

Overbearing 1511

Chapter 1511: Lianyi's Hatred VIII

"Maiden..."

A servant stood behind Lianyi, somewhat dissatisfied. "Master is also a member of the general's family, why is he speaking for another woman?"

"Enough!" Lianyi's face was pale, and her voice was cold. "General has always been fair, and Brother Feng is only doing it for the general manor's reputation. After all, I was at fault for this matter, so I should have gone to apologize."

The servant looked dissatisfied, clearly feeling aggrieved on Lianyi's behalf.

'Everyone else will protect their own family members, but in the general manor... Master still chooses to protect an outsider.'

"And don't you dare to say anything in front of Brother Feng. He will be angry." Lianyi raised her eyes, expressionlessly. "I live in the general's manor, but General and I... After all, we're not Master and disciple. The only ones who can really make decisions in this manor are the general and Brother Feng."

She meant nothing...

"Maiden, General usually treats you extremely well. Even if he didn't take you as a disciple, he still treats you as a family member. And people knew you as the young lady of General Manor."

Who did not know that the general really liked little girls? He liked the Helian family's Helian Yue and Lianyi.

There were no other young ladies in the general manor... Maiden Lianyi was the only one!

"But I'm not his relative after all..." Lianyi smiled bitterly and shook her head. "Besides, even if his own granddaughter made a mistake, he would not show mercy, let alone me. Forget it. So what if I accepted the loss? I'll do it as long as... I can remain in the general manor."

The servant twisted her handkerchief tighter. She wanted to convince Lianyi but did not know how to begin.

"Moreover, that woman... Is so beautiful. Otherwise, Brother Feng wouldn't have spoken up for her... And her husband... Wouldn't have just stood by, watching her hook up with everyone and still did not abandon her..." Lianyi said faintly as she started to leave.

The servant was unaware with a smile on Lianyi's face as she walked past her.

The servant was somewhat stunned, and she did not feel sympathy for Lianyi.

'No wonder Master Lianqing is so helpful to that girl, she's really too foxy, and Master Lianqing is smitten with her.'

The moment the servant was about to turn around, a voice suddenly came from behind her, causing her to stop abruptly.

“Hey, you! Stop!”

The maid trembled in fear as she turned back and saw Helian Yue was heading in her direction.

The young girl looked cute and lovely; only the arrogant frown between her eyebrows spoiled this delicate appearance.

Xiao Xiao followed closely behind Helian Yue.

“Young Lady Helian...” The servant hurriedly bowed respectfully.

Helian Yue raised her eyebrows. “Have you seen Brother Lianqing?”

The servant was stunned with Helian Yue’s words, and a flash of light flashed through her eyes.

In Wu Shang City, the only person the general condoned was Helian Yue.

No matter how much trouble Helian Yue had caused, the general had never driven her out.

In comparison, Lianyi, who had followed the general since childhood... Had never received such treatment.

Suddenly, the servant gritted her teeth as she thought of Lianyi’s heartbroken face just now. “Young Lady Helian, Master has just left.”

Chapter 1512: Lianyi’s Hatred IX

“Brother Lianqing has left...” Helian Yue’s eyes flashed with confusion. “Where did he go?”

“This...”

The servant bit her lip, hesitating.

She was timid as if there were some things she did not dare to say.

Suddenly, Helian Yue’s heart thudded. “Tell me quickly, where did my Brother Lianqing go? Did he go find demonic sluts out there?”

The servant panicked. “No, no! No matter how others try to tempt Master, he will never fall for them.”

Initially, Helian Yue should have been proud of herself after hearing these words. But somehow, when she saw the servant panicking, her heart sank a little.

“Someone has seduced Brother Lianqing, right? Who’s that b*tch? Is that b*tch from the Zhuge family, or that deluded old woman from the Nangong family?”

The servant quickly kowtowed.

“Young Lady Helian, please spare me. I don’t dare to say it.”

Helian Yue looked down at the servant kowtowing in front of her with anger on her delicate small face.

“Tell me who has seduced my Brother Lianqing? I’ll kill her!”

