Chapter 1661: Tang Yin's Secret Identity II

She would never forgive him even if the one who hunted her back then was not Duan Qiong.

He had brought harm to her and her daughter, and he was not decisive enough to protect them. However, now that she thought about it, all things that had happened to her was not really Duan Qiong's fault but the Duan family.

Therefore, she could never stay in this family again! She wanted to go back to Feng Ruqing!

Xiao Ya grabbed the herbal soup from Duan Qiong's hand. She did not look at him when she quickly downed the soup.

She wiped off the water stains on the corner of her mouth and threw the bowl on the ground. She then turned around and looked at Duan Qiong.

The woman's eyes were so beautiful, especially back then, the way she smiled... was unforgettable.

However, Duan Qiong's heart ached once again as he could not remember how long it had been since he had seen her smiling face...

"Sorry, Ya'er..."

'I'm sorry, Ya'er. I can't let you go! All these years of grief... I can't bear it anymore!

'I don't want to lose you again, even if I have to force you to stay with me.'

He had suffered for almost twenty years... He could not live without her.

Xiao Ya was filled with rage, and her face flushed with anger.

Suddenly, she felt something strange inside her throat, making it difficult to breathe. Her face reddened.

Initially, Duan Qiong thought that Xiao Ya was angry and did not pay much attention to it, but the more he looked at her, the more he felt that something was wrong... His eyes flashed with panic. "Ya'er, what's wrong with you?"

Poof!

Xiao Ya spat a mouthful of blood, spraying it on Duan Qiong's lapel. Her face turned pale, staring fiercely at Duan Qiong.

"Ya'er!" Duan Qiong panicked and rushed forward to help her.

However, Xiaoya did not want to be touched by him, so she pushed him away.

She staggered, unable to stand, and even her hand that was holding the brush was trembling.

"Who gave this herbal soup to you?" She wrote on a paper.

Her hand movement became extremely slow because of her discomfort, but the words were like weeping blood, filled with anger...

Duan Qiong seemed to have understood something. His face darkened.

Seeing Duan Qiong's expression, Xiao Ya laughed sarcastically and wrote a few words on the paper, "I shouldn't have trusted you!"

After she wrote the last word, Xiao Ya spurted a mouthful of blood once again.

Duan Qiong became increasingly panicked. He tried to hold Xiao Ya, but not knowing where her strength came from, she pushed away Duan Qiong hard, sending him back a few meters, stumbling against the door.

Her left hand clutched the right side of her chest. She was having trouble breathing. She bit her lip so hard that it drew blood, and that was the only way she could keep herself from passing out.

She had to get out of here; if she continued to stay in Duan Manor, she would surely die at the hands of Duan Qiong and the Duan family!

"Ya'er..." Duan Qiong stood up from the ground, trying to stop Xiao Ya. He pulled her into his arms with great force. "You can't go out alone in this condition. I'll find a physician for you. I won't let anything happen to you."

Xiao Ya spurted another mouthful of blood, and this time, she could not push Duan Qiong away as her body was so weak to fight him.

However, the anger in her dark eyes was like a flame that burned Duan Qiong's heart.

"Someone come over here..." Duan Qiong gritted his teeth angrily. "Take care of Young Lady. I'll kill all of you if anything bad happens to her when I'm not around!"

Chapter 1662: Tang Yin's Secret Identity III

The servants kneeled on the ground, not even having the courage to raise their heads to look at Duan Qiong.

Duan Qiong lowered his eyes, and when he looked at Xiao Ya again, those eyes were full of tenderness. He caressed her hair and said gently, "Ya'er, wait for me here. I'm going to find my father, and I'll be back soon to accompany you..."

Duan Manor.

An old man sat calmly in his luxurious study room.

He probably knew that Duan Qiong would still come looking for him, so he was unperturbed when he saw Duan Qiong rushing in anger.

