

## Overbearing 721

### Chapter 721: The Manor Lady is Back I

Suyi's gaze was cold. She stared coldly in the direction where Mu Ling had left. She seemed to have something in mind.

She had collected herself by the time the man's figure completely disappeared. Then, she turned around, indifferently.

But her footsteps suddenly stopped the moment she raised her eyes.

A fairy-like guy was standing in front of her.

The man coldly gazed in the direction Suyi was staring at, expressionlessly. "Why did you let him go? You should have asked him to leave something behind since he came here."

Suyi smiled helplessly. "I already knew that you would be like this... So, I have just poisoned him while he was unprepared."

"..."

"He didn't defend against me at all. Since he has harmed Qing'er by poisoning her, I have treated him to his own medicine."

The Suyi before could never have done such a thing.

Therefore, Mu Ling would not have known to what extent of damage Suyi could do today.

Nan Xian's face turned bright. "What poison have you used?"

"The aphrodisiac potion." Suyi chuckled. "I have no interest in the Mu family. But this does not mean that I am willing to let Chen Qingyan live happily. Hence, I intend to find some rivals for her and distract her from us."

She did not seem to worry that Mu Ling might rape an innocent girl.

Mu Ling was very cautious although he was not intelligent.

This was the secular world. There were rules and regulations. If he dared to do such a thing, Tian Shen Manor would not protect him.

As it should be...

If a girl was willing to become his woman, it would be another matter.

Chen Qingyan had been living comfortably in Tian Shen Manor over the years. If Suyi did not find some rivals for her, she was afraid that Chen Qingyan would create troubles over nothing behind everyone's back.

"The punishment... is still light," Nan Xian said, coldly.

If it was not for Qing'er's strength, her life would be torn to pieces as she fell into Mu Ling's trap!

The harm Mu Ling had done to her, he would pay him back in a hundredfold!

Suyi thought for a moment. "Or... I'll wait for the aphrodisiac potion to have the effect, then try to amputate his genitals? And make him unable to walk in the future?"

"You don't need to go to him." Nan Xian regained his composure. "I can handle those things. You don't have to do it. You don't need to see him again."

"Oh," Suyi answered, obediently.

She almost lost control this time. If she met him again next time... she would be exhausted.

Nan Xian did not say much. He walked slowly toward the city's gate.

He seemed to be calculating the distance between him and Feng Ruqing inside his heart.

\*\*\*

Just after Nan Xian left Liu Yun Kingdom following Feng Ruqing, Tang Yin and Gu Yiyi who were abandoned went completely crazy.

Little loli held a letter in her hand. Her hands were shaking, and her tears blurred her eyes. Her face was also pale.

Xiao Qing had left!

She had written a letter and left!

Did she want to abandon them?

Gu Yiyi and Tang Yin stared at each other for a few seconds. Boundless sorrow swept over them. They could not control their sadness. Then, they hugged and wept together.

The weeping could be heard clearly by the entire street.

Suddenly, Suyi hurried over. "Tang Yin, did you see Nan Xian? Nan Xian left me some words and had disappeared."

They had seen each other not long ago. At that time, Nan Xian did not say anything. If she knew that Qing'er and Nan Xian would leave Liu Yun Kingdom, she would have followed them.

## **Chapter 722: The Manor Lady is Back II**

Tang Yin froze for a few seconds. Then she cried even more miserably. "Nan Xian, you are a vixen. You took my Xiao Qing and ran away with her!"

Gu Yiyi's face had also turned pale.

She did not expect Nan Xian to be so skilled. He had even taken Xiao Qing away with him!

This time, she and Tang Yin had lost too badly compared to Nan Xian!

In fact, Tang Yin and Gu Yiyi were filled with grief and indignation. Thus, they did not even think about it. If Feng Ruqing had really run away with Nan Xian, she would not have brought the people from Fengyun Manor with her. Even Qing Ling and Liu Li had followed her and left too.

Only she and Gu Yiyi were left behind.

“Oh, right.” Suyi slowly turned toward Gu Yiyi. “Is your surname Gu?”

She remembered that Tian Shen Manor’s manor master’s surname was also Gu.

Gu Yiyi naturally knew that Suyi was Nan Xian’s mother. After hearing her question, she thought her identity had been revealed. Her face changed again. She then felt guilty and hid behind Tang Yin.

