Chapter 351: Tang Luo's Compromise II

Xiao Qing was so captivating that Tang Yin could never leave her.

She could not help but choose to give the Tang family up.

'I must stay by her side forever!'

Feng Ruqing did not say anything. She held Tang Yin's hand softly. It seemed that this action could give unlimited power to Tang Yin.

"Yin'er, are you really going to leave?" Tang Yi was stunned.

Tang Yin could sacrifice that much for Feng Ruqing. How deep was Tang Yin's love for Feng Ruqing?

Tang Yin bit her lip. "Fengyun Manor's power is strong. I don't wish for the Tang family to avenge me. But, I also don't want to see how the Tang family fawn over Fengyun Manor. How can I stay when Tang Luo has made this kind of decision?"

The whole atmosphere turned heavy.

Tang Luo's expression was grim.

He wished to have a good relation with Fengyun Manor. But, Tang Yin was equally important to him.

He treated Tang Yin well all these years because of her special physique and her identity. He treated her well intentionally and sometimes he even ignored his own daughter.

But, there were not many changes in Tang Yin except her status as Nan Xian's fiancée.

Tang Yin's talent was suppressed and her cultivation was slow.

Therefore, he had promised to fawn over the Fengyun Manor so that the Tang family could have a stand in this reclusive world.

He thought that Tang Yin would understand his kindness toward her. But, she had chosen a stranger over him in the end.

"Yin'er, I do not intend to fawn over Fengyun Manor." There was a bitter smile on Tang Luo's handsome face. "It's just that Yu'er has promised Fengyun Manor first. If we take it back, there'll be great danger to our Tang family. Yu'er and I have misunderstood that you wanted to steal the Five Spirit Grass before. That's why I have said what I did not intend to say just now."

He walked toward Tang Yin. There was a gentle smile on his face instead of coldness.

"You've lived here for so many years. Surely you don't want to endanger the Tang family?"

Tang Yin snorted. "Tang Yu never told me that she would give the Five Spirit Grass to Fengyun Manor."

Tang Luo was stunned. 'Yu'er never said that? Then, why did Yu'er said that Tang Yin wanted to come and steal the Five Spirit Grass after knowing about her actions?'

"Master, I believe what Yin'er said." Tang Er smiled coldly. 'Tang Yu never said that she wanted the Five Spirit Grass before Qian Ning came back. She spoke about it just after Qian Ning had mentioned it.'

Tang Yu was back at Tang Residence for a few days. If she really needed the Five Spirit Grass, why didn't she mention it earlier?

Tang Luo's facial expression turned sourer. "Tang Er, what are you trying to say? Yu'er never lies to me."

"I must give this Five Spirit Grass to Yin'er no matter what," Tang Yi said something too. "I did not protect my disciple back then because of the Tang family. Now, I don't want Yin'er to be hurt anymore. Moreover, Yin'er would surely leave the Tang family if the master does not give her the Five Spirit Grass. You should think properly regarding the significance of the matter."

The underlying meaning was that Tang Luo needed to consider the importance of both Fengyun Manor and Tang Yin to the Tang family. That who would benefit the Tang family more.

Tang Luo's lip twitched slightly. He closed his eyes slowly. After a long time, he opened his eyes.

"I'll go and look for Yu'er. I can still make it."

Feng Ruqing looked at Tang Luo calmly. "Where is she? I'll go and look for her myself."

She could not trust anybody.

She must go and retrieve the Five Spirit Grass in order to avoid any more trouble.

"Little Lady, you cannot locate her because you're new here and you're unfamiliar with the place."

Tang Luo was anxious and nervous around Feng Ruqing. He sounded unfriendly and there was even a tinge of coldness in his voice. "Moreover, I'll be able to do it since I've promised you. I'll retrieve the Five Spirit Grass for you in two days."

Chapter 352: Tang Luo's Compromise III

Feng Ruqing's eyes narrowed. She looked at Tang Luo coldly.

"Xiao Qing..." Tang Yin pulled at Feng Ruqing's sleeve. "The topography of the land outside of the Tang family is quite complex. I have lost my way when I brought you back here before. The people of the Tang family would be quicker in locating Tang Yu."

"Alright." Feng Ruqing lowered her eyes. She looked at Tang Yin. "I don't believe the people of the Tang family. I believe in you."

Tang Yin's blushed because Feng Ruqing had said that she trusted her. There was a hint of shyness on Tang Yin's face. She smiled happily.

'It's so nice to be trusted by her.'