"What you gave me isn't Purple Ginseng!" Duan Qiong smashed his fist on the desk. His voice was filled with anger.

The old man smiled calmly, "Of course not. How could I use such a good spirit herb to save a useless person."

"Father! She's my wife. We are legally married!"

"Legally married?" The old man sneered. "You brought her in while I was not in Duan Manor, so that's what you called legally married? She's a bad woman! Tian'er is much better than her."

Marriage without his blessing was not counted as a legal marriage! If he had not left Duan Manor for something back then, would that woman still be able to enter his Duan family?

"In any case, she and I are legally married, and my grandfather has witnessed our marriage!"

Duan Dan frowned. "Your grandfather has already passed away, and what you're doing is very unfilial! Furthermore, I am your father, so you must have my blessing, not your grandfather!"

Even if his grandfather was still alive, his father was the only one who could make the decisions for him.

Duan Dan was the one who had established the Duan family's empire, and even though his grandfather was the eldest in this family, he had no power in the Duan family. Duan Dan was the only one who could make the decisions in the Duan family!

'A marriage witnessed by that old man was illegal!'

"Father!" Duan Qiong clenched his fists tightly. "No matter what, you shouldn't have hurt her! You've sent people to hunt her down and kill her, and now you're using me to harm her. Why are you treating her like this? Why?" Duan Qiong shouted at him angrily, his body trembling with anger.

"Why? Don't you understand?" Duan Dan stood up and smiled coldly. "I just poisoned her. The antidote is in my hands. She won't die for now. You have to stay in Tian'er's room tonight. I want a grandson from you and Tian'er. Then, I'll give you the antidote."

Duan Qiong's heart hurt as if it was punched hard by someone. "Why do you have to force me? Am I even your son?"

"It's because you're my son that I'm helping you like this. In the future, you'll understand that everything I do is for your good! That woman would bring no good to you. With her condition right now, she'll only drag you down and get you killed sooner or later!"

Duan Dan's face was cold. "It's getting late. You should go to Tian'er's room tonight. Otherwise, without my antidote, she will surely die! I'll send someone to guard the door, so you cannot leave Tian'er's room. I'll immediately kill that woman if you try to fool me!"

Duan Qiong stared at his father with eyes full of hatred for a few seconds before turning around and walking out of the study...

Chapter 1663: Tang Yin's Secret Identity IV

When he reached the door, he stopped in his tracks and turned around. "I can do as you ask, but no one in the Duan family can hurt Ya'er again. Everyone must respect her."

“Don’t worry. This woman didn’t deserve to be your wife, but she can be your concubine. You just have to obey me, and I’ll never hurt her again.”

“Good.”

Duan Qiong’s voice was cold and emotionless as he stepped out of the room and gradually disappeared in front of Old Master Duan.

Old Master Duan looked at Duan Qiong’s departing figure and sighed lightly. “Qiong’er, you will definitely understand that it’s for your good. Lianyi is now with Tian Ya, and he treats her like his granddaughter. So... If you get into trouble in the future because of that mute, you will still need Lianyi to save you...

“That woman will only harm you. The only one who can really help you is Tian’er. You’ll understand later!”

Even that woman’s daughter was a scourge that would only bring endless harm to the Duan family in the future!

The only people who can help him were Tian’er and her daughter.

As night fell...

She still felt discomfort in her chest and her throat. Her body was weak.

However, what made her feel odd was that Duan Qiong would usually come and accompany her every night, but tonight... He did not go to her.

The servant who stayed with her seemed to have sensed Xiao Ya’s thoughts and sneered. “You don’t have to wait for Young Master. Young Master has already gone to Second Lady... Ops! No, he has gone to Lady Tian’s room, and he won’t come over tonight. Actually, Young Master and Lady Tian love each other. Young Master only pities you! It’s only been a few months with you, but he has already missed his wife. Of course, he will go to her tonight.”

Xiao Ya was surprised. She turned her head and stared at the moon outside the window.