“What a coincidence.” Suyi smiled. “The one in Tian Shen Manor, his surname is also Gu. However, the surname Gu is very common. Maybe I think too much.”

Gu Yiyi let out a sigh of relief.

She must never let Suyi know that she had almost become Nan Xian’s fiancée.

If Suyi told Xiao Qing, how would she face Xiao Qing in the future? How could she be her follower?

“Yes, yes, it’s a coincidence. My family is very ordinary, it’s true.”

“...”

Suyi glanced at Gu Yiyi again and again, doubtfully. She always felt that the girl seemed weird...

But she would not think too much if the girl did not hurt her.

“My Xiao Qing, huhu...” Tang Yin cried with a runny nose. “I’m going to find Xiao Qing.”

“But...” Gu Yiyi was a little hesitant. “Xiao Qing’s letter mentioned that you should stay in General Manor. You are not allowed to go anywhere.”

Tang Yin’s sad tears flowed. “Xiao Qing has run away with that bastard. If I don’t chase after them, I will no longer have a place in Xiao Qing’s heart...”

“You’re right...” Gu Yiyi nodded in approval. “The time Xiao Qing and I have been together is too short. I can’t be separated from her now. Otherwise, I won’t have a chance.”

Seeing that the two girls were going to look for Feng Ruqing, Suyi quickly rushed over and stood in their way.

“You can’t go look for Qing’er.”

Tang Yin grumbled, “Why?”

‘Why?’

Suyi slightly smiled. This girl had long been spiteful toward Qing’er. Of course, she would not let her disturb Nan Xian.

Nan Xian was her son anyway. Even if she said that she would take Qing'er away, she was just threatening him. Now, how could she not help her son?

"Because..." Suyi smiled, elegantly. "Qing'er doesn't like others following her. She just went out to do something this time. She will return soon."

Tang Yin looked at Suyi suspiciously. "Really? She will be back soon?"

"Yes."

"She has not run away with Nan Xian, the vixen?"

"Nan Xian does not need to run away with her. She belongs to Nan Xian."

Tang Yin stopped talking.

She bit her finger and frowned.

Suyi was right. Xiao Qing did not like someone following her. If she was discovered by Xiao Qing, would she dislike her even more?

"Then, are you going to find Xiao Qing? Tell her that Gu Yiyi and I will be waiting for her obediently in General Manor. Ask her to come back earlier."

### **Chapter 723: The Manor Lady is Back III**

After a long silence, Tang Yin spoke in a cute and soft voice.

Suyi gradually smiled, but she was afraid of being discovered by Tang Yin. Her smile gradually disappeared.

'Wait until Qing'er and Nan Xian have children, this girl will give up then...'

\*\*\*

Fengyun Manor.

Located on a high hill.

Two disciples stood guard at the manor's gate. They saw an attractive figure from far away.

They were fascinated at first, then they immediately came to their senses. Just as they wanted to step forward to stop them, they saw Hong Yu behind the girl.

"Isn't she Guardian Hong Yu?"

The disciple on the left was shocked. He thought of something and quickly give way to them, respectfully.

Feng Ruqing went into Fengyun Manor smoothly. Soon, a group of people hurried over with Elder Lei Yun leading the group.

Everyone's footsteps were quick. Their footsteps only stopped when they had arrived in front of Feng Ruqing.

"Welcome back, Manor Lady."

"Welcome back, Manor Lady!"

The passionate voices echoed under the sky for a long time.

"Elder Lei Yun." Feng Ruqing slightly smiled. Her eyes rested on Lei Yun's old face. "Is my room prepared?"

Lei Yun bent humbly and respectfully. "My manor lady, the former Feng Qing Court that was occupied by Tang Yu has been taken care of again. You should be able to move in."

"Well, come to my room later. I have something to tell you. In addition, these two girls have served me since I was a child. Arrange them to serve near my Feng Qing Court."

"Yes, Manor Lady!"

Lei Yun naturally did not dare to neglect the two girls who were brought by Feng Ruqing. She ordered people to arrange their accommodations.

Seeing this, Feng Ruqing ignored the other people and went straight to Feng Qing Court.

Lei Yun turned his attention to Hong Yu and others as soon as Feng Ruqing left.

