

## **Overwhelmed 157**

### [Chapter 157 Work Required](#)

Candice breathed a sigh of relief. She'd finally managed to get Grady to do the thing she wanted him to do. Her plans were almost ruined by Milton, but fortunately, she achieved her goal.

She put the document away after a quick pause.

When she raised her head up, she was met with an angry glare from Milton.

His eyes were so intense that anyone would be intimidated. The tension in the room grew thicker as they both remained silent for nearly ten minutes. Candice felt her uneasiness grow with each passing second.

The tension made it hard to breathe.