"It's..." The servant looked up shakily. "A married woman."

'A married woman?

'Is she the same old b*tch like the one from the Nangong family?'

Helian Yue gritted her teeth viciously. She was mourning alone these days and did not come to see Feng Lianqing when he came back.

Who knew when she was not around, another old woman had tried to hook up with her Brother Lianqing?

"Where's that shameless b*tch? You're already married, and you're still hitting on Brother Lianqing." Helian Yue snorted. "And what about my Brother Lianqing, has he accepted that woman?"

The servant was a little afraid to look into Helian Yue's eyes and lowered her head again.

"Master Lianqing... Fought with Maiden Lianyi because of that woman."

Helian Yue's face was slightly pale. 'Brother Lianqing and Lianyi fought?'

Well, she did not like Lianyi, and there had been a time when someone from the general manor wanted to arrange a marriage between Brother Lianqing and Lianyi.

However...

They were childhood sweethearts.

Every time Brother Lianqing fought with Lianyi, she would stand on the side, clapping her hands happily. But now Brother Lianqing was arguing with her over another woman. Helian Yue had mixed feelings about it.

"He and Lianyi are quarreling over that woman?"

"Yes, Young Lady Helian." The servant smirked. She always kept her head down so that no one could see her expression. "Maiden Lianyi is a woman of integrity. She can't bear to see such a married woman still hitting on other men. Moreover, Maiden Lianyi clearly knows that only Young Lady Helian deserves to be with Master Lianqing. How could she let other women seduce him."

"Seriously?"

Helian Yue felt a little skeptical.

'Doesn't that little bitch Lianyi always feel dissatisfied with me because Grandfather Tian Ya keeps backing me up? How can she have accepted me to become Brother Lianqing's wife?'

Unbelievable!

"Yes, it's true." The servant finally dared to look into Helian Yue's eyes and said, "Young Lady Helian, what I've said is true. That woman is so shameless. She already has a husband, but she is still seducing other men, and now even Master Lianqing has been bewitched by her. What if... She really used her charms to trick Master Lianqing, and Master does not even realize that..."

Helian Yue's face changed dramatically. Whenever she thought of Feng Lianqing marrying another woman, she felt like a thousand thorns piercing at and tearing her heart. It was so uncomfortable...

Chapter 1513: Lianyi's Hatred X

'No way!'

There was no way she could watch Brother Lianqing marry someone else, especially a married woman!

"Young Lady Helian, think about it. Master has even fought with Maiden Lianyi over that woman. How long can Master be rational before he loses his mind because of that woman?" The servant clenched her fists tightly.

'What Maiden Lianyi said must be true. That woman has bewitched Master, and that's why Master is so helpful to her.

'He had even asked Maiden Lianyi to apologize to her.

'A person of unknown background... What rights does she have to make Maiden Lianyi apologize to her?

'Maiden Lianyi is from the general manor. No one can treat her like that!'

Helian Yue gritted her teeth. "Where's that b*tch? I'm going to find her now!"

"Wu Shang Inn."

The servant sneered.

"Xiao Xiao, let's go. I'm going to meet that vixen who wants to seduce Brother Lianqing now."

Helian Yue snorted. She turned around and walked out of the courtyard.

She did not even notice that the moment she turned away, not far away, a figure slowly appeared from behind the big rock.

Lianyi looked at the departing Helian Yue calmly and sneered. "Helian Yue has grown up but is still as stupid as before. Wouldn't it be too wasteful... If we don't take advantage of such a person?"

After she saw that Helian Yue had disappeared, she came out from her hiding spot behind the rock.

"Maiden Lianyi?"

The servant turned her head and saw Lianyi walking over. She panicked and hurriedly kowtowed.

"What are you doing?" Lianyi asked, confused.

The servant bit her lips. "I've just told Helian Yue about the woman who has seduced Master."

Lianyi was startled. "All people in Wu Shan City are already aware of Helian Yue's behavior. If you tell her about that, in case she causes trouble, Brother Feng will definitely be furious! By then, wouldn't it even cause Helian Yue to lose her place in his heart?"