"You all can go back to where you were just now. It seems that the lady is satisfied with you all. You will be the ones serving the lady in the future."

The maids were happy. They were more willing to follow Feng Ruqing than to cultivate in Fengyun Manor.

It was clear that the choice they made before was not wrong!

"Dismiss."

Elder Lei Yun waved his hand and then turned away.

"Elder Lei Yun gave you this chance." Hong Yu smiled while turning back. She looked at the respectful maids behind her. "That day, he had asked everyone if they were willing to seize this opportunity. Only you trusted Elder Lei Yun and made the right decision without any regrets in your life!"

With these people's talents, even if they were only disciples of Fengyun Manor now, they might have a place in the future.

On the other hand, if they went to Liu Yun Kingdom, they would only be maids without any training. There would be no such a holy place for cultivation like in Fengyun Manor.

So...

At that time, Lei Yun only said a word. This was an opportunity. The only thing was to see who would grab it!

He did not force anyone. In the end, only those who were here right now had taken the chance.

“You are also tired. Get a good rest and stand by at Feng Qing Court later.”

After that, Hong Yu, too, turned and left the maids.

#### **Chapter 724: The Manor Lady is Back IV**

The maids did not stay any longer. Just as they wanted to walk toward the disciples' yard, a sardonic laugh suddenly interrupted their footsteps.

“I was wondering who has returned. It is you, Zheng Chuchu. You could have been a disciple in Fengyun Manor. Instead, you chose to serve the manor lady. What do you think you can get by pleasing the manor lady?”

Zheng Chuchu's face changed. She raised her eyes and stared straight at the woman who was surrounded by a group of people. “Mo Feifei! The manor lady has just come back. I don't want to argue with you in order to maintain my image of being a gentle lady. Be sensible and get out of here!”

Mo Feifei's pretty face broke into a sarcastic smile. She said proudly, “You are just someone who is deliberately pleasing the manor lady to promote yourself. Unfortunately, Fengyun Manor emphasizes one's strength in this case. I have achieved Intermediate Spirit Warrior tier. However, you have wasted half a year serving the manor lady.”

Half a year was not long for a cultivator, but at the same time, it was also extremely important.

If one spent half a year cultivating without any improvement, he would be surpassed by others.

Moreover, the competition in Fengyun Manor was so fierce.

“Mo Feifei, don't go too far!”

The other maids' faces also darkened.

When Elder Lei Yun had mentioned that to them, Mo Feifei was the first to refuse. Luckily, the elder had a good temper and did not get even with her. Otherwise, how could she be still here in Fengyun Manor?

“How am I going too far? Am I not telling the truth? After all, I am not the same as her—Zheng Chuchu. I rely on hard work and strength. She is just someone who likes to butter up the boss—the manor lady.”

Mo Feifei glanced at Zheng Chuchu's face. She felt so disgusted. “People like you are not qualified to compete with me.”

Half a year ago, Zheng Chuchu's strength was at the same level as her. Now half a year had passed, this woman... could now be easily defeated by her!

This was her choice!

Even though she and Zheng Chuchu were the disciples from the same clan, they were also opponents. For the sake of fairness, she had advised Zheng Chuchu not to be blinded by the interests. For them, strength was the most important.

With strength, they had everything.

Nonetheless, Zheng Chuchu still insisted on doing it her way and ignored her warning. She never knew that Zheng Chuchu who had been her opponent for many years could be so reckless in greed.

Using all kinds of means just to reach the goal! Even if it meant being a slave!

“Zheng Chuchu!” Mo Feifei slightly raised her chin while looking at Zheng Chuchu’s dark face. Mo Feifei looked down. “It was my fault treating you as an opponent... People like you do not qualify to be my rival! Besides, I have surpassed you now. Zheng Chuchu, do you regret it now?”

Zheng Chuchu stared at Mo Feifei for half a second. She suddenly laughed.

“You’re right. I simply followed the manor lady for the sake of being superior, but so what? At least... I’m the manor lady’s. I will never regret my choice!”

Mo Feifei would eventually not know how much benefits they had gained from Feng Ruqing because she did not choose the same path they had taken.

That was something no one else could ever imagine!

She would follow Feng Ruqing in this life. She would never regret it and never give up!

“Let’s go.”

Zheng Chuchu did not pay attention to Mo Feifei’s darkened face and walked right past her. She no longer made any excuses for herself.