“I’ll give you a period of two days. I’ll give you a thousand Grade-4 spirit herbs if you bring me the Five Spirit Grass. If you lie to me...” There was a flash of coldness in Feng Ruqing’s eyes.

She did not utter those final words but it was threatening.

Tang Yin raised her eyes and looked at the people of the Tang family.

“If you don’t bring the Five Spirit Grass in two days, I’ll leave with Qing’er.” Tang Yin stopped talking for a while before speaking again. “Moreover, you need to be gentle if you’re talking to Xiao Qing. If you are ever rude to her again, I’ll leave the Tang family and I’ll never come back here.”

Tang Yin looked at Tang Luo when she was finishing her sentence. It was very obvious that those words were meant for him.

Tang Luo was stunned.

Tang Luo would never be wronged like that if it were not for the sake of Tang Yin’s special physique.

“Xiao Qing, let’s go and look for Qian Ning.” Tang Yin turned and looked at Tang Luo. “By the way, where’s Qian Ning?”

Tang Yi opened his mouth and there was guilt in his eyes. “She’s at the ancestral hall. You can go and look for her there.”

‘The ancestral hall?’

Tang Yin was skeptical about that. She did not understand why Qian Ning had gone to the ancestral hall.

“Xiao Qing will live here with me for these two days.” Tang Yin bit her lip. “I don’t want to meet anyone from the Tang family in the manor except Qian Ning.”

The ancestral hall was quite far away from the front yard.

The people of the Tang family rarely meet there. It was quite serene and peaceful.

“Xiao Qing, it’s a pity that you have to give up a thousand Grade-4 spirit herbs.” Tang Yin was upset.

‘Those are Xiao Qing’s spirit herbs. They shouldn’t be wasted on those people.’

Feng Ruqing smiled slightly. “I’m not a dishonest merchant. It’s fine if they can give me the Five Spirit Grass. I can spare those spirit herbs. Moreover, a thousand Grade-4 spirit herbs helped you to see clearly how the Tang family behave. For me, it’s worth it.”

Tang Yin’s heart shook uncontrollably. She stopped walking. “Xiao Qing... I’m sorry...”

She told her that the Tang family was nice but she never knew that they were nice on the outside only.

She decided to stay in the princess’s manor forever after they had retrieved the Five Spirit Grass. She would never return to the Tang family again.

“Tang Yin, I’m not consoling you now. What happened today actually benefits me. It’s the Tang family’s loss. I have earned a friend. But, they have lost you forever.” Feng Ruqing patted Tang Yin’s head and smiled beautifully.

At first, Feng Ruqing accepted Tang Yin because of the Five Spirit Grass. But, Tang Yin chose Feng Ruqing today in front of so many people. So, Feng Ruqing decided not to ever leave Tang Yin behind again.

Tang Yin’s eyes were red and swollen. She threw herself into Feng Ruqing’s arms and her voice was shaking. “Xiao Qing, there’ll be only you in my life from now on.”

Although Elder Tang Yi treated Tang Yin kindly, he had never left the Tang family. Furthermore, Tang Yin did not want to return to the Tang family.

Therefore, Tang Yin only have Feng Ruqing in her life now.

Feng Ruqing patted Tang Yin’s back.

She did not know whether it was right or wrong to ask Tang Yin for a favor during a time like this.

Chapter 353: The Crying Phoenix I

Outside the ancestral hall.

Tang Yin saw a young girl kneeling in front of the ancestral tablets just as she pushed open the door of the ancestral hall. There were tears in her eyes and her voice turned shaky. “Qian Ning.”

‘I’m sorry, Qian Ning. I have caused you pain.

‘So, you can now run into my arms and express all your sadness.’

Tang Yin opened her arms for Qian Ning.

Qian Ning would always cry in Tang Yin’s embrace since young whenever Qian Ning was bullied or wronged.

They were master and servant. They were also sisters.

Tang Yin could predict Qian Ning’s action from then on but although her arms were stretched out, Qian Ning did not rush toward her. That young girl kneeling in front of the ancestral tablets did not move at all.

Tang Yin was shocked. ‘Is Qian Ning sick?’

Tang Yin walked toward Qian Ning when she thought of this.

Qian Ning’s soft muttering voice was heard by Tang Yin when she walked into the ancestral hall. Soon, Tang Yin’s beautiful face darkened.

“I must’ve heard it wrongly. Little Lady is a person who focuses more on love than friendship. She must be staying in the princess’s manor now and it’s impossible that she’ll return to the Tang family.” Qian

Ning bit her lip. "I heard Little Lady's voice just now. But, I must've heard it wrongly. She will never come back here."

