Chapter 791: A Friend Will Never Let You Down II

Once again, Luo Li stared at Feng Ruqing in awe. Perhaps, of all the people in the world, only Feng Ruqing was capable of turning her love rival into Nan Xian's love rival. She would definitely drive the people of the Mu family mad if they knew this.

Feng Ruqing was rendered speechless hearing Qin Chen's remarks.

'How embarrassing, could you stop talking about it?' It seemed that Feng Ruqing had truly ruined Nan Xian's reputation.

Thinking of this, Feng Ruqing turned her head around to look at Luo Li.

"Nan Xian... really has a bad reputation in Tian Shen Manor?" Feng Ruqing asked with a low voice.

Luo Li nodded desperately as she spoke.

"Previously, Nan Xian had been rejected once. It was Tang Yin's grandfather who had gone to the Mu family to call off the engagement. He was nearly killed by the people of the Mu family. Fortunately, Tian Shen Manor had a strict rule. Hence, they let go of him finally."

'Tang Yin's grandfather... Isn't he the first elder of the Tang family?' Feng Ruqing was startled. She had never thought that the first elder of the Tang family would personally call off the engagement. It was no wonder people of the Mu family were so mad.

Originally, not many people in Tian Shen Manor knew about this betrothal. When Tang Yi had called it off, it had rocked Tian Shen Manor.

Although Feng Ruqing did not know how Tang Yi got into Tian Shen Manor, she felt grateful for the things that he had done. She felt grateful for whoever created a stir in the Mu family.

"The second annulment is even more awful," said Luo Li with a bright smile.

"The manor master—Gu Shi personally went to the Mu family. Simply no one knows what had actually happened, the only thing we know was that Gu Shi had lost his temper as if someone in the Mu family had deceived him. Hence, this was once again widely spread in Tian Shen Manor."

"That was not all." Luo Li paused before she continued.

"Before that, the Mu family had arranged many concubines for Nan Xian. After Gu Shi had created a stir in the Mu family, everyone knows that there is something wrong with Nan Xian. Since then, some clans with strong foothold in this realm did not want to let their daughters step into the Mu family and had broken off the betrothals. On top of that, their daughters would only be Nan Xian's concubines. As for those clans without a strong foothold, the Mu family would never even have spared a glance at them."

Currently, only Qin Fei'er still maintained the arranged marriage. It was no wonder that the Mu family still had good ties with the Qin family.

Feng Ruqing was rendered speechless once again. This thing really had nothing to do with her. However, if she told Nan Xian that she was not involved, would Nan Xian trust her?

“The people of the Mu family had been keeping the manor master, Gu Shi, in the dark that they are selecting concubines for Nan Xian. Hence, when Gu Shi found out about it, he was furious. I knew this since the very beginning as they have approached me before. However, my grandmother doesn’t want me to be a concubine. Hence, she did not accept the arranged marriage.” Luo Li looked hard at Feng Ruqing.

Later on, the old lady thought of marrying Luo Li to Nan Xian as she wanted to get someone to take care of Luo Li. However, she would never let Luo Li be a concubine. The old lady thought that since Nan Xian had lost his reputation and many people had broken off the marriage arrangements, the Mu family might agree to make Luo Li Nan Xian’s first wife. However, now that Luo Li was in love with the little fox, she would not marry someone whom she had never met before.

Fortunately, the old lady did not accept the arranged marriage with Nan Xian. Otherwise, Luo Li would have lost a friend—Feng Ruqing. That was by far the most fortunate thing that had happened to Luo Li.

Luo Li was different from Qin Fei’er and the rest. She would never lose her mind over a stunning face in a portrait and be trapped by a scheme arranged by the people of the Mu family.

All of these ladies had good family backgrounds but were willing to be Nan Xian’s concubines. Had the men in the world gone extinct?

Chapter 792: A Friend Will Never Let You Down III

“It seems that Mu Ling is quite a fool and terribly greedy.” Feng Ruqing furrowed her brows, unsure of how to feel.

The manor master had the loftiest power in Tian Shen Manor, but Mu Ling had actually arranged marriage with the manor master’s daughter for Nan Xian but at the same time, also selecting so many concubines for Nan Xian? He was no doubt seeking his own demise.

“Yes, he is. The old master of the Mu family was the one who had built up the entire Mu family and had established a strong footing in this realm. Later on, the Mu family had strengthened its foothold with the marriage between Lady Suyi and Mu Ling. However, the Mu family had gone downhill since Lady Suyi left the Mu family.” Luo Li pursed her lips, disdainfully.