Hearing these words, the servant was somewhat disdainful. "Maiden, Helian Yue is no match for Master. Even without that married woman, Master still won't accept her."

“But have you ever thought that if Brother Feng knew about this, he would definitely blame us.” Lianyi looked at the servant disappointedly. “If it weren’t for us, Helian Yue wouldn’t have gone causing trouble for that woman.”

The servant gritted her teeth. “Maiden Lianyi, don’t worry. Maiden Lianyi has saved my life back then. If Master asked about this, I’ll take the blame, and I’ll make sure this matter has nothing to do with Maiden Lianyi.”

‘Moreover, Maiden Lianyi didn’t know about this matter. It was my own decision...’

“You...” Lianyi pointed at the servant and sighed heavily. “You must remember not to do that again in the future. If Brother Feng is angry, I will plead for you.”

The servant did not say any more. Lianyi looked at the servant for a moment before she turned around and left.

The servant stared at Lianyi gratefully. ‘Maiden Lianyi is so kind. I’ve done such things, but Maiden Lianyi is still willing to plead for me...’

‘I don’t understand why Master would treat Maiden Lianyi like this for an outsider...’

Wu Shang Inn.

The noisy inn suddenly became quiet after a figure hurriedly rushed in.

Everyone was stunned as their eyes were fixed on the furious woman.

They had even subconsciously moved to the side, afraid that standing in the way would cause harm to themselves.

Chapter 1514: Lianyi’s Hatred XI

“What is the Helian family’s member doing here?”

“I’m not sure. I guess she is searching for somebody. Helian Yue seems to have been quiet for a few days, but now she has started to cause trouble again. It’s better if we just hide here. The general pampers her, so she fears nothing.”

The guest room was on the second floor.

Helian Yue was so furious that she quickly rushed upstairs to find that woman. But suddenly, she stopped in her tracks. She seemed to have fallen into deep thought.

She left so fast that... She forgot to ask the woman’s name.

After thinking about it, she simply grabbed a waiter and asked, “Let me ask you, has a woman been staying at the inn recently?”

The waiter was stunned, and when he saw who was holding him back, his face was pale and scared.

"I... I'm not sure..."

Helian Yue glared at the waiter.

Fortunately, Xiao Xiao was quicker to react and quickly asked him, "Then, tell me if Master Lianqing has come to your inn to look for someone?"

Feng Lianqing was the master of the general manor and the God of War of Wu Shang City.

Therefore, lots of people knew him.

Even though Feng Ruqing was sitting in a corner, Feng Lianqing would attract countless people's attention as soon as he appeared.

"Yes, he came here just now." The waiter was silent for a moment and said honestly, "But the woman he came to see is not a woman, it's a couple, and that woman is very young."

Helian Yue's face stiffened slightly.

'The servant from the general manor was telling the truth. Brother Lianqing really does have a girl he liked...'

"Oh, so you are the young lady from the Helian family."

The sound of the snort-laugh came from the side, and when Helian Yue turned around, she saw a man dressed in cotton robes, slowly walking toward her.

The man had a smile on his lips, and he seemed somewhat interested in Helian Yue who standing in front of him.

"Are you here to cause trouble to another girl again?" The man laughed. "Helian Yue, I think you should stop chasing after Feng Lianqing. How about you become my concubine?"

Helian Yue snorted, "What's it to do with you if I'm pursuing Brother Lianqing? I'm not interested in being someone's concubine."

"Helian Yue, you're so foolish and only have a beautiful face. Do you think you're qualified to become my wife?" The man sneered. "Only a smart and well-mannered woman deserves to be my wife, not something that a reckless little girl like you can do."

Helian Yue did not say anything, she gazed fiercely at the young man.

The young man lifted Helian Yue's chin with the fan in his hand. "Isn't it because you have Tian Ya who always backs you up that you dare to be so arrogant... But this Wu Shang City is my Qi family's territory after all, and Tian Ya is just our Qi family's watchdog! Helian Yue, if you know what you're doing..."