Tang Yin's was infuriated now. She pulled at Qian Ning's ear and scolded her.

"Now, is this a painful feeling? Or, is this a fake one?"

"It hurts! It hurts!" Qian Ning stood up because of Tang Yin's action. Qian Ning nearly burst into tears because of the pain.

There was excitement in Qian Ning's eyes when she saw the infuriated Tang Yin in front of her. Qian Ning's tears ran down like a flowing river.

"Little Lady, you're back. You've finally come back."

Qian Ning threw herself into Tang Yin's embrace. Qian Ning could not help but cry ceaselessly. She wanted to express all the sadness and grief which she had felt recently.

"Those people gave the Five Spirit Grass to Tang Yu. I wanted to go and steal the Five Spirit Grass but I was caught. The first elder protected me and just asked me to reflect on my mistake here. Little Lady, I'm sorry. I didn't bring the Five Spirit Grass to you so you're thrown out of the princess's manor."

Feng Ruqing's face darkened when she heard what Qian Ning had said just as she stepped into the ancestral hall.

"Am I that kind of a person?"

Tang Yin glared at Qian Ning. "Qian Ning, I don't know that you've turned quite bad when you're not by my side. You said that Xiao Qing is unkind. Did Tang Yu teach you that?"

Qian Ning did not know what to say.

'What did I say?

'Little Lady has changed indeed!

'Have you forgotten the reason you had when you initially approached Feng Ruqing? It's because of Nan Xian.

'Why do I think that you have never liked Nan Xian at all? If not, your change of heart seems a little bit too fast.'

Feng Ruqing smiled slightly. She scanned Qian Ning's body and realized that Qian Ning's knees were injured. She frowned slightly.

"You're injured."

Qian Ning was stunned. She was too excited just now that she had forgotten about her injuries.

Feng Ruqing did not say anything. She took out a Divine-Spirit Fruit from the medium. Then, she took out a white cloth. She squeezed the juice of the spirit fruit onto the cloth. After that, she gave the white cloth to Qian Ning.

“Your injuries are not serious. You don’t have to eat the Divine-Spirit Fruit. Just bandage your knees with the white cloth and your injuries will heal soon.”

Qian Ning looked at the white cloth given by Feng Ruqing. She finally realized why Little Lady liked Feng Ruqing so much.

Her gentleness, her attentiveness, and also her loving and caring heart. These were all the reasons why one fell for her.

The most important thing was that Feng Ruqing was beautiful.

Qian Ning took the white cloth from Feng Ruqing’s hand. “Thank you.”

Chapter 354: The Crying Phoenix II

“Xiao Qing, it is late now. Let’s go back and rest.”

Feng Ruqing’s eyes narrowed.

The most important thing now was obtaining the Five Spirit Grass and leaving the Tang family as soon as possible.

On top of a mountain, the clouds were white—like heaven on Earth.

A young girl in white sat beneath the clouds. There was a soft spiritual qi all around her.

After a while, she exhaled a polluted breath before opening her eyes slowly.

A white phoenix appeared from the sky when the young girl opened her eyes. The phoenix cried and rushed toward the young girl.

“Su Yi, your son has gone too far. He’s done too much!” The white phoenix cried endlessly. It seemed that he had endured great pain. His tears ran down like a waterfall. He was infuriated. “He has taken all the things from the treasure hall. How dare he takes all the things from there!”

Su Yi was stunned. She smiled helplessly. “He has taken the things for his fiancée and not for himself. It’s fine.”

The white phoenix was stunned. He stared at Su Yi in disbelief.

‘Nan Xian has taken all things from the treasury and Su Yi just said that it is fine.’

The white phoenix could not help but cry even more. “Don’t you know how bad he was? I’m so sad that he has taken all the things from the treasury. That bastard has even taken out a porcelain bottle that holds my tears.”

"Isn't it too much? He is criticizing and humiliating me! He must be jealous of my beautiful feathers and my large body. He must've done it intentionally!"

Su Yi was stunned. She did not know that Nan Xian would act like that. She felt rather helpless.

"He might have his own reasons for doing that."

The white phoenix pointed angrily but helplessly at Su Yi with his wings. "You're just protecting your son. You bully me like this because of your son. I feel outraged! You can't make it up to me anymore!"

"Alright."

Su Yi seemed calm. "I'll leave the mountain after some time."

'Leave the mountain?'

