Chapter 751: Poison Those Shitty Grandchildren II

Hence, Lei Yin was the only one Feng Ruqing could trust in Fengyun Manor.

'It seems that the manor lady has completely lost her trust in Fifth Elder.' The corners of Lei Yun's lips lifted.

"Manor Lady, don't worry. I won't reach a bottleneck so soon. Hence, I don't need to go into closed-door cultivation. I will restructure the entire Fengyun clan. Both Tang Yu and Mo Feifei will never appear in the clan again."

As Lei Yun had gone into closed-door cultivation for the past few years, he did not get himself involved in anything related to Fengyun clan. Now that he wanted to restructure the entire clan, naturally, he must get his hands dirty. Otherwise... there might be more people like Mo Feifei in Fengyun clan.

"Lei Yun, you just have to bear this in mind. It is fine if the disciples of Fengyun clan have no talent, but not without humanity. They can compete with one another but they can never humiliate each other. If someone refuses to follow the rule, make him or her spit out all the spirit herbs that he has taken and throw him out of Fengyun clan!"

They must never think that they could do whatever they wanted and still remain in Fengyun clan after taking so many spirit herbs.

"At your command, Manor Lady," Li Yun answered respectfully.

Feng Ruqing yawned lazily. Her lazy gaze swept past Lei Yu.

"I will leave Fengyun Manor a few days later. When I come back, I hope that everyone's strength in Fengyun Manor will have greatly enhanced."

Originally, Feng Ruqing should have left as soon as she knew the route to Tian Shen Manor. However, she had stayed here for quite some time as she was waiting to harvest the Grade-5 spirit herbs.

Although her spiritual qi could speed up the ripening of spirit herbs, she was only capable of ripening one piece of spirit herb a day.

As Fengyun clan needed a great number of spirit herbs, she could never get all of them within a short time period using her spiritual qi. Hence, she could only wait for the spirit herb to grow at its own pace.

"Five more days..." Feng Ruqing lowered her eyes. She could finally leave Fengyun Manor for an extremely mysterious place after five days.

Feng Ruqing raised her head to look at the vast blue sky.

'Chen'er... Half a year has passed. How have you been? I can finally meet you again. If you are having a hard time, I will bring you home... no one is allowed to hurt you for the rest of your life!'

Feng Ruqing clenched her fists subconsciously as she dropped her eyes.

Walking briskly in the courtyard wearing a red robe, her long black hair fluttered in the wind. Suddenly, Feng Ruqing disappeared without a trace.

As the night wore on, the curtains moved gently in an evening breeze that was sweeping through the open windows. Smoke curled up in the air from the incense burner.

A young master stood by the bed, staring quietly at the lady lying on the bed. The corner of his lips curved into a smile. Slowly, he lowered his head and pressed a gentle kiss that was full of tenderness, longing, and love on the lady's lips

"Qing'er, just do whatever you want to do. I will always stay by your side and bring all the unsettled matters to an end." His fingers slid through the lady's hair. His eyes were full of tenderness.

At this time, the lady was sleeping like a log and did not respond.

The young master's slender fingers slid across her cheek. He retracted his hand, he was still staring at the lady on the bed. After a while, he turned to leave, reluctantly.

At this moment, Lei Yun was waiting fearfully outside the chamber. When he saw that the young master had left the chamber, he heaved a sigh of relief.

Chapter 752: Poison Those Shitty Grandchildren III

Fortunately...

Nan Xian did nothing to the young lady. Otherwise, he did not know how to stop Nan Xian with his current strength.

If he did not stop Nan Xian, the manor master would not spare him!

But...

Lei Yun looked at the man and frowned slightly.

Nan Xian and the young lady... what was their relationship?

He always felt that Nan Xian looked at her differently.

But if the young lady was going to be with Young Master Nan Xian, she would have to endure countless attacks from other people. He was not willing to let the young lady suffer any injuries.

"These days, she seems to be having some bad sleep. I have given her some fragrance that will calm her down. You don't need to disturb her." Nan Xian's eyes were cold as a moon. His white robe was floating like a fairy. "And... ask the women from Fengyun Manor to stay away from her. So, she can get a good rest. Don't let them harm her with their beauty."