The dim moonlight lit up her disfigured face.

‘It turns out that...

‘He’s lying to me again!’

He lied to her about the herbal soup and did not tell her that that old man gave it.

Now... He had lied to her again.

When he got her back, he said that he would only accompany her alone in this life and would not do anything to hurt her again.

However... He had hurt her again.

Of course... If he was loyal to her, how could he have had a daughter with someone else back then?

He said he was framed back then, but... When she came back this time, there was another young master in the Duan family...

Xiao Ya sneered.

'Men are all liars!'

Obviously, she had already wanted to escape from the Duan family, but he stopped her... And hurt her heart again...

This would be the last time he broke her heart!

Xiao Ya turned her head expressionlessly.

The servant did not expect Xiao Ya to be so calm after hearing this. It was said that back then, she would not even let other women come close to Young Master. When she heard that Young Master had slept with Lady Tian, she was even angrier and immediately left the Duan family.

'But, why does she look so calm now?'

Duan Qiong only returned the next day. There were a few people sent by Master Duan to guard him outside the door, and he could not get out of that room even after he had settled his task.

As he reached in front of Xiao Ya's room, he was actually a little wimpy, not knowing how to face her...

Chapter 1664: Tang Yin's Secret Identity V

No, he had to face her after all.

After staying silent for a moment, he pushed open the door and walked in.

Initially, he had a lot of things to say, but... After he saw Xiao Ya's slightly pale face under the sunlight, all his words suddenly disappeared, and all that remained was heartache.

"Ya'er, I'm sorry about last night..."

Xiao Ya turned her head. Her eyes were clear.

Duan Qiong paused and gritted his teeth. "One of the rooms in Duan Manor caught fire yesterday, and I went to deal with it. That's why I didn't come to you."

He could not let Xiao Ya know that he had gone to another woman's room. If she knew, she would definitely leave him after she had recovered.

Xiao Ya looked at Duan Qiong.

'He has lied again and again! It's the third time already!'

Xiao Ya smirked and pointed at the paper and pencil on the table.

She could not stand up, so she could only ask Duan Qiong to help her.

Duan Qiong never thought that Xiao Ya would let him help. He felt somewhat flattered and ran over to take the paper and pencil and handed it to her. "Ya'er, here you go."

Xiao Ya took the paper and pencil and wrote something. "Last night, Second Lady... Oh, no... Your Lady Tian sent a servant to tell me that you went to her room, and my name is not Ya'er. Call me Xiao Ya."

Duan Qiong suddenly stiffened; the humiliation of the lie that had been exposed made it somewhat difficult for him to face Xiao Ya.

Xiao Ya looked coldly at Duan Qiong's shocked face.

She would never let them bully her again. The Ninth Emperor had taught her back then that she had to make the one who upset her suffer pain!

"Ya'er..." Duan Qiong was panicked. "Listen to me...My father forced me to do this. He threatened me with your life! I didn't mean to deceive you. I was afraid you'd be sad..."

Xiao Ya glanced at him coldly.

Duan Qiong went silent, and only after a moment did he continue to defend himself. "Ya'er, I'm sorry, I... I just want to get the antidote for you. Don't worry, when you've recovered, I'll take you away from the Duan family, and we'll run away from here. Can you please give me a little more time?"

Xiao Ya lowered her head, sneered.

He said it was for her that he had gone to another woman's room...

However, he had forgotten the person who had deceived her, made her drink the poison and ended up like this.

"Ya'er, can you wait for me for a while? We'll go far away from this place!" Duan Qiong reached out and held Xiao Ya's hand with grief in his eyes.

Xiao Ya smiled.

If he followed her when Duan Yue tried to stop him from marrying her back then, perhaps both would not suffer like today...

In the end, she was the one who had to stay in the Duan family for him, and... She had to endure all the humiliations from his family.

Just because she thought he could make her happy...