Perhaps, the people of the Mu family did this as they were worried about losing their power. The people who have accepted the arranged marriage had accepted because of Nan Xian. As Lady Suyi was so ethereal and otherworldly, perhaps, Nan Xian would not be that inferior to her. Hence, they thought that the Mu family’s status would be even higher in the future.

“Since none of you have met Nan Xian before, do you really believe in the things that Mu Ling had said about Nan Xian?”

“We haven’t met Nan Xian before, but the manor master had. Even the manor master holds Nan Xian with such high regard, no one would doubt the things that Mu Ling had said. Moreover, Mu Ling said

that Nan Xian would return to the Mu family one day. Naturally, Mu Ling would not lie about this. Otherwise, he would lose his reputation.”

The manor master, Gu Shi, had once asserted that Nan Xian would be the strongest in Tian Shen Manor. Perhaps, he would be more powerful than Tian Ya. Naturally, the ladies out there looked forward to being married to Nan Xian. They were so eager to step into the Mu family even though they would end up being concubines.

“Oh,” Feng Ruqing answered, weakly. The people in Tian Shen Manor were nothing but a bunch of fools. They had believed all of Mu Ling’s deceitful words.

The state preceptor was really something, but he belonged to Feng Ruqing.

“Oh yeah... Xiao Qing, I thought you said that the person you love only has a mother?” Luo Li stared blankly at Feng Ruqing.

“Well, to them, Mu Ling is dead! Just treat him as if he is already dead in the future.”

“Why? Although Lady Suyi had left the Mu family in a fit of despair, Mu Ling said that Nan Xian has always been filial and obedient to him.” Startled, Luo Li looked more and more confused.

“Don’t let Nan Xian hear this. Otherwise, he would tie Mu Ling to the city’s gate and whip him to show his filial piety.” Feng Ruqing sneered.

1Nan Xian had always been filial to Mu Ling? That was total nonsense! Mu Ling had upset Nan Xian, so why would Nan Xian be filial to him?

‘All of us had been fooled by Mu Ling? How dare he lie to the people of Tian Shen Manor! He truly does not fear that things might get out of his hands?’ The corner of Luo Li’s mouth twitched.

“Xiao Qing,” Luo Li pursed her lips, tightly.

“You must be careful of the people of the Qin family. Qin Fei’er is desperate to marry Nan Xian. Now that many people have called off the betrothals to Nan Xian, perhaps, she wants to be Nan Xian’s first wife.”

Previously, as Gu Yiyi was the manor master’s daughter, no one had dared to fight with Gu Yiyi. Now that the manor master had broken off the marriage with Nan Xian, the Qin family was no doubt the strongest among the rest.

Qin Fei’er would give up. Luo Li’s grandmother said that the Qin family would resort to any means and might inevitably put Feng Ruqing into trouble.

“Qingqing, Luo Li is on good terms with Qin Fei’er.” Qin Chen subconsciously held onto Feng Ruqing’s hand and glanced at Luo Li.

That was the reason why Qin Chen did not want to talk to Luo Li in the Qin family. Had it not been for the fact that Luo Li could take him out to meet Feng Ruqing, he would not have spared a glance at Luo Li.

“But...” Luo Li’s face darkened. She was afraid that Feng Ruqing believed in Qin Chen’s words, so she explained, hastily.

“No, I am no longer on good terms with Qin Fei’er!”

Chapter 793: A Friend Will Never Let You Down IV

“Since when?” Feng Ruqing turned to look at Luo Li.

“It happened just now, in Paramount. I literally broke up with her!”

It was because... as compared to Qin Xiaoyue, Luo Li could never be Qin Fei’er’s kin. Even if Qin Fei’er knew that Luo Li was injured, Qin Fei’er did not avenge Luo Li but had advised Luo Li to be more considerate and never stir up trouble so Qin Xiaoyue could marry Luo Li’s father successfully.

Since childhood, Qin Fei’er had always been guiding Luo Li like an elder and had taught her to render good for evil. However, Luo Li disliked Qin Xiaoyue.

‘Who does she think she is? Why must I humor Qin Xiaoyue? She knew that my arm was hurt but she didn’t let me go. Am I not a human too?’

