's face darkened. He looked at Zong Yi, but in the end, he did not continue to stop him.

However, his gaze toward Gu Shi was not as fierce as it was before. “Gu Shi, we have been friends for many years. You wouldn’t be an enemy of my Divine Herbs Sect just for Fengyun Manor, would you?”

Gu Shi laughed. “So what if it’s the Divine Herbs Sect? I am a man with a clear conscience! I don’t care if you’re the Divine Herbs Sect or Ghost Herbs Sect, I’ll defend anyone that I want to protect today.”

Feng Ruqing did not utter a single word from beginning to end. A faint smile appeared on her beautiful face.

Jiu Ming was also indifferent. He stood beside Feng Ruqing and smiled evilly.

Since someone had stood up to defend this little girl, then he would not interfere... But if Gu Shi could not settle this thing, he would protect this girl till the end.

But... It seemed like this girl had become so strong that she no longer needed protection from others.

Suddenly, the scene of their first encounter came up in Jiu Ming’s mind.

At that time, Feng Ruqing was still a big fatty, and she was so weak. But in just three years, she had already grown to such an extent...

“Gu Shi!”

Zong Fu did not expect Gu Shi to protect Feng Ruqing at such a time. He was so furious as he had already given Gu Shi a chance to step down, but Gu Shi was so stubborn.

‘So, don’t blame me for embarrassing you here’.

Zong Fu looked at the people of Deities Gate on the sidelines.

If he wanted to make a move against Tian Shen Manor, he must pull the people from Deities Gate to his side so that Deities Gate would not only sit back and reap the benefits from their conflict!

Gu Shi remained calm. He did not feel threatened by Zong Fu’s words.

It was as if in his eyes, Zong Fu who was standing in front of him was only a joke.

“Hehe...” Jiu Yue stood up and smiled coldly. “It seems that Tian Shen Manor is going to fight us to defend a little girl. Could it be that you’re also bewitched by this girl and want to find a stepmother for your daughter?”

With his words, he had not only humiliated Feng Ruqing, but also Gu Shi.

Gu Shi’s wife died a long time ago, and he had not married again since then. Besides her daughter, he had never had any contact with other women, so now that he was defending Feng Ruqing to this extent... Did it mean to find a stepmother for Gu Yiyi?

“Master Gu...” Before Gu Shi could continue speaking, Nalan Yan waved her sleeves, smiled, and stepped forward. “This matter is related to our Fengyun Manor. I don’t want to bother Master Gu.”

Gu Shi smiled calmly. “My daughter likes Little Xiao Qing, and I’ve treated Little Xiao Qing as my daughter. I don’t feel this to be troublesome.”

Gu Shi emphasized that he was protecting Feng Ruqing only because Gu Yiyi liked her.

It had also indirectly proved that Feng Ruqing was innocent.

Jiu Yue became more and more embarrassed. 'It seems like Gu Shi is confused. Even at a time like this, he still wants to defend that girl.'

### **Chapter 1319: Nalan Yan? That's a Familiar Name II**

Gu Shi was just like that idiot, Jiu Ming!

Tian Shen Manor would be destroyed by Gu Shi sooner or later!

"Today, I want an answer from Gu Shi whether you choose Fengyun Manor or Deities Gate and the Divine Herbs Sect!"

Jiu Yue stood up. His voice was so loud that it shook the entire hall.

The crowd was startled.

Two major forces were forcing Tian Shen Manor to make a choice.

If Tian Shen Manor chose Fengyun Manor, Gu Shi would be an enemy of the two major forces, and he might not be able to live well in the future...

Initially, Tian Shen Manor was already suffering from serious internal affairs, and now there was a threat from outside. If this continued, Tian Shen Manor was not far from destruction...

However, the crowd did not dare to speak up in this situation, they only stood in the corner, shivering. They were afraid of accidentally offending any of the masters.

Among the three major forces, Tian Shen Manor was the only one that they looked down on the most!

"Gu Shi doesn't need to give you an answer." Feng Tianyu's voice was slightly deep. "Because Master Gu's answer is irrelevant here. Fengyun Manor is not interested in staying in this place, but you have insulted my daughter, so you have to pay for it!"

Suddenly, a fierce storm emerged, and the entire hall was filled with a violent wind.

Feng Tianyu and Nalan Yan stood beneath the storm. Their energy was colder and harsher than the storm.

"Little Qing'er..." Jiu Ming smiled evilly and said, "Aren't you going to help?"

"No need..." Feng Ruqing smiled. "I also want to know how powerful my father and mother are now."

Nalan Yan was naturally strong. She had remained powerful even after the many years of confinement.

Recently, Feng Tianyu had received an inheritance, causing his strength to advance by leaps and bounds...

Since they were able to come forward now, it proved that their strength was not what it used to be.

Of course, Feng Ruqing also believed that even if they did not have the kind of powerful strength they had today, they would definitely stand up to defend her.