The white phoenix was stunned. He had forgotten that he was crying. He stared at Su Yi. "Are you really leaving? Is it because you don't want me anymore? Are you leaving me behind? Su Yi, don't tell me that you're going to look for that man who has left you behind for another woman. I won't allow it. I prohibit you to go and look for him!"

Su Yi laughed softly. "Him? Do you think that I'll leave the mountain just because of him?"

"Really?" The white phoenix looked at Su Yi skeptically.

"Of course, that's true. He has another woman now. For sure he does not need me anymore. He also has other children. Nan Xian will not go back there again. So, why should I go and look for him? I'm going to meet Nan Xian's fiancée."

What Su Yi wanted was a loyal companion for life.

She could love bravely before because of that promise.

But, she would not tolerate it anymore after the promise was broken.

The white phoenix asked suspiciously, "Is Nan Xian really getting married? Will she like me?"

Su Yi smiled happily. "All the things in your treasury were given to her. If you're generous, she might like you."

The white phoenix was ecstatic. 'That's my future family. Although Nan Xian treats me badly, I know that he likes me.'

'If Nan Xian's wife does not like me then I'll have no reason to stay anymore...'

"Why do you want her to like you?" Su Yi smiled and asked.

"I..." White Phoenix could not explain himself.

'Why?'

'Of course, the reason is because of Su Yi.'

But, the white phoenix was still too young to assume a human form. Su Yi would never like him in this state.

Chapter 355: The Crying Phoenix III

The white phoenix would be able to be together with Su Yi if he was able to transform into a human.

“I’m your family. Surely I want her to like me.” The white phoenix raised his chin proudly. “Moreover, I’m beautiful and generous. Of course, she will like me. So, it’s fine if I gave her the things in the treasure room.”

The white phoenix’s heart was aching when he said that.

‘Those are my treasures which I have stored for twenty years.

‘Twenty years is not a short time even if we spirit beasts could live for a long time.

‘Now, they are all gone. All gone!’

“Su Yi, when are we leaving?” The white phoenix flew around Su Yi. There was excitement and happiness in his voice.

Su Yi smiled and asked, “Do you want to go with me?”

“Of course! I can protect you if that bastard annoys you. Moreover...”

Moreover, the white phoenix wanted Nan Xian’s fiancée to know about his existence in this family.

“We’ll leave the mountain once I make a breakthrough.” Su Yi’s eyes narrowed.

The calmness in her eyes was replaced with coldness.

‘It’s been twenty years.

‘I have hidden here for twenty years. Now, it’s time for me to leave.

‘I’ll take revenge for what Nan Xian and I had suffered before.

‘I’ll never go easy on those people who had hurt us!’

The mountain behind the Tang family.

Rong Yan lay on the bed. She looked pale and was too weak to get out of the bed.

Tang Luo rushed there immediately. He felt that his heart was being pricked by a needle when he saw how weak Rong Yan seemed. It was painful.

“Yan’er...” Tang Luo walked to the bed. “Are you sick?”

Initially, Rong Yan was injured. Tang Luo had forced her to stay and gave her some medicine when her injuries were not healed. That was how Rong Yan had lost her memories.

Therefore, Rong Yan's body became very weak because there were old and new injuries in her body.

For warriors, getting sick was rare. They would not get sick easily even if they used their spiritual qi to get warm. But Rong Yan became like a normal person after that incident. She would get sick easily when she was cold.

But, she liked quietness. She did not allow anybody to wait on her.

Twenty years ago, Tang Luo ordered a maid to go and look after her. But, Rong Yan made her leave. Hence, he never sent anybody to look after her anymore.

"I'm...fine." Rong Yan's throat was dry. "You don't have to worry about me."

Tang Luo sighed softly. "The Tang family faced some issues these past two days. So, I did not come and visit you and don't know that you're sick."

Rong Yan did not say anything. She lowered her head.

She was quiet and normal when she did not think of her own son and daughter. But, she would go maniac when she thought about them.

"The Tang family obtained only a Five Spirit Grass and yet it caused so much trouble. Tang Yi and Tang Er forced me to give the Five Spirit Grass to Feng Ruqing. If not, Tang Yin will leave the Tang family. However, Yu'er wanted to give the Five Spirit Grass to Feng Yun Manor because she wanted to please Feng Yun Manor. What should I do?"

Tang Luo laughed bitterly when he finished talking. "You don't know anything about this. I shouldn't have told you this when you're sick."

'Feng...Ru...Qing...?'