“I was on good terms with Qin Fei’er before. We were friends since childhood. As I was thoughtless and insensible back then, Qin Fei’er had always guided me to be kind to others. Hence, I would bury all my grievances even if I was wronged. She told me that I would lose all my friends if I fought back. In order to be lovable, I must be gentle and sensible.

“I trusted her so much and treated her like my dearest sister in the world. However, who cares about my sorrow? It is not my fault. Why must I take a step back? When I have finally grown up, I didn’t want to step back anymore, but she wouldn’t stop guiding me. Moreover, I was afraid that her health would worsen if I ignored her words. Hence, I put up with all the nonsense before her and would only settle scores when she was not around.”

“My mother gave me a jade pendant before she passed away. I wore it when I went out a few years ago. When Mu Huan saw it, he wanted to take it away from me. I refused to give it to him but Qin Fei’er stopped me. She wanted me to be generous and never fight him. She said that she would give me another jade pendant when I returned home.

“But that was my mother’s. I knew that I was no match to Mu Huan. So, I asked my father to get it back for me.” Back then, Luo Li’s father had not fallen for Qin Xiaoyue yet. Naturally, he had defended Luo Li. However, the things that Qin Fei’er had done had broken Luo Li’s heart.

If Luo Li must be so generous to give her mother’s jade pendant away so that everyone would love her, then she did not want to be a lovable person.

If not for that strong friendship with Qin Fei’er, Luo Li would have cut Qin Fei’er out of her life back then.

However, once there was a fissure in a relationship, be it a friendship or romantic relationship, it would never be as strong as it was before. With just a small trigger, the relationship would fall apart.

Apparently, Feng Ruqing was the trigger.

When Luo Li was overwhelmed by grief, it was Feng Ruqing who had walked over, pushed Qin Fei'er away, and got her away from the crowd.

Unlike Qin Fei'er, Feng Ruqing did not advise Luo Li to forgive others. She simply helped Luo Li, silently. Perhaps, that was what a true friend really meant.

"Indeed, Qin Fei'er is an all-rounder. I am no match for her. Everyone likes her so much... but I don't want to be like that. I don't want to be wronged anymore."

Thinking of all the grievances buried in her heart, she could no longer hold back tears.

"Luo Li, a friend would never let you down." Feng Ruqing stared solemnly at Luo Li.

Feng Ruqing was right. A true friend would never let you down.

"I understand it now. Perhaps, Qin Fei'er has never treated me as a friend since the beginning. I was just flattering myself. It doesn't matter, I don't care about her anymore. I don't like people who don't care about me."

Chapter 794: A Friend Will Never Let You Down V

"Don't worry, there are many ladies out there in this world. Qin Fei'er is nothing." Feng Ruqing reached out to stroke Luo Li's head.

Dumbfounded, Luo Li wiped off her tear and broke into a smile. Feng Ruqing spoke as if Luo Li was dumped by her lover.

"You are right! There are so many ladies in this world. Moreover, I am pretty. I am sure I will be able to make new friends. However, I will never be overly tolerant of others in the future."

Luo Li was overly tolerant with the people she had met when she was with Qin Fei'er,

Initially, some of them were sincere to Luo Li. As time went by, they started to take everything Luo Li did for granted. They could never accept it if Luo Li stopped resigning to herself.

"Speaking of which, it's true that I am Qin Fei'er's friend, but I have broken off the friendship I had with her." Luo Li snorted and turned to look at Qin Chen.

"You are Qin Fei'er's brother. You can't cut her out of your life, can you? If that is the case, then, I am closer to Xiao Qing than you."

Qin Fei'er was Feng Ruqing's love rival after all. Luo Li would not hesitate to take Feng Ruqing's side, but what about Qin Chen? Could he break off with Qin Fei'er?

"I will never break off with Qin Fei'er in my life." A glimmer of wickedness flashed in Qin Chen's eyes.

Beaming with pride, Luo Li glanced at Qin Chen and turned to look at Feng Ruqing as if telling her— Look! I am more reliable.

"Because..." Qin Chen paused for a while.

“Even if she is not my sister, she is my enemy.” Qin Chen could never get rid of Qin Fei’er

‘Can this rascal finish all his words without pausing?’ Hearing this, Luo Li’s face stiffened. She felt a sudden burning embarrassment for her behavior. How she wished there was a hole before her so she could hide herself.

1“Are you sure you can do it? Fei’er said that she is very close to you and that she is your only kin.”

“She really said that?” Qin Yue’s eyes were full of doubt.