Lei Yun was speechless.

Why did he always feel that there were hidden meanings behind Nan Xian's words?

“Young Master Nan Xian, don’t you want to wait until the young lady wakes up?” Lei Yun asked, carefully.

The man slightly smiled. “No, she doesn’t want me to follow her.”

Lei Yun was silent.

Was Tian Shen Manor’s Nan Xian such a nice person to talk to?

The young lady did not want him to follow her. Hence, he secretly followed her like an idiot? And even ran to look for her while she was asleep?

“Young Lady, she... why doesn’t she want you...?”

Nan Xian looked back. Then he looked at the girl in the room coldly before his gaze gradually warmed up.

“She wants to protect me and doesn’t want me to go back to Tian Shen Manor. So, why don’t I cooperate with her?”

This feeling of being protected by her... as if it had happened before.

“I will come in the next few days.” Nan Xian glanced back. “No one in Fengyun Manor is allowed to do anything. Don’t let her know.”

Lei Yun’s old face stiffened. He was a little hesitant, but finally gritted his teeth and asked, “Young Master Nan Xian, my manor lady is not a married woman. It’s not appropriate for you to come to her every night.”

Although the young lady was once abandoned, the marriage was not recognized by the manor master.

As it was not recognized by the manor master, so it did not count!

His manor’s young lady was still a girl!

“I will marry her.”

Nan Xian stared again at the girl on the bed through the opened door. His lips were plastered with a slight smile.

Elder Lei Yun was relieved.

‘Wait a minute...

‘Something’s wrong!’

If the young lady was going to marry, what about those girls in Fengyun Manor?

“This... Young Master Nan Xian...” Lei Yun gritted his teeth. “Although Fengyun Manor is far less powerful than Tian Shen Manor, the young lady is the manor master’s life. If the young lady is harmed in any way, Fengyun Manor will definitely avenge for her. Moreover, my manor’s young lady will never be a concubine.”

Nan Xian’s cold gaze fell on Lei Yun.

That indifferent gaze made Lei Yun's heart tremble. He took a few steps backward, and his forehead had already broken out in cold sweats.

"I know that the Mu family's master is seeking a wife everywhere for you. However, if you really like my manor's young lady, you can't allow her to be only a concubine. Otherwise, don't provoke the young lady..."

Nan Xian's eyes grew colder. "Qing'er will always be my only one."

'She can't be a concubine!

'If she is my wife, there will be no concubine!'

"But..." Lei Yun swallowed hard. "You are so filial. If your father forces you..."

Perhaps the man's aura was too intimidating, Lei Yun had even unknowingly used the terms of respect.

Nan Xian's eyes were slightly cold. "I'm filial?"

"Everyone in the reclusive world knows about it."

Chapter 753: Poison Those Shitty Grandchildren IV

Everyone knew that the Mu family's Nan Xian was very filial and obedient to Mu Ling. Other than that, he was also handsome and extremely talented.

"Yes."

Mu Ling praised him. Nevertheless, he knew that it was not for him, but to declare to the world. As long as it was the woman that Mu Ling had picked for him, he would obey and accept.

In this way...

Should he go back and hang Mu Ling at the gate of the city and beat him a hundred times to show his impiety?

"Young Master Nan Xian..." Lei Yun saw Nan Xian's hardened face. He became more and more hesitant.

Nan Xian gradually regained his composure. "My mother likes Qing'er very much."

"..."

What did Young Master Nan Xian mean?

"Whether my mother likes her or not, she is the only person I recognize as my partner."

It meant that no one can intervene in his decision.

His previous words actually told Lei Yun that everyone in his family would accept Qing'er.

Mu Ling was the only one who could not accept her!

Of course, Nan Xian would not have spoken so much with Lei Yun if it was in the past. It would be sufficient to just say the final decision.

But today Lei Yun represented Nalan Yan.

He would let Nalan Yan know that Qing'er would marry him without any grievances!

Nan Xian stopped talking.

He closed the door for Feng Ruqing and walked past Lei Yun.