Rong Yan's hand clenched her chest tightly. Her face was pale. There was great grief in her eyes.

'It sounds so familiar.

'That name is familiar...

'Why? Why is it so familiar to me? It hurts.'

Chapter 356: Feng Ruqing was Shocked I

"Yan'er, which one do you like? A son or daughter? If she's a daughter, she must look like you. I'll give her all the love in this world. She must be the most exceptional girl in this world as she is my daughter."

"Yan'er is so outstanding that our daughter must be very exceptional too. When she's born, we will name her Ruqing. What about that? Feng Ruqing. A girl who is so exceptional that she is unbeatable in this world."

There were multiple voices in Rong Yan's mind. Those voices were clear at first but they became rather chaotic toward the end.

Rong Yan vomited a mouthful of blood and she fell forward on the bed.

"Yan'er!" Tang Luo was shocked. He quickly went and held Rong Yan's body. There was anxiety in his eyes. "Yan'er, what's wrong?"

After a while, Rong Yan recovered her senses. There was a smile on her pale face.

"It's okay. I'm just sick. I'll be fine after a few days. If you want the Five Spirit Grass... I have it. Can I go and give it to her?"

In fact, Rong Yan did not understand the reason why she wanted to give the Five Spirit Grass to Feng Ruqing.

But, she knew clearly that she would regret it if she did not give it to Feng Ruqing.

Tang Luo looked at the eagerness in Rong Yan's eyes. He was suspicious.

'Yan'er never liked strangers. Yu'er had also spent ten years with her before Yan'er accepted her.

'Why did Yan'er mention that she wants to meet that girl?'

Tang Luo remembered the resemblance between Rong Yan and Feng Ruqing. He lowered his eyes. Then, he used his gentle voice and said, "Yan'er, you're sick now. You can easily transmit the disease to others. You don't want that, do you?"

Rong Yan was stunned. She lowered her head despairingly.

'I don't want... I don't want to transmit my disease to that girl.'

"Moreover, she's here in Tang Residence. She'll not leave. I'll bring you to meet her when you're feeling better. Is that okay with you?"

Rong Yan's eyes brightened at this. She smiled beautifully. "Fine."

Rong Yan did not see the coldness in Tang Luo's eyes at that time.

"You can take the Five Spirit Grass."

Rong Yan took out a Five Spirit Grass from her storage bag. Then, she put it in Tang Luo's hand.

Tang Luo looked at the Five Spirit Grass in his hand. He was having mixed feelings.

He never thought of resolving the issue with Yan'er's help.

"Alright."

Tang Luo held the Five Spirit Grass in his hand gently. There was deep darkness in his eyes. But, it was not shown on his handsome face as it was covered with a gentle smile.

"Yan'er, would you marry me after this incident?"

Rong Yan looked at Tang Luo blankly. "I've got a husband and children. Why do I need to marry you?"

Tang Luo had difficulty in breathing.

He stayed by her side for ten years and still he could not beat the man in her memory.

Even though she had forgotten about him, Tang Luo still did not dare to force her.

Rong Yan was still strong and determined even though she had lost her memories. There was a great determination in her even though she was crazy sometimes.

The result might not be pleasant if Rong Yan was forced.

“It’s okay, Yan’er. I don’t ask for anything much in this life. I just hope that you’ll stay by my side forever... and not leaving me behind.” Tang Luo closed his eyes slowly. After a short while, he opened his eyes and got up from the bed.

He did not know what he was afraid of. He was nervous that Rong Yan would leave him behind when she met Feng Ruqing.

So, he came to Rong Yan and intentionally mentioned Feng Ruqing’s name.

Rong Yan’s reaction made him even more cold and distant. Something dark appeared in his eyes.

Chapter 357: Feng Ruqing was Shocked II

‘No one can take her away from me.

‘No one can do that!’

Tang Luo put Rong Yan to bed. Then, he took the Five Spirit Grass and walked down the mountain.

The young girl’s beautiful face came into this vision when he walked into the manor.

There was a soft smile on the girl’s face. She was combing Tang Yin’s hair with both of her hands.

Tang Yin was like a little wife. She put her head on the girl’s lap. She looked up at the young girl who was stroking her hair. Her eyes were shining.

Tang Luo was stunned. It seemed weird to be in this kind of situation.

Tang Yin was the Tang family’s hope. Not only was she Nan Xian’s fiancée, but she also had a better status in the Tang family compared to Tang Yu and it was all because of her special physique.