If... He had not slept with another woman, she would not have to leave this place and suffer countless nightmares for the whole of her life.

Seeing that Ya'er did not reply to him, Duan Qiong was even more panicked and said, "I promise this is the last time... I will never go to her room again."

Ya'er smiled coldly.

He made the same promise as back then... But then, came another child...

“Ya’er...”

“I’m tired.” Xiao Ya wrote those words quietly on the paper. She then closed her eyes, not wanting to pay him any more attention.

‘When will she come...’

Xiao Ya was so eager to get out of this place.

She did not want to... Stay here anymore...

Chapter 1665: Tang Yin’s Secret Identity VI

Yun Huan Kingdom.

Feng Ruqing stopped on a mountain outside the main city. She caressed Qing Zhu and frowned. “Nan Xian is faster than me, but why hasn’t he caught up after so long?”

“Oh, maybe he’s lost?” Qing Zhu tilted its head.

Feng Ruqing was speechless.

The one who always got lost was Suyi, not Nan Xian!

“Xiao Zhu, how did you leave the mark? Are you sure Nan Xian can find us?” Feng Ruqing stroked her chin and asked.

“Oh, I pooped along the way. If my master smells it, he will know that’s mine. Then, he will follow it and find us.”

Feng Ruqing was speechless again.

‘Who wants to go close to feces and smell it?’

Feng Ruqing’s face darkened as she picked up the snake by its tail and threw it away. “Go find Nan Xian!”

She was so stupid to trust a snake!

Qing Zhu was confused. It rolled on the ground and flung itself at Feng Ruqing again.

“Princess, don’t leave me. I don’t know the way... How I’m going to find my master. I might also get lost... And become a homeless snake.”

Qing Zhu cried pitifully.

Feng Ruqing’s face remained livid as she said, “I’ll kill you if Nan Xian still does not appear after I have found Xiao Ya!”

Qing Zhu trembled in fear. “Princess, it’s only the Duan family. You can defeat them easily, so you don’t have to bring Master with you...”

“I won’t feel like killing you after seeing my state preceptor’s handsome face.”

Qing Zhu trembled harder.

“Let’s go...” Feng Ruqing remained expressionless. “Let’s go find Xiao Ya.”

Qing Zhu did not cry anymore. It was silent for a moment before it asked, “Princess, what if Xiao Ya refuses to follow you back after we’ve met the Duan family?”

Feng Ruqing glanced coldly. “Duan Qiong has other women, so why is he still keeping my Xiao Ya?”

“But he is Xiao Ya’s husband after all. What if Xiao Ya loves him dearly and refuses to leave?” Qing Zhu tilted its head. “Do you want me to knock her out with poison?”

Feng Ruqing’s gaze sank. “I don’t think Xiao Ya will have a good life in the Duan family. They hate her, and Duan Qiong has another woman. She will suffer there... But if she really doesn’t want to go with me...”

Feng Ruqing was a little annoyed. “Then, I’ll have to let Little Pot do it.”

“Kill all the members of the Duan family?” Qing Zhu’s eyes were a little excited.

“No, we’ll make them Xiao Ya’s slaves, and if they refuse to do so, I’ll beat them until they submit to Xiao Ya!”

Feng Ruqing sneered as she stroked her sleeves.

Qing Zhu shrank back in fear.

‘Princess is really different from others.’

‘Other people... They would probably have just knocked Xiao Ya unconscious and taken her away.’

‘Hehe, turning the Duan family into Xiao Ya’s slaves...’ Qing Zhu could not help but feel some sympathy for that Duan family.

However, it was also exciting to see that...

Feng Ruqing lifted her head and stared at the city gate that was not far away. Her cold smile grew wider, and even her eyes were filled with coldness...

Chapter 1666: Tang Yin’s Secret Identity VII

In Cang Yue Mainland.

Suyi was dressed in white, standing calmly on a small bridge inside Princess Manor. The wind blew at her long, fine hair that framed her beautiful face.