## **Chapter 725: Qing Ling is Being Bullied I**

Feng Qing Court.

The girl was lazily leaning against the arbor.

Next to the girl, a maid was crouching and hammered her thigh.

She stared at Lei Yun, who was waiting in front of her, with her hands on her head.

Lei Yun felt a little hesitant and asked, “Manor Lady, you have asked for me. Is there anything you want me to do?”

The manor lady might want to throw him the mess and run away with the two girls again.

“Lei Yun.” Feng Ruqing stood upright. The smile on her face gradually disappeared making Lei Yun more and more anxious. “Do you know Tian Shen Manor?”

Tian Shen Manor...

These three words made Lei Yun tremble. He looked up at the girl’s beautiful face, surprised.

“My lady, you ask about... Tian Shen Manor....”

“Well, I want to know how to enter Tian Shen Manor,” Feng Ruqing said, calmly and seriously.

Lei Yun's feet were suddenly weak. He almost kneeled on the ground.

The lady wanted to go to Tian Shen Manor?

He had the feeling that the lady was not going there to do good things.

"My lady. Although Tian Shen Manor and Fengyun Manor are both named as manors, Tian Shen Manor has become a small world itself, not to mention that it is not in this dimension..."

"Not in this dimension?" Feng Ruqing looked on earnestly. "What does that mean?"

"No one knows exactly where Tian Shen Manor is, except those who are in it. Even if you have found the location, it is not easy to go in. You are going to Tian Shen Manor for..." Lei Yun glanced at Feng Ruqing and asked, anxiously.

"Oh." Feng Ruqing slightly smiled. "To find someone."

"Find someone?"

"Well. I'm going there to find someone, Lei Yun. Immediately send someone to find the location of Tian Shen Manor."

Lei Yun hesitated for a moment. He looked at Feng Ruqing. "My lady, Young Master Nan Xian... isn't he from Tian Shen Manor? You can ask him."

"That is unnecessary." Feng Ruqing caressed her chin. "I don't want Nan Xian to step into Tian Shen Manor again."

If Nan Xian knew that she wanted to go to Tian Shen Manor, he would not let her go alone.

But she... wanted to protect him.

"You just need to find the approximate location. There should be people coming out of Tian Shen Manor. If you can't find it, just grab a person and torture him until you get the exact location."

Extracting confession by torture was a good way...

But no one had used this method in years. No one dared to do anything to Tian Shen Manor. Even if it was only a small pawn, no one had the courage to do it.

Lei Yun's mouth twitched, twice.

The lady said she was going to find someone in Tian Shen Manor. However, why did he feel that she was going there to get even with someone?

"My lady, this..."

"Oh, by the way." Feng Ruqing did not give Lei Yun a chance to speak. "Go find someone who looks silly and force it out of him. Keep this."

A token was thrown in front of Lei Yun.

"This is..."

Lei Yun was shocked when he saw the three words—the Divine Herb Sect on the token. He raised his head stiffly and was stunned.

“Make sure to find someone who looks foolish and then, pretend to accidentally drop the token in front of him,” Feng Ruqing said with a smile.

Lei Yun said with a trembling voice, “My lady, where did you get the token from...?”

“I got it from Gu Zhenyang. It will be useful for that purpose.” Feng Ruqing supported her chin with her hand. She smiled. “The Divine Herb Sect had hurt my mother for so many years. This is just a little something in return.”

## **Chapter 726: Qing Ling is Being Bullied II**

Not to mention that those things were done by Gu Zhenyang alone.

At that time, Gu Zhenyang had forcibly taken away her mother and used her family’s life to threaten her.

However, the Divine Herbs Sect had only imprisoned him for three years.

If the Divine Herbs Sect had punished him harder, if... they could restrain his behavior, how would so many innocent soldiers have been killed?

All this was because of the Divine Herbs Sect’s favoritism.

They did not fear Nan Xian. Even if Gu Zhenyang was punished in the end, those people of the Divine Herbs Sect would still exact crazy acts of revenge after learning that her mother was the Lady of Fengyun clan!

She did not believe it either. The Divine Herbs Sect really did not hate her at all!

“My lady...” Lei Yun narrowed his eyes. “I’ll do it myself.”

