

## **Overwhelmed 159**

### [Chapter 159 Fighting With Her About Right And Wrong](#)

Candice shook her head and quickened her pace to leave.

When Milton passed by Raul, he said, "The box room's door was damaged. You're going to have to fix it later. Also, find out who let her in. Please inform the club owner that if Candice shows up at Watery Aroma again, I will be forced to shut down the establishment."

Raul was speechless.

Why did his boss always make him do the dirty jobs?

That was by all standards not right!