The man's white robe under the moonlight made the atmosphere seem even colder. His fairy-like figure went further and further, disappearing quietly in the night.

As if he had not come before...

The next day.

In the morning sun, the girl opened her eyes slowly.

She stretched her body and slowly rose from the bed.

She did not sleep very much in the past few days. Even with the help of the Divine-Spirit Fruit, she was not as comfortable as last night.

"Maybe I miss the state preceptor too much. I dreamt of him last night..."

She felt that someone was there last night.

But there was no sound in Fengyun Manor. Maybe she thought about it too much.

Perhaps she really missed the state preceptor so much that she dreamt of him.

"I will be able to go back to the state preceptor after I have found Chen'er."

Feng Ruqing squinted.

Not only Qin Chen was in that Tian Shen Manor, but also... the Mu family!

If she had the chance, she really wanted to see who was the woman who drove Suyi away. Who had hurt Suyi and Nan Xian so much?

"Princess."

Liu Li came in through the door with a basin of water.

She laid the basin on the table and walked in front of Feng Ruqing.

"Princess... Paramount's Young Master Jiu Ming is here."

Feng Ruqing was stunned. "Jiu Ming? Why is he here? If nothing has happened, he can't come to me. Liu Li, ask him to wait for a moment. I'll go to him after I have cleaned up."

“Yes, Princess.”

Liu Li left after she bowed.

Fengyun Manor.

In the manor’s courtyard.

Jiu Ming stood in the center of the stone pavilion with one hand behind his back.

He smiled a little but his eyes were fixed on the girl who was not far away.

“Girl, you left without a word. It’s hard for me to find you.”

They had both experienced a battle in the Forest of Spirit Beasts together. Now that she was going to leave, she remained silent and had disappeared without even saying goodbye.

If he had not come to her, he would not know if she would go to him at all.

“Jiu Ming, you wanted to meet me... Did something happen in Liu Yun Kingdom? Or is there a problem with the herbal dishes in Paramount?” Feng Ruqing walked to the center of the stone pavilion and stopped.

Chapter 754: Poison Those Shitty Grandchildren V

Jiu Ming smiled wickedly. “Can’t I visit you for no reason?”

“Hmm...” Feng Ruqing’s fingers stroked her chin as she smiled a little. “You are so busy. It’s impossible for you to come to me unless it is a serious matter.”

Her smile was beautiful and picturesque.

It was like a hand tickling the man’s heart.

“I do have something to tell you.” Jiu Ming looked at Feng Ruqing intensely. “Someone came to inquire about you recently.”

Feng Ruqing was startled. “The Mu family?”

“Yes.”

“The Mu family knows about my relationship with Nan Xian. It’s normal to inquire about me... it’s normal.”

“No.” Jiu Ming shook his head with a smile. “They asked about the person who provided us the herbal dishes in Paramount. Luckily, I have warned the fat girl that you have recruited for Paramount to not tell anyone about the herbal dishes. However, regarding your spirit beast’s capability in making herbal dishes, I fear that it will spread out sooner or later.”

Feng Ruqing had never said anything about the herbal dishes.

She had even concealed it deliberately in front of the maids in Fengyun Manor. She no longer took out the herbal dishes recklessly.

She only allowed two girls, Liu Li and Qing Ling, to use the herbal dishes.

The two girls had not been exposed to spirit herbs. Moreover, they were naive. She lied to them that it was just an ordinary herbal dish. The two girls were completely convinced.

But such deception could not be applied to others.

In the beginning, she had planned to use Paramount to earn Gu Yiyi's money. However, Gu Yiyi was not as silly as Xiao Yin. So, Gu Yiyi must have guessed that she had something to do with the herbal dishes in Paramount.

"Oh, what about them? Just let them find me if they want to." Feng Ruqing smiled, indifferently.

"Besides, I believe that you won't betray me."

Jiu Ming smiled helplessly. "Paramount is destined to help you settle this mess. But girl, Paramount ... will be yours in the future."

"I don't need it."

Feng Ruqing shrugged as she did not have much interest in Paramount.