Everyone in Fengyun Manor hated the Divine Herbs Sect!

The father and daughter of Tang Luo should be guilty of death. Nonetheless, Gu Zhenyang from the Divine Herbs Sect was the trigger of everything.

Without him, the lady of Fengyun clan would have lived happily with her family. Her family would not have to lose her for so many years!

Blaming it on the Divine Herbs Sect, he had no burden at all!

“In addition...” Feng Ruqing was stunned. He looked serious. “Tell me the situation of Tian Shen Manor. For instance, the talented disciples.”

She was never alone.

Be the Iron-Blooded Troop or Fengyun Manor, they definitely would accompany her on that path. So, she must gather these talented disciples and provide them with the largest cultivation environment!

Lei Yun raised his fist. "If you meant the genius among the disciples, Zheng Chuchu is the most talented among them. She is also the youngest in Lower Spirit Warrior tier."

A genius was not determined by what level her strength was, but how long it took her to reach Lower Spirit Warrior tier.

Even though they had all reached Lower Spirit Warrior tier, Zheng Chuchu was the youngest. That was why she was a genius among them.

"Furthermore, there is another one who can be compared with Zheng Chuchu. She is Mo Feifei. However, Zheng Chuchu is calmer, unlike Mo Feifei who is more arrogant. But still, she does have the talent."

Feng Ruqing nodded. "For cultivators, being arrogant is not a bad thing. Every genius has her pride, but arrogance is not proud and ungovernable. I will observe her later."

She was willing to accept an arrogant genius but unwilling to help a person who was proud and self-willed by virtue of her talent.

Therefore, she would still need to further observe some people.

"Yes, my lady."

Lei Yun sighed.

He had held high hopes for Mo Feifei other than Zheng Chuchu. Those who had reached Spirit Warrior tier just at the age of twenty. They were regarded as very talented people.

But the manor lady had her own reasons.

If Mo Feifei was only a disciple in Fengyun Manor, even if she acted haughtily, Feng Ruqing would just let it go as long as she did not harm Fengyun Manor.

Nevertheless, the manor lady obviously wanted to find a group of guards who belonged to her. So, she also had high requirements for the peoples' character.

"It's getting late. Go and look for Tian Shen Manor's location as soon as possible. I can't wait too long."

"Yes, then I shall take my leave now."

After Lei Yun bowed to Feng Ruqing, he turned and left.

Soon after he had left, Feng Ruqing stood up and smiled, indifferently. "Liu Li, come, walk around with me. This is where my mother had lived for a long time. I haven't seen it yet..."

### **Chapter 727: Qing Ling is Being Bullied III**

"Yes, Princess." Liu Li stood up slowly. She fixed her gaze at the young girl in front of her. There was a smile on her pretty face.

'She is no longer the princess she was a year ago.

'Not only does she know how to differentiate between right and wrong, but she has also gotten stronger in a year.

'We feel more secure now.'

\*\*\*

Since Qing Ling came to Fengyun clan, she was curious about everything. She could now stroll in the manor alone after she had gotten permission from Feng Ruqing.

She rested under a tree. All of a sudden, a ripe fruit fell on her head.

She was rather thirsty. Thus, she used her sleeves to wipe at the fruit before taking a bite.

It was delicious and sweet.

'But, it's not as delicious as the Divine-Spirit Fruit in the princess's manor!'

"What are you doing?"

An angry voice was heard at that moment,

Qing Ling recovered her senses. Soon, a strong and fast wind blew at her.

She lost the fruit in her hand. A woman in front of her had grabbed the fruit from her hand.

Mo Feifei realized that Qing Ling had taken a bite of the fruit. Her facial expression darkened. She looked at Qing Ling angrily. She scolded her with frustration, "How dare you! Who has allowed you to touch the things in Fengyun Manor? You're just a servant who has made a breakthrough to True Warrior tier. Who has allowed you to touch the things that belong to the disciples of our clan?"

Qing Ling was stunned. She looked at the fruit in Mo Feifei's hand. She was guilty. "This... Can't I have that? I don't know..."

"This is a spirit herb. Don't you know that?" Mo Feifei was angry. 'This is such a good thing. It's been ruined by a servant.

'Although she is a young True Warrior, she is still a disciple who is an outsider in Fengyun Manor. She's still a servant and nothing can change that!