Qin Chen had no idea when he began to get close to Qin Fei’er. Even if Qin Chen did not hate Qin Fei’er back then, he had never liked her. Now that Qin Fei’er had become Feng Ruqing’s love rival. Naturally, Qin Chen would never get close to Qin Fei’er...

Luo Li nodded desperately.

“Qingqing is the only kin in my life.” The corner of Qin Chen’s lips curved into a sneer.

“Chen’er, have you thought about this? Perhaps, your biological parents are still alive and you could find your origins.” Feng Ruqing grabbed hold Qin Chen’s hand tightly.

“Having you in my life is a gift. I don’t need anyone else.” Qin Chen smiled.

‘Because... I have you in my life and that’s enough for me. You have lightened up the sky and brightened up my world. There’s nothing else that I want in my life.’

“Chen’er!” Feng Ruqing was stunned.

“Then, I will listen to you. If I find my biological parents, I will meet them if you want me to do so. Is that alright?” Qin Chen paused for a while and stared at Feng Ruqing’s face.

Luo Li’s eyes were fixed on Qin Chen. Although Luo Li had known Qin Chen for years, he had always been cold and nonchalant. Now, the way he was treating Feng Ruqing was completely different. He had never treated Qin Fei’er like this before.

‘If Qin Fei’e knew this... she would be furious. Would she still be gentle, kind, and generous?’ Luo Li could not wait to see what would happen to Qin Fei’er when she lost her mind.

“Chen’er, it’s getting late, you should go back.” Feng Ruqing looked at the sky and then at Qin Chen.

“I will stay here for a while, and you can meet me anytime.”

“Alright...” Qin Chen said, reluctantly.

Chapter 795: Gu Yiyi of the Gu Family I

Qin Chen knew that he might put Feng Ruqing into trouble if he stayed there for too long. Hence, he glanced at Feng Ruqing before he turned to leave.

Soon after Qin Chen left, Luo Li, too, left Feng Ruqing as Luo Li could not bear to leave the old lady alone in the manor alone for too long.

When Luo Li returned to the Luo family, the manor was a mess. The old lady was holding her heaving chest as she raged and hit the crutch on the ground, hard. She could hardly stand upright.

Standing helplessly nearby, Luo Fei wanted to help the old lady to stand but the old lady swung her crutch and hit the back of his hand.

“Grandmother!” Flying into great panic, Luo Li rushed over. Her furious gaze was fixed on Luo Fei.

“What have you done to Grandmother?”

Luo Li used to call Luo Fei her father, but she had stopped now. Her eyes were blazing with furious rage.

“Li’er, I have brought someone to treat your grandmother, but she has turned us down. Since you are her most beloved granddaughter, please help me to persuade her,” Luo Fei said, helplessly.

“Stop acting! I will find a cure for grandma’s illness. I don’t need your help.” Luo Li snorted as she helped the old lady toward the backyard.

Luo Fei’s face stiffened. He stood behind both of them, watching them leave. The sight cast a chill all over his body, freezing his blood and piercing his heart.

“Luo Fei, Qin Fei’er has helped me get Grandmaster Hai Rong to treat the old lady. Unfortunately, the old lady has turned us down. Hence, it has nothing to do with me.” The corner of Qin Xiaoyue’s lips curved into a sneer.

Originally, Qin Xiaoyue had never thought of getting Grandmaster Hai Rong to treat the old lady as she knew that the Grandmaster Hai Rong had a lofty temperament. Naturally, Qin Xiaoyue was not capable of getting him to help.

Previously, she had promised Luo Fei to get the Grandmaster Hai Rong to treat the old lady so Luo Fei could not bear to part with her. Fortunately, the old lady had rejected them. Otherwise, she would have to think of an excuse to postpone it.

“I will convince my mother. Even if she is angry with me, she must not risk her life in a fit of anger.” Luo Fei smiled, wryly.

Qin Xiaoyue squinted. Suddenly, the lady who had taken Luo Li away from Paramount flashed through her mind. Thinking of this, her lips curved into an evil smirk.

1“Luo Fei, you should keep an eye on Xiao Li. I saw her together with a strange lady today.”

“Xiao Li has grown up. She has the right to choose her friends,” Luo Fei said after hesitating.

Qin Xiaoyue’s face darkened a few shades.

Luo Fei had always been tolerating all the wrongdoings that Luo Li had done. Luo Li was nothing but a young lady who had no filial piety and did not know how to respect the elders. Why did Luo Fei always indulge her?