"I will manage Paramount for you. In the future, Paramount's owner must be your people." Jiu Ming's tone was firm and could not be rejected.

Feng Ruqing's face darkened.

Was this guy forcibly giving Paramount to her?

She could not even reject it?

"Jiu Ming, why did the people of Mu family seek me?" Feng Ruqing groaned for a moment and asked. "Is it because of the Mu family's old master? Does he need treatment?"

In Liu Yun Kingdom, Suyi had no longer hide after her identity was revealed. She even mentioned the Mu family's old master several times.

It was said that the old master was in poor health, so the Mu family had fallen into Mu Ling's hands.

Originally, Feng Ruqing was ill-disposed toward the Mu family.

Until Suyi told her that the Mu family's old master had always stood by her.

With this, she knew that not all the people in the so-called Mu family were wicked.

"No, they came to inquire about your gender." Jiu Ming sneered.

"My gender?"

"Yes. The Mu family wants to know if you are a male or female."

Feng Ruqing was silent. After a while, she said, "What is their purpose of knowing that?"

Jiu Ming smiled again after hearing her words. He strangely looked at Feng Ruqing.

“The Mu family’s Nan Xian’s marriage has been canceled again. The news has spread in the reclusive world.”

“...”

Chapter 755: Poison Those Shitty Grandchildren VI

“The first fiancée that the Mu family had found for Nan Xian ran away. After that, they went to the manor master and wanted to forge an alliance through marriage. Unfortunately, Tian Shen Manor’s manor master led a group of people to the Mu family to cancel the marriage not long ago. Nan Xian was abandoned once again.”

“...”

Somehow, Feng Ruqing felt some sympathy for Nan Xian then.

He had been dumped twice in a row.

2

“Are you unhappy?” Jiu Ming asked with a smile while looking at Feng Ruqing’s face.

Feng Ruqing hesitated for a moment. “I was just wondering why Nan Xian was being dumped again. If the woman did not want to accept him, then she should reject the marriage from the start.¹ Why did she abandon him afterward? Did the Mu family do something?”

She knew that Tang Yin had rejected the marriage for her sake.

But what about Tian Shen Manor’s young lady... why did she do that?

“So...” Jiu Ming smiled. “Regarding the Mu family asking about your gender, maybe they want to control you through marriage. A genius who can develop an herbal dish is definitely capable of doing some research on producing a spirit herbal dish. This will benefit all major forces.”

“The only good thing is that the only person who knows that the herbal dishes are produced by you, Feng Rushuang, is dead. As for other people... I have gone to them one by one. They admired you so much. Furthermore, they are all from Liu Yun Kingdom. Thus, they will not betray you.”

Jiu Ming was silent for a long time and then continued.

The other day, Feng Ruqing had introduced the public to a prescription for treating scars at Paramount’s boathouse.

Later, those people could guess that the herbal dish in Paramount must have come from Feng Ruqing.

Fortunately, those people who were there that day were all from Liu Yun Kingdom and they liked Feng Ruqing so much. So, nothing would have come out from them.

“Oh,” Feng Ruqing simply replied.

“Girl...” Jiu Ming’s eyes were gentle. “If you just say it, you can be Nan Xian’s rightful wife.”

Feng Ruqing sneered. “We don’t need those people to intervene in our matters. Even if they accept us, we will not be a part of the Mu family. On the contrary, I will not leave Nan Xian if they are against it!”

Ridiculous!

The Mu family had treated Suyi so badly. Why would she serve the Mu family?

Were they not afraid that she would poison their shitty grandchildren?

Jiu Ming kept quiet. Then he continued to ask after a while, “Girl, when are you going to Tian Shen Manor?”

Feng Ruqing smiled. “After a few days. If you are in Liu Yun Kingdom, don’t let Suyi know that I’m going to Tian Shen Manor. I will avenge them, but I don’t want them to see those disgusting faces again.”

Suyi was gentle and elegant. She surely could not fight those people.

She could not even curse. She would only be bullied.

Therefore, she would never let Suyi participate in this matter.

Jiu Ming smiled helplessly. “Even if I don’t say it, they will know that you have gone to Tian Shen Manor...”