'Moreover, this spirit herb tree belongs to the disciples of our clan. No outsider can have that!

'What's more? She's a servant too!'

"I know that it's a spirit herb. But, I didn't know that it cannot be eaten. I eat that every day in the princess's manor. So, I thought that..."

'If it's any other spirit herb, I would never have touched it.

'But, it's being treated as any other fruits in the princess's manor. We could have that every day. I'm used to it and I've forgotten that I'm now in Fengyun Manor.'

"You're just a servant. How can you have the Divine-Spirit Fruit every day?" Mo Feifei sneered at her. She seemed arrogant and condescending.

'The Divine-Spirit Fruit is just a Grade-1 spirit herb.

'But, it's quite attractive to both humans and spirit beasts. Some spirit beasts can neither climb trees nor fly. So, they use their brutal force to knock against the trees just to get the Divine-Spirit Fruits. As its tree trunk is weak and could not withstand their brutal force, the tree trunks broke and the number of trees became scarce. Now, there are less than twenty Divine-Spirit Fruit Trees in the entire mainland.

'Manor Master was lucky. She saw two Divine-Spirit Fruit Trees the other day. She took them back and they are now growing healthily.

'Even so, there are too many people in Fengyun clan. The Divine-Spirit Fruits need much time to ripen. Therefore, there is a rule saying that only the disciples of our clan can have the Divine-Spirit Fruits.

'The Divine-Spirit Fruit is different from the other spirit herbs. It's significant for everyone from different tiers. It's because the fruit is used to boost one's energy when they are tired so that they can continue their cultivation. It's not used to improve one's strength.

'Even the elders and guardians do not have the Divine-Spirit Fruit. They give the chance to the talented disciples in our clan.

'So...

'How could such a good fruit be wasted on a servant?'

#### **Chapter 728: Qing Ling is Being Bullied IV**

Qing Ling was rather annoyed after being scolded by Mo Feifei. But, she did not want to trouble the princess so she chose not to argue with Mo Feifei.

Qing Ling did not bother about Mo Feifei. She turned and was about to leave.

Mo Feifei was a talented disciple in Fengyun clan. No one had ignored her before.

She realized that Qing Ling wanted to leave when Qing Ling had wasted a Divine-Spirit Fruit. She was infuriated. Soon, she came to stand in front of Qing Ling, blocking her path.

"Servant, how dare you to leave when you've eaten a Divine-Spirit Fruit of Fengyun clan?"

Qing Ling's facial expression worsen. In the end, she could not control her anger any longer and exploded with frustration.

"It's just a fruit. I told you I have that every day! But, I've finished my portion today. I can return one to you tomorrow. I would never have touched that if I had known that it's a Divine-Spirit Fruit! Who knew that you would be so stingy about a Divine-Spirit Fruit? Even the snow wolf is not as stingy as you!"

"You..." Mo Feifei's facial expression worsened. She clenched her fists tightly. "If you were not the manor lady's servant, I would definitely beat you up by now! You know very well that it's a Divine-Spirit Fruit and you wasted that on purpose! You were doing it on purpose!"

“Who said I’m wasting that?” Qing Ling stretched out her hand toward Mo Feifei. “Give me the fruit that I have only bit once just now! I’ll eat that now and I’ll be sure not to waste even one bite!”

Mo Feifei was shocked.

She had never met anyone as impudent as Qing Ling.

Then, she smiled sardonically.

“You’re truly a person from the secular world. Even now, you still want to eat the Divine-Spirit Fruit? I’ll never give it to you even if I have to feed it to the dog.”

“Fine. Go and feed it to your dog.”

Qing Ling shrugged.

‘Every spirit beast in the princess’s manor gets to have the Divine-Spirit Fruit, too. It’s not so different from feeding a dog.

‘I do not care about that.’

“Senior Mo, what happened?”

The argument startled the other disciples in the manor. The disciples came and gathered at the scene. They seemed shocked to see Mo Feifei arguing with the manor lady’s servant.

Mo Feifei sneered. “This servant has stolen and eaten the Divine-Spirit Fruit while we were unaware.”

Divine-Spirit Fruits were not rare in the princess’s manor. But, they were very precious to others.

They were used to alleviate one’s fatigue. One’s cultivation would become more effective with their aid.