If Qin Xiaoyue were Luo Li’s mother, she would have beaten the crap out of Luo Li.

“Luo Fei, I will be Li’er’s parent in the future. Since you have a one-track mind, I must take good care of her. She has the right to choose her own friends, but she must not hang around with disagreeable people. Otherwise, she would be led astray. Don’t you think Li’er has changed a lot recently?”

Luo Fei merely frowned.

Qin Xiaoyue was right. Although Li’er disliked Qin Xiaoyue, she had never shown it on her face and had never disregarded her father.

Luo Li had always been cordial and obedient, simply no one knew when she had changed.

Chapter 796: Gu Yiyi of the Gu Family II

“Besides, don’t you know what kind of person Fei’er is? That dubious woman did not like Fei’er appearing in front of Li’er, so she pushed Fei’er to the ground. Luckily, Fei’er is a lot stronger now, if anything happens to her, do you think Grandmaster Hai Rong will let that woman go? The relationship between Fei’er and Mu Huan has always been great since childhood. You need to think carefully about many things.”

“Moreover...” Qin Xiaoyue frowned. “Li’er’s behavior has hurt Fei’er. I have persuaded Fei’er to stay away from Li’er several times. However, Fei’er is soft-hearted. Hence, she did not listen to me. She had always treated Li’er like her younger sister. She is even nicer when Li’er treats her even just a little better than usual. But in the end, Li’er still abandoned her.”

Luo Fei pursed his lips, discomfort written on his face. “Maybe there is a misunderstanding between Li’er and Fei’er. They just have to resolve the misunderstanding. Li’er is the kind of person who knows how to distinguish right from wrong.”

He would defend Qin Xiaoyue in front of Luo Li. However, he could not bear Qin Xiaoyue criticizing Luo Li.

These two—one was the person he loved and the other one was his own daughter.

He only hoped that they could get along with each other peacefully. Even if they could not treat each other like loved ones, he hoped that at least they would respect each other.

“Luo Fei!” Qin Xiaoyue’s eyes showed hatred. “I am telling you all these for Li’er’s sake, you...”

“I know that you care about Li’er, but she has her own freedom. Even if that girl is really bad, the Luo family doesn’t have any dealings with her. However, I can’t stop Li’er.”

Especially when his daughter was already ignoring him now. If he continued this, Li’er would really hate him forever...

At the chief manor.

Compared to the tranquillity of other manors, the chief manor was totally out of control and had become a scene of turmoil.

Gu Yiyi held the celadon high in her hands. She stared at the middle-aged man in front with her big eyes. “You won’t let me go?”

Gu Shi’s heart was about to stop beating. He was about to cry. “My little devil, can’t you just put down the thing in your hands? I...”

Crash!

The celadon was smashed onto the ground, hard, breaking into a million pieces.

Then she tore down the painting on the wall and stared angrily at Gu Shi. “Will you let me go, now?”

“My dear daughter, what are you going to do?” Gu Shi finally cried, desperately.

Fortunately, there were no other people there, otherwise, his reputation would be ruined.

“I want to go out and leave this horrible place!”

“...” Gu Shi was aggrieved. “Little devil, this is your home—the place where you have grown up. Why do you say that this is a horrible place?”

Rip!

Gu Yiyi tore the painting. The painting that Gu Shi had spent a lot of money on was ripped into half.

He was so distressed that his whole body twitched.

“I don’t care. I’m leaving Tian Shen Manor. I’m going to Liu Yun Kingdom. I’m going back to Liu Yun Kingdom!”

Gu Shi’s mouth twitched twice. His baby girl had just left the house once. How could this not be her home anymore?

What was so good about Liu Yun Kingdom? Was it better than her own home?

Gu Yiyi had raised another celadon vase high up in the air. Just as she wanted to smash it, Gu Shi spoke.

“Little devil, can you tell me why you want to go to Liu Yun Kingdom?”

She was silent for a moment. “Because the woman I like is in Liu Yun Kingdom.”

The woman she liked... woman...

Chapter 797: Gu Yiyi of the Gu Family III

Woman?

Gu Shi was shocked. “Yiyi, you are a woman. How can you like women?”

“Xiao Yin told me that men are inconsiderate, unlike women who are gentle and kind.”

“Who is Xiao Yin?”

“Oh, she is Nan Xian’s ex-fiancée, the one whom the Mu family had arranged for him before.”