“It’s okay, just distract them for as long as you can.” Feng Ruqing shrugged. “Jiu Ming, no matter what, I still have to thank you for helping me.”

Jiu Ming had offered her too much information.

If it were not for Jiu Ming, she would not have known that Chen’er was in Tian Shen Manor.

“We are partners. Of course, I will help you.” Jiu Ming’s eyes quickly scanned Feng Ruqing’s body.

He was still laughing heartlessly.

But was it really the case? Only he knew the answer.

He could have ordered someone to deliver the news to her.

However, he came here personally.

Just so he could see her again.

Chapter 756: He Is As Cute As A Girl I

“Oh.” Feng Ruqing’s eyes were clear. She smiled. “I hope you can help me look after Liu Yun Kingdom. My imperial-father and imperial-mother are not in Liu Yun Kingdom now. I am afraid that the Mu family might target Liu Yun Kingdom if they can’t find me.”

Jiu Ming’s hand caressed Feng Ruqing’s head. “Don’t worry. I won’t let your country be harmed in any way.”

“That’s right...” Feng Ruqing’s eyes slightly narrowed. “If the Mu family really wants to know my name, just tell them my name is Qing Xian.”

Qing Xian. If the words were changed, it might be a combination of their names.

Which implicated Nan Xian and her.

But if the two words were directly used, it would be too obvious. That was why Feng Ruqing decided to use words that had the same pronunciation.

“Okay.”

Jiu Ming’s eyes fell on the girl’s face. “One more thing. Nan Xian’s mother, Nan Suyi has left Liu Yun Kingdom.”

Feng Ruqing was stunned.

What? Did Suyi leave Liu Yun Kingdom?

“And...” Jiu Ming paused. “Tan Shuangshuang is missing! She seems to have been taken away by some other forces and her whereabouts have been intentionally erased. It will take some time for Paramount to find the person who took her away.”

Since the beginning, Feng Ruqing did not really care about Tan Shuangshuang. Nevertheless, Feng Ruqing had never expected that Tan Shuangshuang would be taken away at this time.

She touched her chin. She groaned for a while. “No problem. Tan Shuangshuang can’t cause any trouble. Jiu Ming, when are you leaving?”

Jiu Ming suddenly laughed. “Little girl, why do you want me to leave so quickly?”

“Well. I just want you to help me investigate something. Why are the people from the Divine Herbs Sect attacking the people from Tian Shen Manor? I always feel that someone is involved in that matter.” She squinted, a ray of light flashed in her eyes.

She immediately looked up, staring at the man in front of her.

The man was wearing a mask that covered the unrivaled beauty under the mask.

“Actually...” Feng Ruqing smirked. “You don’t have to hide your face all the time. Your birthmark is ... is beautiful. Not everyone in this world hates to see your face.”

The man touched his mask. He stared at the girl’s smile.

Suddenly, he chuckled and took off the mask, exposing an evil but handsome face.

The lightning sign on his face was so beautiful that it added a bit of wickedness to his appearance.

“If you don’t want me to wear a mask, I won’t wear it again in the future.”

“...”

Feng Ruqing blinked.

She was just giving a suggestion. Why did she feel that there was something else behind Jiu Ming's words?

"It's getting late. I'll go and investigate the matter regarding the Divine Herbs Sect and Tian Shen Manor." Jiu Ming looked at the girl in front of him. "Maybe we will meet each other in Tian Shen Manor next time."

Since she had decided to go to Tian Shen Manor alone, he would not let her run into danger.

Feng Ruqing did not doubt Jiu Ming's words.

Jiu Ming was a member of Deities Gate. They might really meet in Tian Shen Manor in the future...

Jiu Ming did not stay on after he finished his words. He glanced at Feng Ruqing and turned around. Then, the figure in a purple robe gradually disappeared in the morning light.

Just as he stepped out Fengyun Manor, an elder was respectfully waiting for him.

Chapter 757: He Is As Cute As A Girl II

"Let's go," Jiu Ming said with one hand behind his back. There was a bright smile on that handsome but evil face. "Return to Paramount in Liu Yun Kingdom."

