

Overwhelmed 106

[Chapter 106 Bring A Guy Home](#)

In the apartment, there was utter darkness.

Milton switched on the overhead lights, quickly filling the dark apartment with brightness. After a second, the apartment had become as light as day.

He glanced around the living room and could not find anything related to guys.

"Get out!" Candice caught up to him and attempted to drag him out.

However, he was already inside the bathroom.

When he entered, Milton stopped in shock. There was a shaver, shaving cream, two toothbrushes in a cup, and two towels on the sink.

How was that even possible? As far as he knew, Candice was staying alone.