Gu Shi was too stunned to speak.

Did Gu Yiyi know Nan Xian’s ex-fiancée? Was Gu Yiyi lead astray by her?

No!

He could not let Gu Yiyi leave Tian Shen Manor again, lest she would really never marry a man in the future!

“The person you like... who is it?” Gu Shi hesitated before he asked.

He had already decided to tell the guards to stop that girl from entering Tian Shen Manor, otherwise, she would inevitably take away his baby daughter.

Gu Yiyi snorted. “The person that Xiao Yin and I like has been snatched by Nan Xian. Xiao Yin is right. Nan Xian is a vixen that seduces innocent girls, especially those that resemble Manor Lady Xiao Qing.”

Gu Shi was speechless.

He was confused and needed a moment to think rationally.

“Yiyi, did you just say that Nan Xian has found the girl he likes?”

Well, if Nan Xian liked that girl, then his baby girl would have no chance.

He had to start searching for a new husband for Gu Yiyi to prevent her from being hurt.

“Father, please let me go. I want to leave Tian Shen Manor. Xiao Qing has already abandoned us and ran away with Nan Xian. If I don’t leave now, it won’t be long before Xiao Qing forgets me.”

Gu Yiyi had just managed to lose weight. She wanted to appear in front of Xiao Qing with a different appearance to impress her. Yet, she was tied to Tian Shen Manor by her father before she could do it.

Too bad that she was not Tang Yin whom Xiao Qing was already familiar with.

It was said that Xiao Qing’s memory was not very good. If she did not appear in front of Feng Ruqing for a long time, she would be forgotten by Feng Ruqing.

“Little devil, you will be eighteen years old soon. Can you leave after your birthday party?”

She had no chance to leave!

He must find her a good husband before her birthday.

There were many excellent men in Tian Shen Manor. Many of them had very good temperaments. Moreover, he did not need to worry about Gu Yiyi not marrying. After all, she had become very pretty now.

“Wait...” Gu Shi suddenly thought of something. He hesitated before he asked, “You should answer me first. Does Nan Xian have a girl whom he likes?”

Gu Yiyi nodded. "Xiao Qing is very beautiful and gentle. Furthermore, she is also very talented. Nan Xian does not deserve her."

Nan Xian was a fickle bastard who still philandered with other women although he already had Xiao Qing by his side. Was he eligible to be Xiao Qing's husband?

Gu Shi's face darkened. His eyes were filled with anger. "Mu Ling!"

He gritted his teeth furiously as if he wanted to hack Mu Ling into pieces!

"Mu Ling, you assh*le! How dare he lies to me? He has lied to me more than once!"

When Mu Ling had come to propose the marriage, he had immediately agreed without giving it a second thought because Nan Xian was indeed good enough.

But the main reason was that Nan Xian did not have any wife.

However, he did not expect Mu Ling to secretly look for so many concubines for Nan Xian.

How could his daughter endure such things?

He was still very furious although the marriage had already been canceled. If it were not for the Mu family's old master, he would have gone to settle accounts with Mu Ling by now.

Not to mention that Nan Xian already had someone he liked.

After all, he had never liked the Mu family. He only liked Nan Xian.

Chapter 798: Gu Yiyi of the Gu Family IV

Nan Xian already had someone he loved. Even if he was forced to marry his daughter, his daughter would suffer and be unhappy in the future.

At that time, he had also asked the Mu family regarding this matter, but Mu Ling had quickly denied it. Now he realized that he had been deceived all along!

"Father, if you really love me, you should let me go. Otherwise, I will burn Tian Shen Manor someday!" Gu Yiyi said as she gritted her teeth.

Gu Shi calmed down. He then turned and said, "Yiyi, you said that she is in a relationship with Nan Xian. That she will follow Nan Xian to Tian Shen Manor one day. It will be the same if you wait for her here. I will bring you to her after your birthday. Okay?"

Anyway, he had made up his mind to send some people to the gate and not allow that girl to enter Tian Shen Manor.

"Really?" Gu Yiyi looked at Gu Shi in surprise.

"When have I ever lied to you?" Gu Shi smiled, gently.

Gu Yiyi was slightly silent. "Well, it's only half a month until my birthday. I will leave after my birthday. Oh yes, if you want to find Xiao Qing for me, remember to ask those people in the chief manor to treat

her nicely. If anyone dares to disrespect Xiao Qing, I will run away from home! You will never find me again.”

“...”