"Yes, Young Master." The elder greeted him, respectfully.

But he was slightly shocked when he saw Jiu Ming's face.

The young master had never taken down the mask. He had developed this habit over the years.

So, why after visiting Fengyun Manor...

He was willing to show other people his true face?

"Young Master, I don't understand." The elder frowned slightly. "Why do you protect Feng Ruqing? And even take the risk of fighting against the master?"

The young master had recently acted against the master more than once for Feng Ruqing. No matter how the master persuaded him to return to Deities Gate, he still refused and ignored it.

Jiu Ming paused in his steps. "Since I am her business partner, I will not let anyone hurt her."

The elder smiled bitterly. "It seems to me that you don't just treat her as simple as a friend, let alone a business partner."

Jiu Ming turned his back to the elder behind him. He stared at the rising sun not far away.

His actions... was he really that obvious?

But the girl did not notice anything.

It was better like this. At least being her business partner, she would not alienate him in her life.

“What can be said; what can’t be said, you should know very well.” Jiu Ming’s eyes glanced at the elder. “Most importantly... don’t let her know.”

The elder was speechless.

Should the young master not worry about letting the master know about it?

Why did he only worry that Feng Ruqing will know about it?

Under normal circumstances, should a man not chase the woman he was in love with? Why did he not want to let her know?

“Young Master, you are a great man. If you like her, why not tell her? Maybe...”

Jiu Ming’s eyes darkened. “Because the woman I like is not a half-hearted person. Xiao Qing’er already loves someone else. Unless she abandons that guy first, I will only cause her more trouble.”

How could the woman he loved be half-hearted? If that was the case, how was that different from any other ordinary woman?

“Furthermore, Xiao Qing’er is also a great woman.” Jiu Ming smirked. “Not only is she talented, but she also has a very good background. No one can match compare to her. The Mu family will regret treating her like this sooner or later!”

The elder was stunned. “Young Master, I know that the princess is very talented, but her background... Although Fengyun Manor is ranked among the top ones in the reclusive world, it is an overstatement to say that no one can compare to her. There is still the Divine Herbs Sect, Tian Shen Manor, and Deities Gate which are above Fengyun Manor.”

“You’re wrong.” Jiu Ming shook his head. “Xiao Qing’er... was Tian Ya’s descendant.”

Tian Ya...

Young people might not be familiar with this name, but to the older generation, it was a nightmare.

Jiu Ming was just born when Tian Ya had left. However, he was always searching more about Tian Ya after learning about that name.

These were what the three forces wanted to know!

“Young Master...” The elder’s lips were trembling. He was shocked. “You said... she... she is Tian Ya’s descendant?”

“Yes.” Jiu Ming smiled. “Ten years ago, the three forces were fearful of Tian Ya’s powerful strength. The reclusive world would have already been subverted that day if only there were not too many people.”

Chapter 758: He Is As Cute As A Girl III

“In the end, they would rather accept any conditions set by Tian Ya and they would push Tian Ya closer to that place, which shows how deep their fear of Tian Ya is!”

Jiu Ming raised his eyes again. His eyes gleamed subtly.

Even if the people who had entered that place did not come out, Tian Ya was still alive! As long as he was alive, he might leave that place one day. By then... who would be his opponent?

They could not beat him back then, let alone now!

The elder was really shocked. If Feng Ruqing was really Tian Ya's descendant, then no one in this world would dare to invade Liu Yun Kingdom.

"I also found out not long ago that Tian Ya was the retired emperor of Liu Yun Kingdom." Jiu Ming still had his back to the elder. "And as far as I know, he fought against the entire reclusive world all by himself that day. It was because a man from the reclusive world had killed innocent people in one of the cities in Liu Yun Kingdom. That had completely angered him!"

"If he could do this even for the ordinary people, Xiao Qing'er is being his granddaughter would be treated no less. If he returns in the future and finds out that she has been bullied, do you think there would be peace in this world?"

If he could be so furious on behalf of the ordinary people, he would be even more exasperated if it was his family!

By then...

The world would no longer be peaceful!