Qing Ling’s face reddened. She was outraged. “I did not steal and eat it. I ate it publicly!”

“How can a servant like you eat such a good spirit herb! The Divine-Spirit Fruit is such a good thing! I’m the one who’s right here even if the manor lady comes later!” Mo Feifei looked at Qing Ling, angrily.

Qing Ling trembled when she thought of that. She was used to how things were in the princess’s manor. She did not realize that Divine-Spirit Fruits were considered extremely precious outside of the princess’s manor.

‘Is it because... they’re just very poor?’

The other disciples seemed quite angry too. There were a lot of disciples in Fengyun clan. But, there were only two Divine-Spirit Fruit trees. So, not every disciple could get a chance to eat the Divine Spirit Fruit.

The Divine-Spirit Fruit would lose its significance if it was being shared by a lot of people. So, they chose to give it to a certain group of disciples only.

Therefore, they were angry when they saw how Qing Ling had reacted.

However, Qing Ling was the manor lady’s servant. They did not dare to do anything to her.

“Senior Mo...” One of the women pulled at Mo Feifei’s sleeves. “Why don’t we forget about it? She has only just wasted one piece of fruit. She won’t do that again in the future. She’s with the manor lady. Let’s forget about it.”

### **Chapter 729: Qing Ling is Being Bullied V**

“So what if she’s with the manor lady?” Mo Feifei seemed quite arrogant. “I can say that not one disciple in Fengyun clan is as talented as I am. Zheng Chuchu was there to compete with me before. But, now that Zheng Chuhu is gone, I believe that the manor lady will be more than willing to stand by my side.”

In fact, one of them was a talented disciple in Fengyun clan.

While the other one was only a servant.

Everyone knew very well which side to choose.

The servant was a True Warrior and she would surely be identified as a genius if she was placed in the secular world. But, she was now at Fengyun Manor.

Mo Feifei had made a breakthrough to Advanced True Warrior when she was at Qing Ling’s age.

Everyone knew that one could easily make a breakthrough before True Warrior tier. But, one needed a few years to make a breakthrough when they had reached True Warrior tier.

But, Mo Feifei only used two years to make a breakthrough to Spirit Warrior tier.

Many would invite Mo Feifei to become their disciples even if she left Fengyun clan given that she had such huge talent.

‘Manor Lady will surely know what is best for Fengyun Manor.’

“You can say whatever you want. I’ll return a Divine-Spirit Fruit to you tomorrow.”

Qing Ling did not want to create trouble in Fengyun Manor for the princess’s sake.

She had no choice but to endure the accusations.

“Return one to me tomorrow? It’s hilarious! Do you plan to steal a Divine-Spirit Fruit in the middle of the night? If not, how will you be able to return one to me tomorrow? I just don’t understand why the manor lady keeps a person like you as her servant. If it was me, I would have traded you with someone else to prevent you from creating trouble for the manor lady!”

Mo Feifei gestured and sand was swept up from the ground. She gathered the stones on the ground and they were swept up into the sky. Qing Ling’s path was blocked.

“Senior Mo.”

The others saw how Mo Feifei reacted. She was quite out of line. They had no choice but to try their best to stop her.

“Just forget about it. Don’t talk anymore. She’s with the manor lady. We need to respect the manor lady too.”

Mo Feifei was the most arrogant and pompous disciple among all the other disciples. She had never treated the weak ones nicely simply because she was more talented.

But, she was still a talented person. She was arrogant because of her talent. They did not dare to say much or argue with her.

But now...

That servant was the manor lady’s servant.

They did not care about which side the manor lady would take in the end. Mo Feifei’s action would be regarded as disrespectful toward the manor lady. How would the manor lady be treated in Fengyun Manor in the future?

“Moreover...” That lady continued speaking softly. “She knows that she’s wrong. Why don’t we just forgive her? I will give away my Divine-Spirit Fruit this time. Let someone else have my Divine-Spirit Fruit.”

“Shut up!” Mo Feifei shouted angrily. “I don’t allow anyone to tarnish anything that belongs to our Fengyun clan!”

That woman was about to say something more. But, eventually, she did not say anything after realizing how angry Mo Feifei seemed.

“Then, what do you want?” Qing Ling turned and looked at Mo Feifei, angrily.

Mo Feifei smiled, sardonically. “I want you to spit out the bite of fruit that you have eaten just now.”