If Tang Yin wanted to side with Feng Ruqing, Tang Luo needed to be careful when he wanted to do something to Feng Ruqing.

“Why are you here?”

Tang Yin was enjoying the moment. Suddenly, she saw Tang Luo who was standing at the entrance. Tang Yin was rather dissatisfied and she snorted.

It might be because of her annoyance at Tang Luo’s disruption.

Tang Luo was infuriated but he still smiled gently.

“Yin’er, I’ve brought you the Five Spirit Grass you wanted.”

Tang Yin’s eyes brightened. She quickly got up and left Feng Ruqing’s lap.

‘Finally the Five Spirit Grass is here. We can now leave the Tang family and go on living our happy life.’

“Where’s the Five Spirit Grass?” Tang Yin stretched out her hand at Tang Luo. She was rather rude.

She hated the Tang family as much as she loved the Tang family before.

Tang Luo could not suppress his emotions anymore. His lips twitched then he suppressed his emotions again.

Tang Luo was not a stupid person given that he could become the master of the Tang family. If he did not hand over the Five Spirit Grass, peace would not be restored to the Tang family and Tang Yin would surely leave the Tang family.

‘It’ll be resolved if Yu’er retrieves the Five Spirit Grass.

‘But, we’ve promised Fengyun Manor. If we took it back, Fengyun Manor would surely be angry at the Tang family.’

Hence, he decided to take the Five Spirit Grass which was given by Rong Yan and give it to Tang Yin after much consideration.

Tang Yin took the Five Spirit Grass and ran toward Feng Ruqing happily. “Xiao Qing, faster come and check this out. Is this the real Five Spirit Grass? If he dares to bring a fake one to us, I’ll definitely avenge you.”

Tang Luo did not know what to say.

As the master of the Tang family, Tang Luo would never use a fake spirit herb and lie to others even though he disliked Feng Ruqing.

Feng Ruqing raised her hand and put the Five Spirit Grass in her hand. There was a flash of light in her eyes.

“This is indeed the Five Spirit Grass.”

‘I’ve obtained the Five Spirit Grass. I can brew the spirit herb soup for my father after I obtain the Phoenix’s Tears.’

Feng Ruqing could finally feel less stressful after so many months.

“Xiao Qing, let’s go home now that we’ve obtained the Five Spirit Grass.”

Tang Yin was excited when she thought that she could return to the princess’s manor soon. There was excitement in her eyes. She smiled happily.

Tang Luo did now know how to respond to that.

Tang Yin was quick to forget about her own family.

She was born in the Tang family. Now, she was saying that she wanted to return to another home.

Suddenly, a maid approached them in a rushed manner. She whispered something to Tang Luo.

Tang Luo was stunned. Then, his eyes turned cold and a sarcastic smile appeared on his face.

“Yin’er, you’re just too naive and you don’t know anything about the wickedness of humans.” Tang Luo looked at Feng Ruqing coldly and scornfully. “Do you know why this woman approached you?”

Tang Yin looked at Tang Luo suspiciously. “Do you think that Xiao Qiang would harm the Tang family?”

Chapter 358: Feng Ruqing was Shocked III

Tang Luo laughed coldly. He looked at Feng Ruqing condescendingly.

“Young girl, it’s a coincidence that one of the Tang family’s accomplices has saved a woman from Liu Yun Kingdom. If not, my niece would continue to be cheated by you. What about you tell her yourself what your true purpose is?”

“Purpose?” Feng Ruqing was stunned. “I thought that my purpose is very obvious.”

Tang Luo did not know what to say.

‘So, Tang Yin still helps her like an idiot even though this girl has told her purpose clearly.’

Feng Ruqing turned and looked at Tang Yin. “I should have told you that I accepted you before because of the Five Spirit Grass.”

Tang Yin almost burst into tears. “Won’t you love me anymore if there’s no Five Spirit Grass?”

Feng Ruqing kept quiet for a while before nodding her head honestly.

Feng Ruqing did indeed have that thought. But, she realized that she could easily accept Tang Yin after finding out that Tang Yin was naive and innocent.

Tang Yin bit her lip and tried to endure the ache in her heart. “It’s fine. I don’t care about your purpose. I’m the one who likes you. It’s not just the Five Spirit Grass, I’d give you anything as long as you ask.”

Tang Luo was shocked.

“Young lady, aren’t you going to tell the truth?” He recovered his senses and his eyes turned cold.

Feng Ruqing shrugged. “Nobody believes me even when I tell the truth. Don’t tell me that you want me to say that I accept her because of love? I just can’t do that kind of crazy thing.”