Jiu Ming only admired two people in this life.

They were Tian Ya and Empress Nalan.

Both of them regarded the people as their children. So, he could not help but admire such heroes.

"Elder Lei, I can only trust you in Paramount. I can't let anyone know about this. I want to see what else will those people do!"

With Tian Ya's talent, no one could be stronger than him now...

Therefore, he was not wrong.

Comparing identities, no one could compare to Feng Ruqing!

"Yes, Young Master."

The elder was a clever man. He naturally knew that he could not spread the news.

But he sighed as he thought of the faces of the people in Deities Gate.

The young master obviously did not want to care about them. He only hoped that they did not do anything terrible. Or else the whole Deities Gate would be destroyed one day...

"Let's go."

Jiu Ming stopped talking and walked down the hill.

Elder Lei followed him closely and disappeared from the road in front of Fengyun Manor.

Liu Yun Kingdom.

Inside the imperial city.

All the people who were walking on the street stopped short. They were astonished and they could not even look away.

They were all looking at a young man in a black robe.

The young man had fair skin, pink lips, and prominent eyebrows. His eyes were as clear as water, and his childishness teased beneath his appearance.

If Nan Xian's beauty was described as a work of art. Well, this young man was like the person who first came to the world. He was indifferent but handsome. Moreover, he was as cute as a girl.

It was like Nan Xian was a god whereas this young man was like a pet—obedient and loyal.

“Why are these people looking at me?” The young man frowned. He was bewildered and puzzled.

He bit his lip and hesitated for a moment. Then he approached a passerby and asked, “May I know how do I get to the princess's manor?”

The middle-aged man who was approached was very excited.

Indeed. Although he was a man, this young man was too cute. This young man made his heart skip a bit.

3

Chapter 759: He Is As Cute As A Girl IV

But the young man's words felt like a basin of cold water was poured over him. He was drenched through by his words.

Another person who was bewitched by the princess!

Recently, the girls in the imperial city were obsessed with the princess. Why was such a cute boy also obsessed?

It was like this world had changed for a moment.

Everyone was bewitched by a woman regardless of their gender.

“Just go forward.” The man sounded like he was crying when he said, “You will see a manor labeled Supreme Princess Manor. That is the place.”

He had been so lonely to such an extent that even seeing a young man made his heart flutter because all the girls were pursuing the princess. Why did the princess still not let go of these people?

Could the princess not give them, the singles, a chance to marry?

Did they have to go to a brothel?

Just forget it, a brothel was not a good place to visit...

The young man continued to walk forward after he had thanked the passerby.

The man wiped his bitter tears and sighed softly. "It looks like I may even think that a dog is handsome in the future."

Fortunately, the princess had gone out. It would not be long before those girls' interest dissipated with time. So, they might have a chance...

Otherwise, they might really have to marry a dog in this life.

Outside the princess's manor.

A snow wolf rushed out and blocked him as soon as the young man stepped in.

It deliberately bared its brutal teeth, trying to scare the young man away.

"Huh?" The young man moved forward a little. He looked at the dog... Oh no, the wolf. "Are you the dog that Fu Chen mentioned, the dog that has seduced Little Nine?"

A dog?

The snow wolf was stunned for a moment and then became angry.

You are the dog!

Your whole family is dogs!

Even if it was a dog, it must be a fierce dog!

"Arhwoo!"

The snow wolf rushed forward, angrily.

The young man raised his hand and slapped it when it approached him. It was flung several meters away.

He slightly raised his eyebrows and stood proudly under the morning light.

He had a dominating aura and was no longer the cute man he was before.

"Just forget about the wild man who wants to snatch Little Nine from me. After all, I can't beat him. You are just a dog. How dare you try to snatch Little Nine from me?"

"Arhwoo!"

The snow wolf's eyes were red.

He was not a dog, not a dog!

The snow wolf stretched out its paw furiously and pointed at the wild man. It howled at him loudly.

'Master said that even if it can't beat him, it has to scold him. He can't bear losing, anyway.'

"Oh, so you know how to scold people." The young man continued to walk forward. "Good dogs don't stand in the way. I'm going to find Little Nine."