Bang!

Helian Yue raised her foot and stepped on the young man's foot.

"You can only dream!"

She would rather pursue Brother Lianqing for the rest of her life than to be his concubine.

She loved Feng Lianqing and nothing else. She did not care about his status either.

Whether he was Grandfather Tian Ya's disciple or just an ordinary commoner...

She just liked him as he was...

"Shit!"

The young man was so furious that he fiercely raised his foot and kicked Helian Yue's chest.

"Young Lady!"

Xiao Xiao screamed, worriedly.

Everyone on the ground floor looked up and saw the young man had kicked Helian Yue, sending her flying down...

Chapter 1515: Lianyi's Hatred XII

At this moment, the inn's main hall fell so quiet one could hear a pin drop.

As soon as Feng Ruqing and Nan Xian walked in from outside the hall, she sensed that something was wrong.

She followed the direction of others' gaze and immediately saw a familiar figure falling from the second floor and almost landing on top of her.

Feng Ruqing instinctively pulled the young girl into her arms...

Nan Xian was stunned. His expression changed slightly.

'It seems like Qing'er needs to break these habits and stop pitying other women.'

Having Gu Yiyi was enough; she could not have another woman by her side.

She could not even control herself, what if these women... Clung to her again, just like Gu Yiyi?

The entire inn was in a deafening silence! The young girl dressed in red was stunningly beautiful. Her beauty was breathtaking, mesmerizing... Because of her beauty, people did not even notice her pregnant belly...

She lifted Helian Yue with one of her hands, deliberately keeping her at a distance.

The scene was quite mesmerizing!

The crowd did not know why, but they actually felt that it was wonderful to see these two women together, and it strangely touched their hearts.

Helian Yue slowly opened her eyes and saw a beautiful stunning face looking at her.

"You..."

Before she could say a word, the girl had already let go of her hand. She then fell onto the floor in a heap.

“Sorry...”

Feng Ruqing crouched down, apologizing.

“No, it’s alright...” Helian Yue looked at her in a daze.

Feng Ruqing had saved her again...

“It was just a spontaneous reaction, and I’ve always been like that,” Feng Ruqing said, feeling guilty. “So I have accidentally caught you... But fortunately, I’ve dropped you again after regaining my senses.”

Helian Yue was speechless.

“Oh, were you practicing flying just now?”

‘Practising flying? What nonsense?’

Helian Yue’s face darkened.

Someone had clearly kicked her down!

“Qing’er...” Nan Xian pulled Feng Ruqing into his arms. He glanced at Helian Yue coldly before turned back to Feng Ruqing and said, “You must change this habit.”

“Why?” Feng Ruqing looked at Nan Xian, somewhat confused.

“Because...” Nan Xian smiled faintly and said seriously. “You are better than many men. These girls might secretly fall in love with you, and that will affect their marriage prospects...”

“I see...”

Feng Ruqing blinked and nodded. “Alright, next time, if anyone flies over me, I’ll just kick her away.”

Helian Yue patted her chest. She felt like a sword had penetrated her heart, and it was so cold...

‘This guy is so mean! Is he a human? He’s so sick!’

“Young Lady...”

Xiao Xiao cried as she rushed down. “Young Lady, are you alright? Does it hurt?”

“I’m fine.” Helian Yue patted down her dress and stood up from the floor. She then looked at the man upstairs coldly. “Fourth Prince, even though you are a prince, you are no match for Brother Lianqing! I’d rather become a servant girl for Brother Lianqing than stay by your side as your concubine.”

The fourth prince ignored Helian Yue as his eyes were fixed upon Feng Ruqing.

There were so many beautiful girls in Wu Shang City, but he had never seen a girl... Who was as beautiful as her.

Chapter 1516: Lianyi’s Hatred XIII

However...

Fourth Prince was so disappointed as he saw Feng Ruqing's pregnant belly.

'What a pity... Such a beautiful girl has been ruined by a man.'

He liked beauties, but he did not like married women.