“You...” Qing Ling’s face was red with anger. “You’re out of the line!”

“If you don’t want to do that, I’m more than willing to help you!”

Mo Feifei advanced toward Qing Ling slowly.

“Senior Mo!”

The other disciples were anxious now.

But, Mo Feifei became angrier when the other disciples tried to stop her.

‘I’ll never allow these people to disobey me just because of a servant! It’s disrespectful to me! How can I endure that?’

Alas, the more they tried to stop her, the more she didn’t want to let that lowly servant off.

### **Chapter 730: Qing Ling is Being Bullied VI**

“Stop!”

Mo Feifei came to stand in front of Qing Ling. All of a sudden, an angry voice was heard.

A soft breeze blew by and Zheng Chuchu came to stand between Mo Feifei and Qing Ling.

“Mo Feifei, I never thought that you’re so daring to bully the manor lady’s servant.”

Mo Feifei’s facial expression darkened. “I never thought that you’ll side with the servant. Is it because you’ve been staying outside for half a year and you think that you’re just the same as the servant? Where has your pride gone as a genius?”

“She’s with the manor lady!”

“So what?” Mo Feifei did not seem to care about that in the least.

‘I’m a genius. I have my pride and I’ll never bow down to a servant.’

“The manor lady is a person who places great emphasis on family ties and friendship. If you dare to do anything to Qing Ling, the manor lady will never forgive you! I’m warning you now!” Zheng Chuchu said, expressionlessly.

Mo Feifei sneered. “I believe that the manor lady is not that kind of person. She’s a leader in our Fengyun clan. She must put Fengyun clan before everything else. If she’s like the other forces and acts selfishly, she won’t be able to stay here for long. But, the manor lady is an intelligent and strong person. She’ll never give me up for just a servant’s sake.”

‘Moreover, she’s just a servant and she’s not the manor lady’s friend or relative. If I did anything to a servant, surely the manor lady will not say anything...’

Zheng Chuchu smiled coldly. “What if I don’t allow you to do that?”

Mo Feifei grew cold and seemed indifferent. “Zheng Chuchu, are you sure you want to become my enemy just because of a servant?”

“Yes!”

“Zheng Chuchu, we drew a tie when we fought with each other before. Do you still think that you’ll be able to fight with me now?” Mo Feifei narrowed her eyes and advanced toward Zheng Chuchu slowly.

She was an Intermediate Spirit Warrior. She was immersed in her own spiritual force. She released her power and it was so powerful that the entire sky was filled with the strong force.

\*\*\*

Not far away, Feng Ruqing stopped walking. She looked in the direction where the force came from. She seemed cold and serious.

“Did somebody come and create trouble here in Fengyun Manor?”

Liu Li was stunned. She followed close behind Feng Ruqing. She seemed rather hesitant. “Princess, I know the way. Lady Chuchu showed me before. That place... seems to be the manor that belongs to the disciples of Fengyun clan.”

“Liu Li, let’s go and find out what’s wrong.”

Feng Ruqing had a soft smile on her face but that smile was rather cold.

'Nobody is allowed to create trouble here in Fengyun Manor!'

\*\*\*

"Zheng Chuchu, do you see that now? I made a breakthrough before you." Mo Feifei sneered at Zheng Chuchu arrogantly. "Do you still think that you can protect that servant?"

Zheng Chuchu clenched her fists tightly. "No disciples can fight among themselves in Fengyun clan. Have you forgotten about that? I don't want to disobey the rules in our manor. Don't force me. I'm afraid that I'm unable to hold back anymore..."

"You're just afraid of me. Why give me such a lame excuse? Moreover, I'm not wrong here. I'm just protecting Fengyun Manor and guarding its interest." Mo Feifei smiled, coldly.

"Mo Feifei, don't be ridiculous!"

The servants who followed closely behind Zheng Chuchu were infuriated.

"If you dare to make an attack, you'll definitely regret it!"

"Hmm..." Mo Feifei smirked. She looked at the people in front of her condescendingly. "I, Mo Feifei, have never known what regret tastes like. All of you treat yourselves like humble servants after you've left the manor for quite some time. You don't know that every disciple in Fengyun Manor cultivates diligently. Soon enough, your status here in Fengyun clan will surely be replaced by them."