The snow wolf's eyes grew redder.

He was a wolf. He was really a wolf!

The other spirit beasts were also shocked by what happened outside and quickly ran down the back hill.

They must look after the manor when their master was not there! Lest someone stole the spirit herbs!

The corners of the young man's lips lifted when he saw the beasts rushing downhill. His intimidating aura suddenly stretched across the entire place.

The spirit beasts were intimidated by his aura and could not but help lie on the ground.

"Where is Little Nine?"

At first, Beary and Beary II did not recognize the young man.

Until the aura was spread wide open, then only they frowned and glanced at each other.

"Woof!"

"Second Brother, he seems to be the dragon named Big Gray Doggie."

"..."

The young man's face was darkened. He stomped angrily. "I'm Big Black, not Big Gray Doggie!"

Chapter 760: He Is As Cute As A Girl V

Beary turned to look at Beary II. "Woof!"

'It doesn't matter if he is called 'big black' or 'big gray doggie', his owner has given him a good name. But my name is still better. 'Beary' sounds like a boss.'

Beary II already felt that the young man's aura was getting stronger. It was lying on the ground shivering and ignoring Beary.

"Boss?" The young man regained his senses. He grinned. "I will be the boss of the spirit beasts in the future. This princess's manor will be under my control! You will all be my followers!"

At this moment, the snow wolf could not hold in anymore. It howled loudly at the young man, scolding him.

On what grounds?

Why should this latecomer take away its status?

It was the boss if the owner was not here!

As a butler, he would usually receive a few Divine-Spirit Fruits. This brat must be going after the Divine-Spirit Fruits and wanted to steal his seat!

The young man lifted his eyebrow while looking at the snow wolf and said, dominantly, "It's fine if you don't agree with me. You can't beat me anyway. I will be the boss. The seat next to Little Nine will be mine. Her thighs, her hugs are all mine. None of you are allowed to challenge me."

Snow Wolf grunted aggrievedly.

This punk had gone too far!

It must sternly complain about him when the master returns.

It was too overbearing!

"Yes, do you know where is Little Nine?"

The young man frowned again.

It finally transformed into a human and wanted to surprise her. Who knew she was not here?

So, where did she go?

A red fox nearby thought about it. Then she whined twice.

"Tian Shen Manor?" The young man frowned.

The red fox nodded.

It happened to hear the master mention about Tian Shen Manor. Thus, it is thought that the master had gone to Tian Shen Manor.

The young man touched his head. "It seems like I will have to ask for directions again."

He knew nothing about the world. He found the places only by asking for directions.

Just as the young man turned his head and wanted to leave, he suddenly saw a white phoenix standing behind him.

"You mentioned Tian Shen Manor just now?" White phoenix hesitated for a moment and asked.

Xiao Qingqing went to Tian Shen Manor?

"Who are you?" The young man asked, coldly.

Another insignificant beast that wanted to steal Little Nine from him?

Unfortunately, Little Nine did not like dragons or birds.

"You're going to find Xiao Qingqing, then I'll go to Suyi. I know where Tian Shen Manor is."

White phoenix's tears flowed down as soon as it mentioned Suyi.

Feng Ruqing was gone, Nan Xian too was gone.

Suyi had also abandoned it and disappeared.

Leaving it behind in this unfamiliar place.

The young man's eyebrows twitched a little. Was this not the bird going for Little Nine?

Then he was rest assured...

"Alright then, take me to Tian Shen Manor."

"No problem, leave it to me." White phoenix patted its chest and promised. "Also, why do you call Xiao Qingqing 'Little Nine'?"

The young man blinked. "She was originally called Little Nine."

"..."

White Phoenix glanced at the young man sympathetically.

This little thing seemed to be not that intelligent. Her name was obviously Feng Ruqing. However, he wanted to rename her and call her Little Nine.

Why did he not call her Little Eight?

"Let's go."

The young man could not wait for Feng Ruqing to see him. Hence, he hurriedly urged the white phoenix.

White Phoenix simply responded and said slowly, "Don't worry. I'll buy a compass first."