“Suyi! Suyi! Something bad has happened!”

The white phoenix cried as it rushed toward Suyi.

It looked so miserable.

Suyi lifted her hand and hugged the white phoenix, smilingly. “What happened? Has someone come to mess up Liu Yun Kingdom? Or did you see that bastard Mu Ling?”

That bastard Mu Ling had lost after he was kicked out of the family.

No one knew if he was alive or dead...

However, he deserved to be treated like that!

The white phoenix cried. "Xiao Qing's cousin's daughter-in-law... Nan Xian's former fiancée, but now his rival..."

"Wait, she's not Nan Xian's former fiancée. It was Mu Ling who wanted her to marry Nan Xian. You must never mention it again in the future. Won't Qing'er's cousin and Tang Yin feel awkward if they heard this? Do you want to embarrass Qing'er?"

The white phoenix was stunned. 'What about your son?

'Why didn't you say anything about him?'

"Oh, that girl called Tang Yin... She plotted with her servant, Qian Yin, and made a trap to catch me. She then forced me to tell her about Xiao Qing and now... They've gone to Land of No Return, and Xiao Qing's cousin has gone after them."

It would not tell Suyi that Tang Yin had discovered its secret and threatened to tell Suyi...

It would not let Suyi know about its feelings for her. So, it had to create another reason...

It had deliberately made such a mess of itself, as if it had been viciously bullied by Tang Yin, as a way to gain Suyi's trust.

Suyi's face changed dramatically. "You mean Tang Yin and Nalan Jing have gone to Land of No Return?"

The white phoenix nodded. "They tied me and left. I had a hard time breaking free and running to you. Suyi, I'm in such a pitiful state... I need your hug..."

It cried out and was about to jump into Suyi's arms, but Suyi lifted her hand and slapped it away this time.

"Qing'er has said that Tang Yin must not be allowed to meet anyone from Land of No Return. Now, even Nalan Jing has run away. If anything happens to them, you'll be made into phoenix soup for Qing'er."

After Suyi finished her last words, she quickly rushed out of Princess Manor, running as fast as the wind.

The white phoenix was dumbfounded. "Suyi, wait for me! I'll come along to help you get them back."

It was over... Suyi looked so furious this time...

If it knew things would become like this, it would rather die than tell that girl Xiao Qing's whereabouts. Now Suyi did not want to talk to it anymore...

Land of No Return.

Inside the Duan family's study room...

The old housekeeper stood next to Old Master Duan, frowning.

“Master, even though Qi Ya’s status is low, is it worth it for you to fight with Young Master over this matter?”

Old Master Duan’s face was cold as he heard Duan Qiong’s angry voice outside the door again. His face darkened. “You know nothing! That woman isn’t human. She’s a spirit beast!”

‘A spirit beast?’

The old housekeeper was stunned. ‘Qi Ya is a spirit beast? Why haven’t I noticed that?’

Chapter 1667: Tang Yin’s Secret Identity VIII

“I didn’t realize it first. I found out about this when Qi Ya was already pregnant. A child born from a spirit beast and a human is unusual. She was born with some powerful and dangerous abilities to humans and might bring harm to us. What would other people say if they knew about this?”

The old housekeeper trembled, his eyes filled with shock.

‘Dangerous abilities to humans...’

‘The Duan family will be in danger...’

“Does Young Master know about this matter?”

“I don’t know, but he has been with Qi Ya for years. I believe that he already knew about it... He’s just fooling himself! That’s why I have sent people to hunt Qi Ya and her daughter back then. Otherwise... They would bring more harm to the future. Qiong’er would definitely protect them, and he would only drag our Duan family down.”

The old housekeeper was silent. He finally understood why the old master had treated Qi Ya like this.

If Qi Ya had never had a child, the old master would have only driven her out; he would not try to kill her.