Gu Shi wiped away his bitter tears.

He finally understood the meaning of the phrase—a grown girl could not be kept at home.

But the one who made him experience it was a woman.

“Yiyi, do you think I’m that kind of person? Don’t worry, I will order the people at Tian Shen Manor to treat her respectfully.”

As long as she did not come to Tian Shen Manor to hurt his daughter, he would even call her ‘father’.

He only had a daughter. He was still waiting to hug his grandson. How could his dream be shattered by just one woman?

“Oh.” Gu Yiyi curled her lip and slurred over the matter.

Gu Shi’s face stiffened. Was he so unreasonable in his daughter’s heart?

“Yiyi, you have been back for a while. Would you like to go outside?”

He wanted everyone in Tian Shen Manor to see his daughter’s charms and make those who had looked down on her regret it!

“No.” Gu Yiyi was listless. “I don’t want to meet those people. They are not as beautiful and gentle as Xiao Qing. They also won’t even praise me for being beautiful like Xiao Qing is. Moreover, there is no one here who can talk to me about Xiao Qing like Xiao Yin. What’s the point of going outside?”

Feng Ruqing was the only one who had praised her when she was about two hundred and fifty pounds.

That warmth was deeply engraved in her mind.

Now even if those people accepted her, it was just because of her appearance.

They were so hypocritical. She felt disgusted when she saw them!

Gu Shi looked at Gu Yiyi’s figure walking toward the hall. He felt a sense of danger in his heart.

It seemed that his little devil really loved that girl. No, he had to find someone to distract her!

“Gu Yi!”

An elder walked in from the door and put his fists together, respectfully. “Manor Master.”

“Go and find out which family’s sons have not implicitly taunted Yiyi when she was obese.” He thought of Gu Yiyi’s words and paused. He then continued, “He must look good and has a gentle temperament. He must also praise her all the time and be able to talk about that girl—Xiao Qing with Yiyi... His family background is not that important, but the other criteria that I have mentioned is a must.”

Gu Yi was speechless.

'Manor Master, your request is too hard to fulfill. Even those in Tian Shen Manor cannot meet those requirements.'

1

Chapter 799: Gu Yiyi of the Gu Family V

Gu Shi's face darkened. "What are you still doing? Quickly go and check it out. If Yiyi sets a fire on Tian Shen Manor, you shall rebuild it yourself."

"..."

At this moment, he really wanted to resign.

The task given by the manor master was impossible to be accomplished.

Gu Yi immediately recovered from his thoughts when he saw Gu Shi's gradually darkening face. He then said respectfully, "Yes, Manor Master."

The manor master was really a ruthless man.

At that time, the manor master was very dissatisfied with the former manor master. Therefore, he had killed him and replaced him as the manor master.

But now he was always tormenting them...

Gu Yiyi did not know that Feng Ruqing had come to Tian Shen Manor, so she felt depressed every day. Although her birthday was approaching, she was not excited about it. She was listless.

"Let me in. I'm the second Young Lady of Tian Shen Manor!"

At the main gate of the chief manor, An Cui who was wearing ragged clothes with disheveled hair looked haggard. She glared angrily at the people in front of her.

Her token was stolen the other day. She could have followed Gu Shi back to Tian Shen Manor while Gu Shi was still there then, but she had chosen to stay for Nan Xian's sake. She was even too scared to ask Gu Shi for another token. She feared that she would be forcibly brought back to Tian Shen Manor.

Too bad that all her money was used up before she could find Nan Xian.

She had initially wanted to use spirit herbs to exchange for some money. However, she never thought that those people would not accept it.

She wondered if the group of people in the secular world were stupid. They had missed a great opportunity to buy spirit herbs.

She could not even sell the spirit herbs at low prices.

An Cui always felt that there was a mastermind behind all the things that had happened to her. That person seemed to be intentionally tormenting her.

She had no other choice. She could only return to Tian Shen Manor.

Nonetheless, those people did not know her. Hence, they had stopped her from entering Tian Shen Manor since she did not have a token.

She had been wandering outside of Tian Shen Manor for a few days. She planned to wait for someone whom she knew to bring her back. However, she was stopped once again when she walked to the chief manor.

This time, An Cui was completely furious!

"I'm sorry," the imperial guard said, calmly. "There is only one Young Lady in our manor."

"You..." An Cui was angry. She glared at the imperial guard. "I'm An Cui. The manor master is my uncle. How dare you stop me? I will tell my uncle to drive you out!"