“You...” Tang Luo scolded angrily. “Feng Ruqing, why don’t you tell Yin’er that you have approached her because of Young Master Nan Xian?”

Feng Ruqing and Tang Yin did not know what to say.

Tang Yin’s body froze when she saw that Feng Ruqing looked at her suspiciously.

Tang Yin tried her best in hiding the secret from Feng Ruqing. She had used up all her strength in hiding the secret as it would destroy Feng Ruqing’s love for her. Now, the cat was out of the bag.

"I do know a person called Nan Xian..." Feng Ruqing turned away. "But, he's the state preceptor of Liu Yun Kingdom. I don't know whether he is the same person you're talking about."

Tang Luo laughed coldly. "The state preceptor? What kind of status Young Master Nan Xian has? Would he really go and be a state preceptor? Yin'er, I have just received the news just now. This woman relentlessly clings onto Young Master Nan Xian in Liu Yun Kingdom."

"She approaches you because she knows that you're Young Master Nan Xian's fiancée." Tang Luo seemed rather cold and distant now.

'Yin'er can't be this close with Feng Ruqing anymore.'

So, Tang Luo would talk about that incident like it was real, no matter what the truth was. He would put the blame on Feng Ruqing.

"Master, are you telling the truth?"

A few elders had just received the news and they had rushed here just in time to hear Tang Luo's angry statement.

Tang Yi did not seem to look well.

Tang Yi respected Feng Ruqing for Yin'er's sake. But, he would not allow any harm to come to Yin'er.

"Young lady."

But, Tang Yi did not believe what Tang Luo had said. He turned to look at Feng Ruqing. He asked, "Is what the master has said the truth?"

Feng Ruqing thought for a while.

She indeed did relentlessly cling onto the state preceptor.

"If we're talking about the same person here then it's the truth."

Tang Luo was already prepared, in case Feng Ruqing refused to admit to the truth. But, he never thought that she would admit it in front of everybody.

He was stunned and he did not know how to respond to that.

Chapter 359: Feng Ruqing was Shocked IV

"Yes, that's right. I not only clung onto him but I have also hugged him, kissed him, touched him, and slept with him." Feng Ruqing smiled.

They did sleep together but they had only slept under the same quilt. They did not do anything else.

Tang Luo was shocked again.

The elders of the Tang family were equally shocked. They looked at Feng Ruqing with their eyes full of hatred.

“Shameless!”

“You cannot enter the Tang family given that you’re such a shameless person!”

“Yin’er, this is what they said would happen when you do not listen to your elders. Now, do you regret it?”

“She approached you all because of Young Master Nan Xian. Do you still want to be with her?”

Tang Luo was stunned for a while. He recovered his senses and he smiled coldly. He stared scornfully. “Feng Ruqing, Young Master would never have a relationship with you. How dare you say that he had slept with you? I heard that Nan Xian hates you so much but it’s you who cling onto him relentlessly. If you’re really treating him like that, you should be dead by now.”

He turned to Tang Yin after he said that.

“Yin’er, do you see now? She approached you because she wants to take your fiancé from you.”

Tang Yin was nervous and anxious after Tang Luo had uncovered the truth.

Tang Yin still did not know how to explain to Feng Ruqing when Tang Luo’s sarcastic voice spoke again.

Tang Yin was infuriated.

“Nonsense! Don’t you incriminate me! What fiancé? Since when did I have a fiancé? Why do I not know anything about that?”

Tang Yin insisted that she did not know anything about that affair. She wanted to prove that those people were just making things up.

“Yin’er?” Tang Yi was quite shocked.

‘Yin’er told us that she’s going to marry Young Master Nan Xian before. Now... why is she saying that she knows nothing about that?’

“I haven’t even met Nan Xian. How could you look for a fiancé for me without asking for my permission? Did I say yes? How is it possible that I would want to marry a stranger?”

The others did not know how to respond to that.

‘Didn’t you say that Nan Xian was both gentle and handsome? You even said that you like him.’

“Nan Xian is a vixen. He dares to take the woman I like away from me. It’s impossible that I’ll be the fiancée to a vixen!” Tang Yin blushed. “If it is not for my inability to beat Nan Xian in a fight, that vixen would never be able to approach Xiao Qing.”

The others were silent again.

‘This seems weird. How did the events all lead up to this?’

‘She even called Young Master Nan Xian a vixen.’

‘She does not want him to be around Feng Ruqing.’