“Qi Ya and her daughter suddenly disappeared. After so many years, she came back again, but alone without that bastard by her side. So, I’m sure her child has died. However, I’m afraid that these two will give birth to another bastard and bring more troubles to my family again.

“Furthermore, Qi Ya is a spirit beast, and all of the spirit beasts in Land of No Return belong to the Nan family...” Old Master Duan paused for a moment before continuing, “So, there’s still quite a bit of trouble if he keeps Qi Ya here.”

The old housekeeper frowned.

‘Indeed...’

All spirit beasts in this land belonged to the Nan family.

The strong one could serve as a guard, while the weak one could become the servant for the Nan family, including Qi Ya and other spirit beasts that could change into humans.

Even if she were weak, the Nan family would not release her.

“That’s why I said that Qi Ya could bring trouble to him. The only ones who could help him were Tian’er and her daughter, but he didn’t listen to me and insisted on keeping that spirit beast.”

The old housekeeper thought for a moment and said, “Master, we have to explain all these things to Young Master truthfully. He will definitely understand what you’re trying to do.”

“No need. That brat is very stubborn. Luckily, Tian’er loves him so much. When something bad happens in the future, there will be no need to worry if we have Tian Ya to help us.”

“Can Tian Ya fight with the Nan family?”

The old housekeeper was startled. Tian Ya was powerful, but no matter how strong he was, he could not compare to the Nan family that ruled the entire spirit beast mountain.

The old master Duan laughed. “Tian Ya isn’t a match for the Nan family right now, but he’s the only one who dared to piss the Nan family off and escape from them! One day his strength will surpass the Nan family. I believe in him... Otherwise, I wouldn’t have sent Yi’er to him.”

It was good that Yi’er fought for her life, and that Tian Ya had treated her well. Unlike Qi Ya’s bastard daughter... Even if that bastard were still alive, she would only bring a disaster to his family.

There was no use to keep her with them. It would only bring countless enemies to the Duan family!

“If he wants to get angry, just let him be. But he must go to Tian’er’s room every night. He hates me now, but he will be grateful for what I’ve done later.”

The old housekeeper nodded approvingly.

‘There’s no father in this world who doesn’t love his son. Master is indeed a bit harsh, but everything he does is for Young Master’s sake.’

‘Young Master was young and ignorant back then. That’s why he did not listen to Master... But he will naturally understand it later...’

Chapter 1668: Tang Yin’s Secret Identity IX

Duan Manor.

The classic main gate was big, with two stately lions statues in front of it.

A figure in red dress stopped at the entrance, stroking her chin, looking up at the gate in front of her.

A sign with the words ‘Duan Manor’ shined on top of the main gate.

“Xiao Zhu, I think this is the place we’re looking for because there’s only one Duan family in this city.”

Qing Zhu nodded. “I think so. Why don’t you go up and ask?”

Feng Ruqing looked up and stepped toward the gate.

When two guards saw a woman approaching, they stopped her with a long spear.

Feng Ruqing, as she did not know if this Duan family was the one she was looking for, asked politely, “May I ask if this Duan family... the one Duan Qiong is from?”

“How dare you!” The guard snapped coldly, “How can you call the Duan family’s Young Master by his first name? Don’t think that just because you are pregnant, you want to frame our Young Master. He only has Lady Tian in his life. Go! Get out of here.”

The Duan family was one of the most influential families in the main city, and the young master was the only heir. There were too many women who wanted to seduce the young master, but the only one who came with a pregnant belly was this one.

‘Presumably, she had slept with Young Master. She’s pregnant now and wants to threaten Young Master!’

‘Ridiculous!’

‘Lady Tian will never let this girl in.’

Snap!

Feng Ruqing slapped the guard so hard that she did not know how much force she had used, sending him flying a few meters away, crashing against the wall.

A white foam began pouring from the guard’s mouth, and he eventually fainted.

Feng Ruqing looked at her hand and then at the unconscious guard. “He was the one who insulted me first.”