But their confidence had convinced Feng Ruqing that they were powerful enough to fight with them!

Boom!

The storm surged up violently and filled the entire hall.

All the chairs flew up in the sky, instantly crashing into the people of the Divine Herbs Sect.

Everyone in the assembly hall was stunned.

Today's war was inevitable, but what they had not expected was that the one who would make the first move... would be Fengyun Manor!

'Fengyun Manor really has the nerve to attack the Divine Herbs Sect! Do you think that you're invincible and that no one can match you?'

No matter how fast new forces developed, it was just a start-up.

Like a new talent, no matter how strong he was, how could he compare himself to an old master who had lived for a hundred years?

What if...?

If Fengyun Manor could swallow their anger, they could turn over a new leaf in the future.

Unfortunately... The people of Fengyun Manor were still too reckless after all.

Everyone shook their heads disapprovingly as they thought about a rising force about to fall into history.

It was a pity, and everyone was a little heartbroken...

Faced with everyone's disappointment, Zong Fu's unconcerned expression was suddenly filled with a hint of caution as he sensed the powerful energy coming from Feng Tianyu and Nalan Yan.

Boom!

The storm that carried monstrous forces was headed toward Zong Fu. His face sank a little as he hurriedly blocked it with his sleeves.

A loud bang echoed, and he was pushed backward. The storm had disappeared at his block as if it had never existed.

The crowd laughed sarcastically.

### **Chapter 1320: Nalan Yan? That's a Familiar Name III**

The crowd seemed to know what was coming. Fengyun Manor... How could it compare to the Divine Herbs Sect?

Feng Tianyu... Did he have the ability to defeat them?

However, no one noticed Zong Fu's face, nor did they see his trembling arms. They only knew that Fengyun Manor had failed.

Other than Gu Shi and that old master from Deities Gate, no one could rival Zong Fu.

"Father, what are you waiting for?" Zong Yi turned his head, feeling confused. "Get rid of these people immediately..."

Zong Fu was furious. "You shut up!"

It was the first time he had ever snapped at Zong Yi harshly, leaving Zong Yi stunned, as if he still did not know why his father was so angry.

Zong Fu's entire body was shaking.

This man who was known in the world as someone who relied on women... Was actually stronger than him.

'This is impossible... Impossible!'

He was just an old guy who was relying on Fengyun Manor Master! A man with no power of his own!

Indeed. Everyone in the world said that Fengyun Manor Master's husband was nothing more than an old guy who had no power and relied on his wife. No one knew how he had won the heart of Fengyun Manor Master and had her bear children for him!

This was the first time Zong Fu had fought against Feng Tianyu.

All he knew was that Feng Tianyu was weaker than him!

Initially, he had thought that he could defeat Gu Shi with Deities Gate's support, but who knew that Feng Tianyu would attack him first!

Deities Gate had Jiu Yue and his brother, and that old immortal Gu Shi had no one. Otherwise, he would not have been so passive!

Zong Fu's eyes narrowed. If Feng Tianyu and Gu Shi joined forces, did he have any chance of winning?

And there was also Fengyun Manor Master, Nalan Yan...

'Feng Tianyu's strength is above Holy Warrior tier, what about Nalan Yan? Is she also a Holy Warrior?'

'Wait a minute...'

'Nalan Yan? Why is that name so familiar?' It was like he had heard it somewhere and had forgotten it for a moment...

He looked at Feng Tianyu, then turned to Nalan Yan, and his gaze finally met Gu Shi's face.

'This bastard must have been aware of the power of these people of Fengyun Manor. That's why he chooses to defend them.'

Hehe... Zong Fu never thought that Gu Shi was such a scheming dog!

“Manor Master Nalan, Maiden Feng...” Zong Fu smiled. “It takes a fight for people to get to know each other well. When I fought with Master Feng just now, it suddenly made me appreciate you more, so why don’t we sit down and have a drink until dawn!”

The crowd was speechless.

‘What’s going on here?’

‘The fight between them just made them friends?’

‘Appreciate?’

‘And you’re going to drink together until dawn?’

‘What about the fight? Tear each other apart!’

‘That’s it? Nothing else?’

Not to mention the others, even Feng Tianyu was stunned.

‘Zong Fu is out of his mind, right?’

‘It takes a fight for people to get to know each other well?’

Hehe!

The Divine Herbs Sect had bullied people and humiliated his daughter. Did Zong Fu think that Feng Tianyu could easily let him go? Was Zong Fu delusional?

“Father?” Zong Yi turned his head stiffly. He was a little puzzled, startled and shocked. “What do you mean?”

Zong Fu ignored Zong Yi this time. He smiled stiffly. “As the saying goes, heroes respect heroes. Initially, I was upset with Fengyun Manor. If it wasn’t for them, there wouldn’t have been so many fights. But... I am impressed with Master Feng in this battle. He is a hero, and I respect him!”