This girl had the scent of another man on her body and was pregnant with his child. She was not his taste...

He liked a girl who was pure and had not been tainted by any man yet.

"Helian Yue..." Fourth Prince looked at Helian Yue again and sneered. "I want to make you a concubine because I adored you. There is nothing that I can't get in this world. But now I'm not interested in you anymore."

This woman had rejected him over and over again and embarrassed him in public. People would call him crazy if he still wanted her as a concubine.

There were so many women in this world who wanted to sleep with him, and they were much more beautiful than Helian Yue.

What else did Helian Yue have other than her look?

Helian Yue's small face turned red as she glared at Fourth Prince angrily. "When Grandfather Tian Ya returns, I'll tell him about this!"

'Tian Ya!'

These two words inexplicably made Feng Ruqing's heart tremble. She then subconsciously held Helian Yue's hand. "Who did you just say?"

'Tian Ya?'

Was he the same Tian Ya she was looking for?

Helian Yue was stunned and looked at Feng Ruqing suspiciously. "Xiao Qing, what... What happened to you?"

"Nothing... That Tian Ya you were talking about..."

"Oh, he's my Brother Lianqing's master."

'Wait...'

'Lianqing?'

'Feng Lianqing?'

'Tian Ya is Feng Lianqing's master?'

Feng Ruqing slowly closed her eyes, her heart trembling.

If Tian Ya's family name is also Feng, then is he really Feng Wuhui...

"Xiao Qing..."

Nan Xian held Feng Ruqing's hand.

The warmth of the man's palm had gradually calmed her heart.

She could not ask too much about Tian Ya yet.

She was not sure if Tian Ya was really Feng Wuhui, and even if it was confirmed, how could he believe that she was Feng Tianwu's daughter after Tian Ya had been away for so many years?

After all, when Tian Ya left back then, her father had not been married, and she had not been born yet.

"I'm fine."

Feng Ruqing opened her eyes. It seemed that she had come to the right place, Wu Shang City!

"You go on and leave me alone."

"Oh..."

Helian Yue was a bit dumbfounded. By the time she turned back to continue arguing with Forth Prince, he had already walked down the stairs. He stopped in front of Helian Yue and sneered.

"Go and tell Tian Ya... Why should I be afraid of him?"

As soon as he finished speaking, he pushed Helian Yue down hard and walked toward the door.

Helian Yue's small face was filled with anger. "Are all people in the palace so arrogant?"

Xiao Xiao felt so awkward.

'Young Lady, you're pretty much the same as them...'

"Young Lady, have you forgotten why we're here?" Xiao Xiao whispered, reminding her.

"Oh, that's right..." Helian Yue suddenly went to the waiter and picked up his lapel fiercely. "Tell me quickly, where is the woman who seduced my Brother Lianqing?"

The waiter was startled and looked at Feng Ruqing.

Helian Yue snorted, "Why are you looking at Xiao Qing? Where the hell is that old woman? A woman who already has a husband but is still seducing other men. I won't let her near my Brother Lianqing."

Chapter 1517: Helian Yue's Protection I

The waiter subconsciously swallowed his saliva. His body trembled nonstop as he carefully said, "But... But the one that Master Lianqing met just now was this maiden."

Helian Yue was dumbfounded and said furiously, "Nonsense! Xiao Qing is so young and beautiful, how could she be the woman described by those people in the general manor?"

“But... But Master Lianqing really came to see them, and Master Lianqing has been kicked out from here...”

Helian Yue was stunned. She turned her head stiffly, and her big bright eyes were blank.

“Xiao Qing, you know Brother Lianqing?”

“Mhmm...” Feng Ruqing nodded.

“Oh...” Helian Yue was silent for a moment and then asked, “Then, do you know who is the woman that all people in the general manor are talking about?”

Either way, she knew that that person could not be Feng Ruqing.

If... If it really was her... Then... That would be too hard to accept.

Helian Yue bit her lip. She did not have any friends in her life, much less anyone to help her when she needed them.

Feng Ruqing was the only friend that she had even if she were not really sincere in saving her!