She had initially wanted to see how the Duan family treated Xiao Ya, especially the one called Duan Qiong.

Who knew that the guard would insult her as soon as she arrived. She could not hold back her anger, so she had slapped him...

“By the way, did he just say... Lady Tian?” Feng Ruqing looked sideways at the other guard. “Who is Lady Tian?”

The guard was dumbfounded until he heard Feng Ruqing’s question. He regained his senses and replied, trembling, “Lady Tian... She’s our Young Master’s second wife.”

‘But Young Master did not allow us to address her as Young Lady, so that’s why we called her Lady Tian...’

‘And... This woman looks like she has come from a bad place. She must have seduced Young Master outside the manor. Lady Tian always treats her servants well, so I have to back up Lady Tian!’

“Oh...” Feng Ruqing asked again, “What is your young lady’s full name? The one who just returned home?”

‘Could it be that... Xiao Ya’s name is Tian’er?’

“Lady Tian’s name is Zhen Tian, and she has never left the Duan family.”

Feng Ruqing’s face sank.

‘Duan Qiong already has a wife? Then, why is he still keeping Xiao Ya?’

If Duan Qiong loved Xiao Ya, there would have been no Feng Lianyi, and she had heard that he had other children...

'So how can a man like this be good enough for Xiao Ya?'

Qing Zhu was also a bit stunned.

'This scum already has a wife, but he still took Xiao Ya away? Just how many women does he want in his life?'

"Get out of the way!"

Feng Ruqing's gaze was cold as she raised her hand and pushed aside the guard, who was blocking her way.

The guard stood up and ran into the courtyard, shouting hysterically, "Master! Master! Someone is here to cause trouble! Someone has come to take Young Lady's place!"

Chapter 1669: Tang Yin's Secret Identity X

Feng Ruqing's gaze was cold, so cold that Qing Zhu in her arms shivered.

"Princess, can we discuss for a while?"

"Say what you want to say now!"

"When you're angry, can you not scare me? I'm scared..."

Feng Ruqing remained expressionless.

Old Master Duan rushed out in rage. There was a beautiful woman next to him.

This woman was quite good-looking and had a delicate face. It was also impossible to tell from her appearance that she had a daughter like Feng Lianyi.

However, she was very plain compared to Suyi and Nalan Yan.

Feng Ruqing was even more convinced that Xiao Ya would definitely be more beautiful than her if she healed her face!

"Tian'er, don't worry. I'll settle this for you!" The old master Duan patted Tian'er's hand and stared at Feng Ruqing coldly. He sneered as he saw her belly. "Little girls nowadays are so shameless. If she can even hook up with other people's husbands, what else can't she do?"

'Duan Qiong, that brat, claims that he only loves Qi Ya, but look what he has done now...'

Feng Ruqing glanced at Zhen Tian coldly, and with a single glance, she could guess this woman's identity.

"Indeed, people nowadays are so shameless. They can even do disgusting things, such as stealing someone's husband."

Qing Zhu said Xiao Ya was Duan Qiong's wife, and this woman had snatched Duan Qiong away later.

'But thankfully, she has stolen Duan Qiong away because Xiao Ya deserves a better man!'

“Little girl...” Old Master Duan’s face sunk. “What are you doing here? Qiong’er is not going to come out to see you.”

Feng Ruqing sneered. “If he doesn’t come out, I’ll just go in.”

“Haha!” Old Master Duan laughed wildly, and his eyes were filled with anger. “Little girls nowadays are so wild and proud of it? It’s a pity that I’m the one who can make the decisions in this Duan family. I’d like to see how you can get in!”

Boom!

Powerful energy appeared, covering the entire sky.

‘Advanced King Warrior!’

Well, a King Warrior only, and she had nothing to fear!

“It seems that Duan Qiong is a coward and needs you guys to back him up. Then, I must still go in today!”

