

## **Overwhelmed 121**

### [Chapter 121 Force Her To Give In](#)

Milton was laid-back. He wasn't furious at all. Instead, he explained, "Well, when you swipe your card, I'll be immediately notified."

Candice narrowed her eyes and replied, "How is that possible?"

Bettina whispered in Candice's ear, "I'm sorry. I just remembered that the Royal Garden Corporation has several banks, and your credit card came from one of them. And because of his position in the financial industry, Milton can be easily updated with your expenditures, savings, loans, and where exactly you spend money."