‘But Xiao Qing is already married to this man... And he’s not bad. If it’s really her, Brother Lianqing will be heartbroken.’

Feng Ruqing paused, “It was... Me...”

The entire inn was quiet again.

Everyone’s gazes all fell on Feng Ruqing and Helian Yue.

It was a well-known fact that Helian Yue was overbearing and very possessive.

She even fought with her own cousin for Feng Lianqing, not to mention an outsider.

When Feng Ruqing said that, the crowd could already imagine that Helian Yue would surely become furious and even fight with her on the spot.

Helian Yue remained silent for a long time.

Just when the crowd thought she would not speak again, the young girl suddenly spoke.

“Oh, those people in the general manor... Have a problem with their eyes.”

Her unexpected response had ruined the rigorous atmosphere of that moment.

Everyone was stunned as no one had ever thought that Helian Yue would still be so calm.

“Why?” Feng Ruqing raised her eyebrows and asked.

Helian Yue bit her lip. “You’re still a young girl even though you are married. She said you are a married woman, and I thought you were an old lady. Xiao Qing, Brother Lianqing, rarely goes to meet a girl. Even though I’m so close to him, he has never taken the initiative to look for me first. I am afraid that Brother Lianqing is really interested in you...”

This time, she was not afraid that Feng Lianqing would really fall in love with Feng Ruqing.

After all, the one standing in front of her was a person who had saved her life.

But she was afraid that... The man she loved the most would be hurt.

Feng Ruqing could sense Nan Xian's cold aura and hurriedly said, "I think you've misunderstood."

"What?" Helian Yue looked at Feng Ruqing, confused.

"Feng Lianqing came to see me apologize."

'Apologize?'

Helian Yue became more and more confused.

'Why did Brother Lianqing apologize to Feng Ruqing?'

"Did Brother Lianqing hurt you?" She bit her lip and asked.

If Brother Lianqing had really hurt Xiao Qing, then who should she help then?

It was such a mess!

"It's not him. It's Lianyi..." Feng Ruqing smiled faintly. "She tried to kill me, and Feng Lianqing came to apologize on her behalf!"

Helian Yue was startled. Her gaze grew serious.

Chapter 1518: Helian Yue's Protection II

"Feng Lianyi wanted to kill you?"

'Feng Lianyi?'

Feng Ruqing raised her eyebrows; it turned out that her family name was also Feng. All this time, Feng Ruqing only knew that her name was Lianyi.

"Yes, she set me up."

Feng Ruqing's words had instantly caused Helian Yue to burn with rage.

'How dare that little b*tch, Feng Lianyi, trying to kill my savior!'

"Young Lady..." Xiao Xiao carefully pulled Helian Yue's sleeve. "That little servant from the general manor just now... It seems like she was Lianyi's servant."

Helian Yue's expression changed dramatically.

If that little servant was one of Feng Lianyi's people, that meant... Feng Lianyi was using her!

"B*tch, how dare you use me!"

Helian Yue looked even more furious.

Fortunately, she and Feng Ruqing were already acquainted, but what if they had not known each other?

She might have fallen for her tricks and mistakenly harm an innocent person. Then, Brother Lianqing would definitely scold her.

It was truly a good plan to kill two birds with one stone!

Of course, in Helian Yue's heart, there was never a distinction between guilt and innocence. Her attitude depended on the person in front of her, and the outcome would have been different too...

"Xiao Xiao, let's go find Brother Lianqing. I have to tell him about this and let him know what kind of snake Feng Lianyi is!"

Helian Yue stormed out of the inn as soon as she finished speaking, leaving a silent crowd behind.

Feng Ruqing exhaled slowly. "She's finally left."

"Qing'er..." Nan Xian lifted his hand and pulled Feng Ruqing into his arms. He then touched her head and said gently, "Let's move somewhere else, shall we?"

Feng Ruqing nodded. "I have thought of the same thing. There is always someone disturbing us. Let's go; let's move somewhere else."