Initially... She had only wanted to take a look and have a good talk. After all, she was pregnant; she should not get angry.

As long as Xiao Ya was safe... She could talk to Xiao Ya properly before coming back to settle the score with them.

Now, it seemed that she had to do it right now!

“Little Soul...”

Feng Ruqing called faintly.

As soon as she spoke, she saw a handsome man with a cold face appear next to her.

He stared at Feng Ruqing with eyes filled with hatred.

He was dreaming just now, and in his dream, he saw the Ninth Emperor’s servant who he had molested back then, and as a result, this woman had called him out...

His body was still out of his control, and being forcibly shouted out of sleep was unpleasant to him.

“You have to go find someone.”

Feng Ruqing’s face was expressionless. “Bring her out. She is timid and can’t stand the shock. You have to be gentle with her. I’ll never let you go if you make her upset.”

Chapter 1670: No One In The Duan Family Treated Her Well I

Little Soul’s face changed dramatically. He looked at Feng Ruqing resentfully, but he still chose to turn around and rushed over to the courtyard obediently.

Old Master Duan looked tense as he saw the Little Soul’s appearance. However, Feng Ruqing did not let Little Soul make a move and instead let him leave, making Old Master Duan quietly relieved. He did not stop Little Soul.

“Little girl, you’re somewhat overreaching yourself.”

Old Master Duan sneered. He had initially thought that this girl would use the man just now to attack him, but she was planning to do it herself.

‘Ridiculous!

‘Does she look down on my Duan family, or does she think too highly of herself!’

“You talk too much nonsense.”

In a flash, Feng Ruqing was already up in the sky.

The little snake in her arms failed to stand still and accidentally fell into the crowd, leaving it in tears and snot from the pain.

However, what made it want to cry even more was that there were already countless long swords over its body, scaring it so much that it did not even dare to move...

Duan Manor’s backyard.

Xiao Ya was lying weakly on her bed, her eyes half-open, and her face was pale.

Duan Qiong was still sitting next to her, looking at Xiao Ya with a pair of infatuated eyes.

Xiao Ya smiled faintly and looked out the window to say that someone was coming to Duan Manor and asked him to go to check it out...

Duan Qiong frowned and shook his head. “The old master will deal with that. Xiao Ya, I only want to accompany you now.”

These days, he did not touch Zhen Tian again, even though he had to stay in her room. He said that the other day would be the last time, so he would not break his promise again.

He now only wanted to accompany Xiao Ya, even if... She did not forgive him.

He was afraid that once he left, she would disappear from his eyes...

“Xiao Ya, give me some more time. I’ll take you far away from here...” Duan Qiong held Xiao Ya’s hand tightly. “It doesn’t matter if my daughter is no longer there. We can have another one, and only you can give me children in the future.”

Xiao Ya’s face was cold. It was not that she did not want to move from Duan Qiong’s hand, but she really did not have the strength anymore.

That old man was clearly trying to threaten Duan Qiong, but he did not kill her. He would send her life-extending herbs so that she would not die immediately from the poison.

However, she felt that she did not have much time left...

Just now, Duan Qiong said...

'It doesn't matter if your daughter is no longer with you... '

Xiao Ya weakly closed her eyes; the endless anger coursed through her body.

'Hehe... To Duan Qing, it's fine to lose one daughter as there would be another! Would he care about his daughter, who has never lived with him?'

However, to Xiao Ya, her daughter was her life, and she was the one who had fought so hard to send her out of this place!

"Xiao Ya..."

Duan Qiong tried to explain, but a powerful force suddenly burst in from outside the door, smashing the door to the ground.

Duan Qiong's face darkened. He turned his head, casting his furious gaze at the door.

Suddenly, he froze.

Standing in the doorway was a man with a stunning face, but what made Duan Qiong startled was that this man... He was not a human.

His body was all transparent! It was just a soul.

'Don't souls usually need to possess a human to survive? Why is he here?'