The imperial guard sneered. "Oh, so you are Manor Lady An. But I didn't know that you are the second Young Lady of Tian Shen Manor. By the way, Lady An has been driven out by manor master. You should leave too."

An Cui's eyes widened.

Was Mother thrown out of the manor?

What had happened when she was not in Tian Shen Manor?

"Lady An is currently staying at Heaven Inn at Northern Street. If you want to know the reason, you can just go and ask Lady An," the imperial guard said with a straight face.

An Cui gritted her teeth. Her wicked eyes scanned the imperial guard's face. She clenched her fists and turned around slowly. She then headed toward Northern Street.

She would definitely walk into the chief manor fairly and squarely again one day!

She wanted those who had looked down on her to regret it for life!

Feng Ruqing had just bought a pack of medicinal seeds at the herbs shop. After that, she bumped into two people as she was coming out of the herbs shop.

The man's facial features were quite feminine. His embroidered long robe could not cover the fact that he was a scumbag.

Mu Xi did not expect to meet Feng Ruqing in Tian Shen Manor. He stopped. He was surprised at first, then his face eventually filled with smiles.

"Hey, it's you. We meet again. It must be fate."

Luo Li was already following Feng Ruqing without waiting for her to speak. She had just taken two steps forward when she suddenly saw Mu Xi and Mu Huan standing in front of her.

One was soft and the other was cold and arrogant.

“What are you doing here?” Luo Li held onto Feng Ruqing’s sleeves firmly.

Somehow, Feng Ruqing felt that Luo Li’s hands were shaking.

“Lady.” Mu Xi slowly stepped forward. He smiled. “There is an amazing connection between us. What about joining us for lunch at Heaven-i?”

Feng Ruqing was bewildered. She thought for a moment but could not remember anything about the man.

“Do I know you?”

Mu Xi’s smile froze. He then continued to laugh. “We have met each other in the Forest of Spirit Beasts before. You may not remember me. Let me introduce myself again. My name is Mu Xi—the only young master of the Mu family.”

He deliberately emphasized the two words—the only.

Any smart woman would know what to choose.

The surrounding atmosphere around the girl was cold right after he said that.

“Are you from the Mu family?”

Since coming to Tian Shen Manor, she knew that she would meet the Mu family sooner or later.

However, she never thought that this day would come so fast.

“Xiao Qing.”

Luo Li turned her head and looked at Feng Ruqing anxiously.

She just felt that the current Xiao Qing was a bit intimidating.

Feng Ruqing smiled. “I am not interested in anyone from the Mu family. Get out of my way!”

Mu Xi’s face darkened. “Lady, so you are not doing me this honor?”

She kept saying that she was not interested in the Mu family. Did she not already devote herself to Nan Xian? Was it not because Nan Xian was of the Mu family’s blood?

Unfortunately, she had miscalculated. He was the only young master of the Mu Family. Nan Xian would lose out sooner or later.

He was giving her a chance, but she had not cherished it.

“Honor?” Feng Ruqing laughed. “Why should I? If you want me to join you for lunch, okay, kneel down now! You shall kneel and get to the gate on your knees! Then, maybe I will think about it.”

Mu Xi’s face completely changed. He no longer had that friendly smile and his face was clouded.

“Hey girl, don’t think you can do whatever you want just because Nan Xian is protecting you. You are nothing in Tian Shen Manor!”

Nan Xian?

Mu Huan glared at Feng Ruqing, coldly.

Oh, so this was the girl whom Nan Xian liked.

There was nothing special about her. She was just a contentious and useless woman.

If Nan Xian liked that girl, so be it. Nan Xian was not insightful, so he would never find a good girl. Why did Mu Huan also fancy her?

“I have told you. Kneel down immediately!”

Suddenly, many vines rose behind Mu Xi pulling down on his knees, hard. He lost his stability and kneeled in front of Feng Ruqing.

Mu Xi’s face was covered in cold sweat. Compared to the pain, being ashamed and humiliated were more intolerable.

He clenched his fists. His face was pale and his eyes were like a poisoned dagger glaring at Feng Ruqing.

“B*tch, do you want to die?”

Feng Ruqing stared down at Mu Xi who was kneeling in front. “I have already told you. If you want me to join you for lunch, you have to kneel and get to the gate on your knees. Only then I will think about it. Since you can’t do it, I don’t even need to think about it. You just need to kneel.”