'First, it was Feng Lianqing, then it was the empress, and now even Helian Yue has come...

'I can't live in this inn anymore!'

Outside General Manor.

Feng Lianqing was just about to step into the manor when a voice suddenly came from the side, causing him to stop in his tracks.

"Brother Lianqing!"

Feng Lianqing frowned. When he turned back, he saw Helian Yue anxiously headed toward him.

She had obviously run over, somewhat out of breath, looking panicked.

Facing Helian Yue, Feng Lianqing still gave her some respect and did not directly leave. He pursed his thin lips and asked, "Young Lady Helian, what brings you here? Why do you look so anxious?"

Helian Yue was startled, looking a bit aggravated.

"Why are you distancing yourself from me?"

"Master has said that if you don't like someone, you can't give any hope to that person. Young Lady Helian, I don't have any feelings for you, so you don't need to waste your time with me."

He had never been an indecisive person.

He was very clear with his feelings... If he did not like somebody, he would firmly reject her. He would not give her any hope or make her fall deeper in love with him.

“I came to find you this time because of Feng Lianyi...” Helian Yue thought of the purpose of this visit. She bit her lip, trying not to be sad. “Brother Feng, do you know what kind of person Feng Lianyi is?”

Feng Lianqing was slightly stunned. He did not understand what Helian Yue meant by this...

“When I went to look for you just now, her servant told me that a woman named Feng Ruqing had seduced you.”

Chapter 1519: Helian Yue’s Protection III

Feng Lianqing was shocked, and he hurriedly held Helian Yue’s shoulder. “Did you fight with her?”

Helian Yue looked at Feng Lianqing and shook her head sadly.

“No, I won’t cause any trouble for her. I know Feng Lianyi wants to use me against her. Brother Lianqing, do you think someone like Feng Lianyi must stay in the general manor?”

Feng Lianqing’s eyes were slightly sunken as he grabbed Helian Yue’s hand and said, “Come with me.”

Helian Yue lowered her eyes to the hand that was being pulled by Feng Lianqing. She pursed her pink lips slightly and followed him in.

From afar, she could hear a harsh scolding sound in front of her.

Helian Yue’s eyes turned cold.

The sky in the general manor was blue, and in the back garden, a servant was kneeling on the ground. Her face soaked with tears as she begged for mercy.

“Maiden Lianyi, I was wrong. I will never dare to do it again. Please let me go.”

Feng Lianyi stood in front of the servant. She looked angry, and her beautiful eyes were filled with disappointment.

“I’ve always treated you nicely and have taught you well. Why did you do such a thing? Why?”

The servant kowtowed. “Maiden Lianyi, I know I was wrong. I beg you to spare my life. I will never dare to speak nonsense again.”

Feng Lianyi slapped the servant angrily, and as she turned her head, she saw Feng Lianqing and Helian Yue approaching them together.

“Big Brother Feng, you’re just in time. I have really crossed the line. She talked nonsense in front of Sister Helian and framed Maiden Feng. Luckily, I found out about it. Sister Helian, you haven’t gone to find Maiden Feng yet, right?”

Feng Lianyi asked with a smile.

Fortunately, she had sent someone to follow Helian Yue, and only then did Feng Lianyi know about what had happened at the inn. She had managed to control this situation now. If Feng Lianqing knew about it first, he would never agree to help her again.

"It was you who framed Xiao Qing!" Helian Yue glared at her.

Feng Lianyi was shocked. "Why would I do that? I've already done her wrong, so why should I accuse her? Brother Feng, I really didn't know anything about it. It was all her fault."

The little servant kowtowed hard. Her forehead was bleeding, and her eyes were filled with tears.

"Master, this is all my fault. It has nothing to do with Maiden Lianyi, she knows nothing. I couldn't watch Master Lianqing protect an outsider that much. So, I took it out on her."

'It was indeed my plan, and Maiden Lianyi was completely unaware of it.'

Lianyi was so good to her, so she could not let Lianyi take the blame for it.