"I couldn't train fast enough before because of the problem with my body. We were afraid that people might notice my sudden improvement. That's for my safety. I had listened to you. But, I regret it now. I want to train harder. I want to beat that vixen—Nan Xian!"

Tang Yi looked helplessly at Tang Yin's angry face. His eyes were filled with confusion. He asked, "Yin'er, are you sure that you don't want to marry Young Master Nan Xian?"

"I don't even know him. Why would I marry him? I want to marry the person I love!"

'But, you said that you won't marry anyone else other than Nan Xian before.'

Tang Yi seemed to realize something. He looked at Tang Yin with complicated feelings. Then, he turned to look at Feng Ruqing. He sighed softly.

'It's fine as long as Yin'er is happy. Just let her have her way.'

All of a sudden, the way how Tang Yi looked at Feng Ruqing changed.

It was calm and serene before. But, now... it seemed like Tang Yi was looking at his grandson-in-law.

Feng Ruqing was shocked the whole time.

'What happened?

'What am I doing?

'Where am I?'

Chapter 360: This is a Set Up I

Feng Ruqing turned around and looked at Tang Yin. "Are you Nan Xian's fiancée?"

Feng Ruqing's hesitant stare turned Tang Yin's face pale. She was so anxious that she stomped her feet hard on the floor.

"No, it's impossible! It's a set up!"

Feng Ruqing was shocked. "You approached me before just because of Nan Xian?"

She knew that Tang Yin came with some purpose. But, she had never thought that it was all because of Nan Xian.

Now, Feng Ruqing could finally see the whole picture.

Tang Luo did not know what to say.

"Isn't Feng Ruqing the one who approached Yin'er because of Nan Xian? How is it that it was Yin'er who approached Feng Ruqing because of Nan Xian?"

"I..." Tang Yin was stunned. Her large eyes seemed to reflect her helplessness. "Who is Nan Xian? I have just heard that name today. This is all made up by them. I know nothing about this."

No one said a word.

'You said that you don't know who Nan Xian is. But, you could say that you can't beat him.

'Now you even know how to foretell things?'

Tang Yin stared at Tang Luo angrily. 'I called you Uncle before because I really treated you as my elder. I didn't know that you would frame me like this. Xiao Qing has promised to give you one thousand Grade-4 spirit herbs. Now, I'll make the decision for her. I don't want to give you those spirit herbs anymore!'

Tang Luo kept quiet.

'What did I do?'

Tang Luo just wanted to show Yin'er Feng Ruqing's true colors so that she would know who is really treating her with a pure heart. It was the Tang family.

'But, who can tell me what's really happening here? Why is it different from what I expected?'

"Master Tang Yi!" Tang Wu and the others turned to look at Tang Yi. They were angry. "Quickly advise Yin'er. How could she be like that? What will happen to the Tang family if she does not marry Young Master Nan Xian?"

"Yin'er must be Young Master Nan Xian's fiancée. Nobody can snatch Young Master Nan Xian away! She's a woman from the secular world!"

"A woman like that does not even have the right to be Young Master Nan Xian's concubine. She has even made things up. Master is right. Nan Xian hates her so much, so it's impossible that they would ever sleep together. She must've used some tactics that had made Yin'er lose hope in Young Master Nan Xian."

The elders in the Tang family looked at Feng Ruqing like she was a vixen who snatched others' husbands.

Their stares were filled with anger, hatred, and scorn.

Tang Luo recovered his senses. His eyes were cold. "Yin'er, you're captivated by her today. I prohibit anybody from snatching your fiancé."

Tang Yin's physique was special but this uniqueness would kill her before she had the chance to grow up.

If she could stay under the protection of that power, Tang Yin would have enough time to grow up. Then, the Tang family could move higher status in the future.

But what if... she lost the identity as the fiancée of Young Master Nan Xian?

Then, Tang Yin would become a nobody. She could never have any place here in this reclusive world even with her uniqueness.

"Master!" Tang Yi frowned. He moved fast and soon he stood in front of Feng Ruqing and Tang Yin. "She's just a young girl. Why are you sticking up for her?"

Tang Luo laughed coldly. "Tang Yi, you stood against me before for Tang Zi. You forced me to let her leave. Now, you want to stand against me again just for that young girl whom you have never met before."

'Tang Zi!'

Those two words were like thunder and they exploded in Feng Ruqing's mind.

"It's real!

'Tang Zi does come from this Tang family!'

These people had harmed Tang Zi deeply before. They had even labeled her as a traitor.