"Brother Lianqing!" Helian Yue turned to Feng Lianqing. "She's the one who wants to harm Xiao Qing. Xiao Qing said that Lianyi had set her up! You must drive her out from General Manor; otherwise, how can I face Xiao Qing in the future?"

Xiao Qing had first saved her from the spirit beasts and later saved her from those families' siege.

And today...

She had pulled her away from trouble in time.

Even though in the end, she threw her onto the floor miserably...

But she owed Feng Ruqing her life, and if she could not seek justice for her, how could she face her in the future?

Feng Lianqing squinted as he looked at Lianyi. "Is it true that you have nothing to do with this matter?"

Chapter 1520: Helian Yue's Protection IV

Feng Lianyi trembled as she could sense doubt in Feng Lianqing's tone. She clenched her fists hard and smiled bitterly. "I know you won't believe me. But I, Feng Lianyi, will do what I say. If I really did it, I will admit it, and I've proved that before."

Feng Lianqing did not say anything and looked at Feng Lianyi coldly.

His eyes no longer had the kindness they used to have; instead, they were cold.

"Brother Feng, it's fine. You wouldn't believe me anyway." Feng Lianyi smiled and stepped forward.

"You can punish me as you wish, expel me as well! I just wanted to say one more thing in self-defense."

She paused for a moment and said, "If I really did it, why did I punish this servant after discovering it? I can wait until you find it to prove it. Moreover, I've just sent someone to stop Sister Helian."

Feng Lianqing seemed not to believe Feng Lianyi. Suddenly, the old housekeeper hurriedly walked in from outside the courtyard.

“Maiden Lianyi, you’re really killing me.” The old housekeeper wiped the sweat from his forehead. “You told me to stop Young Lady Helian from causing trouble, but Young Lady Helian was no longer there when I ran over there. It just makes me tired running all over for nothing.”

The old housekeeper was too old to do such things.

If this matter had nothing to do with Helian Yue, he would not have run around at his old age.

But as soon as he heard Feng Lianyi said that Helian Yue would cause trouble again, he was so worried that he hurriedly ran out, not taking even taking a break on his way to the inn.

Feng Lianqing smiled faintly at Feng Lianyi, “You don’t believe my words, but do you not even believe the old housekeeper’s words? If I really wanted to harm her, why would I let the old housekeeper stop Helian Yue?”

Indeed, he did not believe Feng Lianyi’s words.

But the old housekeeper had only been loyal to the general all his life, and he would trust anything he said.

‘Did this matter... Really have nothing to do with Lianyi?’

“You young people solve your own matters. Next time don’t torment me like this.” The old housekeeper sighed, “General is not here, and I am already tired. Young Lady Helian, please behave. Otherwise, General will lecture you again when he comes back.”

Helian Yue clenched her fists tightly and looked at Feng Lianyi.

“I don’t believe it. It must be you who did that!”

Feng Lianyi smiled helplessly. “Sister Helian, I know you don’t like me. You don’t have to stare at me like that. I repeat, I won’t deny what I’ve done, and I won’t admit what I haven’t.”

“You...”

“Enough!” Feng Lianqing felt a headache coming. He looked at Feng Lianyi and warned her again, “Lianyi, I hope you will remember what you said. If you cause trouble again, I will not wait for Master to return. I will kick you out myself.”

Feng Lianyi clenched her fists and took a deep breath.

“You don’t have to remind me. I’d also feel embarrassed to stay in General Manor if I made the same mistake again.”

Feng Lianqing said no more and turned back to Helian Yue. “Young Lady Helian, you should leave first.”

“Brother Lianqing!” Helian Yue’s face turned pale. “Alright, we won’t talk about today’s matter. But what about before? What about the fact that she has harmed Xiao Qing before?”

Feng Lianqing rubbed his throbbing temples. “When Master returns, he will deal with it.”

“And what would happen then? Is Brother Lianqing still going to speak up for her and allow her to remain in General Manor?” Helian Yue glared furiously. “Moreover, no one knows when Grandfather Tian Ya will return. Can you guarantee that she won’t find trouble with Xiao Qing during this time?”
